Salem Baptist Church Organized At Petropolis, In Manaos. 14th Church In Brazil. Manuel Sarmento Ordained By Bruce Lunsford

Manaus, Amazonas June 17, 1959

Dear Bro. Overbey and Brethren, There have been a few aches, chills, coughs, sneezes, and a little fever in our family since I last wrote, but nothing very serious. In Codajas there have been a few with typhoid fever, but no deaths within the members of the church so far as I have been informed. We are all thankful for having the health we are enjoying at the present, and hope for the best for everyone there.

On June the 1st, Calvary Church had a business meeting and decided to have an ordaining service for Bro. Manuel Sarmento on the 3rd of June. Then Bro. Sarmento was to baptize two people the next day, the 4th, and then they would organize the church at Petropolis on the 5th of June, where Bro. Sarmento has been preaching for a long time. I didn't encourage them to organize, nor did I attend their business meeting. Usually a church is organized first, then the church calls the pastor, but since the congrega-(Continued on page 2)

Manaus, Amazonas June 18, 1959

Dear Bro. Overbey and Brethren, The announcement being made at the ordaination of Bro. Sarmento on the 3rd of June, and at the organization of the Salem Baptist Church at Petropolis on the 5th, that there would be an organization of a church at Terra Nova on the tenth caused all of the preachers but one to be ready to attend it. He was unable to attend, but Bros. Santiago, Aguiar, Newton, Sarmento, Sostenes, Argemiro, my sons Bobby and Jamie and I went to

Terra Nova. We left for the port before

7:00 a.m. and waited until about eight for the boat to get ready to go. After we got started, there were people in many canoes who paddled out and tied on to the one we were in, and came on board to wait until they arrived at their destination. In this way the boat was rowded until there was not seating room for all. Every time someone got home the boat would slow to a stop, and take them ashore in a canoe. If the people were some of those who had canoes tied on, they would merely walk back over the other canoes to theirs, untie, and paddle ashore without the larger boat even slowing down. It is one of the most interesting things to see these "river trains" in action. This is the way we travel here, much of the time, and t is reasonable in price, even though has gone up twice in price lately. There is only one great big trouble, and hat is that these boats don't go everywhere you would like to go, and too, you can't go every time you need to.

Terra Nova

We arrived at Terra Nova a little after 11:00 a.m. Terra Nova is a place where you can see three or four houses it once, and you wonder about a church there, until you make a visit in a canoe, then you find many houses which are not in view from the river. Bro. Argemiro had sent some groceries there, and differ-ent ones had sent after some special things with which to feed the visitors. They really fixed up a large amount of food, and everybody had a good time. A person surely gets hungry on these kind of boats. Their motors vibrate so (Continued on page 2)

Manuel Sarmento (third from left in front row) was ordained on June 3, 1959. The others in the picture together with Bruce Lunsford who is taking the picture formed the ordaining presbytery. All preachers except one deacon.

Manuel Sarmento (the day after he was ordained) baptizing for the first time, on June 4th 1959. Brother Lunsford says he was a happy preacher. He is the pastor of the new Salem Baptist Church, Petropolis, in the City of Manaus, Amazonas.

tion at Petropolis already knew that they wanted Bro. Sarmento for their pastor, it was just as well that they ordain him first.

Manuel Sarmento Ordained On June 1st at 7:30 p.m. all of the preachers, except Brother Miguel who couldn't come, met with the Calvary Church to help the Church ordain Bro. Sarmento to the gospel ministry. The service was opened by the singing of three hymns: one called, "Consecration" which I never heard in the U.S.A., "Anywhere With Jesus", and "I Need Thee Every Hour" I was asked to lead in prayer, and Bro. John Dias, the pastor of the Calvary Church read I Timothy, 3:1-7., and without any comments asked Bro. Santiago to bring a message. He read Titus 1:5 - 9., and Acts 20:28., and brought a 20 minute message, (about 1/5 the time he usually takes) and turned the service over to the pastor who read three more verses of Scripture, commenting a little, and asked Brother Sarmento about 8 questions. When he had ended asking, he told the others that they could in their order ask what ever questions they wished. I asked him about 12 questions, then Brethren about 12 questions, then Brethren Aguiar, Argemiro, Newton, and Sostenes each read a verse of Scripture, as a counsel for Bro. Sarmento, and asked him a question or two. Then there was the laying on of hands and a prayer by each of the preachers present. At 9:20 p.m. Bro. Argemiro was asked to dismiss the service. Before he dismissed, he announced that the Church Belo Jardim (Beautiful Garden) had voted to organize a Church at Terra Nova on the 10th of June. Bro. John Dias also took advantage of Bro. Argemiro's announce-ment to make some announcements which he had forgotten, which were that Bro. Sarmento would baptize his first two people at 3:00 p.m. the following day, and that a church at Petropolis would be organized on the 5th.

