## Hatcher Has Visited Over Fifty Churches

By H. H. Overbey

Dear Brethren,

In spite of the fact that we have not had a letter in the Mission Sheets for several months since we have been home we have found ourselves very busy in

visiting the churches and telling about the work. Up to this point we have visited more than fifty churches. During the month of March we will be in the western part of Kentucky if the Lord wills. In the month of December the Lord blessed in giving good services in the Alton and St. Louis area, and in the latter part of January we had the pleasure of visiting with some of the

brethren and churches in Florida during which time we spent several days with Brother James Sims and family.

In all of the places where we have gone there is a spirit of joy in the going of the Bratchers to Brazil. May the Lord raise up many more to go and many to send. When we think about the conditions of the churches here in this country and the coldness of the people,

for the most part, we realize what a tremendous job that pastors have to do. Especially, when we realize at the same time it is the pastor that must fire the churches by teaching and example to give that the gospel might go to those who have never heard.

Our oldest son who contacted a hip infection shortly after our arrival is now

well, after being on crutches for five months, and we appreciate the many who so faithfully prayed for him and we praise the Lord for His healing power. We also are thankful for the good reports of the Lord's blessing on the work in Brazil and in Peru. We give thanks to God for the safe arrival of the Lauer-man baby. We know what a blessing she is to them and how thankful they are that mother and baby are doing well.

It will be just a short time until our children are out of school and we will be preparing to go back so we hope you will remember us in prayer. We are looking forward to going but with all that there will be to do: THE LAUNCH, PREACHERS SCHOOL, SCHOOL BUILDING, NEW POINTS AND CITIES TO BE REACHED, we need more to help and we need you to hold up our hands in prayer.

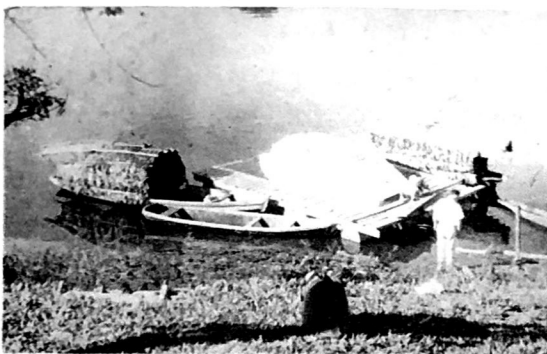

The following are the churches that we have visited since October:

LUNSFORD GOING TO MAUES A NEW  
AND PROMISING PLACE

By Bruce Lunsford

Manaos, Amazonas  
February 12, 1959

Dear Brother Overbey:

It has been so long since I last wrote to you, and things have been happening so fast that I didn't realize it had been so long. I will arrange for the pictures soon (for new poster to be made). Brother Miguel Ibernion came to get his family to take them back to Codajaz, and before he leaves will try to get theirs taken.

## Argemero Baby Dead

Brother Argemero's baby died last week (the second child to die in four years). He is using the motor to haul lumber to Terra Nova, where they are building a church house. A "New Tribes" missionary had baptized a man and wife there, quite sometime ago. Brother Argemero explained to them about three weeks ago, that they had not been scripturally baptized (they had alien immersion) and they saw the truth and Brother Argemero baptized them. The young man is preaching to the people when Brother Argemero is not there. (This young man will be attending the Preacher's School when Brother Hatcher returns the Lord willing.)

## Miguel Ibernion Has Motor

The Codajaz motor has fallen to Bro. Miguel and he is glad. The church is paying his gasoline bill. I am translating a letter from him to you about some of his trips made using this motor. He reports 12 professions of faith last month.

Brother Paul Calley, (here on his way back to Cruzeiro do Sul) Bro. Santiago and Bro. Argemero have gone to Curai-zinhe.

## About Faro

There has been five baptized at Faro but only three live there now. There are six other believers who are not able to be baptized (not legally married). Bro. Arguiar will soon have been there a month, and there may be more believers by now. I am planning to pass through there the 26th but am not planning to stay while he is there.

