TWO MORE CHURCHES ORGANIZED IN BRAZIL . . .

This is the new church building at Moita on the Moa River in the State of Acre Brazil. This is a few hours by boat from Cruzeiro do Sul. The pastor Jose Cardozo is standing in front of the building. Brother Creiglow organized this church and this picture was taken on November 15, 1964 which was the second anniversary of the church. There were 104 inside and many outside that could not get in. Both Pastor Cardozo and Bobby Creiglow preached. (Bro. Creiglow sent a picture of the crowd in front of the building but misplaced and cannot find it).

Outboard Motors And Baggage Finally Arrive In Cruzeiro do Sul . . . Native Churches To Help Support Their Pastors . . . Leaving On Long Journey Up The Jurua River

By Bobby Creiglow

Cruzeiro do Sul
 November 27, 1964

Dear Brethren,
 By this time the Thanksgiving Conference has come and gone and we trust it has been a good one with many souls revived and on fire for the Lord. We, also, had a good Thanksgiving Day, although here it is not a holiday. Our feasting was done on weiners and sauerkraut with farinha. Truly every day should be a day of thanksgiving for those who are trusting in Christ.

Just after we arrived here in Cruzeiro do Sul I rented a house near the river to store our gasoline and supplies. We also had hopes that our motors and other things that we sent from Manaus would arrive soon and we could therefore use the house to unpack, but they did not come until about three weeks ago. We had just unloaded it all off the truck and had started to unpack when the man of the house sent us word that he had sold the house and wanted us to get out the same day. I told him that it would be impossible that day, but would move the next. Within a few minutes I had rented another and the next day we moved. We are now all unpacked and have found a place for almost all the things we brought. Although we had much doubt that we would receive everything, but at last it all came in very good condition.

On November 15 we were invited by the church of Maitai to spend the day with them to celebrate their second anniversary and the dedication of their new church house. This was indeed a pleasure for us as two years ago the Lord gave us a part in helping to organize this church. We left home about 6:00 A.M. arriving there about 8:00 A.M. only to wait until 10:00 for the services to start as almost all the church at Mourapiranga were coming and were late arriving. The pastor and I both preached to a house full of people and some that could not get inside. There were 116 inside. Their new house is made of all new lumber sawed out of the forest behind the village at a cost of about thirty-five dollars including the pews. We returned to Cruzeiro do Sul for the night services.

On Monday afternoon leaving the family at home I left with one of the native brethren on a trip up the Moa River with the first stop once again in Maitai where we met with the church to teach them their responsibility of supporting their pastor. Since their pastor is already getting less than the others I asked them to give him a ten percent raise. I have not heard as yet as to whether or not they are going to do it. Tuesday and Wednesday was spent with the church at Japiim where Brother Mario is pastor. Brother Mario has been working with Baptist Faith Missions for

about twenty years and has been the pastor of this church for a good many of them. I also discussed with the church the need of them supporting their pastor and told them that beginning the first of the year they would be expected to assume ten percent of his salary and each year thereafter assuming another ten percent until at the end of ten years they will be supporting him completely. All the brethren present said they were in favor of doing it. Thursday and Friday were spent with the church in Colonia which we organized just before coming home on furlough and where we are members. This church does not have a pastor, but there is a young man that the Lord has called to preach that has been taking care of the services. I believe that when we organized this church our work was only half done, so I plan to go back there to teach this young man and young church to observe all things whatsoever the Lord has commanded. I also believe the church will soon be supporting this young man. Saturday and Sunday was spent with Brother Cido and the church at Barao once again teaching the same thing, but I don't believe this church will try to support their pastor because the pastor would rather do without than ask them for it. I have also talked to the church here in Cruzeiro do Sul about this and they have voted to do it. Pray for these brethren that they might be able to do what the Lord has told them to do. There was one soul saved on the trip also.

We plan to leave soon on a trip up the Jurua and may not be back in time to write a letter for the next issue, but will report on that trip as soon as possible. Don't forget us as you pray.

