GROWING & BEING UNITED IN THE LOVE OF JESUS

January 20, 2020

Greetings in the Name of Jesus Christ, Pastoring a church in any situation is not easy. I think it is especially not easy pastoring a church in a cross-cultural setting. There are so many things that I do wrong and because it is being done in a cross-cultural setting. Most of the time I don't even know the things I'm doing wrong. Some things I have learned a little, like, not using American illustrations in my sermons that don't make any sense to my Kenyan listeners. Also, talking slower and enunciating my words clearly for those who are not used to my American accent. Other things I have gotten used to—like children walking around during my message, even up to the lectern where I am standing, and talking to me while I am preaching (Chloe did this the other day too. She came right up to me while I was preaching, tugged on my pant leg, and asked me if she could preach.). I try and keep things informal and people will comment or ask questions in the middle of my sermon. I actually like that.

What haven't I learned? Well, again, that's hard to say. I haven't learned all the cultural norms. I haven't learned to speak Swahili well enough. I haven't learned how to play the guitar well. I haven't

Fellowship after church service

learned yet when I have done something to offend someone. Pastoring a church as an American in Kenya is not easy. But it IS rewarding.

The last couple of weeks we have had a new family attending the Chapel. It is always nice to have visitors that come more than once. One-and-done's are discouraging. It makes one think he is doing something wrong. But we are doing exactly what I think God wants us to be doing: simple Bible teaching, sensible and heartfelt worship, focus on Jesus. So, even if the one-and-done's don't like what

we are doing, we will continue to follow God's leading anyway. The new family, however, has returned. The mother came first, along with her three children. The father works in Nairobi, an eight-hour drive from his family. But he also was in Kitale this past weekend and attended the Chapel with his family. He told me that he also enjoyed our Chapel service very much. We are praying that this family continues to attend.

I am encouraged to see the Chapel folks entering a new phase together. Being in our new location is much more conducive

to "fellowship". The people are beginning to linger a lot longer after the services, talking and getting to know each other better. I see them starting to become friends instead of just "people who attend the same Chapel service". I enjoy watching them mingle and listening to their conversations. We are all definitely growing and being united in the love of Jesus. It has also been suggested to me by some of the people that we should have more times of fellowship

outside of our normal Sunday services. First, this shows me that they truly are growing and being bonded in the love of Christ. Second, it shows that they are taking initiative and interest in the growth of the Chapel instead of just allowing me to take all the initiative. Others have seen needs in the Chapel (like childcare) and are taking the initiative to find solutions to those needs. These developments are encouraging to me and I praise God for what he is doing in our ministry.

Blessings to you all,
Roger, Julie, Amy, Josiah & Chloe

Dear praying friends,

We hope this year 2020 finds you all doing well in service to our Lord. Hard to believe that we are entering a new decade so soon. Time truly passes so fast and may we be busy in service to Him. I am reminded of Ephesians 5:16, which says, *"Redeeming the time, because the days are evil."* Also, Colossians 4:5, which says, *"Walk in wisdom toward them that are without, redeeming the time."* The idea here is to make the best use of the time and the opportunities that God gives us. To make sure that we are focused on that which is eternal, which will not pass away, and can never be taken from us. May this be our prayer and thoughts in the upcoming year ahead.

I (Nathan) have been continuing in the discipleship course in the village of Wiyeta. Wiyeta is a big area, and I am really seeing its size and need for churches the more that I go there. God has provided some men

to train and disciple at this time, for which I am grateful. The men have given me good feedback on the discipleship program, and one man has commented on the great need for the foundation to be given first. This is my goal, to give the men Biblical training straight from the Word, so they can see for themselves what the Word says.

I have just started a training on the Trinity, and we recently looked at "God is our Heavenly Father." In this lesson we saw many things from the Word, namely how God loves us with an everlasting love. Jeremiah 31:3 says *"The LORD hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love: therefore with lovingkindness have I drawn thee."* We also looked at His protection (2 Thessalonians 3:3,) and His provision. One of the main verses under the provision section was Matthew 6:33, which says *"But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you."* I tried to challenge the men to put His kingdom first, then leave the rest to God and His leading for their lives. Please pray for each of the men that have been faithfully coming, that they would continue

to get the foundational teachings, then go out to reach others in their respective areas, with the main goal being the establishment of churches over time. I leave this all in God's timing and plan and trust Him with the results.

