JOHN HATCHER ORGANIZES CHURCH IN MANAOS, BRAZIL

Organization of the Bethel Baptist Church of Educandos in the City of Manaus, Amazonas

By John A. Hatcher

On June 3, 1958 the Tabernacle Baptist Church of Manaus in its regular business meeting was asked by the Mission in Educandos under the direction of Evangelist Manoel Aguiar for authority to organize that work as a Baptist church. The Tabernacle Baptist Church received this request with joy and marked the date of organization for the 15th of June. At the same time the church voted to ordain Brother Aguiar to the gospel ministry on Sunday night of June 8.

Due to the fact that the complete report of the work of the mission could not be prepared in time for the organization to take place on the 15th of June the date for this was postponed to the 22nd of the same month.

On the morning of June 22 at the hour of the regular services the brethren of the Tabernacle Baptist Church met with the mission for the organization of the new church. Brother Manoel Aguiar opened the services leading the congregation in hymns and prayer. Afterward the

service was turned over to Missionary John Hatcher to lead in the rest of the service.

After singing the hymn "All Hail The Power of Jesus' Name" the eleven charter members were presented to the congregation and were seated on the front seats. Brother Hatcher explained the main doctrines of the Bible which true Baptists are unique in holding such as Salvation by Grace, the New Testament Church, Baptism, The Trinity, The Second Coming of Christ, and Eternity.

Following this presentation and explanation of the Doctrines, Bro. Aguiar was invited to read the Church Covenant and after brief explanation of the same the charter members came forward and signed the covenant after which Brother Santiago, pastor of the Tabernacle Church, led the prayer of consecration of the new church asking God's blessing over it.

The first business session of the newly organized church was held immediately following this prayer and the body un-

TWO SAVED; MAKES JOURNEYS; VISITS CHURCHES; HOUSEBOAT SCHEDULED TO BE FINISHED WITHIN SIX MONTHS

By Paul M. Calley

Cruzeiro do Sul, May 31, 1958

Dear Brethren in Christ:

Greetings in our Saviour's name, the Lord Jesus Christ. As we write these lines to you we are happy to again have the good news that two more souls have been saved since writing to you last. A young man about 25 years old was saved

at the church here in Cruzeiro do Sul one night when Bro. Rodrigues brought the message and a man 48 years old and the father of several children was saved during a three day visit that we made with the church in Japiim, a one day trip by motor boat from Cruzeiro do Sul.

Getting Ready To Come Home. Lunsfords Arrive To Take Over. Aguiar Ordained. Churches To Be Organized At Educandos and At Jeturana. New Building To Be Dedicated

By John A Hatcher

June, 1958

Dear Brethren,

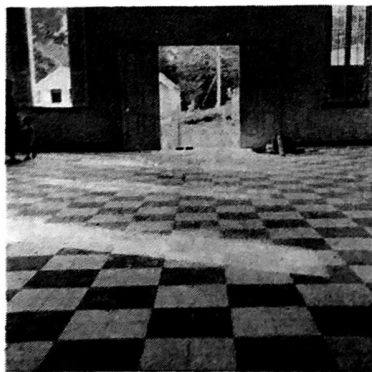

In these last few weeks God has richly blessed us in all ways for which we are grateful and give Him thanks and

glory. This letter will be very brief for several reasons: lack of time, much to tell and only a short time before we will be there to tell you in person, if the Lord so wills. My wife is feeling good again and all the children are well and

Paul Calley's Letter—

(Continued from page one)

