## OVERBEY AND HENDERSON TO BRAZIL AND PERU

The Lord willing by the time you read this, Brother Hafford Overbey and Brother Dempsey Henderson will be in Brazil. Brother Henderson is pastor of Julien Baptist Church, Gracey, Kentucky and his church voted to pay his expenses for the trip. Brother Henderson is also one of the directors of Baptist Faith Missions. Julien Baptist Church is a country Church and a great Church and a great giver to missions with large Thanksgiving offerings each year. You can see from the letters in this issue that some of the Missionaries had not heard that Brother Henderson was coming with Brother Overbey. Our itinerary has been changed a little from that announced in the last issue because of plane reservations. As of now we plan to leave Detroit Monday morning January 7, 1963 and arrive in Manaus, Amazonas, Brazil the next afternoon. Then to Cruzeiro do Sul in the Acre Territory on Sunday January 20th and back to Manaus on Monday January 28th and to Iquitos, Peru on Monday February 4th. Leave Iquitos on Thursday February 14th and arrive back in Detroit on Friday night February 15th. All this the Lord willing.

### Getting Ready To Go

Brother Overbey had to get a new passport and a re-vaccination for Smallpox, booster shots for Typhoid fever and Typhus and a new shot for Yellow Fever and a shot for Tetanus. Brother Henderson had to send for a birth certificate to get a passport and the same vaccination and shots and still has not gotten them all as this is being written. We had a lot of difficulty in getting reservations for the plane trips for the round trip to Cruzeiro do Sul and back to Manaus and from Manaus to Iquitos, Peru. The ticket office here could not get these reservations, so we sent a cablegram to John Hatcher who got them for us. It took three weeks to get all the reservations for the nine different flights we are to make. Once again we wish to make it clear that both Brother Overbey and Brother Henderson are not making this trip on the mission offerings. Julien Baptist Church is paying Brother Henderson's way and several Churches are paying Brother Overbey's way. We trust that our trip will be a blessing to the Missionaries and the school and a big help to all the mission work. Pray for us and look for our report in the February MISSION SHEETS the Lord willing.

