## ANOTHER CHURCH ORGANIZED IN MANAUS BRAZIL - - - -

This is the church house of the newly organized Peniel Baptist Church and used to be the home of Maria and Helena, the girls that live in the John Hatcher home.

The Salem Baptist hired a bus and brought a bus load to the organization of the Peniel Baptist Church. Pastor Manuel Sarmento of Salem Church is outside the fence with the books in his hand.

Standing is Julio Dantes, pastor of Chapada Baptist Church, who worked to see the new Peniel Baptist Church organized. Seated is Manuel Sarmento, pastor of Salem Baptist Church who brought the message.

This is part of the crowd inside at the organization of the Peniel Baptist Church 20 minutes before starting time. The house was filled, the aisles were filled.

## New Church Organized In Sao George . . . George Bean And Sherman Smith Preach First Sermons In Portuguese . . . Another Church To Be Organized Soon The Lord Willing . . . Older Churches To Begin To Help Support Their Pastors . . . Financial Help Needed

By John Hatcher

Manaus, August 1964

Dear Brethren,  
 Another month has passed swiftly and so we will attempt to share with you the happenings of the Lord's work here. On the 24th of July, the Fourteenth of December Baptist Church celebrated their anniversary service. The building was completely packed and many stood outside. Brother Bratcher is the pastor of this church.

### CHURCH IN SAO GEORGE ORGANIZED

On the 31st of July, the mission in the section of the city called Sao George was organized into a Baptist church by the authority of the Chapada Baptist Church. This work was started just about 14 months ago and Brother Julio Dantes, one of the Bible School graduates was in charge of the mission point. During the year we were in the States Brother Dantes served as pastor of the Chapada Baptist Church and also as director of the grade and high schools. Brother Moises Lima, the son of Brother Cido Lima, pastor in the Acre, worked with Brother Dantes in the Sao George mission. Brother Moises is a student in the Bible School. The new church's name is Peniel Baptist Church.

After the church was organized it called Brother Dantes as its pastor. Accepting this call he resigned as pastor of the Chapada Baptist Church and the church called me as pastor. On the 16th of August one girl was baptized into the fellowship of the Chapada Baptist Church.

### FIRST SERMONS

Two weeks ago Brother George Bean and Brother Sherman Smith preached their first sermons in Portuguese. This is always an interesting experience, to say the least. Brother Bean preached at the newly organized church of which he is a member and in the evening preached at the Salem Baptist

Church. Brother Sherman Smith preached at the Chapada Baptist Church. Sherman wrote out the sermon and then translated it and studied it until he knew it well enough to preach. All of the people said they understood well and I am sure they did.

### WORK ON LAUNCH IN PROGRESS

When we arrived in Manaus the roof was on the launch and ready for the windows. Due to a mistake in the plans, however, it was necessary to take off the front half. The way it was built obstructed the vision in such a way that it was necessary to change

## Cost And Needs

We have had to send three families, The John Hatchers, The Bobby Creiglows and The George Beans to Brazil and bring home one family, The Bruce Lunsfords. Also, we have had to bring home from Peru The Del Mayfields. This is five families totaling 24 persons that we had to buy airplane tickets for. The tickets for these and the cost for baggage and customs cost over ten thousand dollars. This has taken all we had in the Regular Fund and we have had to borrow about \$2,500.00 from the launch and building fund, which must be paid back. The work has grown and the cost to operate the last few years has been more than we take in each month on the average and the Special Thanksgiving offerings have made up the difference. Brethren, we need more Thanksgiving offerings this year than ever before. Please pray and give. We must make up this deficit and have enough on hand to send the Mayfields back to Peru next year and bring the Lauermaans home on furlough. Also, we

should have enough on hand to bring home all the missionary families in case of war or national emergency and we are forced to do so. What will happen if the deficit is not made up? This means that all the missionaries will have to miss a month or more salary until it is made up.

Please make all checks for all Mission offerings payable to Baptist Faith Missions and mail all mission offerings to:

## The Hottest Time Of The Year . . . Journey Made . . . Nineteen Baptized . . . Annual Report Of Church . . . Girl Bitten By Dog . . . The Lord Is Blessing

By Harold Bratcher

Dear Brethren,  
Manaus, Amazonas  
August 11, 1964  
The hottest time of the year in "the land of the eternal summer" is now upon us. However, in spite of the heat, I'll try to write you the monthly report of the work here.

