## CALLEY ON 18 DAY JOURNEY - - - SIX SOULS SAVED

The John Hatchers arrived in Detroit, Michigan on July 31, 1958. On their way home they came through Peru and visited the Walter Lauermans and Mitchell Lewis in Iquitos, Peru and got to see the mission work there.

The Walter Lauermans rejoiced to see and to have the Hatchers visit them in Iquitos, Peru. Bro. Lauerman is a former student of Brother Hatcher. He attended the Bible School that Brother Hatcher taught in Alton, Illinois a few years ago.

Front end of the new Houseboat being built for Paul Calley to use. Brother Sebastian, the builder is standing in the boat. This is how the boat looked about two months ago from the time you get this paper.

This is how the houseboat looks inside showing the strong ribs before the floor is put down. This is a very strong boat and should last for twenty years or more. Every piece of wood is sawed and finished by hand.

### The John Hatchers Arrive in U.S.

By John A. Hatcher

Detroit, Mich.  
August 4, 1958

Dear Brethren,

At this writing we are back in the United States and we are visiting in the home of Brother Overbey and family. It is a joy to be back to visit with our brethren and to have the opportunity to tell many churches what the Lord has done. I would like to tell you a few things about the last few weeks that we spent in Brazil and about our trip home.

#### New Tabernacle Baptist Church Building Dedicated

On the night of July 4 the new building of the Tabernacle church was dedicated to the service of the Lord and the occasion was truly a high hour. We had borrowed the benches from two other churches and the house was packed with nearly 500 persons present. We will have more about this along with pictures in the next Mission Sheet.

#### Our Trip Home

Leaving Manaus, Brazil on July 11, we arrived in the city of Iquitos, Peru on the same day. The Lauermans and the Brother Lewis were at the airport in Iquitos to meet us and it was a real thrill to see them again and to fellowship with them. Brother Lauerman was a member of the church in Alton, Illinois where I was pastor before going to Brazil. We stayed with them a little over two weeks and visited their mission work and worshipped with them in the First Baptist Church in Iquitos. It was our privilege to preach in that church two times while there. We left Iquitos

### Lauerman Preaches First Sermon In Spanish—Enjoying Fellowship With The Hatchers

By Walter Lauerman

Iquitos, Peru, S.A.  
July 24, 1958

We are in the middle of a visit with the Hatchers, which we have enjoyed very much. Brother Hatcher accomplished in two weeks what it took me 9 months to do, that is to preach in Spanish here in Peru. Portuguese is somewhat like Spanish and some words are identical, therefore we all understood enough to understand the message. Brother Hatcher also showed slides of the work in Brazil and some of churches and people in U.S. These two weeks have been a big help and encouragement to me and my family. Bro. Hatcher is one of God's great because he is sound, faithful, and hard working, and also has a vision which is what most preachers lack.

Juan Castro, Javier Freitas and Simon Guima made a trip to Sorrento Lores a place on the Mamon River this month for a week. This is a neglected village of about 500 people. Juan said interest was good and crowds were large. Some believers there want a church but the Missionary Alliance (?) are poisoning the people against what Juan preached about Baptist baptism. Pray for this work. The missions in Astoria and Mapa Cocha are still being preached to every Sunday and we plan Saturday night and Sunday morning and night services at both places in a couple weeks. The native brethren are anxious to be preaching

### 18 DAYS JOURNEY UP THE JURUA. SIX SOULS SAVED. HAPPY REUNIONS. SEES NEW HOUSEBOAT.

By Paul Calley

Cruzeiro do Sul  
Acre Territory, Brazil  
July 14, 1958

Dear friends in Christ,

God continues to bless in the work here with souls saved and we are happy to again have the good news that there has been six more professions of faith and one baptized in the work here in the past month.

Since writing to you last we made an 18 day trip up the Jurua river visiting the churches at Parana dos Mouras, Tatajuba and Campo de Santana, about 125 miles from Cruzeiro do Sul. We also preached at many preaching points along the way and we preached at several new places for the first time. Brother Rodrigues, the pastor of Faith Baptist church at Cruzeiro do Sul was with us on this trip and we took it time about preaching and at some of the services at the churches we both preached. It was Brother Rodrigues first visit to the churches on the upper Jurua and he preached some good sermons to the churches that were needed.

#### Joyous Reunion

It was joyous reunions that we had with the churches and we had good attendance. It was good to fellowship with the old patriarch again and the church at Parana dos Mouras where we stayed four days, having services every night. Also while there we preached at

a place a few miles downstream from the church called Sao Bento where there are five houses. It was the first time that the gospel has been preached at this place and about 25 attended the service and most all were Catholics. They listened with good attention and the owner of the house invited us back.