## A GOOD MONTH IN PUCALLPA ... OPEN AIR SERVICE ... JAIL SERVICES ... TO MOVE TO PUCALLPA SOON

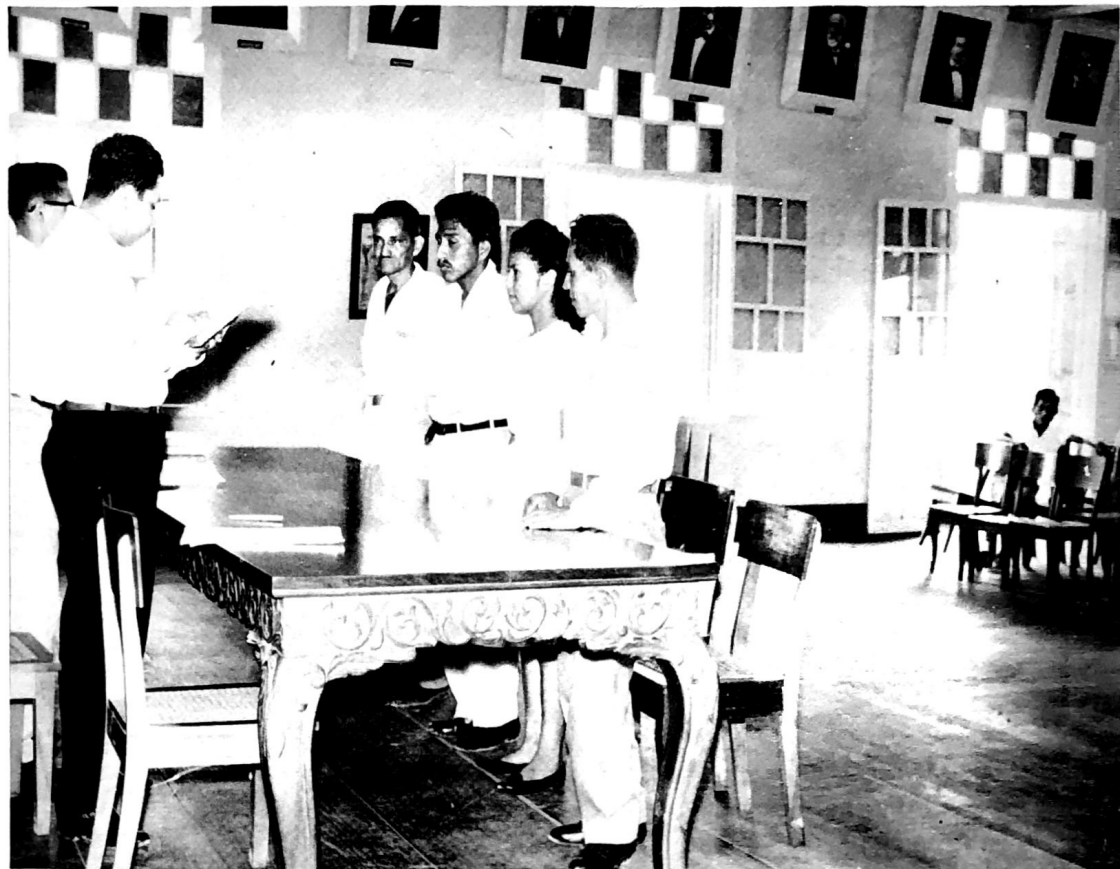

By Del Mayfield

Pucallpa, Peru  
December 15, 1962

We are still rejoicing about the good conference you all had. Thanks for the cablegram and we would also like to thank all the other folks who have written us telling of the good time they had during those days. Then when we received Brother Overbey's letter that he would be coming to visit us here and the other places, our hearts were made glad. We'll sure be looking forward to seeing him, and we hope that others may get to come with him. Brother Clark wrote that Brother Dempsey Henderson may get to come with him, and we're sure praying that he will.

### Pucallpa

This month has been a real good month for us here in Pucallpa. The Lord has blessed His word and we do thank Him for all His

Abram Gaima and the maid from the Lauerman home getting married in Iquitos, Peru. Abram and his bride have moved to Mapa Cocha where he has been called to pastor the newly organized church there. He is a son of Simon Gaima our old faithful Witoti Indian missionary of many years.

## MAPA COCHA CALLS ABRAM GAIMA ... REVIVAL MEETING FOR IQUITOS ... VISIT BY LUNSFORD ... OVERBEY COMING

By Walter Lauerman

Iquitos, Peru

December 14, 1962

Dear Brethren:  
Again we write what the Lord has done. The Brethren from the churches have not arrived in Iquitos yet this month so I do not have their reports of their work. I am sure though that all is well as at times people that live there in these places come to Iquitos and stop at my house and tell me about their churches.

### Mapa Cocha

However I do have much to report about the new church in Mapa Cocha, as I have 4 more trips there this month. As told in last month's report we organized a church here November 22. The following Sunday I took Abram Gaima with me to Mapa because they asked me to preach for them until they got a

pastor and also help them in getting one. Abram Gaima had been a member of our church for over a year and treasurer of our church 10 months and had been one of the most faithful of all. As he had made known his call to preach and that Simon Gaima his father had preached many years in Mapa, I thought that maybe he would be just what the people wanted. He preached a little short sermon and they called him as pastor that same morning. Today I have just gotten back from Mapa again and also Ninarumi (could not get into Llanachama because of low water). Everything seems to indicate that all is well at the moment in Mapa. Abram took his new wife and 3 suitcases (all 3 of them) and went to Mapa to live trusting the Lord to supply. Pray for them, new in the faith, new

## TAKEN IN BY A CROOK ... PRIEST STILL UP TO OLD TRICKS ... CONCENTRATING ON COLONIA ... SON HAS MALARIA

By Bob Creglow

Cruzeiro do Sul  
December 13, 1962

Dear Brethren:

My letter of last month was about all written about our work in Colonia and once again this is all I have to write about. I have rented a small house there that is not fit to live in and is very dirty, but I guess since it was all that was available and we only pay about forty cents a month rent we should not expect too much. When we are there we live in this house to keep from being such a burden to the others there.

