CONTRACT LET TO BUILD LAUNCH . . .

Missionary John Hatcher and his "Iron Horse", the motorcycle he uses to get to and from in Manaus, Amazonas, Brazil. He is a busy man. He pastors the newly organized church at Chapada, prepares the courses and lessons and heads and teaches in the Baptist Bible School, and is now building the school building and having the launch built.

The largest student body of the Baptist Bible School to finish a term. This group has just finished the quarter ending December 2, 1960. On the left is teacher John Hatcher and on the right is teacher Harold Bratcher. The school building will be two stories high instead of one as originally planned and the foundation is strong enough for a third story later on.

Good Vacation Bible School . . . Revival Meeting In Progress with Three Professions.

December 21, 1960

Dear Bro. Overbey:

Another year is coming to a close. As we think back upon 1960 we can indeed praise the Lord for his many blessings we have received from His bountiful hand during the year. We will attempt in this letter to name some of these blessings we are enjoying now.

First, we want to thank all of you who had a part in sending the telegram from the Conference during Thanksgiving. Indeed we appreciated receiving this greeting.

On the 2nd of December we finished another quarter of our "Preacher's school." It was a good quarter's work on the part of the students. Also on the night of December 2nd I had the privilege of preaching the anniversary sermon at the Calvary Baptist church where Bro. Dias is pastor. They were celebrating their ninth anniversary.

The greatest blessing I've received this month was from our Vacation Bible School that I was principal of at Zion church. This was the first one for the church but everyone entered

Mission Sheets Begin 20th Year . . . Three Churches Organized in 1960 . . . Twenty Three Missionary Families

By H. H. Overbey

With this issue we begin our 20th year as editor of the MISSION SHEETS. The Lord has greatly blessed. 1960 was another good year in the mission work. Two new churches were organized in Peru and one in Brazil in 1960 and we now have 18 churches in Brazil and 4 in Peru for a total of 22. Two new missionary families, the Wallace Yorks and the Bobby Creighlows, were sent out to Brazil in

1960. The Del Mayfields are to go out to Peru early in 1961, the Lord willing.

We now have five missionary families from the U. S. to Brazil and two to Peru. We have eleven native missionary families in Brazil and five native missionary families in Peru, making a total of 23 missionary families in all. This is the most we have

Spring Missionary Bible Conference, Lexington, Ky., March 27-29, 1961, In The Interest Of Baptist Faith Missions

By H. H. Overbey

The Lord willing, there will be a SPRING MISSIONARY BIBLE CONFERENCE IN LEXINGTON, KENTUCKY, March 27 - 29, 1961. Five churches and pastors are cooperating in this conference as follows: Thompson Road Baptist Church, James Hamilton, Pastor; Bryan Station Baptist Church, J. R. Masterson, Pastor; Fellowship Baptist Church, W. D. Hundley, Pastor; Northside Baptist Church Sam Dennis, Pastor; and Pleasant Ridge Baptist Church, Earl Thomas, Pastor. The Conference will be held in the Thompson Road Baptist Church, 320 Thompson Road, Lexington, Ky. The five mentioned churches will cooperate in bringing the food to the conference and in opening their homes to keep the guests and each of the five churches will share equally in the ex-

penses of the conference. This Conference is in the interest of BAPTIST FAITH MISSIONS and these churches are planning on it being an annual affair, but it is not known as yet which church the conference will meet in

next year. We have been praying for a long time for a Spring Conference like the one we have at Thanksgiving time in Detroit, in the interest of BAPTIST FAITH MISSIONS, and the Lord has heard and answered. Make

and then we will be ready to concrete the floor then we will start building the forms for the superstructure. There is now in Manaus a tremendous amount of building and the materials are slow to get and the prices have sky rocketed. We put in the foundation plenty strong really stronger than was needed but I would rather have it a little too strong than a little too weak. One day if we want the third floor the foundation will hold it.

