Dear Brethren,

A few days ago Zico (our missions director) and Lúcio Maia went with me up river to the border and beyond. The first leg of the trip took us all the way to the border village of Foz do Breu. It took us over 11 hours to do those almost 300 miles. We had some engine trouble, but still made it before dark.

People are moving back to the village and we had really good crowds for the services, over 70 people. Before heading into Peru we held a morning baptism service. I baptized 12. One couple had been waiting for some time to first get legally married then baptized. Ercílio had been one of the town drunks and enemy of the gospel. Now he is a go-getter missionary. He has made 22 mission trips in the last 12 months. He used to detest the native tribes up the Breu River. Now he has become friends and has made 5 mission trips to visit our brothers from the Kaxinauá tribe.

We continued to Tipisca, Peru. On arrival, our missionary José Maia (Lúcio's dad) took our baggage to his house on his 4 wheeler. I stayed behind to get the boat and motor bedded down. Just as I finished, a huge tropical rain storm came in. There is no pavement in Tipisca and this time of year the mud is knee deep in many places. When I saw the

rain was not going to stop I decided to go ahead and make my way up the slippery bank and into town through the driving rain and mud. I had to go barefoot and on the way I slit my foot open on who knows what. For the rest of that week my feet were wet and muddy most of the time and could not bandage the foot. A week later it had pretty much healed up though, so no harm no foul.

We dedicated the new building on the weekend. José Maia did an admirable job and built the building to match the design we use all over in our congregations. It seats over 100 people, is on a corner lot, right on the main street of Tipisca. This newly purchased lot and what we already had, gives us over an acre. We had over 200 people in at least 2 services and well over a hundred in the other 2. The army brought most of their soldiers out for 1 service and the local police department came on Sunday morning. This is a first. In fact we had never had crowds like this in the several years since we opened the

work there (over 10 years). Up to now we had made inroads among the children, but no progress with the adults. They now have a big group of kids and a number of adults that attend regularly.

Let me tell you about one of the ladies who trusted Christ while we were there. Dona Mila and her husband are in their 70's and were what you might call founders of Tipisca. She was born over on the coast of Brazil and moved to Cruzeiro do Sul as a little girl. Her husband is Peruvian and was working in our town as a young man. They met and married. When the Peruvian government put in an outpost a few miles up the Juruá River from the border the young couple moved there. This became the town of Porto Breu, which the locals call Tipisca. Dona Mila and her husband were drinking buddies. It was not uncommon to see the couple sleeping off their liquor in the grass along the paths of town. They were both at church with us. Both have stopped drinking and Dona Mila

has trusted Christ!

We came all the way back to Cruzeiro do Sul in one long day, but not without more engine trouble. I had to stop in the middle of nowhere and repair the motor at high noon, lots of bugs and mud, too. This motor is now over 10 years old and broken down on me on my last 3 trips. It is about time to replace it. I will be looking to you to help me with this in the near future. For now, just pray.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ,
Mike Creiglow

Deloris Lauerman Is With the Lord

Another one
of our faith-
ful Veteran
Missionary
Pension-
ers has been
called Home
to Heaven
to meet her
Savior face-
to-face whom
she loved and

served all her lifetime here.

Deloris Lauerman served with her
husband, Walter, for thirty years in
South America: 15 years in Peru, and
then 15 years in Honduras. The Lord
worked through them to establish
at least 24 New Testament Baptist
churches in those fields of service –
and then those same churches went
on to multiply still more churches...
and they are still going and multiply-
ing!

They maintained contact by
letter and phone with many of those
saints years later after returning to
the States to pastor churches here
and serve out the later years of their
lives in still others of our churches.
Many times, we rejoiced with them
as they shared with us conversations
they had with first, second, third,
and even fourth generation believ-
ers – some of them whom they had
never met. They would remind them
of their love for them, thank them
for coming to tell them about Jesus,
and keep them updated with what the
Lord was continuing to do in Peru
and Honduras because of the Gospel
witness of Christ they had first deliv-
ered to them.

Please join us as we express our
deepest appreciation to both her and
Brother Lauerman for their lifetime
of service to our Lord Jesus Christ –
and in our prayers to God for her
family during this time of their earth-
ly bereavement.

*"Well done, good and faithful servant...
enter into the joy of your Lord!" - JESUS*

Veteran Missionaries Pensioners

We are frequently asked: "What are you doing to continue giving our Vet-
eran Missionaries assistance, especially financial assistance, in their golden
years? How do you assist them? Through what means do you assist them?
How can I help assist them?"

Walter and Deloris Lauerman were recipients of service pensions from
Baptist Faith Missions for all the years of their later lives. After Brother Lauer-
man went Home to be with the Lord in 2004, Sister Lauerman continued to
receive their pension until her own Homegoing on March 19.

