### Thanksgiving Offerings

In 1967 the total Thanksgiving offerings were . . . \$24,718.79  
In 1968 the total Thanksgiving offerings were . . . \$30,085.65  
In 1969 the total Thanksgiving offerings were . . . \$32,093.35  
This total for 1969 was given by 21 different churches and four individuals. We trust that more churches will join in and that the total this year will be the largest in the history of BFM. We now have eleven missionary families from the U. S. to Brazil and Peru against seven families one year ago. All offerings are used 100% in the mission work. There are no paid officers or directors and no administrative expense to BFM. The needs are greater than ever before. This is a Baptist Faith Work. Please pray and give as the Lord shall lead you.

### A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

### Special Investment Opportunities That Will Pay Big Dividends In Glory

1. Special offerings to enlarge church auditorium, Pucallpa, Peru.
  2. Special offerings to pay for lot and build church building for George Bean, Sao Luis, Brazil.
  3. Special offerings to build wall around lot (already paid for) and to build church building for Harold Bratcher, Manaus, Brazil.
  4. Special offerings to build Aluminum Houseboat for the Paul Mullings to live in and work the Ucayali River between Pucallpa and Iquitos, Peru.
  5. Special offerings for a Station Wagon for John Hatcher to use in Manaus, Brazil.
  6. Special offerings for another house for missionaries to live in while on furlough. Maybe some person or some church will give all for this need.
  7. Special offerings to finish paying for the John Hatcher Printing equipment in Manaus, Brazil.
- Mark your offerings for what they are to be used for.

### Mr. and Mrs. Lee Creiglow Visit The Bobby Creiglows In Brazil For One Month

Bobby Creiglow mailed his letter for the MISSION SHEETS for last month in August and the plane crashed on the airport in Cruzeiro do Sul (no one killed) and burned with all the mail on it. So we used a personal letter that Brother Creiglow wrote to us that had the same information in it in brief. Mr. and Mrs. Lee Creiglow have just returned from a visit with the Bobby Creiglows and advise that Brother Creiglow mailed his letter for this issue of the paper about the middle of September. But we have not received it as yet. So no letter from Bobby Creiglow for this issue of the paper.

### Missionary Conference, Manaus, Brazil

It is only three months until the missionary conference in Manaus, Brazil. If you are going you will need vaccination and shots and a passport. You will also need to let us know as soon as possible (Now), so we can make arrangements for airplane tickets and reservations. If you plan to go, write to Hafford Overbey, 28855 Wexford, Warren, Mich. 48092.

### Moved Into House In Olho Dagua . . . Attendance Increasing In Mission . . . Teaching In Bean's Preacher's School

By Dempsey Henderson

Dear Brethren,  
I will report briefly our activities and work for the past month. The Lord has blessed us in many ways, and we would like to share our joys with you, our dear friends and fellow helpers in Christ.

The Beans returned from a safe and prosperous trip to Fortaleza, and we got moved into our house in Olho Dagua. We have been out here now for about 3 weeks. Of course there are certain problems about living out of the city, but the Lord has given grace and supplied our needs, and we are enjoying living here. Although we live right on the beach, we very seldom go on the

beach - I think that I have been walking on it twice as we don't believe in or practise mixed bathing, and we never go on the beach on week-ends, when there are a lot of people out here. Our main purpose here is not to enjoy the beach, though we do enjoy it when we can. Our main purpose here is to be witnesses for Christ, which we try to do every day wherever we are.

In living here where we have our work, we have better contact with the people, and more opportunities to witness to them. We started our regular services here in Olho Dagua one week ago last Sunday, with 22 in S.S. the first Sunday and 23 on Sunday night. On Wed. night we had 32 present and 3 women presented themselves for baptism. One of them was "the woman at the well" who was saved under our ministry here almost 3 years ago. This past Sunday we

### First River Trip . . . Several Professions . . . First Time To Baptize In Peru . . . Preaching At A New Place

By James Kissel

Apartado 183  
Iquitos, Peru, S.A.  
Sept. 21, 1970

Dear Brethren,  
I have just arrived home from my first river trip, after spending two days with the New Mission at San Jose. This is a mission out of the church at San Antonio, Bro. Enriquez Vega is the Pastor. This place is some 60 miles down the Amazon River from Iquitos. We had a wonderful trip and a good reunion, with most of the preacher brethren there. There is much interest shown there with good attendance both nights. One young lady came forward confessing Christ, on the first night of service. This next month, I am to be with the Church at Tamshiyacu, for two days.

