NEW MISSIONARY FAMILY FOR BRAZIL

By H. H. Overbey

Bro. Harold Bratcher, wife (Hattie) and son (Asa) make up our new missionary family to Brazil. The Lord willing the Bratchers will go to Brazil in July, 1959, with the John Hatchers when they return after furlough. This will save considerable expense since Brother Hatcher knows the language and can help them through the red tape and we will not have the expense of having someone meet them at the port of entry. Brother Bratcher was born March 24 1927 the son of Pastor and Mrs. C. S. Bratcher. His father is now pastor of Grove Center Baptist Church, near Mor-ganfield, Ky. Brother Bratcher was saved and baptized a few days before his 12th birthday. He served in the U.S. Army from June, 1945 to December 1946 and had service in Germany. He graduated from Georgetown, Ky. College with A.B. degree in 1950 and from Southern Baptist Seminary, Louisville, Ky, with B.D. degree in 1955. He has served as pastor of three baptist churches his longest pastorate being at Newby Church near Richmond, Kentucky where he served eight years and nine months. From May, 1956 to September, 1958

he was in full time evangelistic work. He has taught at intervals at Lexington Baptist College, Lexington, Ky. and is now full time teacher in this college for the present school year which will end just before they are to leave for Brazil. Brother Bratcher and wife are members of Ashland Avenue Baptist Church, Lexington, Ky. where Brother Clarence has been the beloved pastor for over 42 years. Brother Bratcher was ordained at the call of Uniontown Baptist Church, Uniontown, Kentucky with 18 messen-gers from eight Baptist Churches making up the ordaining presbytery or council, on August 31, 1947. He will go to Brazil on the authority of Ashland Avenue Baptist Church, Lexington, Ky. and when he arrives in Brazil he will unite with one of the Baptists Churches in Brazil and do his missionary work under the authority of that church of which he will be a member.

CALLED IN MARCH 1957

Brother Bratcher writes: "I felt the call to the missions field in March of 1957. I have prayed much and sought the leadership of the Holy Spirit in this

COMING NEEDS

By H. H. Overbey

Besides the funds to send out the new Missionary family, the Harold Bratchers, we also need the funds to return the John Hatcher family to Brazil at the same time and also to bring home the Bruce Lunsford family on furlough as soon as the Hatchers and Bratchers arrive in Brazil. This is the expense of sending two families to Brazil and bringing home one family and all in the same month.

Furlough Times

New missionaries are to stay on the field three years the first time out before coming home on furlough. From then on they are to stay on the feild four years before coming home on furlough. The schedule at present is as follows:

The Bruce Lunsfords are due home on furlough in July, 1959. The Mitchell Lewis' in July, 1959. (Mrs. Lewis and children are already in the U.S.) The Walter Lauermans in July, 1960. The Paul Calleys in July, 1962. The Harold Bratchers in July, 1962. The John Hatchers in July, 1963.

chers in July, 1963.

The policy now is for all to come home on furlough in the month of June or July and return in the same month to arrive back on the field within a year from the date they left the field. This will enable the children to get a full year of schooling, and will mean the arriving here in hot weather, and also for income tax reasons it is advantageous. Pray about these financial needs and then send all offerings to:

News About Detroit Conference

By H. H. Overbey

The Fourth Annual Conference at Canfield Avenue Baptist Church was a very good one. Many said it was the best yet. Some said they get better each year. To say the least it was a time of great fellowship and high spiritual services. We thought that the attendance this year would be down because of the "recession" and hard times, but instead we had people in more homes than any previous conference. We had people in our three bed rooms and the boys slept in the attic and my wife on the couch down stairs and I slept beside the telephone in the church office. Pastor Homer Crain, Pastor Harry Hille and Pastor Eugene Clark had their homes full and members of Grace church kept people in their homes and several guests stayed in the homes of relatives and friends. Then thirteen men slept in the church basement and had their breakfast in our home together with the ones who slept in our homes. We had 24 for breakfast at our house. And we had more than fifty for supper on Monday evening before the first service. We used the same hall near the church and Grace Church loaned us 12 tables and two coffee urns and the women of Can-field Avenue Baptist Church as usual out did themselves in bringing food. There were 17 canned hams that we know of and more than one woman brought ten chickens, and we do not know how many turkeys. The tables filled with food were beautiful to be-

