Mission Sheets In Twenty Fourth Year

By Hafford Overbey

We are now in the twenty fourth year of editing this paper for you. The first issue, in January 1942 was an 8 1/2 by 11 mimeographed sheet printed on one side. Then it was printed on two sides, then it went to two sheets and someone, we do not know whom, referred to it as the MISSION SHEETS. That is how it got its name. From a mimeograph paper, it was printed and increased from time to time, to its present size.

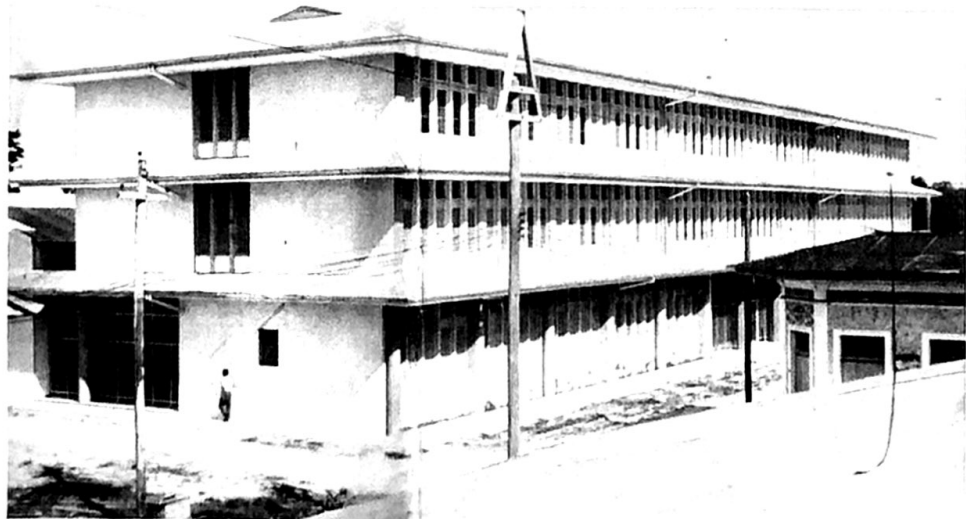

THE COST TO PRINT AND MAIL

When the paper was mimeographed, we paid the cost for paper, mimeographing and postage out of our own pocket, and for several years. After the mission was incorporated and the circulation increased the Directors of the mission voted that the cost should be paid out of mission offerings. At present we print 5500 copies each month. Most are mailed out in envelopes, or in bundles in amounts of 5, 10, 15, 20 and up to about 228 churches. They are passed out, or put in a rack, or on a table, at church so that each family can have a free copy.

This is the house that Walter Lauerman lives in, in Iquitos, Peru. The new University building is directly across the corner from the front gate. Note the brick fence around the yard. In the rear right corner of the lot is the wash house and in front left corner of the yard is the roof of the open garage, in which he keeps the Jeep. This house was built by Brother Mitchell Lewis when he was a missionary in Iquitos. Note the other houses in the area. Brother Lauerman is standing on the roof of the house beside the new University building taking this picture.

This beautiful building is the new University building in Iquitos, Peru. This shows how the city of Iquitos is progressing. This building is directly across the corner of the street from mission house in which Walter Lauerman lives. Brother Lauerman is standing on the roof of his house taking this picture. The dirt street is to be paved from this corner to downtown. This will increase the value of our own property.

Hojeal Baptist Church is now finished with a galvanized roof, plank walls and concrete floor. The Catholic Priest in Iquitos, Peru got the government to give him all the land in this area. The members of the church have petitioned the government for the land which their homes are on and Walter Lauerman hopes to get the land the church building is on for the church. Rome never changes.

To Mapa Cocha And Astoria . . . VBS At Iquitos With Important . . . Zip Code . . . 85 Average . . . Preacher's Classes . . . Twenty Profession On Napo River . . . New Building Going Up At Tamshiyacu

By Walter Lauerman

Iquitos, Peru
February 20, 1965

Dear Brethren,
The water is still down very low, therefore I could not get into San Antonio and two new places where Brother Antonio and I want to visit, but the dry weather made it perfect to go to Napa Cocha in the Jeep and I went there two Sundays. Also I got to Astoria as it is on the Amazon River and there is always water there. There was a week of Bible School here in Iquitos and we had an average of 85 and of course a wee! with the preachers in study and the class in the church on Thursday night. I sure do wish there were more places like Mapa Cocha that I could reach with the Jeep. We again have visited in Iquitos many days.