James Kissel

This month there was one profession of faith in Astoria. A young preacher from the First Church here in Iquitos, goes there

### Three Weeks Of Spanish Behind . . . Children In School . . . Field White Unto Harvest . . . Invitation To Come And Visit

By Homer Crain

Apartado 5936  
Lima, Peru, S.A.  
Sept. 19, 1970

Dear Brethren,  
It seems impossible that it is time to write another newsletter but the time is here again.

We have three weeks of Spanish behind us and the children are enrolled in the English school here in Lima and all seem to be doing alright.

Jesus said in John 4:45: "Say not ye, There are yet four months, and then cometh harvest? behold I say unto you, lift up your eyes and look on the fields; for they are white already to harvest."

From the Mission field this verse seems to be saying some things to us. Time is running out on us here in Peru. We need to lift up our eyes and look on the fields. When we do this we will see that it is reaping time, because the fields are white already to harvest.

Homer Crain

As I write this letter I am thinking of the great number of pastors back home who have never personally looked on the fields. It is our prayer that the churches will help send many of the pastors to the conference in Brazil and include Peru in the trip.

We are all looking forward to having the brethren here in our home. The welcome mat is out and I do not know of a better way to say it than, "Y'all come."

Yesterday I had the privilege of witnessing to a family that know a little English and we are praying that they might be saved. The man has a high position with the Philco Co. here in Lima and it seems that the Lord has opened his eyes to the errors of Rome. We would count it a real blessing of the Lord to be used to point this family to one who saves, keeps and satisfies.

Again we want to thank all of you who give and pray for our ministry here in this land of great need.

In Jesus Name,  
Homer R. Crain

### Showers With Untold Blessings . . . Av. Martin Mission In New Building . . . Church Voted To Build Another Building . . . Blessed In Peru

By John Hatcher

Caixa Postal 227  
Manaus, Amazonas  
Sept. 15, 1970

Dear Brethren,  
"Oh, give thanks unto the Lord; for he is good", Psalm 118:1. This has been somewhat of a lonely month for us. The table is reduced in size once more and the foot room under it is more plentiful. Our three oldest children have returned home and are now busy in their studies and work. It was great to have them with us and we offer our praise to our Heavenly Father who constantly showers us with untold blessings. All are benefits of His mercy and grace. He is so good. We are so underserving. The children are back to classes at the university, all the bills are paid, all the needs supplied day by day and God has done it all. If we were to tell you how the children have worked and how little we have earned all together in the last year and yet how they were able to come to Brazil and visit and upon returning have the money to pay the registrations, etc. without borrowing or asking you would be amazed. Last month because of God's goodness I purposed to increase our monthly offering to our church and this month the blessings of the Lord have been so great that

John Hatcher

it amazes us how God can bless unworthy creatures as we.

#### New Building In Use

The first part of the new mission building at Av. Martins was used last Sunday for the first time. The church started this building with only enough to lay the footing and now it is in use and with the exception of the loan from BFM to help pay for the lot all has been paid for by the Tabernacle Baptist Church. This is the second building which the church has built this year. The Tabernacle Church has four preachers with full time workers and none of them receive financial help from Baptist Faith Missions.

#### Voted To Build Other

Our church has voted to build another mission building as soon as we can. This is in a new section of town and a poor section with many new families moving into the area. During this month six persons were baptized into the fellowship of the church. All the trouble in the church caused our attendance to fall some but is steady at about 120 each Sunday.

#### Blessed Is Peru

Only eternity will reveal how blessed the country of Peru has been this past year to have four new families sent by BFM. May God bless each family richly.

In Him,  
John Hatcher & family

### To Manacapuru By Boat And Bus . . . Couple Get Married After Having 6 Children So They Can Be Baptized

By Harold Bratcher

Manaus, Amazonas  
September 15, 1970

Dear Brethren,  
"The Lord is good, a stronghold in the day of trouble; and He knoweth them that trust in Him." Nahum 1:7. The Lord has shown us His goodness in many different ways during these last few days. We praise the Lord for His goodness.

We share with you our Sunday School attendance for the last four Sundays: August 23-146, August 30-204, Sept. 6-177, Sept. 13-166.

Thursday afternoon I made a trip to Manacapuru by bus. My son Stephen Moises Ferreira Lima, one of our national brethren accompanied me on the trip. The trip is by bus and boat. We spent an hour on a ferry boat crossing the river and then two hours on the bus. That night we had a wedding in the mission building. Senhor Jose Adail Santarem and Senhora Eduvirgem Gomes Monteiro were united in marriage before me according

Harold Bratcher

to the laws of the "Republica do Brasil." The groom is 57, the bride 43. By this marriage, they made, before the law legitimate their 6 children and also removed an obstacle to their being baptized. I hope to return to Manacapuru at least one more time this year to baptize the couple. There is also another couple in the process of obtaining their marriage license.