I bought three hundred sacks of cement and am sending you a telegram today to deposit two thousand for the building. Brother York has been working hard and is tremendous help with the building. It takes me almost full time to keep materials on the job.

Launch

The plans for the launch hull are finished and they are ready to start building. For this we are thankful and I have hopes that these people will do us a good job. They work with a lot of difficulties and for this many times they can not meet a dead line like places in the States where there is no lack of machinery, etc. The minimum wage has been doubled since the estimate for the launch and so it is certain that the launch will cost us more than the first price but as I told Brother York yesterday it will never get any cheaper so the best thing is to get it done as soon as possible whatever the cost.

I finally received the electric saw from Rio and I hope that it will save a lot in man hours in building the forms etc. for the building.

All are busy getting ready for Bible Schools. We are having one at Salem and Harold is having one at Zion.

I would sure like to get enough of the building finished to get it in use in the quarter that starts in May. I decided to not employ anyone except members of our churches and so I am working only about 5 men. The work goes slower but when I can not be there I don't have to worry about things.

We are more than glad to hear that the Mayfields will soon be going out.

into it with cooperation and zeal. The attendance ran from 94 to 131. 59 attended all five days, 104 received certificates of the school. It was necessary to attend at least three days to "graduate" from the school. We enrolled 123 and had 27 visitors which means that at least 150 different persons were present at least one day during our school. I believe that

Marcial Macahuachi and family. Marcial is our newest Peruvian Missionary. He lives at Hojeal and pastors the church there. He is a good preacher and a good worker.

the pupils of our school learned much about the Bible during the school. Only one thing happened that caused me to feel a little sad. We announced during the school that we would have a commencement program on Friday night. We asked our pupils to bring their parents with them to the program. Practically none of the parents came. Almost all of the children were present but not the parents. This made us conscious of the fact that many times the hearts of the adults are hard. Pray with us that we may be able to reach the parents also.

This week I am busy preparing for our revival at Zion church. I am to be the evangelist for the 8 day meeting which begins the 25th and closes the first day of the New Year.

We take this opportunity to wish all who read these lines a most blessed New Year in the service of our glorified Saviour.

Yours In His Service,

Harold Bratcher

P. S. December 27th. We have had three services in the revival so far with a high of 70 in attendance and three professions of faith thus far. We are visiting each afternoon and I feel the revival fires are burning among us. Today is our sixth wedding anniversary.

The first service will be Monday night March 27th with two messages, then six messages on Tuesday and six on Wednesday. We will make further announcements in the paper next month and will run the pictures and names of the speakers in the March issue of the MISSION SHEETS. All these things the Lord willing.

The Baptist Bible School (Preacher's School) Building Manaus, Brazil is now under construction and the contract to build the launch has been let. The work is hard, tedious and slow. But the rewards are great. We need more regular offerings, and more native preachers as pastors. Pray and give.

Visits Churches In Kentucky

By Walter Lauerma

December 29, 1960

Dear Brethren:

What God does is done and done perfectly. Aren't we thankful for this truth. This is why we rejoice daily, God working out His good and perfect plan and blessing His redeemed in doing it. We are praying that the Mayfield's will be able to leave soon for Peru, and if it weren't for a few personal problems we would like to leave with them.

