NEW SCHOOLS IN CRUZEIRO DO SUL AND COLONIA
REPAIRING TWO BUILDINGS ... CHURCH TO BE ORGANIZED
AT COLONIA ... ALL WELL

by Bob Creiglow

Dear Brethren,

Cruzeiro do Sul
March 13, 1963

Vistor From Lake Tapiri

This month has had me running here and there trying to do many things, but as we look back I wonder if I have accomplished anything.

TEACHERS

We have approximately 300 students in the Grade School, High School and Preacher's School in Brazil. All the teachers are Baptist and all of the Schools are run under the authority of Baptist Churches. All of the students are taught the Bible every day. Three churches designate offerings for TEACHERS each month regularly. Brother pastor make this a matter of prayer and then lead your church to give something regularly each month to help pay the salaries of the teachers.

One of the daughters or the family of new believers from lake Tapiri came and spent a week with us after which I took her back home and spent several enjoyable hours of fellowship with them. They seemed to be in very good spirits in spite of the fact that it has been over four months since I have been there to preach for them. I arrived back home just before a hard rain, but although I did not get caught in the rain I spent most of the next 2 days in bed. I was up and out by Sunday to take care of services here in Cruzeiro do Sul in the morning with plans to go to Colonia in the afternoon, but there some others sick and I spent the afternoon visiting them.

To Colonia

On Monday we were on our way to Colonia to finish our plans for the school and to hold services for them. It seems that at least

GREAT REJOICINGS ... EIGHT BAPTIZED ON OTHER STATES ... CHURCH ORGANIZED IN THE INTERIOR ... SCHOOLS FLOURISHING ... WORK ON AUDITORIUM ABOVE BREEZEWAY TO START

by John Hatcher

Dear Brethren:

Manaus, Brasil
March 20, 1963

"Rejoice evermore" or "rejoice all of the time without stopping". This is our christian privilege and obligation in which we can bring glory and honor to the name of the Lord Jesus. I must confess that I fall short and fail greatly in taking advantage of this privilege. Some of the days it seems that the joy is more than on others but the fault is in me for He never changes and He being the reason of my joy should always be enjoyed. This month has been one of exceeding joy and I know that you will want to share the joy with me.

Brethren Preaching,
Baptizing and Teaching

Brothers Sostenes Melo and Francisco Santiago, pastors of the Zion Baptist Church and The Tabernacle Baptist Church are on a

three or four month trip into the states of Maranhao Pernambuco and Ceara. This is a trip of about 4,000 miles or more. The first report from them was from Peritoro in Maranhao where on other trips six had been baptized.

STATION WAGON

It is only three months until the John Hatchers and the Bob Creiglow's will be coming home for a year of furlough the Lord willing. We have one Station Wagon that The Harold Bratchers are using. Now we need a second one and we only have \$431.00 in the Station Wagon Fund. We need over two thousand more dollars and only three months to go. Brother pastor, please join us in prayer about this and then lead your church to give a special offering for the Station Wagon.

BUSY VISITING THE CHURCHES

by Harold Bratcher

Richmond, Kentucky

Dear Brother Overbey: March 25, 1963

I am happy to report that I've had the privilege of working in the Lord's vineyard with the following churches and pastors: February 17-24-Revival with Marcus Suttles and the Hitchens Baptist Church. This church is in Carter County, Ky. There were three professions, 1 rededication, and 1 by letter during the meeting.

February 27-1 preached and showed the slides at the Salem Baptist Church in Greenup County, Kentucky where George W. Martin is pastor.

March 3-1 preached in the morning, afternoon and evening services of the Howard's Mill Baptist Church near Mount Sterling, Kentucky where Joe Lloyd is pastor.

March 4-15-Revival with Pastor H.C. Grooms and the Lucasville Baptist Church of Lucasville, Ohio. The Lord gave us two professions and 2 by letter.

March 17-1 preached at both services at the Lusby's Mill Baptist Church of Owen County, Ky. where Robert Barker is pastor.

Since the 18th I have been engaged in a revival with Pastor Sam Dennis and the Northside Baptist Church of Lexington. I have also spoken four mornings at the Chapel services of the Lexington Baptist College.

May the Lord's richest blessings rest upon all of you.

Yours In His Service,
Harold Bratcher

FIRST TRIP IN REPAIRED HOUSEBOAT WITH OVERBEY AND HENDERSON ... JUAN CASTRO PASTOR AT PUCALLPA ... JAIL SERVICES ... TEACHING CLASSES

by Del Mayfield

Dear Brethren:

Pucallpa, Peru
March 20, 1963

We are still rejoicing over the days we had together with Brother Overbey and Brother Henderson and have thanked the Lord many times for making their visit with us possible. The only thing wrong was that the days passed too fast, and was just not enough time for Peru. We hope and pray that many of you other brethren will come and visit us also. I'm sure it would encourage your heart to see the great need, and the vast field that lies before us.

