TWO SEMINARY CLASSES PLANNED FOR OCTOBER

Aj & Barbara Hensley
ajcaragua@gmail.com
Caixa Postal 1511
11672-300 Caraguatatuba,
São Paulo, Brasil

Dear friends and family,

With all the things going on in the world, we all need to stay focused on the main thing: Jesus Christ our Savior, and how we can help others by teaching them about Him.

So, let's talk about the Seminary and the progress we have been making in Brazil. We had plans made to go in October to have our first face-to-face classes in almost two years but AGAIN the COVID has interrupted our plans. But thanks to the internet and ZOOM, even though the trip has been called off, the classes are going to go on. We will be having the two classes as planned, just in a different venue. We have used the motto of the Marines: *Improvise, Adapt, and Overcome*. Dr. Derek from Lexington and Dr. Edge from Texas will be giving their lectures online. God is so AWESOME in every circumstance. He provides a way if you are faithful to wait on Him.

Pray for these professors, the

translator, and the Brazilian pastors that are participating. These Brazilian Pastors are challenged spiritually, financially, and physically. The registering will begin on the 4th of October and will last for two weeks. Pray for the class to be full of open minds and willing spirits.

I am going to include two pictures of one of our biggest classes to graduate with certificates of completion. This was the first four classes that was offered by Bluegrass Baptist Seminary. Just to show that despite all the drawbacks, God has been and still is working within the Seminary.

There is a song that has spoken to me during this time. It is called "How Beautiful Heaven Must Be." It makes me even more determined in my mission to "train Pastors and reach Brazil for Christ". Pray for us to not lose our vision of reaching Brazil through the Bluegrass Baptist Seminary.

Thanks to Baptist Faith Missions for the support that keeps us going during these difficult times. And thanks to the prayer warriors who constantly pray for us. It is because of all of you that keeps us doing our job of reaching Brazilians for Christ.

In His service, Aj and Barbara

The first four classes that were offered by Bluegrass Baptist Seminary and one of the biggest classes to graduate with certificates of completion.

NUMBERING OUR DAYS

Nathan & Carrie Radford

August 2, 2021

Dear praying friends,

Another month has come and gone, and we are now heading to the end of summer and school is almost starting up again. Where has the time gone? The summer months are definitely busy, and time passes so quickly. May we make the best use of the time that God gives each each day, as we will never get time back once it is gone. Time is truly a gift from God. Psalm 90:12 says "So teach us to number our days, that we may apply our hearts unto wisdom." Amen.

Please continue to pray for Kenya and the struggles of coronavirus. Our understanding is that public gatherings and meetings have been closed for the past several weeks, and this is likely to continue if the coronavirus cases continue to rise. Neighboring Uganda has also been hit with the coronavirus, and much of Africa. It seems just like when things start to get better, then cases start to break out again and many things are either locked down or shut

down.

We know that God is in control of all these things and we trust Him during these challenging times. I like the statement "I don't know what the future holds, but I know Who holds the future." May we trust God during these difficult times, all over the world. This pandemic has really stretched our faith and taught us to trust God more. God frequently tests our faith to see if we will falter or trust Him during the uncertainties of life. May we trust Him more than ever before.

Please pray for me (Nathan) as I am continuing to travel and report during our time of furlough. I am thankful that our vehicle has done well throughout all the traveling and I would ask that you would pray it would do well throughout the duration of my time reporting in the States. So many of you have been so kind, friendly, inquired about the ministry, etc.

This means so much to us. We truly do appreciate each of you

and God will bless you for your heart for missions. I am reminded of Isaiah 6:8, which says "Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me." We thank each of you for your mindfulness of missions, either by praying, sacrificially giving, or

going personally to see what God is doing all around the world.

Please continue to pray for my wife as she is educating our daughters. She does a great job at home-schooling and

has her degree in education. She is an excellent teacher but there are certainly more challenges in the coming years as high school is approaching. Please pray for her for wisdom, guidance, and direction as she does the best she can to educate our daughters. I am truly blessed to have a wife who has served faithfully in Kenya alongside me. She is truly a blessing and helpmeet.

We will be sure to keep you updated. Until next month, may God bless you all.

Nathan and Carrie Radford

Dear Brethren,

Although technically it is winter in the Southern Hemisphere, the Amazonian summer is here. We have had bright blue cloudless skies for days. The river is at its lowest and the muddy Juruá River has turned to a deep green color. We have had temperatures in the

mid 60's at night and early morning. Usually only gets up to lower 80's during the day. Nice!

