STUDENTS AND TEACHERS of the Primary School at the Preacher's School Building in Manaus, Amazonas, Brazil. These Children get an education without having Roman Catholic Catechism forced upon them. They have the Bible taught to them daily. The teachers are Baptist and the school is church authorized. The Preacher's School uses the building in the morning. The Primary School uses it in the afternoon. The Lord willing we hope soon to have a Baptist High School using the building at night. We pray that the Lord will lead some to send a special offering marked "For Building" so the Preacher's School building can be finished completely, and so we can build suitable living quarters for the married preacher students. We also pray the Lord will lead some to give regularly each month for the support of the teachers. So far, two churches; Canfield Avenue of Detroit and First Baptist of Alexandria, Kentucky are sending money for teacher support. Many churches could send ten dollars a month or more. Some Sunday School classes could do the same through their churches. Send offerings marked "For Teachers". Send all offerings to: Z. E. Clark, Box 551, Evansville 3, Indiana

THE BODY IS TIRED OUT..SCHOOL QUARTER ENDS..PRIMARY ENROLLMENT INCREASES..CHURCHES SUPPORT MISSIONARY.

By John Hatcher

Dear Brethren,
Manaus, Amazonas
April 21, 1962

As these lines are begun the old body says it is too tired for the job, however, there seems to be a thin line between tiredness and only laziness. There is a verse in the twenty-fifth chapter of Matthew that says, "After a long time the Lord of those servants cometh, and reckoneth with them." He is coming. He is going to reckon with us when He does. The day of His arrival will be the saddest one for some and the happiest for others. The new heart that God gave me longs for that return to be a happy one. There will be a lot of regrets when he gets here. Regrets that we let trifles keep us from the job. Regrets that we let personal differences rob us from sincere fellowship and the joy of reaching more with the message of His Grace. Regrets that we harbored in our hearts pettish thoughts robbing the Holy Spirit of His rightful place that Jesus might be magnified in our lives. Regrets that many times our standards were the styles and modes of the world — the same one that despised and crucified the Son of Glory. Regrets that the "passing" occupied more of our lives than the "permanent". Our sorrow in that day and our regrets will be of no avail. "If I could recall the words, the things, the moments..." will not help nor will the tears of remorse, like those of Esau, be able to re-

capture lost opportunities. My brethren, the words, "Sinner, TODAY you need salvation, believe on the Lord Jesus and you will be saved", are urgently preferred and yet is it not equally true that He urgently advises, "work while it is day, for the night cometh when no man can work." Not tomorrow — TODAY.

School Quarter Ends

Our present school quarter will end on the 30th of April, and we will have one month free before the next begins. This is the Preacher's School. The Lord willing, a trip is planned to the States of Maranhao and Pernambuco during this month. This will be a trip of about 4 or 5 thousand miles. Pray for us. The preachers school will have its first graduation the last of this year with about five or six in the first graduating class.

Primary Schools Increasing

Our enrollment has increased in our primary schools from 64 to the number of 83.

THREE DAYS BIBLE CONFERENCE..NEED MONEY TO FINISH BUILDING

By John Hatcher

Dear Brother Overbey;
Manaus, Amazonas
April 2, 1962

We finished a three day Bible Conference in the interest of the Preacher's School and we had I believe a pretty good Conference.

Need Offerings to Finish Building

BUILDING: We do not have enough to finish it but it will be in pretty good shape. The chairs that we buy for the school sell for 1,250 cruzeiros each. This last month they reduced the price to 950 cruzeiros and I could not pass up the opportunity and bought 200 at a total of 190,000 cruzeiros. This was a savings of 60,000 cruzeiros or almost \$200.00. The plaster work of the upstairs should be finished next week or in two weeks. The steel windows will cost about 300,000 cruzeiros which is about \$1,000.00 (without glass, putty, paint and labor for putting in the glass). The stairway will cost about 100,000 cruzeiros or about \$300.00. Installation of lights, complete, will be about 175,000 cruzeiros or about 5 or 6 hundred dollars. The tile flooring

for the whole building will cost about \$1,500.00, not counting the labor of laying it in. The white tile for the two bath rooms will cost about 80,000 cruzeiros or about \$275.00 plus the labor of putting it on. I have 150 sacks of cement bought and paid for. I believe that with the money we have we can set the windows with glass, finish the bathrooms make complete installation of the lights. This will leave the breezeway and the stucco of the outside and the stairway of the back side of the building. The tile floor can wait, the floors are rough, but this does not matter a whole lot. It will be wonderful if the Lord lays it on hearts of some to give so we can finish it. I am so tired and there are so many things to be done. May God bless you and yours.

