Pastor Ordained . . . Good Bible School . . . Forty Seven Baptized In Three Years

By Walter Lauerman

Iquitos, Peru
Jan. 16, 1970
On January 26th the Tamshiyacu church will ordain Bro. Francisco Enriques whom they sent to San Antonio over two years ago to take up a work ruined by the former pastor and even had to be declared dead. He has done a good job there and has 13 baptized since going and now one of the old church finally wants to be a member of the new. On January 27, they intend to organize a new church there, the Lord willing. So the Lord is giving a new church to replace the other that went dead. We thank God for all this. There was a profession of faith in Mapa Cocha and the person is to be baptized, I hear, soon. Hojeal church, under it's new pastor, is doing fine and they plan another revival with Bro. Marcial Macahuachi the

preacher. This will be Feb. 16. Also, I forgot to say that the group in San Antonio has a building, even if the other pastor took the old, and better one. The other churches on the rivers had about an average month, average attendance and nothing special to report.

We had a Bible school for a week, from the 5th to the 10th of Jan. We had a good time and the best behaved of all. I did not have to teach as others did it for me and I did not have to beg either. That is growth in itself. I did keep very busy all the morning though it seemed, maybe that is why the attention was better and the noise less. The Bible classes I now have on Fridays are well attended, sometimes the house is full with all the women and young people. I baptized 6 this month, 4 for the First church and 2 for the Second as they had no pastor at the time. I baptized the 2 and we immediately gave them letters to be members of the Second Church. They have

A Dentist Gets Saved . . . Six Professions At Sao Bras . . . Twelve Baptized At Maita . . . Over 200 In Attendance At Sao Bras

By Bobby Creiglow

Cruzeiro do Sul, Acre
January 16, 1970
On December 20 I left with Bro. Cido going by car to Sao Bras, where the church of Mourapiranga has a preaching point where I spent five days holding Bible school every afternoon and preaching every night. This was held in the public school house and we had a full house in almost every service. On Sunday Morning we went to Maita which is just about forty minutes through the mud in the forest to invite the church to the Bible school. There was a dentist there and almost all the people had had teeth pulled, and the pastor being gone to Barao to preach to the

Bobby Creiglow

Cido and I were asked to do the preaching. We both preached on "Search the Scriptures" and at the close of the service the dentist who had been searching them for some time was saved. Last week he told me that he had searched for peace in twelve sects, but found none until he found it in Christ that day. One night along toward the last of our stay in Sao Bras, as I was preaching, a lady jumped up calling her husband saying in the name of every saint she could think of that she needed help that the child in her arms was dying. Of course the services stopped while the husband shook the child who had fainted. Several times things like this have happened tight at the close of the services and the devil knows that it gets me so upset that I am helpless to finish the service, but after everything had calmed down once again, Bro. Cido told me to

To Arizona, California, Mexico, Arizona And Oklahoma

By Dempsey Henderson

Norman, Okla.
Jan. 28, 1970

Dear Brethren,
I am writing this letter from the home of Bro. James H. Sims and family, with whom we are now visiting. We are on our way back to Kentucky from a trip to Arizona and California. I will tell more about this trip later in this letter.

If my memory serves me correctly, my last letter was written from Lexington, Ky., and I was in a meeting and conference with Kent Clark and the Bryantsville Baptist Church. We certainly had a wonderful time in the Lord with this great pastor and his wonderful people, as well as with all of the people who came from so many places to attend the conference. It was certainly a great conference. The preaching was superb, the food most delicious, and the fellowship marvelous. The attendance ran in the hundreds-over 300 in one service-and the pastor and church did a marvelous job of making it a most enjoyable and edifying conference for all who attended. If you didn't attend, you certainly missed a blessing.

We visited many places and saw many wonderful things, but perhaps one of the most outstanding things, for me at least, was our trip to Old Mexico and a mission work there. We went to Tijuana, and on down into Mexico some few miles to visit a missionary and his work. When we arrived the missionary and his family were not there. I tried my Portuguese and what little Spanish I know to try to get some information from some children across the street, and to my surprise and delight they understood me, and I understood them. Dorothy came and joined in the conversation, and we had a delightful time conversing with them. We learned that the Missionary had gone with some of the native preachers to Los Angeles to attend a school and that he only returned on Sundays. We returned to Tijuana and did some shopping, and we conversed with a number of people there in Portuguese-Spanish and English. It all reminded me so much of our work in Brazil that it made me a little homesick for the work and people there. We attended church services with the Whitsons at the Landmark Missionary Baptist Church, and I was given the opportunity to preach, tell about my work, and make a tape for their Sunday morning radio broadcast. We had a very wonderful time in every way, and we want to thank the Whitsons for a most wonderful time, and for their wonderful Christian hospitality and love shown to us.