On July 17th, three of us from the 14th church, my son Asa Mark, Mike Creiglow and Sherman Smith left Manaus on a rented boat with our destination being Usina do Brasil. We arrived there just in time for their regular Friday night service. This was the first of 6 services we held there. Sunday afternoon it was my privilege to baptize 9 there. Our best attended service was the last one, Sunday night, when I preached to 89. Let me say that each one of my companions was a help and blessing to the services. Monday morning we started our return trip, stopping at Jeturiana or Terra Nova where we had a good service Monday night with 64 present. This was my first visit to this interior church where Manuel Costa is pastor. We left at 9:30 p.m. after services and arrived home at 4:00 a.m. Tuesday morning. During our absence Brother Creiglow ably filled the pulpit for me at 14th church.

July 24th marked the fourth anniversary of the Fourteenth of December Church and also my first anniversary as pastor. The churches here in Brasil always mark the anniversary of the church with a special service. Brother Hatcher preached the sermon which stirred and challenged us as well. I share with you part of the report which I prepared and presented that night for the year, July 24th of 1963 to July 24th of 1964. We praise the Lord for the blessings which He has given us.

Gains	Losses
By baptism - 41	By letter - 18
By letter - 6	By exclusion 1
By restoration - 3	By death 0

The 18 letters were granted to form the Janaauca Baptist Church in the interior. Total number of members - 109. This includes all the members in the four missions of the church. Sunday School enrollment, not including the missions, 106. Total offerings received (February-July of 1964) Cr\$715,143.00 (\$575.00).

On July 26th and then each day for the next four or five days I visited in the home where a teen-age girl, whose picture recently appeared in the Mission Sheet among the baptized of 14th church, was bitten by a dog. The bite or perhaps the shock, caused her to act like a mad person, trying to bite others and having to be held in her hammock, groaning and out of the head. Twice the report reached us that she had died. The Lord responded to our prayers and at this writing she is almost well. The doctors think that the dog was not mad but that the shock caused her to react as she did.

On July 31st we attended the organization service of the Peniel Baptist Church. (See Genesis 32:30.) I'm sure the other brethren will write more in detail of this service.

On August 9th I baptized 10 as pastor of the 14th church. Six of these were from Bairro Vermelho Mission. These were the first to be baptized from there since the mission returned to us some eleven months ago.

The Lord is blessing in the Seminary classes. We are now studying the book of Romans. We shall soon be terminating another quarter's work. I plan to leave on August 26th for a two week interior trip. The Creiglows will be leaving us Sunday, August 16th. Their stay in our home has been a blessing to us in every way. Remember us when you pray.

Yours In His Service,  
Harold Bratcher

## Preaches First Sermon In Portuguese . . . Studying Portuguese Everyday . . . Had A Round Of Malaria

By George Bean

Dear Brethren,  
Caixa Postal 227  
Manaus, Amazonas  
August 14, 1964

We thank God for every remembrance of you. It does not seem possible that it is time to write another letter for the MS. I see by the calendar that it is. The weather here is beginning to warm us some but it rains some and cools off some. I have the following to report this month. We went to Sao Jorge mission for prayer meeting July 15. Sat., July 18 we got the rest of our baggage that was lost on our way here. Sunday, July 19 we went to Sao Jorge mission for church and Sunday school and in the afternoon we went to Tabernacle Baptist Church for the baptizing of two candidates from Chapada Baptist Church, also two from Bethel Church. That night we went to 14th of December Church.

Monday July 20th I was ill with malaria but bought medicine that cured it right away. Wednesday July 24 we went to 14th of December for their anniversary service and Brother Hatcher preached to a large crowd.

Sunday July 26 was my birthday and I went to Sao Jorge Mission morning and evening. Wednesday July 29th we went to Sao Jorge for prayer services. Friday July 31 we went to Sao Jorge mission for the organizing of a new church and we are charter members there. The new church chose the name Peniel which means face of God Gen. 32:30. Sunday August 2nd we went to Peniel Church for services. Wednesday August 5 we went to Peniel for services and the new church observed the Lords Supper. Brother Creiglow preached and a girl made a profession of faith.

Sunday August 9th I preached my first time in Portuguese at Peniel Baptist Church. I preached for two hours, I thought, but when I looked at my watch I had preached twenty minutes. That same night I preached at Salem Baptist Church. I had good liberty but one

thing I learned was that I don't know as much about Portuguese as I would like to. Also I went to Tabernacle Baptist Church for the baptismal service of 14th of December Church. Brother Bratcher will probably report on this.

