Return To Cruzeiro Do Sul By Delayed Route . . . Campo De Santa Church Lives 13 Years Without A Pastor

By Bobby Creiglow

Dear Brethren,
 Cruzeiro do Sul, February 18, 1971
 Although we had reserved our passage to return to Cruzeiro do Sul two weeks before going to Manaus, when I went to confirm it in Manaus I was told that out of eleven that I thought was reserved there were only five. They also told me that we could not get passage until Feb. 5,

as they were all filled up, so two weeks later my family and a young lady that has been a good friend of the family for many years were on our way home. We were having a very good trip until we got almost home and then one of the crew told us that the airport in Cruzeiro do Sul was just a big mud hole and that we could not land there. We were all very much disappointed but not surprised. About an hour later we landed in Tarauaca only to find out that there was no hotel, no place for the airlines to put us up. While we were in the airport waiting for our baggage and wondering what we were going to do, a man came up to me and asked me if we were going to stay with the pastor and I told him that I didn't even know the pastor. In a little while I thought it was about time to meet the pastor, so I had some one take me to his house. His name is Victor Maxwell an Irish missionary who along with his family was hungry for fellowship. I talked to his wife first and she told me without even talking to her husband to go get our bags and the rest of the family. While I was going to get them, Bro. Maxwell borrowed the mayor's car and came to the airport to get us. The airlines agent had already told us that they did not know when there would be a plane to Cruzeiro do Sul, as they had all been canceled until the airport there was dry enough and this is the time of the year that it rains almost every day. While I was still in the airport a small one motor plane came in and I asked the pilot what he would charge to charter his plane to Cruzeiro do Sul and he told me that he did not have gasoline to make the trip, but that he was going on to Rio Branco and would be back early the next morning to take us if we wanted to go. The pilot left for Rio Branco and I returned to the Maxwell's home to wait for him to return the next morning. The Maxwells made us feel very much at home and wanted us to stay a few more days, but the next day, not early, but just a little after lunch the small plane came and Betty getting into the plane first got the only passenger seat. Arlene got on her lap and the rest of us sat on the baggage and an hour later we were in Cruzeiro do Sul. The small plane could land in Cruzeiro do Sul because it did not have to use the half of the runway that was muddy.

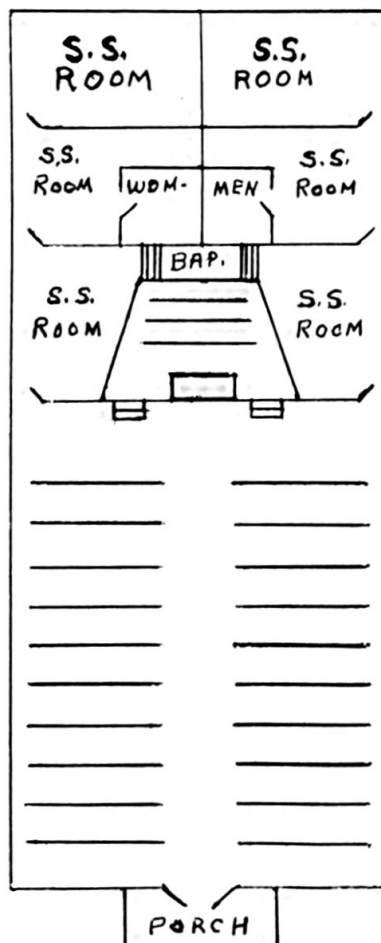

Since we have been back there have been five or more souls saved here in Cruzeiro do Sul. Last Sunday I took care of services while Bro. Jarde was away on a trip to Colonia Rodrigues Alves and there must have been about 190 in the morning service. The house was full.
 While we were in Manaus, Bro. Jose Bandeira from the church at Maíta went to

Bobby Creiglow

Campo de Santana and while he was there the church called him as pastor. He accepted the call and now after thirteen years of waiting this church has a pastor. He also had one profession of faith on the trip. The Lord is still blessing here and we trust that you are all being blessed there.