On Friday morning, Jan. 23, we boarded the plane and flew back to Tucson, where we spent the weekend visiting my Dad again. On this trip and these 2 visits to Tucson was the first time that we had seen Dad and his wife, since coming to the States. It was certainly a wonderful reunion, and we thank God for the opportunity. I cannot express the joy that these visits with them gave us, and we want to thank them for a most wonderful time. On this last visit I again taught Dad's S.S. class and had charge of both the morning and evening church services, during which I preached the word and presented our mission work. At the close of the morning services, a man and his wife united with the church by letter and another woman who had been saved many years before came for baptism. We thank the Lord for these opportunities to preach and to tell about our work. I will tell about our trip back home next month, the Lord willing. God bless you all.

A Service Six Nights Every Week And Some Weeks Seven . . . 235 In Sunday School January 18

By Harold Bratcher

Manaus, Amazonas
January 17, 1970

Dear Brethren,
We greet you in the name of the Lord in this first letter of the New Year. "Blessed be the God and Father of our Lord Jesus Christ, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of Jesus Christ from the dead, To an inheritance incorruptible, and undefiled, and that fadeth not away, reserved in heaven for you, Who are kept by the power of God through faith unto salvation ready to be revealed in the last time." 1 Peter 1:3-5. Whatever may happen during 1970 we can rejoice knowing that God will keep heaven for us and keep us for heaven. Therefore let us rejoice "though now for a season, if need be, ye are in heaviness through manifold temptations." 1 Peter 1:6.

ing or attending a service either in the church or in a home. Our attendance at Sunday School was down last Sunday to 115. It rained at Sunday School time but we rejoiced in the Lord when on December 28th, the last Sunday of the year, our Sunday School attendance was the largest of the year-193.

We held our regular Watch-night service on December 31st. Almost 150 people stayed until the end of the service and the beginning of another year.

We ask an interest in your prayers as we continue our work for the Lord. We pray the Lord's richest blessings to be upon you all during 1970.

Yours In His Service,

A Visit To The High Andes Mountains . . . Busy Studying Spanish . . . Good Place To Live

By James Kissel

Dear Brethren January 16, 1970

Since our last mission letter, we have had some enjoyable experiences. After service Christmas Eve, we were invited to have fellowship with the church that we attend here in Lima. We went to the home of one of the members, where we had hot chocolate and sweet bread. Some of the members played instruments and all sang choruses. We had a good time of fellowship. The people seem to like us and to help in every way possible. Several have visited us in our home.

James Kissel

The Saturday after New Year's we were invited to have dinner with a Missionary family whom we have met here in Lima. When we arrived at his house there were three other families there for dinner. We had a good time together. In the afternoon he said he would show us some of his mission points in the mountains. We drove about 30 miles out from Lima and then left the highway, taking a small gravel road which led up the mountain. The mountains here are rock and sand, with no green at all, as they have no rain, on the western side of the Andes. The road was made completely by hand, cut out of the side of the mountain. We went for about six or seven hundred feet and would make a sharp turn and go back the other direction. Each time we did this, we would climb perhaps twenty or thirty feet, sometimes more. Looking down at times, it seemed there was nothing below us. We finally reached the top, about eleven thousand feet. There are three small villages up there, which seemed to us to be another world. There is some good land on top, where the people are able to raise fruit, vegetables, sheep and goats. They are a primitive people with no running water, no electricity, no

sewage, but their greatest need, there is no church, but they did have an idol in one place. The missionary said he has preached there many times but he was not received well. It was dark by the time we left to return to Lima and we were thankful for a safe journey when we finally got back to the highway. We were told that there are many of these villages scattered around all the mountains, where there is no gospel message.

