THANKSGIVING OFFERINGS

Several Churches are planning on having a Special Thanksgiving Offering for Baptist Faith Missions, the Sunday before the Conference begins. We hope that more churches will join these this year in having a Special Thanksgiving Offering and get a blessing. No offering too small. Pray and plan ahead about this Special Offering and ask the Lord how much He would have you give. Special Needs just Now: Del Mayfield's Church and School Building in Pucallpa, Peru. John Hatcher Preacher's Dormitory in Manaus, Brazil and always for the Regular Offerings.

YOUR WILL

This is a good time to remember Baptist Faith Missions in your will. You should have a lawyer make out your will so it will be legal in every way. Leave your estate or part of it to Baptist Faith Missions, a non-profit Michigan Corporation and then it will be used for Mission Work after you have gone to glory. Don't put it off, do it now.

For A Place to Stay - - - Free Beds and Meals

Free beds and breakfast will be furnished in the homes of members. Dinner and supper will be in the church annex. NOW DO THIS: If you want a place to stay, write and tell us how many. If a family, give name of husband and wife and give names and ages of children and tell which are boys and which are girls so we will know how to plan for beds. This is important. Please write as soon as you know you are coming. If you plan to stay with relatives or friends and already have plans made where you are to stay, then please write and tell us. We need to know either way. Men coming together, write and tell us how many and the names. Women coming without families write and tell us how many and names. Tell us if you will have a car to get to the place you will stay. All who know you are coming, please write as soon as possible, so we can assign homes ahead of time. Those who decide to come at the last, then come on and we will have a home for you, the Lord willing. Those wanting to stay in a motel write us if you want us to make reservations for you. write to:

Open-air Services . . . Journey To Remanso . . . Journey Back To Cruzeiro do Sul After Surgery In Manaus . . . To Rio Urubu For Eight Full Days Of Services . . . Four Professions And One Baptized

By Harold Bratcher

Dear Brethren, Manaus, Amazonas September 18, 1965

Tomorrow morning I plan to use as my text, at the 14th of December Baptist Church, here in Manaus, Philippians 2:30 "Because for the work of Christ, he (Epaphroditus) was nigh unto death, not regarding his life, to supply your lack of service toward me."

I'll use the following divisions: I. The Work of Christ is Not Finished. The work of redemption, yes, but the work of world-wide evangelism is not. II. The Work of Christ is Important; so important that we should love Christ more than our own lives. III. The Work of Christ Has to Do With Money. It was when he was bringing the offering from the church at Philippi that he took sick and nearly died. How we all need to pray to have the same spirit of faithfulness as did Epaphroditus!

We are now in the hottest and driest time of the year. At least the rain during these months does not cause the people to stay home from church services.

The work at the 14th of December Church goes well. We have held several open-air services on streets or sections near the church with good attendance. The attendance at the Sunday services at the church remains above the 100 mark.

Early Friday morning, September 3rd, I left Manaus on the "Eunice" (the small boat the Mission recently bought). We traveled all day and arrived at Remanso (about half way between Manaus and Itacoatiara) at 6 p.m. I preached that night at the church there and then at 8 a.m. we (the pilot, 3 lay preachers from there and I from Rio Preto, besides 3 others) left to travel on to Rio Urubu (Buzard River). We found a passage still open (the river is falling rapidly now) between the rivers thus eliminating the necessity to go to Itacoatiara and beyond to the mouth of the Buzard River. However, even with this shortcut we didn't get to our destination until 9:20 p.m.

On Buzard River the 14th of December Church has a mission with some 20 members. It had been a year since I or anyone else of our church had visited there. The work I found in need of a revival but the lay preacher there has faithfully conducted services 4 times each week. Some 3 members he reported to me as being back-slidden. Two of these we were able to visit and they returned. We had services twice, three times each day for 8 days from Sunday, September 5th until September 12th. Each morning we held a Bible Study for two hours. Each afternoon we visited and/or held a service. At night we held services either in the small building that the people of the mission have recently built or in someone's home. One night we held services in the home of a Japanese couple who are not believers. The attendance ran from 20 to 55. There were four professions of faith and one man already converted some time ago was baptized.

Harold Bratcher

We left Rio Urubu at 1:00 a.m. Monday, September 13th and by traveling constantly except for brief stops, we arrived in Manaus at 12:00 noon, Tuesday.