#### New Houseboat

We were well pleased when we saw the houseboat that Brother Sebastian, the old Patriarch's oldest son and pastor of the church at Parana dos Mouras is building for us. It is going to be a large boat, 38 feet long and 10 feet wide and a more secure boat I haven't seen of this type since I have been in Brazil. It is being built out of the best wood and with proper care will be a good boat twenty years from now. The hull of the boat is about finished, but we estimate it will take six to eight months for Brother Sebastian to finish her completely. In the meantime we have the Embaixador to travel the rivers, while Brother Lunsford is in Manaus. The Embaixador is still a pretty good boat but will need some repairing by the time the large houseboat is finished and I am making minor repairs on her now.

#### Tatajuba

From Parana dos Mouras we went to Tatajuba and was with the church there for two days and also for one day on our return from Campo de Santana. We had wonderful fellowship with Brother Londos and family at Tatajuba and ate

regular and will be I am sure soon. I brought my first lesson to them in Spanish and they said all was understood well. More of this is coming as the Lord leads. This was the joy I had waited for 9 months, that is to preach and teach in Spanish even though I did not have the real freedom that I like to have when preaching, but will have later on, as the Lord gives grace.

We are all well now, again. We know that the churches will enjoy the Hatcher and his preaching, his experiences, and slides. We will perhaps have more to write next month as we are now taking most of our time in fellowship and telling experiences of the past 3 years and work of the future for the Lord with the Hatchers. The Lord is Good.

Yours-In-Christ,  
Walter Lauernman

### The John Hatcher's Arrive In U.S.

By Walter Lauernman

on July 25 and went to Lima, Peru to make connections with the plane for Miami, Florida. We arrived in Miami at 9:30 on the night of July 30 and we got through customs at 10:40. We went to the Airline office and found that there was a plane leaving in twenty minutes for Detroit and fortunately we made it. Brother Overbey and Brother Hille and wife and Brother Gilbert Clark from the Canfield Ave. Baptist Church met us at the Airport at 6:00 a.m. on July 31.

#### Our First Sermon Back Home

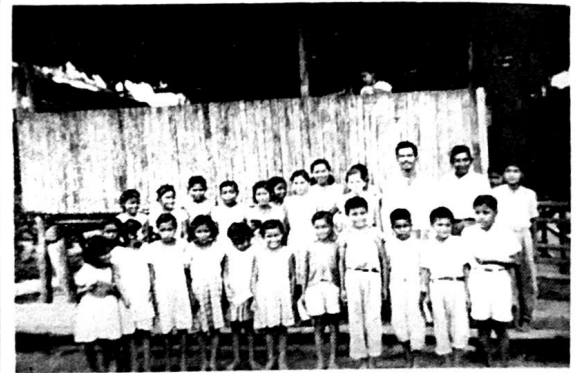

On Friday night of August 1st we visited the monthly meeting of the Detroit River Association of Baptist Churches at Home Acres Baptist Church, Grand Rapids, Mich. The fellowship was very wonderful and we preached on missions and how God expected missions to be done. On the next day the churches of this association had a home coming picnic for us and needless to say there was an abundant dinner and a wonderful day of fellowship with seven churches represented.

I wish to express on behalf of my family and myself our sincere appreciation for your prayers, support and all acts of kindness toward us. If you would like for us to come and visit you and tell you about the work and what God is doing for us then we would be happy to come. You can contact us at the following address: 1210 East Grand Blvd., Detroit 11, Michigan.

Sincerely,  
John A. Hatcher

### THE ORDINATION OF MANOEL AGUIAR BY THE TABERNACLE BAPTIST CHURCH OF MANAUS, AMAZONAS

By John A. Hatcher

At the regular business of the Tabernacle Baptist Church it was voted to ordain Brother Manoel Aguiar to the Ministry in view of the fact that the mission of which he directs had asked to be organized as a church.

On the 8th of June at the hour of the regular Sunday night service the Tabernacle Baptist Church met for this solemn purpose. Brother Santiago open the service with congregational singing and prayer. Brother Aguiar was called to the front and presented to the congregation and the pastors and missionaries and deacons of the Tabernacle church assisted in the service. Brother John A. Hatcher, missionary lead in the questioning of Brother Aguiar and explained that the authority entrusted to a true Baptist church was the authority conferred to the first church organized and authorized by our Lord and Saviour Jesus Christ, showing that the only authority that the protestant churches have is that

which they received from the Catholic church when they separated from her during the Reformation.

