Preaching Eight Times A Week . . . 191 In Sunday School . . . Fence Around Property Finished . . . Hille Coming

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
June 17, 1968

Dear Brethren,
We greet you once again in the name of our wonderful Lord. It doesn't seem possible that another month has passed, and it's time to write another mission letter. We have been very busy in the work, and thank the Lord for His blessings on us.

With the new mission, and the church and school here, I'm preaching 8 times a week. Ada has three classes a day in the school, besides helping the other teachers with their problems. How we do praise God for His strength and good health that He has given to us. We appreciate your prayers and thank each one of you for your material and spiritual support that makes our ministry possible here. Continue to pray for us.

Del Mayfield

Brother Lauerman has invited us to come and help with the organizing of his new church, but it's impossible for us to leave our work at this time. I'm mentioning this so you will know that it's not that we wouldn't like to go. I'm sure that Brother Lauerman will understand. We'll be praying that they will have a great time with the Mulling family, and many will be saved during those days. We appreciate being invited, and we're sorry that we'll not be able to go. Here at the church the Lord has blessed. Our attendance has been very good. This last Sunday we hit an all time high of 191. I've mentioned this before, but would like to repeat. Our Wed. night crowds are better attended than our other services. Then we have services Thur. and Fri. nights at our mission in Arenal and when we rent a bus and take the people from the church here we really have a crowd. This past month there were three for baptism, and one profession of faith. We also have been blessed with one of the members joining our church by letter from the First Baptist Church in Iquitos. Brother Cesar Garcia who is stationed here with the Air Force. He is a fine young man and very faithful. His father is one of the workers with Bro. Lauerman in Iquitos.

The fence around the property is all done with the exception of two steel gates that I'm having made. It sure has improved the looks of our buildings. We took pictures, but have not received them back from Lima where we sent them to be developed. We'll send them as soon as they arrive. We're so glad that the fence is done and I'm sure each one of you would like it.

Brother Lucho Ruchba reports that San Francisco church is doing fine. There are two couples getting legally married so that they can be baptized. We wanted to make a trip there, but have pulled the houseboat out of the water to repair the bottom. This will take several weeks, as it has to dry out good before scraping, caulking and painting. We had to do this as there was water coming in, and we had to dip water about every day. I'll try to visit the work there with the fiberglass boat. Our day school is doing fine. We have a good group of students and a wonderful teacher. We thank the Lord for the work at San Francisco. Each month I always forget something. Several months ago we started holding mens prayer meetings before our Sunday nite services 7-8. Last week we had 17 men in the prayer room praying. How we do thank God for this. I'm sure that you'll rejoice to know that they pray for you.

One other thrill this past month was word that the Hille family would be coming to visit us, and the Kissel family. We are looking forward to seeing them, and fellowshiping with them. May the Lord give them traveling mercies. We don't have a red carpet, but you can be assured we'd put one out if we had one. More about that next month.

We're praying that the Hatchers and Creiglows will have a safe trip home and a wonderful furlough, and that the Bratchers and Beans will be blessed with all their needs as they go back to their field of service for the Lord.

May the Lord's blessings be upon each one of you.

Yours by His Grace,
Del. Mayfield

Pucallpa Buildings And Wall Report

Missionary Del Mayfield reports that the wall around the property is now finished and the boat house should be finished by the time of the next issue of this paper. As reported in the paper last month we need approximately \$5,500.00 (maybe more) to pay for all. As soon as all is finished we will give a complete report of the cost for all the lots and all the buildings, the wall and the sewers and well, etc. We pray that more will have a part in paying the balance. Send your special offering marked "For Pucallpa Building" as the Lord shall lead you.

New Church Organized In Iquitos, Peru . . . Revival In The First Church . . . Great Rejoicing . . . Hilles Coming

By Walter Lauerman

Iquitos, Peru
June 22, 1968

Dear Brethren,
This month's news: River churches still progressing, Organizing of Second Baptist church, Revival at First Church, Souls saved and Baptized, Delores and I celebrated 20th wedding anniversary, daughter Barbara was 17 on 22nd, earthquake, Bro. Paul Mulling good preacher and a blessing to our church and much sickness in our home. Now for a detail of this news.