## To Maues

I have found something else, much important, which I can't afford to wait to go back to. I will write more about it later, but will mention it briefly here. In Maues there are three people, already baptized members of Baptist Churches. I was there for nine days and found six believers ready to be baptized. It is a town about the size of Cruzeiro do Sul, with about 100 Seventh Day Adventists there. I don't want to write a letter showing too much elation about this place, because there are many things which could intervene. As I feel about the place can be summed up in this sentence: I have never made a trip in Brazil in which I have been more impressed with the interest of the people, and the need for something regular for the people there. Brother Paul Calley is to leave here January 22 for Cruzeiro do Sul and I am to leave on the 23rd for Maues.

Yours sincerely,  
R. B. Lunsford

CALLEY BUSY IN MANAOS —  
HAS RETURNED TO CRUZEIRO DO SUL

By Paul Calley

Manaos, Amazonas  
Feb. 20, 1959

Dear Brethren,

In my letter to you last month, I said that we were going to Belem where my wife could get a complete examination of her health, so we will take up from there. We arrived in Belem on the 28th and within a few days my wife had her examination as planned. The laboratory tests and x-rays showed that she has an ulcer of the stomach, kidney bacterias, and dysentery called (Giardia lamia), a tropical disease similar to amoebic dysentery, only this produces vomiting instead of overworking of the bowels.

Also my wife has gone down in weight from 122 lbs to 91 lbs. since we came back from furlough about a year ago

and is weak and run down. The doctor put her on a milk diet, prescribed medicine, and advised that she return to the States for rest, treatment, and cure. We did not have to be persuaded, because of her condition and the suffering she has already gone through this past year on the field, and without proper medical treatment. The doctor in Cruzeiro do Sul was treating her just opposite from what he should have been doing.

On February 7th my wife returned to the States and was being examined over again at the Henry Ford Hospital Clinic in Detroit at my last notice. We have prayed much for my wife's health, and know that many others have been praying with us, and we continue to covet your prayers. May it please God that she might soon return to us here with restored health.

While in Belem, we attended services at the First and Second Baptist Churches and returned to Manaus on Monday, Feb. 9th where we have been staying with Bro. Lunsford and family, and having the best of fellowship. Since being here we have preached at Tabernacle and Calvary Baptist Churches and also visited Bethel Church, and made two over-night river trips to nearby preaching points with Bros. Argemiro and Santiago, two of our faithful native preacher brethren.

Our river trips were to Curai-zinha and Terra Nova, both places about a half day journey from Manaus by motor boat. In going to Curai-zinha we travel down the Rio Negro to the Amazon and up the Amazon to the small river Curai-zinha. While there we preached to many and had services in the afternoon and at night in one of the believers home. At the night service, about a hundred people attended and seemed interested, and the future looks good at this place.

At Terra Nova, down the Amazon River from Manaus it looked even better for a church there some time in the future, the Lord willing. We preached to many and had three services while there. One of the services was a baptismal service, and Bro. Santiago baptized a man about 70 years old, and his daughter about 20 years old. There are about ten baptized believers at this place. Bro. Lunsford and Bro. Argemiro have been visiting these places, and the Lord has blessed. Bro. Lunsford also returned recently from a trip to Maues, a small town on one of the tributaries of the Amazon River, and about five or six days from Manaus by boat, and said the prospects there also look good. Brother Lunsford and the native brethren are doing a good job in the work here in Manaus and surrounding territory.

God continues to bless the work with Souls saved in Brazil. Bro. John Dias reported a woman saved recently on his rounds of visitations, and Bro. Aguiar reported three men saved on his recent trip to Faro. Also a man and wife, about 38 years old were saved one night while we were preaching at Cruzeiro do Sul, a few days before we started on this trip. The Lord willing, we will be returning to Cruzeiro do Sul on the 22nd of this month. We covet your prayers, and may the Lord bless all of you there.