Following the period of questioning the ordaining prayer was led by pastor Miguel Ibernson from the Baptist church in Codajaz and the laying on of hands. The message was brought by the pastor of the Tabernacle church, Brother Francisco Santiago.

Brother Aguiar has proven himself being faithful in the work and in the doctrines and the Lord has given him understanding. The work in the section of Manaus called Educandos has been slow and hard but this Brother has been faithful and God has blessed him and his work. Brother Aguiar is 31 years old and married with four children. He has been faithful in his attendance of our Bible classes and those who have given to support he and others like him can give thanks to God for such ones as this Brother.

### A Happy Visit to Mountain State Schools in Alderson, W. Va.

By H. H. Overbey

Our son-in-law and daughter Ruth, Mr. and Mrs. Russell Darling and our granddaughter Cathy Lynn came over from Chicago to visit us in Detroit. Mrs. Overbey, our 12 year old daughter, Fannie Sue and I went with Russ and Ruth in their car to Alderson, W. Va. for a two day visit with our son Edward and wife Jackie and three children. Edward is Principal of the Mountain States Schools, Inc. The buildings and grounds and all the mountain scenery is really beautiful and we had a delightful trip and stay with them. The trustees have recently voted to have a Bible Institute along with the Christian High School. The high school is for boys and girls who want a Christian High School education. The room, board, tuition and all is only \$38.00 a month. I don't know how they can do it. The Bible Institute is for preachers young and old who want a good Bible School to go to. A wonderful opportunity for preachers who need schooling. The Trustees elected our son, Edward Overbey to be head of the Bible Institute as well as principal of the High School. Both schools start on Tuesday, September 2, 1958. For information, write to: Mountain State Schools, Rt. No. 2, Box 12, Alderson, W. Va.

### Tri State Baptist Bible College, Evansville, Ind.

By H. H. Overbey

Our beloved treasurer of Baptist Faith Missions, Brother Z. E. Clark, who is also a teacher of preachers advises us that the fall term begins at Tri State Baptist Bible College, on Monday, September 22, 1958. This school offers a three year Bible course. For information write to: Tri State Baptist Bible College, 1005 W. Franklin, Evansville, Ind.

our meals with them while there at their insistence. We had an average of about 30 each night at the services and most of the members came, but we learned while there that there was dissension between some of the members and some were in a backslidden condition. Since Brother Eufrazio's death and back to the time that he first took sick about six months ago, the church at Tatajuba has had no pastor and they were in much need of the word of God being preached to them. But we are thankful that the church there still has a faithful few like Brother Londres and wife. We pray that God will send a revival and intend to visit the church there often and return soon, the Lord willing.

#### Man Saved

When we left Tatajuba on a Thursday morning we intended to arrive at Lucania, a preaching point for services that night, but God had different plans and wanted us to preach Jesus to a man along the way. In ordinary traveling we had plenty of time to reach Lucania, but we broke pins and our stops along the way were longer than expected. When night came on we found ourselves several miles from Lucania and there was no moon and we had no choice but to stop at the first house we came to. As we groped our way slowly in the dark we saw in the distance a bonfire in front of a house and that bonfire told us it was a catholic home because it was a catholic saint day. The catholics here build a fire in front of their houses on their saint days in honor of the saints, such as St. Paul's day, St. John's day and etc. When I asked the man of the house if we could have service, although I knew they were catholic, I was surprised when he said, "Yes, you can have service here and I want you to." This man knew Brother Sebastian and the old patriarch at Parana dos Mouras and they had witnessed to him and he said they had told him about me and that he would like to hear more of the gospel. He had neighbors near by and sent for them and that night I preached the sermon that I love to preach and call my four-fold text sermon — No other Mediator, I Tim. 2:5 — No other Name, Acts 4:12 — No other Foundation, I Cor. 3:11 — No other Way, John 14:6. When the invitation was given this man who is about 30 years of age professed Christ as his Saviour. He had no more use for his bonfire

Juan Castro, Simon Gaima and Jaiver Freitas ready to leave on a missionary journey of four days up the Momon river to Sarento Lores. They used the Aluminum houseboat. Things taken for the journey, clothing, bed rolls, food, camp stove, victrola, brief cases, tool box, 16 gal. gasoline, two paddles, camera, 18 H.P. Evinrude outboard motor and 2 H.P. Penta outboard for a spare.

