Unfair Criticism Of Baptist Faith Missions

There are some who make it a practice to unjustly criticize Baptist Faith Missions. Before Missionary George Bean left for Brazil five months ago, he wrote that several pastors and churches in the area that he had just been in were opposed to Baptist Faith Missions because she has a "Board". One pastor and editor in this area wrote in his paper—"ANY CHURCH THAT DOES ITS MISSION WORK THROUGH A MISSION BOARD IS NOT AN INDEPENDENT BAPTIST CHURCH". Yet this pastor and church does mission work through a particular Incorporated Mission Board. So that makes this pastor's church not independent according to his own words. So he is not consistent in what he says and practices. Also, while Brother Bean was in the home of a pastor, singers from this particular church were there also and these singers asked Bro. Bean why he was sent out by a mission board and Brother Bean replied, "I was sent out by the sole authority of Pleasant Ridge Baptist Church, Lexington, Kentucky. It is recorded in the records of their business meeting. After arriving in Brazil I joined the Chapada Baptist Church, Manaus, Amazonas, Brazil, from there I was a charter member of Peniel Baptist Church, Manaus, Amazonas, Brazil. I did my mission work under the authority of this church until we organized our church in Sao Luis, Maranhao, Brazil and have been doing mission work under the authority of this church since then."

Brother Bean also told of a missionary from this same area who was doing deputation

work to raise money for his support who told a pastor of a church that supports Baptist Faith Missions that the work of Baptist Faith Missions is unscriptural.

Now let us make it clear that the above mentioned are good men in good churches doing good work and we believe that their churches are Scriptural Baptist Churches and we are not saying one thing to hurt them. We are on the defense of Baptist Faith Missions who is unjustly criticized and talked against, and some have no scruples in trying to take support given to Baptist Faith Missions for themselves.

Baptist Faith Missions is not something that a church joins or becomes affiliated with. There is nothing to join or unjoin. Baptist Faith Missions does not interfere with any church or pastor whether they give or do not give. Baptist Faith Missions is an Incorporated Board of Directors of Baptist Preachers, all of whom serve without any pay from Mission offerings, which Churches and Missionaries use the services of, if agreeable to all concerned. Now Note: Any church has the same right, and scripturally so, to use the services of, and to send

(Continued on page 3, col. 4) Unfair Criticism

Ninth Annual Spring Conference Coming

The Ninth Annual Spring Missionary Conference in Lexington, Kentucky will be held March 31, April 1 and 2, 1969 the Lord willing. Several Churches in the Lexington area join in sponsoring this conference. Make your plans now to attend.

Thanksgiving Conference Now History

The Fourteenth Annual Thanksgiving Conference was an unusually good one. Large crowds, good spiritual fellowship and good preaching. Several young preachers were on the conference program this year for the first time and they were all very good. Their messages were well prepared and well delivered. The Special Thanksgiving Offerings were the largest of any year thus far. The two churches putting on the conference took the lead, Grace Baptist Church gave \$11,361.65 and Twelve-Ryan Baptist Church gave \$4,181.13. The First Baptist Church, Independence, Kentucky gave \$4,000.00, New Hope Baptist Church, Dearborn Heights, Michigan gave \$2,000.00 and others gave liberally making the total Special Thanksgiving offering \$30,085.65. This is over and above the regular monthly offerings which added to made a grand total for November 1968 \$36,142.17. The largest in the history of BFM for any one month.

Nine Churches In Brazil Send Thanksgiving Offering

Missionaries Harold Bratcher and Dempsey Henderson led nine churches in Brazil to send \$422.00 as Special Thanksgiving offerings to Baptist Faith Missions. See the list on page four. We are hoping that next year all the native churches in Brazil and Peru will join in and have special Thanksgiving offerings.

Refrigerator And Washer For Bratchers And Beans

The offerings taken each night at the conference were for the Refrigerators and Washing Machines for the Harold Bratchers and George Beans. The ones for the Bratchers are now paid in full! and we need a total of \$163.46 to pay the balance for the Beans. If you would like to have a part in this mark your offering "For Beans Refrigerator" and send in the regular way. Any over will be applied on the special needs for other missionaries.