We are in school now and are very busy. We are taking a super-intensive course. We spend most of our time in study, with classes from 7 a.m. to 9 a.m. and then spend some time in the Lab Class. The remainder of the day we try to absorb the lesson which we had in class and try to prepare for the next day's lesson. I am really finding out how little I know. I have been preparing a sermon which I hope to preach before long. I will have to read it, I suppose.

We thank the Lord for the good home that we have wonderful food, the only trouble, it is very fattening. I have gained about ten pounds. We are both enjoying good health and lack nothing. We only miss our families and friends back home, but are happy knowing we are in the place that the Lord has called us. Time goes so fast because we are so busy most of the time.

Again, we want to thank each one who helps to make it possible for us to be here, also the many who have written us. It is such an encouragement to know so many are praying for us, and remember us. Pray for us that we might soon learn enough to be used in the work of the Lord here. There is no place you could look here, that does not need someone to preach the gospel, and establish churches, as there are few in this vast land.

Yours in Him,
James Kissel

An Opportunity To Visit Relatives . . . Churches Visited . . . Cutting Furlough Short Four Months

By Del Mayfield

Alton, Illinois
Jan. 20, 1970

Dear Brethren,
This has been an enjoyable month, as we got to be with our family and my wife's folks over the holidays. We still have not gotten used to this sub-zero temperature, and I'm sure I never will. We rejoice in the blessings of God. We have had no bad roads in all our traveling over the country, and we praise the Lord for this.

Del Mayfield

Now to report the churches that we visited, and I'd like to say that we're sorry that we'll not be able to visit all the churches that have asked us to come, as we're cutting our furlough short, and will be returning back to the field the last of Feb., if all goes as planned. We would like to thank all that have had us and the wonderful hospitality that you have shown to us, and to thank all that have asked us to come. Jan. 3rd and 4th we were with the Richland Baptist Church, Livemore, Ky. where Brother Howard Wilson, Jr. is pastor. We had a good time with them, and enjoyed the hospitality in the pastors home.

Jan. 7th thru the 11th we were with the Grace Baptist Church, Fairborn, Ohio where Brother Paul Kirkman is pastor. There was one lady who came for baptism, and on Sunday night the pastor baptized two ladies into the fellowship of the church. We enjoyed being with Bro. Kirkman and his people. We also would like to thank all the members who had us in their homes for meals. We sure didn't lose any weight while we were

there with them.

Jan. 16 thru the 18th we were with the Bible Baptist Church, Clarksville, Tenn. where Bro. Eldon Wilson is pastor. This was called Registration Revival, as their Spring semester for the Clarksville Baptist College. This was well advertised and many came from surrounding towns to be with us. Even though the weather was bad, we had a good crowd for each service. Several came dedicating their lives, and wanting to know the will of God for their lives. One lady came for baptism, and there was one young man saved Sunday night after we had finished the service. This was a real good time for me. Sunday morning services are taped and then played back on the radio at one in the afternoon. This is the first time I've ever preached to the people and then go home and hear myself preach. I almost got myself frightened out, and I believe if they would have got all my message on the tape, it would have. I'm joking! but it was good to hear myself preach. I enjoyed being with Bro. Wilson and his people, and especially the students. They are doing a wonderful work there through the College, and we thank the Lord for them.

We received a letter from Bro. Mulling saying that the school in Pucallpa had their graduation and that all went off well. We sure thank the Lord for the Mullings and their faithfulness to the Lord. We're looking forward to seeing them soon. Pray for them and remember us as we try to get everything in order to return.

May the Lord bless you all.

Yours by His Grace,
Del. Mayfield

Good Rain After Five Months Of Dry Weather . . .
Not Feeling Well...A Zeal For The Lost

By George Bean

Caixa Postal 500
Sao Luis, Maranhao, Brasil, S.A.
Dear Brethren,
Jan. 19, 1970

Greetings in the name of our Precious Lord. Here we are breaking all kinds of heat records with no rain and perhaps the water lake is going to dry up, we have had one little rain in five months and believe me it is dry and dusty. We have had some good services and, as usual, the Lord has blessed in such a marvelous way. Sat. night Jan. 17 it came a good hard rain and settled the dust and should have raised the water in the lake some.

