Shortage of Gasoline . . . Rebuilding Outboard Motor . . . Trip To Amonha Planned. By Bruce Lunsford

Cruzeiro do Sul November 11, 1961

Dear Bro. Overbey:

We are all well, and hope for the best of everything for all of you there. Everyone here is rushed to keep things going normal, but that is the way it is anywhere, Bro, Creiglow has been working long hours getting the boat ready to travel. I guess he will be telling you about those things, so I will not double up on the information. I have helped him some, and I know he has been on the job. Everything is beginning to look real nice.

We have a gasoline shortage, and as a result will not be able to make a long trip until some more arrives by boat. I am overhauling the large Arch-emedes motor, and I hope it will do a good job of running.

I hope that the conference is the best ever. Give our regards to everyone. Earlier I sent a letter of greetings to the conference, because I wanted it to be sure and be there on ings time. I am hoping to be on a trip, probably to Amonha, just as soon as there is gasoline here. I wrote to Bro. Bratcher about buy-

ing 50 cans of gasoline and sending to us. It would save the mission a big amount, and we would always have it on hand.

There have been two professions of faith here in the Cr. do Sul church. Four have been reported by Edson, the preacher student who was at Mira aua in Manaus. He also baptized one at Mourapiranga. Also there was one profession of faith in a home this week. I have the promise that she will attend our services this Sunday. We hope that Mrs. Overbey is con-

tinually improving, we remember her regularly in our prayers. Yours sincerely,

R. B. Lunsford

A GOOD JOURNEY DOWN THE AMAZON . . NEW CHURCHES IN PROSPECT . . . LORD IS BLESSING.

(Continued from Page 1) on the trip which I'm going to try

on the trip which I'm going to try and relate to you now. Visits Churches and Mission Points Bro. Walter Lauerman and I just returned today from a trip in which we visited our other churches and mission points. I want to say first before I forget to that Bro. Walter and I had a good time together and had good fellowship with our brethren on the river. I'm sure we'll never be received any better than we were by the brethren and the people. They were all just wonderful to us. We left Iquitos Thursday November 16th and arrived at Orellana in time to invite some to the service that night. Thursday night the crowd was very small but I'm sure it was because many didn't know about the service. Friday night we had service in a larger house and the crowd was much larger. At each of the services I had the privilege of singing a message in song and then bringing a message, and Bro. Walter would bring a message also. There were two families that wanted to be baptized but they have to get legally married first. Also Bro. Javier Freitas reported two others that were saved the Sunday before whow ill be baptized our next trip there the Lord willing. We are hoping that in the near future that we can have another church here at this place. Bro. Antonio Torres came from San Antonio to be

with us in the meeting Friday Night. The reason for mentioning this is the fact that it took him 4 hours to paddle his canoe from his home to the service. I was made to rejoice after the service to hear him say that he un-derstood me very well and that he enjoyed my message. Orellana — San Pedro — San Antonio

We left Orellana Saturday morning taking Bro. Antonio Torres with us. We pulled his canoe behind the aluminum boat. We arrived at San Pedro and had services there Satur-day night. This was the largest crowd. boats to the service Many came in from other villages near by. Bro. Antonio Torres is the Pastor at San Antonio and preaches here every Monday night. It takes him 7 hours to paddle from San Antonio to this place every Monday and then he goes back home Tuesday which means another 7 hours or more. We left early Sunday morning for San Antonio and arrived in time for Sunday School. Sunday morning for San Antonio and Lauerman preached morning and I preached Sunday night. The Lord blessed and we had three that made profession of faith. And there are three or four more to be baptized. This is a good church with a good pastor and we sure enjoyed our visit with him and his church. They have the material for a new church building and are going to start this coming week.

New Churches In Prospect

We are looking forward to another visit soon and we hope then to organize a church at Orellana and also San Pedro the Lord willing. There is a young man that takes care of the services at San Pedro when Bro. Antonio is not there and also there is a man that says the Lord has called him to preach at San Antonio who teaches the Adult class. We will long remember this trip and the blessing that we had at the different places. Pray that the Lord will continue to bless the work here and make us faithful to the work He has called us to do.

We are planning on going to Tamishajce this next week end. And we hope that some day the Lord will give us a man that will work and that we can have a church here also. This is a large town and we believe that some day the Lord will.

May the Lord bless you all. Yours by His Grace,

Del Mayfield

Thanksgiving Conference In Detroit Now History

By H. H. Overbey

The Seventh Annual Detroit Con-rence was a good one. Pastor Eugene lark and Grace Baptist Church are thankful. The largest crowd was ference was a good one. Pastor Eugene Clark and Grace Baptist Church could not be surpassed as hosts. It is hard to estimate the attendance in comparison with former years be-cause it was held in a different building, but it is believed that more people were in attendance than ever before. There was a total of sixty one Baptist preachers in attendance. The facilities were the best ever. The Annex building for eating in, is only a few feet from the rear door of the church which was excellent in bad weather as we did not have to walk several blocks to a rented hall. The women of Canfield Avenue Bap-tict Church furnished the supnor on tist Church furnished the supper on Monday and all meals on Tuesday and the women of Grace Baptist Church furnished all meals on Wednesday and Thanksgiving dinner on Thursday, troit next year. at the latest.