This man that was saved in Japiim came to me one afternoon when I was down at the river working on the Embaixador all alone and asked me if I had any medicine for heart trouble, that he had been sick and he thought it was his heart. I told him that I didn't have any medicine for the heart, but that he needed to know Jesus as his Saviour a lot more than he needed any medicine. After talking to him for a while about his soul he left and I resumed my work that I was doing. About half an hour later this man had an heart attack and when he recovered enough that he could talk he sent for me, he wanted me to tell him more about Jesus. When I arrived at the house the enfermeiro, (one who attends the sick and dispenses medicine) was there and many more. He was feeling much better and was sitting up in his hammock. I began to preach Jesus to him again and all that was in the house from the 5th chapter of first John, "For whatsoever is born of God overcometh the world, and this is the victory that overcometh the world, even our faith"—"He that believeth on the Son of God hath the witness in himself". Near the end of the message that I was preaching, this man did not wait for an invitation, but with joyous words professed before all, "I am trusting in Him, I am saved". How wonderful it is to tell sinners of Jesus and see the work of God manifested in that sinner and hear lips that once spoke the words of hate professing Christ as his Saviour. At one time this man was my enemy and worked against me in this village, but now by the marvelous grace of God he is my brother in Christ. He said he wanted to be baptized as soon as possible.

Mourapirango and Cartoze

It was good to be with Brother Mario and all the Saints at the church in Japiim again and we had good attendance at the services while there. We also have made a week end visit with the church in Mourapirango, preaching at the church and at the home of Bro. Miliani on Sunday afternoon, a preaching point in Cartoze, a few miles from the church. The services were well attended and we had about 100 people at the Sunday morning service. We were delighted when we saw the new church building all completed. They have it all nicely painted inside and out and have made nice benches with back rest and all varnished. It is a testimony and example to the other churches here of what they can do, if they have the will to do it, although they are very poor in material things. Brother Cido Francisco Lima and church have worked to build this nice church building and we are thankful for them and what has been done for God's honor and glory in Mourapirango.

pastors the church at Parana dos Mouras has been in town visiting with us for the last week buying supplies and we have been having rich fellowship. We will return with him to Parana dos Mouras and visit the church there and the old Patriarch in the next day or two, the Lord willing and take with us much of the material we bought for the boat in Manaus. From there we plan on going on up river and visit the churches at Tatajuba and Campo de Santana and many preaching points along the way, having service every night.

Houseboat To Be Finished In Six Months

Brother Sebastiao says the work on the large houseboat is coming along fine and that when it is finished in about six months there will not be an equal to it of its kind on the Jurua river for being well built and durable, and that it will be a good boat twenty years from now. All the things that we shipped from Manaus for the boat including the heavy duty Wisconsin 15 h.p. air cooled motor arrived in good shape and we are thankful. We thank God for the way He has laid it on the hearts of His people to give toward this boat. During our long journey up the Jurua river on our trip here we made a good survey of potential preaching points and places where the gospel is not being preached. May it please God to give us grace to use this boat for His honor and glory and return to these places and other regions beyond preaching the gospel of our Saviour to lost sinners.

Need Native Pastors

In closing we request and covet your prayers that God will send out and raise up preachers in the work here. Since Brother Eufrazio and Brother Cicero have gone on to heaven three of the churches here in the Acre Territory are without pastors. We also request that you pray for my wife's health which has been poorly since we arrived in Brazil this last time.

Yours in Christ, Paul M. Calley.

Getting Ready to Come Home

all are busy talking and getting ready for the trip home.

Lunsfords Arrive in Manaus

The Lunsfords arrived here in Manaus in the month of May and we have en-

joyed the fellowship with them once more. Brother Lunsford is already getting in the work groove and I know that in another year that he and his family will be ready for the trip to the States also.

God Is Pouring Out His Blessings Manoel Aguiar Ordained to the Ministry

On Sunday, June 8, Brother Aguiar was ordained to the ministry by the Tabernacle Baptist Church and the Lord willing on the 22nd of June the Mission will be organized as a Baptist church in Educandos. Brother Aguiar has been faithful in the almost two years that he has worked there and the Lord has blessed. Next month we will send pictures of ordination.

Argemero in Jeturana

Brother Argemero has baptized four more persons in this place and the Lord willing we will see a church organized in this place before I leave Manaus. God has blessed this Brother and he has used all that God has given for the service of the Master. From all appearance he has no talents hidden in the napkin.

New Building to be Dedicated on July Fourth

July 4, the tenth anniversary of the Tabernacle Baptist Church will also be the day of the dedication of the new Church Building built by the offerings of churches through Baptist Faith Missions. The floor is all tiled, the pulpit platform is almost finished, the front wall is being finished (that is the brick work, the rest will wait until later). The auditorium is truly a beautiful one and the ones that have helped to build it can be proud of what God has done through you. We will have pictures to show and much to tell when we arrive.

