Pearl Crain Sept. 3, 1903- June 21, 1971

The mother of Missionary Homer Crain died June 21, 1971. Funeral at Gethsemane Baptist Church, Taylor, Michigan, message by Pastor George Lock. She had 12 children and lived to see all of them make profession of faith and be members of Baptist Churches. The brothers and sisters paid the way, so that Missionary Homer Crain could come from Lima, Peru for the funeral. Make your memorial offerings for "Pearl Crain."

Paul Maple 1889-1971

Paul Maple, father of Pastor Louis Maple died and the funeral was in East Maine Baptist Church, Niles, Illinois, with his son Pastor Louis Maple preaching the funeral message. Make your memorial offerings for "Paul Maple".

Mrs. Walter Lauerman To Undergo Major Surgery

After three surgical operations, it has been determined that Mrs. Lauerman should have the tubes from her liver removed and replaced with plastic tubes. No surgeon in Peru can do this, so she is remaining in Lexington, Ky., to have this operation and to recuperate. Remember the Lauermans in prayer and those who would like to help, send offerings marked for "Mrs. Lauerman's operation". Bro. Lauerman is available to visit and speak in churches while Mrs. Lauerman is convalescing. Contact him if you want him to come to your church.

Arrived In Manaus, Brazil And Through Customs . . . To Go To Cruzeiro Do Sul, Acre, Brazil On June 28th . . . Thanks For Support

By Mike Creiglow

Manaus, Amazonas
June 21, 1971
Dear Brethren,
My wife and I greet you from the great country of Brazil.

This is my first opportunity to speak to all of you from the mission field, so I will begin by thanking each individual and Church for their kindness and support during the last few months. The Lord used so many of you to help us and we are truly grateful for all of the help and support. Our prayer is that we will prove to be worthy and that you will be blessed by the Lord.

We arrived here in Manaus last Thursday and were able to get all our things out of customs the same day, even though there was some expense involved. The Hatcher family has been of great assistance to us since we arrived.

Moved And Settled In Huanuco, Peru . . . Mission In Garage . . . Revival With 21 Professions Of Faith . . . Bible Classes In Home

By Art Gibbs

Apartado 7
Huanuco, Peru
June 8, 1971

Dear Brethren,
Greetings from the colorful Andes, where sin abounds as scarlet, but where grace much more abounds.

Even as we had prayed the Lord gave us a great day Sun., May 23rd. We had 38 present in the mission in our garage Sun. morning and over 60 Sun. night in our first public worship services. One man expressed a desire to be baptized. I preached on "Our Purposes" from Matt. 28:19, 20.

On Fri. May 28th, Bro. Mayfield arrived to help us in an 8 day meeting. During the meeting we had an average attendance of 67. We had a total of

Art Gibbs

21 professions of faith. It was a real blessing to have Bro. Mayfield here to preach and sing for us.

We also have been having Bible classes in my home on Tues. evenings with an average attendance of 11.

During the past few weeks, my family and I have passed out 2000 invitations to our meetings, and over 5000 gospel tracts. We also printed and passed out "Bible Studies on Baptism" by Bro. Mayfield to all those attending our meeting the night Bro. Del preached on baptism.

Already we have outgrown the garage where we are meeting Sun. mornings. We also need a place to meet where there is not the constant danger of being put out because of what we preach. Pray for us, that the Lord might provide a more suitable place of worship.

Yours In Christ,
Bro. Art Gibbs

Rain After A Dry Spell . . . Army Taking Mourapirango Church For An Airport . . . Church In Cruzeiro Do Sul Being Blessed . . . Looking For Mike And Beverly

By Bobby Creiglow

Cruzeiro do Sul
June 10, 1971

Dear Brethren,
It had been very dry for several weeks, but yesterday it started raining and has been raining off and on ever since. The streets have changed from dust to mud. The roads were just getting in shape to where we could travel outside of the city and I was thinking about going to Japiim the last of this week, but now it doesn't look too good for the trip.

The church in Mourapirango has to move, because the army is taking over their property. There is no set date for them to move and as yet they have not been paid by the army for property. There have been some other problems in that church for some time and I have been going there more often to see if I can help out.

Our new mission work among the native churches is going along fairly well and the offerings have been about eighty dollars per

Bobby Creiglow

month, with only four of the eight churches helping out in this. I am sure this amount does not sound like very much to most of you, but to us, this is a pretty good start. Our missionary had left on his second trip at the writing of my last letter. He was gone two weeks on this trip and there were eight professions of faith. While he was at Campo de Santana they got the roof on their new church house.