There is nothing new on the Hojeal situation. We are to find out more on March 4th. The Astoria Church seems to be staying right up there, also the San Antonio Church. The brethren are visiting their fields diligently now and it has helped the work. Antonio Torres, pastor of the San Antonio Church, also does quite a bit of traveling since he has a motor, that is when there is water. He has one place on the Napo River where there

have been about 20 professions of faith and many of these are to be baptized soon. Antonio told me this month that the people in this place are talking about making a building in which to hold services. In Tamshiyacu they are putting the board walls on their building and hope to finish by the end of March. Then about the first of May they have asked the Iquitos Church for authority to organize into a Church. There are three that ought to be baptized before organizing. This place does not have too many members (11) but they give between 400 to 500 soles offering each month (\$20). So sometime it is that hard, long, slow wait before having a nice church. As I mentioned several months ago the Mapa Cocha church has its troubles. Where they had 50 in attendance a year ago it is about 25 now. I think they need a good revival, but I can only suggest and if they do not want to have it, of course I cannot make them. Pastor Abram Gaimo does have several preaching points that he preaches at up from Mapa Cocha on the Nanay River. Sometimes one never knows what to do. You want to enlarge but then you have the problems of taking care of what you have. I sure do wish someone could take care of the teaching and then I could do the evangelistic end. May the Lord bless all of you.

Yours in Christ,
Walter F. Lauerman

Churches Visited In Ohio, Kentucky And Florida

By Del Mayfield

Ocala, Florida
February 20, 1965

Dear Brethren,
We are enjoying the beautiful sunshine here in Florida, and the blessings of the Lord, visiting many new churches that I'll tell you about later. I'm glad that the Lord has blessed us, and that we are able to report that souls have been saved, and we praise Him who loved us, and gave Himself for us. Hope that you will rejoice with us, as we try to report.

Saturday night, January 23 we were with Brother George Galloway and we attended the monthly fellowship meeting of independent churches that was held at the First Baptist church Lucasville, Ohio, Brother Grooms is the pastor. Brother Galloway was the evening speaker and we enjoyed it very much. Sunday morning January 24 we were with Brother Galloway and his people at Siloam Baptist church at South Shores, Ky. We had a good time. Also in the afternoon showed the slides in the pastor's home to many of the people. Sunday night we were with the Storms Creek Baptist church, Ironton, Ohio Brother Jim Orrick is their pastor. We enjoyed being with Brother Orrick and his people. Monday night we showed slides of the work to the church. Both services were well attended. Tuesday night, January 26th we were with the Emmanuel Baptist church Old Town, Ky. Brother Eugene Meadows is their pastor. I brought a short message and showed the slides of the work. Wednesday night, January 27th we went to Hitchen Baptist church Hitchen, Ky. Brother Marcus Suttles is their pastor. I'm not sure what happened but no one showed up for the service. Thursday January 28th we were with the Salem Baptist church, Grayson, Ky. Brother Stanton Dowdy is their pastor. This was one of the worse nights we have ever been out in, but the people came and we had a wonderful service. It snowed about all afternoon before the service and the larger part of that night, but it is like I've said many times "people go when they want to go, and it doesn't make any difference about the weather". The Lord blessed our coming together and we thank Him for it. Friday, Saturday & Sunday January 29, 30, 31, we were with the First Baptist church Lucasville, Ohio. Brother Homer Grooms is their pastor. The weather was bad during those days, but God gave us a good

time together. I also had the privilege of preaching twice on their radio program. We appreciate Brother Grooms and his people. Monday February 1st through the 7th we were with the First Baptist church Alexandria, Ky. Brother Warren Redding is their pastor. We had a good time every night and the Lord blessed in the services. There were two saved and two came by letter for which we thank the Lord. The fellowship with Brother Redding and his people was wonderful. Monday February 8th through the 14th we were with the First Baptist church, Independence, Ky. Brother Kirtly Jolly is their pastor. I'm sure we've never enjoyed a revival meeting more than this one. Every night the crowds were very good. In fact they did not vary over 12 any night, and Sunday the church was filled. I also would like to mention that we appreciated Brother Redding and his people coming to be in the services. There were two saved and three who came dedicating their lives to Christ. We praise the Lord for the blessings we received being with Brother Jolly and his people. We also enjoyed showing the slides of the work in the Old folks home, called the Senior Citizens Home, a work that is sponsored by the church there. We're hoping that we'll get to be with them in May for the dedication service of their new building. We are thankful for their support for the work of Baptist Faith Missions, and are praying that many more new churches will give. We will be in Ocala, Florida, and the Tampa area through the 1st of March. Pray that the Lord will continue to bless and that souls will be saved, and the saved added to the church.