Another New Missionary

By H. H. Overbey

Last month we showed a picture and announced Brother Juan Ruis as a new Peruvian Missionary. This month we are

happy to announce that Brother Newton Vasconcelos Passoa is a new Brazilian Missionary. Brother Newton is one of the seven regular full time students that attended the Preachers School taught by John Hatcher in Manaos, Brazil last year in a rented building. Brother Newton is the second from the left, wearing glasses, in the picture above. He was saved and baptized at Cruzeiro do Sul in 1929 and he with nine others were the first members of the first church organized by Missionary J. F. Brandon in 1929. Brother Newton moved with his family to Manaos in July, 1954. He has a fine family and his son Isaac works in a bank in Manaos. See picture of Isaac on page two. When I was in Cruzeiro do Sul, in June 1954, I, with the other missionaries.

Suits For Missionaries By H. H. Overbey

We made an announcement in the October paper about the need for suits for the native missionaries in Brazil and Peru. Each missionary will get a suit with at least three pants the Lord willing. We have the sizes for all except three which require small chest sizes for the coats and Brother Dempsey Henderson thinks he can get suits for these also. The offerings are beginning to come in now and we trust that we will have money to pay for all of them within the next few months. You can give a three pant suit for about \$20.00, and two of them for about \$40.00. Send your offerings for these marked "For suits for Missionaries".

Isaac is the son of our new Missionary in Manaos, Brazil. Isaac works in the Bank of Brazil and goes to school at night. He is a Baptist and a good tenor singer and loves to sing in English and has memorized several songs in English as well as in Portuguese. He hopes to become a doctor. He knows the Portuguese, English, French and Latin lan-guages. He has been of great help to Paul Calley, John Hatcher and Bruce Lunsford in helping to teach Portuguese. He was a great help to me in the anguage also when I was in Brazil in 1954. He is frequent visitor in the Bruce Lunsford home in Manaos.

FINANCIAL NEEDS

It costs a lot of money to get a missionary family on the field. In the past we have estimated that the cost would be about \$3,000.00 more or less and in some cases it ran over that amount. We used to ship their household goods, re-frigerator, etc. by boat and then the family would go by plane, then, there was the expense of getting through customs. Now, refrigerators, kerosene customs. Now, refrigerators, kerosene cook stoves, furniture etc. can be bought on the field and the missionaries go by plane and take only clothes, typewriter, cameras, musical instruments, etc. etc. with them on the plane, this has reduced the cost considerably in getting them on the field. Newby Baptist Church where Brother Bratcher was pastor for over eight years is already a regular supporter of B.F.M. and Ashland Avenue Baptist Church where thew are now members is already a regular supporter also. Perhaps there are other churches that know the Bratchers that will want to have a part in sending them out and in paying their regular salary. Perhaps some church

Lunsford Reports 18 Saved Since His Last Letter Tells Of Journeys

By Bruce Lunsford

Manaus, Amazonas October 15, 1958

Dear Bro. Overbey and Brethren,

At the writing of this letter, we are all well, for which we are very thankful, and we are hoping for the best for all of you there. The rains have begun, and has relieved the hot weather for a few hours a day, also we are glad to know the river is coming up again, because this makes the travelling better on the trips to the preaching points. There are a few places inland near here that it is better when it is dry, like it has been, but there are more places on the rivers to visit than there are inland.

Belo Jardim

We have been to visit the Church "Belo Jardim" at Japiim, (Manaus) on two occasions lately, and hope to again real soon. We took pictures of the baptism of a woman there, but will not have the pictures in time to send with this letter. It was a cloudy day, so the pictures may not be any good, but it was in one of the most picturesque places in which I have seen a baptizing here. Over 30 people were on the bank watching, and I tried to get a picture of part of them and the baptizing in one picture. If it comes out good you will see it later. As of date, there were three ready to be baptized there, but one was gone, and another was sick, so only one was baptized. Later we hope to go there and get a picture of the others. We really enjoy the services at this church very much, because of their humbliness and sincerity.