The church here in Cruzeiro do Sul continues to be blessed of the Lord. There have been several professions of faith this month and the pastor baptized three into their fellowship last Sunday. They have enlarged their auditorium by taking out the partitions between the S.S. rooms and the auditorium. They now lack S.S.; rooms, but have some of the materials already bought to start building soon.

Mike and Beverly should be here soon and we're all looking forward to their arrival.

Betty has been ill most of this week, but is feeling some better today. We trust the Lord will continue to bless her and us as you remember us in your prayers.

In His Name,
B. D. Creiglow

Planning To Move To Tingo Maria . . . Need 4 Wheel Drive Vehicle To Use In Work . . . Finishing Up Spanish School

By Homer Crain

Apartado 5936
Lima, Peru, S.A.

Dear Brethren,
This has been the most tiring month since we have been in Peru. We are now making plans to move to Tingo Maria, finish our studies, get liberation, and information on vehicles to be used in Peru.

We are also preaching every other Sunday night at the church that we attend.

When we came to Peru we brought a tent to hold revivals and special meetings. Now we need a Jeep type vehicle to get to the out-of-way places to preach and start a work in as many places as we possibly can. We already have a meeting planned as soon as we are able to get moved. Brother Mayfield is to help us a week in special meetings and then we hope to be preaching in as many towns as we possibly can reach.

I wish you had a large map to see how many towns we could reach with a vehicle that we are asking for.

Also, it is faster and easier to travel by

Homer Crain

land when you have the roads to go on. When we say roads I do not mean we have highways like we have in the states, but mud roads that have deep holes that make it impossible to travel with a regular car. One vehicle has been bought for Brother Gibbs to use in Huanuco. We hope each one of you will make it a real matter of prayer and pray that the money will be designated to meet this need. If each church and person who reads this would only determine to give something, I am sure the need would be met.

Also, this has been another trying month for us. Last week someone broke into our car by breaking a window and stole a new car radio that I had just recently put in my car, plus many other things that I am sure you could not understand.

Also, remember us in prayer as we go to rent a house in Tingo Maria as there are very few to rent. I have had the motor taken out of my car three times and tomorrow they have to take it out again, as it is only running on three cylinders. Brethren, pray for us.

In Jesus Name,
Homer R. Crain

Good Meeting In Huanuco With Art Gibbs . . . Work Coming Good At Arenal . . . Hope To Have Church Organized There . . . 250 Children Taught The Word Of God Daily

By Del Mayfield

Pucallpa, Peru, S.A.
Apartado 166
June 10, 1971

Dear Brethren,
Since the last mission letter I've spent a week and a half in Huanuco with the Gibbs family. We had a good meeting and I'm sure that Bro. Gibbs will write all about it. The Lord wonderfully blessed, souls saved, and others coming to get right. It was a thrill for me to be able to preach the first Baptist meeting in a city of so many who had never heard the truth. The only thing bad about the trip was that it took me 24 hours to come home. I had to lay over in Tingo Maria 10:30 Tues. morning until the next day at 9:00 a.m. Wish there was room enough to tell about the whole trip, but I'd better not. The Lord has blessed the work here at Pucallpa. We've had souls saved, baptized twice, and good attendance. Also there were some (3) baptized from San Francisco. We're still pushing for 300 and expect that number Sunday, the Lord willing. Brother Mulling preached for me while I was away, and there were a couple of moves. The work at Arenal is doing better. Bro. Abel

Del Mayfield

is a fine preacher, and a faithful servant of God. I'm sure that soon we'll have a Baptist church organized there. Monday we're going to add some Sunday School rooms, so that will help, I'm sure, in their attendance. Continue to pray for the work there.

Our school is coming along very well. It's a blessing to be able to teach 250 children the word of God every day, and see them grow in the grace and knowledge of our Great God. Brother Sauerino reports that all is well in San Francisco and that the Lord is blessing. They have had some saved, and baptized. I'm hoping to start a Monday night class for him and the others who want to study with us. He says that he'll come up from San Francisco on Monday and attend class and then back on Tuesday morning. So I'm sure if he will that others will come with him.

Looking forward to Bro. Overbey coming to visit us next month. Just wish there were others who would come and see the work. I'm sure it would make you more missionary minded, and I know you could pray for us better, if you could see the work that the Lord has done. Continue to pray for us, as we remember you daily in our prayers. May the Lord bless you all.

Yours by His Grace,
Del. Mayfield

Coming Home On Furlough . . . Unusual Weather . . . Many Thanks

By James Kissel

Dear Brethren,
June 15, 1971
Our days here in Iquitos are but a few and by the time this letter is received in most of the churches, we will be on our way home to the States for a short time, the Lord willing.