Drawings by George Bean of proposed church building in Sao Luis, Maranhao, Brazil. Walls to be brick and plastered. Asbestos tile roof over wood trusses. Windows of iron jalousies with frosted glass. Estimated cost \$10,000.00. Brother Bean has the lot and is starting to build on faith. Mark your special offering "For Bean's Building Fund."

Grace Overbey "Memorial Offerings" Now Over \$6,000.00

These memorial offerings all go to Baptist Faith Missions. They are still coming in and those not received in time will be listed in next month's paper, the Lord willing. With all the glory and praise to God, we thank each pastor and church and all, with all our heart. Your love overwhelms us.

Great Opportunities Now

There has never been a time in the history of Baptist Faith Missions when there were more great opportunities for SPECIAL OFFERINGS for so many needs as there are right now. Give and have great blessings now, and great rewards in heaven hereafter. See the list of needs in the last paper and pray and give.

A Blessing To Have Visitors From The US . . . Interpreted From English Into Spanish The First Time . . . Two Baptized . . . Rainy Season

By James Kissel

Dear Brethren,
 February 19, 1971
 First we want to say that it was a great blessing this past month to have all the brethren and sisters visit us from the States. They will never know what an encouragement it was, not only to us, but to the people of the different churches here in Peru. Our only regret was that their visit here was so short, due to the plane schedule. We had services both nights, with all the native preachers present and many others. I had the job of interpreting for the first time, which was quite an experience, but many came and said they enjoyed those services very much.

We were truly sorry to hear of the passing of Sister Overbey, yet we realize the Lord always does all things well.

It has been another busy month, yet we feel we accomplish very little. We moved a native pastor to Iquitos, from the river, for the fourth mission and we believe it will grow, now having a full time pastor. We also built a small house for him to live in on the mission grounds.

All the churches are about the same but all with few moves this month. There were two saved in the church at Astoria, whom I had the privilege of baptizing. The rainy season is now upon us, which has hindered many of the services.

We thank the Lord for our good health

James Kissel

and the many blessings we have received this past year. We are now looking forward to some of the other brethren coming to visit the work here, also. Once again we want to thank each one for their prayers in our behalf.

Yours in Him,
 The Kissels

Mission Sheets Favorite Newspaper . . . New School Year Started . . . Revival And VBS At Mission . . . Rainy Season

By John Hatcher

Manaus, Amazonas
February 17, 1971

Dear Brethren,
First we want to say that it was great to hear the news about the Conference in Pucallpa. As always the Mission Sheet continues to be our favorite newspaper. Every letter is read from beginning to end and we always read your love letters on the last page of the Mission Sheet.

After a day or two of rest from the conference we started the many sided task of getting ready for another school year. Our year just passed was a difficult one in many respects and some of the problems seen to want to stay with us this year. By the time you read this, our new school year will have started, the Lord willing, so do remember to pray for us in this task. Our Seminary begins one week after the other schools. This week we are having a Vacation Bible School and revival services in one of our mission points. The first day there were 20 children and on the

John Hatcher

second day there were 37 present. Mrs. Hatcher, David and Kathy are working in the VBS. This is the rainy season of the year and we have had several days with rain from dawn until night.

During the past month Brother Enos Ibermon, now a member of the Tabernacle Church and student in the Seminary made two trips to the Island of Barroso and there were three professions of faith. Last Sunday night there were two persons baptized from the Martin Av. Mission and one from the Colonia Claudio Mesquita Mission. There were also two members received during the month by acclamation. We are looking forward to the coming of the Richard Turners and Mike Creighows and trust that the Lord will raise up other families while there is yet time, for everything indicates that the doors for mission work will be fewer in the near future.

We do covet your prayers in our behalf that the Holy Spirit might give us the energy and wisdom to accomplish the most in the time that is ours.