### Taken In

Last March when we were in Japiim with the houseboat there was a man that came to the boat telling us of a widow that lived up the river that was in great need. We began to search the boat for things to give her and her children and soon we had a large carton full of food and clothes. We gave these along with some money to the man being very glad to help those in need. A few days after this we were told that there is no widow in need in the place that this man talked about and we realized that we had been taken. After starting the work in Colonia we heard some say that the children of the man said those Americans are very good people because their father went to their boat and they gave him almost everything they had. I took my family to Colonia and one day as I was working on the Church house that we were building a man in passing by spoke to me and I thought to myself that this was the same man. I told my family about it and when they saw him they said it looks like him, I said if he would take off his hat I would know for sure. The next day he stopped at the Church where I was working and the first thing he did was take off his hat and I knew for sure. Well he is now our next door neighbor there and as yet he has not said how the widow is getting along and I doubt very much that he will ever mention it again, but look for another way to steal. One day I saw him here in Cruz do Sul and he asked me if I had something I wanted to send to Colonia he would take it. I said I had some things, but would send them with another.

### Priest Still Up to Tricks

Most of our time this month has been spent in Colonia, with the Priest still up to his old tricks. This month we have seen two children of believers profess faith in Christ along with one Catholic woman. The next day or two after this woman professed faith she was visited by some Catholics who of course tried to get her to forget all about what she had done and return to the Catholics. When she refused they asked what the Baptists had to offer and she replied, very much. They asked her when she was going to be baptized and she said she did not know when, but was going to be, besides the three that professed faith, there were two that asked to be reconciled to the church, one of which has been excluded for many years. After these blessings we wanted to return to Cruz do Sul on Monday, but Mike had come down with malaria fever on Friday, seemed to be well Saturday, but Sunday was too sick to get out of the hammock to go to Church. On Monday he was still not well enough to

travel. Monday morning as I was going to the Church to work I met two Catholics talking together one of which is so strong Catholic that they said he would not speak to the believers. I spoke to them and they both replied. When I arrived at the Church house I heard someone behind me and I turned around to see this man, who said he wanted to talk to me. I asked if he had ever heard the preaching of the Gospel and he told me that many years ago he attended the services often.

### Confesses to be Worst Sinner

I said to him that he then knew that our preaching was not false and he responded by saying he knew very well that we preach the truth. In the half hour that we talked he confessed to be the worst sinner in the world and left offering to help us in any way that he can. Although he has not yet attended our services we now have hopes for him and marvel at the power of God that He has at least sent him to hear. We believe that God left Mike sick for just one more day that this man might hear the word once more. We give God thanks for all things.

### Church at Maita

Mike and I spent the next Sunday with the Church in Maita with services in the Church in the morning and in the forest in the home of our spiritualist friend in the afternoon. He said he knows that we preach the truth, but that he is still striving with the spirits. We still hope and pray that God will touch his heart to leave his evil spirit worship once and for all and trust in Jesus for Salvation.

We started back to Cruz do Sul in a hard rain arriving after dark very cold and wet.

Last Saturday we went back to Colonia. Getting a late start as usual we had to travel about three hours in the dark in another down pour of cold rain, but we arrived safely. Betty, Brenda and I thought we were going to freeze or drown with so much cold rain. Mike got under the tarpaulin and only suffered cramps from being doubled up. No one caught cold except Brother Nelzinko who got under the tarpaulin with Mike. Well the month has passed and we Praise His name for the many blessings hoping and praying that he will continue to bless us and you for His Glory. We are now waiting for the Lunsfords to return from Peru.