The river churches are still having souls saved, Mapa Cocha has 5 to baptize as soon as possible and they are hoping for better things yet. Tamshiyacu is saving and hoping to build a new building little by little and make it of brick. Astoria church has put most of their new floor (concrete) in now and hope to get it all done soon. Hojeal is doing real well and hopes to visit more to increase the attendance. We are still hoping that the former pastor will turn back over the church building in San Antonio to the church but if he doesn't soon they plan to build another one. Please continue to pray for these churches.

Some family news: Delores and I celebrated our 20th wedding anniversary and if the Lord tarries we pray for 40 more at least. It has been a wonderful 20 years, and if I had it to do all over I would marry her but I would try to show a little more appreciation sooner in this life. Our second daughter Barbara is now 17 and as sweet as she was when 16. We had a lot of sickness this month and all but me were very

Walter Lauerman

sick, but again we praise the Lord for all are well again. There was an earthquake only several hundred miles from us here and it was felt very much in Iquitos and woke some of us up here and our beds were in other places the next morning after as it happened in the night. Bro. Paul Mulling from Lima preached for us here in our church for four days and 5 were saved and he is now preaching 4 days in our mission (now a church). Bro. Mulling has been a blessing to our church and to me also. The fellowship was just about the best. Bro. Mulling has really grown in grace and has taken a real stand for the truth we preach, in that great big city of Lima, Peru. I could say sinful city also I guess. Not only were souls saved but many others that had left our church and hurt it by talking got right while he was here. So the Lord is good.

The last two nights Bro. Mulling has preached in the mission and last night it was organized into the Second Baptist Church of Iquitos. There were 12 charter members. Bro. Purificacion Taricuarima will be the pastor and they will have their own church building which will be a big blessing to start off with. It was a dream come true or I should say two. One, a church in a place I wanted for almost from my coming here, and also the building (although it lacks some painting yet) done which was a long hard job. It brought tears of joy to my eyes. Also tears were from the crowds we had. Bro. Mulling thought there was close to 225 people there Thursday night and last night about 175 for the organizing. We sure thank the Lord. Bro. Mulling really brought two good messages on the church and also its duties and also the duties of the pastor. He will be with them again tonight and Sunday for both services. I want to say also that the fellowshiping churches here with us also attended with us well in these days. All seemed in good spirits and we all had a good time. We are awaiting the arrival of the Hilles here July 10 the Lord willing. We hope to have all the painting done on the Second Church by then and dedicate the building then. We are also waiting for the Kissels to come also after the Hilles. I hope to have pictures of the organizing, soon, etc. the Lord willing, to send for MISSION SHEETS.

Well I guess this is all for this month and may the Lord bless you all for His glory and thanks to all that pray for us and give to make our ministry a reality.

By His Grace,
Walter F. Lauerman

Bobby Creiglows To Arrive For Furlough Soon

The Creiglows are delayed because of the necessary legal papers so they can get the adopted twins on their passports. They will live in a house trailer, Route 6, Lancaster, Ohio 43131. As soon as we receive it, we will give their address, if different and phone number. We hope that some church or two churches will designate special offerings to pay the \$70.00 a month for the cost of the house trailer for the Creiglows. Pray about this and mark your offerings each month for "Creiglow House Trailer."

Good Missionary Journeys To Sao Brais, Barao And Colonia . . . Getting Ready To Come Home On Furlough

By Bobby Creiglow

Cruzeiro do Sul, Acre
June 13, 1968

Dear Brethren,
This has been a very busy month as we are trying to get everything finished before coming home on furlough. With Bro. Elizario returning to Manaus it has left us with many things to do that we had planned to leave in his care, but the Lord knows all about this and will take care of all things and we are trying to leave it all in His hands.