This is just a small way we could honor them and show our love and
appreciation to them for the years of service they gave to Christ in partner-
ship with BFM.

Many of you have known our Veteran Missionary Pensioners for decades.
You have not only known them, but you have loved them, fellowshipped with
them, served with them, hosted them in your churches and in your homes,
and have contributed to their missionary support.

We still have six other current Veteran Missionary Pensioners to whom
we are giving this same honor.

The **Veteran Missionary Pensioner** account is not funded through the
regular monthly offerings given to BFM, but rather through another account
that is established for that purpose.

Would you like to help us with this expression of our love for them?
When you designate your offerings for **Veteran Missionaries Pension** or for
Founder's Month Offering [they are the same], they will be applied toward
continuing to give financial honor to these faithful servants of Christ.

All contributions designated "In memory of Deloris Lauerman" or for
"Veteran Missionaries Pension Fund / Founders Day Offerings" will be
applied for the continuing and on-going support of these faithful life-long
servants of Christ.

Thank you for sharing with them!

Dear Brother and Sisters,

Last week Judy and I celebrated 46 years of marriage. As many of you would agree, the time passes quickly. Judy has certainly been a wonderful partner. We have had the opportunity to serve the Lord on three continents in very different settings. She not only is a model of encouragement, she has been a tireless worker.

Besides her continual zest in serving the Lord through in ministry beyond our family, Judy has truly been a great mother and grandmother. This past week we also celebrated the 18th birthday of our oldest grandchild, Abigail. This summer Philip and Amanda will be taking her to Evansville, Indiana to begin her studies in Physical Therapy. We will certainly miss her in many ways. She is a good teacher, excellent musician and has touched the lives of many of her friends as a missionary. Among many other activities she is now leading a student Bible study with high school friends and acquaintances. She and another believer decided to do this and are now each leading studies on the High School grounds about the life of Christ through the Gospel according to Luke.

God has greatly used Philip, Amanda, Abigail, Nathalie, Camille and Emily in what He is doing here. We are so grateful for the partnership we have.

Yesterday, we had a great Sunday meeting with several visitors from L'Union, another city in the Toulouse metropolitan area. They are members of a family who are longtime

friends of ours. Years ago, Wendy, a single missionary who works with us, and Judy taught English classes in Blandine's home using Bible stories as the subject matter. Later, Blandine's children were regular participants in our Youth meetings and brought their friends. This Sunday, the son, Kerwan, was here with his mother. He is now a 2nd year University student preparing to

be a History teacher and shows a good interest in spiritual things. Blandine also brought a neighbor who was here for the first time. This lady expressed how much she enjoyed the Bible reading. I gave her a Bible and she was thrilled. When I suggested to Blandine that we would be glad to start a church meeting in their home, she seemed quite interested. This is

something for which you can pray. You might like to practice your French so here is part of an email I received this morning from Douceline (Blandine's sister). She lives in Mazerès, about an hour to the south and in whose home we held Bible studies weekly for many years. She was also here yesterday.

Coucou John & Judy,

Un grand Merci pour ce repas, votre gentillesse et votre disponibilité ! Claude a été super contente ! C'était une super idée de lui donner la Bible... Merci aussi pour votre proposition concernant les études sur L'Union. Que notre Seigneur vous bénisse pour tout ce que vous faites pour vos frères et sœurs ! Que notre Seigneur œuvre dans le cœur de chacun et que ces études puissent voir le jour si c'est dans sa volonté !

We are here to let the light of Jesus shine through us so that others may know Him, trust Him and follow Him. There is no better life.

Dear praying friends,

Another month has come and gone, and we are now into March 2019. Hard to believe how quickly the time passes. We are thankful to God for His care for us, His protection, and His leading. One of my favorite verses is 1 Peter 5:7, which says "Casting all your care upon him; for he careth for you." We have so many cares to this life, day to day, and how comforting that we can cast them on Him, knowing that He cares for us. What a great God.

Currently, the road on which we live is being worked on. There has been so much dust produced from the large construction vehicles moving the dirt, going over the potholes to reduce them, laying the road foundation, etc. Supposedly they will begin laying the actual tarmac this week. Please pray with us that the work will be finished soon. This new road will be a huge blessing to our family for a variety of reasons, including an improvement in our health. I, Nathan, and our daughter, McKenna, both struggle with asthma. The new road and elimination of dust would be a huge relief for breathing issues, colds and allergies. It also would help other people in our area, specifically with lowering maintenance needs for vehicles due to the reduction of potholes. We are trusting that this much needed work will be done soon.