In Him,
John A. Hatcher

Sympathy In The Death Of Grace Overbey . . . Wife Doing Well After Operation . . . Mother's Health Failing . . . Churches Visited

By Walter Lauerman

Lexington, Ky.
Feb. 16, 1971

Dear Brethren,
We were saddened at the death of Mrs. Hafford Overbey, and yet made joyful to know that she is with the Lord. After years of suffering and faithfulness she met her Lord and nothing could hinder a perfect fellowship with Him. May the Lord give Bro. Overbey grace to continue to serve faithfully, as he has done so much in the years past. So we praise the Lord that "Death is swallowed up in victory." Someday we shall have the same privilege as Mrs. Overbey, thank God. My wife was operated on Jan. 19 and had her gall bladder removed. She is doing fine and we praise the Lord again. We all at home sure missed her presence and are so glad to have her back. We want her to take it easy so she will be real strong for the next 4 years back on the field. This is the fourth straight month I have mentioned something about this and yet many were and are surprised when the subject was and is brought up. We pray that you will read this and then read all the rest of the MISSION SHEETS this month and every month from now on. They are sent out for

Walter Lauerman

the purpose that you be informed and we hope you read them (all, every month) as then you will be well informed and blessed for it. My mother is very bad, my sister informs me, and is unable to do anything much for herself. She is in a rest home, as they can and know how to treat her. She is going down fast. I plan to visit her next week. Now if you read this and all the other letters in it, you will know how to pray for the missionaries and if you read not, how?

I visited the following Baptist churches this past month. Bryan Station, Lexington, Ky. Jan. 17th Al Gormley, pastor, South Lexington, Lexington, Ky. Jan. 24th, Ed Overbey, pastor. Jan 29-31 we were with the Bethlehem church, Ider, Alabama Brother R. H. Emmett, pastor. We thank the Emmetts not only for the fellowship and kindness, but also for taking us to meet and visit some with Bro. George Bean's parents in Stevenson, Ala. It was good. I also was with Bro. Howard Wilson Jr. and the Richland church in Livermore, Ky. and as always we enjoy being around them and fellowshiping with them, as well as with all the rest of course.

Pray for us as we prepare to go back to Peru. We are waiting and wanting to get back and get going again. May the Lord bless all of you that help make us triumph.

A Great Time With Visitors From The USA . . . Visit Indian Village . . . Trip To Lima For Injured Hand . . . Sixteen Baptized

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
Feb. 17, 1971

Dear Brethren,

It is not often that missionaries have visitors from USA, but for us this has been a month of real joy. The 27th of Jan. we met Bro. Sidney Fisher, Bro. George Lock, Bro. Carl Calley, Bro. Terry Leach, Mrs. Sawyer, and Mrs. Gray. They were with us Thursday through Monday, and we had a real time. I just hope they enjoyed it half as much as Ada and I did. Friday night we had a service at Arenal and Bro. Leach sang for the folks in Spanish and also in English. The people are still talking about how good Bro. Leach sang. He sang for all of our services. Friday morning we rented a boat and went to San Francisco. They didn't know we were coming, so we didn't have a service there. Sat. morning we visited an Indian village about 15 miles from Pucallpa and then by boat about an hour and half. Everyone enjoyed that. Sunday morning Bro. Carl Calley preached, and Sunday night Bro. Fisher. After the service I baptized 11. Bro. Fisher wanted to baptize, and before I got through I was wishing that he was doing so. My hand was not healed enough, I'm sure. While speaking

Del Mayfield

of baptizing, I baptized 5 more last Sunday night. We also have some others waiting. The days passed so swiftly that it didn't seem possible they had come, and gone. We just hope they will come back and visit us again.

Our attendance has been off some, but the Lord is blessing. There have been three (3) professions of faith, and some others getting right with the Lord. The roof on the addition is done. It took 32 hours without stopping to finish pouring the concrete. We had to do it this way in order to keep it from leaking. Ada and I tried to give them something to eat, and keep them awake, and we were sure happy to see it finished. There is still a lot of work to do. I wish you would pray for us, as we need it finished for the opening of our school year the first of April.

These last few days have been spent in Lima. We came here to see about my hand and to get our new carnets. The doctor said my wrist would have to be operated on in order to make it right, but that he would not recommend the operation, as it has not been too successful in the past. Pray that the Lord will lead in what we should do. These have been good days of fellowship with the Gibbs and Crain families. Pray for them also, as they are in the hardest part of their textbooks.

May the Lord bless each of you.

