Another Church Organized In Iquitos, Peru . . . Eight Baptized . . . Preacher Ordained . . . Building For Another Mission

By Walter Lauerman

Dear Brethren,

Iquitos, Peru
April 18, 1969
In less than two years we have jumped from reaching about 60 to 80 in S.S. to about 175 to 200. The reason is simple. We now have three churches in Iquitos compared to one 2 years ago. Now we hope to start the fourth one soon. We have the poles and wood frame all done on that building and the tin roof a'so. We lack the wood walls and the concrete floor and we will be ready to preach there. This ought to give us, I am sure another 40 to 60 on Sunday morning. The Second Church had its Bible school also and had 55 daily. We are having a lot of rain now (daily and all day) which has hurt our attendance some I guess but I do know that it hurt our having the fourth building ready. I went and preached 5 days for the Hojical Church this month. We had no professions but much interest. The pastor, Jorge Ayonbo, says that the spirit in the church is better yet this month. We hope we helped. While there we helped ordain the pastor of this church along with several other brethren. I got to preach the sermon and I liked that. While there the new pastor, newly ordained baptized 6. He also pastors the Astoria Church and he had two professors of faith there and baptized them both. We need a pastor for Astoria it seems also.

Walter Lauerman

The Third Church was organized April 15 with 23 members. That leaves the First Church with only 26 members, but we had in the 60's this month again in S.S. Daniel Garcia was called as pastor. Daniel by the way has a preaching place on Mondays and has about 30 or so every week. His preaching house is in a Penecostal's house and she wanted to give a discourse one night and Daniel gave her a little discourse on women keeping quiet in the congregation. There were 4 saved in the Second Church this month and some of them at least are to be baptized soon.

Bro. Purificacion has been getting wood from the forest to make his house on the Napo River at Orrellano. This is hard work. He plans to make it big and use it for services until he can get a group together to make their own building, etc. The other river churches had a usual month, as the pastors when here this month did not tell me of anything in particular. We have planned for a revival for the 14th to 19th of May with Bro. Marcial from Tamshiyacu Church as our preacher. This is in the First Church.

I had the worst case of flu in my life this past month as the flu just does not get to me it seems. I was a week without preaching as my voice was all but completely gone. I am still hoarse and have a hard time speaking, even now yet. It just about got me and it does not want to leave me yet. My family all send greetings and hope all had a good time at the conference. We again thank all for the help from time to time for both my family and me. Pray for us. We thank God for all the news in the MISSION SHEETS about the brethren in Brazil. May the Lord bless you all for HIS glory.

By His Grace,
Walter F. Lauerman

Furlough For Missionaries

The John Hatcher's will be leaving for Brazil about June 20th after a year of furlough and visiting churches in the States. The Bobby Creiglow's will be leaving for Brazil in July after a year of furlough visiting churches in the States. Coming home for a year of furlough will be the Del Mayfields from Peru about the first of June. He is coming early as he plans to be back perhaps in March next year, when school starts. The Dempsey Hendersons are expected home from Brazil the last of June, as he is scheduled to speak each day at the Conference in Alderson, W. Va. We need the money to pay for the plane fares and the cost for equipment to be taken on the plane by the Hatcher's and the Creiglow's. Julien Baptist Church, Gracey, Ky. and Grace Baptist Church, Warren, Mich. and Twelve-Ryan Baptist Church, Warren, Mich. are to give special offerings towards this expense. We really need several thousand dollars extra. Pray and give as the Lord leads you to do so.

Thanksgiving Offering

Now is the time to plan for the Thanksgiving Offering for Baptist Faith Missions. Several churches have already begun to give toward this. We hope that churches who have never given a Thanksgiving Offering will join in with the others that do so each year. Get in on the blessing. It will make you feel good.

Printing Equipment

John Hatcher plans to edit and print a paper in Manaus, Brazil and mail it to all the churches there. The Offset Printing press is already delivered in Manaus, Brazil. Brother Hatcher is taking a special camera from the States for this and there are many other things needed. If you would like to have a part in this, send a special offering marked for "Hatcher's Printing Press."

Coming Conferences

June 30 . . . July 5, 1969, The Nineteenth Annual "MOUNTAIN STATE MISSIONARY BAPTIST BIBLE CONFERENCE, Alderson, W. Va. - West Virginia's largest Conference. August 12, 13 and 14, 1969 at Bible Baptist Church and Clarksville Baptist College, Clarksville, Tenn.
September 1, 1969 at First Baptist Church, Independence, Ky.

