The Old Patriarch's Daughters Get Married After Long Delay.

THREE SAVED AT JAPIIM

(This letter gives you a good idea how difficult it is for Baptists to get married legally in Brazil sometimes. H.H.O.)

By Bruce Lunsford

On November 28th two young couples came to Cruzeiro do Sul to get married. They were from Parana dos Mouras. One of the girls was one of the Old Patriarch's daughters, and the other girl was one he had reared from a small girl. The boys had come many trips before to fill out papers, etc. but the judge was out of town or always to busy to be bothered with marrying people. One boy had made three trips before. On the 28th and 29th the judge was still too busy, as the governor was coming to town, and they were told to come back on Monday Dec. 1st. I was there with them waiting for the judge on the 1st and we saw a large boat leave the port, and a lot of people were there to see it off. We guessed that the governor was going up river to some other town. We were right, but the judge was going with him also. So they had to wait until Wednesday until the judge returned.

To Japiim

When he returned on the Wed. 4th it was late, and we could not see him until the next day. He apologized and said he couldn't possibly marry them until he went by plane to another town with the Governor, and that he wasn't returning for 15 days. They got permission from him to leave this district and go to the judge at Japiim. I bought passage for them and their friends, rather than to have to go and take them. The motorman got drunk, and they got the money back and came to my house with their problem. Bobby and I took them to Japiim. We arrived there at 3:30 P.M. Dec. 6th. It took two men, and another one to give them advice, the remainder of the day, and until 1:30 P.M. Sat. to prepare the necessary papers. They were married between 1:30 P.M. and 2:30 P.M. Sat., Dec. 7th.

Three Saved

I took advantage of the opportunity and did some visiting. In one home a man, his wife, and 12 year old daughter made professions of faith. That was Saturday afternoon. He, and his daughter made professions after the service the next morning. The wife couldn't come due to sickness of one of the children.

Bro. Mario performed the church ceremony at the Church Sat. night with a house full of people. There was a good crowd of people there for the Sunday Morning service also. We left immediately after the service for Cruzeiro do Sul. We arrived in plenty of time for the evening service at the Church here.

Monday, Dec. 9th I had Williams foot lanced again. Several weeks before it had been lanced where a piece of wood stuck in his heel, and apparently healed. Now it was swollen on the side of his heel, above where the stick had entered. They said probably they hadn't gotten all of the wood out.

To Parana Dos Mouras

Immediately after this was done, Bobby and I left for Parana Dos Mouras, with the newly married couples and all of the people from there with us. We arrived just before dark at Bro. Santos home. By the time they had eaten it was late, and two of them were coming down with the flu, so we didn't have a service there. The next day we arrived early at the Old Patriarch's place, and were asked to stay there until after the big wedding supper and have a service there that night, and bring the Old Patriarch and another of his son-in-laws back to town with us the next day. The Old Patriarch was sick again. We did as they asked, and arrived in Cruzeiro do Sul about 4:00 P.M. Dec. 11th.

Royal Calley Has Breakdown

When we arrived here we found out that Bro. Royal Calley

Miguel Ibernnon Reports From Codajaz . . Twelve Professions of Faith . . New Mission at Uricuri . . Seven to be Baptized . . . New Church in Prospect

By Miguel Ibernnon

Codajaz, Jan. 10, 1958

Dear Brother Overbey,

The peace of the Lord Jesus Christ be with you and your family, church and the Baptist Faith Mission. The days and years pass and we are more close to the coming of our Lord. Heb. 10:37. I want to give you some news of the work of our Lord in Codajaz. We have a number of persons that have chosen the side of Christ namely twelve sinners. My brother, only God knows how terrible the idolatry is in the city of Codajaz. Day and night they carry their gods through the streets of the city for Mary but they do not care to hear of Christ. Right now I am threatened of death however I do not fear nor will I quit preaching. God is my help, Heb. 13:6. However the mayor, the judge and the police chief are all on our side and even the soldiers. I enjoy the respect of the mayor among the people, thanks to God. Pray for me my brother.

Pastor Miguel Ibernnon, Codajaz, Amazonas, Brazil.

I have a new work in Uricuri. There are seven persons to be baptized, with two that I have already baptized makes a total of nine believers that will be baptized and taught the Holy Word in order that briefly God might give me the privilege of organizing a new church.

Now about another subject but the same work. The believers in the church here are cold and do not love the lost. I mean to say to lambs of Christ that only the Gospel is able to call out as Christ said in John 10:27-28.

Brother M. L. Moser and Mexican Missions break with Brother John R. Gilpin

"Dear Brother Overbey:

While passing through Little Rock last month I attended services at Central Baptist Church where M. L. Moser is pastor. I wanted to see the church since I knew about the Baptist Examiner and Baptist Faith Missions.