With the pandemic subsiding and good weather things have picked up at church. We have a homecoming service every year in late January or early February. This year, because of the virus we did not have one. Well last Sunday we had our homecoming service. We had 559 in the morning and 440 at night. Those add up to 999. I don't know what I would do to the member that stayed home and kept us from reaching

the 1000 mark for the day! Now these numbers are still way below our normal attendance, but are still very encouraging. We served lunch for everybody up on the third floor terrace of the annex. A really good day overall. We added 4 new members, too.

Our 2 youth groups (15-24 year olds and 25 and older) are back in full swing. Our nursery is now open, too. The "twens" will start back next Sunday. Andrew had a special activity for the

Dear Friends,

Charlene and I got a message from our daughter, Jessie, early in August telling us that she had COVID. She had been working at camp with a group of youth from her church the week before. Several members of her team had contracted COVID about the same time as she. Charlene and I have both had the virus, so we know it is a serious illness, but we both recovered quite well and were expecting that Jessie would do the same. After a week of Jessie getting sicker and being admitted into the hospital, Charlene and I decide that we should travel to Tampa, Florida to give our daughter some moral support. We wouldn't be able to visit her in the hospital, but she would know that we were near. The day we arrived in Tampa, Jessie's doctor called me and told me not to lose hope, that there were still a couple of things that they could do to try to help her. We didn't even know that she was so sick that we should lose hope in the first place! The doctor

made it very clear that Jessie was struggling for life. After getting off the phone with the doctor, Charlene and I nearly lost it. We cried like we have never cried before. Our baby girl was hanging in the balance of life and death and we weren't even aware of it. In my prayer immediately after this call, I confessed to the Lord that I trusted completely in Him and that I knew that, before Jessie was my girl, she was His girl. I did also share with the Lord that I didn't feel like I was ready for Him to take her home yet. I asked Him for mercy and healing grace. After our personal prayers, I contacted our sending church's pastor, Darrell Messer, and the executive secretary of Baptist Faith Missions, Dave Parks, and asked them to spread the news of Jessie's condition with everyone they could. I also contacted my church in Brazil and our ministry volunteers from Projeto Vida and asked them all to pray earnestly for Jessie's healing. Folks, let me say to the Glory of God, He began immediately to

"We serve a mighty and good God, and we are grateful."

- Bobby Wacaser -

bring healing into Jessie's body. The very next morning, Jessie's doctor called me again and told me that she was improving quickly. The next day she messaged me to say that if she continued to improve at the rate that she was improving that she would be released from

the hospital in two to three days. It wasn't two to three days, the next day she was released to go home. She was given some medicine to continue taking at home, but

she never went backward after those prayers began to be offered on her behalf. Six days after the doctor first told me how sick Jessie was, she was already home from the hospital and back to work! Our God is an amazing God. He hears and He answers prayer. We know that He would still be God and He would still be good if He saw fit to take Jessie on to heaven, but we are extremely grateful that He had mercy on us, her parents, to heal her and give her more opportunities to serve Him here in this world. We praise His Name! We

know that some of you heard of Jessie's condition and prayed for her healing, and we want to take this opportunity to thank you for your earnest and effective prayers.

We are also happy to share that our evangelistic outreach teams are being able to get back into the public schools and parks here in Brazil. This past week they ministered in a small town about half-way across our state toward Paraguay. The Lord blessed and there were over 20 professions of faith in Jesus Christ as Lord and Savior. Many of those who surrendered to Christ had never heard a clear presentation of the gospel. The team's volunteers were amazed at how the Lord used them to minister to people who felt hopeless. We pray that the doors of opportunity will remain open and that no more lockdowns will interfere with being able to get into the public schools and town squares with the message of God's love.

We serve a mighty and good God, and we are grateful. Thank you to those who pray for us and give so that we may continue to serve Him here in southern Brazil.

In Christ's love,

teens out at the new church property last Saturday. They had a bonfire and roasted hotdogs. There were over 180 for a chilly evening of Bible study and worship under the Southern cross. Again these numbers are only about 50% of normal, but still really good considering where we were just a couple of short months ago. Children's activities will return in early September in a very limited fashion.

Although I have not been able to visit as much of our mission work as I would like, we still are getting

great reports from our missionaries all around the region. The work among the Hunikuin on the Breu River is a very bright spot. They have outgrown their great house (holds about 100) and are gearing up to build a new building. I have promised them the aluminum roofing for a building that should seat a couple hundred.

Recently the federal government expelled the missionaries of New Tribes Mission from among the Marubos on the Ituí River north of us in the State of Amazonas. Fortunately we have 2 members of our church who are full blooded Marubos and have

moved back into the tribe in 2 different villages. We are going to put them on as our missionaries. The feds will not be able to expel them!