Report On The Return Of Julio And Jose To Brazil . . . Work Is Going Great

By Dempsey Henderson

Dear Brethren,
Once again it is time for another letter for the "Mission Sheets". I want to take time just here to thank all who have a part in making it possible for us to receive this paper of reports on our mission work and progress in the mission. I thank Bro. H.H. Overbey for his untiring labors to keep us all informed on all of the work and progress in our work in all places. I thoroughly enjoy the letters of my beloved brethren and rejoice with them in the Lord's blessings upon their work. I enjoy everything in our "Mission Sheets", from the heading on the front Dempsey Henderson page to the last part of the financial reports on the last page. God bless you all, and THANKS again for this blessing.

I will now give the news of the past month as briefly as possible. Of Course, one of the greatest events of the month was the return of the brethren, Julio and Jose, from their trip to the States. Needless to say, everyone was happy to see them again and anxious to hear the report of their trip. They did not have words to describe their amazement, joy, satisfaction, and gratitude over the trip and what they found, saw and observed in our country and among our churches and faithful Baptist people. Neither do I have words to describe their expressions of ecstasy and elation, their absolute amazement and surprise at what they saw and experienced in our country. They were absolutely overwhelmed by the expressions and manifestations of Christian love and fellowship among the brethren and people of our mission, and their burning desire and zeal for the work of God in general, and our mission work in Brazil and Peru in particular. More than once I saw them fighting to hold back tears of joy and emotion, while they were telling of their experiences with our people there. They were especially overwhelmed by the labors of Bro. and Mrs. P. S. Fisher and the good people of their church, who did so much to make them feel welcome and at home in a "strange land". They enjoyed thoroughly their visits with all of the churches, and they talk constantly about the hospitality, Christian love, and dedication

that they found wherever they went. They are also still talking about the "banquets" that the churches put on for them. The manner in which the churches feed and take care of their visitors was to them a "wonder to behold" also, as well as a delight to partake of. The results of that part of the trip show visibly on them also. They returned both happier and heavier. It was an experience that they shall never forget; perhaps the greatest for them in this life, other than their salvation. They feel eternally indebted to all who made this trip possible and so enjoyable to them. I am sure that it will have its impact for good on the work here. They were like the queen of Sheba, when she saw the glory of Solomon; the half they had never heard. All of the problems and difficulties that we encountered here because of their absence were as nothing, when we beheld the joy of their countenances and heard their report of the marvelous things that they had experienced in my beloved Country. Thanks to all of you from all of us.

The work in the schools and churches here is going real well, thank the Lord. Our attendance has been climbing slowly but steadily for the past few Sundays, in spite of heavy rains, until we have reached 141 in S.S. today. We praise the Lord for this also. We had 4 additions by baptism and 2 by letter at Tabernacle this past month. The attendance is still growing at our mission at V-8, and five young children out of Eliza's S.S. class at Martin Ave. Mission made professions of faith last Sunday morning. Eliza was our first convert, after beginning the mission there, soon after our arrival in Brazil. Our missions in the interior are doing as well as can be expected under the circumstances. The biggest problem and need is someone to visit the work in the interior. In the Parana Anama on the Amazon River above Manaus, they have been waiting for months for me to come there and baptize some converts, but until now, it has been impossible for me to travel. I hope to be able to make a trip there soon.

I will close this letter for now. Thanks again for your support and prayers. The little boy that I hit is well and back in school now. His mother just now brought him to visit me. God is so good. May He bless you all.

In Him,
Dempsey Henderson

A Month In Manaus . . . Rain And More Rain . . . A Trip Planned Into The Interior

By Harold Bratcher

Dear Brethren,
Permit me to share with you some of the blessings I have received these days from the book of Joshua. Joshua 3:5 "And Joshua said unto the people, Sanctify yourselves: for tomorrow the Lord will do wonders among you." Joshua 3:9-10 "And Joshua said unto the children of Israel, come hither, and hear the words of the Lord your God. And Joshua said, Hereby ye shall know that the living God is among you . . ." Joshua 4:23-24 "For the Lord your God dried up the waters of Jordan from before you, until ye were passed over, as the Lord your God did to the Red Sea, which He dried up from before us, until we were gone over: That all the people of the earth might know the hand of the Lord, that it is mighty: That ye might fear the Lord your God forever."

Harold Bratcher

These days since the writing of the last Mission Sheet letter have been spent in the city of Manaus. We are still in the rainy season and it has rained almost every day sometime during the day or night. Both my wife and I celebrated birthdays (mine, March 24-her's - April 5).