Saturday morning Stephen and I returned to Manaus. Pastor Moises stayed to spend some days with the mission here in view of a call. (He was called and, the Lord willing, will be living in Manacapuru before the end of this month.)

Most of the days that I didn't mention were spent in study and visiting and a service or activity of the church at night.

"The just shall live by his faith..." Habakkuk 3:18.

"I will rejoice in the Lord, I will joy in the God of my Salvation." Habakkuk 3:18. We pray the Lord's blessings to be upon you.

Yours In His Service,  
The Harold Bratchers

### Meetings In Two Churches . . . Thankful For Offerings For Aluminum Boat Fund . . . Daughter Cathy In Clarksville Baptist College

By Paul Mulling

1006 E. North St.  
Tampa, Florida 33604  
Sept. 21, 1970

Dear Brethren in Christ,  
I will love thee, O Lord, my strength. Ps. 18:1. I will love Him, for He first loved me and made me a partaker of His divine nature which is love.

This month has been a month of real blessings for us. First, I would like to thank the churches for the money they sent in for the boat fund. At this rate, we shall soon have the money needed to build the houseboat. Second, I also want to thank the pastors and churches that let me speak for them. During this past month, I was privileged to preach a weeks meeting at the Temple Baptist Church of Ocala, Fla., August 23-30. Then I was also blessed with the privilege of preaching a week (Sept. 6-12) for the Grace Baptist Church of Oklawaha, Fla. There were not many decisions, but I believe that the Lord blessed the brethren with His word.

Paul Mulling

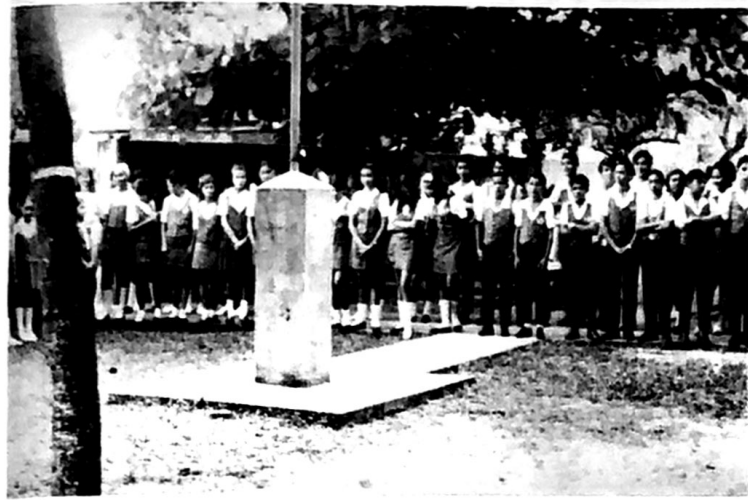

Sept. 3, our daughter Kathryn flew to Clarksville, Tenn., to continue her studies in the "Clarksville Baptist College." I heartily recommend this Bible college to anyone who is looking for a good sound Bible College. Sept. 16, we pulled a 1964 Volkswagen bug to Clarksville for our daughter. The Lord opened the way for us to get it for her & she is going to pay for it by working in the afternoons. She will also be able to pay her own way through school & help others to do the same. We are thankful to God that she can have the car.

Our son Wayne is attending the Hillsborough H.S. here in Tampa and is having a real good time. The Lord has blessed us in this also. He got a job in the office two hours a day with pay and credit time. Praise the Lord! This will give him about \$15.00 a week spending money. He has also joined the Good Shepherd Baptist Church which HE says is the best in the world. Some might disagree, but I'm glad he feels that way about his church.

In the blessed name of Jesus, we thank all of the churches and brethren who prayed for us this past month and who sent in money for our support. May God richly bless you and make His face to shine upon you unto His soon coming.