I'm sure Brother Overbey and Brother Henderson will write about our trip together on the boat. But let me share with you some of the blessings that was ours before they arrived. Seeing that they could not come here to Pucallpa because of time and we could not get reservations for them, so we went to Iquitos to be with them there. We lived on our house boat and worked every day getting it ready for a trip. And we have Brother Lauerman and Brother Juan Castro to thank for helping us and without them it would have been impossible to get it repaired and ready to go. Little did we ever think that we'd have the privilege to make our first trip with Brother Overbey, Brother Henderson, and Brother Lauerman. These days together will never be forgotten. I'll let the brethren write about the rest of our trip, and if it's not all there I'll tell you about it next month.

We had planned to travel back up river with our boat, but when on returning we found a bearing in the back unit was burned out. So we thought it best not to wait for the part but returned here by plane. The Lord is good, and His ways are much better than ours. When Brother Overbey returned home and explained to the company that makes the unit how that everything was, they exchanged the unit, but advised we have an extra heavy unit for our boat. So we will soon have a new unit with very little cost for the exchange of units. We are looking forward to our trip next month the Lord willing. We do not know just how long it will take to make the trip back up river. But we'll try to get a letter off at one of the big river towns, to let you know how our trip is going.

On February 16th we came back to Pucallpa bringing Brother Juan Castro with us to take charge of the work here in the church, which would let us be free to work the river. Brother Castro came by himself and spent a week in our home waiting for his family who came the 24th. When they arrived they moved into the house that the church had rented for them. The church has received them very good, and every thing is going along very good. Brother Castro and I have visited together and I'm sure it paid off Sunday with many visitors present. We also now have lights in our building, and that sure is better than lamps that we have been using. We have also built seven new benches for our class rooms which stopped all the confusion that we were having moving benches back and forth from the auditorium to the class rooms. We also are planning on building several more for the auditorium as soon as possible. I am teaching the adult class, and also have started a Friday Class for any who want to come. We had a man for baptism Sunday morning, so Brother Castro baptized his first Sunday afternoon. I took some pictures of the baptismal service but haven't got them back as yet. I'll try to have them for next issue.

We have had jail services every Saturday afternoon and the Lord has blessed this part of His work. There is always from 40 to 50 men every Saturday to preach to, and the part is that they have to listen whether they want to or not. Last Saturday two more made professions of faith after Brother Castro had preached. We rejoice that the Lord has opened the door for us to take His word to the jail and that many have been saved. Pray with us that the door will remain open for us. I hope you got the picture I sent of the building and the painted sign that we now have on the building, so that everyone can see what some of the men of the church did while we were in Iquitos. Everyone that I've talked to in Pucallpa has complimented on how nice it looks. Continue to pray for the work here as we desire your prayers. May the Lord bless each of you, and use you for His glory.

Yours by His Grace
Del Mayfield

JUAN CASTROS MOVE TO PUCALLPA ... SIGNS MADE OF RIVER CHURCHES ... THREE CHURCHES TO BUILD CHURCH BUILDINGS ... THE LORD IS BLESSING

by Walter Lauerman

Iquitos, Peru
March 20, 1963

Dear Brethren, Blessings have written songs "Count Your Many Blessings" and "Showers of Blessings" without a doubt these men were led of the Lord to write such songs. Again the blessings have flown our way. Brother Overbey and Brother Henderson have come and gone but the blessings and memories are still here. All we can say about their visit, is that it was too short but really wonderful. May the Lord bless these two Godly men.

Juan Castros to Pucallpa

Two professions of faith in Iquitos this month. Attendance about the same and offerings same also. The Juan Castro's have moved to Pucallpa to work with the Mayfields there. We lost another good family in the Castros. I checked and found, that our church in Iquitos has lost 27 members to other churches in a year and a half. Three of these are pastors. We still have 23 in our membership. We don't mind losing them when they go out in work in other churches. May the Lord bless everyone of them. These 27 members lost has meant over 50 lost in our Sunday School attendance, but we still average about 50 in Sunday School. The Men and Women's classes are well attended and we thank the Lord for all of the blessings.

Signs for Churches on Rivers

Brother Jorge Macahuachi and I have made 5 church signs for all the river churches and also made a 4 by 6 feet blackboard for the Preacher's classes and Brother Jorge made a beautiful map for the class of Paul's Journeys. This month's preacher's classes have been almost all pure tests. The brethren have fared pretty good. We thank the Lord for the growth that we see in the brethren. Brother Jorge and I visited Llanchara on the Nanay River, where Brother Abram Gaima preaches regularly, and we had a well attended service.