Each Friday night we have held services in a different home close to the Church. At one of the services, held in the open air, 93 people were present. Our Sunday School has run from a low of 35 (a very rainy morning) to 161.

The Lord has blessed us with the following visible results of our labors: 1 received under the watchcare of the church, 1 baptized, 1 received by letter, 3 professions of faith and two rededications. Also, we report with sadness that the church lost one member to the Adventists and death claimed one.

The Lord willing, I plan to go, with the family, to Rio Urubu, during the month of June. We ask your prayers for this trip and for all the work of the 14th of December Baptist Church of Manaus, Amazonas.

Yours In His Service,
Harold Bratcher

Trip To Lima For Ordination Of Preacher . . . Paul Mullings Arrive In Pucallpa And Look After Work While Mayfields Are On Furlough

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
April 19, 1969

Dear Brethren,
I'm glad that we can share with you a few of the blessings that have been ours this past month. We always remember all of you in our prayers, and thank Him for each of you that make our ministry possible here. Truly the Lord has been good to us, and has given us good health to serve Him.

March and April are the busiest months in the year for the school. There are so many papers we have to present to the board of education for the enrollment for the school. We have 173 enrolled this year. We only wish that each one of you could have been with us for our dedication service for the second floor of our building and could have enjoyed some of the food. We had a great time in the Lord. The 4th of April I went to Lima to help Bro. Mullings ordain Bro. Fortunato to the ministry. I had a good time the 3 days I was there. Ada didn't go with me, as the last time she got very sick flying over the mountains. She stayed here and watched after things. I was going to come back on Monday the 7th, but was not able to leave until Tue., the 8th. That same day I left by plane the Paul Mullings left Lima by truck, and let me add, a truck loaded. I'm still wondering just how Bro. Mullings got so many things in a small truck. They arrived in Pucallpa on Fri. the 11th, after a long and tiresome trip over the mountains, as the road this time a year is very rough and muddy. On Sunday the 13th they came forward asking the church to write for their letter of membership so as to be members with us. We do thank the Lord for their coming our way. They have rented a house, but will be moving in to our home the last of next month to watch after things while we come home.

While I was in Lima we had a record crowd in Sunday School-212 in attendance. I told Ada that I should leave more often. They also had 7 professions of faith that Sunday. So we do praise God for this, because it isn't always this way. Usually when the pastor is away the members play. There have been 9 professions of faith this month, baptized 4, and we excluded 7. We also had one funeral this month. A man about 80 years old died last Fri. night. He was not a member of our church but attended. We had a

Del Mayfield

service in their home last Sat. night, and then on Sunday morning Bro. Paul Mullings went to the cemetery, as I stayed with the church services. He has several married sons and daughters. The most of them came Sunday night to our service. Pray for the families as they'll see their need of Christ, and those who are saved will see their need of being BAPTIST.

We helped two families to get married legally so that they could be baptized. One family from San Francisco, and the other here. Brother Sauerno reports that all is going well at San Francisco, and that the day school is doing fine. We sure did enjoy our trip there last month. We'll always love the people there. The work at Arenal is doing very good, even though two families have moved away. We're going to have a revival meeting there next week. So we're hoping that the Lord will save some and that others will be added to the church. We'd like to organize the church there, and ordain the pastor before coming home. Pray for the work there.

We also have a meeting planned for here next month. Brother Bradley from Iquitos who has helped Bro. Lauerman several times will be doing the preaching for us. We're looking forward to a great time in the Lord. We're going to have it outside as we can seat more people, and I'm sure we'll have better attendance. We're praying that many of the school children will bring their parents and many of them will be saved. Pray with us.

I'm sorry Brother Overbey that I don't have any pictures to send at this time, but will try to take some and send next week, the Lord willing. Our new second floor looks much better now that we have the steel railing around the balcony. We also had a meeting with all the parents the opening day of school, and I got to preach to them. We want them all to know that we're not just an evangelical school, but that we're a BAPTIST school, teaching the word of God every day-Word by word, verse by verse. Last week our memory verse was Ps. 24:1 "The earth is the Lord's, and the fullness thereof, the world and all that dwell therein." Every Fri. morning we have church for the students in the church building. The 173 along with the teachers fill our building, and it's a joy to preach to them. Pray for us that we'll be faithful witness for Him who Loved us and gave Himself for us. May the Lord bless you all.