New Hope Baptist Church, SL, Maranhao

We have had a good month with many victories in the Lord. We have one brother that is having a hard time with The Security Of The Believer and for about three Sundays we have had quite a lengthy discussion about it and I believe he is growing in Grace, as he seems to be understanding the doctrine better. We had one profession of faith in the open air service that we had New Year's Eve near our church. I have visited with the Church from Anajativa in one special service and last night the church started a meeting with me doing the preaching. We had four come for baptism at the end of the service and before the service one young man called me to his home and after talking to him for sometime he confessed his sins to the Lord and was in the service. He has many problems and only the Lord can solve them for him. I visited in one service with the church from Villa Maranhao. Bro. Agostinho baptized two and that night they took the Lord's supper with the elements that I had taken with me from Sao Luis. I also visited their preaching points at Itaqui in one service with good interest shown.

Arasagi

We have had two services at Arasagi this month with a midget making a profession of faith. He is the size of Jonathan, our five year old son, but he is 30 years old and a teacher. He is reading the Bible to the people and if God calls him to preach he will be the smallest preacher in Brasil (in

LAUERMAN (Continued from page 1)

two more now to be baptized, I hear. The Second Church has called (last week) Bro. Julio Arevalo as pastor. I think he will make a good one. The First Church has granted 52 letters (most to organize 2nd and 3rd churches) in the last 3 years and has excluded 11, restored 6, baptized 47 and we still have 28 members in Iquitos, (same amount 3 years ago) and 5 that live on the rivers. The Third church this month has also had 5 professions of faith and some for baptism soon. Oh, the revival at the Second Church was a real good one. The attendance was real good and really got all the members together but one or two. Bro. Julio has shown that a pastor needs to gather together, not run off and destroy.

Bro. Kissel writes that they are in school now and he is working on a sermon to preach. He didn't say much more, as I guess there is not much more a new one can do nor ought to do, than to study the language. Our family sends greetings to all. We thank God for you daily and pray that the Lord would use us together for His glory. We are real glad to hear all the good news in the MISSION SHEETS and hope also that more will be able to come to both Peru and Brazil, the Lord willing. May the Lord richly bless you all for His glory.

Walter F. Lauerman

size, that is). We have been to another village called Combico and we held a service with no professions of faith and at this place there are no believers. Some may remember that I reported another place called Combico with three professions of faith some months back. Well these places have the same names. My health is still about the same. I saw the family doctor last week and he sent me to a specialist to run some tests. I should know something this afternoon when I go to see him. I have lost about four or five pounds in two weeks and have some pain at times in my stomach. Some say maybe the Lord does not want me here because my health is not good. Brethren, that is not the way to decide if the Lord wants you in a place or not. The way to know is if you have a burden for the place. I mean a special burden for a special place and for a special people, God's people-black, yellow, red and white. They are precious in His sight. Pray for us and maybe next month I will have some good news to report about my health. Pray also that the Lord will call and send others here to help in this work. I am tired in body and at times weak. But the Lord has sent a burning coal from the Altar of God and it is burning in my soul and heart and I guess I will burn out instead of rust out. I know at times I should stay home and not make some of these trips but I cannot sit idle when I know someone needs to hear about Jesus, about the Lord of Lords, about the King of Kings about the One that will be coming back some day to redeem the Elect from the four corners of the world. May God bless every one is our prayer.

Yours in Him,
George Bean

CREIGLOW (Continued from page 1)

continue. I picked up the preaching, and the interest also, returned right where I left off and within a few minutes while giving the invitation there were four professions of faith. Our last service was held on the morning of Dec. 25 with over two hundred in attendance and there was another man saved, making six souls saved in the five days that I was there. Five of these were adults and the other a young lady.

I returned from Sao Bras with the first cold that I have had in about two years, so I spent almost a week doing nothing. After I got over the cold, I was invited by the church of Maita to baptize several for them. I took Betty and the girls with me and we spent the day with them and after preaching on the subject of baptism, I, through the authority of that church, baptized twelve into the fellowship of that church, one of which was the dentist that was saved when I was there before.

I, also this month, took a load of things to our house in Colonia and while there I spent several days with the brethren there and preached every night.

Several having made professions of faith here in Cruzeiro do Sul within the past two months, I asked the Brother that is in charge of the work if he would like for me to preach on baptism. He gave me both the morning and night services and at the close of the night service there were two that presented themselves for baptism. There were others that want to be baptized, but cannot because they are not legally married.

Arlene's leg is about all healed and we are all well at the present. May the Lord bless all of you.

In Christ,