Yours In Him  
B. D. Creglow

## SEVERAL PROFESSIONS ... EIGHT BAPTIZED ... PROSPECT OF A TRULY GREAT CHURCH ... HALF JEW YOUNG MAN TO PREACHER'S SCHOOL

By Bruce Lunsford

Pucallpa, Peru

December 12, 1962

Dear Brethren:

We were happy to hear of the good attendance you had at the conference and also was elated about the large offering which was given. I wish I could have heard the sermons.

### Several Professions

Everything is going well with us here and the Lord is blessing the efforts put forth. Our attendance is staying up and the good thing about it is that the ones who attend are regular ones. Many times a person can have good attendance regularly, but have a shifting congregation with some regular and many who are just in and out.

Last Sunday Brother Alberto Brito, his wife, and three children made professions of faith. This is the family which I mentioned in some earlier letters. Also a young man 19 years of age professed faith all six of these asked for baptism. After they were accepted Brother Brito asked to say something. He had the book by Nevins on "Alien Baptism" in his hand while he talked. He gave as good a talk as I ever heard in the way of a testimony. He is 42 years old and said he was baptized at the age of 18 years, and had this year while studying his Bible and reading some books on the history of the true church, "Trail of Blood", had come to the conclusion that his baptism was not baptism. He said he was happy that he and his wife had come to that conclusion and now were accepted by the church for scriptural baptism. This is in short what he said. His three children had not been immersed before.

When we got to the waters edge for the baptismal service there was a young lady who is the 15 year old daughter of the man and woman which I baptized in August who made a profession of faith and asked for baptism. This was her first statement publicly of her faith but I had been expecting it even before her father and mother asked for baptism, because she had accepted the Lord personally in talking to me even before they did. Their 16 year old girl has also but has not publicly yet.

### Walks Six Days

Also a young man from the mountains, who has to walk 6 days in from the Highway to get to his home, was here and made a profession of faith and asked for Baptism. A believer here, who is a member of another group but attends our services regularly brought him here to Pucallpa to visit with him. He sent his son out to my house to tell me on Sunday morning that he had brought a young man with him from the mountains who had accepted the Lord and wanted to know if he could be baptized by our church if he made a profession of faith here. I sent him back word that he could. They didn't have any clean clothes because of arriving before daylight Sunday morning from the state of Huanuco so they washed their clothes dried them and got to the baptismal service at 3:00 P.M. where he made his profession of faith. He is Nehemias Duran Lino of Panao, Huanuco, 17 years of age.

### Eight Baptized

He made the eighth one for baptism on Sunday the 9th of December. I had hoped to be able to send the pictures of the baptism along with this letter but they will not be ready until tomorrow afternoon and this letter should have already been in the mail. Maybe they will get there before this is printed and you can see the picture of baptism of these 8 of which I've been telling you.

Our membership for the Pucallpa Baptist Church now stands at 25. Of this 25 there are 7 members of the two missionary families which makes 18 Peruvian members.

### Lots of Preaching

I have preached at least 150 times since our first service on the 12th of May. Actually I have lost count, but it is not under that figure. I've never been happier in any work at any time in my life than I have this one. My family have been equally interested in the welfare of this church and those who attend who are not members. Our constant Prayer is that it will grow, and grow, and grow! So far as the opportunities are concerned, there is nothing to hinder it from being the strongest work of Baptist Faith missions in time. To me there is no greater work, according to the Great Commission of Jesus, than to go, preach, baptize, and teach them to observe all things He has commanded. None of these 4 points is as important with our other three points being linked with it. May the Lord impress upon all of you and us to never over emphasize one of these points of the Great Commission but to keep all linked that each may be a strength for the other - That has been our desire and effort at Pucallpa, Peru.