Yours by His grace,
Del. Mayfield

A Busy Month Visiting Churches . . . A Great Time With Churches In Alabama

By Bobby Creiglow

Lancaster, Ohio
April 28, 1969

Dear Brethren,
This has been a very busy month, but as the time approaches to return to Brazil it looks like it might slack up some. It needs to slack up to give us time to get some of the last minute things done before the last minute.

At the writing of last month's letter I was with Bro. Harry Hille and the New Hope Baptist Church of Dearborn Hts., Michigan. After closing the meeting there on Sunday night, we went to Mr. Morris, Mich. to be in the Home Baptist Church to hear the Brazilian brethren preach. We returned home after services that night so that I could get to Dayton, Ohio on Tuesday night where I was with the Miami Valley Baptist Mission where Bro. Sid Bishop is pastor. On Wed. night I was with the Kemp Rd. Baptist Church where Bro. Chester Marcum is pastor. The three day week-end before the Conference was spent with the Grace Baptist Church, Fairborn, Ohio and Bro. Paul Kirkman is the pastor of this church. I returned home after services Sunday night and on Monday we traveled to Lexington, Ky. to attend the Spring Conference. We enjoyed the Conference very much and, also, had the joy of staying in the home of Bro. & Sister Carl Wilson.

Bobby Creiglow

On Thursday after the Conference I took the family back home, taking Brenda with us, also. On Friday I took Brenda back to Clarksville, Tenn. and then on Saturday morning I went farther south to Leighton, Alabama where I spoke to the Big Bear Creek Association that met in the Bum Out Baptist Church of Viner, Ala. where Bro. Paul Lane is pastor. On Sunday morning I was with the Poplar Creek Baptist Church and Bro. Ernest Vandiver is the pastor of this church. Sunday night was spent with the New LaGrange Baptist Church where Bro. Jeff Cook serves as Pastor. I was to leave Alabama on Monday morning, but since I did not have any place to speak on Monday and Tuesday nights I was asked to stay over, which I did. On Monday night I was with the Union Hill Baptist Church of Moulton, Ala. where Bro. Robert Winter serves as pastor and then on Tuesday night I was with the Little Bear Creek Baptist Church of Tusculumbia, Ala. Bro. Earl Kerby is the pastor of this church. While in Alabama I was, also, blessed by staying in the homes of Bro. Milton Ford, Bro. Earl Kerby and Bro. Bruce Gargis. All of the brethren that I met there in Alabama went overboard with their Southern hospitality and I will long remember the few days I spent there.

The next few days were spent around the Clarksville Baptist College, where I spoke

in Chapel at least once.

On Friday April 11, I attended the ordination of Bro. Bobby Green at the Julien Baptist Church of Gracey, Ky. and then I was with the Bible Baptist Church of Cadiz, Ky. on Saturday, Sunday and Monday. Bro. Bill Meador is the pastor of this church. Wednesday afternoon I showed the slides twice in the Sacramento High School and then that night I spoke in the Faith Baptist Mission where Bro. Parvin Hall is pastor. Thursday night I was with Pastor Paul Orick and the Bethel Baptist Church of Williams, Ind. and then returned home on Friday after being gone for two weeks.

April 19 and 20 we were (my family and I), with the Gethsemane Baptist Church of Morengo, Ohio where Bro. Ed Margraff is pastor. We also returned there on Wednesday night to view Bro. Hatcher's slides.

This past weekend was spent with the Home Baptist Church where Bro. Don Titus is pastor. We have been treated great in the home of Bro. Frank Tate and visited with Bro. Titus in the hospital where he was recuperating from a slight heart attack.

Thus we share with you the blessings of the past month.

In Him,
B. D. Creiglow

Busy Month With 27 Services . . . Many Sick With Flu . . . Several Professions Of Faith

By George Bean

Caixa Postal 500
Sao Luis, Maranhao
Brasil, S. A.
April 15, 1969

Dear Brethren,

I see by the day of the month that it is time to send another MS letter to our many brethren and friends that support this work with their prayers and offerings. We have had a busy month with services somewhere just about every night. Since March 15 we have had 27 services. The regular grind gets heavy, but we enjoy it, but everywhere we go there are problems to solve, people asking to borrow money, someone always needs medicine and other things that I will not mention now.

New Hope Baptist Church

We have some to be baptized soon, one couple will get married so the man can be baptized (the wife is not a believer). Our preaching point here in the city is well attended each Tuesday night and this month we had 6 professions of faith. In New Hope Church we had two professions of faith.

