### HATCHER IN INTERIOR OF CENTRAL BRAZIL....PREACHING EVERY DAY....VACATION BIBLE SCHOOL....FIVE PROFESSIONS....THREE TO BAPTIZED....PLANS FOR WORKERS IN THREE STATES

By John Hatcher

Dear Brethren, May 13, 1962  
Interior of Central Brazil

Today is the thirteenth day of our trip into the interior of Central Brazil. The interior village where we have preached and held a Bible School for the children is about 1,500 miles from Manaus. Here in the State of Maranhao there is a population of over two million. In all this great state there are only

about twenty-four Baptist Churches, some without Pastors. In Shelby County, Kentucky, there are 18,000 habitants and twenty-four Baptist Churches. The harvest is ripe — lost souls are innumerable, and the labourers are so few.

#### Preaching Daily and V.B.S.

Leaving Manaus on the first of May, we flew to Sao Luiz on the North Eastern coast

Brazil. From there we traveled by bus to the Village of Peritoro about 200 miles to the South. It was here that a few months ago the persons were baptized at our first work here in this State.

During these thirteen days, there has been preaching services every day, and a V.B.S. through the second week. These children had never heard of Noah's Ark, or of David, or Sampson. At first the children were extremely shy and embarrassed. After the second day, the atmosphere changed, and how they began to sing and respond to the questions. It was a great time for them and us. No one can know the need who has not seen.

#### Five Professions

There has been five professions of faith during these days. Many lost souls have come to hear. May it please God to open their hearts to understand and trust the Lord. A little later this afternoon, three that professed faith, will be baptized. You will remember the crippled man who was baptized here some time ago, today his wife and daughter are to be baptized.

#### Plans for Three States

Tomorrow we shall leave this place and journey by bus, to the State of Pernambuco, a trip of two or three days. After a stay of six or seven days, we plan to travel into the interior of the State of Ceara. Brethren pray

This is the boat that Harold Bratcher rented for two recent missionary journeys that he and his travel companions made to the regions beyond.

While on the journey Brother Bratcher passed this "train". The large boat has a string of small boats loaded with produce that it is pulling to market in Manaus.

This is the Sunday morning crowd at the Mira-Aua Church that Brother Bratcher preached to and wrote about.

## PREACHER'S SCHOOL QUARTER ENDS...REVIVAL AT MIRA-AUA...THREE BAPTIZED...MIRA-AUA TO BUILD NEW CHURCH BUILDING...COMING HOME ON FURLOUGH IN JULY

By Harold Bratcher

Dear Brother Overbey: Manaus, Amazonas May 16, 1962

My activities for the past month have been varied. I have continued serving as Pastor of the 14th of December Church. The attendance there has picked up some. The Church has had one profession of faith, one received by letter, one received under the watchcare of the Church and has excluded three.

### School Quarter Ends

On the 30th of April we finished another quarter's work in our Preacher's School. During this term it was my privilege to journey with the brethren through the pages of the New Testament from Hebrews to Revelation and also through the years of Church History from the close of the Reformation period to the present. The same day, April 30th, we marked and celebrated the 37th birthday of our beloved Brother Hatcher.

On the 3rd of May, I left Manaus with Ranulfo Tobar, one of our preachers and students, for Mira-Aua. We traveled on a small boat owned by Antonio Eugenio de Nascimento a deacon and lay-preacher of the 15th of December Church. We traveled on the Rivers for 13 hours and 20 minutes before we arrived at our destination.

### Revival at Mira-Aua

We began the revival at Mira-Aua Church on Saturday night with 41 present and continued the meeting until Sunday night the 13th. I can truthfully say we had a good meeting. This is the Church that Brother Wallace York helped to found. I discovered that he still occupies a place in the hearts of the people there. On the first Sunday morning there were 62 present in Sunday School. I asked the Superintendent to suggest a goal for the coming Sunday. He suggested 80. I raised it to 81 and told them I would sing a solo if we reached our goal. I am happy to report that I got to sing my solo as we had 84 present causing some to have to stand during the sermon. During the night services we ran from 39 to 66.

## PLANS CHANGED...STORES LACKING IN THINGS..WATER IS LOW IN THE RIVER...TWO PROFESSIONS OF FAITH....TEN DAY MEETING AND TEN PROFESSIONS OF FAITH.