During the month of July I did most of the teaching and preaching. I had a series to do that was much needed. That is all finished up now. I also had a ton of jobs to do on the building and was able to finish those projects as well. Now Bev and I are getting ready to make a trip to the States. We had planned to go last year and hoped to celebrate our 50th wedding anniversary while there, but we all know how that turned out. Now we have several urgent health

issues to try to get taken care that have only gotten worse with the delay. We are scheduled to leave Cruzeiro do Sul tomorrow afternoon. We will have to go all the way to São Paulo before heading north to the States. For now that is the only way to get to the US. It is going to be a long grueling trip, so pray for us.

Thanks for all of your prayers and support. God bless you as much as He has us.

In Christ,

Mike Creiglow

1000 MILES A WEEK + TEN STATES IN TWO MONTHS

Judson &
Raquel Hatcher

São Paulo, Brasil

August 31, 2021

Dear friends,

1,000 miles a week and ten states since June 24. That is how much territory we've covered since being back in the US for our State-side assignment for the year. We are happy to have settled into our home in Wheaton, IL. The kids started school last week and are adjusting well in their new environment and making new friends.

This last month we had the privilege of being with the church folks at Living Word BC in Forrest, VA, Thomas Road BC in Lynchburg, VA, and Grace BC in Fairborn, OH. What a tremendous blessing to visit with friends in each one of these churches.

This last week was difficult. I received the news of great men of God passing away. Pastor Tim Parsons of Center Point Church in Lexington, KY, and Pastor Darrell Taylor of Cedar Grove Baptist Church in Stamping Ground, KY. I met both of them during my college years at Lexington Baptist College in Lexington, KY. I admired them deeply, particularly for their love for Jesus, their families and for God's people. They will be missed, yet I know we will see them again in Heaven.

The Ministry in São Paulo is

running at full force. I ask you to pray for a dear friend, Roberto, whose livelihood (a small restaurant) was and is deeply affected by the pandemic lockdown. The COVID shutdowns have caused them so much harm. Pray for the Lord to bless his business and his family - that Jesus may shine bright in his life and those nearest to him. Pray that his customers may come to the saving knowledge of Christ as he shines Jesus' light.

Raquel excitedly continues to assist and provide leadership in the foster care movement in the city of São Paulo. Four new babies were placed in a foster home last week. Praise the Lord! Pray for the recruitment of new Christian couples, their training and preparation for fostering children. Next month, Raquel will be participating in the Christian Alliance for Orphans Summit in Cincinnati, OH. We are grateful for Pastors David Pitman and Phillip duBarry for assisting her during this trip.

Please, continue to pray for us as we visit churches and raise awareness for the needs in church planting, discipleship, leadership training and the foster care movement in São Paulo. We'd love to schedule a visit to say thank you at your church. Please, reach out to me by email or phone - judsonhatcher@gmail.com, (872) 400-6522.

Grateful always,
Jud Hatcher

Continue to pray for us as we visit churches and raise awareness for the needs in church planting, discipleship, leadership training and the foster care movement in São Paulo.

GOD'S HAND IN THE AMAZON JUNGLE

Odali & Kathy Barros
odali_kathy@hotmail.com
Iranduba, Amazonas
Brasil, S.A.

August 28, 2021

Dear Brothers and Sisters,

Greetings from the Amazon jungle! We hope and pray that each of you are doing well and being blessed. Thank God we are doing well and blessed! We know that so many families have been affected through this virus that is in the world. We pray that God will comfort and strengthen each one.

Things here around where we live and work have been pretty calm. Thank God the ministries we do are almost all back to normal. The services we have in homes are back and going to the homes that want us to come. We had service last week in a home of a brother of one of our church members. He had a motorcycle wreck over a year ago and was having problems with his broken leg, but through all these problems he accepted Christ as Savior. He can't wait to be able to come to church to be baptized.

We also are still working with some men from the "Project Life" which have had problems with addictions. Pray that we can help them continue to be encouraged to not go back to their addiction and keep God as their focus.

On Sunday morning we have been having Christian growth studies and music classes. Now we are going to have a class to train those who want to serve in the ministry, preaching, visiting and reaching out to the communities. Pray that God will touch the hearts of those in the church who can help in these areas.

The work in Udim continues doing well. Pray with us that God prepare someone who could take that ministry full time. There is so much that can be done there. There

are lots of young people there and there is nothing for teens to do there. Like everywhere else, there are drugs.

We are involving some of the teenagers that have been coming since they were kids. It is so great to see them helping!