### Prospect from Peru

#### For Preacher's School in Brazil

David Abisrorr Guerra made a profession faith soon after our arrival from Brazil. Even before he was baptized he talked to me about his desire to be a preacher. He was baptized, then elected as the treasurer of the church. Soon I asked him if he would like to bring a message, on any subject he wished, to the church. He did, and brought one which was very simple and short, but was a good beginning. Last week I asked him if he would preach at the jail service on Saturday and he said he would. His scripture was Luke 16:19-31, the story of the rich man and Lazarus. He showed the contrast between the two men all through the story then finished by using John 3:16-18:36 as an invitation. It was explained that the people in hell didn't want their loved ones to come there. There were two young men who made professions of faith. We were all happy for him that on his second time to preach that there were these professions of faith.

### Needs Birth Certificate

David wants to go to school in Manaus but there have been some difficult problems for him to overcome to decide to go. He is getting the material together to use in applying for a passport and has gone this week to where he was born hoping he can take his father there and get a birth certificate, which is necessary for a passport application. There is no judge in the town where he was born, so he may have to get the papers filled out there and then take them to Iquitos for the certificate.

Without thinking of his trip as a missionary trip he told me about his aged father a Jew and probably by now 13 half-brothers and sisters there. He is planning to tell them about the Gospel and asked me for some gospels of John and whatever kind of tracts I may have. I gave him 100 gospels of John and 50 tracts and he left happy yesterday morning on one of the larger boats which was taking 100 soldiers to Iquitos.

Two of his cousins were aboard and the husband of one of them was the captain of the boat. They were not supposed to stop much on the trip but agreed to take him and give him time in each place to see about his birth certificate and see his father and family. If it is necessary, they will then take him on to Iquitos. He was unable to make the trip and pay for the paper work so the church voted and gave him 800.00 soles for him to use. I am hoping and praying that he will have good news to report about his trip and especially that there will be others due to his witnessing on this trip.

### Studying Portuguese

I hope he gets everything ready and the trip to Manaus over before time for school to start in February. The sooner he gets there the better he will be prepared in the language to start in school. He has already bought a book and is studying Portuguese. I know it will be hard for him to find a job with which to support himself until he gets able to use the Portuguese language. I'm hoping someone will become interested enough in him to send him \$15.00 or \$20.00 a month, above their regular offerings to Baptist Faith Missions, for him to use while going to school.

David is young (23 years old) and may decide, even yet, not to go. There have been many times when he was wavering between the decisions to go and to not go, but at the last he seems to be firmly decided. He knows full well, because I have told him so, that if he does not go if makes no difference whatever in our friendship. One thing for sure I have not begged him to go, but have left the final decision up to him.

### Future Possibilities

Pray for him that he may be faithful and can be used of God as a missionary here. After going to school in Manaus, he will know both Spanish and Portuguese. He would be able to work as a missionary between the Juria River in Brazil and the Ucayali River in Peru. There are many places between the two rivers which have never had the gospel preached in them. I'm dreaming of a future possibility which is a needy reality. There are several ways to travel from Pucallpa to Cruzeiro do Sul. Knowing both languages he could preach in Spanish after leaving Pucallpa and upon arriving in Brazil preach in Portuguese. After getting supplies in Cruzeiro do Sul he could come back through.

Pray for this young man and these places. It may be God will do this very thing using this young man or others.

Yours sincerely,  
R.B. Lunsford

#### Open Air Service

I got to preach my first open air service last Friday night. We were to have services in one of the houses but it was terribly hot, and the folks said lets have it outside it's much cooler, so we hung the lamp on a pole, and people sat on benches and logs and listened while I preached. There was a law that said no one could speak or preach outside, but some have said that it's been changed, so we hope we'll be able to continue having meetings outside. It's much better. In the home of Brother Manuel Huayunga the Lord has blessed. I had two professions of faith. On the 22nd a young lady was saved and then on the following Thursday night a young man was saved. The young man followed his Lord in baptism last Sunday, along with seven others. He told me that he was planning on starting a business in Iquitos. So I encouraged him to attend the services at the church there, and gave him Brother Lauerma's address. Pray for him that the Lord will bless him and use him for His glory.