We are so thankful for the good school that God has provided for my wife and our daughters. It is truly a miracle. My wife teaches several days a week and helps with administrative duties. This all keeps her much busier and happier. Our daughters are also doing much better, making much needed friendships with other kids their age. Friends were lacking here for so long

and we are thankful that God has provided beyond our imaginings. Please pray for our daughters, and for my wife, as she prepares weekly for the lessons she teaches. Please also pray for other missionaries and people in the community to consider enrolling their children in the school as well. The directors and staff are truly being a light in this area and Satan is not happy about it. Please pray for encouragement and for wisdom and strength as the directors, administrators and teachers continue to trust God.

I (Nathan) have been continuing to disciple/mentor a younger Kenyan man (Emmanuel) in the Kitale area of Milimani. He has had a good attitude, seems to have a hunger for the Word of God, and desires to take the teachings I teach him to reach others. Recently he told me that he taught his Bible study group on "The Faithful God." He taught them many different aspects of God's faithfulness, and he told me it was very well received. He desires to make himself available more to build into their lives with the Word of God. I am very pleased with his progress and ask that you would please pray that God would raise up other young men like him, who have jobs, desire to be independent, trust God, and teach others. God is faithful and will raise these men up in His time and plan. How I need to wait on God and trust in His timing. Psalm 27:14 says "Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD." How important it is to wait on God and His timing, trusting in Him each step of the way.

We are now entering into rainy season soon, so we would appreciate your prayers for safety as we travel. The rains cause the roads to become muddy and slippery, and there are more accidents. Please pray for all those going around Kitale during rainy season, for God's watch care and protection. May God bless each of you and we thank you for your heart for missions.

In Kitale,
Nathan and Carrie Radford

Preparing for Seminary Classes

March 12, 2019

Friends and family,

What a blessed day. Sometimes we don't realize just how blessed we are here in America. While I'm thinking of our pastors—and especially in Brazil—I appreciate just how blessed we are.

The seminary is going great. I have been talking with our Brazilian pastors and planning our next seminary classes. We will be having four classes this year in two cities. We will have two classes in Campinas, São Paulo, and two in São Paulo City. These will

be our first classes in Campinas and we are very excited to meet these new pastors and church workers. These pastors seem excited about the opportunity of having these classes in their respective areas. You see, they do not have the resources to travel far to go to Seminary, so Caragua Baptist Seminary takes the classes to them.

I also have been talking to the translator for the Campinas and he is excited about translating for the classes. You see, he has the desire to become a Missionary, and translating for this class will give him the opportunity to study along with the pastors for whom he is translating. This, in my opinion, is AWESOME!!! Pray for him as this is his first time translating. His name is Michael and he has spent several years in the States, but he is anxious about this opportunity. He says that he wants to pick our brains and to

know our hearts in the time we spend with him. I'm really looking forward to meeting him.

Lots of preparation has been taking place over the last few months for these classes. I made a trip to Texas to meet with one of our professors, Dr. Raymond Edge of First Baptist Church of Bastrop, Texas. Dr. Edge and I have become personal friends over the past couple years. We have formed a close bond as pastor and missionary. He is an AWESOME teacher and makes the Old Testament come to life. He speaks 5 languages and received his education at the Jerusalem University. Last year he and I were in São Paulo City for a class and we had the opportunity to visit the Jewish Temple. Upon introducing ourselves, he discovered that he and the Rabbi had sat under the same professor at the University in Jerusalem. Sometimes it is just amazing how small this world really is. And what an AWESOME God we serve.

All my tickets are purchased and I will be in Brazil for March and April. Please pray for this year's professors: Dr. Terry Leap, Dr. Greg Waltermire, Dr. Raymond Edge, Dr. Derek Coleman and Pastor Russell Zik as they minister with us Brazil for the Kingdom of God.

What I think is AWESOME also is the Churches that support their pastors as they minister with us in this endeavor to better equip Brazilians to reach their people for Christ.

Thanks for all your prayers for my health. We meet with the doctor this month to hear about what God has done in my fight against cancer. Also, thanks in advance for your prayers for this mission project as we equip Pastors to better educate their people, and for those who attend preparing to open new works in Brazil.

In His service,
Aj and Barb

Dear Friends,

Charlene and I started our English as a second language (ESL) classes in February and we are thrilled with the number of students who have signed up! These classes are offered for free on weekdays at our church facilities. Besides our English classes, other volunteers from our church give classes in their areas of expertise. These free classes draw students (and their parents) into contact with us which opens doors for sharing the love of Christ and the gospel to neighbors who wouldn't ordinarily set foot in a Baptist church.