18 Saved

Since I last wrote, there have been three professions of faith at Bethel Church, two at Tabernacle Church, five, one night at Petropolis, which is a mission of Calvary Church, and one more there last Friday night; one more Saturday and two on Sunday, three Belo Jardim Church, and one in Terra Nova. This is a total of eighteen professions. I feel so sorry for young believers here. We think of our young believers in the States as being "Babes in Christ", but these here are even more so "Babes". They, that is most of them, have such a poor background. It actually isn't as hard for a young believer to leave his or her background of physical adultery, as it is to leave the religious adultery of the catholic church, which began to be instilled in most of them before they could even talk. They are so ignorant of the teachings of the Bible, even to being told that it is only for the priests to read and interpret. They are taught one

lie after another, that covers almost any teaching in the Bible. Also concerning their lives, from birth to Heaven or hell they are taught one lie after another. That brings me to the main subject, "The Bible" we need to put Bibles in the hands of every person who will not give them to their priest to be destroyed. They are told to burn any translation of the Bible, that they, the Catholic church has not authorized, or give them to the Priests. For that reason I use their translation a lot, to show that I find the same teachings in it that we believe and practice. Where their translations differ to ours which we use is in their italicized, inserted, deceiving words. Also some of their foot-notes are to confuse them in their interpretation, but some of them clearly teach against their idolatry and sprinkling for baptism. In one of their catchecisms they say that the Bible is the word of God, and that it is good to read it, but in the next question and answer they say that it is not necessary for them to read it. One of them told me that they didn't need to come to our services to know about the Bible, but that they were told everything that they were supposed to know, and that is the attitude in general. I feel so sorry for them, but if they refuse to listen to what you have to tell them, or refuse a tract, there is not much else that can be done for them.

Jetuaranha

In my last letter, I intended to tell you about my trip to Jetuaranha, but I forgot to. While I was at Terra Nova with Bro. Argemiro, we paddled for about two hours, down stream, to this place. It is a sort of a lake, but has an outlet nearly all year simular to a small creek, but in really dry weather it is accessable only by land. We visited several believers there, and stopped at nearly every house there. There are two familis of adventists, a policeman, the family where they have the school, and others who are not much interested in our message, but all seemed friendly. The time I was there was just before the water got real low, and there were some families that we couldn't visit. We ran aground with the canoe, and Bro. Argemiro got out to push us, being careful to stay behind the canoe in order that the canoe would scare off the stingrays. At this home we rested, ate, visited, had a service, and a really good visit. They are poor people, but are happy in the Lord. It was there at this house that Bro. Argemiro had baptized one of

there were receptive, and we plan to go there again next week.

Faro

After the 23rd of Nov. we are planning to go to Faro, taking the whole family. If you should be reading this near the beginning of the month of December, we especially request that you remember us and the services we will be having there between the 26th of Nov. and the 6th of December. Faro is a place in need of much work and prayers.

Hope to have good news after our visit there.

> Yours sincerely, Bruce Lunsford

hold. The people served themselves with two lines being served at the same time. Paper plates and cups were used saving the women the work of dish washing. And 912 bottle of soft drinks besides coffee and water were consumed. The attendance at the services and for the meals were the largest of any of the conferences thus far except that the attendance on Thanksgiving last year was larger for the Memorial Service for Helen Calley. Pastor and people of Canfield Avenue thank all who helped in keeping people in their homes and especially to Pastor Eugene Clark and Grace Church for the loan of tables and coffee urns and for the financial assistance in the cost of the Conference. Also to our good Brother George Robbins from N.J. and all who had a part in the Tuesday night offering to help which Pastor Harry Hille surprised us in having the people give it. Special thanks to Pastors Harry Hille and Homer Crain and all others who kept so many people in their homes. Now, we extend you a warm invitation to come and be with us in the Fifth Annual Conference next year at Canfield Avenue Baptist Church, Detroit, Michigan, the Lord willing. These Conferences are in the interest of Baptist Faith Missions. We hope that some church farther south will begin to have Annual Conferences in May of each year in the interest of Baptist Faith Missions, so that we will have two conferences each year six months apart. It would help every church to have a one day conference with six speakers. Pastor Del Mayfield and the Pleasant Plains Baptist Church are having an all day conference on Friday, December 12th. Pleasant Plains, Illinois is about 20 miles west of Springfield, Illinois. Harry Hille, Eugene Clark and Hafford Overbey are among the speakers for this one day

Saved — Four Excluded

By Mitchell E. Lewis

November 18, 1958 Iquitos, Peru

Dear Friends.