Four Baptized at San Antonio

We also visited the San Antonio Church and Orellana. At San Antonio, Pastor Torres, baptized 4 people the day we were there. It looks like the work in San Antonio is growing. Reports of the rest of the churches are as

following: San Pedro Church had 1 profession of faith and an average attendance of 30. The pastor visited 2 times a little village called "Caball Cochita." The brethren of the church also decided to start work on their church building soon which is needed there. Pray for Brother Manuel and his church. The Hojeal Church had a regular month with attendance about the same. The church has a fund started to put a metal roof on their building. Pastor Marcial was unable to do much visiting, as 2 boats (canoes) were robbed from him in one month. The water is up now and cuts off the path to the other end of the village and so all travel in Hojeal in these months of high water is done by canoe. The Astoria Church has the lumber on hand to put the framework up on a new building. The members of the church have brought the lumber from the nearby jungle. The attendance is around 30 in all services, including Thursday in the Mission and also Friday night Bible Class. The church excluded 2 members one who is in jail for fornication and the other for being asked to be taken from the roll. Brother Purificacion is doing a good work in Astoria. Also in Mapa Cocha the lumber is at hand for the church building. Brother Abram Gaima has had a hard time getting a piece of ground to put the building on. He had one and the governor of the village took it away from him. Brother Abram has done a lot of visiting this month in Mapa and the attendance has gone up. Brother Abram and his wife also have visited Llanchara and Tipishea. In Llanchara was well attended as always but Tipishea was not. Brother Abram has a Friday night Bible class in his church. In spite of all the devil tries to do in this place the Lord blesses, Pray for these churches as they struggle along. I would like to say that we were well received in Orellana by Javier Freitas and family. Javier has not preached 1 sermon since he left Mapa Cocha, so pray for him that he might preach, if God has called him. May Our Great God and Saviour shed His blessings upon all of you for His glory.

Yours in Christ,
Walter F. Lauerman

(Continued from Page 1) Hatcher

The letter from them said that all of the believers were firm in the faith and that they had baptized eight more including four Presbyterians one being a preacher. Another young lady could not be baptized on that day because of the flu. The next week they were to have a vacation Bible School. A letter from the folk in Pernambeco who were baptized on the last trip we made there said that they were awaiting the arrival of Sostenes and Santiago with all their heart.

Interior of Amazonas

Church Organized in Janauaca

Brother Manoel Costa, pastor of the Terra Nova Baptist Church and the Fourteenth of December Baptist Church invited Brother Manoel Sarmento and me to go with them to help in the organization of the Baptist Church in Janauaca. Believe me when I say it was an experience long to be remembered. Leaving Manaus at 6:00 a.m. we traveled all day and arrived at the home where the services were to be held at 5:00 p.m. After meeting and greeting we borrowed a canoe and were off to find a secluded place to take a bath. This accomplished and clothes changed the hour was six o'clock and the people were already arriving for the service that was to begin at 8:00 p.m. This work was started by the Fourteenth of December Church and a deacon of that church by the name of Eugenio Nascimento, a retired navy man, has been the main stay in keeping the work there alive. He is a man not as grounded on some doctrines as we would like but zealous to preach and tell people about Christ. He is a great soul seemingly dedicated completely to the work of the Lord and the Lord has used him in a great way.

The service started at 8:00 p.m. and the crowd was large. There were no benches except three poles set on forked posts that were set in the ground. These were about five inches in diameter and altogether would seat about 60 persons. There were 160 persons present. After the singing of hymns and the choruses of the children the presentation of the 19 charter members was made and they accepted the church covenant and were then officially recognized as a church. At 9:00 I started to preach and finished at 10:00. While we were singing what was to be the last song many came and asked if they could not have some more preaching. Brother Sarmento then preached and at 10:30 p.m. finished and they still wanted to hear another sermon. The hour being late we sang two or three hymns and at 11:00 the service was dismissed. Think of it: over 100 persons standing up from 8:00 to 11:00 and still wanting to hear more preaching. This does not happen often even here and when it does what a blessing it is. There were three professions of faith. During the trips last month of Brother Costa and Brother Eugenio there were 12 or more professions of faith.

Trip to Codajas

On the 10th of March the plane took off at 7:00 a.m. and about an half hour later we landed in the river at the first stop. Taking off again we flew about 10 minutes and the radio man noticed that the instruments were not in order so back to Manaus we came. The ground crew started to work but at 11:30 I judged that it was best to cancel my trip and go another day. I now have reservations for the 10th of April.

New Building

These past days we have put down about 150 square meters of concrete in the floor of the breeze-way and the Lord willing work will start Monday on the School auditorium which will be put over the top of the breeze-way. The plans are in the City Hall and should be out today. Time will not permit the finishing of the auditorium before returning to the States in July but the Lord willing it will be under roof.