#### Jail Service

The Saturday afternoon jail service is an exceptional service. I've had several jail services back there in Springfield, Illinois, but they were always noisy and very hard to preach at, but not so here. They listen very good, and the Lord has blessed. One of our young preachers preached last Saturday and two made professions of faith when the invitation was given. That makes 5 in all that have made professions of faith in the Jail service. We are happy that this door has opened for us to preach the gospel, and that these have to listen whether they like to, or not. Pray with us that many more will be saved and the door will remain open for us. We now have a house rented here and hope to return to Iquitos and move here next month. We already have a big boat that will bring our furniture and things for us. Pray that the Lord will bless us and use us here for His glory. We hope also to be able to finish repairing the houseboat, and bring it up river and visit several places and preach the word to them. We certainly appreciate the prayers in our behalf. May the Lord bless every reader of the mission sheets, and use every one for His glory.

#### Iquitos

I have not had my classes with the brethren this month yet also. Next week we have them and also start our revival. Pray for us in our church here as it is not too good. We are waiting for the Lord to give us more faithful ones. We will have classes in the day and the revival at night. Juan Castro, Antonio Torres, and Alfonso Varsallo are to preach in our time of revival. We had one profession of faith this month and one for baptism. Our offerings were good again this month and Sunday school was up a little. After the revival I plan to use the Friday nights for a doctrine class instead of the prayer meetings we had for the revival. We plan to have Vacation Bible School in February. I have planned also a couple of short trips before Brother Overbey's arrival. We had to exclude another one this month for returning to Catholicism. I pray that we have come to an end of excluding for a while at least.

#### Visit by Lunsford

The Lord favored us with a nice visit from Brother Lunsford and his daughter Ava Lynne. Because of bad weather Brother Lunsford did not make it to preach for us in the church in Iquitos, but he made it to a couple of the churches down river. I believe he met all the preachers again and many friends that he made while here the year we were in the U.S. Pray for the Lunsfords as they go back to Brazil to labor for the Lord. The only thing about their visit that we did not like was that it was too short. But again the Lord we pray will make us happy by letting Brother Overbey come to see us. I pray that he will arrive rested because we plan to take all his time telling us of Brazil and back home. Brother Overbey, like Brother Hatcher, has always been to us as fresh water on a hot day when you have worked hard and have not had a drink all the day. So you see how we long to see him and fellowship with him. We are also hoping that the Hatchers come through here on their way home to the United States next year, so again we might be blessed with our friends that God has given us the privilege to fellowship with in this life.

My wife is busy teaching the children in the schooling and everything else that goes with being a missionaries wife here. She does a good job as she teaches from the Bible standpoint and always includes prayer, scripture, and hymns or choruses. The children are all well and growing. Pray for us and we thank all for all.

## OVERBEY TO GIVE COMMENCEMENT ADDRESS ... TEARS OF JOY OVER HIS COMING ... GRADUATION JANUARY 12 ... SEND OUT SECOND WORKER ... BREEZEWAY TO BE FINISHED

By John Hatcher

Manaus, Brazil

Dear Brethren: December 11, 1962  
The date of this letter brings to mind the fact that another year has gone by and perhaps such a thought would be saddening were it not for the fact that it brings us one year nearer to the coming of the Lord Jesus or one year closer to our going to Him. There have been a lot of failures and falls on our part but He has never failed—Great is His Faithfulness.

It was wonderful to hear that the Missionary Conference was a good one and we appreciated as we always do the cablegram of greeting. God has encouraged us in the fact that He is raising up more churches and interest in the support of the work. Let us not lose sight of the fact that those who faithfully stay and send will have the reward as well as those who go. This is clearly taught in the Old Testament where David established the law of the spoil: those who stayed to guard the things will have half of the spoils with those who entered in the actual battle.