One of the burdens that the missionary here in Brazil has to bear when he goes to the interior on trips is that of wondering if all goes well at home in his absence since there is no means of communication—neither telephone, telegraph or letter by Post Office. It is always a relief to arrive home and find the family well. This time, however, I learned on arriving home that one "member" of the family had been hit by a car on Sunday, before I got home. It was "Meow", my oldest son's pet cat. He must have lost several of his nine lives. However, at this writing, he is improving even though still unable to walk. The rest of the family I found in normal condition, I'm thankful to say.

Thus we conclude another Mission Sheet Letter. Let us all heed the admonition given us in Galatians 6:9 "And let us not be weary in well doing: for in due season we shall reap if we faint not."

Yours In His Service,
Harold Bratcher

Building Going Up In Pucallpa . . . Need Offerings To Pay For It . . . Three Professions Of Faith And For Baptism . . . To Make Trip Downriver

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
September 20, 1965

Dear Brethren,

We were happy to hear of the good Labor Day Conference that you all had with Brother Kirtley Jolly and his people at Independence, Ky. We would like to thank everyone who had a part in the good offering that was taken for the building fund, and especially the folks at Independence. It sure makes us feel good to know that there are people that still care and love missions, and that are back of us in the work. We pray the Lord will bless each of you, and that the offerings may come in to pay for the building. The need is great.

We have the walls on the building going up. We had to wait for cement, and blocks for about two weeks, or we would have had the wall up. We still don't have enough to complete them, but are hoping that we'll get the material as the work progresses. I'll try and get some pictures of the work for the next mission sheet, so that you all can see the work. We hope to have the roof on and the floor in soon so we can start using the building. We have visited many in the area and we hope to have many coming and many have promised

Del Mayfield

Dear Brethren,

I find in the Bible that there is a time to be born and a time to die. In between these two times it seems there are times to write Mission Sheet letters and this is one of them.

We were to leave Manaus on July 13th bringing my brother Lee from Ohio with us, but after he did not arrive on the 12th we had to cancel our passage. We were to return by way of Rio Branco, but after brother Lee arrived on the 13th I returned to the airlines and was told that we could return by direct flight, only taking several hours instead of the several days that it took us to go to Manaus. This made us very happy and on Saturday, July 24th we were at the airport early expecting a long hard trip on the old flying boat, but to our pleasant surprise we were loaded onto a much larger plane that only lands on land. After only five hours flight time we arrived in Cruzeiro do Sul, Acre, to find our son Mike who had remained in good health.

Bobby Creiglow

After being gone only two months there was much news to get caught up on and I guess by this time we are caught up on this.

With the parts that Varig Airlines have had for almost a year and the others that Lee brought, after a days work we had the small 5 1/2 H.P. Johnson outboard motor ready to travel, but then there were clothes to wash, a canoe to fix for the motor, supplies to buy and it seemed a dozen other things to do so that we could not get away until almost a week after our return to Cruzeiro do Sul. During this first week I had begun to see how soft I had gotten in the two months of doing nothing in Manaus, but did not know just how soft I really was until after a seven hour canoe ride and about a mile hike with a forty pound pack on my back not to speak of the bad sunburn that we got. It took me almost three days to get rested up after that and by that time it was time to return, but it was only a five hour trip downriver preceded by the mile walk with pack.

While we were in Colonia on this trip the young preacher there told me that there had been three professions of faith at a preaching point of the church which makes a total of nine believers there. This mission is carried on by this young man holding afternoon services and the Lord has blessed. While we were there, there were over sixty present in the church services, many of whom are lost. The thing that bothers us now is why some of them are not being saved. The interest always seems to be good, but we cannot save them and even if we could the kind of salvation that we could give would not be any better than any false religion offers.

After a few days in Cruzeiro do Sul again we were on our way up the Jurua this time in the houseboat going to Parana dos Mouras to spend some time with the brethren there. Brother Sabastion told us that the old brother that made a profession the last time I preached there had died just a few weeks before, so our next fellowship with him will be at the feet of Jesus in glory. We returned from there on Friday and my brother Lee caught the plane for Manaus on Sunday morning taking several souvenirs with him, most of which were bites from small insects. These bites will at least cause him to remember Brazil for several days.

We returned to Colonia for another week once again having good services and since then have returned to Cruzeiro do Sul to pay the native workers. We plan to return to Colonia for about three weeks soon, the Lord willing.

We are well at the present and are about up to par. Remember us as you pray and may the Lord bless you all.