After the dismissal there was a time of fellowship by the brethren, and of congratulations for Bro. Sarmento, on how well he had answered the questions. I was satisfied with Bro. Sarmento and his beliefs, before there were any questions asked, and I made it clear that I had not asked any question because of any doubt I had about Bro. Sarmento, but that the people might hear the verses of Scripture he would use in answering them. An ordination service is a time of enlightenment for all those present.

There were about 25 people who came to the baptizing on the 4th when Bro. Sarmento baptized his first person. He was really happy, as it was a dream which had come true for him, that now he had the full responsibilities of an

Salem Baptist Church Organized

At the organization of the church at Petropolis June 5th there were five churches represented. The charter members of the church are: Manoel Sarmento Lima, Maria de Lourdes Lima, Jose Aprigio da Silva, Luiz Carlos da Silva, Maria Luzia Ramos, Sevirino Antonio Ramos, and Francisco Isidio da Silva. I'm happy for these people, and I know that you will be also. They are small now, but I feel that they have a bright future before them. They are in a good location to do much good. Pray for them much.

Jetuaranha

After the dinner, Bro. Argemiro asked some of us to go to Jetuaranha with him to a baptizing of two people. The canoe will take 20 people safely when the water is calm. To get to Jetuaranha, you have to cross the Amazonas River, and you can't tell if it is rough or calm, by looking across it. It is so wide that you can start out when it is calm, and before you cross it a breeze can come along and make it dangerous. There weren't

so many people went on this trip, because they knew there were many who were wanting to come back for the service that night.

Two Baptized

We arrived without the waves splashing into the canoe, and I got to take a picture of Bro. Santiago baptizing the two children. As soon as possible we started back for Terra Nova but it got dark before we arrived, and there were logs and large floating masses of grass in the river which made it very unsafe. There were 18 people in the canoe, and all of us were very thankful when we got in sight of the light on the shore.

benches had been made in the front of the house, because no one thought that all of us could get in the house. Two songs had been sung, and Bro. Ranofo, the young man at Terra Nova who has been preaching there, had read a Scripture and prayed, when it began to rain. Believe it or not, everyone got in the house, and I, along with the others, was uneasy because the house is old, and many of them have fallen when they were over stuffed in this way. The Lord took care of everything, and all went along well. Bro Santiago preached, as he had at

the organization of the Salem Church in Petropolis. These two churches are grandchildren of the Tabernacle church and Bro. Santiago was just as proud of them, as any grand-parent is of his grandchildren. The covenant was read, and there were 16 people who voted to accept it and live by it. Bro Newton acted as secretary for them, and by 10:30 everything had been done that

was necessary, and we were dismissed. The church is called: "Terra Nova Baptist Church". They asked Bro. Argemiro to be their pastor. He is also pastor of Beautiful Garden Baptist Church. In this way he will continue making trips there, and when contained many relations of the source of old man there who has lost his eve-sight to the point where he can't read. He is a Bible student, and has been a preacher in the past. He told me that he had preached for 16 years before he lost his eye-sight. He knows so much of the Bible by memory, and is memorizing it even yet. Every time anyone begins to read the Bible, he comes close to listen, and you can notice him as he is saying the important things over to himself.

Supper at Midnight

About 11:00 p.m. they set the table, and everyone had as much as they wanted to eat. My two boys, Bro Sarmento, and I went across a small stream in a canoe to sleep in Bro. Ranofo's house. It was after mid-night, so Bro. Sarmento didn't even hang his hammock. He just lay on a pile of jute (hemp) which is used to make burlap bags here, and covered up with his hammock to keep out the mosqhitoes. Jamie and I had a mosquito net, and was using one hammock, and not long after we had gotten in the hammock, Bobby came under the net also. Needless to say, we didn't rest,

We untangled our arms and legs, and out in the future.

which was coffee and tapioca. This may sound awful to you, but it was good. Bro. Argemiro had gone to take the people back to their homes on the other side of the Amazonas River, and about an hour after he returned, the boat came along to bring us back to town. All of the vibration of a dozen motors could not have kept that crowd awake. The house where the other five preachers stayed had the floor covered with children, and all the hammock hanging space taken up. Some of them didn't try to sleep, but talked and visited through the night.

We count it a joy to have had a part in these organizations here, and to see the work of Baptist Faith Missions first hand. May God give us more supporters, and more workers, like these here, to take the Gospel to these places. Remember this work as you pray and give to help to have more laborers in the harvest.

Newby Baptist Church **Gives Special Offering** Of \$1,075.00

By H. H. Overbey

Newby Baptist Church, Richmond, Kentucky had an all day service with dinner on the ground on Sunday, June 21, 1959 and gave \$1,075.00 as a special mission offering towards the expense of sending the Harold Bratcher family to Brazil. It was a great day. Large crowds came and the people gave. Brother Harold Bratcher was pastor of Newby Baptist Church for about nine years. This is how they did it. The pastor of Newby Baptist Church, Brother Jim Orrick, wrote to us months ago and told us of his plans for the all day service and special offering, then he led the church in the plans and preparation. The matter was put before the people and then kept before the people for several weeks and the people got the matter on their hearts and prayed about it and saved and then gave. This is ex-actly the way the special Thanksgiving

Attendance Two and One Half Times That Of A Year Ago In Peru. Lauerman Baptizes Two More.