Yours in Christ,  
Paul M. Calley

## LAUERMAN BUSY — BAPTIZES EIGHT

By Walter Lauerman

Iquitos, Peru - S.A.  
February 18, 1959

Dear Brethren and Friends:

A busy month has passed and it seems like that nothing has been done until I stop and see I am busy most of the time. The Lord again has blessed and we bow our heads and hearts to him for these blessings.

Well I have been doing a lot of straightening up since Bro. Lewis is gone, because we are using his room for Sunday School. I also put in a partition for another room. We had 51, 34, 42 this month so far in Sunday School. Juan Ruis has had 32, 12, and 30 at Astoria. Juan Castro and Simon have just started their Sunday schools this past week and Juan had 7 and Simon 12 at Mapa Cocha. My wife is teaching now and is happy at it. She is very good with children and also flannel graph. We thank the Lord for her in many ways. Her class increases every week. I am not teaching in S.S., just directing. I want to use the members and teach them to do the work properly. As pastor here I will major in this, which will take most of my time for awhile, but am confident it is the will of the Lord.

### Baptized Eight

I baptized 8 this month, in fact in the first two weeks as pastor. Six from Astoria mission and two from the church here. Yolanda Isquierdo was saved the first Sunday night I preached here. It was a real blessing. 3 times I had to stop because of the noise and wait and pray before starting to preach again, and when I gave the invitation this girl came saying she thought she was saved but after this message she realized she was

not and wanted to receive Christ now as saviour. She and another man that came the following Sunday from another church ??? was baptized the following Sunday with 3 from Astoria. The sermon I preached is one of my favorites from Eph. 2:11-17. "Our Hope". We thank the Lord for this young lady and all them that came. Yolanda knows a little about the piano and she is taking lessons and will be a big help as we have no piano player since Juan Castor is preaching out.

Well the work at Astoria continues to grow. There are 5 more yet in Astoria claiming to be saved and as yet are not baptized. There are now 11 baptized believers there. Always there is a big crowd. We also may get to rent a big house there in 2 or 3 months as a family is moving, they want to sell though. I went with Juan Ruis on Thursday for his regular service. I think I counted 43. They are singing well and there is less confusion and all think Juan is a fine man and preacher. Juan tells about the Governor of Astoria saying some months ago that all churches were the same etc. So Juan gave him the Trail of the Blood and Alien Baptism and the Baptist and now he says he sees the difference, but has no time to serve the Lord yet. All this man needs is a new heart, and only the Holy Spirit is able to do this from the word. Juan is always ready for times like this, and the Lord is blessing him for it. I went also one day with Simon to Mapa. Things there are slow, but are slowly growing. We bought a building there and Simon put a window and a door in it the day we were there. I also visited one morning with Ricardo Flores in Iquitos. He wanted me to talk to some of his friends. I enjoyed this very much. Juan Castro says he is going to

## MIGUEL IBERNON REPORTS 12 SAVED

By Miguel Ibernón

Codajaz, Amazonas  
January 30, 1959

Dear Brother Overbey,

The peace of our Lord Jesus Christ be with you and your family and your church and with Baptist Faith Missions.

I am writing to you this letter to give you the news of the work of our Lord Jesus Christ here in Codajaz.

I made a missionary trip on a river called Mina. I opened four preaching points, two sinners were converted. This was a work of much joy. I made another missionary trip to another place called Libaneza. I only arranged one preaching point, but four sinners were converted. I made two other trips to Urucuri where we already have a congregation. (Mission.) Five sinners were converted there and the results gave me much joy. Here in Codajaz there was only one conversion consequently, 2 in Mina, 4 in Libaneza,

5 in Urucuri and 1 in the city (Codajaz). Which makes a total of 12 new conversions. Sunday I will baptize some of the congregation of Urucuri. I beg you, brother, to pray that we will be able to see churches in these places, if God will it.

