EVERYONE PLEASE READ THIS

We still get some mail addressed to Baptist Faith Missions at 1210 E. Grand Blvd., Detroit, Michigan and some of it contains offerings. We have not lived at this address in three years now. Also some send offerings addressed to our present address at 975 E. Grand Blvd., Detroit, Michigan. This means that we have to forward the offerings on to Brother Clark the Mission Treasurer. Now please make all checks for all Mission offerings payable to Baptist Faith Missions and mail all mission offerings to:

SOME CHURCHES PAID THEIR PASTOR'S WAY

Three churches that we know of, paid the expenses so that their pastor and his wife could come to the conference. A pastor cannot ask his church to pay the expenses of gasoline and oil etc. so that he can attend conference, but the churches that do it will be blessed in doing so. Why not bring up the matter and have your church vote to pay the traveling expenses so your pastor and his wife can come next year. You pay their way and we will furnish them free beds and meals. Plan now to do this next year.

THE THANKSGIVING CONFERENCE

The Eighth Annual Thanksgiving Conference was another good one. The Special Thanksgiving Offerings were the largest for any of the Conferences thus far. The total Offerings for November 1962 were the largest for any month in the history of Baptist Faith Missions. Grace Baptist Church led the way in Special offerings with a total of \$3,000.00. Another church gave over \$2,100.00 and three churches gave \$1,500.00 or more and one gave \$1,000.00 and many others gave less amounts. Last year three churches that we know of (maybe others), had special offerings each Sunday over and above all other offerings towards their one Special Thanksgiving Offering. Here is how they do it. Grace Church had envelopes printed with the words BAPTIST FAITH MISSIONS on them and all offerings in these envelopes were kept towards the Annual Thanksgiving offering. New Hope bought envelopes with the words MISSION OFFERING on them and used them the same way. This is a wonderful idea and these two churches and Home Baptist Church have set a good example and we hope that other churches will do likewise. You do not have to go to the expense of having envelopes printed. You can use plain coin envelopes and have the persons who give, write the name BAPTIST FAITH MISSIONS on it. These are just good suggestions. Now do it your own way, but plan for a Special Thanksgiving offering next year. The Lord bless your church for doing so.

The Breezeway is to be built between this school building and Tabernacle Baptist Church. The upstairs of the Breezeway will be an auditorium.

JULIAN AND RIVERSIDE BAPTIST CHURCHES GIVE SPECIAL OFFERING FOR MAYFIELD BOAT

As all readers of the MISSION SHEETS know, a storm wrecked Brother Del Mayfield's new houseboat. As the picture showed last month he has the outside finished again but minus the top living quarters. The inside is yet to be finished. Julian Baptist Church, Gracey, Kentucky gave a special Thanksgiving Offering of \$787.25 and Riverside Baptist Church, Richwood, W. Va. gave a Special Thanksgiving Offering towards the rebuilding of this boat. Others have promised to give. If you want to have a part send offering marked "For Mayfield Boat"

BAPTIST HIGH SCHOOL A REALITY FIRST GRADUATION OF PREACHER'S SCHOOL OVERBEY COMMENCEMENT SPEAKER

By John Hatcher

Dear Brethren:
November 25, 1962
This is one letter that will probably will not arrive in time to get into the Mission Sheets but believe me when I say that it is not because of nothing to do. This month we closed our first Primary School year - God blessed beyond our expectations. There were over 130 enrolled and there were 21 professions of faith and several of these have been baptized into one of the Baptist churches. With the expense of six teachers we finished the year with a very small debt. We are making every effort to fill our rooms in the coming year with Baptist students or the children of Baptists and at last it looks

as if the churches are catching somewhat of a vision.

