John Hatcher needs a Jeep station wagon to use and haul supplies for the printing, and for the schools. This car can be purchased in Manaus, Brazil. Mark your special offering "For Hatcher Vehicle". Twelve-Ryan Baptist Church had a special offering for the Gibbs' vehicle in May and gave a total of \$2,658.50. We are hoping that this will be an incentive to lead others to have a special offering also.

Mulling's Aluminum Boat Being Built

Paul Mulling has let the contract to build the ALUMINUM HOUSEBOAT in Pucallpa, Peru. This boat will have two engines and the cost to build is \$18,000.00. Nine thousand dollars had to be paid down to start to build, and this amount has been given. Note the financial report on page four that Brother Mulling gave \$2,000.00 toward this and Bro. Mayfield gave \$1,000.00 towards it to make the \$9,000.00 down to start building the boat. The builders are Swedish Engineers and have promised to have the boat finished in three months. We need \$9,000.00 to pay for it on delivery. Mark your special offering "For Mulling Boat".

Coming Conferences 1971

August 17, 18, and 19, 1971, Clarksville Baptist College, Clarksville, Tenn.
September 6, 1971 Labor Day, Grace Baptist Church, Fairborn, Ohio.
November 22, 23, 24 and 25, 1971, Thanksgiving Conference, Warren, Michigan.

Special Thanksgiving Offerings

We should like to have \$100,000.00 in Special Thanksgiving Offerings this coming Thanksgiving Conference time. This can be done, the Lord willing. If each pastor would start planning now and each church would pray, one hundred churches could give Thanksgiving Offerings. Some could give a thousand dollars and some more and some less. When Walter Lauerman was in Alabama at the Association meeting sometime ago, one pastor got this on his heart and said that the 33 churches there could give \$1,000.00 each as a Thanksgiving Offering. May it please the Lord to lay this on the hearts of 100 pastors and more. We have told our church that we hope to live to see Twelve-Ryan Baptist Church give \$10,000.00 as a special Thanksgiving Offering. May it please the Lord that this year will be the time.

Prayer

A group of Brethren, usually six, sometimes more and sometimes less, meet each Tuesday morning (when not away) at our church parsonage to pray. We tell of our requests, and the main requests are about Baptist Faith Missions, and then we pray for these requests and needs. We have had some remarkable answers to prayer. If you cannot meet as a group, then please go aside alone and pray with us wherever you are. Agonize in prayer, and then hustle while you wait on God to answer in His own time. It works. Pray for the needs of Baptist Faith Missions and for the missionaries by name.

Missionaries To Leave

The Lord willing, the Mike Creiglow is to leave for Brazil in June. The Richard Turners to leave for Brazil in July, the Walter Lauermans to leave for Peru in July, the James Kissels to come from Peru in July and the Louie Carvers to leave for Korea in August. Also the Lord willing, Hafford Overbey will go to Peru with the Lauermans for a stay of about two and one half weeks. There is an "Excursion Rate" round trip for less than \$500.00. Would you like to go with us?

Rain Cuts Down Attendance . . . Group Makes Trip On Launch For A Service . . . 182 In S.S. For Highest Sunday In Month

By Harold Bratcher

Caixa Postal 227
Manaus, Amazonas, S.A.

Dear Brethren,
May 17, 1971
Psalm 73:28 "But it is good for me to draw near to God: I have put my trust in the Lord God, that I may declare all thy works."

Two of the four Sundays that have passed into eternity since the date of the last Mission Sheet Letter (April 19th) have been rainy ones. Sunday, April 25th the rain began early and continued throughout the morning. Also, the jeep wouldn't start but we all went to church in a taxi.

On April 30th the Hatchers ate dinner with us as part of the celebration of his (Brother Hatcher's) birthday.

Sunday May 2nd, we had 182 in Sunday School at the 14th of December Baptist Church.

Harold Bratcher

Friday, May 7th a good group from the church went with us on the launch for a service at Curari-a two hour trip. We had a good service there. A 62 year old man and his wife-49, asked for baptism. The Lord willing, I'll baptize them in June.

Sunday, May the 9th we had 181 in Sunday School. In the evening service 155 were counted. I baptized 1 and a young man made a profession of faith.