#### Overbey to Brasil

When the time came to choose the speaker for the first Graduation of the Preacher's School several were mentioned but without much enthusiasm. We thought of Brother Overbey. Impossible, too far, not enough time. When I arrived at home from the School and mentioned it to my family the answer was, WHY NOT? Well in our family prayer God blessed us and blessed us again when we received the cablegram that Overbey would come, sent by BFM if the time would permit. When the cablegram was opened and read my heart and eyes filled with tears, not just because of the coming of our brother but because his coming was an added assurance and blessing that God had heard us and the thanks and the praise are His. What we had considered impossible was not for Him.

#### Graduation January 12

The week of graduation festivities will include three nights of doctrinal lectures by Brother H. H. Overbey, January 8, 9, 10; Class night, January 11; and Graduation Exercises on the 12th of January at 8:00 a.m. How we would like to have each of you here with us for this week.

#### Brazilian Churches Send Out Second Worker

This month the churches in and around Manaus of our faith and order sent out fully supported another worker. This being the second this year. God has worked among the churches and the spirit of missions seems to be taking hold of our brethren.

#### Baptist High School

Here in Brasil the students that enter into High School have to take an entrance examination. So this week we have started our first work with the High School in the preparatory class for this examination. The pastors have done a good job of pushing the school in their churches and it looks like we are going to have a pretty good enrollment.

#### Breeze-way

If all goes well the reenforced-concrete breeze-way will be completed by the time that Brother Overbey gets here and by the time you read this. Since the need of added space is evident in the near future, it is the plan to build an auditorium over the breeze-way and offices under part of it and free the present auditorium for other class rooms.

#### Churches Enjoying Blessings

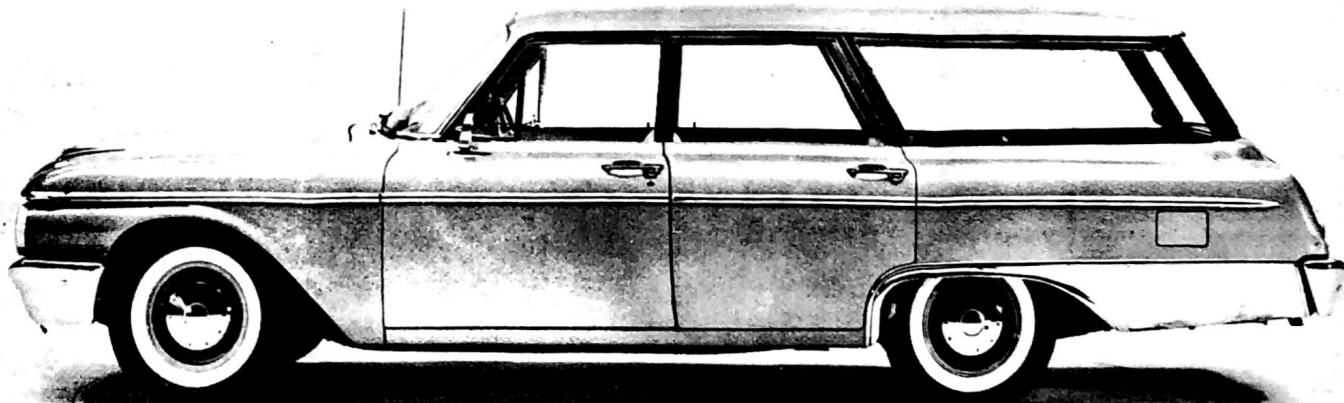

In most of the churches the pastors are telling of conversions and increases in Sunday School attendances and church attendances. Most all of the churches have two or three preaching services a week besides the regular services.

Well that is about it for the moment and you can all get ready to read a first hand report of the work by the hand of Brother Overbey in the February Mission Sheet.

It is only six months until we will have two missionaries coming home on turlough. John Hatcher and Bob Creiglow. This means that we will need another Station Wagon or car. We have \$361.70 in this fund at the end of December, 1962. We hope that many will have a part in this now so we will not be pressed to raise the funds at the time we have to make the purchase.