Baptist High School

The Baptist High School is now a reality and we are working tooth and toenail to get all ready for the school year which starts in March. Our teachers will attend a one month preparation course given by the Government during the month of January. Thank God! He has provided us with a fine group of Baptist Teachers and all of them members of the churches which cooperate or rather sympathize with our doctrinal teaching. After being approved by the Ministry of Education we

BUSY VISITING CHURCHES WHILE ON FURLOUGH. WORKING ON ITINERARY FOR REST OF TIME ON FURLOUGH.

By Harold Bratcher

Dear Brother Overbey: November 26, 1962

In my last Mission Sheet letter I wrote about the revival I was then engaged in with Pastor Robert Ginn at Loganna. This meeting closed on October 26th. The total moves made during the revival were: twelve professions of faith, two by letter and 3 rededications. We praise the Lord for the bountiful harvest He gave us. On Sunday October 28th Bro. Ginn baptized these twelve and some eight others who made professions either before or the Sunday after the meeting.

On Sunday October 28th we visited and I preached at both services at the Gilbert's Creek church near Lancaster, Ky. I was made happy to see the progress this old church is now making under the leadership of their youthful pastor, Bill Jackson. Bro. Jackson is a student at the Lexington Baptist College.

have almost absolute freedom in the choice of subjects and methods, so that there will be no outside pressures. In some ways we are enjoying some privileges that you all seem to be losing. This freedom offered us in God's blessing to His people and may God grant us the grace to take advantage of it.

First Graduation of the Preachers School

Brethren it is a thrill to know that Brother Overbey will be with us as the Commencement speaker at the first Graduation. My how wonderful it would be if all of you could come and be here with us. We will try to have pictures that you may see and rejoice with us.

Breezeway

The forms of the Breezeway are almost all up and in another two or three weeks we hope to see it poured. We are already seeing the need of more space.

Souls Saved

The Chapada Baptist Church has started a work in a new section of town and in the first three weeks there have been 10 professions of faith. The Bethel Baptist Church has had some 8 or 10 professions in the last month, 2 in Calvary church last month so God is blessing in every way. Pray with us and for us that His Name might be glorified.

John A. Hatcher

On Sunday, November 4th we had the privilege of being with the Elk Lick Baptist church near Booneville, Ky. Hubert Baker is the beloved and faithful pastor of this church. On Wednesday, November 7th I preached at the Prayer Meeting services of the Mount Pleasant church near Nicholasville, Kentucky. Johnny Thompson is the pastor of this progressive country church. On Sunday, November 11th, I preached at the evening services of the Buena Vista Baptist church of Owensboro, Kentucky. Edgar Hatfield is the pastor and my older brother is one of the deacons of this church.

November 16-18 found us working with the Calvary Baptist church of Richmond, Kentucky. I preached on Friday night, showed the slides on Saturday night and preached at both services on Sunday. This three day meeting was a blessed experience for us.

On Monday the 19th through the 22nd we attended the Thanksgiving Conference at Grace Baptist church, Warren, Michigan. We were royally entertained in the home of the Carl Calleys. We enjoyed the bountiful meals served during the Conference and also the privilege of hearing other preachers, preaching myself on Tuesday night, and seeing and having fellowship with many of our brothers and sisters in the Lord.

Yesterday, November 25th it was my privilege to be with the Pleasant Ridge Baptist church of Lexington. Earl Thomas is the pastor of this church. I taught the Men's Bible class and preached in the morning worship service and showed slides before I preached in the evening service.

Today I have been working on my schedule for visiting the churches next year before we return. If any of you who have invited me to visit your church fail to hear from me or I fail to come I know you will understand that it was because of lack of time. Indeed The Lord has been good to us. It has been a blessing to be in the different churches since we've been home on furlough.

"Now the God of peace, that brought again from the dead, our Lord Jesus, that great shepherd of the sheep, through the blood of the everlasting covenant, Make you perfect in every good work to do his will, working in you that which is well pleasing in his sight, through Jesus Christ; to whom be glory for ever and ever. Amen. Hebrews 13:20-21.