I also am continuing to teach at the Annex prison. I am pleased with the prisoners that have been faithfully coming to be taught the Word. I am almost at the end of the Old Testament teachings and hope to start the New Testament teachings soon, Lord willing. The Annex prison has been welcoming so far, for which I am thankful. I am trusting God to lead in the upcoming year and that He will provide the students He would have for me. Please continue to pray for this ministry.

In family news, please pray for our daughters, as they go back to school January 13th. There are some new students they are adding for the high school level, so please pray for the teachers and their new duties. It is a year of adjustments for everyone, including the teachers, so we would greatly appreciate your prayers.

God bless each of you and we will keep you updated.

TRAVELING STATESIDE; PLANNING 2020 CLASSES

Aj & Barbara
Hensley

ajcaragua@gmail.com

São Paulo, Brasil

January 23, 2020

Dear friends and family,

When I was a young child and our parents said that we were going on a road trip we three boys would jump into the car screaming "shotgun". This means that that person would get to sit beside the driver. And because we all said it at the same time, we would proceed to wrestle for the position.

It seems that for the last week we have been on one of those kinds of trips. We started in San Antonio Texas where we visited with an old Pastor friend, Jason Hamlin. We first met him in Brazil when he and his wife Stacey were searching for the area that God wanted them to serve in Brazil. They had a meeting with several Pastors and Missionaries and each of us gave them reasons why they should

work in our work. As you can see, they chose us and Caraguatatuba. We had 3 to 4 years working together then Jason and family had to come home to the States because of health issues with his mom. He has since started to work with a non-profit organization and we got to meet those with whom he is working. We do not know if anything will come out of these meetings, but it never hurts to try plowing new fields for support.

From San Antonio we went to Bastrop, Texas. We spoke to a supporting church there. And met with Dr. Edge the pastor there and our seminary professors. Also, we were able to visit my brother on this trip as he and his wife are members of the church there.

From Bastrop we flew to Orlando, Florida, where we attended the Winter Conference for Baptist Faith Missions at Park Ridge Baptist Church. During this time Barbara has not once called "shotgun" so I have always gotten the best seat during the trip. We both are feeling like gypsies,

but we are having an AWESOME time. We are meeting new friends and renewing old friendships.

We are working diligently to put the schedule for Bluegrass Seminary together for the year 2020. It is going to be a VERY busy year. We will start out in São Paulo City, then on to Campinas in March. This trip we will give two classes, then we will return to the States. Then in April we will head to Manaus, and from there will fly to Porto Velho in another State. On this trip we will be doing four classes. After these classes we will return to the States. Then in June we will return to Garça, giving one class. Then in October we will do six classes spread out in São Paulo, Manaus, Porta Velho.

Pray for us as we endeavor to reach Brazilian Pastors and church workers. This is a very strenuous schedule and much travel, but the return is AWESOME.

Thanks to you and those who support Baptist Faith Missions with your prayers and your finances.

In His service,
Aj and Barbara Hensley

TWO PROFESS CHRIST AT CHRISTMAS PRESENTATION

and at least two individuals professed Christ as Lord of their lives at the invitation given at the end of the message. At least 30 of our church members were involved in the presentation in one capacity or another and they were very faithful for 3 months going to practices and putting together the stage and sound and lighting system. We are thankful that the Lord has blessed us with such dedicated servants.

Our traveling evangelistic team is taking a short break because Brazilian schools are on their summer break. Around the second week of January we will start our first missionary training seminar of the year. We will teach Missions strategy and theology for the first two weeks and follow that up with practical evangelism, both to crowds and one-on-

one. We are expecting about 20 new students from four different states. At least two of these students will stay on to work with our teams for six months after the seminar and, possibly, for a year or more if God so leads them to do so.

Charlene and I have also given a break to our English students until the end of January since there are no regular school classes going on and most families travel on vacation anyway. We will start back up again in February and we are looking forward to how the Lord will use this ministry this year.

Please keep us in your prayers as we seek to carry the gospel to as many people as the Lord places before us.

In Christ's love,
Bobby and Charlene Wacaser

Dear Friends,
Happy New Year! We were blessed by the Lord so much last year, but we are already excited about the new opportunities and blessings in store in 2020. We know that there is always the possibility that trials and loss may be awaiting us, but we also know that God will be with us in any struggle and that He has already promised that He is working all things together for our good because we love Him and are called according to His purpose.

