The Dempsey Hendersons, New Missionaries To Brazil

THE DEMPSEY HENDERSONS. The Lord willing the Hendersons will be leaving for Brazil, in January 1966. They will go to Manaus, to learn the language, then they will move to another State, where the Lord shall lead, and concentrate on his own field of labor. New missionaries usually go out in June or July and stay three years before coming home on furlough, then four years before furlough after the first term. If the Hendersons were to go out this July they would be home on furlough in 1968 and we would have three families home on furlough at the same time. Brother Henderson has agreed to go out in January 1966 and stay 3½ years and be home on furlough in the summer of 1969 so we will have only two families home at the same time. In addition to airplane tickets, there is the cost for equipment needed, and to get things through customs, etc. Pray and give a special offering. Any left over will be used for other plane fares.

#### **Bryan Station Baptist Church Gives Special** Offering To Help Send Out The Dempsey Hendersons

You will note in the financial report, on page four, that Bryan Station Baptist Church, Alfred Gormley, Pastor, has given a special offering in the amount of \$1,437.33 to help send out the Dempsey Hendersons as new missionaries to Brazil. In June the Del Mayfields will be returning to Pucallpa, Peru after a year of furlough. Also, in June the Walter Lauerman family of eight will be coming from Iquitos, Peru for a year of furlough. This will cost a lot of money. May the Lord lead others to give a special offering, as Bryan Station Baptist Church has done.

#### Churches Increase Offerings

Pastor George Galloway advises that Siloam Baptist Church has doubled her offerings to Baptist Faith Missions. Pastor Paul Kirkman advises that Grace Baptist Church, has increased her offerings to Baptist Faith Missions four times. May the Lord lead other churches to increase their offerings to Baptist Faith Missions also.

#### **Special Notice**

In the list of offerings on page four, there is one offering in the amount of \$9.44 listed as "Donor not known". After the deposit was made and the check gone through the bank, Brother Clark could not find the name of the church or person who sent this offering. Will the person who sent this \$9.44 offering please write to Brother Z. E. Clark and send the information to him.

Preacher's School and fulfilled my responsibilities as pastor of the 14th of December Baptist Church. The work at the school and church goes well.

On Thursday night, March 25th, it was my privilege to preach at Chapada Church. I was one of several who preached there during a special revival week. The Lord gave us, that night, one profession of faith.

presented themselves as candidates for baptism. At 9:00 p.m. we entered the river and I buried these five with the Lord in baptism.

Sunday, April 11th, we assisted the Morning Services, Deacon Antonio Eugenio de Nascimento preached. At 3:00 p.m. we returned for the organization service. The letter of authorization from the 14th church was read. The church covenant was accepted and read. The Articles of Faith (The New Hampshire Confession) was adopted and read. Afterwards the names of the 18 charter members were read and standing together with right hand raised in front of the pulpit, the 18 entered into convenant together as a body of Christ. Pastor Francisco Santiago brought the message. At 7:30 p.m. we were back in the church again and I preached the final message of the day. Manuel Costa was called as pastor and one of the members was appointed to conduct the services in the pastor's absence. We returned to Manaus the next day arriving after midnight. Thus on that trip our church gained a new mission and lost one.

Last Sunday, April 18th, was also a busy day for us. At 3:30 p.m. I baptized 11 into the fellowship of the 14th church. Eight of these were from the Bairro Vermelho Mission. This Mission recently voted to be organized into a church. I hope this can be done soon. After the baptism I preached at Salem Church. The pastor, Manuel Sarmento, had just baptized 13 and they observed the Lord's Supper after my message. This church has recently established a new preaching point in another section of Manaus. At 7:30 I preached the regular evening sermon at the 14th church. Thus we share with you some of the blessings of the Lord upon us. Pray for us and for the newly baptized ones and the new church-Remanso Baptist Church at Usina do Brasil between Manaus and Itacoatira.

#### Report On Churches Visited And The Conference And Blessings Received

By Del Mayfield

Alton, Illinois April 20, 1965
Another month of blessings has passed and we rejoice in the things that the Lord has done for us. It's not only time to write a mission letter, but also time to start our shorts and to get ready for our return to the field. We are sorry that we have to report that we'll not be able to take any more speaking engagements as we have a full schedule thru the first of June. Our plans now are to leave Miami, Florida the 14th of June, the Lord willing. Continue to pray for us as we get everything in order to leave. We hope that everyone has asked us to come will accept our apology for not being able to do so.