Yesterday was the other rainy Sunday. Only 76 were willing to face the rain to attend the Morning Worship service. In the p.m. we made hospital visits. We had a good service last night.

We pray the Lord's blessings to be upon all of you.

Yours In His Service,
Harold Bratcher

Visits By Kissels And Mullings . . . To Pucallpa For Dedication . . . Extra Hours Studying Spanish . . . Need Car Badly

By Homer Crain

Apartado 5936
Lima, Peru
May 15, 1971

Dear Brethren,
Greetings in the wonderful name of Jesus. "To open their eyes, and to turn them from darkness to light." Acts 26:18.

It was a real blessing to me when I heard about the Carver family going to Korea. I believe they will make great missionaries. Since we came back from the trip across the Andes Mts. I began to have pains across my chest and my Doctor advised to have X-Rays and Electro cardiogram made and to have a complete physical checkup. After the examination he advised that all the muscles of the upper part of my body were sore and he prescribed medication and rest.

The Kissels arrived in Lima for a few days and two days before they left for Iquitos, the Mullings arrive to check on their camets. Brethren Gibbs, Kissel, Mulling and I preach in a week's Bible conference.

During all this time the Gibbs family are getting ready to move to Huanuco. Remember them when you pray.

Trip To Pucallpa

Friday, May 7th I got up at 4:30 a.m. to catch the plane for Pucallpa. Brethren Mulling, Gibbs and I preached in the dedication of the new building. I had a wonderful time of fellowship and as I saw the new

building I was so thankful that I had a part in it. Not only in giving in the past but also thankful for the privilege of preaching in the dedication and seeing people saved and baptized.

My wife and I are now studying Spanish two extra hours each day. We go to class for lessons from 9:30 a.m. till 11:30 a.m. and back again at 3:30 p.m. till 5:30 p.m.

Remember the Lauermans as they plan to come back to Peru because this time they will be leaving part of their family behind. Also when it comes to mind remember the needs of the vehicles for Peru. Many thanks to all who have a part in our ministry here.

In Jesus Name,
Homer R. Crain

Good Month In Preachers School . . . Roof On New Building . . . Need Funds To Build S.S. Rooms . . . A Ride On A "Pole Car"

By George Bean

Caixa Postal 500
Sao Luis, Maranhao, Brazil
May 17, 1971

Dear Brethren,

We have had a good month in the Preacher's school with two more students coming in late and beginning their studies. The boys are growing in grace and knowledge of the Scriptures. We have had six professions of faith at the services of the New Hope Church. I have baptized four into the fellowship of the church. The devil is also working and some members got mad at some of the others and won't come back to be in the services with them. Isn't that just like Baptists there in the states? Well, the truth is that human nature is the same anywhere you go.

George Bean

The roof is on the new building, the doors are hung and in place and the floor will be finished this week. The auditorium is just about finished. We have not started the Sunday School rooms yet, as we are waiting for the funds to come in to start them. Will

you not make this an object of prayer and then give and help us in this matter as the Lord leads you?

Villa Maranhao Church

I made one trip with the Villa Maranhao Church and we had a service with two professions of faith. I made one trip to Recurso, this place is located on the railroad but it is in the jungle, it was raining real hard and the road was washed out and I had to leave the car about two miles from there and walk to the place where we have services. When the services were over, a man that works on the railroad said I will take you there on the little motor car that belongs to the railroad. We all boarded the little motor car and I kept wondering when they were going to start the motor, I then looked back and wiped the rain out of my eyes and saw two men with long poles standing on back of the "motor car, pole car, you name it" and they started pushing us down the RR track. We then started down a small decline, and the car picked up speed to about 40 MPH and brother, that is traveling for a small pole car.