This month has been a very enjoyable one. The church in Iquitos did some house cleaning by excluding one Javier Paez who had not attended services for months and when he did show up on Sunday he was drunk. We also excluded three other persons for non-attendance. The church authorized Juan Ruis to preach the gospel and he is showing great zeal in doing so. I am most glad to say that Juan Ruis' wife was saved one Sunday along with a business man by the name of Justo Marin Rodrigues. Juan's wife expresses the desire to be baptised the nineteenth and the Lord willing it shall be done. I will leave it to Walter to tell about his baptizing three young women in the Amazon River in front Astoria. I will probably finish our studies on "The Trail of Blood" this week. I have enjoyed teaching this subject, the attendance has been very good and the interest keen.

The doctors in all of Peru are on a strike so the Pentecostles moved into

Iquitos for a three weeks meeting. The radio has been denouncing them and of course we are classed with them as being protestants. The Catholic church never rests, last Sunday a witch stuck head in the door to see if any of her students were attending our services. The teacher in Mapa Cocha has warned her students that if they attend our services that they will not pass into a higher grade next year. Peru is supposed to practice religious freedom. Javier Freitas and don Adolfo Nunes came down from Polis bringing some of the produce to sell here. Javier tells me that they are having about ten persons in their services which is to be appreciated seeing that no regular services have been held there

The police chief here does not want to give Mrs. Rios her husband's salary so that she can go to the frontier station to be with him. The sergeant wrote her that it was dangerous for a woman to travel alone so far. Many women have been terribly abused while on long river trips. I pray that the Lord will show our brother Rios that He can supply him a job where he can worship the Lord and his family can be together.

Lewis Teaches "The Trail Of Blood" — Two Are Lauerman Baptizes Three at Astoria — Others Saved

By Walter Lauerman

Iquitos, Peru, S.A. November 21, 1958

Dear Brethren:

Seems like every day you are on the mission field is a busy one, and they get more so every day. God calls one though to work not to loaf. This past month the Brethren have added to their efforts more. The Lord seems to be blessing them for it as He usually does. Juan Ruis is now the regular missionary at Astoria mission and is having mid-week services there also. There has been larger crowds again this month at Astoria. The Lord has saved 4 there this month past and one has come for baptism that was under the preaching of Simon Guima 2 years ago. This and one other are to be baptized later. I baptized the other 3 on November 9th. This was the first baptism there and it brought many to see it. Brother Lewis came down in the afternoon and preached the baptismal sermon and took some pictures for which we were thankful. These were my first Peruvians to baptize and was a joy for me. We are saying again and still praying for that New Testament church in Astoria. We are thankful for this work and its Missionary Juan Ruis. Juan has them singing well and they seem to think highly of him and I do to. We rejoice in the Lord saving his wife last week and she was baptized by Bro. Lewis this week. Juan is real happy these days about all this and we all rejoice with him. There are two families there that need to be married before they can be baptized also. They have been saved for several months, but do not have the money to be married. I am to help them in this and take them to be married after December first.

Visible results at Mapa Cocha have not been as good as Astoria, but Juan Castro has been going every week and the Lord only demands faithfulness of us and not results. This is His job not ours. Juan Castro said when the people only coming in the evening, and Simon decided to go to another village close by that someone had men-tioned to him called Santo Tomas (Saint Thomas) in the mornings. This village is smaller but practically all came to the services. The Brethren now go there in the morning and to Mapa Cocha in the evening every week. Pray for these preachers I think I will go to Mapa Cocha again some time this month the Lord willing.

I want to go to Polis at least once this month, but I may not. Our baby is to be born about December 25 and the doctor thinks it best to stay close after December 1. Pray for my wife as she needs yours prayers. Javier Freitos a young man from the church whom Bro. Lewis wrote about getting married last month is holding services there and we wanted to go see him and see the work. This work was started by Brother Hal-lum some years ago and has a family of believers there. Word comes that he has about 10 or so every sunday. I have wanted to go there even before I came to Peru, but something always comes up. There are so many places here such as this. There is also a place here in Iquitos that needs a work very badly.