Just yesterday, Charlene and I had the opportunity to minister to a young family who had started coming to our church through our English classes. The husband had a motorcycle accident and was taken to a local hospital. The wife didn't know what hospital he was in and didn't even know how to start looking for him. His cell phone battery had died and she couldn't get in contact with him. In her nervous state, she could only think of our church to call on for help. One of our volunteers called around until they located her husband and was able to get them connected. Charlene and I took the wife to visit her husband in the hospital. I visited with him and prayed with him and was also able to visit two other motorcycle accident victims who were in the same room. Only God knows

how those English classes might open doors of ministry through this family and others who participate. One day I was cleaning out some unused material that was starting to accumulate at our church and I had an encounter with a gentleman named, Athanasios. He saw a piece of material that he wanted to use at his home and asked me if he could take it. I was happy to give it to him and that encounter opened a door of conversation about spiritual things. In our conversation I had the opportunity to share my testimony of how Jesus saved me from my sins. He listened to me graciously, told me where he lived and invited me to further conversations. I want to take him up on his invitation and will be praying for him to fully come to know Christ.

Our Projeto Vida teams have been working a little closer to home this past month. In a neighboring town, Sao Jose dos Pinhais, one of the workers was cutting a man's hair. The man professed a certain knowledge of the Scriptures, but in the course of the conversation it was clear that he had never surrendered to Christ as Lord and Savior. He confessed that he was unhappy and was a guilty sinner. Our worker asked him if he was willing to repent of his sin and confess Jesus as his Lord right there, and the man accepted. He thought he had only gone there for a haircut, but he walked away from that meeting a changed man!

We are so thankful that the Lord continues to give us so many opportunities for sharing His love and grace.

In Christ's love,

Bobby and Charlene Wacaser

Dear Brothers and Sisters,

We rejoice in the wonderful things that God has been doing in our lives and ministry. We hope that all is well with each

of you and that you are rejoicing in the blessings of our Lord.

Our church has had an experience they have never had before. It has been

interesting to see how the members have reacted. We have a senior of 81 years old, Mr. Levi, who had a stroke. He was always a happy person and had fun talking to everyone, young or old. His illness has moved the church. He spent 3 weeks in the hospital. We encouraged our members to get involved and they did. Several went and stayed with him at the hospital. Last week the doctors sent him home.

Pastor Wilson Ibernion

So, we had Sunday service at their home. When we started singing, Mr. Levi lifted his hand and started leading the singing. Just about everyone started crying. When we finish the song, he started signing with his hand then we understood he was asking for a specific song. He was trying to give the number. Well, his wife understood, and we sang the song. Talk about excited! Then he really wanted to lead the song and tried to move his lips! Praise the Lord.

Last week a group of 6 couples went on a short trip up the river to visit a church that Baptist Faith Missions has a part in. Bro. John Hatcher worked in this church many years and later he put pastor Miguel Ibernion in charge of this work. The pastor that is there now

is Miguel's son, Wilson Ibernion. I met Wilson when I worked with Bro. Paul Hatcher when at Tabernacle Baptist Church. This church is in the middle of the river. They built the church as you can see in the picture. What a job! Everything is taken by boats up the river. The parking lot is a boat lot. It was great to see so many boats parking at the edge to come to church. It was impossible to take a picture that got all

the boats, because there were over 100 boats.

One of the things that everyone there mentioned was that the pastor that was there many years ago always said, "If we serve God, this place will be blessed." The people would say, "How will we be blessed if this place is in middle of nowhere?" Well, they served God and this place is truly blessed. There is probably no other place in the world where 98% of the community are Christians. One of the pastors told me that here in one of the communities called Sumauma, there are 800 people and there are 3 Baptist churches plus 4 other evangelical churches. These churches are not split off from other churches. They have several just because it makes it easier for the people to get to church. The church we went to that night that we were there had 800 that attended the service. That church is in the community called Januáca Grande. These communities have their

Church parking lot (I mean...boat lot!)

own business making "farinha" made from manioc root. Also several big business people in the area are from this community. It was great to see what God does when we serve Him!

For those of you who have supported BFM for many years, your support is still producing many fruits. God continue to bless all those involved.

We have another blessing from the ministry from the past here in Manaus. The other day we got a call from a pastor that was from Bro. John's ministry. He is blind. Sabastian Oliveira. He will be with us for an evangelistic conference the first week in April. God has used him tremendously.

We want to thank each of you for your constant prayers and support. God bless you!

BAPTIST FAITH MISSIONS

Have you squarely faced the
fact that 2.2 billion people
in the world have little to no
access to the gospel?

(Greear)

The gospel is only good news
if it gets there in time.

(Henry)

Hell is real.
Time is short.
Jesus says go.

(Anyabwile)

I will not believe that thou
hast tasted of the honey of
the gospel if thou can eat it
all to thyself.

(Spurgeon)

And Jesus came and spake unto
them, saying, "All power is given
unto Me in heaven and in earth. Go
ye therefore, and teach all nations,
baptizing them in the name of
the Father, and of the Son, and of
the Holy Ghost: Teaching them to
observe all things whatsoever I have
commanded you: and, lo, I am with
you alway, even unto the end of the
world."

(Jesus, Matthew 28:18-20)