In Christ Jesus,
 B. D. Creiglow

Thankful For Prayer And Support . . . New Church Organized On Island Of Patience . . . New Church Organized In Manaus, Amazonas . . . Launch Nearly Completed

By John Hatcher

Manaus, Amazonas
 December 16, 1964

Dear Brethren,
 Another year has come and gone. In spite of our faults and failures the Lord has blessed His work. His is the power and the honor and the glory forever and ever. The good reports from the Thanksgiving Conference blessed us and we thank God for the persons and churches which remember us in prayer and support. The promise of reward is not only to those who faithfully go but to those also who faithfully communicate. Paul wrote to the church at Philippi stating that he cared that fruit would abound to their account. Life is passing rapidly and we will have to leave everything earthly which we possess but that which is done in the Name of the Lord Jesus will be to our account for all eternity. Certainly we desire for our friends and loved ones a happy and prosperous New Year in the Lord.

NEW CHURCH ORGANIZED ON THE ISLAND OF PATIENCE

Two weeks ago Brother Altair, one of the Seminary students, and I left on Saturday morning for the Island of Patience. The brother has been preaching here for the last three months. Brother Newton Vasconcelos, pastor of the recently organized Moriah Baptist Church, worked in the island for about two or three years. The work was under the authority of the Zion Baptist Church. Brother Sostenes Melo the pastor of the Zion Church went up to the island on Monday and held services through the week. My purpose in going was only to attend the organization for this has been entirely the work of the Zion Church for the last two years. The organizational service was held on Sunday morning with the pastor of the Zion Baptist Church presiding. Before the service all of the people went to the river to attend the baptism of eight candidates. It poured down rain the entire morning. Some of the people who attended walked for two hours to get to the service. It was so nasty

that the people wore old clothes and then changed into good clothes after arriving.

The church was organized with 37 charter members which is the largest number of charter members that I remember here. The new church called the young brother Altair Rodrigues as their pastor.

WHITE SAND BAPTIST CHURCH ORGANIZED

On the 4th of December the Tabernacle Baptist Church organized a new church which is located on the outskirts of Manaus. This work has been the outgrowth of the Tabernacle Baptist Church. The church was organized with twelve members. It seemed to me that the work was organized a little

Report On River Churches . . . Priest Trying To Get All The Land And Shut Out Two Churches . . . Pray Much About This . . . Preacher's Classes Paying Off In Results . . . Building Going Up At Tamshiyacu Mission

By Walter Lauerman

Iquitos, Peru
December 20, 1964

Dear Brethren,
The river churches all had another good month. Also Antonio Torres went to Huanana, a place on the Napo River and had five professions of faith and he claims that they will be baptized and also in Orellana he claims an increase in attendance. He reports that in both of these places and in his church in San Antonio an increased interest more so than in several years. The same thing holds true for both in Hojeal and Astoria. Hojeal had an average of 44 and Astoria 35 which is the highest in Astoria since its days as a mission. But because the devil always works with this increase in these two places and their new buildings, the priest could not stand this, so a priest has asked the government for the right to have this land all the way from Astoria past Hojeal to use as his farm. In order to do this he had to get signatures of the people living there. He got all the signatures from both Hojeal and Astoria but those of the members of our churches there. He promised the residents of both of these places plenty of work and a house, etc. and so on and that is why they signed this petition. According to Peruvian law I do not think he can make our believing families living there move or throw them out but the priest will not rest until he destroys the churches one way or the other. Pray with us about this. It could be the ruin of both of these churches or it could be a test whereby they will be better churches in the end. Pray with us that it will be the latter. In Tamshiyacu they are working on their building with the offering that the church in Iquitos gave them. They have enough for their roof and will lack only the walls. In Mapa Cocha the work is slow but to me it may be better now than, say a year ago.

Almost all the brethren are teaching many things that we have studied in our classes that we have monthly here in the church. I have also noticed that their preaching has improved very much, not only in its depth but also in its presentation. This was the thing that bothered me very much at times. Their Sunday Schools have been much improved with training of teachers. We had our preachers classes again this month and also I teach the class to the church on Thursday nights. Along with the statement that Brother Hatcher made in his last letter you just have to start from the very scratch and it seems many times you cannot get too simple in

your teaching, but the Lord has blessed in these many teachings. We sure do need to count our many blessings but so many times we forget to count them, only receive them.

My wife and I have visited the following places this past month: Tamshiyacu, Hojeal Astoria, Mapa Cocha and Llanachama. Also here in Peru as in Brazil according to Brother Bratcher the water is going down instead of up at this time. It is just like full summer here instead of the wet season. With the water down I am to spend a month again with Brother Jorge visiting from house to house. You just have to pick your time to do things here. You have to plan of course but always ready to change your plan at any minute.