While there I heard Brother Moser say that with the attitude of the editor of the Baptist Examiner the Church in Little Rock would not send any more material to the Baptist Examiner.

Just wondered if you knew anything about the break between Little Rock and Gilpin.

Yours in Christ

_____ H. _____"

(Yes we know about it. We have verified it with Brother M. L. Moser, Sr. and it is true. The church at Little Rock has voted to not send Brother Gilpin any more mission material and to print their paper themselves, and this in spite of the fact that Brother Gilpin printed their paper for them free. —H. H. O.)

Royal Calley Expected Home by Feb. 8th

By H. H. Overbey

This is Saturday, February 1, 1958. If things go as planned, we expect Brother Paul Calley to arrive in Detroit with Brother Royal Calley and his children by February 8th. If they arrive in time, we will print a notice in this issue. The news to date is:

Paul Calley arrived in Manaus, Brazil on Saturday morning, January 4th. John Hatcher was unable to hold Royal there any longer and Royal left by plane for Cruzeiro do Sul three hours before Paul arrived.

Bruce Lunsford had tried to get the children so he could take them to Manaus, but the hired girl refused to give them up and called in the police and the judge entered the case and would not let the children be moved without written consent from Royal Calley, which of course could not be gotten. Paul was unable to get reservations to go to Cruzeiro do Sul before January 18th (two weeks away). Bruce Lunsford and wife talked to Royal and finally broke the case and Royal agreed to come home, and signed a statement with the judge giving Paul charge etc. Paul made reservations for all to leave Cruzeiro do Sul, Sunday, February 2nd and to come direct to Detroit, hoping to arrive by February 7th or 8th the Lord willing. These plans can be changed and everything delayed for weeks, but this is the situation to date. Royal is reported to be much better.

BULLETIN

Paul Calley arrived in Detroit Tuesday night, February 4th with Royal Calley and children. Brother Royal is improving in health.

Miguel Ibernnon Reports

(Continued from page one)

My brother more than 50 believers have already left to go to Manaus and other places by letter. If God had not blessed us with souls the church would have folded up a long time ago. However, the fruit of the Pastor is souls saved. Prov. 11:30.

Church at Codajaz, Amazona, Brazil

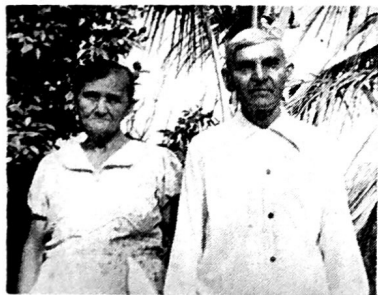

My family and I are very grateful for all that—the Baptist Faith Mission has sent us as a sacrifice pleasing to God as a sweet smell. Phil. 4:18. I ask you and your church to pray for these new converts for I do not know if I can baptize some of them. Without more,

Your brother in Christ,
Miguel Ibernnon

P.S. Brother Overbey, here are the names of the converts in Urucuri that I am praying to see in a short time I will be able to organize a new church of Jesus Christ, Brother pray with me.

Eunice Moreira, Aurea Cabral, Maria Youigomes, Eliezer Moreira, Salamad Moreira, Elias Moreira, Francisco Moura, Francisco Florenco, Francisco Moreira.

BROTHER EUFRAZIO IS DEAD

Brother Eufrazio Soraes, our oldest Brazilian missionary died Saturday morning, February 1, 1958 in Morapirango. He was 78 years old as near as people knew. He had been a missionary of Baptist Faith Missions for many years, and none were more faithful. Bruce Lunsford preached the funeral sermon Sunday morning, February 2, 1958 in Morapirango. May the Lord bless his widow and children and grandchildren.

The above is the front page of the first edition of Brother John Hatcher's Baptist paper in Manaus, Brazil. It is printed in Portuguese and the name of the paper is THE BAPTIST FLAME (A LABAREDA BATISTA). The pictures are of the four churches, the four Missions (that we hope will be churches in time) and of the Preacher's School. This first edition was put out last September and announced the first Missionary Bible Conference in Tabernacle Baptist Church, Manaus, Brazil. Brother Francisco Cabral came up from Faro and Brother Miguel Ibernnon came down from Codajaz to preach and attend the Conference. We have had the "cut" to run this picture of the front page for several months, but have not had the space in the paper to run it before. May the Lord bless "Editor" Hatcher and this much needed Baptist paper.

The Old Patriarch's Daughters Get Married — Three Saved At Japiim

(Continued from page one)

had gotten nervous, fainted twice in my home, and had left by Pan Air for Manaus. Since then we have not been able to go anywhere. The children are here with the hired girl. We heard that Royal had gotten worse in Manaus, and Bro. Hatcher went with him to a health resort, because the Doctor said not to let him go alone.