Yours in Christ,
B. D. Creiglow

A Busy Month . . . Trip To Peritoro . . . Six Professions And Two Baptized

By George Bean

Sao Luis, Maranhao
September 14, 1965

Dear Brethren,
We greet you in the name of our Lord. We are reminded by the calendar that another month has passed. We look back over the pages of time and try to give you a report of some of the blessings the Lord has given us.

I think the greatest blessing that a man can enjoy is to preach the word of the Lord and see sinners convicted, and then see the Holy Spirit lead them on to repentance and faith in Christ.

Our work in Sao Luis is growing some. Despite the fact that the crowds are small, the Lord is saving some along the way. We now give you a brief report of the month's activity. Wednesday, August 18 Brother Sostenes was here and preached for us. Friday, August 20 we had outside services in front of the mission house. Saturday, August 21 I was in bed all day with some type of flu. Sunday August 22 we went to SS with 20 present. Monday, August 23 studied with my son Fran as I am teaching him. My wife is teaching the other children. We bought material to move a wall in the mission house. While I was there the electric company sent men and cut our wires coming into the building. To my surprise I found that the previous owner had not paid a bill for a year. When I talked to him he did not have any money so I had to pay it. After two trips to the electric company they turned them back on. Cost me Cr 44.000 cruzeiros or \$20.00 to pay the bill.

Tuesday, August 24 we started taking medicine for intestinal parasites. Wednesday, August 25 we went to the mission house for services with 30 present. Friday, August 27 we had outside services in front of the mission house. Two people made professions of faith. Sunday, August 29 went to SS with 20 present. That afternoon I baptized two men into our mission here. Sunday night one of them preached and did real well. Tuesday completed the removing of the wall and cleaned up the building. It looks some better and will seat about 30 more now. Wednesday, September 1 we had services at the mission house, with a small attendance. Friday, September 3 we had outside services. The husband of the woman that made a profession the week before said he was trusting the Lord. He also had a 16 year old brother-in-law that made a profession in his home.

Sunday, September 5 went to SS and had 20 present. That night we had services but I had to dismiss early because the noise was so bad outside the building.

Monday, September 6 we were up at 4:30. David, Fran and Jonie (the boy that was saved last month) and I went to Peritoro. The church there was having an anniversary service of their new building. Tuesday, September 7 the church had their service. Three of us preached to a crowd of around two hundred people. After the services about a hundred went to the house of Brother Abedom (in whose home we stayed) for hot chocolate and cake and fine fellowship. Midnight they all finally left so we could go to bed.

Wednesday, September 9 we caught a bus at 7 A.M. to come to Sao Luis. The bus was crowded and we had to stand up part of the way. This is the dry season, 6 months of it and the roads are sure dusty. We arrived in Sao Luis to have Wednesday evening services and a 14 year old boy made profession of faith in this service.

Friday, September 10 we had outside services with 24 present. Sunday, September 12 we had SS with 21 present. That night an 18 year old boy from our neighborhood went with us to services. After the message he said he was trusting Christ as his Saviour. We close the month with 6 professions of faith and 2 baptized.

George Bean

Monday, September 13 I started a Monday night Bible class with Brother Agustino, the man I baptized. He also preached for us after he was baptized. He says he is called to preach. I realize my responsibility as his pastor and as a brother in the Lord to teach him. We are studying the security of the believer and The Trail Of Blood.

Our prayers are for you. Pray with me that the Lord will raise up men to preach His word in every part of the world. Then get ready to go.

Your Brother In Christ,
George Bean

Favorite Newspaper Arrives . . . Mission Sheets . . . Rewards For Those Who Stay By The "Stuff" As Well As Those Who Go . . . New Term Of Seminary Begins

By John Hatcher

Manaus, Amazonas
September 23, 1965

Dear Brethren,
Yesterday our favorite newspaper arrived, "The Mission Sheets". It is our favorite because of our brethren in Peru, in the States and also in Brasil. Even though Brother Bobby Creiglow and his family live in Brazil our ways cross only about one or two times every four years. As for our brethren in Peru, who we love in the Lord, we see them less than you in the States. Not only do we enjoy reading the letters from our brethren but we enjoy hearing the conferences and blessings back home. Far from being the least, we enjoy your letters written on the back page of the Mission Sheets, in the form of the offering reports. This page tells us that even though personal letters do not come our way so often you do think of us and pray for us and make our ministry here possible.