PRIEST PERSECUTES...INTERFERES WITH SERVICES... DYING MAN MAKES PROFESSION...CHURCH ORGANIZED AT MAITA

By Bob Creiglow

Dear Brethren:

Cruzeiro do Sul November 16, 1962

Once again we want to give thanks for the many blessings which we day by day receive from the Lord who is worthy of all praise and glory. This month we have been made to remember and to rest in the promise that the Lord said, "I will never leave thee nor forsake thee."

Colonia

As I wrote last month we have started a work in Colonia near Japiim and that the priest had written to the police saying that we were breaking the law in that we had started a church too close to them, but this is just a lie of his as the law books have no such law recorded. The Priest that started all of it is now traveling, but the other one has taken up where he left off. I arrived in Japiim and the deacon of the Church there which has been talking to this German Priest for almost a year now about the plan of salvation told me that the Priest wanted to talk to me, but not in Colonia, but in the house of the deacon at night. We remembered how that Nicodemus came to Jesus by night seeking the truth and light and we had great hopes that this man would also be a Nicodemus, but this hope did not last long. On the first night of our services in Colonia the deacon went to the Priest and invited him to attend our services and also to set a date for our conference in his home.

Priest Persecutes

In order to make a long story short he did not come to the services and did not set a date for the meeting, but turned against us with all the force he had without running too much risk with the law or the people. I spent the first week preaching each night with Bible school in the afternoon. In order to tell all the things that they did and said would take all the Mission Sheet so I will just tell the worst part of it. If they were doing the will of God they should in the love of God try to win us, but to show the kind of love they have on the third night of our services they pointed the speaker of the P.A. system in our direction with it turned on as loud as possible they spent two hours screaming in the microphone. Needless to say it was not easy to hold services, but we all sang louder than usual and I preached louder to one of the largest crowds up until that time. At about this same time there was a woman brought her sick husband to Colonia and they were staying in an old school house. There was no one who visited them until one day a believer visited them and asked her if they would like for the missionary to visit them, she asked them to send for me and in a few minutes I was there speaking the words of salvation to a man that was too weak to talk.

Dying Man Professes

Before I finished there were from ten to twenty Catholics in the room also. When I finished the man using all the strength he had gave me his hand and I asked him if he was trusting in Christ as Saviour and he nodded his head yes. I left telling them that I would be back the next morning. Upon arriving the next morning the woman came to the door on the run saying they did not want anymore at which time I turned my back saying very well and walked away singing a hymn. The same day almost all the believers sent food and money which they needed very much, but all was refused. The same night as I went to the spring the woman was returning from the spring with a five gallon can of water on her head, I asked how her husband was. She told me he was about the same and began to weep and sob asking me to forgive her that it was not her that ordered me not to come back, but the Priest, the school teacher and the cook of the Priest. The man died in a few days and there is one thing I know if he trusted in the Lord Jesus as he said his soul is safe and they have no power to rob him of that. The same night he died some friends came wanting to borrow some boards we had to build a Church house to build a casket. They took the boards, but the next morning the casket was still not built and they said no one came that knew how to make it. I sent word that I could make it, but would not go as I was asked two times not to return. In fifteen hours the man had begun to smell and a Catholic asked the Priest if he was not going

to bury the man and he said no. The Catholic man told the Priest if he had not stood in the way of the love of the believers the man would already have been buried. The Priest after this asked a believer to dig the grave and offered to pay him, but he told the Priest in his own way what Jesus said, "Let the dead bury their dead." This is the kind of love they have for mankind.

Another Professes

A few days later a young man professed faith in Christ and a day or two later the Priest asked him if he was saved and he said, "by the grace of God I am saved" at which time the Priest called him a liar and walked away from him. Another time later the school teacher, the cook and another visited him and asked him if he was saved and again he said "My faith is Pure by the grace of God I am saved," and once again he was called a liar and told that I was there only to baptize as many as I could because our mission paid me five thousand Cruzeiros "which is about eight dollars" for each person I baptized. I told him that this was news to me and that if it was true neither I nor the mission know anything about it.