Wednesday August 12th we went to Peniel Church for prayer services. Everyday this month I have been in school studying the language.

Brethren, remember us when you pray and may all of you enjoy the richest of God's blessings.

Yours In Him  
George Bean

## On A Catalina Flying Boat In The Air . . . Five Weeks Stay In Manaus . . . Refresher Course In Portuguese . . . One Profession Of Faith . . . Stayed In Bratcher Home . . Arrive Safely In Cruzeiro Do Sul

By B. D. Creiglow

Dear Brethren,  
Brazil, S. A.  
August 16, 1964  
At the present time we are just a few minutes out of Manaus, aboard a Catalina flying boat on our way to Cruzeiro do Sul.

Upon returning to Brazil we had hoped to spend just a week or two in Manaus, but due to the fact that the airlines were full until this date we have had to spend five weeks there. We were very much disappointed at first, but came to realize that the Lord let it come to pass for some good reasons. The first reason is that it gave us about four weeks of study in Portuguese, which we did not get the first term. I think we all are doing much better than when we went home a year ago. The second reason is that after the outboard motors finally arrived (sent by the Mission) we learned that they, along with a large box that I brought, were too large to send on these small airplanes, so I had to take the motors apart, make boxes and repack everything. I started out with three large boxes and ended up with thirteen small ones. Had we left Manaus sooner, this would have been left for the other brethren to do and they already have enough to do. The stay in Manaus also gave us the opportunity to get better acquainted with the George Beans. We have been studying in the same class with them and have enjoyed very much the fellowship with them. They are having a struggle with the language as

we all have had and are still having. Remember them as you pray.

While in Manaus we also had the privilege of witnessing the organization of a new church of about 25 charter members. I think the other brethren are writing about this, therefore I will not say more. About a week after the organization I was asked to preach in the new church and had my first profession of faith in Manaus and also the first since our return. This was the result of the faithfulness of the native brethren that have been working there and not of what I have done.

We also had the privilege of hearing Brother Bean preach his first sermon in Portuguese. I am sure he will want to tell you about this, so I will not say anymore about it. Brother Sherman Smith also preached in Portuguese for the first time, the same morning, therefore we did not get to hear him, but the brethren said it was well understood.

I preached several times while in Manaus. The first time or two I had some trouble due to the fact that I had forgotten some words. Last Sunday I preached at a baptismal service for Brother Bratcher's church with good liberty and less mistakes in the language than at any other time I have preached.

the design of the front. The back part of the launch is covered and the windows are in that part. The framework under the floor of the front part is finished and the floorboards laid in place. As soon as the front part is on and the windows of the front are in, so that the boat can be closed in, they will set the motor. All the gear under the boat is finished. The rudder, propeller etc. are in place, ready to receive the motor. If nothing happens they should set the motor within five or six weeks.

### WORK ON BUILDING

We are trying to finish the auditorium over the breeze-way and the rooms underneath. After finishing this part of the work, the plan is to put in the tile flooring of the school. It is being used now with just the rough concrete floors.

### MISSION AT COLONIA MACHADO FIVE PROFESSIONS

Last evening, at the invitation of Brother Newton, I preached at the mission found in one of the outlying areas of the city. About fifty people gathered and all were very attentive to the message preached. When the invitation was given five persons rose to their feet and made professions of faith. Two were women and two were children of one of the believers and the other was a man of 74

years. On the Sunday before there were four professions of faith. It is possible that this mission point will be organized into a church within a short time.

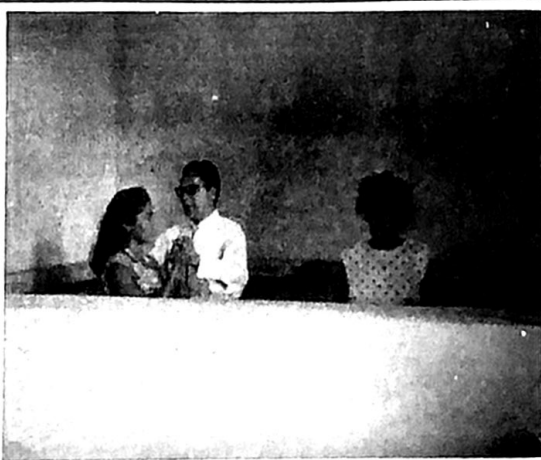

### MISSION WORK IN BRAZIL FACES GREAT PROBLEM

Here in Brazil our work faces a financial crisis as never before. The inflation is unbelievable. The prices have gone to the sky. This is only half the problem. The other half is that the people here earn a wage that barely gives an existence. This is the reason that our churches have not reached a financial independence. They still must be helped. We have more churches and more preachers spreading the gospel than ever before. They still need our help. Plans are being made now with the churches that have received help the longest that in the month of January they will start assuming a percentage of what their pastor receives from BFM. This will teach them the blessing of supporting the ministry and also will give us more money for more men to go into places where the gospel has not gone. Brethren, our time may be short. May God help us to do the work now.