Manaus, Amazonas November 9, 1961 rbey: your telegram say-Dear Brother Overbey:

Received today your telegram say-ing that you had deposited the two thousand dollars for the lots. I have bought two lots. The one above the tabernacle church which has 10¹/₂ meters width with a small usable house on it and the other lot on the lower side with two lots in between. This lot has 51 meters width and 65 meters length, which is just about two times the size of the Tabernacle lot. The big lot cost us about \$1,500.00 and

all the papers are in order and we can buy it from the State as soon as the papers are all in the name of the Mission. This lot will cost us about \$900.00.

The lawyer is taking care of every-thing so all will be in order.

The property on the street of the church is increasing in value. A new brick home just built next to the church on the lower side.

Suppose that everyone is busy at this time getting ready for the Con-ference. We are not getting ready for a conference but we are sure busy. I have been teaching every night this week at the new church and we have had good services. The first night I spoke on the church, the second night on Repentance, last night on the or-dinance of Baptism and tonight I will be speaking on The Lord's Supper and tomorrow night the Holy Spirit. Today the last of the doors are be-

ing hung on the first floor of the school and the painter is putting in

New Directors For **Baptist Faith Missions**

At the Annual meeting of the Directors of Baptist Faith Missions, Monday morning, November 20, 1961, Brethren J. M. Holliday, pastor of Riverside Baptist Church, Richwood, W. Va.; James Hamilton, pastor of Thompson Road Baptist Church, Lex-ington, Ky.; and Dempsey Henderson, pastor of Julien Baptist Church, Gracey, Ky.; were elected as new di-rectors. At the same meeting Louis Manle was cheated Vice Brace Betward Maple was elected Vice Pres.; Edward Overbey was elected Asst. Sec.; and Sidney Fisher was elected Asst. Treas. For the names of all the 12 directors of Baptist Faith Missions see the list at top of page one of this paper.

Thanksgiving morning when some sat in the balcony of the church and the people had to be fed in two shifts as

the large Annex building would not

hold all at one time. The congrega-tional singing and special numbers

tonal singing and special numbers were excellent and the preaching was powerful. The special Thanksgiving offerings for Baptist Faith Missions were the best ever as you will note elsewhere in this issue. Brother Clar-ence Walker who has been an annual machine and able to come and

speaker was not able to come and preach and he was greatly missed. We are now looking forward to the Spring

Missionary Conference at Thompson Road Baptist Church, Lexington, Ky. April 2, 3 and 4, 1962, and then to the Eighth Annual Conference in De-

troit next year. Plan now to attend

Give our regards to all the Brethren at the Conference. We have three books translated and prepared now on the mimeograph and then stapled together. Notes on Gen-esis by Boyce Taylor - Introduction to the Old Testament and Introduction to the New Testament. Hope that the next time we will be able to print them as regular books. The pages are has a clear deed, that is completely legalized. The lot above the church belongs to the State but is clear and all mimeographed and the covers were done on the printing press. In Him,

ANOTHER CHURCH ORGANIZED IN IQUITOS, PERU.

(Continued from Page 1) Prospects Of Another Church

Simon and Abram Guima and I went to Sargento Lores, 4 hours by speed boat from Iquitos up the Monon river, for several days this month. We also stopped at a place called Capironl 1 hour by boat down river from Sargento Lores. Simon preaches in this place also. In Sargento Lores there is an abandoned church. They still have services there although the pastor and all the rest have left them. This place could be a good prospect for a Baptist church soon. They have built their own church building out of their own funds and their own labor. I plan to go back about December 1 the Lord willing.

Church Organized In Iquitos

Simon also has visited Mapa Cocha. Shoua, Sargento Lores another time this month.

Purification Taricuarima reports good services in the church in Astoria. He says that every service is with a better attendance. Pray for them (the Taricuarimas) as they go back and forth to this place to serve the Lord. They plan to move to their field as soon as the children get out of school. The First Baptist Church of Iquitos met with 9 members that have been working as mission of the church, for the purpose of organizing these people in to a church on Novem-ber 13, 1961. This is only a 5 month old work and perhaps was organized a little too soon, but they desired to be a church even after I talked to them and told them about the seriousness of it all etc. But we do pray that God will bless them, strengthen them and use them for his glory. I have prayed to God for another church here in Iquitos and now we have one that will work with us I am sure for his glory. We will do all we can to help it to be a real God fearing, God lov-ing, obedient church of the Lord. Another need for all your prayers back there.