Just after writing my Mission Sheet letter last month I went to a place called Sao Brais which is a preaching point of the church at Mourapiranga. I had preached in this place several years ago when witchcraft was the big thing there. The last time I preached there the leader told me that he knew that what I preached was the truth, but that he was still striving with the spirits. Within a very short time he died trusting in his false gods, and knows now more than before that what I preached to them was the truth. This time I found things very much different. The law had forced them to disband because of their fighting and I found a people very much interested in the word of God. We were given permission to use the new public school house and I had one of the best Bible Schools that I have ever conducted with the largest attendance being on the last day with seventy present. In the night services the attendance was very good, also, with forty to sixty present every night. The last night the Lord blessed us with three professions of faith and most of the people came around asking me if I could not stay longer. When I told them that I could not because Bro. Cido and I were to leave the next day for Barao they wanted to know if I could not come back at least to spend one Sunday afternoon with them before leaving for the U.S. The date was set for this coming Sunday, so after attending the morning services in Mourapiranga we will go there for an afternoon service.

Bobby Creiglow

I had gone to Sao Brais by car and after finishing our work there, Bro. Cido and I went by canoe to Barao by the river Moa that as always this time lacks water. We spent most of the day traveling under a very hot sun. Some people have always thought that I was only half baked, but now I can truthfully tell them that the sun finished the job that day. It had been some time since I had visited the church in Barao and I had a very good time that week. I stayed in the home of an Indian family who are members of the church and I have never been treated any better anywhere in Brazil. Most people here try to overdo themselves to please us when we are in their home, but this family just made me one of the family and I like it better that way. They had plenty of fish so we ate fish three times a day for a week and even brought enough for two meals back to Cruzeiro do Sul with me. While we were in Barao we, also, had the best attended Bible School that has ever been held there. We had services in different homes each night, and although we did not have any professions of faith the Lord blessed us there.

After returning from Barao I spent one day at home and then took the family to attend the Sunday Morning services in Mourapiranga and then three days later we left Cruzeiro do Sul to spend a week in Colonia where I serve as pastor. We went by car and this was the first time that the whole family had been to Colonia in almost two years and is the first long trip that Betty had made since we got the babies. We all enjoyed it very much including the babies. We had services every night with good attendance and the Lord blessed us with one profession of faith. This will be the last long trip we will make before coming home on furlough. I still have two short trips planned, but these will only be for one or two days each.

By next Mission Sheet letter time we should be in the U.S. Until then may the Lord bless each and everyone of you.

In Him,

B. D. Creiglow

Very Busy . . . The Lord Is Blessing Everywhere . . . Baptizings, Exclusions And The Lord's Supper . . . To Manaus

By Dempsey Henderson

Sao Luis, Maranhao
June 17, 1968

Dear Brethren,
I am so busy that I hardly have time to write this letter. We only have one more week in Sao Luis, before going to Manaus, and as usual, I am about as far behind as a man can be, without being completely out of the picture. I will probably be late to Manaus, like I am everywhere else. If it wasn't for the fact that the Lord has complete control of such matters, I would probably be late to my own funeral. But thanks be unto God, as death and heaven are concerned, I shall make both appointments on time. I am not altogether at fault, as to my present situation, but many things have happened to hinder me. For example, the house that I thought I had rented for the Beans, I learned at the last minute I would not be able to rent. I had to get busy and find him another one. I finally found one near where we live. It's a new house, but not completely finished. I am busy now, trying to get it ready for them before I leave. This is only one of many things that has happened to hinder me at the last minute, but neither time nor space will permit me to say more on this subject now.

Dempsey Henderson

Soon after my last mission letter, I started traveling into the interior again. I have been to Vila Maranhao, with a trip from there to Itaqui to get some folks who were to be baptized. We had the baptizing at Vila Maranhao. I baptized 3 into the fellowship of the church there. They came to us from the "holy-rollers". After the baptizing, we had a preaching service, then I took the people back to Itaqui. We got home at almost midnight, tired but happy in the Lord. The work is growing in both of these places. We have also made 2 trips to Anajatua. On the first trip, the church observed the Lord's Supper, after having a business meeting and excluding 2 members—a mother and daughter.

The mother came back, confessed her wrong, and was reinstated in the same meeting. In the service yesterday, the daughter came back and was reinstated. So I trust that we left the work there in better condition. I was unable to make any more trips to Toboca, and will not be able to, before leaving for Manaus. But the evangelist and others from the church in Anajatua have made regular trips there, and are on a trip there at this writing. They report some problems, but some progress, also.