May the Lord bless you all.

Yours by His grace,
Del. Mayfield

Dear Brethren,
"Safely through another week, God has brought us on our way . . ." These are the words of the first verse of a hymn that I remember singing some years ago on Sunday mornings, ever so often at Uniontown Baptist Church, Uniontown, Kentucky. Since it has been a month since I wrote my last "Mission Sheet" letter, I'll change one word and praise the Lord because, "safely through another month, God has brought us on our way."

Sunday, January 17th the 14th of December Baptist Church observed "O Dia Dos Membros," Member's day, or Membership day. This is an annual event of the church when the roll is called and the pastor gives a report to the church concerning the number of members, etc. the church has. In my report I showed that the church, including its five missions has a total membership of 157 in comparison to 78 on January 12, 1964, last roll call day. The five missions have a total membership of 72 as follows:

Bairro Vermelha (Manaus)	22
Rio Urubu (Interior)	19
Novo Remanso (Interior)	18
Boca do Acre (Far Interior)	7
Cambixé (3 hours by boat)	6

Of the other 85 members besides the 72 in the 5 Missions, 8 are non-resident. Of the remaining 77, 54 were present in one or both services that day. Sunday morning there were 122 present in Sunday School and 102 Sunday night. Sunday morning an excluded member asked for restoration and Sunday night there was one profession of faith and 1 request for baptism.

On Sunday afternoon, January 17th, I visited one of our members in the hospital and then witnessed the baptism of seven persons, in the baptistry of the Tabernacle Church. Four of these were baptized by Pastor Julio Dantes of the Peniel Church, and three by Pastor Manuel Alves Santos of the White Sand Baptist Church.

On Saturday, January 23rd at 3:20 p.m. I left Manaus with my oldest son, Asa Mark, and two young men of the 14th Church accompanying me. Our destination was Cambixé, normally a 3 or 4 hour trip from

H. H. Overbay (Continued from page 1)

Several hundred are mailed out to individuals. The first cost is the cost to print the paper, which has gone up in price over the years. Then there is the cost for the large envelopes to mail to the churches, and for the string to tie in bundles for the Post Office. Then it costs about eight cents for a frame and addressograph plate, so the paper can be addressed by machine. This means that if you get the MISSION SHEETS, it costs about 54 cents a year, to print and mail twelve issues to you by Second Class Mail. This is not counting the initial cost of the addressograph plate.

ADDITIONAL COSTS

When a person on the mailing list moves, and does not send us the new address in advance, the Post Office Departments cuts out the address on the paper, or, on the envelope and pastes it to a form and mails it to us, and the mail carrier collects ten cents from us for each one. We usually get several of these notices each month from the Post Office Department after we mail out each issue and to date we have paid this cost out of our own pocket.

HOW YOU CAN HELP US

If you are going to move, please, before you move, send us BOTH, the old, and new address. Send old address exactly like it is on the paper or envelope. Send to:

Baptist Faith Missions
975 E. Grand Blvd.
Detroit, Mich. 48207

ANOTHER WAY TO HELP US

This is how you got on the mailing list. First: some themselves request to be put on the mailing list. Second: the missionaries send the names and addresses of others. Third: someone else sends the name, or, we, ourself put you on the list. The paper is sent to you free, and we want all who want it to get it, whether you send an offering or not. Some are elderly people and cannot send an offering, and we want them to get the paper as long as they live. If you get the paper and do not want it, you can help us to save mission money by writing a card and sending us the name and address exactly as it is mailed to you and tell us to take you off the mailing list. Also, several hundred get the paper each month, year after year, who are able and could send an offering to help in the cost. If the Lord leads you to do so, send your offering to:

Manaus. The boat we rented to take us there, ran slow and broke down as we were crossing the river in the most dangerous place. After the motor was repaired and running again, in the darkness we passed our stopping place and traveled way on down the river before anyone discovered where we were. When we finally arrived (3 a.m. Sunday morning) it had taken us almost 12 hours to make a 3 and a half hour trip.

We labored for 8 days with our mission there. Manuel dos Santos Martins, a licensed preacher of the 14th church is living there now and conducting services regularly. Each morning during the week we conducted a Vacation Bible School and preached somewhere, either in the mission building, or in a home, each night. Our Bible School enrollment was 63 with an average attendance of 44. There was also 4 professions and 4 rededications during the week. The last Sunday, January 31st, there were 82 in Sunday School and that afternoon, I baptized 10 into the fellowship of the 14th church.