Now to report the blessings that have been ours this past month. The 19th of March we were in the Home of Brother Dempsey Henderson, and we sure had a good time together. Brother and Sister Henderson are planning to go to Brazil as missionaries, and we are more than happy for them. The Lord sure is blessing their going as I'll mention a little later on in the letter. Sunday morning the 21st we were in the Julien Baptist Church, Gracey, Ky. Dempsey Henderson is the pastor. The Lord sure has blessed Brother Henderson and the people at Julien. Let's pray together that the Lord will give them another pastor to lead as Brother Henderson has. Sunday night we were with the Bible Baptist Church, Clarkville, Tenn. Brother Elton Wilson is the pastor. We enjoyed being in the pastor's home, and fellowshipping with them. Tuesday night we showed the slides at a hall secured by one of the members of the Julien Baptist Church, Clarkville, Tenn. Brother Elton Wilson is the pastor. We enjoyed our stay in the bome of the pastor. I brought a short message and showed the slides of the Work. Saturday night and both Sunday services we were with the Bercan Baptist Church, Clarkville, Tenn. Brother Sego is the pastor. We sure enjoyed our stay in the bome of the pustor. We sure enjoyed our stay in the bome of the pustor. We sure enjoyed our stay in the bome of the pustor. We sure enjoyed our stay in the bom

Brother Calley is a new pastor, but is doing a fine job. We enjoyed out time with the pastor and his people. Safurday and Sunday we were with the Fellowship Baptist Church, Lexington, Ky. Brother Hundley is the pastor. We also had the privilege of staying in Brother Hundley's home during the Conference days, and we sure did enjoy the good fellowship. We attended the Spring Conference 5, 6, 7 of April, and I'm sure it was one of the grandest times that we have ever experienced. The preaching was the best, and the fellowship was about the nearest thing to heaven that we have even experienced. The preaching was the best, and the fellowship was about the nearest thing to heaven that we have been in. I had the privilege of bringing the last message. The Lord blessed His word. There were two young people who came surrendering their lives to the mission field, and our hearts were warmed. We will never forget those days we had together. Thursday night the 8th we began a revival meeting at the Bryan Station Baptist Church, Lexington, Ky. Brother Al Gormley is the pastor. The first night the church voted to take an offering every night that would go to the sending out of the Hendersons to the field, and that the Sunday offering including the pastor's salary would go for that also. Friday night the 16th the church had given \$1,537.00. We are hoping that this will be an incentive to the other churches. Let me aska question? What would happen if every church would do this? Why not try and see? We also received a blessing by seeing one young couple surrender to the mission field, and another young man. The Lord sure blessed us while we were with the pastor and people. Brother Gormley also has a radio broadcast on Saturday and I had the opportunity of speaking both Saturdays, the 10th and 17th. Saturday night the 17th and Sunday the 18th we were with the Richland Baptist Church Livermore, Ky. Brother Howard Wilson, Jr. is the pastor. Sunday was an all day service. Brother Wilber Johnson was also with us and preached Sunday mo

Cruzeiro do Sul

April 8, 1965

I am writing my letter for the Mission
Sheet a week early this month becauses
since one of the air lines is not coming
here any longer the mail service has been
very slow and Brother Overbey wrote to me
that my letter did not get there in time
last month.

First of all I would like to thank the
LaGrange Baptist
Church of Titusville,
Florida for their good
offering for us to use
to buy Bibles. I will
turn this money over to
the Calvary Baptist
Church of Colonia of
which I am pastor to
buy and distribute them.
Once again this
month I have spent over
a week at Colonia with the hopes that the
Lord would see fit to save some of the lost
sheep there. The attendance has been low
low due to the fact that many of our
members are now here in Cruzeiro do Sul
going to school and another family has
moved here. The last Sunday I was there I
went with a young preacher of our church to
a preaching point with which he has been
working ever since we went home on
furlough. There have been several professions of faith in this place from time to
time and on this Sunday there were two
more. I do not know whether or not their
are enough people in this place to organize
a church, but if not, it is close enough that
they can attend in Colonia at least once a
week. When I came back to Cruzeiro do Sul
this young preacher came with me planning
on the return trip to stop in Maita to talk
to the pastor there about the two of them
opening another preaching point in another
creek between Maita and Barao. I have not
seen either of them since, but I heard
through another person that they did make
the trip. If they did go it will be encouraging
to us as we have been trying to get our
older preachers to do this kind of work for
some time now, but up until now none of
them have done it. These two are the
youngest preachers that we have here in the
Acre and I am placing more hope in them
than the older ones. Pethaps the younger
ones will be a good example for the older
ones. The church at Colonia is s

The church has also assumed the paying of the salaries of the two teachers of the school.