Yours in Christ,
George Bean

Dedicated New Addition To Church Building . . . Special Services . . . Five Baptized . . . First Wedding In New Building . . . Telephone Now

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
May 15, 1971

Dear Brethren,

The last two Sundays we've had services in our new church building (addition) and I baptized two the first Sunday and three last Sunday. Last weekend we had special services 7th, 8th and 9th to dedicate our building to the Lord. Bro. Mulling preached for us Fri. night, Bro. Gibbs on Sunday morning, and Bro. Crain Sun. night. We had a great time. Bro. Gibbs family came a few days early and spent some time, while he went to Huanuco with his things. Bro. Crain came in Fri. and was with us until Mon. Sat. night everyone brought food and we had supper out on the playground of the school. Our building, especially the new part is nice. We hope now to continue the roof all the way to the older street, and have the entrance coming in from the end, instead of the side. The work in Arenal is much better now that they have a

Del Mayfield

preacher to lead them every Sunday. We hope to start classes for those that would like to study with us. Bro. Sauerino reports that all is going well at San Francisco. Pray for the people at San Francisco as they had all their crops destroyed by the high water this year, and all their animals died also. It will take a year to replant bananas, yuca, and other trees for fruit. Many people died because of the high water. Highest in history, so some have said. Last night we had our first wedding in our new building, and the first for me, in the church. One of our school teachers, also teaches in our S.S. and is choir leader. He is my substitute director for the school. He married one of our nicest young ladies in our church. Our building was almost filled. I just wish that each one of you could have been here. It was a high time for our church. We feel just a little closer to you now, as we got one of the first phone calls from Lima. Bro. Gibbs called us first. Our phone number is 198 Pucallpa. May the Lord bless each of you.

Yours by His grace,
Del. & Ada Mayfield

Water Down In Rivers . . . Much Mud . . . Seven Baptized . . . Waiting For Mike And Beverly

By Bobby Creiglow

Cruzeiro do Sul
May 14, 1971

Dear Brethren,

The water has gone down until we can no longer travel by speedboat and there is so much mud yet that there are very few places that we can reach by jeep. I did however get to visit some of the work this month. I visited the church at Maita twice and Mourapringa and Colonia de Japiim each once.

In 1966 there was a Baptist Botanist said he had never worked with The Botanical Gardens of New York City who made a trip to Maita with me to visit the church, at which time the church asked me to do some baptizing for them. Dr. Prance, the botanist said he had never witnessed a baptism in a river and would like very much to attend, but before the day of the baptism he was recalled to Manaus. Dr. Prance returned to Cruzeiro do Sul this past month, so I invited him to go with me once again to Maita where he had his first opportunity to witness this. I baptized seven into the fellowship of that church while he

Bobby Creiglow

took pictures. He took a picture with my camera that did not turn out too good. He seemed very much impressed with what he witnessed.

We are now anxiously awaiting the arrival of Mike and Beverly and by the time some of us get to read this Mission Sheet they should already be in Brazil, the Lord willing.

We are very thankful for the new missionaries that the Lord has raised up and try to pray for each of them by name each day, knowing a little about the problems and difficulties that they will be confronted with, or at least some of them. Having never been to Korea we cannot know much about those that Bro. Carver will have, but we pray to the One that knows all about that place and every place. We trust the Lord will give the Turners, the Carvers, along with the Mike Creiglows great ministries on the mission field.

Arlene has had a light case of measles this month, but did not even get sick with them. Betty was sick some this month, but is much better now. The Lord is good to His children.

B. D. Creiglow

Professions And Baptisms . . . Car Stuck In River And Overflowed By Ocean Tide . . . Service Most Every Night

By Dempsey Henderson

Caixa Postal 500
Sao Luis, Maranhao, Brazil
May 18, 1971

Dear Brethren,

This past month has been another good month. The Lord has blessed us with professions of faith, baptisms and additions to our Mission, for which we thank Him and praise His Holy Name.

We have continued to have services somewhere almost every night, though we have not made any trips to our preaching points in the interior, due to the fact that our car has been in the garage for more than a month. The people don't rush themselves here in Brasil. It has been a little more difficult to get things done without a car, but Dempsey Henderson Bro. Bean has been just wonderful in his willingness to haul me around and help me with his car in every way that he can, many times dropping what he needed to do in order to help me. May God richly bless him and his family for their kindnesses. I don't know how we will ever be able to repay them.

Dempsey Henderson

My car got stuck while crossing a river and was covered by the tide. Then too, the body on the particular model that I bought was made out of inferior metal, and the company is replacing all of the rusted parts. They should be through with it in another week. We will then begin our work in the interior again, the Lord willing.

