### EIGHT AND ONE HALF YEARS AGO AND TODAY

By H. H. Overbey

Eight and one half years ago it was my happy privilege to visit the mission work in Brazil and Peru. We had a good work then, but it has grown and gone forward in a great way in the past eight and one half years. Then we had two churches in the city of Manaus and today we have ten churches in Manaus and nearby. Then we saw the tremendous need of a Preacher's School or Seminary to train native preachers, but we did not have any. Today we have three plots of ground and \$40,000.00 worth of buildings and have already graduated seven Brazilian Preachers. We also have a large Baptist grade school with a branch in the Chapada and a Baptist High School. This Preacher's School or Seminary is for all of South America. We realize that in Brazil they speak Portuguese and Spanish in all the other South and Central American Countries, but that is no serious problem. Anyone who speaks (Continued on Page 2) H. H. from Peru. Brother Henderson preached tonight at Calvary Baptist Church where John Dias is pastor and Brother Hatcher interpreted.

Thursday January 31

Everybody at the Hatcher house is up at 3:00 A.M. and we go to the dock and leave at 4:45 A.M. on a hired boat for the trip to Mira Aua. We start down the Rio Negro River and then into a small stream that leads into a lake. We meet three young men on their way to Manaus to enter the Preacher's School on Monday and they get in with us and go back to Mira Aua. The water in the lake is shallow and the boat gets stuck several times. We meet a man who ties on his canoe and comes aboard and yells to all the houses on the bank inviting all to the church service as they did not know we were coming. After thirteen hours and forty five minutes in the boat we arrive at the Mira Aua Baptist Church at 6:30 P.M. The young preachers start out running in all directions visiting the houses telling the people we had arrived and about the church service at 7:30. This is a pretty place and they have a new church building to meet in but have to put in a floor and finish the sides. By 8:15 the house is full with people standing around the outside looking in. There were 79 present by actual count and Brother Overbey preached and Brother Hatcher interpreted. Ranulfo Tobar who has just graduated from Preacher's School is the pastor here and plans to move here and build a house to live in soon and work the Mission Points near by. This church has several men and all are active and interested and three or four young preachers are going to the Preacher's School in Manaus from this church. After the service the people all linger and talk to us and we have a great time of fellowship. Brother Hatcher goes to a home to pray for a four year old child they think is dying. We get in the boat and start right back to Manaus at 11:00 P.M. One of the men of the church goes with us to guide the boat by flashlight through the lake into the river. We get stuck at least six times and the boat has to be s

This boat has all the center taken up by a one cylinder diesel engine. It has two men and a boy as a crew. One hammock is hung in the rear and the two oldest Hatcher boys crawl in. David Hatcher the youngest boy sleeps on the floor under the bench. Room for one hammock in the front and Lynne and Kathy Hatcher sleep in this. Brother Overbey lies down on the floor under our feet and uses a sack of farina for a pillow. Mrs. Hatcher sleeps on a short bench with her head in Brother Hatcher's lap. With the stuff and us on the floor there isn't room to move. Brother Henderson sits up all night holding the hammock to keep the girls from falling out. The fish are jumping in the water like we never saw before and at least eight fish jumpinto the boat and one eight inches long jumps into the hammock that Lynne Hatcher was in. This is some fish story but we have many

We check our daily diary and type the notes off for the February Mission Sheets and will mail to the man to set the type as soon as we arrive in Peru as the mail service is better from Peru. Brother Henderson preached tonight at Calvary Baptist Church where John Dias is pastor and Brother Hatcher interpreted.

We run our watches back an hour and the time here in Iquitos is the same as in Detroit. The Bruce Lunsfords have come from Pucalla and they with the Del Mayfields and the Walter Lauermans are all at the airport to meet us. We pass through customs and the Police take our passports and tell us to get them the next day at the Police department. We go to the Lauerman home and tell them the news from the missionaries in Brazil. Mrs. Lauerman has a wonderful supper and then we ride in the Jeep about five miles to Bella Vista and go aboard the Mayfield's Houseboat for a short visit with them. We are tired and have a good night's sleep at the Lauermans.