Your servants in Christ,  
Paul & Anna Mulling

## Mission Sheets Special Blessing . . . 233 In S. S. . . . To Enlarge Church Auditorium . . . Will Take Care Of Those Who Come To Visit

By Del Mayfield

Apartado 166  
Pucallpa, Peru, S.A.  
Sept. 16, 1970

Dear Brethren,

The Mission Sheet this month was a special blessing. It's always a blessing, but this month seeing the Mullings pictures on the front page was a special one. We're so happy that God has called some to come to this great country to work for our blessed Lord. The Mullings have been with us several years, but we're thankful that he is now one of us. We're praying for their return, and that they'll be able to build the boat and do the work that the Lord has called them to do. You folks pray and then let the Lord lead in what He'd have you to do. We're also glad that the Gibbs and the Crains are studying, and will soon be in the work. I wouldn't want to forget Bro. Kissel, also in Iquitos. We thank God daily for our brethren and for each one of you that make our being here possible. This has been a month of more sickness than we've ever seen. Our attendance was really down in our day school. Our church has been off some, but we are back up now. We had 233 in SS last Sunday with others coming in late for church. We just can't seat everyone at night. Our building is just too small. We're working on the plans now, and hope to get started with our addition by the last of Oct. or first of Nov. This will more than double our seating capacity. In fact it will give us three times more space. Pray with us about this. Our people are all enthused about the building, and are giving better than ever. Especially our children in our school. They are too crowded on Friday mornings when we have church for them. We have to put in benches and then the teachers stand up while I preach. So every one is excited about it, including the missionary. We hope to have it finished by the 1st of April next year. That will be the starting of our next school

Del Mayfield

year, and we're hoping for 300 at least in our day school. Don't forget to pray for us, as we're going to need your prayers.

We still haven't heard anything about the Ford Van that was shipped the 24th of July. We're sure hoping that we will get some news soon and it will be good news that the car has arrived. I hope that by the next mission letter that I'll be able to report that we have the car. We appreciate getting to use the Mulling pickup while they are home. It sure has been a blessing. Ada and I may go to Lima the 28th as we have a weeks vacation off from school, if we don't hear from the car. The work at Arenal is doing some better now that we have a man to preach there. Our attendance is better on Friday night, and has been coming up every Sunday. Also, Bro. Saurino reports that San Francisco church and school is doing very well. We haven't had many professions of faith, but we did have a family come Sunday who had been excluded. Their daughter (not married) lost her baby and is pregnant again. They came telling the folk how the Lord had chastized them, and how they had suffered. I'm sure it was a blessing to our church and a real lesson for them. There are some others who are going to catch it, if they don't repent. We covet your prayers for us and the people here. There are over 70,000 people here, and I'm sure there are only a small percentage saved. Pray that God will be pleased to use us to win many for Him. I'd like to take this opportunity to invite all of you that will be going to Brazil to come back through Pucallpa and visit with us. We'll not be able to go to Brazil, even though we'd like to go, but we would like to see all of you, and for you to see what the Lord has done here for us. So please plan to come. Write Brother Overbey now and tell him that you are coming. We'll take care of you if you'll come.

May the Lord bless each one of you.

Yours by His grace,  
Del. Mayfield

## Witnessing In Spanish . . . Son Makes Profession And Father To Baptize Him

By Art Gibbs

Apartado 5936

Lima, Peru

Dear Brethren,

We are happy to greet you in the name of the Lord. Ps. 107:1,2 "Oh give thanks unto the LORD, for He is good, for His mercy endureth forever. Let the redeemed of the LORD say so, whom He hath redeemed from the hand of the enemy."

This has been a good month for the hand of our LORD has been upon us for good.

We moved our membership to one of our native churches here in Peru on Sun., Aug. 23rd. Later, our 9 year old son Ray asked why he could not also unite. In the privacy of our home I explained to him what was involved. We are happy to report that he gave evidence and testimony of faith in

Art Gibbs

Christ as his own personal Savior. Lord willing, I will baptize him on the authority of the Biblical Baptist Church of Lima, Peru.

Fri., Aug. 4th, I witnessed in Spanish for the first time. The first man responded by coming to the services later in the day. I have witnessed to several others since. It was a thrill to be able to speak in this new language for our Lord. Even though our ability is very meager, we know that God can and does use it. We thank God for all of you whom He has used to make possible our coming and studying here in the language school.

We are also happy to report that the weather here is beginning to improve. The 23rd of Sept. is the first day of spring so we are beginning to have more sunshine. It had been very damp and cold, so we really appreciate the warming trend.

Pray for us when we come into mind.

Yours in Christ,  
Bro. Art Gibbs

## Visiting Churches In The U. S. . . . Longing To Go Back To Peru

By Walter Lauerman

Lexington, Ky.

Sept. 21, 1970

Dear Brethren,

Once again we write in the name of the Lord Jesus Christ. We pray this finds all of you enjoying the blessings of the Lord. Over two months have passed since we arrived here and it seems like a year. On the field it flies by, but here the time goes so slow, it seems. I guess it is that we want to get back to Peru even with the problems, trials and loneliness. We also want so badly to get started in Tarapoto. I only hope I am of more use here in the U.S. than I feel that I am. It seems I am just wasting time here.