122 In Sunday School . . . Men Come To Pray Before Night Service . . . Plans For Expansion

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
Nov. 18, 1968

Dear Brethren,
Just a few more days before the Thanksgiving Conference, and we're praying that it will be the greatest ever. Of course it will all be history by the time you read this letter, but we want you to know that we're thinking of you hoping that our missionary efforts and interest will grow together until the coming of our blessed Lord.

This has been another busy month. We only have another month of school here, and the last month is always the month of examinations and report cards. We're already planning for next year, hoping that we can double our enrollment. Our church here has voted to borrow the money if at all possible and build the second floor on the school building, so that we may have a complete grade school. We're only teaching four grades this year, and that means three more next year. We'll only have three months to build the second floor, and with the rainy season that may be impossible. Pray with us as we try to do His will.

This month has been a month of blessing for our church. There has been one saved, and we baptized four the past two Sunday nights. There was also a couple from San Francisco whom we had to get legally married, and who came to be baptized. Our attendance has been very good. We've averaged 122 with all the rain. So we rejoice in the blessings that the Lord has given us. We also have seven to fifteen brethren who come every Sunday night before services and pray. That is a blessing, and God has blessed because our Sunday night crowds are much better. We've always had good order inside our services, and now all the troublemakers outside have decided that they may as well leave. So we praise God for His goodness to us. The last two Sunday nights we had baptism the building has been full. I told the people that we ought to have

Del Mayfield

baptism every Sunday night. Our Sunday morning crowd is divided. My wife teaches the children in the school buildings, and I preach to the young people and adults. Ada also has a full time teaching job now in the grade school, as one of our teachers took ill and had to quit. She teaches 52 in kindergarten. I appreciate my helper, and just couldn't get by without her.

I'd also like to ask you to pray for our son Ed, who is now stationed in Viet Nam with the medics. Some of you might like to write to him, and I'm sure he'd love to hear from many of you. His address: PFC Wm. E. Mayfield, US 51946499, 32nd. Med. Dep., APO San Francisco, Calif. 96312. We miss him very much. Ed was a big help to us in the work while he was here, and a blessing to many. Pray for him that God will use him there to be a witness to many.

Brother Lucho Rucoba reports that the church and school at San Francisco are doing fine. There have been two saved this month, and then the man and wife that got married legally, and was baptized last Sunday night. The work there is doing very good, and we rejoice with the pastor. The church here has asked Bro. Lucho about coming here and taking over the mission in Arenal. He said that he would pray about it. I have a feeling he'll come. We have two other brethren there in the church that could carry on. So remember the church in your prayers, that Gods will may be done. We sure need someone in Arenal to preach, and lead the people. The missionary cannot be in several places at one time even though he'd like to many times. As soon as we can we hope to organize the church in Arenal, and then start another work on the other side of town. There are so many places where there is no work, that we don't have a problem here in finding a place to start a work. The field is white unto harvest, but the laborers are few. Pray with us that the Lord will send forth laborers into HIS HARVEST.

We'd like to close by thanking each one for your prayers and support in our behalf. May the Lord richly bless you all.

Yours by His Grace,
Del. Mayfield

Return From Fortaleza . . . Service In Cemetery . . . S.S. Up To 145 . . . Seven Active Mission Points . . . Ten Day Trip To Manacapuru

By Harold Bratcher

Dear Brethren,
November 18, 1968
Yesterday morning at the 14th of December Baptist Church I used as my text Deuteronomy 6:4 "Hear, O Israel: The Lord our God is one Lord." God is one-The united one. Were it not so there would be fightings, wars, plottings of the many gods one against the other as polytheism teaches.

God is not only one but three in one and yet there is but one will, desire and plan. God the Father wants the gospel preached in Brazil and throughout the rest of the world. God the Son wants the gospel preached. God the Holy Spirit wants the gospel preached.

Sunday night I used Deuteronomy 6:5 "And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might." We are to love the Lord with all that we have and with all that we are.