While the Aluminum houseboat is being used for a journey, to Astoria, Brother Mitchell Lewis (at the motor) and Simon Gaima start out in the canoe, with new canvas covering to protect from rain and sun, on their way to Mapa Cocha.

This is the port of Mapa Cocha on the Nanay river, as Brother Lewis and Simon arrive for their Sunday afternoon service at the Mission in this place. It was my privilege to visit this place with Brother Lewis and Simon in August of 1954. These are new houses on the bank since then. The main part of the village is a few hundred yards back from the river. This is an Indian village near Iquitos, Peru.

These two boats and three motors and floating dock are the property of Baptist Faith Missions. They are now in use by Mitchell Lewis, Walter Lauerman and Simon Gaima. Thanks to Brother Mitchell Lewis for a good job done in the building of everything. Aren't you glad that you had a part in these. And don't you wish that had had a part in them?

which was still burning when the service was over.

### Floor Falls In

Our next stop where we had service was at a preaching point called Porto Preto and Brother Rodrigues preached to about fifty people that night. Right after the service I requested that they all stand on one side of the large room for a picture and I was just ready to snap the camera when the whole floor on the side where they were standing fell to the ground. We were thankful that no one was hurt, and it was funny to us all after it was all over. I can see them now all standing in their best pose, including my wife and then, crash! the floor fell in.

### Campo de Santano

After helping the owner repair his house we continued on our way and arrived in Campo de Santana on Saturday afternoon, June 14th. It was a joyful reunion with the saints there and we were thankful for the way we found the church at Campo de Santana. Although they have been without a pastor since the death of Brother Cicero, they never miss a service and the members come. One thing Brother Cicero taught his little flock well, and that was to come to the house of the Lord to worship Him. Brother Nelsin, Brother Cicero's son-in-law is the leader in the church there now and conducts the services. Although he doesn't preach as a pastor

## THANKSGIVING CONFERENCE

H. H. Overbey

The Lord willing we will have the FOURTH ANNUAL THANKSGIVING CONFERENCE at Canfield Avenue Baptist Church, Detroit, Michigan, November 24-27, 1958. This is only four months away. As in the past we will furnish free beds and free meals to all out of town guests. We will have some of the soundest and best preachers as speakers. Sorry we can't have more. Every pastor of a church that supports BFM ought to come. You will have a good time of fellowship and get your souls fed on the Word of God and go home refreshed and blessed and with a lot of good messages to preach. Many bring their tape recording machines and the front is thick with them. This conference is in the interest of Baptist Faith Missions. Thanksgiving morning is the time when Canfield Avenue Baptist Church has her annual special offering for Baptist Faith Missions. This year we plan a special offering to help build the Preacher's School Building in Manaus, Brazil. We need about \$16,000.00 to build this building and we hope to have it all in hand so John Hatcher can start and build the building after his furlough without stopping. We hope that the Lord will lay it on the hearts of at least fifty pastors to lead their churches to have a special Thanksgiving offering one of the Sundays in November and then come and report it at the conference. If you plan to have a special offering please write and tell us about it. Here are the special needs: (1) Preacher's School Building, (2) Launch and (3) Regular offerings. We will have to send the Hatchers back in the summer of 1959 and bring the Lunsfords and Brother Lewis home on furlough and we hope to send out another missionary family in 1959. This takes extra money in the regular fund and we need it. All we ask is for the pastors to pray with us and ask the Lord what He would have them do.

does, he reads to them in the Bible and teaches them as much as he knows like a Sunday School teacher does and they sing hymns and have prayer. While there I helped him all I could in his studies and picked out two of Brother Cicero's commentaries that I thought would do him the most good and explained to him how to prepare his Bible lessons.

We were at Campo de Santana for three days and had fine services. On Sunday afternoon we had services at one of the member's home and had good attendance at all the services. While there we visited in most all the members homes and had wonderful fellowship.

We thank the Lord for this church and for Brother Nelsin who is taking the lead in conducting the services and feel assured that this little flock of about 35 members at Campo de Santana is going to hold together until the Lord raises up or sends them a pastor. We promised them that we would return soon, the Lord willing for a longer stay.

### Four Saved at Porto Preto

On our return downstream we stopped again at Porto Preto and had service, but this time at a different house more centered for all to come. Brother Rod-

rigues preached that night and there were three professions of faith. A man and wife about 35 years old and the owner of the house, about 40 years of age professed Christ as their Saviour. Then the next morning while visiting at another home in the vicinity another man about 50 years old who had attended the services said he had trusted Christ and was saved. All said they wanted to be baptized and the Lord willing we will return in a few weeks to baptize them and have more services, but first we want to talk to each one about their marriage and make sure they are legally married.