The work in the church in Sao Luis and the work here in Olho Dagua is progressing slowly, also. The little girl that I mentioned in my last letter, whose brother untied with our church for baptism, was saved, and I baptized them into the fellowship of our church. On Sunday night, May 26, we had a triple service here in New Hope Church. We had a business meeting and excluded 2, a baptismal service and baptized 2, and then the church observed the Lord's Supper. They live near us here in Olho Dagua, and attend all of the services with us. We also still have services in the home of "the woman at the well", and in a service there a few weeks ago, her sister and brother-in-law made professions of faith. That makes 4 in that home. I hope to baptize them, before I leave. We are also having services in another home here in Olho Dagua. The owner of the house is a strong Catholic, but is attending the services and showing good attention and interest. The Lord has opened a great door of opportunity in this place, and I sure hate to leave it, but I know that Bro. Bean will continue on with the work here, and do a much better job than I could, and I will go to Manaus, the Lord willing, and do what I can in the work there.

Brethren, we deeply appreciate your support and prayers. May the Lord richly bless you all, for Jesus' sake. We will probably be writing our next letter from Manaus. May the Lord protect our missionary families who will soon be traveling to and from the States.

In Him,

Dempsey Henderson

By Harold Bratcher

Lapeer, Michigan
June 20, 1968
Dear Brethren,
Psalm 116:17 "I will offer to thee the sacrifice of thanksgiving, and will call upon the name of the Lord."

The revival at Stoney Run Baptist Church near Richmond, Kentucky which we began on Monday night, May 20th continued through Wednesday night, May 29th. On Friday night May 31st and Saturday, June 1st it was our privilege to be with Pastor Sidney Fisher and the Waverly Road Baptist Church of Huntington, West Virginia. Sunday, June 2 found us preaching at both services of the First Baptist Church of Lucasville, Ohio. H. C. Grooms is the pastor.

From June 3-12 I served as the evangelist in a revival at the Northside Baptist Church of Lexington, Kentucky. Gerald Smith is the pastor. The Lord gave us a blessed revival with some three rededications, 1 by letter and two professions of faith.

Friday night, Saturday night and Sunday

Harold Bratcher

morning, June 16th I preached and enjoyed the good fellowship with the pastor and people of the Gethsemane Baptist Church of Marengo, Ohio. Charles Margraff is the pastor. On Sunday night we were with the Calvary Baptist Church, Crestline, Ohio. Bro. Elwood Hensley is the pastor.

On Monday, June 17th we drove from Crestline, Ohio to the home of Mr. & Mrs. Ray Harris of Mount Morris, Michigan. We will continue to be their guests until June 21st.

Last night we had an enjoyable visit with the Grace Baptist Church and Pastor Eugene Clark of Warren, Michigan. The Lord blessed me as I preached and then afterwards in the annex building showed the slides of the work in Brazil.

Brethren, the Lord willing, the next Mission Sheet Letter will be written from Manaus, Amazonas, Brazil, South America where we should arrive on Thursday morning, July 11th. We pray that the Lord will bless us all as we remember the 117th Psalm: "O praise the Lord, all ye nations: praise him, all ye people. For his merciful kindness is great toward us: and the truth of the Lord endureth forever. Praise ye the Lord."

Yours In His Service,
Harold Bratcher

John Hatcher's Arrive In The United States For Furlough

By John Hatcher

About 200 came to the airport in Manaus, Amazonas, Brazil to see us leave for the United States. Some walked six and seven miles to come. The Dempsey Hendersons who are to live in our house in Manaus to keep it for us and take care of the Seminary for us had not arrived from Sao Luis, when we left. Brother Henderson was having difficulty in getting a house for the Beans to live in. As soon as the Beans arrive back in Sao Luis, Maranhao, Brazil, the Hendersons will fly to Manaus and take over our house and work there for us. We left the work in good shape and a list of notes for Brother Dempsey. We are scheduled for a Homecoming Service at Calvary Baptist Church, with Pastor Hensley and Crestline, Ohio, and for the Conference in Clarksville, Tennessee and Pastor Wilson, and for the conference in Randolph Street Baptist Church, Charleston, West Va. and Pastor McNeil, all in August and then for the Labor Day Conference in Independence, Ky. and the Thanksgiving Conference in Warren, Michigan in November.