I have visited the following churches during December: South Irving Baptist Church, Arnold Leach, Pastor, and I also preached on his radio program; Thomas Baptist Church, Irving Kentucky, Robert Goudy, Pastor; Providence Baptist in West Irving, Kentucky, James Sparks, Pastor; Newby Baptist, Richmond, Kentucky, Jim Orrick, Pastor; (where Bro. Bratcher pastored) Grace Baptist, Beattyville, Kentucky, Bill Brown, Pastor; Bros. Guody, Sparks and Brown are all students at Lexington Baptist College. I also visited Bryan Station, Lexington, Kentucky with Jim Materson, Pastor (Bro. Masterson is a director of BFM); Fellowship Baptist, Lexington, Bro. Hundley, Pastor; Ashland Avenue Baptist, Lexington, Clarence Walker, Pastor. I also spoke at the Lexington Baptist College chapel period four times. Bro. Walker is also president of this College. Also I spoke at Pleasant Ridge, Lexington with Earl Thomas, Pastor and Northside Baptist, Sam Dennis, Pastor. Bros. Leach, Orrick, Thomas and Dennis are former students of Lexington Baptist College. While in the Lexington area I had the privilege of meeting the mother and sisters of Bro. Bruce Lunsford, missionary now in Peru where we were. I also met the mother and father and some sisters and brothers of Bro. Wallace York, our missionary in Manaus, Brazil. I also met Bro. York's mother-in-law and father-in-law in Detroit at an earlier date and also again to see and fellowship with Bro. John Hatcher's parents at another earlier date also.

A Trip To Pucallpa . . . Meets Man Saved In The Acre . . . Thrilling Experience

By Bruce Lunsford

Pucallpa, Peru
January 2, 1961

Dear Brother Overbey:

I did not get a letter written before leaving Iquitos for the MISSION

SHEETS because the boat left before I had time. All the planes were booked ahead for weeks. Brother Alfonso Varsallo came with me and we arrived after seven days travel by boat up the Amazon.

Pucallpa and Jose Hermogenes

Pucallpa has about 15,000 people or more and the only work here is the Alliance group, Adventists, Pentecostals and Jehovah Witnesses. I began immediately to ask if anyone knew a young man who had made trips to Brazil from here and an English Missionary told me the name of the man. When we found him he was the man I was looking for. In 1952 this young man was making one of his several trips from Peru into the Acre Territory and was paddling down the Jurua river with Brother Cicero Bispo (Pastor at Amonha and Campo de Santana who died March 21, 1958) from Amonha to Cruzeiro do Sul. The young man was saved and Brother Bispo baptized him. Brother Bispo told me about him when we made the trip to Amonha in January 1958. This young man is Jose Hermogenes La Torre Saldana and is 37 years old and single.

Remains True

Most of his family have gone into the Pentecostals but he has maintained all along he was a member of a Baptist Church in Brazil. His mother and sisters "getting the baptism of the Holy Spirit" (socalled) disturbed him, but he stayed free from them, not knowing much about the Baptists, except what he read in a copy of THE TRAIL OF BLOOD in Spanish, which was given to him by Brother Alfonso some years ago. At that time Brother Alfonso didn't know what it meant to be a Baptist. Juan Castro has given the book to Alfonso and he had scanned it and then gave it to this young man here. This young man was baptized June 5, 1952 by Brother Cicero Bispo at Campo de Santana.

Trail of Blood and Many Interested

We also met another man and wife who have read and possess the TRAIL OF BLOOD and since reading it they are not satisfied with any group that is organized here. We are to visit them again today. The woman is a cured leper. Brother Alfonso has been telling the people that he baptized here years ago that they did not have any baptism. He has been explaining that at that time he was not Scripturally baptized himself and couldn't possibly have Scripturally baptized them. There are many who seem to be interested. Tonight we are to have a service in a home and we hope to have a service every night somewhere while we are here. I will have to be back in Iquitos before Jan. 15th.

Seven Days From Amonha

The young man said that in seven days we could be in Amonha on the Jurua river in the Acre Territory of Brazil. I want to make a trip with him

Plans Trip To Cruzeiro Do Sul . . . Prayer Requests . . . Girl Saved.

By Wallace York

December 22, 1960

Dear Brethren:

Would to God I had the ability by means of this letter to cross the miles of land and sea to speak very sincerely to your hearts concerning our work here in the vast expanse of Brazil. Oh, that your hearts could be burdened heavily for these people which exist on such poor diets and live in such filth and pollution. And to think, if their material food is so inadequate, how much more so is the spiritual diet which they are being fed!