One day the school teacher stole two bible story books that I had given to some children and a few days later the Priest said he was going to prove by those books that the Baptists are false. He proved nothing and didn't even tell how he got the books.

Come to Stone Us

One night some came to stone us, but we can say as Jesus said our day has not yet come. We are still alive and very happy in the Lord.

The Priest said to the deacon of the church of Japiim that they were Praying for us that God would give us a good death. The deacon told him that we were Praying for them that God would give them light and life. By these few things that I have written you can see the kind of love they have for the people "none." Another Catholic said that he thinks there is going to be many Baptists in Colonia and I hope this one time that he told the truth. The Priest is now thinking that I am not all bad as he said a few times I spoke the truth. All of his Preaching has been against me, but all the things that he has done are helping our work as many know that those things are not right. We are thankful that God found us worthy to suffer these few things for His name sake. If you (Pastors) want to see your Church come to life Pray that God will send you some tribulation like these. In these past three weeks I have seen Christians that have been backslidden for years come to life and take a stand for Christ. I Praise His name for all of it.

Church Organized

Yesterday I left here with my family and others in the house-boat going up the Moa River to Maita where we organized a Church that is named "The Faith Baptist Church in Maita." There were 20 charter members who called as their Pastor Brother Jose de Freitas of the Mouripirango Church. He was not the Pastor of Church in Mouripirango, but has helped with the Preaching for many years. Most of the members of this new Church are Christians of many years and should be a going Church for a coming Lord. There were people present from five other Baptist Churches. I Preached to the new Church on the subject of "The Foundations, The Work and The Destination of the Church" after which Brother Rodrigues Preached on "The Mission of the Church."

Today I brought the Brethren from Cruz do Sul back to town in the canoe leaving the family in Maita in the house-boat. The water is back up now and it is good to travel once again. I will go back up river today to take my family on to Colonia to spend some more time there. The last week I was there we started to build a Church house for the Church we hope to organize there soon if the Lord is willing. While I was there, there were three Professions of faith besides the man that died. We only have a few more months until we will be coming back to the states. Pray for us that God will use us to the salvation of many for His Glory. May the Lord bless all of you in His service for His Glory.

Yours In Him
B.D. Creiglow

SEVERICES EVERY NIGHT EXCEPT MONDAYSERVICES IN THE PORT SERVICES IN THE JAIL TO MOVE TO PUCALLPA

By Del Mayfield

Dear Brother Overbey, Pucallpa, Peru
November 19, 1962
and Brethren:

As I write this letter I am reminded that in just a few hours the Thanksgiving Conference will have started, and we're praying that it will be the greatest of all the other years past. Its hard to realize that its November here because of the weather. Its been terrible hot, dry, and dusty here in Pucallpa. But they say that the rains are due, so we have something to look forward too....

Being Blessed

This has been for us the busiest month of all, as we have had services every night with the exception of Mondays. The Lord has richly blessed in the church. We've had an average of 75 in S.S. and that many if not more in our evening services. The building that we now have rented is much better than the old one. And I'm sure in a much better location. The owner also is cementing the outside of it, and as soon as he's finished we hope to paint it and put a new sign up. We have voted to build some more benches for our S.S. rooms, and this I'm sure will help our S.S. attendance. We have some families coming that are not Baptist, but have said they are planning to be baptized and become a part of the church. So continue to pray for the work here, and that the Lord will continue to bless His word and work.

Services in the Port

We have been having two services a week in the Port. One of the services in the home of one of our members Brother Manuel Yunguay. He and his wife had to get married so they could be baptized. They are fine members, and we hope will continue to be faithful. The other service we have is in a believers home, but they are not Baptist. We are hoping that in the near future to get a permanent building for the services in the Port, and I'm sure it'll be much better than in the homes. The Port here is just like Belen in Iquitos. This is the poorest section and when the river is high you have to paddle in and out. There will be about three months that we possibly will not have services there because of the water. This will be a good preaching point for young preachers and will be a good mission for our church.