Yours by His grace,
Del. Mayfield

Wonderful Visit By Guests From The U.S. Fisher Had A Birthday . . . To Preach Second Sermon In Spanish . . . Mayfields Come To Lima

By Homer Crain

Dear Brethren,

Feb. 19, 1971

"I will speak of the glorious honour of thy majesty, and of thy wondrous works. Psalms 145:5."

In this verse of Scripture, David says I will speak of thy wondrous works. This is how I feel as I write this news letter.

Because I am still praising God from whom all blessings flow. The Bible conference in Pucallpa was a real blessing to us.

Feb. 1st we went to the airport to meet the brethren who were coming from Pucallpa to visit us in Lima. As we did not know what plane they were to arrive on we waited from 1:30 p.m. till 4:00 p.m. but it was worth it all as they got off the plane.

We will never forget the wonderful but short time of fellowship we had with the brethren.

Homer Crain

Brother Lock, Brother Leach and sister Sawyer stayed with us. Brother Fisher, Brother Calley and sister Gray stayed with the Gibbs family.

As it was Brother Fisher's birthday on Tuesday we had a big cake and we sang happy birthday in English and Spanish.

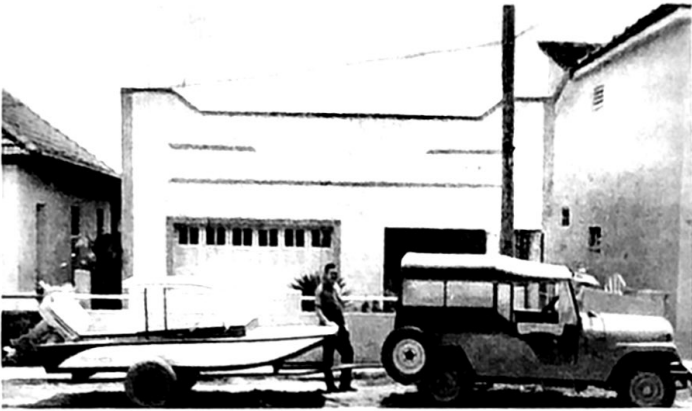

Feb. 3rd was a real busy day. We wanted the brethren to see as much of Lima as possible. The plane was late arriving so they did not get to leave Lima until 2:00 p.m.

Feb. 8-13th Brother and sister Mayfield spent two weeks with us and the Gibbs family. Brother Mayfield came to see a specialist about his injured hand.

Feb. 27th Brother and sister Mulling are to arrive in Lima. Pray that we will not have any problems getting their things out of customs.

Feb. 28th I am supposed to preach my second sermon in Spanish. We all know we have lost a great prayer warrior in sister Grace Overbey. May great grace be upon the Overbey family.

In Jesus Name,

Blessing To Have Visitors From The U.S. . . . Suggestions Concerning Needs

By Art Gibbs

Apartado 5936
Lima, Peru, S.A.
Feb., 1971

Dear Brethren,
Greetings once more in the name of the Lord. "It is because of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning, great is thy faithfulness." Lamentations 3:22,23.

How great it is to know that our never failing God has new mercies for us for today and every coming day. Our sympathy goes out to the Overbey family and to Bro. Overbey whose beloved wife not only glorified the Lord in living but now as well has glorified Him in passing on. May God raise up others who would bear His banner so faithfully, and lift it so high.

This past month has been one of many blessings: the chiefest of which would have to be the fellowship we have had with our brethren. At 4:00 p.m. February 1st our visitors from the States arrived in Lima. The fellowship was sweet and the time (2 days) they were here passed much too fast. We were greatly encouraged by their

Art Gibbs

presence and concern for us. It was our privilege to have Sis. Vivian Gray, Bro. Sidney Fisher, & Bro. Carl Calcey stay with us in our home while Bro. Crain was privileged to have Sis. Beatrice Sawyer, Bro. George Lock & Bro. Terry Leach in his home. I wish to thank all of those who sacrificed to make possible the coming of our visitors. They were such a blessing to us, we only wish more of you could have come. We pray that more will come. That more might see as these have seen, the enormity of the needs that abounds throughout this great land. Truly the harvest is great and the laborers are few. The opportunities are immeasurable.