By Bobby Creiglow

Dear Brethren, Cruzeiro do Sul May 15, 1962

### Plans Changed

At the writing of the last mission sheet letter we had just gotten back from Barao with plans to make another trip up the Jurua right away, but due to circumstances we are still here in Cruzeiro do Sul not knowing when we will get to go. Upon arriving here we found that the stores were lacking many things that we would need to make a long trip. We arrived here too late to send our check to Brother Bratcher to exchange when he did this to pay the native workers. We did not want to cause him extra work so we decided to sell our check to a man here that has been wanting to buy our checks. I went to his office only to find out that he was on a trip and they did not know when he would be back so after waiting two weeks we thought it best to send a check to Brother Bratcher after all. Two more weeks have passed and either the check has been lost in the mail or Brother Bratcher

Three Baptized

I had the privilege of baptizing three while there, two of which were converted during the meeting. All three I baptized were teen-agers. We not only preached publicly but from "house to house". Our "car" was a canoe. At one place we talked to a Catholic who had a Catholic Bible. I learned later that he bought it after the Church was organized at Mira-Aua. We showed him from his own Bible that he needs the "righteousness which is of God by faith" and not the righteousness which he has now "the righteousness which is of the law." We told him that... "Christ is the end of the law for righteousness to every one that believeth." Romans 10:4. We read to him other Scriptures, including Acts 4:12 "Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved."

### To Build New Church Building

The greatest need the Church there has now is to build a Church House. The Church uses the front room of one of the believers there. They are planning to build before long. We arrived back in Manaus at 5:00 P.M. Monday, the 14th of May. I was happy to find the family well except for minor ailments. We are looking forward to seeing many of you "face to face" a little later this year when we return to the States on furlough. In the meantime do remember us when you pray as we have the days filled with work for our Lord before we return.

Yours In His Service,  
Harold Bratcher

P.S. Another blessing I received during the meeting at Mira-Aua was in meeting and coming to know Sebastiao, a teen-age blind boy who is a member of the Church there. He is blind physically but has a great spiritual insight. He sang one night a chorus which part of the words are... "I'm following Jesus,....no turning back, no turning back."

H.F.B.

### Low Water

The water has gone down once again and we don't look for it to come back up very much this season as the rains are coming farther apart now. The traveling in the smaller Rivers will now have to be done by canoe. The traveling when the water is going down is not as good as when it is coming up as all the river banks are about knee deep with mud.

Dear Brethren Iquitos, Peru May 21, 1962

### Astoria Church - Pastor Ordained

I will report the news from the Churches and the preaching points as given to me. Astoria Church: S.S. attendance 24 average, evening services 30 average, offerings 15 souls average per service, I came for baptism, they ordained their Pastor on May 17th. This was a very good service and we had real good crowds in spite of the rains. They voted that Marcial Macahuachi preach the ordination sermon, Antonio Torres acted as intercessor and I as Moderator. Brother Marcial preached a real good sermon "God Calls, Sends, Places, and Blesses". His sermon blessed my heart. Brother Purificacion gave a real good account of himself on the questions, especially on his salvation and his call to preach. Purificacion, I am sure, will do a good work in pastoring these people.

### Hojeal Church

Hojeal Church, Marcial Macahuachi, Pastor: Services Wednesday, Friday and Sunday, S.S. attendance 37, and night services 27, new mission opened farther up the Amazon with 23 average attendances, one profession of faith in this new mission, dedication services of the new building will be May 26 and 27. One family is to be baptized on the 27th also. This Church seems to be continually blessed.

### San Antonio Church

San Antonio Church, Antonio Torres, Pastor: Services Wednesday, Friday and Sunday, S.S. attendances 35, 4 waiting baptism, Pastor visited all homes and left tracts at each. San Pedro Mission, of this Church, is to be organized on June 17th. The Pastor and a young Preacher in the Church, alternate preaching in the mission, attendance is 40 or more.

### Orellana Missions

Orellana Mission of First Baptist Church of Iquitos, Javier Freitas, Missionary: 10 average attendance, one profession of faith and also for baptism, and many tracts passed out, Adolpho Nunes has moved from Polis to just across the River from Orellana and attends the services there in the Mission. His son, Adan, was the one that made the profession of faith.