Simon has made midweek trips again this month. He went back down the Amazon to the Napo River where no one has been for 15 years and again was received warmly. He went with Juan Ruis to Asotia one week, Shiua and Picuruyaco the other weeks. Only God knows the rewards of these. We pray that the conference will be the best yet, in preaching, fellowship, offerings and food.

> Your's In HIM Walter F. Lauerman

Don Ruis and Simon Gaima are off on a missionary journey to Astoria on the Amazon River at the mouth of the Nanay River. Juan Ruis is the new Missionary announced last month and he is the missionary to Astoria and plans to concentrate on this place.

Mrs. Calley Improved-Plan Long Journey

By Paul Calley

Cruzeiro do Sul November 11, 1958

Dear Brother Overbey,

Enclosed is financial report on houseboat for October and you will note that I paid Brother Sebastion Cr \$23,000.00 (cruzeiros) more. He asked for this amount because he has hired a man to help him finish the boat and will need it to pay wages. He said that he hired help in order to have the boat all finished by March. He had the hull all finished except some caulking. He ran out of material but took back with him enough to finish it. He said that much of the material, boards, etc. was all prepared for the top structure and good progress had been made, but to just look at the boat itself, it still was just a hull, but finished, and that, he said was two-thirds of the work in building a boat like this one. The canvas that I have bought will be for the screened in front part for protection against rain and sun.

My wife's health is better and we again plan to start upstream the 20th of this month the Lord willing, but she is not completely well yet and her nerves are bad. I still haven't gotten rid of my rash and I am having a hard time trying to heal it, but I have been preaching often. It doesn't show much on my face any more but I still have two faintly red blotches on each side of my face between nose and cheek that just won't go away. I may have what the old Patriarch had and still has, I don't know.

Brother Rodrigues is well and back to preaching now. We have been having a lot of rain here lately and the rivers are full and good to travel now. I am going to Mourapiranga this week end and preach there while Brother Cido goes to Barao to preach. We don't plan on too long a trip upstream because of my wife's health, probably about two weeks, but we plan on going as far as Campo de Santana. Also I want to be here when the things arrive that Brother Lunsford has shipped. The last letter that I received, he had bought most of the things and said they would be shipped soon.

We received a box by Panair from the Lunsfords filled with a varity of good things to eat that you can't buy here. We really did appreciate it and it is just one more kind deed of many that Brother and Sister Lunsford have bestowed upon their brethren. We trust that you will have a good conference and give our regards to all the brethern. We covet your prayers and may the Lord bless all of you there.

Yours in Christ, Paul M. Calley

would like to give all the money to send them out and get them settled on the field. They are going on faith. May the Lord lead many to join in their support. There is nothing to join or unjoin. Send all offerings to Z. E. Clark, Box 551, Evansville 3, Indiana. All offerings are used 100% in the mission work. We do not have any office rent and only missionaries get paid out of the mission offerings. The directors of B.F.M. serve without pay.

How It Is Done By H. H. Overbey

Many wonder how a small church like Canfield Avenue Baptist, Detroit, Michigan gives such large special Thanksgiving offerings. First, we do as we learned from H. B. Taylor when we were a boy. We give them missions for breakfast, for dinner and for supper and then in between meals. We pray for each missionary by name, in the pulpit, each Sunday. We plan our special offerings a year ahead and continue to remind our people to save for it. We put missions first in our church. We tell our people to bring a check or money order so the offerings will not be in danger of loss by a hold up or theft, and here is how they did it: There was one offering for \$300.00; one for \$275.00; three for \$200.00 cach; one for \$137.73; four for \$100.00 each; one for \$40.00; one for \$59.50; five for \$50.00 each; one for \$40.00; one for \$30.00; three for \$25.00 each; one for \$20.00; one for \$16.00; one for \$10.00 and one for \$5.00. This totals \$2,298.23 given by 26 members. A \$5.00 check was mailed in, \$10.00 was in the box in an envelope and \$109.19 was in cash, making a grand total of \$2,422.42 for the Thanksgiving offering from our church. Canfield Avenue Baptist Church has had four special Thanksgiving offerings in between from time to time. Some have the idea that

Canfield Avenue Baptist Church must be very large to put

on a nation wide conference each year and give such large offerings. The answer: Canfield Avenue Baptist Church has

of today 89 members, men, women and children and several

of them are out of work.