My last Mission Sheet letter was written from Fortaleza. I continued the revival there through Sunday night, October 20th. We had 1 profession of faith in a home on Sunday afternoon. The work in Fortaleza is small and at a standstill at the present. However, most all the 14 members of the mission are faithful. I arrived home from Fortaleza on Monday afternoon, October 21st.

The last three weeks have been spent here in Manaus doing the work of a pastor-preparing sermons, visiting and praying

recognizing that "we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." 2 Corinthians 4:7. On October 27th and again yesterday we made our monthly visits to the isolation hospital and to the leprosy sanatorium. There was one profession of faith at the isolation hospital yesterday.

On November 2nd (the day of the dead) our church held a service at E.A. Nelson's grave in the St. John the Baptist Cemetery here in Manaus. A large crowd heard my message. We distributed several hundred tracts before the service to the candle burning crowd. Almost everyone received the tracts offered them in spite of an order given by a priest, conducting a mass in the Cemetery chapel, for the Catholics not to accept them. One of our members heard him say that we could distribute gospel tracts in the cemetery during any other day of the year but not on their "day of the dead".

The attendance this month in Sunday School has varied from 114 to 145 yesterday. The work at all of our seven mission points or preaching stations in the interior continues with services being held regularly at each one.

Brethren, let us remember that the triune God (Father, Son and Holy Spirit) is interested in the salvation of the lost everywhere.

We ask your prayers for our work. Friday (Nov. 22) I'll be leaving Manaus for some 10 days to hold a revival with the mission at Manacapuru. We trust that the Lord will bless and guide at the Thanksgiving Conference.

Yours In His Service,
Harold Bratcher

Harold Bratcher

Mrs. Bean Recovers From Operation . . . Four Professions In Sao Luis . . . Mission Buys A House

By George Bean

Caixa Postal 500
Sao Luis, Maranhao
November 15, 1968

Dear Brethren,
It is sure good to sit here in the living room tonight and not have to think about going out somewhere. I have taken two weeks off from my missionary travels to try to get caught up on my work. These last two weeks I thought I would work on the church field and get caught up on some things here at home. Well my plans did not work out quite that way. The first of Nov., June had her appendix taken out. It was not an emergency, but she had spent a month with headache and every day a slight fever. The doctor told us it would be better to take them out as she did not respond to medical treatment. They were inflamed and the operation and recovery was normal. She stayed in the hospital a week and came home. After three days at home she could not open her mouth or chew her food. I went to the doctor and had to wait for him about three hours. Here there are no telephones and everything that is done you have to do it personally. Take all the phones out of your cities and you can imagine what we face here. When I finally saw him and told him she could not open her mouth. He said she had lockjaw from the operation, get her to the hospital as soon as possible. That jeep sure got a good run from town to our house but the trip back I had to drive slower as June's incision was still tender. When we arrived at the hospital he was waiting, to my surprise, to examine her. She did not have lockjaw. Now the problem was to find out what she had, after another week in the hospital and four specialists they decided after looking at X-Rays that she had a dislocated jaw. She was put to sleep and the doctor dislocated both jaws and then put them back in place, and an hour later she was on her way home. I believe if I ever appreciated a doctor that knew what he was doing it was this one. They were talking of her going to Rio to be treated. When you have your homemaker, cook, school teacher, nurse and counselor for your children out of commission besides the great expenses of the specialist and hospital. You can believe me prayer was answered, because I sure was praying. Also during these last two weeks we had one of our church members who had a nervous breakdown, and it fell my lot to get him admitted to the state institution. I think when I look back I would rather do primary mission work deep back in the jungles than to

George Bean

take two weeks off and stay in the city and get caught up on my work. I am just as far behind as I was when I started two weeks ago. Now to give you a report on our church activities and trips this month.

New Hope Church, Sao Luis

We have four professions of faith at the church this month and the crowds are increasing. We have hired a policeman to stand guard at the door because the distraction is so great that you cannot hear and you cannot preach. I would not say the preaching is any better but I sure enjoy the quietness as I try to preach.