### Shiwa and Capironal

Simon Gaima, besides going with me twice this month, has visited Shiwa and Capironal. Pray for Simon as his health is not too good. His son, Abram, travels with him to help him.

### First Church

First Church in Iquitos, S.S. attendance 65, and other services about 40. We excluded two more for unfaithfulness. We are working hard on the S.S. and have changed some teachers and may change some more. We are now having Teachers Meetings, I baptized my son Paul, on May 6th, and this is another blessing for me and answered prayer. Paul had been saved for sometime, but seemed uninterested about baptism.

### Preacher's Classes

Preachers Classes: three entire mornings, 8 in attendance, I taught one day on doctrine, one on practical teachings, and one day on sermon outlining, and in the prayers that we have every day after class, the brethren mentioned their appreciation of these classes. I really enjoy teaching, especially in the last

By Walter Lauerma

several months. Pray for these classes, as I hope to enlarge on them.

### Man Hangs Himself

I spent two days with the Astoria Church and visited their Mission in Arenal. The owner of the house where we preached hung himself there as we were preaching that night, but not to our knowledge. It just so happened that I preached on "Death is Certain and Sudden". This man's wife, is very interested now.

### Rita and Llanachama - Seven Professions

Simon, Abram and I visited two places on the Nanay River, Rita and Llanachama, Rita was very cool towards (the people there) us, but in Llanachama it was a blessing to be there. Seven made professions of faith in one night that we were there, and three want to be baptized. It was very interesting how this service went, I was preaching on "The Intercessory Work of the Lord" showing we have no need for idols and crucifixes, etc., and as I was about to finish, several stood to their feet and I thought they were going to leave the preaching. Come to find out, they were standing to manifest their faith in Christ. This is a real good place and we were really well received. I plan to go back in two weeks for several days.

### San Antonio and Orellana

I went also two days to San Antonio and Orellana. Two professions of faith were made in San Antonio and one to be baptized and the Nunes boy came for baptism the night we were at Orellana. On this trip, was when we were informed of the organizing of the San Pedro Mission. This San Pedro Mission is a two and a half year old work and has had baptized believers there since February, 1960. We think it will make a faithful Church.

### Independent Baptist Church

The Independent Baptist Church here in Iquitos, baptized one and had two professions of faith and observed the Lords Supper for the first time. They invited me to preach on the Lord's Supper before they took the Supper. May the Lord bless you all and we thank you for your prayers.

Yours in Christ,  
Walter F. Lauerma

Dear Brother Overbey: Pacallpa, Peru May 1, 1962

#### Visiting Churches

We left Cruzeiro do Sul on the 6th of April and visited the Churches at Parana dos Mouras, Tatajuba and Campo de Santana. There is not too much difference in any of these places from the last time I visited them. We really had good fellowship with all the brethren.

#### Campo de Santana

At Campo de Santana we noted that they are beginning to construct their new Church House. Brother Manuel is the faithful layman who has kept them together there.

We joined the Church at Campo de Santana and they gave me the authority to baptize and organize a Church anywhere I might find enough material.

#### Up the Miri River All the Way

From there we came back down to the mouth of the Jurua Miri River and began our trip in new places for a missionary. We were told that no missionary had ever gone into this River. It is about half way between Campo de Santana and Tatajuba. There were four stops in this River for services and to stay all night. The preaching of the Gospel was a new thing for most of them. Some few had attended services in Cruzeiro do Sul.

#### Sebastian's Traveling Companion

Brother Sebastian Anastacio went all the way to the first guard station in Peru with us, and I really enjoyed hearing him preach. He had made an earlier trip with Brother Creiglow and I can see a great difference in his preaching. Brother Creiglow's influence shows a lot in his preaching. We never stopped anywhere, except in Peru, where he was not known and respected. He was so impressed with the interest in Jurua Miri and we were so well received at every place, that I'm sure he will want to revisit this River. One boy made a profession of faith at a place where a petroleum company is drilling for oil.