Without exception each of our visitors asked us what they could do to help us. Also several have written asking the same question. Here are a few suggestions: (1) Keep us before God in your prayers. (2) Read your mission sheets prayerfully. Bro. Overbey usually enumerates several items that are especially needed on the front page of the Mission Sheets. (3) Give prayerfully as unto the Lord, it's his work.

We thank God for each one whom he has burdened for our needs. May the Lord Bless You All.

In His Service,
Bro. Art Gibbs

Home From Manaus Conference . . . Three Baptized In Sao Luis . . . Five Baptized At Sao Mateus . . . Missions Visited

By George Bean

Caixa Postal 500
Sao Luis, Maranhao
Brasil, S.A.
Feb. 15, 1971

Dear Brethren,
Last month I was leaving for Manaus and the Mission Conference when I wrote the MS letter. It was a great conference and the saints of God in Manaus had the red carpet out for all that went. It was a good time of fellowship with the brethren that came from the states and also with the Brazilian brethren that I had not seen, some of them for six years. Now a report for the rest of the month.

New Hope Baptist Church, Sao Luis Maranhao

We have had a good month with three people baptized and one young lady making a profession of faith. I also went Sunday, Jan. 24 to Arasagi with the congregation from Olho D'agua and I preached and one young man made a profession of faith. Bro. Dempsey and the brethren are working at this preaching point but he had to stay in

George Bean

Manaus longer than we did on some business.

Recursco, Santa Rita, Corema

These three places are preaching points of our church and we have visited them all at least one time during the month with good crowds but with no visible results.

Sao Mateus, Maranhao

This is a mission of the Peritoro Church and the mission had a conference Feb. 8-10 with good crowds. I preached three times with one profession of faith. Five came for baptism and they have been baptized by pastor Sostenes. They have a real strong mission here and I hope that soon they will be able to organize a church.

I went Sat. night with the church from Villa Maranhao to a new preaching point. After leaving the station wagon out in the jungle at the end of the road, we walked down a jungle path for one hour, soon arriving at the edge of the Atlantic Ocean. We had services and at 9:30 we left, coming back to the station wagon. Then came one of the hardest rains I have ever seen fall. I arrived home at 11 p.m. soaked to the bone. May God bless each one is our prayer.

Final Preparation For Leaving For Peru . . . Request For Prayers . . . Churches Visited

By Paul Mulling

Apartado 166
Pucallpa, Peru, S.A.
Feb. 16, 1971

Dear Brethren in Christ,
Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you. 2 Thes. 3:1. By the mercy and grace of our Lord Jesus Christ, we shall be in Peru at the writing of the next letter for the Mission Sheet. We trust you will pray for us with all earnestness, that the above verse may be accomplished in and by us, in spite of ourselves.

Since the writing of the last letter, I have done very little preaching. The Lord has let me sit and learn, profiting from the preaching of others. This is what I have needed. On January 31st, I was privileged to speak at the Park Ridge Baptist Church, Gotha, Fla. (Douglas King, pastor). We had a good time with them and were surprised to see the good amount of men in the church there. Above normal, for which we thank God. We

Paul Mulling

also were glad to hear that Mrs. T. P. Simmons is now a member of this church. It was good to be with the Calvary Baptist Church, Tampa, Fla., (W. W. Wilkerson, pastor), and the Southside Baptist Church, Brandon, Fla., (O. V. Holderby, pastor).

These last days for us here in the States are mighty rushed. We are preparing to return to Peru and at the same time, trying to reap the last remaining moments to their fullest. Our daughter will be with us again next week and then, the Lord willing, will see us off to Peru with the rest of our family on the twenty-sixth of February.

As the years go by and the road gets shorter, the blessings are richer and magnified. So has this past eight months been to us. Only God knows and can express unto you the greatness of the blessings we have shared with you. At His soon coming, He will reward you for your love, hospitality, and faithfulness. My wife, children, and I thank you in Jesus name for that which you have given to us and the love shown us as we visited with you. May God bless you. Brethren, pray for us. 1 Thes. 5:25.