In Him,
John A. Hatcher

P.S. The lot and house is now ours. All taxes for 1962 are paid. In our primary schools we have 20 at Chapada and 46 in the School Building making a total of 64.

HUNDREDS HEAR THE WORD...SIXTEEN PROFESSIONS OF FAITH... SEVEN BAPTIZED.

By Bob Creiglow

Dear Brethren,
Cruzeiro do Sul
March 15, 1962
Tapiri And Guajara

Since writing last, the Lord has been blessing of which at this time, I would like to pass on to each one of you. We arrived back in Cruzeiro do Sul, Thursday February 22nd, and was glad to hear that the Lunsfords had been well blessed by the Lord also, and that He had used them to the salvation of souls. Brother Lunsford told me that they were leaving the next day to go back down river a lake called Tapiri and also Guajara and that he would like for us to go with them if we were not too tired at which time I told him that we would try to get things ready to leave with them. The next afternoon we arrived in the lake late, but we were well received and as usual, Brother Lunsford insisted that I do the preaching. I don't know why he always does unless it is because he knows that I need the practice. Although there were no professions of faith, we closed the service believing that it would not be long until The Lord would save souls in this place. The next morning, being Saturday, we had another service with Brother Lunsford doing the preaching with interest very good, but still no professions of faith. In the afternoon we left them with the promise that one of us would return the next Friday. We arrived early in Guajara. This Village sits high on the bank of the river and therefore every one knew that we were coming before we got there.

96 People Hear the Word. One Profession

That night I preached to 96 people that I could count and we do not know how many were outside that we could not see. Of all these people, there were only about 15 that were saved. After services, a man told us that his son had a fever and wanted to know if we had anything that would help him. He went with us to the boats and while Brother Lunsford was getting him some pills, I asked him if he was saved and he told me that he could not be baptized because he was not married by the law at this time. I explained to him that we were saved by faith in the death of Christ and not by baptism at which time he said he trusted Christ as Saviour. This man had been in every service when I have been there, but still with all the preaching that we have done he still had the false teaching in the back of his mind and thought that he had to be baptized to be saved, but when this was explained to him personally he gladly received Christ and was saved. Sunday morning Brother Lunsford preached to 75 with once again a very good service. That night I preached to well over a 100 people that we could count with the best interest yet, as only a few left after the song service. During the service there were some men outside that were drinking, they had knives and they were going to put a stop to this foolishness, but our God that is greater and more powerful than all the drunks in the world put together, sent them home or put them to sleep and we passed the night without incident.

Two Professions

The next week was spent in Cruz. do Sul overhauling the motor to the battery-charger, setting up the public address system to use on the boat and buying supplies. On Friday we were not ready to leave so the Lunsfords left again for Tapiri with the understanding that we would go there Saturday so that they could go on to Guajara. When we arrived there they had already left and the woman told us that they left very happy because she and two others had been saved. We had a service after it had been raining and not many attended, but the new children of God were very happy and the lost very attentive.

Three More Professions

On Sunday morning we saw the mighty hand of the Lord working once again as at the end of the service there were three more professions of faith. Already these people are talking of getting married by the law so that they can be baptized. We had another service Sunday afternoon in another house with about 50 present. The interest was so good that we were very surprised that there were no more professions of faith. After this service we went on to Guajara to hear that the Lunsfords had just left. There were only about 60 present and an old Christian there told me that the Catholic Church is fighting us. There was a young girl there that they said went

crazy and some said that it was because she attended our services, but from what some said, that saw her, she is no worse than some of the others. The priests will stop at nothing to stop us as long as they can get others to do their dirty work. In spite of this those who attended listened very well and we are still looking for the Lord to save many souls in this place.