Services in the Jail

The Lord has wonderfully blessed the jail services. Every Saturday afternoon we

have services there. Last Saturday when I gave the invitation for those who would like to be saved to tell us that they would trust the Lord Jesus as their Saviour, two fellows stood and confessed Christ as their Lord. Our hearts rejoiced because of the fact that two more souls saved for eternity, and that the devil could never have them under his power again. Then after closing the service with prayer thanking the Lord for the salvation He had given those that had trusted Him another fellow told me that he wanted to trust the Lord during the invitation but was afraid he couldn't speak in front of everyone. After telling to him that those that believe are not ashamed he confessed Christ also as his Lord and Saviour. The jail service to us is an extra ordinary opportunity. So many places this would never be allowed, and we're not sure just how long we may be able to continue, but we thank the Lord for being able thus far to preach the Gospel to 45 to 50 prisoners every Saturday afternoon. Pray with us that the Lord will keep the doors open and that others will be saved. The jail service has paid off in other ways too. Last Sunday night one of the head men in charge of the jail came to our service and I had the opportunity to preach the Gospel to him. He told me after the service that he'd come back. So pray that he may come to know the Lord also, as Saviour.

To Move to Pucallpa

We're hoping as soon as the Castro family from Iquitos comes to help us that we'll be able to return to Iquitos and move here to live. We're expecting God to do great things for us. We also hope to be able to return in our boat. But there are many things yet to be repaired. The motor is setting in the garage, the tanks also. The steering was on top side, and now has to be replaced in the lower section. The whole inside has to be cleaned, and the kitchen and bath repaired. New water barrels and all the connections made. The reason for saying these things is the fact that some may have got the idea from the last mission sheet that the boat was all ready to run and etc. But it isn't and we'll need the necessary funds to repair it when we return to Iquitos. Many said they were going to help us, and were praying for us. So we hope you'll continue to do so, and that we'll be able soon to work the river where the Lord has called us. May the Lord richly bless each one of you.

Yours by His Grace
Del. Mayfield

NATIVE PASTOR ORDAINEDNEW CHURCH ORGANIZED AT MAPA COCHAS ABRAM GAIMA CALLED TO PREACH

By Walter Lauerman

Dear Brethren: Iquitos, Peru
November 23, 1962

San Pedro Church ordained their pastor October 25th. I believe Manuel gave the best account of himself of any of the brethren here. We had a good service and the next day the newly ordained pastor baptized 2. Services there are real good, with about 35 in attendance regularly. The San Antonio Church had increase in attendance and now that the water is up they intend to finish their building. When the water is down, no material can be brought into the island. Pastor Torres preached in his missions points and had 3 professions of faith in Sapoplaya. In Orellana the attendance has gone up to about 20. Vainilla was not visited this month as the water was too low to get in. In Hojeal, Pastor Macahuachi has started Sunday services in their mission as well as Tuesday night. The church had a little increase in offering and the attendance about the same. In Astoria the attendance has gone up again to about 30 to 35. Pastor Purificacion is now preaching Tuesday nights in a village about an hour inland from Astoria as well as Friday nights in Arenal which is about a half hour walk from Astoria. I want to say this, Bro. Purificacion, has really improved and is the best improved of all the preachers in our monthly classes. Brother Purificacion baptized 1 this month.

Church Organized at Mapa Cocha

Yesterday, the First Baptist Church organized a church in Mapa Cocha. There were 15 charter members and the church adopted the Articles of Faith that all of our churches here have. I have made 3 trips there this month about the house they were to buy, but the owner has not come yet. This new church has about 8 or 9 to be baptized yet. They also voted last night that I baptize all their converts until they call a pastor. Javier Freitas was not included in the membership of this new church, as our church and the people both were reluctant to have him as pastor. Instead of taking this as a gentleman, Javier flew off as he often does and said things that shouldn't have been said and we decided together that it would be better for Javier to leave Mapa Cocha so he is no longer one of our native missionaries.