The church here in Cruzeiro do Sul did

The church here in Cruzeiro do Sul did not seem to have any interest in the school here and the teacher seemed to have more interest in other things other than teaching. Therefore it has been discontinued. Even the members were not sending their children to the school. The attendance in the church here in Cruzeiro has been very good running from between 85 to 100 on Sunday morning and 50 to 80 on Sunday night.

I have also made a week-end trip to Mourapiranga and once again, as is often the case, the attendance was not too good, because they do not have a pastor living on the field. This church also had a School, but was only paying about \$1.50 of the teacher's salary and would not pay more. This Church has no expenses whatsoever and I said that if they did not have any more interest in their children's education than this I did not have this much. Due to this the school also has been discontinued. I was to go back to Sao Fransico to spend a week, but Betty had been a little sick for some time and the week I was to go she got worse and spent most of the week in bed. On Tuesday night we thought it might be something serious, so I sent Mike and Brenda to get the doctor.

After examination he said he could not find anything seriously wrong with her. When they took the doctor back across the river he went with them to wake the druggist to fill a prescription of several injections which I gave to her. The next few days were spent going back to tell the doctor how she was getting along and carrying out his orders. During the week another doctor arrived and he was asked by the first doctor to examine her who also said the same as the first. After other examinations they said she had intestinal parasites, so now we are treating her for this in hoppes that this will correct her trouble. She is much better now and back in the kitchen for which we are thankful. I don't believe even her parasites could have stood our cooking much longer. In spite of all this I did get to return to Sao Fransisco for one service. There was n

By George Bear

Manaus, Amazonas
Dear Brethren, April 13, 1965
We have heard the joyful sound, "Jesus saves, Jesus saves. Spread the tidings all around Jesus saves, Jesus saves." My report this month will be about a trip that I made to Faro, Para.

I left Manaus 8 P.M. Thursday the 25th day of March about a

I left Manaus 8 P.M. Thursday the 25th day of March aboard a river steamer. It had a paddle wheel on the back to push the boat. They use wood for fuel to make steam just like the old boats on the Mississippi River. I arrived in Faro Sunday morning March 28, 4:30 A.M.

Brother Francisco Lopas met the boat. He is the preacher that Chapada Church sent there a few months ago. He is supported by DMB. DMB is the name that our churches here in Brazil use to do their mission work through.

DMB. DMB is the name that our churches here in Brazil use to do their mission work through.

Sunday morning we had services on an Island called Island Of Cutias which is twenty minutes from Faro by canoe and motor. We had Sunday School and after Sunday School I preached to around 15 people. That night we had services in Faro at the home of Brother Cisco Lopas. Monday morning was spent passing out invitations to a Bible school to the children that live in Faro. That afternoon we started a four day Bible school. About 100 children attended the school each day. This school ended on Thursday, April first. Friday, April second we started another school at the Island Of Cutias.

About 300 people live on this Island, also two Catholic priests live there. We passed out invitations to the children. The priest got one of the invitations and read it. He then used a loud speaker to call all the children in front of the Catholic church to play ball, they did this each day at the time we had our school. Our attendance was small with about 15 there each day. Four of these made professions of faith. Friday night I preached at the Island, with the house full. The persecution by the priest stirred up the people that live there. Some men came that night to break up the services. They saw we had several men in the houses so they did not try to break up the service. They started to throw burning matches and this is dangerous as the houses are covered with thatch. The man that was throwing the matches is the school teacher there. The next day the priest came to the house where we have services and asked the lady why

she allowed the believers to enter her house and protest against the teachings of the Catholic church. She told him she was a believer. At that time we were coming in a boat and she told the priest that he should wait and talk to us. He then said he had to go. We ended our school on Sunday with all the children that attended being able to sing songs about Jesus.

Monday April 5 I suffered much with a boil that I had on my jaw. Tuesday April 6 we went back to the Island and I baptized 5 people. That night we had services at Faro and I preached. Next day I went back to the Island to wait for the boat to pass for Manaus. While we were waiting the people wanted to have a service, so I preached with 20 people present.

At 10:30 p.m. the boat came and I went aboard. It was a relief for me because there was a nurse on the boat and she was able to take care of the boil until I got to Manaus. There is no doctor in Faro or on the Island. The nearest doctor is 12 hours away by boat.