Roman Catholics have been here for several centuries, therefore their teachings are rooted deep in the minds of the people as a result of their brainwashing. For instance, a couple of weeks ago, the neighbor children that Karen and Cynthia play with told them they would not go to Heaven when they die because they are not Roman Catholics. Of course, Karen and Cynthia know better as their faith is in the Lord Jesus, but these little children do not. They even said Jesus and John the Baptist, of all people, were Catholics. Then they have told a little Catholic girl that was going to church with us not to go because our church was bad because it was not Catholic. They are taught these things and never once question whether or not they are the truth.

Then there are other false religions represented here, as you have been told before which, are leading people out of one darkness into another. Error and heresy are the same no matter what category you might put them under. These folks need to come to the saving knowledge of the Lord Jesus just the same as anyone else which is lost or else they shall perish in the torments of Hell forever which is far from a pleasant thought.

Also here are some very sincere people who are doing inter-denominational work. They know nothing of the teachings of the Scriptures concerning the local church, its work, nor authority. Someone has well said that a man who stands for nothing will fall for anything and these inter-denominational folk are sure doing the falling. The worst thing about that is dragging others down with them and denying those they lead to the Lord the privilege of knowing and appreciating the great doctrines of the Word. They need spiritual guidance!

Prayer Request

But what can you do about this? You and your churches are supporting us wonderfully well and when we heard the news of the Conference, the great preaching and marvelous offering, we said with Brother Overbey, "Praise God from whom all blessings flow!" We were greatly encouraged by the news and therefore felt free to write and ask of you a very special

favor. Will YOU support us with your prayers? How it would thrill our hearts to know there were many folks at home praying for us as Moses did for Joshua, lifting up holy hands unto God for the missionaries in the valley. Devote some Wednesday night prayer meeting to just praying for us and for a great spiritual awakening in this land of darkness, that many souls shall come to Jesus and thereby magnify His marvelous grace. Or open your house to your Christian friends for a special prayer meeting for your missionaries. God will honour our prayers and with a great spiritual awakening give the world a Christian Country of which she can no longer boast with the United States turning Roman Catholic.

One verse of a hymn in our Portuguese hymn books states very beautifully the thought I would convey to your heart and ask that you make it a burden of prayer, whether it be public or private praying. A literal (and liberal) translation of it reads:

"My Fatherland for Christ!
Here is my petition:
My Fatherland so beloved,
I give my heart to you.
Delightful country, beautiful
country,
My love is for you;
That my God of excellent grace
Will dispense His favor to you."
Chorus

"God save my Fatherland,
My Masterful Fatherland!
God save my land,
This land of Brazil!"

God has given great awakenings in the past and since He is the "same, yesterday, to-day, and forever," we can expect Him to bless us with great power for the salvation of lost souls and glorify the precious name of Jesus.

Will you have a prayer meeting in your home for us? At your church some night each week? Remember us often in your prayers and may God bless you for your every remembrance.

Your brother in Christ,
Wallace York

F. S. Brethren, the Lord willing, as you read this article I will be in Cruzeiro do Sul for a two week visit to preach the unsearchable riches of Christ. Pray for this trip as my plane reservations are to leave January the 8th and return January 23rd. The little eleven year old girl that was told not to go to church with us because our church was bad, went last night anyway. At the close of the service Brother Hatcher asked if anyone wanted to make a public profession of faith in the Lord Jesus as their Saviour. Eliete lifted her hand and when questioned said she accepted the Lord Jesus as Saviour. Brethren this

Unite With Salem Church . . . Revival and Vacation Bible School . . . Five Professions . . Four Baptized

By Bob Creiglow

Manaus, Amazonas
December 20, 1960

Dear Brethren:

Once again we greet you in the name of the Lord Jesus Christ.

This has been a month filled with blessings from the Lord and we would like to share part of them with you.