Itapel

We have been to Itapel two times this month and we now have a promise of some

Brazilian Preachers Visit A Twofold Blessing . . . Packing And Planning For The Next Four Years

By John Hatcher

Lexington, Kentucky
April 21, 1969

Dear Brethren,

Of all the months in our life the one just past has been one of the most enjoyable and busy. Our hearts are still thrilled with the interest and concern shown in the coming of Brother Julio Dantas and Brother Jose Araujo to the States to visit some of the churches and especially the Spring Conference. As we thought about their coming we wondered just what you would think and just what they would think. The red carpet of Christian love was rolled out every place visited. Never have we seen a warmer reception given to persons that was given to our two brothers from Brazil. This was to us a real indication of your deep concern and love for the missionary work you so faithfully support.

John Hatcher

Good Preaching

Julio and Jose are not without their faults but they are wonderful examples of what God's Grace can do for sinners. During

the time spent they preached almost every day and unless my memory fails, they did not preach the same message twice. As I translated their messages my own soul was thrilled with the messages they brought.

Two-fold Blessing

May God bless their coming in such a way that their short stay here will have been a blessing to them and to us. It is our sincere desire that you will have been blessed and encouraged to give, go and pray more, knowing that your labours in the Lord are not in vain. On the other hand may it please God to impress on their hearts that the many blessings here have been the result of God's blessings on his people and that many of our churches have been blessed because they have been generous in giving to the Lord's work. Our brethren need to learn in Brazil that the way out of their poverty and darkness is to be faithful in their stewardship. We believe you have helped them to see this by your liberality.

Our Thanks

For each of you who helped to make the coming of Julio and Jose possible and so enjoyable we want to say in the Name of our Lord, thank you, very much.

Time to Return

By the time you have read this letter we will have most of our things packed and be close to the time of our return to Brazil. God has given us a great year, perhaps one of the most blessed in our lives. Three of our children will have finished their first year in college. They have come to the time of life when personal responsibility becomes greater. This is a time when, as parents, we feel a lump of loneliness come up in our throats but it is also a time when we see our work as parents put to the test. Now it will be known if we have built our house on the rock. There will be no failing on God's part. Of this we can be certain. May each of us as parents realize the necessity of bringing up a child in the way he should go that we may claim the promise of God, "and when he is old he will not depart from it." May God help us to understand clearly that, "WHAT OUR CHILDREN WILL BE, THEY ARE BECOMING TODAY".

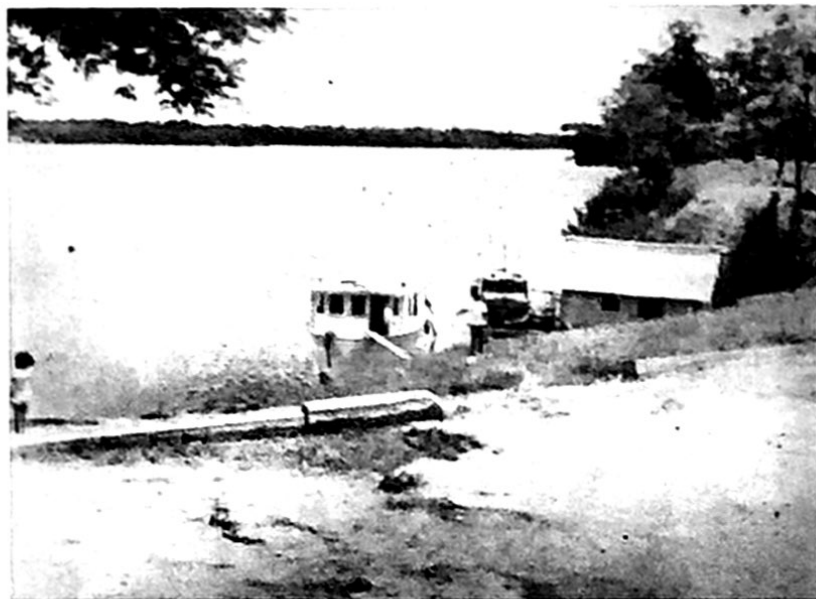

Our Work In The Next Four Years

Yours and ours. It is with joy that we look to our return to Brazil. You send. We go. The work is not mine but ours in the Lord. The reward will be equally divided between those who go and those who stay with the stuff. May it please the Lord to give us mutually the same desires and visions that His work may prosper as never before. May we look through His eyes upon the ripened fields and may we trust Him for tireless energies to mount up as eagles.

In Him,
John A. Hatcher