Special Services

The Iquitos Church has a week of special services preparing for our Revival December 16th. We had 2 professions of faith in this week. Sunday School down again to about 55 the reasons I get are sickness and rain. The

offerings were up though. It was necessary to exclude 3. Two wanted to be excluded because they are not in agreement with the doctrine of the church and the other we could not find trace of. Friday nights we are still having prayer meetings for our Revival. Jorge Macahuachi was very sick one week but is better now. I was away 3 Wednesday nights this month and Jorge preached 2 and Juan Castro 1.

Abram Gaima Called to Preach

Abram Gaima, son of Simon Gaima, has made it publicly known his call to preach. We thank the Lord for Abram and we pray that the Lord will use him and we believe He will. He also had another real experience this month, he got married. He married our hired girl and my wife and I think he got a good bargain.

The classes that I have for the preachers get better every month and I guess I will have to start having daily classes some day. This will not be until I can leave my duties as a pastor because I want to be free to travel also. I am praying that the Lord will send a good Peruvian pastor for our church here. I am beginning to see that the preacher's classes are the most needed and it seems like the most appreciated work I have done here, but I have to say also the hardest. We had 3 days and a half this month and I enjoyed every minute of it and the brethren

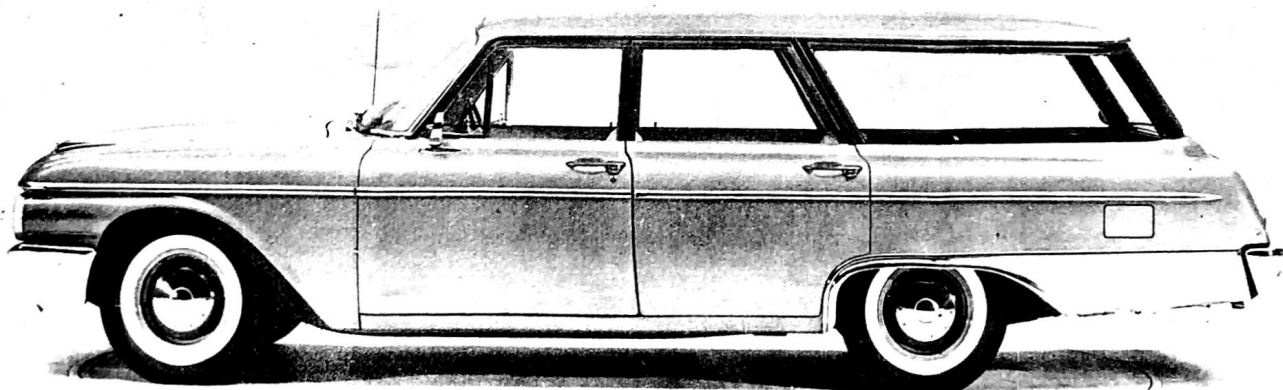

all think well of the classes. My aim is to teach preachers and start new work so that they will have places to preach.

Glad to hear the good news of the Conference and we were praying all the way through it with you all. Our children are all well and growing for which we thank the Lord. Again we are happy to hear of the work in Pucallpa with the Mayfields. May the Lord bless you all for His glory.

Yours in Him,
Walter F. Lauerman

EXTRA SPECIAL NOTICE

This is Sunday night Dec. 9. Just received long distance call from Pastor Dempsey Henderson of Julian Baptist Church advising that he is going to Brazil and Peru with Brother Overbey. Details in next issue.

It is only seven months until we will have two missionaries coming home on furlough. John Hatcher and Bob Creiglow. This means that we will need another Station Wagon or car. We have \$356.70 in this fund at the end of November 1962. We hope that many will have a part in this now so we will not be pressed to raise the funds at the time we have to make the purchase. If you want to have a part, send your offering marked "For Station Wagon".