In Him,

About Ready To Teach and Preach in Spanish. To Concentrate On Two Missions. Looking For The Hatchers

By Walter F. Lauerman

Iquitos, Peru
June 17, 1958

Dear Brother Overbey,

I have been quite busy the past month translating and practicing so as to be able to preach in Spanish. Last night I was to bring my first lesson in Spanish at the Bible Class for the Preacher Brethren, and of all things, I slipped and fell coming out of the shower. In trying to catch myself from the fall I landed on my thumb and it bothered me so much that I did not try to preach, especially my first sermon in Spanish. Again after all this preparation and God letting this happen we are forced to say that He knows best. I will try to bring this message Saturday night. I have one other sermon about ready to translate into Spanish and will try to deliver this soon.

Four Native Preachers

The greatest need at the present is to teach the Brethren. The Church has four preachers now that need to be taught and to be preaching regularly. I hope to help Brother Lewis much in this, because I enjoy teaching also. Services in Mapa Cocha and Astoria are still going good and the attendances hold about the same every Sunday. We hope to really major on these places as the Lord gives us the freedom to preach the Spanish. Brother Lewis's boat is fine, but coming back from Astoria the wind blew the rain so hard even with his boat the way it is I got soaked and even had to stop and wait awhile. Brother Lewis is one great missionary and our fellowship grows greater every day.

We are anxiously awaiting the arrival of the Hatchers and a reunion and a fellowship. Brother Hatcher was my former pastor and Bible teacher before he went to Brazil.

May the Lord bless all of you.

Yours in Christ,
Walter F. Lauerman

LUNSFORD TELLS OF INTERESTING TRIP FROM CRUZEIRO DO SUL TO MANAUS

By Bruce Lunsford

We are all getting along fine, for which we are very thankful. I hope that our friends who have written to us and have not gotten a reply will be patient and forgiving, because we haven't been doing much letter writing lately.

Bro. and Mrs. Paul Calley arrived in Cruzeiro do Sul, for which we were glad for many reasons. We didn't get to have much fellowship with them, because we had sold most of our furniture, and were practically light-housekeeping, planning to go back on the same boat on which they had come up to Cruzeiro do Sul. We got to hear Bro. Paul preach, and he listened to me once or twice at Vazia, but each day was busy with them cleaning their furniture, which had been in storage, and we were busy getting the final things done so we could be ready when the boat was ready to leave. This left us little time for fellowship. The people were glad to have the Calleys back with them, and we feel that they have a good four years of service ahead of them there, which will be fruitful. We pray that God will use them in such a way that they will be so busy, and see such great results of their work, that their four years will seem only a few days. Pray for them regularly when you pray.

Leave for Manaos

On May 3rd we left Cruzeiro do Sul on the Percival. It is a three story diesel boat with refrigeration, which is the best type of boat that comes to Cruzeiro do Sul. The Captain is a Baptist, and he tried to make everything as comfortable for us as possible. There were about 20 Baptists on board, some going to Manaos for operations, and others to make their homes there. We got together each day for fellowship, and Ava Lynne played the accordion for us to sing hymns. Many who were not Baptists joined in or listened.

Passed by Guajara and Algeria

It made us feel a bit sad when we waved to the Baptists in Guajara, Algeria, and other places where we had preached to the people. We saw the old man in Novo Destina who made a profession of faith while we were there on our last trip, also at Oriente, where we had four night services, we got to go on land and visit the people there. The woman who is school teacher there is the sister of the Captain. Their father was on board, but got off there to stay until the next boat made a trip up there, so, because of this stop, we got to visit them. The Captain and his sister grew

up with the children of Bro. Brandon in Cruzeiro do Sul. The boat also made a stop in Porto Rico, the new town above Eirunipe, where one man made a profession of faith on our last trip. I didn't get to see him, but I talked at length with others who came to the boat while they were unloading something.