In Him,  
John A. Hatcher

## Family Well Of Parasite Trouble . . . Jorge Macahuachi's Baby Died . . . Reports From all The Churches And Missions . . . Preacher's Classes A Blessing To All

By Walter Lauerman

Dear Brethren,  
Iquitos, Peru  
August 21, 1964  
We are all fine here. All the family has been cleaned up from the parasite trouble. I continue to have a fungus and the doctor says I will have to have a general physical examination to find out why, after taking so much medicine, this trouble lingers, etc. It is very painful at times. Jorge Macahuachi's wife is much better and Pastor Purificacion's wife is well now. Continue to pray for them and all the preachers' wives in general. I have preached for Brother Jorge in the Iquitos church two complete Sundays and also a Sunday night because he could not leave his wife. I had a profession of faith one night. Jorge had one also last Sunday. Laura, daughter of Simon Gaima had a child also and had not recovered normally. My wife has had to teach her class and could not go with me, although I did not get to go on the rivers too much this month anyway. I did go to Hojeal, Astoria and Mapa Cocha for one service each. I repaired and painted a boat again this month. One day I might be good at this. Also Jorge's baby (born deformed) died July 27, the same day that Brother Hallum died. We are sure that it was best for the baby, Jorge's family and the work. We send our sincere sympathy to Sister Hallum and Marguerite at this time of sadness upon Brother Hallum's death. May God grant rich consolation.

The churches report as follows: San Pedro, attendance 25 average, offerings down. Pastor Antonio Torres visited two times with church. Antonio is trying to encourage the church to build a church building. San Antonio church: Attendance 27 average, offerings 205.05 soles. Pastoral visits besides San Pedro, Vainilla and 16 house calls in San Antonio. One profession in Vainilla. Hojeal church: Attendance 48 average. Total offerings 158.65 soles. Pastor Manuel visited the entire village this month. They are working on the roof and services are held in the pastor's home but this week all work should be done and services will again be in the building. Astoria church: Attendance up again 38 average, offerings about the same 167.14 soles. Pastor Purificacion visited Timicuro again this month. This is on the Amazon River about 3 hours in canoe from Astoria. Attendance here 15 average. Preaching in the village inland from Astoria. Parichocha 45 average attendance and 1 profession of faith. also, there were 3 professions in the church

itself. Mapa Cocha: Average attendance 35, offerings 163.50 soles. Friday night classes on "The Tithe" and the "Offering". Village covered again in visitation. One excluded member lost a child in death. The church is hoping this will bring the person back to serving the Lord. In the Mission of the church in Tamshiyacu the attendance was about 20 and offerings about the same. Marcial the preacher there made 12 visits with one saved, also. The Mission finally succeeded in getting a lot, paid for it and have enough money left over to build a house in which to worship. Soon they hope to have this done and the Lord willing they will organize a church. There are several that are contemplating baptism. Brother Marcial preached in other places also this month: Tapiro Nuevo, Attendance 17, Tapiro Grande, 25 with 1 profession and Panguano attendance 15. Services in a house close to Tamshiyacu had 29 in attendance.

I am planning to visit in Iquitos this month as the river is low now that I cannot get to many places. Not because of me but in spite of me the preachers classes are a blessing. The text books we use have been a tremendous help to them. His studies and the B. H. Carroll commentary have enriched Brother Jorge's preaching very much. The church and I gave him this commentary at his ordination. He thinks highly of it. The Lord, I can see, is always blessing in one way or another in spite of many downfalls. For example: There are only 3 members in the Iquitos church that were here when I came to Peru 7 years ago besides the river churches and the souls saved etc. So I will try to be faithful and do the best I can which I see is very poor.

May the Lord bless you all and we continue to thank God for you.