The Schools

The past days have been exceedingly busy ones however for us they have been happy ones as we have seen the hand of the Lord upon His work. The Preacher's School building is quite like a bee hive. At 7:00 a.m. each morning the second floor is occupied with the High School. In the first year of existence a new High School is only allowed to have the freshman year or first year and the second year of existence all four years function.

The name of our High School is "GINASIO BATISTA DAS AMERICAS" and it means Baptist High School of the Americas. The real reason for using this name is that it is a work of Christian love that starts in one America and ends in another America. The High School has an initial enrollment of 23 students. You all who have had a part will be thankful. We need help in the payment of the teachers and those whose hearts are touched as to the need will be blessed in helping. At the same time on the first floor the Baptist Theological Seminary of Manaus functions. At 1:30 p.m. the COLEGIO BATISTA DAS AMERICAS which is the primary school is in session. This year we have 140 students enrolled and about 20 more enrolled in the School at the Chapada.

Other Church Primary Schools

The Bethel Baptist Church also has started a school in a section outside of the limits of Manaus, and they have an enrollment of 20 pupils. The fourteenth of December Church also has a primary school but at the present the enrollment is not known. Then the church in Ourucuri has a primary school.

New Students in Preacher's School

This term we have eight new students in the Bible School. To half of these we are teaching the primary studies along with their Bible Studies.

Wooden House Bought Turned Into Dormitory

The house and lot next door which was bought about one year ago has been turned into a boy's dormitory housing at present six young men. Manoel Brito and his wife, the young preacher that came down from Campo de Santana in the Acre, live in one half of the house and do the cooking for the single students.

Well brethren, this tells you all a little about the work this month and so we hope that you will rejoice with us in the Lord.

In Him,

John A. Hatcher

some of the lost are coming to our services as there were about 50 in attendance. The interest is still very good and the progress is slow, but we believe if we or another preacher could stay there working we would see many come to Christ Jesus in faith for salvation. I wrote last month that we have bought a house for a school. We now have desks and benches made to take care of 48 students and when we were last there we had 42 registered with the promise of several more. Because our school is free the priests for the first time in the history of their school has offered theirs free also. They of course condemned our school and said they would teach dogs if necessary, but would not teach the children of Baptist any longer. I would be glad to leave them with the dogs. The director of the public school went there to register the students and I am told that he did not get any. About all of ours are children of the believers with the exception of perhaps 6 or 8 students.

Cruzeiro do Sul

We are to leave Cruzeiro do Sul tomorrow to go back to Colonia for the opening day which is Friday. We will come back to Cruzeiro do Sul Sunday afternoon in order to be here for the opening day of our school here on Monday. I could not get anyone to make desks for the school here, so I spent about three days making enough for 30 to 36 students. The last report I received there were over 30 registered here. We hope the Lord will bless these schools to the salvation of these young souls for His glory. I also, hope and pray that the Lord will put it on your hearts to help support these five teachers of these two schools. The churches here have agreed to pay half on faith and hope for help from someone there.

Two Houses to be Repaired

The two houses of Baptist Faith Missions here have become in very bad shape, so I have started the slow process of getting them fixed up. Here it is not as easy as it is there. We can not go to the phone asking for such and such materials to be delivered the same day or the next. We must order the lumber and then it must be sawed by hand out of a rough log. I had to order bricks a month ago and was told we could get some of them next week. After these materials are made we must go get them for they have no delivery service here. With the help of the Lord I hope to have all this done before we come home in July. This amount of work there could be finished by a good crew in about a week, but we are not there so we will do it as we can.

Old Patriarch Recovers

Last month I also told about the Old Patriarch being very sick. It was several weeks before we received another notice. It seems that the Lord shed His mercy upon him and he is now up out of bed and almost as new. Although no one thought he would ever get out of bed again the Lord has shown His power to answer prayers. To Him we give the glory for this and all blessings.

Barao

Brother Cido tells me that all goes well in Barao. He was in Cruzeiro do Sul only a few hours because his daughter was, and had been, sick for several days.

Japiim

Brother Mario of Japiim spent about a week very sick, but is now well again. He told me of an old man who has been coming to the services with much interest in the gospel, but the Priests are doing all they can to prevent him from trusting in Christ as Saviour.

Maita

The new pastor of the new church in Maita is this week fixing up an old house to move his family there. They are also starting to saw lumber for their new church house. Pray for this new church and Pastor.

We have spent most of our time here in the church in Cruzeiro do Sul and am sorry to say that it is still very cold, but hope that God will send a revival and a Pastor here.

I close this letter with our family in good health and desiring the Lords blessings for you all there. Pray for us.

In Christ,

B. D. Creiglow

P.S. I forgot to write another thing the priest said about our school. He said, "The Baptists' say their school is free, but later the students will all have to pick coffee to pay for it." I don't know how, we don't have any coffee to pick.