New Sights

After we left Eirunipe all of the sights were new to us, and there were no more acquaintances to wave at along the way, so each day was a routine, with nothing much new. Our rooms on the boat were small, but exceptionally comfortable. Each one had a pair of double decked beds in them, a folding table, one chair, two small wardrobes, a lavatory, and mirror. There was an air system that you could adjust to suit your taste, but it didn't cool the room, only at night when you didn't need it.

Heresy in a Baptist Book

One of the girls on board, who is a Baptist, had a copy of a book, in Portuguese, titled: "The Holy Spirit". I thought I had found an extra good book on the subject. It was written to offset the teaching of the "second blessing" taught by the pentecostals here, but it plainly teaches the universal church theory in more than one place. The book is printed by the Baptist publishing house in Rio de Janeiro to be used in their study courses in the Churches, like the Southern Baptists do at home. The author is Enes Tognini, and says the book on the subject was idealized while he was in the seminary. I don't know what seminary, but it just shows what the young people here are being exposed to doctrinally by other Baptists. I bought the book from the girl for future references, and Bro. Hatcher read the things I had marked in it to the Class of preachers, and explained why it was wrong. It plainly calls the Church a "mystical body" "Universal church", and says that it began on the "day of pentecost". What a pity! I read a lot during the trip, because actually after we passed the places we knew, it became monotonous unless you had something to read. I read the Gospel of John and Romans in Portuguese. The vibration and noise of the boat was so similar to the noises of a train trip, that I could shut my eyes and imagine I was somewhere Lexington, Ky. and Hazard, Ky. where I have ridden the trains a lot. I thought the boat would be so calm and quiet, so restful, but no, it was just the opposite.

Many Have Never Heard

There were some places on the Jurua river that we would go for a half of day without any sign of a house, but there are many many villages, (rubber plantations) where the gospel is not being preached, and I'm sure that there are many where they have never heard at all. There was not much noticeable difference in the Jurua river as to size in high-water time, but the houses in which the people lived were much worse farther down the river than they were between Cruzeiro do Sul and Eirunipe. It seems that the people have less the farther you go below Eirunipe.

When we got into the Solomon (Amazon) river things began to change. One noticeable thing was the width of the river. In many places it was at least two miles wide, and the water was only half as muddy as the Jurua. Since the water that we had to drink and use for other purposes came from the river, I was very glad. Even though our drinking water was supposed to be filtered, it had a bit of the color of the river left in it, so the clearer the river, the clearer the water. Before we got to Codajaz, a storm came up to the extent that they had to park until it had ended.

At Codajaz

Around two or three o'clock in the morning we arrived at Codajaz, where Bro. Miguel is the pastor. His mother and brother were on the boat, going to visit him, and when the boat stopped, I got to see him and some of the be-

lievers who came to the port to meet his company. The boat stayed only a few minutes in the port, so I didn't get to see very much of the place.

At Manaos

When we arrived in Manaos about 6:30 P.M. on the 15th of May, Brother Hatcher came to the port to meet us. We went to their house and visited until about 10:00 P.M., then went back to sleep. The visit with the Hatchers was the tonic we were in need of, after 13 days and 12 nights of visits only to Portuguese speaking people. The Hatcher's new baby (Amazonas) is a little darling, and they even let me hold her. I know, without asking, that they would not even think of leaving her here with us until they come back from the States.

After several days in the hotel we moved to a house, temporarily, until the Hatchers leave for Iquitos, Peru on their furlough trip home, on July 11th. We have visited nearly all of the preaching points, here in Manaos, and all of the Churches here. We hope that the Lord will permit us to make some river trips soon to preach at Codajaz, Faro, and the others.

Pray for us regularly, and for all of the work here. Write to us, even though we may be already owing you a letter or two. May the Lord bless all of you.

Yours Sincerely,

R. B. Lunsford

One Saved At Iquitos . . . Journeys To Mapa Cocha and Astoria The Two Missions

By Mitchell E. Lewis

June 18, 1958
Iquitos, Peru

Dear Brethren,

The Sundays of first, eighth, and fifteenth we had the following attendance: Iquitos 73, 66 and 61; Mapa Cocha 41, 78 and 68; Astoria 35, 43 and 18.