Itapel

We have made one trip to Itapel and the services are well attended. I hope to be able to baptize soon at this place.

Periz

This is a mission of The Baptist Church of Villa Maranhao, I have made one trip there this month and two men made professions of faith, one being a well educated man. Bro. Agostinho, the pastor from Villa Maranhao, goes here every other Saturday night and has services Saturday night and Sunday morning and then returns to his church for services Sunday night. The church has some awaiting baptism and soon they will be baptized, the Lord willing.

Olio D' augo

This is a preaching point of the New Hope Church that Bro. Dempsey Henderson started when he was working here in Sao Luis. We have started having services at another home and this month there were two old women who made professions of faith. One of them cannot walk and it looks like soon she will go and meet her Maker.

Taboco

This is a mission from the Church at Anajativa. Bro. Jose and the brethren made a trip there this month and he reports good services. I also forgot to say that I made a trip deep into the interior and we bought a sailboat to make these trips into the interior. I will send a picture soon. If anyone would like to come and go sailing with me I send you an invitation. Also, lest I forget, we have found a house in Sao Luis and Baptist Faith Missions has bought it and we are cleaning it up and building some more rooms on it. This is something I have prayed much about and now the Lord is making it a reality. Ask and ye shall receive, seek and ye shall find, knock and it shall be opened unto you. Matt. 7:7. May the Lord bless everyone real well and may everyone have Happy Holidays.

Yours in Him,
George Bean

In Revival Meetings And Visits To Churches . . . To Visit Son Mike At Clarksville Baptist College

By Bobby Creiglow

Bobby D. Creiglow
Route 6
Lancaster, Ohio 43130

Dear Brethren,
Due to the fact that I did not get my Mission Sheet letter written on time last month this will not be the activities for a month, but for only a few weeks.

At the writing of my last letter I was serving as the evangelist in a meeting in the Jordan Missionary Baptist Church of Portage, Indiana where Bro. Warren A. Wilkerson is the pastor. We had a good meeting there with some very good fellowship with the brethren.

I returned from Portage as I had gone, by plane and was met at the airport by my family and a sister-in-law. After spending a few days at home with the family I left once again going to Livermore, Ky. to hold my half of an eight day meeting with Bro. Howard Wilson Jr. and the Richland

Bobby Creiglow

Baptist Church. Not having any place to go on Thursday night I stayed over at this church to hear Bro. Hatcher preach his first sermon of his half of the meeting. After leaving the Wilson home I went on to Clarksville to spend the afternoon with our son Mike. That night we went to Gracy, Ky. to be with the Julien Baptist Church where Bro. Wallace York serves as pastor. We had a very good week-end meeting although the Lord did not show us any results and once again as has always been the case I enjoyed the fellowship very much.

I am at this present time at home once again getting some clothes washed before leaving for Mt. Morris, Mich. to be with Bro. James Kissel and his church and from there to go to the conference in Warren, Michigan.

May the Lord bless each and every one of you.

In Christ,
B. D. Creiglow

Supper time Wednesday night in the Twelve-Ryan Baptist Church Annex during the Thanksgiving Conference. People at the left are not shown in the picture and all could not be fed at one sitting.

Two Radio Programs Each Week . . . Graduation Time At High School And Seminary . . . Nine Churches Send Thanksgiving Offerings

By Dempsey Henderson

Dear Brethren,
It seems to me that one of Bro. Eugene Clark's favorite sayings can be most literally applied to me, more now than ever; namely, "The hurrieder I go, the behinder I get". I think that I am going to have to send this letter by telegram, if it is to get there before the deadline.