By His Grace,  
Walter F. Lauerman

## REMEMBER YOUR SPECIAL THANKSGIVING OFFERING

## Visiting Churches And Conferences In The Interest Of Baptist Faith Missions

By Del Mayfield

Detroit, Michigan  
August 25, 1964

I am writing this letter in the home of Brother Overbey in Detroit, Michigan for the dedication services of their new church building. We sure are enjoying the fellowship here and in all the other churches that we had the joy of being with. It has been a month that was filled with blessing and we know that we will not soon forget the many blessings which have been ours.

Before we give you the report on our activities this past month, I'd like to tell you we have received letters from Brother Alberto Brito who is preaching in Pucallpa and also from the school teacher at San Francisco. Brother Brito reported that the devil had been at work and had tried to destroy the work, but that he was standing for the faith and the Lord was blessing. The school teacher Brother Juan Quespi Flores writes that the church and school at San Francisco are going strong and the Lord is blessing in the school, and also in the church. For this we give thanks to our Lord.

We have visited several churches this past month. July 26th we were at St. Louis Park Baptist Church, St. Louis, Missouri. Brother De Mott is the pastor. It was in this church several years ago that the Lord saved my wife and me. It sure was good fellowship with old friends and meeting new ones. Wed. night the 29th of July we were at East Keys Baptist Church, Springfield, Ill. where Brother James Hicks is the pastor. Because we just slipped in on them without them knowing of our coming, Brother Hicks said we'd have to come back and help in Revival meeting starting the 11th of October. We're looking forward to being with them. Pleasant Plains Baptist Church, Pleasant Plains, Ill. where Brother Merritt is pastor invited us to come and preach for them Thursday night and then they gave us a big supper Friday night. Everyone came and we sure had a good time with the people there. Saturday the 1st of August we were at Peoples Baptist Church, Alton, Ill. where Brother John Keltie is the pastor for their monthly fellowship meeting. Had the privilege of hearing many of the brethren preach and also having the privilege to bring the last message. The next day the 2nd I preached for Brother Keltie. Let me say here before I forget, that Brother Keltie and his fine church have helped us in getting a home and gave us many things to set up housekeeping again. We sure appreciate everything they have done for us, and thank the Lord for them. Saturday August 15th we were with Brother Fisher at the Waverly Road Baptist Church, Huntington, W. Va. I showed the slides on Saturday night and preached at both services on Sunday. We enjoyed being

with Brother Fisher and his good church. Leaving there we took our son Ed down to Mountain State School at Alderson, W. Va. where he will be going this year. He will be working at the school this year to pay part of his way. Pray for Ed that he will be a blessing to the school.

Leaving the school we went to the Missionary conference at Bible Baptist Church Clarksville, Tenn. where Brother Elton Wilson is the pastor. We have never enjoyed more hospitality than Brother Wilson and the church showed us while we were there. I enjoyed preaching and hearing all the good messages that the brethren preached. Wednesday night we went with Brother Henderson to Gracey, Ky. where he is the pastor of the Julian Baptist Church.

Saturday the 22nd we were at Calvary Baptist Church, Crestline, Ohio where Brother Hensley is the pastor. After preaching and showing the slides one man came trusting the Lord to be his Saviour. We also were there Sunday at their homecoming. After preaching for them in the morning service we enjoyed the dinner they served at the park. In the afternoon they had a time of singing. Many came from other churches with special numbers in song. After supper at the park we drove to Marengo, Ohio to be with Brother Charles Margraff pastor of the Getsemane Baptist Church. This is a new church and they told me they would be sending their first offering this month to Baptist Faith Missions. We rejoice with them in the blessing of God.

We are looking forward to being with you who have asked us to come. Pray for us that we may be a blessing and that the Lord will receive all the glory. May the Lord bless you all.

Yours by His Grace,  
Del Mayfield

Creiglow (Continued from Page 2)

We spent the five weeks in the Bratcher home and we are very grateful to them for everything they have done for us.

The family is all well and looking forward to getting back to Cruzeiro do Sul.

Remember us as you Pray that the will of the Lord be done in our lives. May He richly bless you all for His glory.

In Him,

B. D. Creiglow

P.S. We arrived on schedule and were soon initiated. There had been no rain here for over a month, but before we could get to the boat we had a downpour. Off came the shoes and down over a muddy river bank we went.

Here are five men believers at Usina do Brasil. The man holding the Bible preaches when Pastor Manuel Costa is absent. The man on the extreme left also preaches at Rio Urubu.