Back to the church and there are 62 present by actual count and Brother Overbey preaches and Brother Walter Lauerman intrepets into Spanish After the service a boy kills a short poissionous snake in the path and throws it away and we have not gotten to see a snake yet. Back to the houseboat and another restful night of sleep. The nights are cool and we sleep under a cover.

Friday February 8

We are up at 5:45 A.M. and the pastor and one of the members come in a canoe to see us off. We leave San Antonio at 6:15 and start up the Amazon River. The cable breaks and Brother Mayfield soon has it spliced and his steering wheel works again. About noon we catch up to a man and a boy paddling in a small canoe up stream. He is a member of the church at Hojeal and is on his way home. Brother Mayfield stops and the man ties his canoe on the rear and he and the boy gets into the aluminum boat for a free hitch ride home. Mrs. Mayfield takes back plates of dinner for the man and the boy. At 2:40 P.M. we tie up at the mouth of another small stream and get into the aluminum boat and in a few minutes we are up the stream to Hojeal Baptist Church which has a native pastor living on the field. Our visit is now over and we have visited the Preachers School and 19 churches in Brazil and Peru and Brother Overbey has preached 15 times and Brother Henderson has preached 14 times and five have made professions of faith under our preaching. We leave Iquitos on a four motor plane at 12:08 noon for Lima Peru and home. The plane is full and after about two hours each passenger puts a tube in the mouth and takes oxygen as we fly high over the Andes mountains. As we go over the pass we can see the snow on the top of the mountain peaks. At 3:15 we land in Lima, Peru and go to a place we stayed 8½ years ago. We have a nice room and rest a while and then go down town to see the places of this the Capitol city of Peru. It is a beautiful city. ### AN ACCOUNTING FOR THE TRIP TO BRAZIL AND PERU

By H. H. Overbey

Yours in Him, Hafford H. Overbev

Please make all checks for all Mission offer-ings payable to Baptist Faith Missions and mail all mission offerings to:

Z. E. Clark P. O. Box 551 Evansville 3, Ind.

We mail the copy for the February Mission Sheets that we typed in Brazil and the plane brings mail from home. Mail service from the U.S. to Iquitos Peru is wonderful; a letter comes in three to five days. We go and have dinner with the Bruce Lunsfords and Mrs. Lunsford makes us feel like we are home with a wonderful dinner. We go to the Police and get our passports and to the Airline office and plane reservations are confirmed. Brother and Mrs. Mayfield and Brother Lauerman join us for another good meal at Mrs. Lunsford's table. The plane has brought another letter from home and a few more days we will be on our way home. Another good night of sleep at the Lauerman home.

Wednesday February 6

Breakfast at Mrs. Lauerman's good table and we pack for the river trip to visit the churches in the interior. We take a taxi to the Mayfield houseboat and Brother and Mrs. Mayfield are waiting for us and Brother Lauerman, Brother Henderson and Brother Coverbey go aboard and we leave at 9:10 and start down the Nanay River for the first trip in the Mayfield houseboat that has been rebuilt after being destroyed in the storm. The aluminum canoe with the Johnson outboard motor is tied to the rear of the houseboat. The engine is in the rear and there is lots of room to live in. Just like a house except the beds are folding aluminum cots that sleep like a bed. We pass the Peruvian navy base on the Nanay River and center the mighty Amazon River. The river is rising and full of limbs and logs all over. This is a wonderful trip down the Amazon and through short cuts and back into the Amazon again and six hours and five minutes after leaving Iquitos Peru we tie up the houseboat a San Pedro on the Amazon River. San Pedro is a clearing on the bank with houses scattered here and there. The pastor Manuel Taracuarima is at the bank to meet us and also several others. This is a new church and they already have a site selected to build a church house on. Here is San Pedro Baptist Church with a native pastor on the field where the church is