Our member that lives on the island in front of Iquitos that I spoke of in my last letter is working on the defense of the riverbank here in Iquitos and he stated that the deepest point around Iquitos in the Amazon River is 98 feet deep so you can see that the water is down here and it makes river travel real difficult.

We covet your prayers not only for us but for all the native preachers and members of the churches that we all might be faithful. We were glad to hear of the great Conference at Twelve-Ryan Church. May God continue to receive glory from his servants. May the Lord bless you all.

Yours in Christ,
Walter F. Lauerman

Visiting Churches And Conferences . . . Enjoying The Fellowship, Food And All

By Del Mayfield

Alton, Illinois
December 20, 1964

Dear Brethren,
This has been without a doubt one of the best months that we have ever had when it comes to fellowship. I'm sure that every one that attended the Thanksgiving Conference would say with us that it was the greatest time of fellowship that anyone could ever ask for. The Ladies of Twelve-Ryan Baptist Church and the Ladies of Grace Baptist Church that fed us really did a splendid job, and I'm sure should be congratulated for their fine work. The preaching was rich, and I would not want to forget to thank every church that gave a Thanksgiving Offering, the largest we have ever had, and we do thank the Lord for you and your church that makes it possible for us to take the Gospel to those who have never heard. Well I'd better report the other activities of the month before I start preaching.

First, I'd like to report that on the 12th of November while I was with Brother Earl Thomas I had the privilege of speaking to the student body of the Lexington Bible College at Lexington, Ky. I should have reported this last month, but overlooked it in my notes. Hope they will forgive me, and they will have me back as I certainly enjoyed it very much. Wednesday night November 18th we were with the Thompson Road Baptist Church at Lexington, Ky. Brother James Hamilton is the pastor. Saturday & Sunday 21st & 22nd of November we were with the Faith Baptist Church at Wauseon, Ohio. Brother Melvin Thompson is the pastor. We also had the pleasure of hearing Brother Oakley who is Head Master of Mountain State Schools tell of the work and the great need there for Christian education. We had a good time of fellowship during the conference in the home of Brother and Sister Elmer Ray. If you want to stay with the Rays you have to have a reservation a long time in advance. We made ours when we left for the field in 1960. I wish I had time to mention every home that we have had the privilege of being in. We have been received in "Royal Fashion" by everyone. Sunday 29th of November we were with the Mammoth

Baptist Church, Utica, Mich. Brother Luther Rodgers is the pastor. Wednesday & Thursday 2nd & 3rd of December we with the Maple Grove Baptist Church Mt. Clemens, Mich. Brother (Buck) Wilson is the pastor. Friday night December 4th we were with the newly organized New Hope Baptist Church at Flint, Mich. where Brother James Kissel is the pastor. Sunday December 6th we were with the Grace Baptist Church at Warren, Mich. where Brother Eugene Clark is the pastor. I had the privilege of speaking on the radio and then speaking at both of the church services. Brother Clark was away in revival meeting and we enjoyed being with his people. Wednesday December 9th thru Sunday 13th we were with the New Hope Baptist Church, Dearborn, Mich. Brother Harry Hille is the pastor. We also had the opportunity of speaking at the Haston High School Friday afternoon to two of the Spanish classes. I would like to thank Miss Debbie Hille for getting the appointment for us and making all the arrangements. We sure enjoyed being able to witness for our Saviour and tell of the mission work. We were very happy to see some 60 students studying Spanish, one of them being Miss Debbie Hille. Saturday night we had fellowship supper in the basement of the pastor's home. The food was wonderful, and after the supper we showed the slides of the work. Many visitors came, and among them was the Spanish teacher from the high school. We had a good time. Sunday was an exceptional day. The Lord moved on many hearts during morning service, with many coming weeping saying they had sinned against the church and the Lord and wanted to be forgiven. We sure had a revival and we thank and praise the Lord for it.

During this week and next I'll be home with our children, and we're having a wonderful time. We hope that each one of you have a good time during the Holiday Season and the coming year will be filled with His blessings. May the Lord bless you all.

Yours for His Glory,
Del. Mayfield

Six Months In Brazil . . . Teaching And Preaching In Portuguese Regularly . . . Trip Into The Interior . . . Bratcher Starts Revival Meeting

By George Bean

Manaus, Amazonas
December 17, 1964

Dear Brethren,
Greetings from the land of the eternal summer and from the land of the umbrellas. I went downtown the other day when it was raining. It was quite a battle trying to walk on the sidewalk without hitting someone with my umbrella, or without getting hit myself. The rains have started and I can say they are welcome because the temperature has dropped some.