Once again, thank you all for your prayers and support of our work in Brasil. We rejoice that the Carvers are going to Korea. We love them very much in the Lord, and enjoyed being with them immensely, while home on furlough. I know that they will make good missionaries for the Lord. God bless you all.

In Him,
Dempsey Henderson

Professions At Different Places . . . Some Baptized . . . Some To Get Legally Married To Be Baptized

By James Kissel

Dear Brethren,
Another month has passed for which we must give an account one day. It seems time passes so quickly and we accomplish so little. Since last writing, we had the privilege of visiting Lima and preached in a conference there, also had a good time visiting with all of our brethren there.

I haven't received reports from all the brethren, this month, so far but the reports of the others are all good. The pastor of Hojeal reports one profession of faith this month. I baptized three into this church also this month with one profession of faith and one baptized into the church at Astoria. The pastor of the third church reports four professions of faith on the River Itaya.

James Kissel

One profession of faith here at the fourth mission. We have had four professions of faith at our new mission at Santa Rita, with one being baptized. We have also had a young couple in the First Church, who came for baptism, as they had been saved in another city. They must be legally married to become members but plan to do so in the next few days, so as to follow the Lord in scriptural baptism. There has been no service at the church at San Antonio, as the island is completely covered with water and all have had to move away for awhile, until the water recedes.

We are now planning and looking forward to having all the brethren for a meeting in July, with Bro. Overbey coming to visit for a few days. Since the Lauermans are now coming back to Iquitos, we are making plans to go to a new location, the Lord willing. May the Lord bless each one.

Yours in Him,
The Kissels

Churches Visited And Looking Forward To Returning To Peru For Four Years

By Walter Lauerman

Dear Brethren,
May 13, 1971
It is only two months until we will return to Peru, the Lord willing. Pray for us as we prepare to go and that He leads us always. We do not like leaving our 4 children behind here in the U.S., but for Christians it is not a matter of what we want, but what God wants to do with us. 1 Cor. 6:19-20.

We have been with the following churches this past month: 2 services with Storms Creek at Ironton, Ohio, Jim Orrick pastor. 1 service with 1st church of Siloam, Ky., George Gallaway the pastor. The following in Michi-

Walter Lauerman

gan, Twelve-Ryan, Warren, Hafford Overbey pastor (two services) one service with Grace of Warren, Eugene Clark, pastor, 3 services with Gethsemane Church, Taylor, George Lock pastor and 4 services with New Hope of Mt. Morris, Lee Hammel pastor. We sure enjoyed the fellowship with these and all the rest all year. Thanks to you for all.

We look forward to big things from the Lord these next four years and want to do so many things and above all see more of the Lord's churches organized. This we need to do if nothing else is done at all. Again we thank you all for making our ministry a reality.

By His Grace,
Walter F. Lauerman

In Meeting In Lima . . . At Dedication In Pucallpa . . . Moved To Huanuco

By Art Gibbs

Dear Brethren,
Apartado 7 Huanuco, Peru May 22, 1971
This has been our busiest, but most fruitful month since coming to Peru. Praise the Lord, we are in our new home in the city referred to as the "eyebrow of the jungle", the great city of Huanuco, (Pronounced Wan oo ko).

On April 25th I began what was planned to be a three day meeting with the church in Lima. We had two young men profess a call to the ministry, 1 saved, and 5 for baptism. When Bro. Kissel arrived in Lima, we decided to continue the meeting on to the end of the week. Bro. Kissel preached Wed., Bro. Crain preached Thurs., Bro. Mulling preached Fri., I preached again Sat. and Bro. Mulling preached the final meeting Sun. night. The other brethren will tell you of the other results. My wife and daughters also sang several specials during the meeting.

May 4th, 8:00 p.m. I left Lima with the truck carrying our furniture to Huanuco, while my family flew to Pucallpa to visit the Mayfields and to get their first view of the jungle. I was to join them Fri., but due to missing a connection with the airlines I arrived Sat. afternoon by bus. Sun. morning, May 9th I preached in one of the three dedication services of Bro. Mayfield's

Art Gibbs

new building. We had 1 come for baptism and 1 saved after services, also at this time my family and I moved our church letter to the Pucallpa church. The church voted in the same service to give us authority to begin the work in Huanuco. We thoroughly enjoyed the fellowship and hospitality both with the Mayfields and Mullings while we were in Pucallpa.