On Monday, February 1st, we came back on a small boat, full of milk cans, people and baggage. We arrived home safely at 11:00 a.m.

February 3rd marked the beginning of another quarter in our Preacher's School. I am teaching a three hour course in Missions and a three hour course in Theology.

Thus, the work goes well.

I close with one of the petitions which Solomon made in his prayer at the dedication of the Temple. 1 Kings 8:41-43 "Moreover concerning a stranger, that is not of thy people Israel, but cometh out of a far country for thy name's sake; (For they shall hear of thy great name, and of thy strong hand, and of thy stretched out arm:) when he shall come and pray toward this house; Hear thou in heaven thy dwelling place, and do according to all that the stranger calleth to thee for: that all the peoples of the earth may know thy name, to fear thee, as do thy people Israel; and that they may know that this house, which I have builded, is called by thy name." Notice especially the words "that all the peoples of the earth may know thy name . . ." That's why we are here in Brazil.

Yours In His Service,
Harold Bratcher

Doing Plumbing Work In New Building . . . Vacation Bible School At Chapada . . . Baby Son Born In Manaus . . . Preached At Many Places

By George Bean

Dear Brethren,
First we thank God for every remembrance of you. This has been another busy month. The first part of the month was spent working on the plumbing in the breezeway of the school building. Soon the fixtures will be set and the plumbing will be finished.

Monday January 25, I was the principal of a six day Bible School that the Chapada Church held. Brother Hatcher, the pastor of the church, was so busy buying material for the school building and getting the seminary ready to open the second semester, that he asked me to help in the school. Mrs. Hatcher and Lynn, John Mark and Paul sure did a good job teaching, also Marie, one of the girls that lives in the Hatcher home, taught a class. We had a good school with a daily average of 108. This church field is very difficult as the priests have a stronghold there and the children are instructed not to accept the message of the Baptist Church. The children did come and they heard the message of salvation, but none made profession of faith. I have preached at the following places

Manaus, Amazonas
February 15, 1965

this month: Sunday morning January 17, I preached at the Peniel Church, that night I preached at the Chapada Church. January 24 I preached at night services at Peniel Church. Brother Julio Dantes the pastor had gone to the Island of Antonio to baptize some more folks. I also preached twice in the Bible School at Chapada. Friday February 5, I preached at a mission of the 14th of December Church. The name of this place is Barro de Bvermello. February 7th I preached at the evening services of the Peniel Church. Here is another thing that has taken some of our time this month. My wife June went to the hospital here in Manaus 2:30 a.m. and at 8:30 a.m. Sat. morning February 6, 1965 she gave birth to a boy weighing almost 9 pounds. We thank God that she did not have any trouble and that the baby is well and healthy. Our four other children think this is the only baby in the world. We named him Jonathan Michael. At the present time I am studying Portuguese and sitting in on some of the Seminary classes. Pray for us here. Soon we plan to move to another State as Kentucky with about 30 churches. We sure have a lot to do.

Yours in His service,
George Bean

Fourteenth Of December Baptist Church Has Five Missions And 157 Members . . . Eight Days At Mission In Cambixe . . . Baptizes Ten Into 14th Of December Church . . . Teaches Young Preachers

By John Hatcher

Manaus, Amazonas
February 15, 1965

Dear Brethren,
It is a wonderful thing to be a child of God by His Grace. What a wonderful message we have to tell to the nations,

"Sweetest note on mortal tongue
Sweetest carol ever sung,
Jesus, blessed Jesus."

How marvelous it would be if all men would trust the Lord! How heart breaking it is to see hundreds and thousands who hear the Gospel of the Lord Jesus Christ, yet turn away to follow the traditions in which they have been grounded. Old men and women within just a few weeks or months of the grave yet not willing to repent and trust Christ. They prefer to follow on in the path which seems to them right but whose end is death. But we praise God that in eternity we will see that His perfect plan and will was perfectly executed to the praise and glory of His Son forever.

KATHY AMAZONAS MAKES
PROFESSION OF FAITH

Two Sunday nights ago God thrilled our hearts when at the end of the service our daughter Kathy stepped out of the pew where she was and came forward to say that she was trusting Jesus as her Saviour. She is the last of our five children to trust the Lord. We do not desire for them great riches or station in life but rather that God might give us grace to teach them the paths of righteousness and that theirs may be lives of faithful Christians.