Ten Professions, Seven Baptized at Japiim

I had promised Brother Mario that I would help him in a meeting and Bible School so Monday after getting back to Cruzeiro do Sul we finished our preparation for the trip to Japiim. He had told me that the River was laked up and that we would have no trouble entering, after he told me this the water started back down and was running again. On Tuesday March 6th, we started out up the Moa River to the Japiim River. We entered the Japiim River about 4:15 P.M. with what I thought would be plenty of time to reach the port of Japiim long before dark. The turns in this River are so short that we had to travel very slow and after two hours I had begun to think that we had missed the port. Dark caught us and we could see to travel no more so we tied the boat to a tree in the middle of the River and spent the night only to find the next morning that we were only a few minutes from Japiim. At the writing of this letter we have been here eight days and I can say from the bottom of my heart that we are having a wonderful time of fellowship and seeing the work that the Lord is doing because the children of God there cared enough for the lost in this land of sin to give that we might come here to preach His Word. And above all this, that you have loved the Lord enough to pray for us and the work here. During these eight days we have had ten professions of faith, seven were baptized Sunday and we have stirred up the Catholic Priest until he said in his service Sunday that any that attended our services were without shame which is to these people almost as bad as cursing them. We are using the public address system and we know that he is listening and also that God has power to save him also. Pray for Him. He had visited outside several times trying not to be seen, but without success. We had planned to leave here today, but due to low water we believe that it is the will of the Lord for us to stay until Monday and will stay until He gives us enough water to leave. For Years in this place this brother has sown the seed (the Word of God), I by the grace of God have watered and God Who is great in mercy and grace is giving the increase. Pray for us and may He bless each one of you for His Glory.

Yours in Christ,
B. D. Creiglow

ONE PROFESSION..JOURNEYS MADE..THREE DAYS OF CLASSES FOR NATIVE PREACHERS IN PERU.

By Walter Lauerma

Iquitos, Peru
April 18, 1962
Dear Brethren,

The First Baptist Church has had a sharp drop in attendance, mostly in S.S. There is some sickness, but the attendance drop is not all due to sickness. We had to exclude one for worldliness and it looks like several more will be next month because they will not listen to the truth. Our small children's class has dropped from about 40 to 7. One Sunday morning we had a Church Covenant reading trying to show our failures one to another. This type of service I believe is very good and needs to be done more. All has not been bad though, we had one profession of faith. The past month I had trouble with my voice leaving me after every sermon that I preached, therefore I had to cancel all house services and preaching in our mission. The voice is much better now. We have painted the church building, both inside and out and it looks nice. We have received our share of blessings this past month nevertheless.

Shiwa, Polis and Capironal

I went one week with Simon Gaima and his son Abram up the Momon River. We visited Shiwa, Polis, and Capironal. Shiwa and Polis are small creeks off of the Momon River. We enjoyed the fellowship much with Simon and Abram more than usual. The crowds were not too large, but attention was good, and future prospects look good. I baptized one lady in Shiwas. Simon and I plan a trip up the Nanay River, one day by outboard motor. I like to travel to preach, especially to places that I have never been before. Alfonso Varsallo preached for me while I was on this trip.

Astoria

The church in Astoria seems to pick up a little in attendance according to their Pastor, Brother Purificacion. The one that was saved in our church this month lives in Astoria and will be baptized as soon as the church ordains their Pastor, which they intend to do this month. The Independent Baptist Church organized in November from our church, now has 11 members, as Alfonso Varsallo, their Pastor, baptized another one last Sunday. Pray for this Church, and the one in Astoria, as they struggle, but are receiving blessings and victories now.

Three Days of Classes for Preachers

I had three days of classes for preachers again this month. It was good to have the brethren all together for prayer and study. Little by little we are getting a little better

Walter Lauerma Baptizing at Shiwa while on a missionary journey up the Momon River in Peru.

desire shown by the preacher brethren. We had seven present all three days, not including Brother Mayfield. They were: Simon Gaima, Abram Gaima, Javier Freitas, Purificacion Taricuarima, Marcial Macahuachi, Jorge Macahuachi, Antonio Torres and Brother Mayfield. We invited all other preachers that we knew, but they said that they had to work. I love to teach preachers because they in turn teach their people and only God knows how many they might reach with the truth that we leave with them. The need is really great here as is in many places I imagine on any mission field to teach preachers. May the Lord give many that we may teach to love Him and His Word.

We are glad to hear of the blessing from Brazil. We pray that the Lord would bless Brother Hatcher in his school. If there is an answer to the problem of combating illiteracy and ignorance of the Word of God, I think Brother Hatcher has the answer. We pray that one day that we might be able to do the same thing here as he is doing there. May the Lord bless him and his efforts in his schools. May the Lord bless all of you. Pray for us and the Mayfields.

Yours in Christ,
Walter F. Lauerma

SADNESS AND BLESSINGS..BIBLE CONFERENCE IN MANAUS..PASTOR-ING 14th OF DECEMBER CHURCH..NEW BRAZILIAN MISSIONARY.