It doesn't seem possible that we have been here six months but the 22nd of December will be six months since we arrived here.

We are all well. We have had a few minor ailments but nothing that rest and medicine did not cure.

We have been quite busy this month. Sunday morning November 15th we went to Peneil Church and I taught a Sunday school class. That night I went and preach-

ed at a mission of the Bethel Church. I have preached at the following places; Zion Church Sunday November 22nd the morning and evening services. Sunday December 6th, I taught a Bible class at the Peneil Church. That night I taught a Bible class and then I preached on the Life of Christ. Saturday November 28th I went to the interior with Moses Lima a young preacher in the Peneil Church. He is taking care of this mission. We arrived there Saturday afternoon after riding a crowded boat. Brother Hatcher and Paul Hatcher were on the same boat. They were going to another island so they continued on for about four hours. Zion Church was going to organize a Church there. Brother Hatcher will probably report this.

We were to have services Saturday night but it rained so hard that we could not cross the Amazon River as it was rough and we only had a small canoe. Sunday we got up at five o'clock, ate breakfast of coffee and bread. At six o'clock we left the house where we stayed for the island. We arrived there at six-thirty, two hours before services were to start. We did this so the people could see us coming and they would have time to get ready, as many of them do not have clocks. At eight thirty we started the service with twenty four people present. The woman in whose home we stay when we go there made a profession of faith in the night service. There were about thirty people present in the night service. We were glad to see this woman saved for we had been praying that the Lord would save her. She is a sister of Mrs. Juilio Dantas. She, her husband and two of her seven children are saved and they desire to be baptized soon.

One might wonder what we ate while we were on this trip. We ate seven meals in the home where we stayed. Five of these were fish and farinha, a root which they dry and grind up, and this is substituted for bread. Two of these meals were coffee and bread. I took the bread from Manaus. The fish were good, they cook them with tomatoes, green peppers and green onions etc. Sunday after Church I watched the man prepare the fish. He took a long knife and cut the fish into three parts the head, the middle and the tail. He did this without taking the scales off or without taking the insides out. His daughter put them on a stove to cook. I got sick that day but it was from thinking about it I am sure. I asked him if he prepared all fish that way and he said he did. I did not get sick any more.

Sunday December 7th, Peneil Baptist Church started a Bible school with around 160 every day. The school closed Saturday night the 12th with Pastor Julio Dantas giving out diplomas with about 200 people there. Sunday December 13th the Peneil church started a series of meetings with Brother Bratcher preaching. The crowds are large but thus far no moves have been made.

Friday December 4th we went to the organization of a mission of Tabernacle Church. Brother Hatcher preached after the Church was organized.

May His richest blessings be upon each of you. Our prayers are for you there and we request that you pray for us here.

Yours in Him,
George Bean

HATCHER (Continued from Page 1)

too prematurely but we do not have nor exercise authority over the churches. It certainly should be a blessing to all to know that the churches are going out and are organizing new works on their own. The Brother which is in charge of this work and was called as pastor is a deacon in the Tabernacle Baptist Church. At the present time he is studying in the Seminary. Unfortunately the brother is rather weak and so pray for him as the Lord brings him to your mind.

This quarter of school ends the last week in December and then the month of January will be vacation. Many of the students are planning trips into the interior.

LAUNCH NEARING COMPLETION

It was our hope to have the launch ready for a trip to Faro in the month of January. It does not look like it will be ready but it is nearing completion. It is all closed in and the beds have been built in. The partitions for the bathroom and toilet are in and almost ready for the fixtures to be set. The motor is in place and they are waiting for two or three parts that had to be made to connect the motor with the shaft to the propeller.

In Him,
John A. Hatcher

Dear Brethren,

Manaus, Amazonas

December 17, 1964

I copied the following from "The Baptist World" which appeared under the heading: "What Is A Missionary?" The paragraph which follows suggests who should or should not apply for missionary services in the Pacific. "Persons allergic to ants, babies, beggars, chop-suey, cockroaches, curried crabs, duplicators, guitars, humidity indifference, itches, jungles, mildew, minority groups, mud, open boats, poverty, sweat and twistings had better think twice before applying." For work in Brazil, all the above would apply except the chop-suey and curried crabs which I haven't encountered here in Brazil but I guess we have substitutes for these.

We rejoice with you because of the gracious Thanksgiving Conference and offerings that you wrote about in your last letters. "To God be the glory, great things He has done."