Journey Planned Bro. Mayfield and I plan to leave tomorrow for Orellano, San Antonio and San Padro. These places are be-low Iquitos in the Amazon and Napo rivers and of course we have a church in San Antonio. When I return from this trip I have a house of a member (Continued on Page 3)

I had only one night of study this month due to the organizing of the new church, but next month I plan to add another day to the 3 day plan I have, that is 2 nights Bible study for the preachers every month when they come to Iquitos. My daughter Karen after 6 months of taking lessons plays several hymns real well and learns more every day. She will be a blessing here for us in our house services with the accordian to play for us. We pray that the Detroit missionary conference will be the best yet. We are awaiting a visit from the Hatchers whom we have not seen for over 3 years again. Our family one by one has had something this month, I guess it all can be counted as the flu.

The Diary Of A Missionary In Brazil. By Harold Bratcher

Manaus, Amazonas November 22, 1961

Dear Bro. Overbey:

I want to call my letter for this month: "The Diary of A Missionary In Brazil" and write it in the form so that the readers of the Mission Sheets might know something of our act-ivities etc. during this month or since I last wrote our Mission Sheet Letter. Thursday - October 19th. Asa Mark didn't go to school today because of a cold. Tonight we all went to Prayer Meeting at Zion. We doctored both of the boys for colds before we put them to bed.

Sunday - October 22 - I went to Sunday school at Zion alone. Marie stayed home with the boys who are still sick/ with colds. Tonight I went back alone and supplied at the evening service for the pastor who supplied for an-other church. At the invitation a backslider returned.

Monday - October 23 - We are being bothered during the days by flies.

Tuesday - October 24 - My wife enter-Tuesday - October 24 - My write enter-tained the weekly meeting of the Women's Missionary Society of Zion church. (She was recently elected president of the Society). Mrs. Hatch-er was the guest speaker. My write said that they had some 19 present in all including the children.

Thursday - October 26 - Asa Mark is Thursday - October 26 - Asa Mark is over his cold but Stephen still has his. The Doctor gave him a prescription for shots and cough syrup. Friday - October 27 - Up at 4:15. At school from 7 to 10:10. This afternoon I visited on the church field with Bro.

Sostenes. Stephen still coughing.

Monday - October 30 - The Doctor verified the fact that Stephen has the Whooping cough instead of a bad cold.

Tuesday - October 31 - At school from 7 to 11:15. Two of our chickens died today. (I had recently bought 6 chickens - 5 hens and a rooster. The final outcome was that 4 hens died, the other took sick and I paid two little boys to take her away. We did get to eat the rooster. I guess the tropics is an unhealthy place even for the chickens.)

Thursday - November 2 - No classes today in our preachers school. Today is a holiday, the "Day of the Dead." Practically everyone in Manaus goes to the cemetery to place lighted candles on the graves of their loved ones to help them get out of purgatory. Others light candles to burn where there are no graves, I guess to give (Continued on Page 4)

Finishing Houseboat To Live On . . . Reports on Five Churches in the Acre.

By Bob Creiglow

Dear Brethren:

It seems that the month has passed and there is so little to report as to what has been done here, but will try to share with you some of the blessings that have been our pleasure to enjoy since we have arrived. Due to the boat that we came on

taking so long to get here they had sold about all the gasoline they had brought before arriving in Cruzeiro do Sul. The merchants that did receive some are holding on to it to get a higher price out of it. They seem to think that we are made of money and that we just cannot get along without it. One merchant told a man in the presence of Bro. Lunsford that he did not have any gasoline and then turing to Bro. Lunsford said that he would talk to him later about some, but when we went to talk to him he said that he could arrange us three cans (five gallons per can) and that the price would be seven dollars a can. Knowing that he was just trying to take advantage of us we told him that we did not want it. There is another boat due in within the next two weeks boar due in which he here here we were were beginning to sell it. We were told yesterday of a place that has it for around three dollars a can so we are in hopes that we will be able to buy some so that we can start traveling soon.

Two Professions

The boat that we came on left a barge up the river because of the low water and returned to bring the freight from it. Upon returning here some of the crew members attended the services here when Bro. Rodrigues the services here when Bro. Rodrigues was preaching a good gospel message. At the close of the service two of them made professions of faith. Al-

Cruzeiro do Sul though we were not preaching we be-November 15, 1961 lieve it was through our influence on the long trip that caused them to at-tend. This was a case of one sowing, another reaping and God to whom be the glory giving the increase. It is just the nature of man to always want to do the reaping, but many times we must be content with sowing. We also know that there can be no harvest where there has been no sowing, therefore we should be just as happy to sow as to reap and rejoice when God gives the increase. Barao Church

When I was here in May I had the privilege of meeting Bro. Cido and was happy to talk to him again this month. He reports that the Lord is saving souls in Barao where he is pastor and that some of the backsliden have been restored into fellowship of the church once again. This also proves that God does not depend on missionaries from North America to carry on his work, but will use the natives as well. I have been told that this is a Baptist community and that the priests can not find a place there to have their masses. This has been done in the absence of our missionaries for at least in the past three years. I hope to visit this work in the near future.