VACATION BIBLE SCHOOL IN CHAPADA BAPTIST CHURCH

This month thanks to the faithful workers which planned and helped, the Chapada Church enjoyed a remarkable Bible School. Mrs. Hatcher, and Lynn did the planning and preparing of the materials with the help of our boys and Maria, the girl who lives with us. Brother George Bean acted as the Bible School principal. There were 160 children enrolled and the average attendance was 108. The vast majority of these children came from strong Catholic homes. Perhaps they only allowed the children to come to get the cookies and refreshments but they listened well and heard the Gospel of the Lord Jesus every day. We desired to see many trust Jesus but one can hardly imagine the fear that the children have; fear of their parents and neighbors. The seed has been, and is being, sown and God will not allow it to return void.

NEW WORKER SENT TO FARO

On the 25 of January Brother Francisco Lopes and family left Manaus by boat for the interior town of Faro. This work has been abandoned for the last two or three years with the exception of three or four trips of duration. The major reason was that the place is remote and the shipping company which makes this route suspended service over three years ago. The service was restarted and the trip of January was the first trip of the renewed service. This brother is from the Chapada church and his expenses of going there were all paid by the Chapada church. His salary is paid by the Baptist churches here in and around Manaus. The new church on the Island of Patience asked that the churches help their new pastor which they voted to do. This makes a total of five native workers which the churches here are helping. So we praise God for the progress which has been and is being made.

DURING SEMINARY VACATION

During the month of vacation several of the students traveled into the interior for the purpose of preaching the gospel. Brother Elizario and wife and baby spent the month in the place called Monte Verde, Boca do Acre. They had a good Vacation Bible School and there were five or six professions of faith. Brother Atadeu Dos Santos from the Chapada Church went to a new interior place and during the two weeks trip there were six professions of faith. Some passed the month at home with their families.

NIGHT CLASSES

During this quarter night classes of the Bible school have been started and I am teaching three subjects two nights a week. During the days I teach four classes in the Seminary. To these will be added two or three classes when the High School starts. In the spare time there is time to take care of the building and buying materials for the buildings and launch. Next month God willing we will have a picture of the completed launch. The motor is set and the inside painting is being done. The controls for the motor and the helm are the only main things lacking.

CHAPADA CHURCH

During this past month in our open air services there were two professions of faith. The attendance of our Sunday School has increased some and is now usually between 40 and 50.

In Him,

Pastor Julio Dantas has just baptized the woman and three children into the new Peniel Baptist Church, Manaus, Amazonas, Brazil. The Lord is blessing and souls are being saved and baptized in many places. Brother Dantas is a graduate of the Preacher's School in Manaus.

This is Brother Manuel Santos, recently ordained pastor of the newly organized White Sands Baptist Church, Manaus, Amazonas, Brazil. Brother Santos is a student in the Preacher's School and the ones standing beside him are the first ones he has baptized. The Preacher's School is really paying off now.

Brother Newton Vasconcelos, man with the tie on is the newly ordained pastor of the newly organized Mariah Baptist Church, Manaus, Amazonas, Brazil. These are the first ones that Brother Newton has baptized. Brother Newton is a former student of the Preacher's School in Manaus.

Bible School children at Chapada Baptist Church, Manaus, Amazonas, Brazil. Lynne Hatcher one of the teachers is standing in the right center, and Maria, one of the orphan girls that the Hatchers took in is the other teacher. Maria can be partly seen at the right. John Hatcher is the pastor of this church and he asked Brother George Bean to direct the school for him while he was busy working on the building and getting ready for a new term in the Preacher's School. Bible School averages 104 children each day. Truly the Lord is blessing everywhere.

The woman holding the baby is the wife of Marcial Macahuachi and was the first one baptized in Tamshiyacu. The woman in the center is a believer and the services of this mission have been held in her house. On the right is Mrs. Walter Lauerman. Brother Lauerman hopes to organize this mission into a church when they have more baptized believers there. They are now building a new meeting house here. This village is up the Amazon River from Iquitos, Peru.

Altair Rodrigues and family. He is the newly ordained pastor of the newly organized church on the Island of Patience. He is a student in the Preacher's School which is paying off in a great way.

On the day of the organization of the church on the Ilha de Paciencia the first part was the baptism of several who were to become charter members of the new church. Here we see the people going to the bank of the Amazon River, under the rain, for the baptism.

After getting back from the baptismal service it took about a half hour for the "foot wash" baptisms to get their feet clean enough to go into the house for service. It took two people busy carrying water for the "foot wash".

This is the building and Sunday morning crowd of Fourteenth of December Baptist Church, Manaus, Amazonas, Brazil. About two years ago they borrowed the money to buy this building at a bargain price and now the church has the loan almost paid off. Harold Bratcher is the pastor.