We are rejoicing in the Lord also as we think of the blessings of the Lord upon us since the writing of the last Mission Sheet letter.

On November 19th I baptized four adults into the fellowship of the 14th of December Baptist Church of Manaus.

On November 20th we observed the Lord's Supper in the above mentioned church.

On November 21st I left Manaus with Deacon Eugenio de Nascimento on his boat with our destination being Novo Remanso or Usina do Brasil. We intended to arrive there late Saturday afternoon but a storm delayed us and we had to spend the night on board the little boat. Sunday morning we arrived in time for the Morning Services.

For 5 mornings, the 23rd through the 27th we held a Vacation Bible School. The Lord blessed us with a total enrollment of 94, an average attendance of 64 and some eight of the enrolled making professions of faith. Each night either I or Brother Eugenio preached in a home or in the mission house.

On Friday afternoon a group of us went to visit a new preaching point opened by Antonio Moraes, the lay preacher at Novo Remanso. He had already gone there twice and has had some 25 professions of faith. The home where the services are being held is a trip of almost 4 hours from Novo Remanso on the Rio Preto (Black River). We were not able to send word that we were coming so this limited our attendance because people came from some distance to the first two services held there. We found, however, the ones who lived close enough to come, happy in the Lord and already talking about being baptized and building a "meeting house" for the services there.

On Saturday afternoon we arrived back in the rain at Novo Remanso. The rain continued and the attendance was small that night.

Sunday, November 29th-Our last day on this trip at Novo Remanso. I preached to 45 at the Morning Worship service, baptized 5 in the afternoon and preached to 50 at night.

Monday, November 30th-We left at 3:00 a.m. and after traveling against the current of the mighty Amazon River for almost 17 hours we arrived in Manaus at 8:00 p.m. In another half hour I arrived at the house and rejoiced to find everyone at home safe and sound.

Wednesday, December 2nd-I took a little seven year old boy from Novo Remanso to the doctor. His mother brought him to Manaus soon after we arrived back from there. His father told us while we were there that he had been sick for some three months. The little fellow was very thin and pale. The doctor prescribed medicine for worms and vitamins for malnutrition (common ailments in the interior). (After a few days the boy was better and has returned to the interior). Tonight in Business Meeting at church we approved four for baptism and excluded four.

On December 4th I attended the organization service of the White Sand Baptist Church here in Manaus. Brother Hatcher and Brother Bean were more successful taking pictures than I was and I'm sure will tell more about this new church.

December 6th-Attendance was down to 94 this a.m. at 14th church. Heavy showers this p.m. and attendance low tonight also.

Monday-December 7th-I taught my two classes in the Seminary this a.m. Stephen, our youngest son, suffered today from an asthma attack.

Thursday-December 10th-The church took some food and held a service in the home of a sick woman who lives near the church. Today was her birthday. She is only able to take a few steps. Her niece who lives with her is very handicapped. They are very poor.

Friday-December 11th-The Beans, Hatchers and Bratchers all ate supper together at the Beans house. Tonight was an enjoyable night for all.

Sunday-December 13th-Attendance back up to 119 this a.m. in Sunday School at 14th of December Church. Tonight I began a revival with Pastor Julio Dantas at Peniel

Baptist Church. This is the church where Brother Bean and family are members. The Lord is blessing with good attendance but at this writing (December 17th) no moves as yet.

Thus we have attempted to share with you some of our work here in the nation of Brazil where the preaching of the gospel along side of continued inflation, growing population, poverty and disease. We need your prayers. Pray that 1965 will be for us a most blessed year in the Lord's service here. We pray the Lord's richest blessings to rest upon each of you who read these lines.

Yours In His Service,

The Harold Bratchers

Asa Bratcher with three little Brazilian boy friends in the interior when he made a journey with his father, Harold Bratcher.

Here is the little boy that was brought from the interior to Manaus sick. Harold Bratcher took him to a doctor and got him fixed up and after a few days he returned home.

This man is the treasurer of the mission on the Rio Urubu, with his family. Harold Bratcher has a good mission point at this place also.

Correction

In November 1964, Brother Gerald Smith gave \$250.00 designated (to reimburse John Hatcher) for the airplane fare for his son Sherman Smith from Manaus, Brazil to the USA. The \$250.00 was included in the total offerings as listed in December 1964 MS, but the name and amount was left out of the list. We are sorry for the error.