By Walter Lauerman Iquitos. Peru, S.A. June 15, 1959

Dear Brethren:

In the church this month there has

been much sickness, but nevertheless we have had the largest crowds ever. One Sunday night we had 23 men and 19 were lost as far as we know. We averaged 56 in S. S. and had 67 one Sunday. With all the S. S. on the rivers, we taught an average of 113 every Sunday in comparison to about 40 a year ago. I told the brethren I am not number happy, but I want to reach every one I can as long as we reach them in visit-ing and preaching. I preach here as at home. One Sunday night I was really going to town on how in Christ we have all that is necessary to be saved and how Catholicism has fear for the people etc., well, one woman got up to leave, as she was leaving I said, " you can leave lady if you care to but you are running from the truth." Well she turned around and sat down to hear the rest of the sermon. She has not returned but speaks on the street. Monday and Wednesday nights we are now having about 50 and I am sure enjoying it also. I am starting on some doctrine in the classes Monday and

Saturday mornings instead of others. It is a real job to teach these brethren as all is so new to them. I gave them (preachers) a turn preaching in the church each Monday night and I will now return to my studies of I Cor. Two Baptized I baptized Amelia Mosombite on May

17 and Lidia Rimacha on May 18. These are both from Astoria. I again thank the Lord for the privileges of baptizing, and making two more Baptists. We also did another thing that I always hate to do, that is to exclude a member of the church. Genarro Torres lived with a women for 5 months without me knowing it and then he promised to marry the girl, but after I gave him the money to get married and had Juan Ruis lined up to even take them down river to get married, he refused saying it is not worth it and he is still saved etc. I tried to warn him that if he is saved he belongs to Christ and that the Lord will chastise him etc. but he wouldn't listen.

Javier Freitos is now living in Iquitos and his wife is expecting a lttle one any day now. He went with Juan Ruis one week on his trip and Simon Guima another week. Pray for this fine young (Continued on page 4)

Newby Baptist Church Gives Special Offering Of \$1,075.00

(Continued from page 3)

offerings are given by some of the churches each year. The pastor (note, the pastor takes the lead) months or weeks ahead of time, takes the lead and makes the plans and the church gets the matter on their hearts and looks forward to and then gives. May the Lord lay it on the hearts of many pastors to lead their churches in having a special Thanksgiving offering for Baptist Faith Missions. Begin to plan now and lets have the largest offering in November in the history of Baptist Faith Missions.

Attendance Up In Peru

(Continued from page three) couple as I think in time Javier will be a good preacher. He is attending the classes I teach. Juan Castro is now preaching in the Port of Belem where all small boats come to market. Many people pass here and already he is having good crowds. He averaged 19 in S. S. Juan Castro also went with Juan Ruis one week. All the preachers like to go with Juan Ruis as he has the most to preach to. Simon Guima again has visited much on the rivers. He made trips to Shiwa on the Momon River and also another week visited up and down the river Momon. Simon went on up the Nanay River to a new place, but was not received too well. I am praying for the day when I will be able to travel with Simon all the time, but now I have so much here in Iquitos I get out only about one week a month. At Mapa Cocha the crowds are large and when it is thus, God in his time will bless. The average attendance was 14 at Mapa.

Astoria

Well at Astoria the Lord still blesses and the people are coming from the other side of the River Amazon in front of Astoria and also from farther down the Amazon. There are about 22 in S. S. and anywhere from 60 to 80 at nights. At Arenal there are about 35 every week. One week I went to Picuruyaco and Astoria, two made professions of faith that week and now last week Juan says another was made. I am to baptize them this coming Sunday the Lord willing. These are the first ones to make profession at Picuruyaco. It is wonderful how God puts desire in a man's heart and as that man prays and works he sees these prayers come to pass. We are also praying for other such places as Picuruyaco where there is not one believer and we believe that the Lord in His good time will save some there as he has in Astoria, Arenal and now Picuru-yaco. We are really concerned about the work in Mapa Cocha and my next trip I plan to go there. I hope it will be soon. The people at Astoria really sing, loud and also good. I sure like to visit there also. We have the boats and motors etc. all at Bella Vista as it is more convenient for us. A bus comes right to the dock of the Nanay and we have a man that watches all for us. I think that we will use this place all the time. It is handier for all and for all year around.

Our little new baby has had the measles and the flu this month along with cutting teeth. A bad month for her. All the family has had bad colds this month, but are always well at the time to write the Mission Letter, which is always better. We pray for you and your churches there and that unity will prevail among the brethren in order that souls may be saved and His churches edified till He comes. May God bless you all.

Yours In Him, Walter Lauerman