#### A Walk Between the Rivers

On Easter Sunday morning we started our walk through the woods. We wouldn't have started on Sunday but we were told of two places where we could have services on the way. After one hour and 45 minute walk, we stopped at a place called Lemao. Three families live there. We had services in one home then walked 10 minutes to another house where there is a paralyzed child, and his mother requested that we come there for a service, because she couldn't leave the boy to go to the other house. About 2 P.M. we were ready to leave for another place called Centro dos Negras. The mother of the crippled boy begged us to stay until her two daughters came home that afternoon so they could hear a service also. We promised to stop on the return trip. These people had never heard the Gospel and on the return trip I hope to stay more than a day with them.

Just before dark we arrived at Centro dos Negras. After taking baths we held a service there. Also, three families lived in this place. All were there. They had never heard the Gospel before.

#### Eight Hours Walk

The next day we walked about eight hours and came to a shelter for lumber workers. There were ten of us, counting Brother Sebastian and our carriers. We were all worn out so we hung hammocks and got ready to sleep before dark because we only had flashlights with us. Just at dark four others arrived from another direction, so we played a few hymns on the accordion and went to bed.

The next day, after 3½ hours walk, we came to Joaquim Fellis Creek. From there a peruvian took us for an hour in his canoe out into the Amorha Creek and on to the Abujari River where the Army Post is. There we had to stay for two nights until some other canoes came by to take us on. We paddled five hours until dark was coming on and stopped at a little shelter.

#### Hammocks Hung Between Trees

Ava Lynne and William slept in their hammocks hung between trees. Jewel, James, and I slept on the ground, rather tried to sleep, but it was hard because of mosquitoes. We got up at 2:30 A.M. and traveled the next 12 hours by paddle. At last we came to a house which had a motor boat. The next day he brought us the last eight hours of the trip to Pucallpa, Peru, we arrived Saturday, April 28, at about 3:00 P.M.

#### Pucallpa, Peru

This is a town of 15 to 20 thousand people and doesn't have a Baptist Church in it. We can stay for three months on our permit and then if the work looks favorable, we can have our permits renewed for three months.

Already there are five members of the Campo de Santana Church here. Our family and Hermogenes la Torres who as a young man was baptized by Brother Cicero Bispo da Cruze in 1952 in Brazil. Pray for us at this place.

We left our boat, The Evangelista, in the care of Brother Manuel at Campo de Santana until we return, and that will be when we feel the Lords leading

#### To Buy Motor

I plan to rent a place in the port to have services and go to any house I'm asked. I would like to buy a motor for the boat in Brazil and use it while we're here. I left a canoe here and gasoline drums on one of my trips from Iquitos last year, so I only need a motor for the visit then take it with me on our return to Brazil.

The whole family is with me here.

Sincerely, R. B. Lunsford

(Continued from Page 2) Bob Creiglow

Just after last months letter we made a trip back to Lake Tapiri where there has been six professions of faith and were happy to find all of them happy in their new faith and glad to hear the word once again. The interest was as always very good and we were made very happy when at the close of the last service there were two more professions of faith which makes a total of eight in this Lake where there are only nine families living. The water is now too low to get into this Lake even with the canoe, but I am told that it is possible to go there by land, but is a little difficult so to visit this work from now until next fall late we have to use this way.

**MEETS LUNSFORDS IN PUCALLPA, PERU...NEW MISSION WORK STARTED IN PUCALLPA...BUILDING RENTED...NEW BUILDING TO BE DEDICATED NEW CHURCH TO BE ORGANIZED AT SAN PEDRO**

By Del Mayfield

Iquitos, Peru S.A. May 20, 1962

Dear Brethren, Each month seems to pass just a little faster, and I can understand better what James said when he said "Life is nothing but a vapour that appeareth for a little while and then vanisheth away." We do rejoice in how good the Lord has been to us. He has given us the best of health in which we are most grateful. All the blessing we are going to share with you we thank Him for them. We also want to thank you who have held us up before the throne of grace in prayers.

#### Meets Lunsfords in Pucallpa

The 3rd of this month I received a telegram from Brother Lunsford saying he was in Pucallpa, and on Saturday the 5th, I got passage by plane and went there to see him. I was greatly surprised when I arrived to see all his family with him. They had come all the way from Brazil by boat and three days by foot to get to Pucallpa. After I was greeted so wonderfully we went to the hotel, and there Brother Bruce told me they had plans to stay for at least 3 months till the River comes back up as it would be impossible to cross back over the border until then.