Join Salem Church

After spending over two months visiting the different churches of Manaus we felt that the Lord would have us to be members of the Salem Baptist Church. Although this church is more difficult to get to than most of the others we felt that this one could use what help we could give. We also thought that this church is the one we needed also. Every member of a Baptist Church should love their pastor in Christ and the other members as well. We have had no trouble doing this because they are people that you just have to love, and they have in turn shown their love for us. Our pastor is Manuel Sarmento, a man that has a great zeal for Christ. We were privileged after being members just one week to observe the Lord's supper. As we broke the bread we were reminded once again of the body of Christ that was broken for our sins and as we drank the wine we were reminded of His blood that was shed to save us. There were some present that were not members, therefore by

us partaking we could "show" forth His death to them. All this made us just that much more thankful for our salvation that God has given us through faith in the death of His only begotten Son the Lord Jesus Christ.

Five Baptized

Brother Bratcher and Brother York and myself went one Sunday afternoon to a baptismal service of the Beautiful Garden Baptist Church. After Bro. Argemero preached a message on baptism, he baptized a man and a woman. This is two more Baptists in the Amazon Valley.

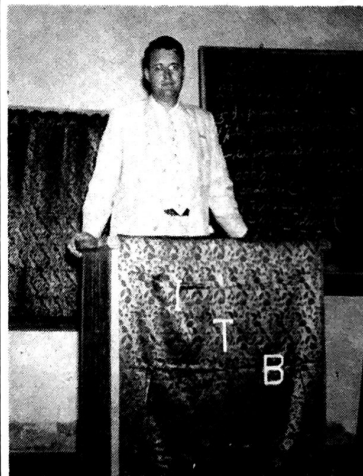

On December 11th our church was to baptize three persons, but due to sickness there were only two of them, "Mrs. Raimunda Saura Silva and a young girl named Maria de Nazare Andrade." It not only brings us joy to see sinners trust in Christ as their Savior, but also to see them follow Him in baptism.

Our church also had a week revival and vacation bible school with Bro. Hatcher conducting the services. This was a great success with five souls saved.

We are still enjoying good health and still having a difficult time with the language, but the Lord is blessing. Pray for us.

Yours in Christ,
B. D. Creiglow

can be repeated many times if we will pray for the empowering of the Holy Spirit. I have been preaching during the month and also will be preaching Sunday night for Brother Sarmento at Salem.

Your Last Will And Testament

Now, at the beginning of 1961, is a good time to make out your will and remember Baptist Faith Missions in it. Money and property left to Baptist Faith Missions will be used 100% for Mission work. If interested write us.

before long and visit all the churches in the Acre. We would take a motor all the way from here with us. It is a seven hour walk by land between the streams and the Amonha river (that runs into the Jurua). There are fourteen communities on that river before you get to the Jurua river. Pray for me in this prospect for a new field here and the possibility of a work between Peru and the Acre in Brazil.

Yours sincerely,
Bruce Lunsford

Help Needed To Build Preacher's School Building

By H. H. Overbey

On page four, column three, is a complete financial report, through the month of December 1960, showing who has given and how much to build the Church and Preacher's School in Manaus, Brazil. The Church building has been completed and paid for in full for two and a half years. John Hatcher is now in the process of building the Preacher's School Building. We have sent him \$4000.00 toward the start of this building and as of the beginning of 1961 we have cash on hand towards finishing this building in amount of \$11,022.53. This is to be a two story building, instead of one, to take care of future needs. If we have the money on hand Brother Hatcher can go ahead and finish this building in a few months and save a lot of time and work. If we do not have the money, then he will have to stop the construction and wait till the offerings come in. We have been raising the funds to build this building for over five years. If you want to help, now is the time. No offerings are too small. Send your offerings marked "For Bldg. Fund". Please do it now or as soon as possible. Pray and give. Make all checks payable to Baptist Faith Missions and send all offering to:

A Home For Missionaries

We are hoping and praying that someone will give Baptist Faith Missions a home for the missionaries to live in while home on furlough. If you have a building or any property that is not suitable, it can be sold and a suitable house bought. If interested write us.