Our Christmas presentation at our church was very well attended

ENCOURAGED BY GOD AT WORK IN THE LIVES OF BELIEVERS

John Mark & Judy Hatcher

January 13, 2020

Dear Brothers and Sisters in Christ,

We just arrived back in Evansville a few hours ago from a very enjoyable weekend with Emmanuel Baptist Church in Bellbrook, OH and Grace Baptist Church in Fairborn, OH. It was encouraging to see the hand of the Lord at work in these two congregations of disciples of Jesus. We met young believers, servants of the Lord and God's children preparing to serve Him in other fields.

Meanwhile, God has given Judy and me opportunities to be His witness to folks we have met here in Evansville who need Christ and to encourage believers who are seeking to serve Him. In the month of December, we were able to meet with believers from several churches for encouragement, fellowship and service. We met some believers that we did not previously know and were

greatly encouraged by the testimony of God at work in their lives. We were also able to spend a good amount of time in fellowship with believers that we had the privilege of serving when we lived in Evansville.

Not only has a new calendar year started for all of us this recently, a new year in my life also began. It is hard to believe how fast the years have passed. It is even more difficult to count the many blessings God had given us. They are innumerable. You are part of these blessings.

We request your prayers for the believers in France, those who need Christ in France and for God's continuous direction in our lives.

In a couple of weeks, I am going to Florida for a few days to help prepare accommodations for Dad's (John A. Hatcher) return to Florida.

For the past six months Paul and Wanda Hatcher have been active in the Lord's ministry in Manaus, Brazil. God has blessed tremendously this time in the city where they served for forty years and hundreds of believers have come together with them for the Glory of God in the city. I will be with them for a few days in the beginning of February. We request your prayers for the transition of Paul and Wanda along with Dad back to Florida.

Dad is approaching the completion of his 95th year on earth.

May God richly bless each of you as He guides us this year.

With you in His service,
John and Judy

SUCCESSFUL SURGERY & RECORD ATTENDANCE AT CHRISTMAS MUSICAL

Mike & Beverly
Creiglow

Cruzeiro do Sul, Acre,
Brazil 69980

January 21, 2020

Dear Brethren,

Grace and peace to all. 2019 ended and 2020 started with tons of work, but no real news. Sorry, it's true! I have worked a lot, but don't have much to report or little to show for all the activity. There are a few things that you may be wondering about, so let's fill in those blanks.

Andrew is finally home and well. After over a year in and out of hospitals, fighting with said hospitals, doctors and insurance company, the Lord opened the door for the equipment to come to Manaus for his procedure. The word came down right as I was in the midst of the preparations for the Christmas Musical. Andrew went to Manaus and once the final dates were set for his surgery, I went to be with him. It was a huge success. In fact, it was the first procedure of this nature in all of northern Brazil. There were over 20 people (mostly doctors and other health care specialists) in the room to watch the procedure. The doctor was able to do all that we had been praying for and a couple of other things were corrected, also. You can't imagine my joy 2 weeks later seeing my son on the front pew during the Christmas Musical smiling at his little boy, Devin, who was on stage. Thanks to all of you who have prayed for him. Thank You, Lord!

The musical was a lot of work as usual, but really great. We had 6 presentations (6 nights) ending on Christmas night. We are now in our new building and set several attendance records. We averaged just under 1200. On Christmas night we had 1718 in the building. Many people were not able to get in. A few more people were saved.

I only made one short trip out of town so far this year. I visited the congregation at Canela Fina. This work was started by Igreja Batista Betel, which is one of our daughter churches. It rained big time and it was pretty muddy, but the building was packed with over 200 people.

The first weeks of the year have been mostly just plain ole hard manual

labor. I have been building a new office for me in our garage. Beverly needed a space for her crafts, so I gave up my office in the house and built my new space. It is not quite finished, but getting there. Yesterday I finally installed a new router to be able to have internet service. Now all I "need" is a lazy boy and big screen TV for my man cave to be complete! Waiting for Beverly to approve those last 2 items. It may be a while.

In my spare time (?) I have been working on my boats and motors getting ready for the upcoming mission trips of the rainy season. The new 60HP and 25HP outboards have finally arrived. My old motors were 11 years old. Thanks to the churches and friends who have helped to purchase the new engines. It took months to get them here, but now it will only take a few more days to have the boats ready. There are a number of repairs to do on the boats. The 25HP is already installed on the jon boat, but waiting for water in the river to do the break in. In fact, last week I was supposed to go up the Moa River, but the rains stopped suddenly, and all the rivers are shallow and clogged with stumps. The bigger boat needs several repairs and the installation is much more complex. Right now, I am waiting on new control cables. The old ones off the old motor are different, so I had to order new ones.