Paul assured the Christians in Phillippi that the fruit of his ministry would abound to their account because of their faithfulness in giving. The sharing of the rewards between those who go and those who stay was indicated even in the Old Testament. In chapter thirty of I Samuel, David declared to those who were wicked and covetous that the spoils would be divided equally between those going into battle and those staying with the stuff. In the thirty-first chapter of Numbers we find God instructing Moses to divide the spoils equally with the congregation and the men who went to the battle.

What a challenge this ought to be for each of you who know the Lord as your own personal Saviour. We can battle only to the extent to which you supply us with the necessary means. Conditions on any battlefield are different than those at home. There are many necessary adjustments to make and abnormal conditions to support. These become really insignificant when those who "stay with the stuff" supply enough of the "stuff" to make the battle lighter. The "stuff" Brother Del Mayfield needs is your support of his projects in Pucallpa. The "stuff" that we all need is your constant support in prayer. Each one knows the "stuff" or deposit which God has put into his hands so let each of us, whether in the actual field of battle or whether staying with the stuff, be faithful that we may equally share the reward.

Brethren, we need to invest, to the full, in the things of the Kingdom for it alone has the promise of being everlasting. It is told of a certain man who was exceedingly rich that when he died there was much comment about the large fortune he left.

Dear Brethren,
I have not as yet received the news from the brethren in Iquitos, as I am writing about a week earlier than usual but next month we hope to have news again of the work in Iquitos. I have had a personal letter from Brother Jorge Macahuachi, pastor of the Iquitos Church and the work in Iquitos is doing real well.

I have preached or told about the work in the following churches since my last letter. I preached at the Detroit River Association September 2nd through the 4th. September 5th, we were at the Twelve-Ryan Baptist Church, Brother

Walter Lauerman

Hafford Overbey, pastor, Detroit, Michigan. After the morning service, we drove to Independence, Kentucky where Brother Overbey and I preached that evening of September 5th. The following day was the Labor Day Conference at the First Baptist Church of Independence, Kentucky and again I had the privilege of preaching on this Conference. Brother Kirtley Jolly is the pastor. On September 12th in the morning I spoke at the Siloam Baptist Church, South Shore, Kentucky. Brother George Galloway is the pastor. The evening of September 12th we spoke at the Storms Creek Baptist Church, Ironton, Ohio. Brother Jim Orrick is the pastor. I want to thank Brother Orrick for the fellowship and kindness as I stayed in his home for a week. On Monday night, September 13th we showed slides of the work to the Storms Creek Church. On September 14th and 15th I went to two churches but found no people. These two churches are Hitchens Baptist Church, Hitchens, Kentucky and the Salem Baptist Church, Grayson, Kentucky. This was due to a mix-up in the schedule, but on September 16th I found a good gathering at the Immanuel Baptist Church, Oldtown, Kentucky. Brother Eugene Meadows, pastor. On September 19th I was with the Myrtle Tree Baptist Church, Grayson, Kentucky. Brother Woodrow Brumfield, pastor. On September 22nd, I filled in for Brother Bill Hundley at the Fellowship Baptist Church in Lexington, Ky. We do not have time or space in this letter to completely thank all of you for the kindness and the fellowship which was shown toward us. We just say thanks and it was wonderful. I wish I could take a little bit back to Peru.

I want to thank the Lexington Baptist College for putting our oldest daughter, Karen in a special class in order that she could take her first year of college work without having all of her high school work done. She plans to complete her high school the first year that we are back in Peru. All the brethren at the College have been so good to Karen and we surely thank the Lord for it.

Well tomorrow we will be off and going again. You pray for us as we continue to travel, preaching and telling about the work. We do not have a free week-end until the last of December right now and only two Wednesday nights and many other week days filled to speak. We have even some engagements after the first of the year but as yet not booked solidly in any one month. Please write now if you want us to come. We thank all of you that make our ministry possible and may the Lord bless you. My address is 1405 Elizabeth Street, Lexington, Ky. 40503.

Yours in Christ,
Walter F. Lauerman

SCHOOL BUILDING NEARING COMPLETION

Although the School building has been in use for the past few years it has lacked some being finished. Since coming back the offices and lower part of the breezeway have been finished and at present the the auditorium over the breezeway and offices is being finished. We hope to have it completed in two months. The concrete tile floors are to be laid soon. One-half of the tile has been ordered. We have not started the new dormitory as yet due to the fact of too much work and too little energy. Someone might ask, "When will they get it all finished?" But, is there any finish until the Lord comes?

Pray for your work and ours here in Brazil. Pray for us and take good care of the "stuff".

His and yours,
The Hatchers