Manaus, Brazil
Nov. 22, 1968

Dempsey Henderson

It is with sad and heavy heart that once again I use the means of the Mission Sheets to express my sympathy and grief and send our condolences to another dear family of our friends in Christ. This time it is the family of Ben Roberts, one of our nearest and dearest friends at Julien Baptist Church. Ben was killed in a farm accident on Tuesday, Oct. 22. It was a terrible shock to us, as Ben and Jonell were always counted among our special friends. May God grant wisdom, grace, strength, and courage to this bereaved family, especially to Jonell and the children. God's ways are not our ways, but His ways are always perfect and right. "The righteous perisheth, and no man layeth it to heart; and merciful men are taken away, none considering that the righteous is taken away from the evil to come. He shall enter into peace; they shall rest in their beds, each one walking in his uprightness." Isaiah 57: 1-2.

Now I come to the report of our work for the past month. I am sorry to have to report that our S.S. attendance at Tabernacle did not come back up, but rather went down, down, down, for 4 straight Sundays; all the way down to 98 one Sunday. I am glad to report, though, that it has started back up again, with 102 last Sunday. We are now in the rainy season, and this always hurts attendance. It has been raining since midnight last night, and is still raining. We have been having prayer meeting every night this week, in preparation for a week of meetings, beginning tomorrow night. We had real good attendance for our prayer meetings, and look forward to overflowing crowds and blessings from the Lord in our meetings. Bro. Julio Dantas, director of our day schools, professor in our Seminary, and pastor of Peniel Baptist Church, will be the speaker in our meetings. We are looking forward to a great time in the Lord. Our mission work at Tabernacle is progressing some, with the exception of the work at V8, which is very weak. I plan to give some special attention to the work there, as soon as our meeting is over. The Lord has blessed us with professions of faith this past month, and I plan to baptize 2 Sunday morning. We have others getting married legally, so they can be baptized. We have also had 2 special meetings with the pastors in the area, trying to encourage them and stimulate greater desire and determination to do more in the work of the Lord. Out of these two meetings have come a special Thanksgiving offering from the churches here for the work of BFM, which was sent to the Thanksgiving Conference, 2 weekly radio programs of 25 minutes each, which are being sponsored and paid for by a group of our churches, and the revelation of at least 1 "Judas" among us. Well, the same God who took care of the betrayer of our Lord will take care of this one, too. I pray that this is only the beginning of a much greater effort of our Brazilian brethren to take a more active part in the work of BFM here.

The school terms for this year are all over now, both in the day schools and in the Seminary. We have only 1 more day, the 28th of this month, for the High School and Grade School students to receive their report cards, and the baccalaureate and graduation services of the Seminary, marked for the 6th and 7th of Dec. We have had a real good year in all of the schools. Instead of 5, we had 7 to graduate from High School, one of them being John Mark, Bro. Hatcher's son, and the other a young man who had to miss a lot because of sickness, but who had such excellent grades that he was allowed to graduate. We are looking forward to even a better year next year.

About my talking parrot that performed

the amazing miracle of getting Dorothy up at 5:30 A.M.; lately he's been roosting in another tree farther from the house, and I have a sneaking idea that a certain somebody who likes to sleep late has been helping him to get up in it, as he can't fly. I'll let you guess who that certain somebody is.

Well brethren, I must close this letter and get it in the mail. By the time this letter is read, the Thanksgiving Conference will be history. I do hope that you all had a most wonderful time in the Lord, and went away with cups running over. Needless to say, we missed being there. When I saw the headlines in the Mission Sheets, "LAST CALL FOR THANKSGIVING CONFERENCE", tears filled my eyes because I was unable to answer that call. But thank God that when the call comes for that great "THANKSGIVING CONFERENCE" in Heaven, by the grace of Jesus Christ, I'll be able to answer that one, no matter where I might be. The young lady who was saved at Martin Ave. Mission, and then was discouraged by the words of a neighbor, has cancer of the lungs, very much advanced. She is only 17 years old. Please pray for her. Another lady who has been a member of our church for some years, and was attending the Martin Ave. Mission regularly, has advanced cancer of the stomach. She is a widow, with a family, some of them small children. Please remember her in your prayers, also. Until next month, brethren, God's richest blessings upon you all.