Dear brother, you probably know that I have been sick, also my wife, and I still do not feel completely well but by the grace of God I am already working. My family is in Manaus. Soon I will go to Manaus, and if my wife is already better will return with her for Codajaz, but if she is not well, I will come back by myself. I beg your prayers. Best wishes to you my brother, and to all the brethren. I send my love in Christ to Baptist Faith Missions. Without more, I will close.

Your brother in Christ and companion of the battle in the Kingdom of God.

Miguel Ibernón

### Thanks To Brother Lewis

Oh yes, I want to say for Bro. Lewis' benefit we concreted the back yard with the money you sent. Now we don't have to plow through the mud to use the trailer etc. The whole church thanks you for this. Simon went also to Chiwa this month.

I am having classes Monday and Saturday only for the preachers. This leaves all the middle of the week for river trips for all. I am teaching how to outline and practical things. A preacher needs some sort of a outline, if not he does like these preachers at times and says a lot of truth yet no message, and usually talks for hours. I also am teaching the book of Philippians on Monday (Continued on page 4)

stay with this work until the Lord blesses, because he says he knows the Lord wanted him here in this place for some time. I told him that God is blessing him now and will bless more if he is in Gods will in his life and work.

Simon Guima has made trips to several places on the Nanay River and also one week he preached at several places on the Monon River. Just going from house to house in these trips and sowing seed and praying the Lord will bless. Juan Ruis made two two day trips to Arenal a place close to Astoria. This week he is off to several days at Picuruyaco. As always Juan Castro is visiting in the city here. These preachers do this work in addition to their regular services on Sunday and Thursday.

and Wednesday for the whole church. We are having real good crowds. The members are real good to me and all say I am improving in my Spanish every time. The preachers and I have a prayer meeting on Mondays before classes, and we all pray and pray for all. It is good to hear these brethren pray for all my family back home and all the churches that help support them. I have 4 preachers come, and at times one or two other people. May the Lord bless all that make this ministry a reality is our prayer.

## Mrs. H. B. Taylor, Dead

Mrs. H. B. Taylor died on February 13, 1959. She was 83 years old. Brother Taylor died on May 31, 1932, almost 27 years ago. She was a great and good woman. Brother Taylor was pastor of the First Baptist Church, Murray, Kentucky 34 years and editor of NEWS AND TRUTH, 29 years. They are together now with the Lord who redeemed them with His own precious blood. Brother Taylor went to Brazil almost forty years ago and as a result organized the Amazon Valley Baptist Faith Missions, and sent out several missionaries. When Brother Taylor died the AVBFM did not have any missionaries on the field. Yet, eight months before he died Brother Taylor wrote (News and Truth, September 23, 1931): "THE AMAZON VALLEY AND OTHER FAITH WORK WILL NOT ONLY GO ON. BUT BE GREATLY ENLARGED, IF GOD WILLS." God has willed and the work has gone on, and greatly enlarged, and today we have thirteen churches in the Amazon Valley; twelve in Brazil and one in Peru. Eleven of these thirteen churches have been organized since J. F. Brandon entered into an agreement with Z. E. Clark and myself regarding this work in the fall of 1941. Five other churches were organized before, besides these thirteen now in existence. These five have either died out or been taken from us. H. B. Taylor and my mother taught me to be missionary. H. B. Taylor meant more to my life than any man that ever lived, apart from the Man Christ Jesus. Thank God for the memory of H. B. Taylor and his faithful wife. It won't be long until readers and writer, redeemed, loosed and washed in that blood that washes whiter than snow, shall join them in Immanuel's land. Until then our Lord has commanded us to go into all the world and preach the gospel to every creature. Let's be missionary.

The "Embaixador" laying on the side showing the hole where the bottom was rotted out, and being replaced with new boards. This houseboat has been used thousands miles to carry the gospel to the lost in the Jurua Valley.