The Lord has been good to us in so many ways, which He always is, in these past two years. Yet our time has not been spent without a few trials, also. Sometimes it is hard to understand concerning trials, yet we realize that even all of them are for a purpose and for our good.

I have not received a report from all the churches, as of now. The pastor of the

James Kissel

Third church reports, one saved on the River Itaya, also one saved in the Second Church. The pastor of the church of Maypuco, visited this week and reports five saved this month. This church is located on the River Marañon, which is a three day journey from Iquitos. There are now 80 believers in this place.

Our weather is very different this month. The rivers are going down very rapidly and many of the people are able once again to return to their homes and farms. The temperature has also changed. Some nights we must use blankets, which is unusual for Iquitos.

Once again, we want to thank each one for your prayers and support, that has made our stay possible and has furthered the gospel in this land of idolatry.

Yours in Him,
James Kissel

School Out For Children . . . Now A Grandfather . . . Good Month With Increased Crowds . . . Auditorium Of New Church About Finished . . . Need Funds To Finish Building

By George Bean

Caixa Postal 500
Sao Luis, Maranhao,
Brasil, S.A.
June 8, 1971

Dear Brethren,
Cathy and Mary Ellen finished their school year at the school that all the English speaking missionaries have started here in S.L. I was chosen principal for the next year. Fran is home from Fortaleza Academy, where he had a good year of studies. Also, I feel a little bit older, as we received news that we are grandparents. David and Shelia, our son and daughter-in-law have a big bouncing baby boy. The only trouble is that we will have to wait over another year to see him.

New Hope Baptist Church
Sao Luis, Maranhao
We have had a good month with an increased crowd in just about all the services. Our offerings have been the highest in the history of the church as some of the brethren are starting to tithe. I know of three that have told me this month that they have started tithing. Our church

George Bean

continues to support or help support three native preachers. We have had two professions of faith. Our song leader and a student in the preachers school married a young lady from the church this month. I made one trip to Recurso with one profession of faith. The preachers school goes good and I believe all the brethren have grown in grace. We will have a month's vacation during July. The church is planning a month's work of cottage prayer meetings during this time with a prayer service in different homes each night. That way we can preach to more people, as each family will be responsible for inviting their neighbors to attend the services. Brethren Jose and Antonio Carls have made trips into the interior with much interest shown and three professions of faith. The auditorium of the new church building is just about finished, but we have stopped as we have used all the funds that the church received from the mission. We still lack benches and some touching up yet, the front sidewalks and steps are to be put in yet. If your church or some individual has an offering we can sure use it at this time.

Yours in Christ,
George Bean

Redrawing Plans For Minor Changes In Aluminum Houseboat So Contract To Build Can Be Made

By Paul Mulling

Apartado 166
Pucallpa, Peru
June 3, 1971

Dear Brethren,
At the last writing, Bro. Mayfield and I had talked with the engineer of the boat company here and we reached an agreement on the boat. Since then, we have been working with them and our lawyer trying to get a contract drawn up. Since there has been some minor changes, the lawyer asked me to draw up some new drawings so as to file a correct set of plans. This I have been working on. It takes about 4 hours to each drawing if I don't make a bad mistake. Then, the lawyer is going to the engineer with me to put everything down in detail before signing. From the signing, it will take 3

Paul Mulling

months to finish the boat, if Lord willing. This last Sunday, the Lord blessed me with the privilege of preaching both services here for Bro. Mayfield. It sure was a blessing to be back in the pulpit doing what the Lord has called me to do. Bro. Mayfield has let me preach several times for him and I thank the Lord for it. Our children have done real well in school this year, for which we also thank the Lord. Now, theirs & our concern turns to the summer vacation. They want a job and we would like to see them get one. Pray with us about this. My wife and I are anxiously awaiting the day when we will be in our own work again. Pray with us that this won't be long. We thank God for your love, prayers and support. May the Lord bless you. Your servants in CHRIST, Paul R. & Anna Mulling

Plans For Returning To Peru . . . Mrs. Lauerman To Have Surgery Again . . . 65 Churches Visited While On Furlough

By Walter Lauerman

Lexington, Ky.
June 11, 1971

Dear Brethren,
The Lord willing, we will be back in Peru when we write our next mission letter. We are scheduled to leave Lexington, July 12. Pray for us as we go and that the Lord will bless us and that we might be right in the center of His will daily. My wife still has to have another operation and it looks like she will have this one back in Peru. This will make the second one there and she has had two here. In all these and many things more she never complains. I am sure her reward will be great, greater than many. We have visited with the following churches this month: Park Ridge Church, Gotha, Fla. Doug King, pastor; Grace of Melbourne, Fla. Wm. Bronson, pastor; Dean Road, Orlando, Fla. Clarence Honnold, pastor; (5 days with Park Ridge) Greenville of Jonesboro, Tenn. Tom Strohs, pastor; South Lexington Church, Ed Overbey, pastor; Rosedale, Stumptown, W. Va. and Calvary, Nitro, W. Va. Millard Mitchell, pastor. I have driven, to this date, 27,000 miles and visited with 65 churches in about 10 months. We thank God for all offerings given to us. We thank the Lord also for the new people and churches we have had the privilege to meet and know they are praying for us, such as in North Alabama, Fla. east Tenn. and W. Va. and as well of course all those we know and love so much over the years. We pray that God would lead us together for HIS glory. We are looking forward to returning

Walter Lauerman

very much now. The problems will be many but the rewards great and God should be honored in it all. Until next time from Peru the Lord willing.

Sunday School Reaches 188 . . . Service At Factory . . . Funeral And Burial Of Boy 17 . . . Trip Planned Into The Interior . . . Looking For The Turners

By Harold Bratcher

Manaus, Amazonas
June 7, 1971

Dear Brethren,
At Brother Overbey's request, I am writing this month's Mission Sheet Letter about a week early. The Sunday School attendance at the 14th of December Baptist Church during the last three Sundays has been 166, 148 and 188 yesterday. On May 18th I had the opportunity to speak at a factory during the afternoon "coffee break" to the 10 or 12 workers of the factory. On June 3rd I conducted the funeral of a 17 year old boy. He was brought to one of the hospitals in Manaus from the interior with a deep

Work In Olho Dagua Going Forward . . . Visitation Program . . . 64 In Sunday School . . . Expecting Increase

By Dempsey Henderson

June 10, 1971

Dear Brethren,
I am writing my letter early this month, so that Bro. Overbey can get the Mission Sheets in the mail, before leaving for the Bible conference in Peru. I pray that God will give a safe and enjoyable trip to all who will be going to Iquitos, and a glorious conference for all who attend. Our work here in Olho Dagua is still going forward under the tender mercies and manifold blessings of our great God; praise His Holy Name! There have been souls saved and folks baptized almost every week this past month. Here in our Mission, we have been in a visitation campaign this past month, in an effort to reach new prospects and to reach 50 in our Sunday School

Dempsey Henderson

attendance. Sunday before last we all rejoiced to reach that number and set a record for our S.S. attendance, only to be overjoyed this past Sunday, when we broke that record with 64 in S.A. We are hoping to have 70 next Sunday, and 100 by the last of July. Our only problem is where to put them. Our beginners' class was packed full Sunday morning, as was the young people's class, and Sunday night we had more people than we could get in the building. But the God of all grace will solve this problem, too, as the need arises. Pray for our work here, brethren. Please remember Dorothy, when you pray, as she has been suffering with a kidney and bladder infection for about 3 weeks now, and she can't seem to get rid of it. She got out of bed this afternoon to teach her Bible class. In about three weeks we will be moving to town, near the Beans. God bless you all.

Amazon River Fourth Highest In History . . . Children John Mark And Lynn Visit For A Few Weeks . . . Mike Creiglow's Arrive In Brazil

By John Hatcher

Caixa Postal 227
Manaus, Amazonas, Brazil
June 22, 1971

Dear Brethren,
Here everything is overflowing! Manaus is witnessing the fourth largest rise in the river since being founded. In the interiors the houses and lands are all covered and hundreds or thousands have had to find refuge in the cities. The rise and fall of the

John Hatcher

river is an annual occurrence, but rarely reaches devastating heights as this year. Our family is overflowing with joy to have John Mark and Lynn with us for a few weeks before returning to the States to continue their studies and Lynn to marry also. Our hearts are overflowing with thanksgiving for having called John Mark to the ministry. He preached two wonderful messages for us at Tabernacle Baptist Church and we hope to have a meeting before he returns to the States. Our House is overflowing because of the arrival of Mike and Beverly Creiglow. It was wonderful to meet them at the airport and the Lord blessed us in getting all the baggage out with very little trouble.

The Work

Another Seminary semester is coming to an end. It has been a good term. Our schools are also enjoying a good year in spite of the fact that our financial situation is critical. The daily convocations where we preach the Word are our hope of the future for the students. The seed sown in their hearts will produce exactly what God wills and it will bring glory to his name. We have classes on the Catholic holidays (the other Baptist schools observe them) and on Corpus Cristi