To Manaus Conference . . . Twenty Three Services . . . Eight Professions Of Faith . . . Four For Baptism . . . One Addition By Baptism

By Dempsey Henderson

Sao Luis, Maranhao
Feb. 15, 1971

Dear Brethren,
Shortly after writing my last Mission Sheet letter, I left with Bro. Bean, and some of the Brazilian brethren, for the Manaus Conference. We had a wonderful time in the Lord. The Conference was well planned, the messages were superb, the fellowship glorious, and the food and hospitality excellent. We especially enjoyed fellowshiping with our brethren and sisters in Christ from the States. I had the privilege of preaching on the Conference program, and also to the Martin Ave. Baptist Mission, which was our first work in Brasil.

There was one addition for baptism in the service at the Mission. We haven't had services either in Raposa nor in Ivar Saldanha this past month. One reason is because of the trip to the Conference-I was away from my work here 12 days-and another reason is because of the work on our building here at Olho D'agua for our Mission, and certain other problems that have kept me tied down. We probably won't have any more services in Ivar Saldanha, as the owner of the house moved away, and also learned that there is a Baptist Church only a few blocks from where we are having services. We plan to look for another place to start a preaching point.

In our Mission here in Olho D'agua, we have had a good month. While I was away at the Conference, we had four professions of faith in the Mission, and one at our

Dempsey Henderson

Sunday afternoon services in Arassagir. Bro. Bean was preaching that afternoon, and Jose Assis, a young man who is a member of our Mission, was preaching when the others made professions of faith. Since I returned from Manaus, we have had 3 professions of faith and 3 additions for baptism, and I have baptized one. In all, this past month, we have had 23 services, 8 professions of faith, 3 to ask for baptism, and one addition by baptism. We have a number of others who want to be baptized, as soon as they can get legally married, and get some other problems settled.

Our building is going real well, and we should be in it within another week. It is going to be real nice, for the money that we are putting into it. Everyone seems real enthused about it.

Dorothy has had her Thurs. afternoon Bible class, without fail, and the Lord has blessed her. One of the ladies that made a profession of faith had been attending her Thurs. afternoon Bible class regularly. She also kept things going here, while I was in Manaus, hauling people to the services at different places, as well as here in Olho D'agua. She also teaches a children's class in Arassagir on Sunday afternoons. I thank the Lord for her, and the help and encouragement that she is to me.

Again we wish to thank you for all that you have done for us, and ask you to please remember us in your prayers, especially at this time, as we need them very much. God bless you all richly, and give you the greatest Spring Conference ever.

In Him,
Dempsey Henderson

Rejoicing Because Grace Overbey Is In Heaven . . . Revival Meeting At Fourteenth Church . . . S. S. Attendance Highest Average In January In History Of Church . . . Leaving On A Journey

By Harold Bratcher

Manaus, Amazonas
February 10, 1971

Dear Brethren,
The news of Mrs. Grace Overbey's death reached us by telegram on the first of February. We pray the Lord's comforting and sustaining hand to be upon Bro. Overbey, the children, and all others who mourn because of her passing. We rejoice, however, because we know she is now with the Lord.

Last month I wrote the Mission Sheet letter about a week late due to the fact that I was able to send it by Bro. Orrick who mailed it in the States. This month I am writing about a week early due to a trip that I'll begin today. The Lord willing, we'll return the 25th of this month.

Harold Bratcher

For eight days-January 24th-January 31st, Bro. Sostenes Nunes de Melo was the evangelist in the revival at the 14th of December Baptist Church. The Lord gave us good attendance. The rain caused our attendance to be down on both Sunday nights. The Lord gave us a good meeting with some 3 professions of faith, 4 requested baptism and 1 by letter. The Sunday School attendance was just a little over last January and thus set the record for the best monthly average attendance in the history of the church-178.

This month thus far we've had good services at the church. Last Saturday our last visitor of the Conference left Manaus. We trust all the visitors at the Conference were blessed by the Lord. May the Lord bless us all as we labor for Him.

Yours In His Service,
Harold Bratcher