We have been here in Cruzeiro do Sul ever since. Williams foot, as of today, is not healed, and they tell me that the bone is infected. Also he will have to have an operation to clean the bone first. If it heals, with the treatment he is taking now, we plan a trip as soon as Royal gets back. If the foot doesn't get well soon, I'll have to take him to Manaus to get it operated on. They say it is dangerous of a worse infection, each day we wait.

In the meantime, Jewel has had a two weeks seige of the flu, and Ava Lynne has the appearance of taking it. If it hasn't been 6 of one thing to keep us in town, it has been one half dozen of another. The Lord only knows what the future holds. Remember us in your prayers that we will follow His leadership and not run ahead of Him in any way.

Yours sincerely,
R. B. Lunsford

Ashland Avenue Baptist Church Sends \$200.00 for New Building

By H. H. Overbey

Brother Clarence Walker sends a check in amount of \$200. advising that it is a designated gift from two members of Ashland Avenue Baptist Church, Lexington, Ky. This makes a total of \$400.00 that this church has sent towards this new Church and Preacher's School Building in Manaus, Brazil. The first offering of \$200.00 was sent last June 1957. Thanks to Ashland Avenue and Brother Walker and may many others see the need for a Preacher's School in Manaus, Brazil and send in offerings.

The Lewises in Lima for Check Up and Medical Attention to Mrs. Lewis

On January 10, 1958, Brother Lewis wrote that Mrs. Lewis was quite ill and that he was convinced that it was best for her and the children to return to the United States. Plans were being made accordingly for her to return as soon as possible. Then we received the following letter which is self explanatory. We are happy that it now seems that it will not be necessary for Mrs. Lewis to have to come home. Please join us in prayer for Mrs. Lewis. H.H.O.

By Mitchell E. Lewis

January 15, 1958

Dear Brother Overbey,

I do not believe that it will be necessary for us to return to the U.S.A. Tomorrow, the Lord willing, we will leave Iquitos for Lima. We plan to stay at the Pension Noetzel for a few days while my wife has a check-up at some hospital. After a few days in Lima perhaps we can go to Huampani a very nice rest center about 30 miles north of Lima.

Ruby is suffering primarily from physical fatigue. Many days she would get up at 5:30 and be on the go continually until 10:00 p.m.

The Lord has brought Ruby to the end of her strength and she has agreed to more help around here. If my wife keeps the household organized and teaches my children she has done a big job.

I am praying that we will be able to return to Iquitos in a few weeks and be used of the Lord to his glory. I am sorry if I caused you to worry. Again I thank the Lord for you. These last few days I have enjoyed the fellowship with Bro. Lauerman in a special way. I believe that he will make a great missionary.

We continue to pray for the folks in Brazil and for you and sister Overbey that you might receive great grace at this time.

May the Lord bless you and yours.

By His Grace
Mitchell Lewis

Second Lewis Letter

Lima, Peru
January 21, 1958

By Mitchell E. Lewis

Dear Brother Overbey:

I am writing this letter at Dr. Vogel's Clinic in Miraflores. The doctor is testing Ruby for typhoid fever and she is much better. I am glad that we came to Lima as the doctors in Iquitos did not find any disease in her blood. I am sorry that we had to leave the Lauer-mans but am sure that they will make it out alright. I pray that they can stay well. We will probably stay in Lima a month and return to Iquitos. The doctor said that Ruby needed a good six month rest. With additional help in Iquitos she should be able to rest. May the Lord abundantly bless you and yours.

In Him,
Mitchell E. Lewis

BULLETIN:

Word just received from Peru advises that Mrs. Mitchell E. Lewis is in the hospital in Lima, Peru with typhoid fever. She is reported as doing well.

WALTER LAUERMAN PROGRESSING IN SPANISH

By Walter Lauerman

Iquitos, Peru
January 20, 1958

Again we write a few lines to those that are interested in the work of Baptist Faith Missions. We are thankful for the churches and individuals that had a part in our coming to Peru. For the second straight month now, our health has been wonderful and we have had many blessings of the Lord. I have realized this past month, that the dumbest man in the world is one that cannot express himself properly to another. We have made much progress this past month in our Spanish. It is hard to realize this unless one stops and looks back over what he has learned this month. There is a man that teaches us, nothing but conversation on Tuesday and Thursday evenings. In the two weeks that he has come here, we can already notice the difference. I am going with Brother Juan Castro in his daily visiting, which should help also. We can read and translate much, but of course the most important, speaking, we are lacking.

The Lewises are in Lima now, because of the health of Sister Lewis. They hope to return soon, with a greater determination than ever before. We have learned that the greatest need, not only in Missionaries lives, but all the saved, is the desire to see the lost saved. When this desire becomes great enough, all other things become unimportant. We love the Lewises and hope Sister Lewises health will be back to normal.