By Harold Bratcher

Manaus, Amazonas
April 16, 1962

Dear Brother Overbey,

The Apostle Paul said in 2 Corinthians that he was as one "sorrowful, yet always rejoicing." 2 Corinthians 6:10. Some events of this month have caused us sadness but many are the happenings that have caused us to rejoice in the Lord. I'll first mention some events that have caused us sadness.

Sadness

Around the first of February Brother Lunsford sent me five empty bottled gas tanks for me to deliver to the bottled gas company here and to have them send him five full ones. Some few days after he wrote me about sending the tanks and enclosed his monthly salary check for me to change into Brazilian money and have sent to him. The letter was either lost or stolen. After hearing that the tanks had arrived I went to the ship to get them. There I learned that "a well dressed man" had already been there and received them. Upon further investigation I learned that evidently that "well dressed man" was a thief. As of today I have not discovered who the thief is or where the tanks are.

Another sad event happened on April 1st when the pastor of the 14th of December church, who has been working with us and receiving financial help for several months, resigned because of irregularities in his moral life.

Blessings

Now I'll mention some of the blessings we've received from the Lord. On March 24th I celebrated my thirty-fifth birthday. The night before the Zion church conducted a prayer meeting in our home to mark the occasion. There were 46 present. After the service we served soft drinks and cookies, etc. This is a Brazilian custom. On the fifth of April my wife celebrated her thirty-fifth birthday. We marked the occasion by eating a delicious dinner in the Hatcher household.

Bible Conference---New Missionary

This month has been another month of teaching in the Preacher's school. The last week in March Brother Hatcher arranged a Bible Conference in connection with the school with services in the mornings and at night. We had a good conference with the brethren bringing good messages. Also our school and churches have had visiting us and preaching in our chapel services and in the churches, an elderly brother in the Lord, Julian Bragas. Brother Bragas has preached the gospel in Brazil for many years. He is now being supported by our churches here that he might open a work close to Porto Velho.

Pastoring 14th of December Church

As I have already mentioned, the Pastor of the 14th of December Church, resigned recently. On the following Wednesday night, the Church asked me to be their Pastor for the months until our furlough time. With mixed feelings, I accepted. This Church, under the

CLASSES FOR PREACHERS...GOOD JOURNEYS...TWO PROFESSIONS OF FAITH...WORKING ON BIG HOUSEBOAT.

By Del Mayfield

Dear Brethren,
Iquitos Peru S.A.
April 20, 1962

One Year in Peru

The 5th of this month we celebrated our first year in Peru South America. It has been a year of blessings, and we do thank the Lord for it. Also we would like to take this opportunity to thank every one who has had a part in making our ministry here possible. Words can not express the gratitude of our hearts for your prayers and support. I know no better words to use than those of the Apostle Paul when he wrote to the church at Corinth. 1 Cor. 1:4-5 I thank my God always on your behalf, for the grace of God which is given you by Jesus Christ: That in every thing ye are enriched by Him, in all utterance and knowledge. Continue to pray for us that as we look forward to the years ahead that the Lord will be pleased to bless us with many souls for His glory.

Classes for Preachers

Now for the news of this past month. We just finished three days of classes with our preacher brethren here. I had the privilege of helping them with some new songs, and Brother Lauerman taught them the lessons from the Word of God. We also had a prayer meeting every day after the class and every one led in prayer. It truly was a time of spiritual fellowship. I'm sure Brother Lauerman will have more to say about this in his letter.

I've made three week end river trips this month. The first Sunday I went to Tamishajco. The second to San Pedro, and this last week end to Orellana, San Antonio, and Hoejeal. Now the details.

Tamishajco

Our trip to Tamishajco was not as we had expected. I went there planning on baptizing the man, his wife and two children from Shato who had made profession of faith our last trip there. I wrote about these in my last letter. But when we arrived we heard that the man's boy had fallen from a boat and was not expected to live. We were unable to get to their home to see them. We are planning on going there again next week the Lord willing. We had regular services at the mission with better crowds than usual.