In Him,
Dempsey Henderson

Work Going Good . . . Native Preachers Doing Mission Work . . . Thankful For All BFM Has Done . . . New Car To Use

By Walter Lauerman

Dear Brethren,

Iquitos, Peru
Nov. 21, 1968
There have been two professions of faith in our new Third Mission and they may be baptized this month. We have good attendance also and even reached 65 on Sunday past. Things look good there. The "other group" still has services, which are poorly attended. We pray for many more to come and know the truth. I am teaching the "Trail Of Blood" in the First Church on Wednesday and our people from here also attend and we also get some from other so-called Baptists that I spoke of in past letters and they get this truth also. We have made benches, pulpit and enlarged the building some in back and intend to enlarge some more soon. Pray for this work. First Church attendance has been about 60 or so and this is good as we had to start up again after losing our people that lived in the area of our new mission, etc. Offerings have been up this month and we thank our God for that also. We are to have a revival from Dec. 1 to the 8th and I will tell about that next month. We had one come for re-instatement, but I do not know if it is real as he has come only once in the last two weeks after he made the profession. The Second Church has come up some now in S.S. attendance to about the upper fifties. Pastor Purificacion has made a 3 day trip up the Itaya River and is up there again right now. I intended to go with him this time but Bro. Mayfield came the day I was to have gone. Bro. Mayfield had some things to take care of for his school and also for the MISSION. We had a good quick, busy time in the two days he was here, and he got on the plane just in time, as they were to start up the motors. He can get around yet even in his old age.

Mapa Cocha has had another good month and I believe that pastor Abram Gaima has gotten on fire a little and it shows so much in the people. They are visiting now among the people and it is giving results. Bro. Jorge Macahuachi has done a great job in his 2 years plus in Astoria and Hojeal and these churches are steady and growing sound. Now the Tamshiyacu Church is my kind of a church for here. They have an attendance of

Walter Lauerman

about 60 (village is only 1,000), 35 dollar offerings, two missions, sent out two preachers to other places and the pastor and his family are the most consecrated people I know. His wife is the nicest obedient woman you can find. They had another one saved this month. In San Antonio (pastor from Tamshiyacu Church) there were two saved. The pastor's wife had a new baby boy this month and we thank God for them in this gift. They there intend to have a building done soon as they have completely given up on getting the other building from the former pastor and do not even want it and are real determined to show that God will provide without help from others and to depend on them.

As I write this there are only 4 days until the annual conference at the Grace and Twelve-Ryan Churches. Our prayers will be with you and when you read this all will have been history. May the preaching have been the best yet and hearts stirred to do more for the Master. Also I want to say right here I thank Baptist Faith Missions for all they have done for me and my family for the past 11 years and I have not forgotten ONE of the things that they and you all personally have done for us. Again this month another blessing they gave me a new car. They bought for me a new Morris (English) pick-up to use. I picked this kind of transportation for the following reasons: Half the cost of a Volkswagen and one third of a jeep. 2.-It's all I need here for my work. 3.-In less than 2 years I will be coming home and did not want to leave an expensive car for someone not of our Mission to use and misuse as I did last furlough and above all it was here at hand and I could get it new and see what it was and not order and wait and maybe never get it or have to pay so much customs and the red tape also, etc. There may even be other reasons but these are the most important ones. Bro. Mayfield liked it and even said it may be the buy I could have made, etc. Anyhow I really got him around the two days he was here even if my driving scared him some. I guess this is all for now and may the Lord bless you all. Our family sends greetings and are all well at this writing. It seems that my letters get longer every month so I will try to cut down and give more space to the other Brethren and some pictures also.

By HIS Grace,
Walter F. Lauerman

Traveling . . . Telling And Preaching

By John Hatcher

Dear Brethren,
This last month has been a busy one and the Lord has blessed as we traveled from place to place telling about the work and preaching. The Home Baptist Church and Pastor Don Titus gave us a royal reception and it was a blessing to be with them. On Friday night the Fellowship meeting was held there and we rejoiced to see many of the brethren.

Coming down from Mt. Morris, Michigan I was with Brother Hille and the New Hope Baptist Church for a week's meeting. It was a wonderful time. Then we were with Brother Howard Wilson and the Richland Baptist Church, Livermore, Ky. for four days. After the first two days I came back to Lexington and got my family and it was a real joy for our family to be with the Richland Church and the Howard Wilson family.