On Wed. May 12th we left Pucallpa traveling by air to Tingo Maria, where we spent the night waiting for the up day on the road to Huanuco, and by bus from Tingo to Huanuco. We arrived here Thurs. 9:00 p.m. Since then it's been even more busy. We had services in our living room last Sun. Since our house was still in confusion (everything in suitcases, etc.) we did not invite anyone, but our landlord's two Jr. age sons. There were 8 young people who came up and listened by our stairs and several others listened in the street. Since then we have invited hundreds to the services tomorrow. We are looking for the Lord to give us a great day. Pray for us.

Yours in Him,
Art Gibbs

Forty-Sixth Birthday . . . Church To Get A New Roof . . . Son John Mark Surrenders To Preach . . . Looking For Creiglows And Turners

By John Hatcher

Manaus, Amazonas, Brazil
Caixa Postal 227
May 18, 1971

Dear Brethren,
On the 30th of April my number of years rose to forty-six. Also, I had the privilege of making out two income tax returns, one in English for the American Government and one for the Brazilian Government in Portuguese. When the man asked me, "Don't you have any doctor bills or hospital bills to deduct?" my answer was "None, thank God." He has been so good to us. And if in the year ahead we would have to spend all on such bills and expenses He will still be good to us and He will supply all of our needs.

Church To Get New Roof

The Tabernacle Church has voted to put a new roof on her building and it will cost us about \$1,200 (one thousand two hundred dollars) and thank the Lord our church has enough to take care of the expense. Our offerings and number of tithers has increased during the last year. This past month two were baptized into the

John Hatcher

fellowship of our church, one young man and one young lady. During the month the Calvary Baptist Church and the Peniel Baptist Church have also had baptismal services.

Special Blessing

As most of you already know, our oldest son, Ranaah Paul, surrendered sometime ago to the call to the ministry. This month we received a letter from our son, John, who was in his junior year pre-med studies at University of Kentucky, saying that God has called him to preach and that he was leaving his plans to study medicine to serve in the ministry. Pray with us as God brings his name to your minds that God will make him a faithful servant. Riches and fame have never been the desires for our children but that they might walk in the center on His will and do His building in what ever walk he has determined.

Looking For New Families

We are awaiting the arrival of the Mike Creiglows and also the Richard Turners in the months of June and July. May the Lord bless them in all their preparations to come and give grace for the separations.

In Him,
John A. Hatcher

To Start Work On Aluminum Boat . . . Hope To Finish In 90 Days . . . Special Trip To Lima To Get Immigrant Visa

By Paul Mulling

Apartado 166
Pucallpa, Peru, S.A.
May 21, 1971

Dear Brethren in Christ,
We finally reached an agreement with the boat company on a price to build the boat. This has been approved by the directors of the mission and today, I gave the go-ahead to the engineer here. At long last, work will soon begin on the boat. Hallelujah! The engineer (Swedish) assured me again today that it would be finished in three months.

The cost of the boat expensive. It comes to \$18,000.00. The Lord has supplied half of this, which we needed to start the boat. The rest (\$9,000.00) is due in 90 days. If you would like give, now is the time. This houseboat will

Paul Mulling

welded construction. It will be our home to live on to start churches on the river as the Lord blesses. Barring the unforeseen, it will last many years with no upkeep. I'm sure you would like a part in this boat.

While the boat is being built, we will be working with Bro. Mayfield and the church here. We have been talking of starting a mission in another section of Pucallpa. Pray with us about this. Also, I will be working on some translation work on the whole Old Testament. I translated a lesson this week that Bro. Elton Wilson wrote. I didn't ask him if it is alright, but I am sure that it is.

We had to spend another week in Lima this month at the request (Army style) of the government. We had to have pictures taken and be fingerprinted for immigrant visas. Praise God, we finally got these.

Your servants in Christ,
Paul R. Mulling & Wife