San Pedro and Astoria

We had a good trip to San Pedro. Saturday

(Continued from Page 2)

HAROLD BRATCHER

leadership of their former Pastor, did an unusual amount of missionary work. The Church agreed to continue this work in the different preaching points the former Pastor had established. In connection with the confusion of the former Pastor resigning, etc., the mission of the church here in Manaus left the church. However, we still have hopes of bringing about a reconciliation between the Mission or preaching station, and the church. I have made two trips to Careiro, a Village about three hours by boat, and this last Saturday there were 20 present. A "preaching deacon" in the church is away now visiting some of the other preaching points of the church in the interior. Yesterday we had good services with 40 present Sunday morning and 41 present Sunday night. This is far from the numbers the church has had at times in the past but is picking up from the attendance the church was having because of its troubles. Do pray for the former Pastor and family that he might even yet confess and forsake his sins and again be used of the Lord. Do pray for me as I continue serving the Church as Pastor and also for the three revivals I'm planning to conduct in different places in the interior before we come home.

Received Conference Telegram

We appreciated receiving the telegram of greetings from the Conference held in Lexington. Also glad to hear the good reports from the Conference.

Finally, Brethren, I rejoiced in the Lord because I can apply the words of Romans 4:7-8 to me. Can you?

"Blessed are they whose iniquities are forgiven, and whose sins are covered. Blessed is the man to whom the Lord will not impute sin." Romans 10:4 "For Christ is the end of the law for righteousness to every one that believeth." Acts 16:31 "And they said, Believe on the Lord Jesus Christ and thou shalt be saved, and they house."

May the Lord bless you all.

Yours In His Name,
The Harold Bratchers

P.S. We also rejoice and thank each one of you who has given to the Station Wagon Fund.

H.F.B.

night crowd with about 60 present. The Sunday school was very good with 68 present. I really enjoy preaching at this place. Many come by way of boats to be with us. We are praying that before very long we'll be able to organize a church there. Brother Lauerman and I have a trip planned for the 6th of May and hope then we'll be able to set a date as to when the church will be organized. In the afternoon we left San Pedro and came back to Astoria to be with Brother Purification for the evening service. This was my first trip there since he has been pastor. We had a good time in his home and I got to preach that night for him. We didn't have too many but those that did come listened very good. Oh yes, I would not want to forget to tell you this. I lost my hat in the river Sunday on the way from San Pedro to Astoria and that two hours in the Sun really burned my head. It looked like a baked potato when I got home. It's all peeled off now and is ready for another burning.

Orellana and San Antonio..Two Professions

Last week end was the best trip of the month. Left here Saturday went to Orellana where Brother Javier Freitas lives. Had a good time there in the service and several new faces. Then spending the night there we left for San Antonio for the morning service. After Sunday school Brother Torres asked if I would bring the message and I gladly accepted. I preached on the subject, "The Things We Have In The Lord Jesus Christ." After the message the invitation was given and two ladies stood and said they wanted to trust the Lord Jesus as their Saviour. Our hearts rejoiced that two more souls saved. After the service they asked the pastor if they could be baptized next Sunday. We ate dinner with the pastor and afterwards left for Hoejeal for the evening service.

Hoejeal

At Hoejeal we had a good number to preach to. We sure do enjoy ourself there with Bro. Marcial. His Bro. George Macahuchi has been working with me on the river. Bro. George is a single man 24 years old. None better I'm sure when it comes to preaching, singing and being a good companion on the river. He sure has been a real help to me in many ways. When he leads the singing at a place he preaches then I preach. When I lead the singing I preach then he preaches. So far he hasn't received a penny. I'm hoping that soon he'll be one of our workers and can continue helping us on the river.

Big Houseboat

Now just a word about our big boat. The two bedrooms are finished, and they sure are nice. I have started the cabinets for the kitchen and hope to have it all done real soon. I'll try and get a picture for the next mission sheet. Pray with us about the motor for the boat. As we are not sure the kind to use, etc. We are looking forward to our first trip, and praying that the Lord will use the boat for His glory and that many souls will be saved, and many more Baptist churches organized. Hope you all will rejoice with us for the blessings the Lord has blessed us with, and you'll remember us when you pray. May the Lord bless you all.

Yours By His Grace,
Del. Mayfield

A class of Preachers in Iquitos, Peru. Front row L. to R. Antonio Torres, Simon Gaima, George Macahuachi and Del Mayfield. Rear row L. to R. Purificacion Taricuarima, Marcial Macahuachi, Abram Gaima and Javier Freitas. Walter Lauerman was the teacher and took the picture.

John Hatcher standing in the rear with the student body of the Baptist Bible School of Manaus, Amazonas, Brazil. The two girls are school teachers and teach the children in the afternoons.

A crowd at Colonia about 45 minutes walk from Japiim. This is a good mission point and Brother Craig-low plans to spend some time here and maybe buy a building for services and a future church.