#### New Mission in Pucallpa

He also told me there was a building that we could rent for a mission, and thought it

#### Ten Day Meeting

The Church here in Cruzeiro do Sul has had about a ten day meeting with a Preacher from Rio Branco doing the preaching. In the last service there were eight professions of faith. We attended the services and they were well attended with good attention. The night before the preacher returned to Rio Branco we had a service in the city park in which I led the singing after which he did the preaching to a crowd of I believe more than three hundred people. I have had the privilege of preaching several times to the Church here in Cruzeiro since their meeting and have had the joy of seeing two more professions of faith which has been my first here in the city.

#### All Professions are not Real

I would like to say at this time that all the people that make professions of faith are not saved, because some times some of them never return and still others later will tell you that they did not understand and others prove by their acts that they have not Jesus Christ in their hearts. We are very thankful for those that do understand and have with all their heart trusted in the death of Christ to save them from their sins.

#### To Build New School Building

Brother Mario of the Church at Japiim told me the other day that they have torn the old mission house down and are ready to start building a school house so that they will be able to start a school to teach the children to read and write along with the Bible in a place where the Catholic doctrine will not be taught. This will be a Baptist School by the authority of the Japiim Baptist Church.

The Lunsfords have not returned from their trip which we are told they have made to Peru. We look for them to return this week with good news of a good trip for the glory of the Lord.

Yours in Him,  
B.D. Creiglow

would be good to start a Baptist Church there. I had written Brother Overbey several times telling him that this is what I was going to do when our big boat was finished. Go there and stay until a Church was organized. I told Brother Lunsford about this and he rejoiced that we could work together in starting a new work. I sent my wife a wire and she and my son Eddie came on Wednesday to be with us.

#### Building Rented

We rented the building and had 13 pews built and painted the building inside and out. On Saturday night, the 12th, we had the first service and had more than we expected. The most wonderful thing was that we put the first Baptist sign up in Pucallpa, a town of over 20,000 people. On Tuesday night, after I had preached, one young lady said she wanted to trust the Lord as her Saviour. Every night we had good crowds. Many people asked if Baptist was a new doctrine, and we told them it was the oldest of all. I'm sure the Lord is going to bless in the work there.

#### To Return Soon

When we were ready to leave Friday, many asked us when we would return, and we told them just as soon as we got the engine for our boat we would return. The girl who was saved Tuesday night, came to the airport to see us off and wishing us a good trip and hoping we would return soon. We enjoyed the fellowship with the Lunsfords and we are praying that as Brother Lunsford continues to preach this week that many others will be saved. Those that are saved will see the need of being baptized, and want to be members of the Church. Pray for us that we'll get the engine real soon and get to return to help with the work.

#### Dedication Service

I missed the meeting with the Preacher Brethren here while I was away, but I was told that the work is doing fine. Brother Marcial is going to have a dedication service for their new building next Sunday. He left word for me to come and preach Sunday, May 27th, so I'm planning on going. I'll try to get a picture of their building with the concrete floor that I told you about some months ago. The Lord sure has blessed the work there, under the leadership of Brother Marcial Macahuachi.

#### Church to be Organized

Brother Torres also has set the date for organizing of the Church at San Pedro on the 17th of June. We hope that we'll be able to attend that service also. He also reported that he was going to have a baptismal service that day.

Orellana has had some additions where Brother Frietas is. Hope that soon we can have a Church there also. Pray for the brethren here that the Lord will see us in His own way and that many souls will be saved and that the Churches will be blessed, and built up in the most holy faith.

The big boat is just about ready with the exception of the engine. We have it bought and just waiting for the plane to bring it to us. We hope in our next mission letter to report that it is ready for the big trip. May the Lord bless each of you for His Glory.

Yours by His Grace,

Note: When we started this Launch Funds several years ago, we planned to build a launch in Manaus, Brazil and then afterwards one in Iquitos, Peru. Out of this Launch Fund we have the Launch partially built, a houseboat for Bruce Lunsford, several motors, and most of the cost for the large houseboat for Del Mayfield in Iquitos, Peru. We mention this so all will know that Brother Hatcher is not spending all the funds on the Launch. As each launch or boat is finished, we will give a complete list of the total cost, the Lord willing.