Brother Lauerma, Juan Castro and Javier Freitas usually go to Astoria in "La Nave Evangelica" using the 18 horsepower Evinrude while Simon Gaima, Juan Ruis and myself go to Mapa Cocha in "El Mensajero" using the 10-12 Penta. Our preachers are eager to be preaching and we are praying that the Lord will show them where He would have them to go. One Sunday

MAPA COCHA

at Mapa Cocha a young woman from Iquitos who had on a bathing suit disturbed the service by telling the women to get their children away from us as we did not adore the virgin Mary. I

did not know this at the time so the next Sunday I asked the mothers to judge which religion was of God, one that would permit a young woman to shamelessly expose her body to men or one that permitted the virgin Mary to have her rightful place in God's plan. I then gave a small talk on Luke 11:27, 28. The mothers seemed impressed and Brother Manuel Aricari whose house we preach in expressed himself very favorably for us.

A few days ago four houses burned down and thieves ran away with the household goods as fast as the owners could carry it away from the burning buildings. A policeman caught a thief in another neighborhood and the people rescued the thief from the policeman. The army raided the police station and beat up eleven policemen.

One Saved At Iquitos

The Lord saved a young man (Genaro Torres) in one of our Sunday morning services. I praise the Lord for this de-

One Saved At Iquitos

monstration of his power even in this wicked city. Our services are being attended by young men and we thank the Lord for his goodness toward us. One Sunday night the church excluded Miss Laura Gaima from the fellowship of our church. She married a man who is living with a woman and has three children. Simon pleaded with his daughter not to marry the man and I preached to her at different times but she told me that she was determined to marry the man regardless of anything. Sergeant Rios is expecting to be transferred to a frontier garrison. I pray that the Lord will intervene and permit him to stay in Iquitos. We need to pray that the Holy Spirit will deal with Juan Ruis' wife as she is not saved.

Baptized Seven At
Urucuri. Persecuted
Because of Doctrine

Baptist Faith Missions:

May the peace of the Lord Jesus Christ be with our work in Brazil as also in the United States.

Brother Overbey I want to give you the news of the work of the Lord Jesus Christ in Urucuri. I baptized in April seven believers. Now on the 25th of this month I am going to baptize two more here in Codajaz.

The church and I pray for the work of the Mission. We have two schools one in Codajaz and one in Urucuri. I have several preaching points outside of the city of Codajaz. Brother Hatcher knows about the work. He is a consecrated man and the Lord is with him. I am the only preacher in so many places, Urucuri, Badajoz, Amuri and some others, however God has helped me.

Dear brother it is strange to say that I have been persecuted by the Baptists that are not with the Baptist Faith Mission because of doctrines. Without more from your brother and companion in battle for the Kingdom of Heaven, God.

I am grateful for your goodness as you have helped give the bread for my children. While I am preaching, and praying you brethren of the Mission are sending bread for my children and I am grateful. May God bless the Baptist Faith Mission. I would like to see the face of all of you that have sent help. I ask that you might pray that I might preach Christ Jesus the Son of the living God, and only Saviour. Acts 4:12. My christian love to all of you and my love in Christ to Brother Overbey and his family. To preach the name of Jesus the Saviour and to live for God ought to be the life of every son of God.

In Meeting With Mt. Pleasant
Baptist Church

By H. H. Overbey

It was my happy privilege to help pastor Sidney Fisher and the Mt. Pleasant Baptist Church, Chesapeake, Ohio in a two weeks meeting, June 9-20, 1958. Brother Fisher lives in Ashland, Kentucky and the church is over on Ohio seventeen miles away. It was one of the best meetings I have ever had the privilege of helping in. Seven professions of faith and all for baptism. People came to the meeting from sixteen different Baptist Churches in Ohio, Kentucky and West Virginia. The attendance was good. Some of the nights, chairs were used to seat the people when the pews were filled. The hospitality and fellowship in the Fisher home was unexcelled. Mt. Pleasant Baptist Church is one of the best supporters of Baptist Faith Missions in both regular and special offerings. A truly good church and good pastor. The Lord gave us unusually liberty and the people loved the truth and rejoiced in it.