The difficulty in these areas is that people don't all live close and many don't have transportation, so there is a need to go where the people are. Pray that God will touch the hearts of more people so we can reach more people.

We have been working with 2 teenagers in our home. One was through the church and the other one is from a place where I went to catch fish. The teen would help me catch them and I brought him to our house a couple of times. Later he asked if he could come and stay a few days. Where he lives is the street of the drugs. Well, he came for a few days! And he is still here! Now he calls Kathy and I mom and dad. He says he doesn't want to go back home because he doesn't want to go into drugs. Praise the Lord. But the interesting thing is that after the 2 teens met each other, they found out they were cousins!! Pray for them that they can grow and reach their families!

Love in Christ,
Odali and Kathy

Father's Day. The tallest is their son Jonas. The others have adopted Odali & Kathy as parents...and they have taken them in as their children!

Service at the home of David, the man with a broken leg.

PRAYING FOR SALVATION

John Mark &
Judy Hatcher

JMHatcher@aol.com
4, rue d'Aspin
31170 Tournefeuille,
France

August 16, 2021

Dear Brothers and Sisters,

Our hearts are touched by the news that some of your families are touched by death and illness. It underscores part of our text from the message to our congregation yesterday, "...now our salvation is nearer than when we first believed. The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put on the armor of light." We are daily reminded that we live in a dark world, but need to live in the reality of Jesus Christ, the Light of the world and our Eternal life.

Yesterday, a young lady from our congregation sent a text just as service was beginning. "Sorry, I can't be with you. I found out yesterday that I have Covid." This

eighteen-year-old is the only member of her family who has trusted Christ and she was to leave today to go to Lyon to begin university studies. She is the daughter of neighbors and began coming to Sunday School about the time she started grade school. As she entered her teens, she made a public profession of faith and followed the Lord in baptism.

Let me set the scene for another event yesterday. One of our members has a husband whose parents, professing atheists, died when he was quite young. He had no Christian background. Two children were born to this couple and he, along with his family, regularly came to church. Considering his refusal to place his faith in Christ, his attendance for eight years was unusual. He had a good relationship with the men of the church, and we all prayed for his salvation. About two years ago he posted a note on the church communication site letting everyone know that he would not be coming to

church anymore and did not want anyone to approach him about it.

Yesterday, I about fell off my feet as I was greeting people and saw this "I'm not coming anymore..." man walking from his car to the house. Would you pray with us for ...oan..s salvation?

A week ago, Judy and I drove about a 1000 miles round trip to St. Malo to spend a couple of days with a couple, members of our congregation, who moved to Brittany a couple of years ago. They are nearly our age. We had a good visit and were happy to hear that they are considering starting a church in their home. Please pray for God to give Dennis and Marianne God's wisdom about this.

Thank you for your interest and support. May our Lord's blessings be evident to you today.

In His Grace,

Judy and John Hatcher

VETERAN MISSIONARIES PENSION FUND

Please prayerfully consider helping us support our faithful veteran missionaries in their senior years by giving a recurring generous offering designated for "VETERAN MISSIONARIES PENSION FUND."

You can do that by simply making your contribution to Baptist Faith Missions and designating it for "Pension Fund" or "Veteran Missionary Pensioners" or by anything that says "Pension." We will know what you mean, and your offerings will go directly toward honoring our **Veteran Missionaries Pensioners** who have served our Lord and us so faithfully and sacrificially.

You can mail your contribution to our Treasurer, George Sledd. Or you can give online by going to our website and click on the gold "GIVE" button.

When you make your transaction online, you will be given the "Recurring option: Yes! Please register me for the recurring program!"

We pray and hope you will.

OFFERINGS

[Transacted in August]

Grand Total.....\$61,480.59

YOUR JULY 2021 OFFERINGS / Transacted in August

\$33,916.87 was designated for the Missionary Support Fund to supply the essential living/ministry needs for your missionaries:

\$15,200.00 salaries
\$ 6,250.00 housing/ministry expenses allowances
\$11,528.60 medical insurance premiums [fully-funded by BFM]
\$2,040.00 furlough transportation
\$2,339.40 computer/technology equipment
\$4,809.23 support/administrative services
\$42,167.23 TOTAL MISSIONARY SUPPORT DISBURSEMENTS

As you can see, the total disbursements we made to provide support benefits and services for your missionaries last month exceeded our contributions for those same benefits by \$8,250.36. Please help us maintain and increase the financial support we can provide for your faithful missionaries by prioritizing your generous offerings for the Missionary Support Fund. And please consider also making your contributions 'recurring.' As always, 'Thank You!' for your faithful expressions of love for your missionaries!