Japiim Church

I met Bro. Mario for the first time this month and he reports that things are going well in Japiim also. We may make a trip there this weekend to EVANSVILLE 3, INDIANA.

Four Months Then Cometh The Spring Missionary Bible Conference, Lexington, Ky.

visit the work and the brethren there. The water is much higher now so that we can travel as soon as we are able to buy gasoline.

Mouripirango Church

Bro. Edson has been walking and visiting the work where he can. He reports that there have been four souls saved and that he baptized one into the fellowship of the church at Mouripirango.

Barro Do Jardim Church

Bro. Sabastain the pastor of the hurch at Barro do Jardim who also built the houseboat was here for two weeks to finish a few things on the boat, but returned home as they are expecting their sixth child. He will return after this to help finish the boat if there is anything left to do, after which he will travel with me for a month until I learn my way around.

We have some faithful workers in the work here and are praying that the Lord will give us more so that we will have enough to take care of the other work where there are no pastors.

Faith Church

I have preached four or five times for Bro. Rodrigues here in Curzeiro do Sul and once in Moripirango. I am looking forward to a great time in His service here in the Terr. of the Acre. Pray for us and may the Lord Bless all of you for His Glory.

Yours In His Service. B. D. Creiglow

MISSION SHEET

THE DIARY OF A MISSIONARY IN BRAZIL.

(Continued from Page 3) light and help all the spirits in pur-gatory. Several of the members from Zion and also most of our students in our Preachers school were there also. our Preachers school were there also. We were there not to burn candles or pray for the dead but to give out tracts, etc. and preach to and pray for the living. We conducted services at the grave of E. A. Nelson, pioneer Baptist Missionary to Brazil. His grave is marked by an open Bible. There were no candles burning on his grave. While I was in the cemetery I visited and took pictures of another visited and took pictures of another grave. The story is, I understand, that a young catholic girl died a few years ago. Eight days after she was buried it was discovered, so the story goes, that her body was not decaying goes, that her body was not decaying but had been perserved in a perfect state. She is now considered as a "saint" with miraculous powers to heal, etc. On her grave were wooden heads, feet, hands, bottles and other objects besides the burning candles. When one is "healed" by her they make and place these wooden objects to represent the part that has been healed. I suppose the heads that some-one has been healed of a headache. The drunkard. One missionary told me that he had seen people prostrate on the faces around this grave.

faces around this grave. Friday - November 3 — At school from 7:90 - 9:40. This afternoon I visited with Bro. Sosthnes on the church field. Tonight I preached at a mission of the 14th of December church. There were about thirty people present. At the close of the service three people professed faith in Christ as saviour. Praise the Lord! Monday - November 6 — I spent the morning studying. Just as we were ready to sit down at the dinner table. ready to sit down at the dinner table, one of our preachers, John Dias came with the sad news that his thirteen months old baby had just died. He came to borrow money for the funeral expenses. (The Mission later gave him the money that he borrowed). That afternoon I went to his home and That afternoon I went to his home and preached a short message and then walked with them to the cemetery. Saturday - November 11 — I went to Asa Mark's graduation exercises. He graduated today from the kindergar-ten of the "Ida Nelson Escola Batista" (Ida Nelson Partiet scheel)

(Ida Nelson Baptist school). **Tuesday - November 21** — Tonight I concluded my part in a week revival at the 14th of December church. I preached Sunday, Monday and tonight. Other brethren of our school are to preach through Friday night and Bro. Hatcher will conclude the meeting Sunday night.

Wednesday - November 22 — I taught my two classes in the Preacher's school this morning. This afternoon I am writing this letter. I want to conclude my letter with these re-quests for prayer. Our school quarter will end the last of this month and will not begin again until the first of February. Pray for our students, many of whom will be traveling into the interior to preach. We are plan-ing our annual Vacation Bible school at Zion the first week in December. Wednesday - November 22 - I taught at Zion the first week in December. On the ninth I am planning to take the family and go with Julian Dantes to Maues, an interior town, to work with him in a Vacation Bible school and revival. We plan to return on December 27th. Pray for us while we are there. Also pray especially for Bro. Dantes. At the present his wife is in Rio de Janerio with their little boy who was crippled about 18 months ago with Polio. He is being operated on and is to receive treatment in hope that he'll be able to walk again. 15