John Hatcher

On Saturday, the 23rd of November, I flew to Akron, Ohio, to be with Brother Carl Calley and the Greentown Baptist Church. On the way up the plane stopped at Dayton, Ohio and thirteen Brazilians got on the plane so it was a lot of fun to talk to them and practice up on my Portuguese some. On Sunday the Greentown Baptist Church had a dinner together and words cannot express the blessing it was to have the opportunity to fellowship with the members and their families, and especially their lovely children. On Monday I flew back to Cincinnati and drove to Lexington where my family was waiting and then on to Detroit

for the Thanksgiving Conference.

For four years we had waited for this opportunity and we tried to take advantage of every minute. What a joy it was to see our brethren and have opportunity to fellowship and to hear many of them preach and to enjoy the warm hospitality of wonderful families who opened their homes to our family. Then, as always the Grace Baptist Church where Brother Eugene Clark is pastor and the Twelve-Ryan Baptist Church where Brother Overbey is pastor took care of all in their "Baptist hospitality" way. We thank them from the depths of our hearts. Pray for us as we travel that God will use us among the churches for His glory.

In Him,
John A. Hatcher

UNFAIR CRITICISM (Continued from page 1)

offerings through Baptist Faith Missions as she has the right to send her offerings through another church. When offerings from my church are sent through another church, then that other church becomes the mission "board" of my church. We do not believe that this other church has any more authority than my church has. Note again: Any church has the same right, and scripturally so, to use the services of Baptist Faith Missions as she does to use the services of a plumber, or electrician or builder. Specific authority (not blanket authority) is granted to each to do a job that the church chooses to have done. Note again: But someone says you cannot find mission boards in the Bible. Neither can you find anyone visiting churches begging for support, "Deputation work." Neither can you find where one church sent offerings to another church to send for themselves. Note again: We are not saying one word against anyone doing "deputation" work to raise his salary, if he takes a year or two years or longer to do so. That is his business and may God bless him. A church may send through another church if she desires to do so and may God bless her. But a church has an equal and scriptural right to send through Baptist Faith Missions if she so desires. Note some differences between the Baptist Faith Mission way, and the "deputation" way: Those doing deputation work to raise the money for their support and needs, tell of the needs and name the objects needed and when there items are bought with mission money the missionary owns them, and if, and when he quits and comes home, he then sells the things and keeps the money as his own. With Baptist Faith Missions, the equipment, such as cars, boats, launches, houses, etc., etc., are bought with mission money and owned by Baptist Faith Missions and then if and when a missionary quits and comes home all these things remain the property of Baptist Faith Missions and are turned over to another missionary to use. The missionary uses these things the same way a pastor uses a parsonage, but he may not sell and pocket the money. There are other advantages, but this is enough for now. Just remember that all missionaries of Baptist Faith Missions are ordained by a Baptist Church, and sent out under the authority of a Baptist Church and do their mission work under the authority of a Baptist Church and they go to the place they say that God has called them to go. They enter into an agreement with Baptist Faith Missions to abide by a certain mutually agreed to policy, which they have a scriptural right to do if they so desire. Remember that we are not attacking the ones who do deputation work, nor any pastor or church that does mission work that way. We are on defense of Baptist Faith Missions and believe that it is the best mission work on earth today. Some other work is also good and scriptural, but not all. Please do not let anyone lead you to take offerings from the work of Baptist Faith Missions for themselves. This is a Baptist work, and it is a faith work and as H. Boyce Taylor said before he died in 1932 that if it be God's will it will GO, AND GROW, AND GLOW and praises be to God it has, and is, doing all three: GOING, GROWING AND GLOWING, with the best mission work in Brazil and Peru to prove it. To God be the glory, all mission offerings are used 100% for mission work and there are 46 Churches in Brazil and Peru and a Seminary to train Native preachers, as evidence.

Offerings for November 1968