We estimate that at least half of the families here in the Acre are not legally married. Most of them have been married by the catholic priest which is not legal and we do not baptize them until they are married by law. It is one of our greatest hindrances in organizing work here. We are happy to say that the man that was saved in Japiim while we were there and wrote about in our last letter was already legally married and Bro. Mario baptized him last Sunday.

### One Saved in Cruzeiro do Sul

Getting back to our trip; on our way down stream from Porto Preto to Cruzeiro do Sul we had three more services at night preaching at Lucania, again at Tatajuba and at Brother Santos house on the Jurua below the mouth of Parana dos Mouras river. Space will not permit for us to go into detail about all our stops and the work here, but in Cruzeiro do Sul we have a new preaching point and last Sunday night, July 13th. I preached at the church on the Second coming of Christ and it pleased the Lord to save a young mother about 25 years old.

### We Thank God

We thank God for the souls that have been saved. We thank God for each of you, for your prayers, for the way you have given to the Lord's work here. We thank God that my wife's health has been much better this past month. We thank God for the good news that He has called our oldest son Carl, to the ministry. We thank God most of all for our salvation in Christ Jesus, for His high calling and that He has saved all our children. But beloved, time would

fail me to tell all of His blessings, and as I write these lines I am on top of the mountain and my heart is saying with David — "Bless the Lord, O my soul; and all that is within me, bless His holy name, Bless the Lord, O my soul, and forgets not all His benefits; Who forgiveth all thine iniquities; who healeth all thy diseases; Who redeemeth thy life from destruction; who crowneth thee with loving kindness and tender mercies" Psa. 103:1-4.

Yours in Christ,

Paul M. Calley

PS. I have received all your letters up 20 and the Mission Sheets and bank statements. Thank you again brother for being so reliable and prompt. I don't know how you manage to do it all.

## Hatcher To Visit Churches

John Hatcher wants to visit and speak in as many churches as possible. He plans to visit the churches in the north beginning in September and work south during the winter. Brother Hatcher says that he would like to speak seven nights a week. He would like to speak three nights, or at least three times, in each church so as to adequately tell about the mission work that your money is paying for. He will help both pastor and church and do a lot of good for missions. If you want to give him a love offering alright, if not alright. He will come and you will be blessed and happy that he came. Write to 1210 E. Grand Blvd., Detroit 11, Michigan. Or phone Detroit, Michigan, Walnut 1-3784.

To save time he will visit churches in a given area on the same trip.

Brother Aguiar preaching in the pulpit of the mission in Faro, Brazil about three hundred miles down river from Manaos.

Night service at the Mission in Faro. Four were saved here on a recent journey when John Hatcher was preaching.

Manuel Aricari and wife with two grand children in front of their house at Mapa Cocha, Peru. This man's house is used to preach in at the mission here.

## Plan More Services At Astoria And Mapa Cocha. Welcomes Hatcher.

By Mitchell Lewis

Dear Friends,

This month we moved the floating dock from Morona Cocha to Pampachica as Morona Cocha is drying up. We then had to move the dock from Pampachica down river to Bellavista because the bank at Pampachica was so steep and muddy. We now drive out to Bellavista and put the small 2 h.p. motor on Simon's boat in order to cross the Nanay River where we have the floating dock. The Lord willing we plan to start services Saturday night and Sunday morning and possibly Sunday night at Astoria and Mapa Cocha. We have been having fair attendance at these places and I am certain that with services at night our attendance would increase and more interest would be shown.

We have made two small portable hammocks and they have proved to be very useful in our services as the mothers put their babies in them. Juan Castro's wife suggested the idea when she told me that her baby just could not rest in anything other than a hammock. Juan Castro is teaching the adults the book of Acts and is doing a fine job.

We all piled into the jeep and went out to the airport July 11 to welcome the Hatcher family to our fair city. The fellowship has been of the first order. I am living in one of the rooms down at the church but when I go over to the Lauerma's for breakfast I can tell that they have been burning the midnight oil by the suitcases under their eyes. Last Thursday I received the eight tape recordings that Grace Church sent me of the 1957 Thanksgiving Day Conference at Canfield Ave. Baptist Church. So far we have listened to Bro. Hille, Brother James George and Brother Walker. It is the next thing to being home and enjoying actual fellowship.

We covet an interest in your prayers for our labour of love here and also for the Lauerma's. Brother Lauerma is allergic to something and he breaks out with enormous red itching spots on his body and his face and hands swell.