I arrived at my house Sunday April 11

away by boat.

I arrived at my house Sunday April 11 at 7 P.M. to find my family well and that God's grace had sustained them. I had been gone 18 days without one word from them, and also they had not heard from me. May God bless each one of you.

Yours in his service. George Bean

Glad to hear that you had a good conference in Lexington, Kentucky. We received the telegram a week later. Nevertheless, we were glad that it was a good spiritual time. We wish we could have been there.

Brother Jorge and I visited San Antonio Church and we were glad to see everything going along pretty well.
There was supposed to have been one saved the night we were there but it wasn't made known until the following night in the regular service. Considering it all, it was an advantageous trip. I might say interesting also.

As—we were leaving the-creek-that-goes—into San Antonio we found a dead body floating among the many logs and probably would not have noticed it if it had not been for the bad smell. I shall never forget Brother Jorge's voice when he shouted "Don Walter un muerto" (dead one). He was really shook up for several days as he said he saw how close death can be. We found out about a week later that it was a woman who lived across the Amazon in Iquitos that had gone down when a big wave hit their boat in the middle of the Amazon. I also visited with Mapa Cocha, Astoria and Hojeal Churches on Sunday mornings. I am having exams in the Preacher's classes this month and will finish in May. Although the exams are not coming out like they should be for some, there are others who have really come a long way. I have taught: Bible Introduction, Doctrine, Tabernacle with Offerings, Parables, Life of Christ, Life of Paul and His Journeys, complete Bible in Historic form, Sermon outlining, Trail of Blood, particular books

#### **Pleasant Ridge Baptist** Church Increases Mission Gifts To Baptist Faith Missions 150%

April 27, 1965

Dear Brother Overbey:

We know that you will rejoice with us to hear that our church voted last Sunday to increase our gifts to Baptist Faith Missions by one hundred and fifty percent (150%).

Our former regular monthly support was doubled only a few weeks ago to a total of \$40.00. Our goal to increase our monthly support to \$100.00 has been realized.

Starting May 1st, our regular offerings to Baptist Faith Missions will be One Hundred dollars monthly, plus any additional designated monies received.

This is a REAL STEP OF FAITH. It was not taken because our offerings indicate that we are able to do it, BUT with the faithful anticipation that "OUR GOD IS ABLE TO SUPPLY ALL OUR NEED!"

We are thankful to have a greater part in supporting the soundest missionaries and mission work of which we have knowledge.

We earnestly hope that we have set an encouraging example for other small congregations like our own to step out by faith and increase their giving. Reaching this goal is not a stopping place but an incentive to set new goals towards which to work. We have learned that without setting goals or plans to achieve that most of us will just wander around in the wilderness and not do much of anything. May we all wake up and work while we have the day.... the night cometh!

Sincerely, By His Grace,

Sincerely, By His Grace, Pastor, Earl W. Thomas

as Timothys, Titus, Proverbs, Hebrews, James and Genesis and a little Spanish and Music thrown in with it. This has been a hard long road for me but it has been very profitable and I believe much more for the future. I have taught many of these classes on nights in the church here in Iquitos. It also fell my lot to preach twice in the Church here in Iquitos this month.

In Mapa Cocha the attendance is down and we are still praying that the church will have a Revival there soon. Pastor Abram Gaima's wife has had their second child, born on March 25th. Abram always preaches at several places during the month. In Astoria the attendance has come back up this month and there are some believers that live and work at the Petroleum Refinery, just a short way from Astoria down the Amazon. Pastor Purificaccion has been visiting there and it has paid off. He had two services there this month and had 22 the first time and 28 the second time. There is nothing new to report on the land situation in Hojeal. We are still waiting for a report from Lima. Sometimes this delays months and sometimes even years. As I stated above, the San Antonio church is doing fine. I just hope and pray that one day our churches will be real missionary. The Tamshiyacu Mission even years. As I stated above, the San Antonio church is doing fine. I just hope and pray that one day our churches will be real missionary. The Tamshiyacu Mission will not organize as planned because several families could not be baptized because of this matriage problem or better said they are not legally married, but there was another profession of faith there. Where the river churches are lacking in growth in numbers, there have been gains in offerings and interest among the members. The most noticeable in the offerings on the rivers was in Tamshiyacu and, of course, Iquitos Church has put a lot of business in order lately and we pray that they continue to be faithful.

I guess this is all for this time and may God bless and use you for His Glory.

Yours in Christ. Walter F. Lauerman