Thursday February 7

Mrs. Mayfield has a wonderful breakfast of bacon and eggs. She has a kerosene stove and a kerosene operated refrigerator and lots of good food stored on the shelves of the boat as we already knew from being in there home in Illinois she is really a wonderful cook. The boat has two steel drums on top with water for shower and washing dishes etc. just like the Creiglow houseboat in Brazil. Many of the people come for the picture taking and then to the bank to see us off. We leave San Pedro at 10:15 A.M. and start up the Amazon River and Brother Mayfield guides the boat in between the logs and limbs float-

#### DEMPSEY HENDERSON AS MY TRAVELING COMPANION By H. H. Overbey

Dempsey Henderson is one of God's choicest preachers and pastors and all who know him can testify. He is equally a great traveling companion. He is consecrated, spiritual and sound, and can take it when the going is the hardest. We saw him get into the river fully clothed with the missionary to get the boat off a log or off the sand bar and back into the channel. We saw him when in danger as calm as could be. We saw and heard him preach with power fourteen times through an intrepeter. I hope we can go back together again sometime the Lord willing.

### A Brief Doctrinal Statement Of Baptist Faith Missions

Of Baptist Faith Missions

Baptist Faith Missions is a Baptist work. It is not Protestant. It is not unionistic, nor interdenominational. It is separate from all isms of all kinds. We believe the Bible is the inspired Word of God without error as originally written. We believe in the Genesis account of creation and the fall of man. We believe in total depravity. We believe all are lost unless born again. We believe that we are saved by grace through faith and without works on the part of man. We believe that repentance and faith are inseparable graces and that all who do not repent and believe are lost.

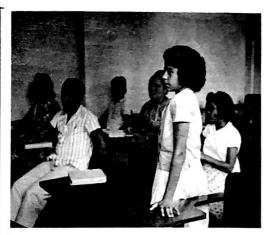

We believe in the security of the believer. We believe that after one is saved that he should be a Baptist. We believe that Jesus Christ organized a church while here on earth during His personal ministry (before Pentecost) and that He gave that church a commission, Matt. 28:10, 20. We believe that there are two church ordinances, baptism and the Lord's Supper. Baptism is the immersion of a saved person in water upon the authority of a true Baptist church. We believe that the Lord's Supper is restricted to each local church and that the elements are wine and unleavened breaad.

We believe that the church is local, visible and that she haible for her one and only and all suffice.

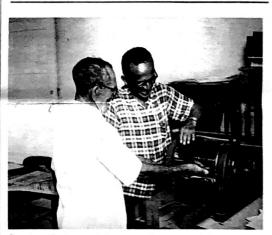

We believe that the church is local, visible and that she has the Bible for her one and only and all sufficient rule of faith and practice and that the decisions of a church are final and that no other church or organization of any kind has any right to interfere with her decisions. We do not believe that there is any such things as an "invisible" or 'universal" church. We helieve that the way to finance the Lord's week.

with her decisions. We do not believe that there is any such things as an "invisible" or 'universal" church. We believe that the way to finance the Lord's work is by tithes and offerings. We believe that each church can give her mission money were she chooses to do so and that without interference from anyone. We do not believe that mission, money should be used to support unsound colleges. We believe that all churches should be missionary. We believe that all churches should be missionary. We believe that the ordaining of preachers is to be done by a local church and not by a mission or association, etc. We believe that a mission is for the purpose of meeting the requirements of the various governments and an organization through which a church may do mission work if she so desires. This mission is not a boss of churches and does not interfere with any church or pastor. It is only a mission through which churches who choose to do so may give to the support of sound Baptist missionaries.

We believe in the sovereignty of God, in foreknowledge, predestination, election, effectual calling, justification and glorification and that whosoever will may come and that these do not contradict each other. We believe that women should keep silent in public mixed assemblies and that God calls only men to preach. We believe that Heaven is a real place and that Hell is a real place. We believe in the Trinity of God and that the Devil is a person, and that there will be two resurrections, one of the just and one of the unjust.