Walter Lauerman

This month we only visited three churches, it could have been four, but I forgot that August had 5 Sundays and told I was busy every Sunday in Aug. So I got a Sunday off. The churches we visited were Grace Baptist Church, Fairborn, Ohio, Sept. 5 and 6 and then preached Sept. 7 on the Labor Day conference in this church. Paul Kirkman and church were so good to us that we forgot Peru a few times in the days there. Sept. 13 we went to be with the Bentley Memorial Church here in Lexington for their homecoming and had the privilege

of preaching twice. Brother Louie Carver is the good pastor of this church. Yesterday we went to the Fincastle Ohio Church (Sept. 20) and had a very good time telling about the work the Lord has done not only with me but with all of those of Baptist Faith Missions. That was not hard to do both for the truth and privilege there was in it. We pray we were a blessing to them as they were to me. This goes for all that we visit and all we do for the Lord. We want to be truthful in all and a blessing to others because of it. May the Lord bless you all.

I will not write any more for this time and let those that are on the field take up the space with their interesting reports and pictures. Still I say, if you want to have me come visit your church, write at once.

By His Grace,  
Walter F. Lauerman

## Took Son Fran To Fortaleza To High School . . . Daughter Cathy Saved And Baptized . . . Two New Mission Points Started . . . Eight In Preacher's School

By George Bean

Caixa Postal 500

Sao Luis, Maranhao, Brasil

Dear Brethren,

We left here Aug. 12 in the Jeep Station Wagon for Fortaleza, Ceara, and arrived in Fortaleza Aug. 14. We stayed in the home of Brother Ed Kittle. I preached for Bro. Kittle and we had two professions of faith and I also preached for Brother Sostenes and the mission from Bro. Bratcher's church. We took our son Fran to school in Fortaleza where he and 11 others are students. We arrived back in Sao Luis, Aug. 26. Brother Henderson stayed in our home and took care of our work. Fran will have a month of vacation at Christmas and will get to come home. Don't forget to pray for Fran.

George Bean

We have some good level-headed students and on weekends they are out preaching some place, and of course during the day they are working to support themselves and their families.

I baptized six into the fellowship of our church this month-five here in town and one from Itauqui. One of these was Cathy, our oldest daughter, who made a profession in her room about 2 a.m. after services on Sunday Sept. 6, and then called her mother and me and told us that the Lord had just saved her. Cathy had been a good church member for a number of years, but she said she had known for many months that she was lost and each time I would give the invitation she knew that she should believe in the Lord. I am glad that God saves good faithful lost church members just the way he saves the hardest sinner in the gutter and that is by Grace with out any merits on the part of the sinner.

We have started two new preaching points in the interior of the state, one being at Recurso, Maranhao and the other four miles away at Carema, Maranhao. Carema has around 3000 people with no work of any kind. Pray for Carema as we work there to lead the lost to know Jesus and His forgiven Grace and love.

May God bless every one, and good-bye until next time.

By His Grace,  
George Bean

each week for services. There were four baptized into the Third Church this month, and one member excluded. The Mission and the Second Church seem to be at a standstill. It perhaps will be sometime before the Second Church will begin to grow again. I am having handbills printed this week and plan to begin visiting in the area of the fourth mission. Two of the brethren visited another village, this month. This place is some two hours away from Iquitos on the Itaya River. There are 10 believers in this place with much interest shown in the services, perhaps a good opportunity for a new work.

Things are good in the First Church, having one profession of faith and one baptized this month. This is my first baptism in Peru and we thank God for His enabling grace. We had one young man surrender to preach in the First Church. He preached his first sermon on Wednesday night and did a fine job. I also had a service in a man's house on Sunday afternoon with much interest shown. Perhaps another work could be started here, as there are no churches of any kind here.

We are both well and enjoying working with the people here. May the Lord bless each one is our prayer.

had about the same number in S.S. and that night we had our largest crowd, between 40 and 50. We have done a lot of visiting, and there seems to be a lot of interest and some good prospects. Our "daughter" Telma is teaching the little children in S.S., and seems to be doing a good job. We also have preaching services in a home here on Thurs. nights, and I have preached in a number of other places during the month. Bro. Bean has also started a preachers' school in town, and I am teaching two classes on Tues. nights there. We are trying to stay busy in the work. Please pray for us and the work here. God bless you all.