Bev and I have had some health issues. She had dengue fever! Fortunately, she had a mild version of it or maybe she is just plain tough. Probably the latter. I have had 2 kinds of infections over the last few weeks. Routine stuff, but very painful and debilitating. Had to go through rounds of antibiotics. Even though health care here in Cruzeiro do Sul is rather precarious, I have the advantage of having folks in the church that are doctors, nurses and lab owners. One lady that has a lab, came to the house to take my blood sample, did the full round of tests and even brought the results to me. One of our doctors took care of me by cell phone. I did have to go out, get a shot at the ER and buy medicine, but our folks take good care of me.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ,
Mike Creiglow

FELLOWSHIP WITH TEENS FROM UBIM

Odali & Kathy Barros
odali_kathy@hotmail.com
Irاندوبا, Amazonas
Brasil, S.A.

January 18, 2020

Dear Brothers and Sisters,

Hope and pray that all had a wonderful Christmas and a blessed beginning of a new year. We had a great beginning of this new year.

This past week we had a group of teens from the community of Ubim.

There were 17 that came. We just had a great time of fellowship and fun doing several activities with them. If we had let them choose, they would stay another week. Well, if any of you have a freezer or a fridge full of food you want to get rid of, just bring in a group of teens and they will take care of that for you.

We have planned for this month a baptism service. We get all the people that have been saved from the different missions and have a day together of fellowship. This is always fun and a great time of fellowship since everyone lives a good distance from each other.

We have some plans to work on the camp facilities making some changes and adding some new things. We need to repair some roofs and need some new

utensils for the kitchen. Please pray that God will provide the means for us to do these things. We thank God for the two churches that gave offerings for the new freezer. What a blessing. We really want to use it more and more as a form of reaching out to the people in these distant communities. In the world we live in today, all the bad influences on our teens move faster than what is good and from God. The drugs are a very big deal in all these areas. Pray with us that God will raise up more people that are interested in reaching out to these teens and

the families in all these places.

We are still in the process of taking over the church that was offered to us to take care of in the little town of Cacau. We are making plans with a group of 3 young couples to help us there. Pray with us that God directs us each step of the way. There are many drug dealers in this tiny town.

The work in Irاندوبا is coming along. So many of the kids that come, their parents use drugs. Pray for these kids that are coming that they can learn about God and accept Him and Savior while they are young.

We thank God for each one of you that support us through your prayers and financial support. May God bless each one as we work together in His work for His kingdom!

THE MONTHLY CONTRIBUTION RECORD – TO BE DISCONTINUED HERE...

Beginning with the April 2020 issue, we will no longer be publishing this Offerings Report [or Monthly Contribution Record] in this publication as it is now being published. We know that we have publicly declared and printed all offerings given to and received by BFM from the very beginning. In fact, the very first issue of this publication was just that: it was a listing of the offerings given by Hafford Overbey's Sunday School class in Wheaton IL that were then sent to the missionary ministry of Joseph Brandon in Brazil. The public record of all offerings given to BFM have been published every month since 1942.

We have done this because, again, from the beginning, we have been committed to complete transparency. We have fully disclosed every offering received, who contributed it [unless they wish to remain anonymous], and also how all offerings were disbursed and used.

We have presented an Annual Financial Report during the first quarter of every year to account for how all offerings were transacted during the previous year.

But, we are now living in a different world, having to deal with legal issues of personal privacy and the piracy of personal information. There are now too many risks and liabilities to take into account to make this information so public. So, beginning with the April issue, it will no longer be printed and published in this public format, nor will it be posted on the internet.

However, we will be making this same report available to any contributor who wishes to receive it because we also recognize that many of you who give so faithfully and sacrificially to the support of our missionaries want to know how their support is faring. That's why you give the way you do. So, we commit to making this

Offering Report available to you.

Here's how we will do it. We will compose this same Offering Report in a format similar to this one you are used to following. It will be composed on both an electronic file and also on paper. You can receive it however you choose to receive it.

What we ask you to do is: if you are an interested contributor to BFM, then simply send your name and how you would like to receive the Monthly Contribution Record [electronic via email / or paper via USPS] to Steve Wainright, one of our BFM Directors.

Send him:
