False Accusations

Anyone who says, writes, or implies, that any director or missionary of Baptist Faith Missions, is a hardshell, semi-hardshell, quasi-hardshell or neo-hardshell, does not tell the truth. Anyone who says, writes, or implies, that any director or missionary of Baptist Faith Missions does not believe in preaching the Gospel to every creature, as commanded to do in Mark 16:15, does not tell the truth. These false accusations are made for the purpose of trying to get some church to quit supporting the mission work of Baptist Faith Missions. Do not be deceived. Do not believe these false accusations. If you are not satisfied, invite us to come to your church (at our own expense) and question us in any Scripture that you like. Our Doctrinal statement says: "We believe in the sovereignty of God in foreknowledge, Predestination, election, effectual calling, justification by faith and glorification and that whosoever will may come, and that these do not contradict each other." Get the truth. Do not believe the false accusations against us.

30 Years As Editor Of The MISSION SHEETS

With this issue we complete 30 years as editor of this paper. God has given us the health and strength to do this and not one month has been missed. We have lived to see 13 families from the U.S. on the mission fields and many more native missionaries, and about 50 Baptist Churches in Brazil and Peru. We give God all the honor and glory. When you send your offerings to Baptist Faith Missions, you do not support a "board". All offerings are used 100% in the mission work, and all the missionaries work, and earn their salary.

Thanksgiving Conference News

The largest crowds ever, and the largest Thanksgiving Offerings ever. The two churches that paid for, and put on the conference took the lead and gave special Thanksgiving offerings as follows: Grace Baptist Church \$16,500.00, Twelve-Ryan Baptist Church \$5,705.43. You see we are missionary and not hardshell. See list of all Thanksgiving Offerings on page three. Make your plans now to be with us next year and start now to give a Special Thanksgiving Offering. The Lord will bless you for it.

A Question Asked About How Much It Costs?

We were asked at the Conference how much it costs, on an average, per month for Baptist Faith Missions to operate? For Missionary salaries, plane fares to get to and from the field, traveling expenses on the field, for boats, motors, cars, hospital and doctor bills, buildings, equipment of all kinds, to print and mail MISSION SHEETS, and all other expenses for the first ten months of 1971, the total cost was \$161,349.29, an average of \$16,134.93 per month. Offerings received these ten months \$125,377.19 an average of \$12,537.72. Thus it cost \$35,959.19 more to operate for the ten months than we received in offerings per month. This was paid for by the Thanksgiving offerings. This is for the ten months of 1971. The cost varies from month to month.

Extra Special Needs For 1972

To send the Kissels, family of two, to Peru in Jan. 1972.
To send the Lauermans, family of five to Honduras in Jan. 1972
To bring the Bratchers, family of four from Brazil to U.S. in July 1972.
To bring the Beans, family of six from Brazil to the U.S. in July 1972.
To bring the Crains, family of six from Peru to U.S. in July 1972.
To bring the Gibbs, family of six from Peru to U.S. in July 1972.
To bring the Mayfields, family of two, from Peru to U.S. in Nov. 1972.
This will cost many thousands of dollars for plane fares. We pray that many churches will begin to give special offerings "for passages" now. Also, we need about \$4,000.00 to buy a Ford Pickup truck for John Hatcher to use in Brazil. Mark your special offerings for "Hatcher Truck".
Special offerings for "Teachers in Brazil" and for "Teachers in Peru".
We need \$5,058.11 to finish paying for the buildings in Pucallpa, Peru.
We need \$5,489.43 to finish paying for the George Bean church building in Brazil.
We need \$7,472.00 to finish the aluminum houseboat in Peru.
And for many other things. There are some who could take care of all the special needs and get great rewards in heaven. Most of all right now, we need churches to increase their offerings and new churches to give so that the average offerings per month would be about \$16,500.00. Remember that this is a Baptist faith work. Pray and give as the Lord shall lead you.

Invitation To Conference In Cruzeiro Do Sul In 1972 . . . Mrs Bobby Creiglow Is Ill . . . Mike's New Boat Tried Out

By Bobby Creiglow

Caixa Postal 24
Cruzeiro do Sul, Acre
Brazil, S.A.

Dear Brethren,

The Faith Baptist Church, Cruzeiro do Sul, Acre, Brazil S.A. has asked me to invite all that would like to come to be with us in an eight day Conference to start on the second Sunday in July, 1972 and going through the third Sunday. We also extend an invitation to the brethren in Peru. Betty is not getting any better and as soon as this term of school is over, if she is not better, I will take her to Manaus.

When I returned from furlough there were six men that said they were called to preach. Of these six there is just one of them left here in Cruzeiro do Sul, the others having fallen by the wayside. It makes me wonder who called them. The only one of the six is the pastor of the church here, Bro. Jader. There has not been anyone to continue the work at Colonia on the Jurua. About two weeks ago I visited the church at Barao, and it is very weak due to lack of a worker. There is a young man that has services on Sunday morning and Bro. Cido goes there every other week. I have not heard any more about the army taking the site of the church

at Mourapirango. Bro. Mario at Japiim goes along about the same. They have about 30 on Sunday morning, the same as the church at Barao. We finished and tried out Mike's boat yesterday, and it and the motor are very nice.

Rain, Rain, Rain For 8 Hours . . . Six Professions, One Baptized . . . Land Rover Cars Coming On The Boat . . . To Be With Mayfield In Conference

By Homer Crain

Dear Brethren,
Tingo Maria, Peru
November 19, 1971
Greetings in the wonderful name of our Lord and from the land of rain, rain, rain.

Last week it rained for eight hours like I have never seen it rain before. The river emptied into the town and many homes were washed away. One of our members was washed out and became deathly sick. We have tried to help keep him alive with medicine and the help of the doctor. He has been faithful to all the services since he has been saved.

Brother Arthur Gibbs was with us two nights this past month, and we had good services with our building about filled, and three professions of faith. Also, we have had three professions of faith in our regular services and one baptized. We are to have another baptism this coming Sunday.

Our Sunday School has been up this month with a lot of new people coming and each Sunday night our building is about

Homer Crain

filled to capacity. Already we need a larger building.

We have been witnessing to the Judge and his family and this past Wednesday night he came with his wife and daughter. Remember this family in prayer that the Lord might open their hearts to the gospel.

We also received a letter from the Land Rover Co. and they tell us the two Land Rovers have been shipped and should arrive in Peru between the 10th and 15th of Dec.

We have rented another house and after several days of working, painting, and cleaning up we finally moved in this past Monday and we are still trying to get things in order.

I am to be with Brother Del Mayfield in a Bible Conference the week of December 5th. Remember this meeting in prayer that God will meet with us again this year in a special way.

We now have a telephone—our number is 2016. You may call us any time.

We want to thank all of the people and churches that support the work of Baptist Faith Missions and make our ministry possible in this land of great need.

In Jesus Name,

Working To Get Permanent Visa . . . Studying Portuguese

By Richard Turner

Caixa Postal 227

November 15, 1971

Dear Brethren,
This month for me has not been a month of many activities and so I do not have much to report. Of course, we have attended the regular services of the 14th of December Baptist Church. There have been several professions of faith this month at the services of the church.

One thing I do have to report is that we have been working on trying to get our permanent visas. We have had several different tests made and now we are trying to get the health

Richard Turner

certificate. We made three trips last week and have to go back this Wednesday. I do hope that we will be successful this time. If you don't have patience when you get here you will soon learn to have it.

One of our Portuguese teachers that was coming to our house has not come this month. We hope that he will be able to start back the first of December.

We are making a little progress in our study of the language but not as much as we would like to. I am anxious to be able to preach.

We thank you for your prayers and support. We also hope you had a most wonderful Thanksgiving Conference.

Yours in Him,
Richard A. Turner

Reports On The Work In Iquitos And In Pucallpa . . . Souls Saved And Preachers Working . . . Conference Coming Up . . . Long River Trip Planned

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
November 18, 1971

Dear Brethren,
We are back in Pucallpa after a week in Iquitos. My wife went with me and we had a good time visiting with the brethren. They came in for special services at the 3rd Baptist Church, Iquitos, and a day of classes and services in the 4th Baptist Mission, Iquitos.

If you have never sat in a building with little ventilation, with a tin room, low ceiling, from 8 am to 1:00 p.m. and then eat Peruvian food with 50 or 60, under a red hot sun, and then preach at 2:00 p.m. as I did, you ought to try it. I thought how nice it would be to have some of that nice cool weather you are having. Three brethren came to the services from Maipuco Baptist Church, 4 days up the Marañon River. Pastor Marcial Izuiza came asking someone to come and baptize those who had made professions of faith there and ten more in another village. He is not ordained. We all agreed to go in March and help him, the Lord willing, and help the church ordain him. If the aluminum boat is finished by then we will go in it, if not then on a regular river boat, the Lord willing. Pastor Daniel Garcia reports 45 average attendance and 980 soles offering at the Third Church. Also a trip up the

Del Mayfield

Itaya River with 4 professions, visiting 5 places. Pastor Abram Gaima reported all the same at Santa Clara Church (formerly Mapa Cocha). Pastor Marcial Machuachi reports 63 average attendance and more than 1000 soles in tithes and offerings at Tamshiyacu. His mother is very ill. Pastor Pedro Yahuaricani reports good attendance at the Oheal church and at their missions at Santa Clara and Santa Rita. I am keeping Bro. Kissel informed about his work in Iquitos. Everything seems to be in good hands with all the brethren working. Here in Pucallpa the attendance is down to an average of 235 in S.S. Hope we can get it back up to 300 soon. Dec. 6-12 is the time for our annual Conference here. Pray for us. Bro. Abel reports his first profession at Libertad Mission in Arenal and a new family that has moved in to town now attending. Pastor Sauerina reports all well at the San Francisco Church. Pray for our Annual Conference which will be history by the time you read this. Also, pray for our school here, which ends Dec. 18. Our teachers have to be paid through March when the school begins again, the Lord willing. Those we want as teachers will continue and the others will go. We need more special offerings for the "Teachers in Pucallpa". Please pray and give as the Lord shall lead you. May the Lord bless each of you.

Yours by His grace,
Del Mayfield

Churches Visited In The Interest Of BFM . . . Getting Ready To Return To Peru

By James Kissel

Dear Brethren,
November 25, 1971
These have been days of rejoicing, being in one of the best Thanksgiving Conferences, ever, in Detroit. It is always a great time to hear the messages of God's word and to fellowship with our brethren.

Since last writing, we have visited the following churches; Home Baptist Church of Mt. Morris, Michigan, Bro. Don Titus, Pastor. Liberty Baptist Church of Flint, Mich. Bro. Hooker, Pastor. New Hope Baptist Church, Mt. Morris, Mich., Bro. Lee Hammel, Pastor. We spent a week with the Bible Baptist Church of Harrisburg, Ill., Bro. Art Donley, Pastor. We were with Morgan Avenue Baptist Church of Evansville, Ind., Bro. Paul Hatcher, Pastor. We also visited with Beech Grove Baptist,

James Kissel

Lancaster, Ky., Bro. Bobby Green, Pastor, and Logana Baptist Church, Bro. Lloyd, Pastor. Then we were with Bro. Galloway and the First Baptist Church of Siloam, Ky. We returned to Michigan and preached at 12-Ryan Baptist Church, Bro. H.H. Overbey, Pastor. We want to thank each of the Pastors and each individual member of these churches for your kindness to us and for the wonderful time of fellowship and time to worship the Lord together.

We have had news that the work is going well in Iquitos and that souls have been saved, in the different churches. We have some good brethren there that are carrying on the work until we can return. The Lord willing, we will be visiting and getting things in order this month, so we can return to Peru, the first part of January. May the Lord bless each one, is our prayer.

Yours in Him,
James Kissel

Mrs. Lauerman Improving In Health . . . Hope To Go To Honduras Early In 1972, The Lord Willing

By Walter Lauerman

1012 Balsam Drive
Lexington, Ky.
November 20, 1971

Dear Brethren,
I did not make the short trip to Honduras this month as my wife had a few setbacks physically but is fine now again and the best since her operation. Also, I now have a resident application for visa to Honduras and as soon as my wife's health will permit her to leave we can go on to Honduras with all the children that are going back (3) and will not have to wait until all is completed on the visa. We can go on a tourist visa and live and start work there while all the papers are being transacted. The doctor says

Walter Lauerman

We ought to be on our way shortly after the first of 1972. Continue to pray with us about this. The Lord has just opened up all step

by step just when it seemed we needed each step and we praise Him for it. We are so thrilled about it all and especially how God led us every way up to this point and opened up all.

Our youngest daughter, Kathy was saved in our home this past month and we have another blessing of the Lord. All of our immediate family now is saved. I preached from Nov. 7th to 14th for the Faith Baptist Church, Wauseon, Ohio, Bill Oakley, pastor. We thank God for this time of blessings and fellowship and thank the Lord for the church and all its members in particular. We thank God for all the work of the other missionaries that we read about in the MISSION SHEETS. We are looking forward to the conference in Warren, Mich. and the time of fellowship. We always thank God for you all.

By His Grace,
Walter F. Lauerman

P.S. We plan to go and work in the city of Tegucigalpa, Honduras. Look it up.

Appreciation For Love, Sympathy And Memorial Offerings . . . Preaching, Teaching, Visiting And Praying . . . Avg. S.S. 176 . . . Five Professions Of Faith

By Harold Bratcher

Manaus, Amazonas
November 16, 1971

Dear Brethren,
Once again we (the Bratcher family) express our thanks and appreciation to each one of you who have shown to us in any way your concern, love and sympathy for us. We thank each of you who have prayed for us. Likewise, we thank each of you who have written us. Also we thank the individuals and churches who have given memorial offerings to Baptist Faith Missions in memory of our deceased loved one. It will be three months tomorrow since the youngest member of our family, Joel Harold Bratcher went to be with the Lord.

Harold Bratcher

We have been able by the grace of God to continue our ministry with the 14th of December Baptist Church of Manaus, Amazonas, Brazil, South America. We have filled the days with preaching, teaching, visiting and praying. The attendance has remained high in all the services. The average attendance in Sunday School for October was 176. The attendance at night averaged a little higher. Five professions of faith and two were received into the fellowship of the church during these days. Thus we rejoice in the Lord.

We ask you to continue to pray for us to be strong in the Lord.

Mission Started . . . 33 Professions Of Faith . . . 17 Baptized . . . Bought 1953 Jeep

By Louie Carver

Sung Dong P.O. Box No. 2
267-9 Haingdang Dong
Sung Dong Ku
Seoul, Korea

Dear Brethren,
November 15, 1971
We had a busy month again this month. We were able to find a building to rent in a suburb of Seoul and have some benches made and have gotten the necessary items to start the mission. We had our first service in the mission Oct. 31 and our first service 170 children for S.S. and 75 teenagers and adults for preaching service.

Here the services are held separate. Last Sunday we had 185 children. Can you imagine, in a 78 sq. ft. building? We are having services Sunday a.m. and p.m. for children, teenagers, and adults, also Wednesday night worship and

Louie Carver

Saturday evening Young People's service. Every worship service thus far someone has been saved.

Yesterday I had the privilege of baptizing seventeen (17) of the thirty three (33) who have made professions of faith at the mission. I took pictures of the baptizing etc. but the film messed up, so I lost the entire roll of pictures.

I also had one street service with 110 people present and one man saved, and a service at a school where nine (9) teenage boys were saved. I also have an English Bible Study at our home on Friday evenings. Perhaps, I could get more done if it were not for school. Monday through Friday, Pam and I leave home about 7:30 a.m. and get back about 4:00 p.m. wornout. This language is something else.

I bought a 1953 jeep for about \$1,000.00. It has a lot to be desired. Pray for us and and some of you write us.

Boat Finished . . . Ready For Trips When Water Rises . . . Work Progressing In Church At Cruzeiro Do Sul

By Mike Creiglow

Cruzeiro do Sul, Acre

Dear Brethren,
November 12, 1971
My family and I are doing fine and prospering in the Lord's work. We hope that all of you are doing as well in your place of service.

The river started to do a weekly up and down routine this month, so I put a great deal of time into finishing my boat. Dad was around to advise and work a good while, so the work went quite well. We finished it last week and got the motor broken in with a few hours of running.

The church here, under the leadership of Pastor Jader, has decided to

Mike Creiglow

conduct a Bible conference here next year. The meeting will be similar to the one that Brother Jader and others attended at Tabernacle Baptist Church in Manaus. I was chosen as a committee member to help organize this endeavor. We have had two very good sessions already.

In the last business meeting at our church here I was chosen as Sunday School superintendent and teacher for the mens class. I thank the Lord for these good opportunities to teach and help.

Also, during this month I have had several opportunities to preach and teach on several doctrines and topics that I feel are very important to the work in our church. May the Lord bless you as He has us.

In Christ,
Mike Creiglow

Seventeen Graduated From High School . . . Eight Baptized . . . New Mission Building In The Interior . . . Launch Having Major Repairs

By John Hatcher

Manaus, Amazonas

Dear Brethren,
November 16, 1971
This is the month that our school year ends and so there is always a lot of action. There are 17 graduating from our High School, which is the largest class we have had. It is also in many ways the best class to finish. In fact, while I am writing this letter my wife, son David and daughter Kathy and the Senhor class are on a four or five day trip to the city of Parintins which is down stream from Manaus. This month Brother Julio Dantas, pastor of Peniel Baptist Church and teacher in the Seminary and High School, baptized eight young people, two of

John Hatcher

which were students of our school. One young lady comes from a strong Catholic home and not one of her family was present to see her baptized. Also, one of our finest teachers in the grade school was married to a Christian boy and has moved to Sao Paulo to live. In our church services there have been two professions of faith this month.

This month the Tabernacle finished building another mission building in the interior. This makes four missions with buildings that our church has built. Unfortunately, it seems that sometimes the preachers of these points are not as anxious to be as busy at the job as the church is ready and willing to help in the expenses. A large part of our time is used in preparing for our Seminary

classes, Sunday School class lessons, besides the sermons and prayer meeting messages and school classes.

Our launch has to have some major repairs, which are normal, after several years of use. To see after all this also gives us plenty to do. Even though the Conference will be over when this is read, it is on our mind now and we do hope that it will be mightily blessed of the Lord.

Our financial needs for the schools continue for the time being and we trust that the coming year will be better in this respect than this one. We are going to do all we can to reduce expenses even though we have not been loose with the money this year.

In Him,
John A. Hatcher

A Service Almost Every Night In The Month . . . Ten Professions Of Faith . . . Ten For Baptism . . . Six Excluded

By Dempsey Henderson

Brasil, S.A.

November 23, 1971

Dear Brethren,
In these few lines you will find our report for the past month. The Lord has given us a good month again, for which we praise His name.

Including our classes in the Bible Institute, church services in Olho Dagua, and two preaching points that we have in other places in the interior, we have had services somewhere almost every night again this month. The Lord blessed our work with 10 professions of faith and 10 additions for baptism. We have already baptized 3 and plan to baptize 7

Dempsey Henderson

more this afternoon. We also observed the Lord's Supper last Wednesday night, before which we had the sad duty of excluding 6 members for various sins against the Lord and His Church, and for refusing to repent and give glory to God.

Thus we concluded another month in the service of the Saviour, and thus we conclude this report; rejoicing in the mercies of our God, which are new every morning. We ate praying for the Thanksgiving Conference, which is in progress as we write this letter. May it please God to grant you the most glorious Conference ever. Thank you for your expressions of love in your offerings and prayers for us.

In Him,
Dempsey Henderson

Work Growing . . . High Of 90 . . . 8 Professions Of Faith . . . Preached For Crain In Tingo Maria . . . 2 Professions . . . Idol Paraded Through City

By Art Gibbs

Apartado 7

Huanuco, Peru

November 19, 1971

Dear Brethren,
The work here continues to grow. We had a high of over 90 this month and a total of 8 professions of faith. Three of these were made when Bro. Crain was yet here in a meeting concluded Oct. 23.

On Oct. 28 I went to Tingo to see about having benches made there since labor and materials are cheaper there. While in Tingo I preached 2 nights for Bro. Crain in which the Lord was pleased to bless. We are now looking forward to going back in the near future to preach in a weeks meeting. Bro. Crain already has a good work started in Tingo Maria.

Art Gibbs

All over Peru the opportunities are tremendous. There is a tremendous need for workers and funds to support them. Pray for us that the Lord will send us a worker to labor with us here in Huanuco.

The last week of Oct. the people of Huanuco paraded their idol through the streets. The city was decorated with purple and white flags and dyed sawdust formed a walkway in all the streets where they paraded. Their idol wore a rosary to help his wooden head remember how to pray. They kept setting off explosives. It seems they somehow equate noise with the Holy Spirit. It seems they have never read "be still and know that I am God". We find great comfort in that the gospel is sufficiently powerful to save even these.

Yours in HIM,
Bro. Art Gibbs

November 15, 1971

Dear Brethren,
We had twelve professions of faith at Pindai where our church now has a mission. Five made professions before the meeting and seven during the meeting we had this month. Sunday, Nov. 14 we had five professions of faith at a street meeting near the church. Bro. Jose told me they had had two professions of faith at Sintrina, another preaching point of our church. I plan a meeting there this month.

I made a trip with Bro. Antonio Carlos deep into the interior. We rode a bus for an hour and a half, crossed the river in a canoe, rode a jeep for an hour, walked for two and a half hours, and finally came to a village where we preached to about twelve people that live there, (all from the village were present). We slept that night and walked for an hour with our bags and left them in a house along the trail and went to Tabaco, another preaching point, we visited with all the believers

George Bean

that live there and had prayer with them. We walked back to where we had left our bags and then walked to another village and had services in the school house with one man making a profession of faith. We slept in a home and then early next morning we walked to another village for services in the school house that night with one profession of faith. We slept in the man's home that made the profession and were up at 4 a.m. to walk to the road to catch the bus to ride to the river. We then crossed the river and caught the Express bus for Sao Luis. We had visited four preaching points, with many new contacts made and many people receiving the printed word, as well as hearing the preached Word. The thing I noticed about the trip was the 40 miles we walked and the food. We ate sardines and rice with farinha for three days. Believe me, there was nothing else to eat. To God be all the glory.

We wish all a very happy holiday season and a happy new year. Good-bye until next time and may God bless all.

Yours In Him,
George Bean