All the "so-called Baptist Churches in town" had a union meeting the first week of the new year. The First Baptist Church was invited, but of course, refused this offer. What fellowship has truth with untruth? The church here, hopes to start regular Sunday afternoon services at Astoria, as soon as Bro. Lewis returns from Lima. Bro. Lewises new boat then will get a work-out. There is young man here who says he wants to preach. I told Bro. Lewis, that there are many places such as Astoria, for a young man to go and preach, if he means business for the Lord.

Yours in Christ,
Walter F. Lauerman

Paul Calley Reports from Brazil

By Paul Calley

January 25, 1958

We arrived here in Cruzeiro do Sul last Saturday, January 18th and was thankful to find Bro. Royal much better in health. It took 17 days (from Detroit) to arrive here with the delay in Manaus and the waiting for a plane and it seemed much longer with the urgency of our mission. The Lord willing Bro. Royal, children and I will leave here on Sunday, February 2nd for the U.S.A. There is much I could say but in all probability we will arrive there as soon as this letter does (letter received Feb. 4th).

PREACHING IN PORTUGUESE AND ONE SAVED

Since our arrival in Cruzeiro do Sul we have been preaching at the church and the preaching point. When we gave the invitation last Sunday night, a young man about 30 years old professed faith in Christ. He has been to every service since, rejoicing in his salvation. At Vasia, the preaching point, we preached to 90 people or more Thursday night. When in Manaus we also preached at Tabernacle and Calvary churches and at the mission Chapada. We are doing good with our Portuguese after a year at home and we are thankful to be able to preach the gospel to the lost in this land once again.

LOOKING FORWARD TO JOURNEYS IN NEW BOAT

We are looking forward to traveling the rivers in the regions beyond in the new boat that is being built, when we return with our wife. We have had wonderful fellowship with the Hatchers and the Lunsfords and all the Brethren here. We went to see Brother Eufrazio (our oldest Brazilian missionary) who is sick in Morapirango, and death seems to be near for the dear old Brother whom we love. He embraced me in tears and said that he was happy that I came to see him while he was yet living. Also Brother Cicero, from Campo de Santano, is here very sick but it seems to be on the way to recovery. He is staying at the home of Brother and sister Lunsford and they are taking good care of him. Remember these Brethren in your prayers, and also that God will give us a safe journey home with Bro. Royal and children, and that God will restore his health completely. Brother Royal has been tired, worn and exhausted, but is showing return to strength now and we are thankful and praise God. May the Giver of all blessings bless you abundantly in His marvelous grace.

Yours in Him,
Paul M. Calley

(Brother Calley was gone 33 days from Detroit to get Brother Royal and children and he preached 13 times in Portuguese while he was gone.)

Making a canoe out of a log near Iquitos, Peru. A log is hollowed out and placed over a fire. Split sticks like clothespins are placed on each side and ropes tied to stakes in the ground and the hollowed out log is then spread open as it is heated. It is spread open in the center and left to a point in the front and rear. Holes are drilled in the bottom of the log and then round pegs the thickness of the bottom of the boat is driven into the holes. Then the log is hewed out until they come to the pins.

Brother Simon Gaima, wife Soila, son Abram and daughter Laura. Brother Gaima is one of our native missionaries in Iquitos, Peru. He is a Witoto Indian.

TIMES of TESTING and PRESSING NEEDS

We are going through times of testing. Helen Calley has died. Royal Calley has had a nervous breakdown. Hatcher and Lunsford could not get him to come home. Paul Calley had to go to Brazil to get him and children. Ruby Lewis is in the hospital in Lima, Peru with Typhoid fever. Brother Eufrazio has died (see notice under picture on Page two). God does not test us to find out if we will stand the test, He already knows. He tests us for us to find out. God did not test Job to find out if Job would stand the test. He tested Job that Job might find out and for the Devil to find out that Job would say — "I know that my Redeemer liveth—". So in times of testing we thank God and take courage.

PRESSING NEEDS

John Hatcher is trying to finish the Church part of the Church and Preacher's School building in Manaos. The roof is on now and the walls inside and out are being plastered and the windows are being made etc. We will have pictures in the next issue. The pressing needs are for funds to finish this part of the building now. The other part will have to be built later. Paul Calley found the motor he needs for the new houseboat in Manaos. He has written Brother Hatcher to buy it as it is the only one like it there. Paul Calley will go up river on a boat to Cruzeiro do Sul, so he can take this motor with him. To pay for it will take all that is in this fund. We must have the funds to pay the Brother that is building the houseboat when it is finished. Will you please join us in giving a special offering for these pressing needs. Mt. Pleasant Baptist Church and pastor J. R. Guess sent in \$100.00 toward this new houseboat in January. May others do likewise.
