It has an aluminum body, six cylinder engine, four wheel drive, large diameter wheels to go in deep ruts. This vehicle is paid for by the following special offerings: Twelve-Ryan Baptist Church, Warren, Michigan \$2,960.00; Grace Baptist Church, Warren, Michigan \$500.00; Faith Baptist Church, Pucallpa, Peru (By Art Givvs) \$331.00. Geneva Clark, March 1, 1898 - February 8, 1972

Mrs. Z. E. Clark died in Evansville, Indiana, Tuesday February 8, 1972. Wife of our beloved Z. E. Clark, director of Baptist Faith Missions, and for 25 years treasurer of the mission. Paul Hatcher, her pastor, preached the funeral sermon. She was buried in Marion, Kentucky. Those desiring to give "MEMORIAL OFFERINGS", make your check payable to Baptist Faith Missions and mark "in Memory of Geneva Clark" and mail to James L. Hamilton, P.O. Box 8007, Lexington, Ky. 40503. May great grace be upon Brother Clark and the other bereaved.

Needs For Hatcher Pickup Truck Promised

Terry W. Leach, Minister of Music & Youth, Ashland Avenue Baptist Church, Ross Range, Pastor, Lexington, Kentucky, has advised that the Youth Department, of Juniors, Jr. High, Sr. High and Single adults, met and set department and class goals to take care of buying the Pickup Truck for John Hatcher to use in his mission work in Manaus, Brazil. The total goal set is \$4,160.00, to be given so much each week for six months. The excess over the amount to pay for the truck will be used as a start on their next mission project. To God be all the glory and praise. It is wonderful how the Lord leads to take care of all the needs, in His own time, one by one. We hope this will be an incentive to others to give to take care of other needs. Brother Leach has visited, and seen the mission work of Baptist Faith Missions in Brazil and Peru. There is no greater mission work on earth.

House And Two Cars Needed By July

The Harold Bratchers, George Beans, Homer Crains and Art Gibbs families are due home for furloughs in July. The Bratchers and Beans for one year. The Crains and Gibbs for six months. As of now we have houses for the Bratchers, Beans and Gibbs to live in rent free while home. We have cars for the Bratchers and Be ans to use. We now need a house for the Crains to live in, and cars for the Crains and Gibbs to use. Who will furnish a house for the Crains to live in for six months? Who will furnish cars for the Gibbs and Crains to use for six months? Good used cars are acceptable.

Turner Preaches First Sermon In Portuguese . . . Three Days Of Carnival Preparing For Lent

By Richard Turner

Caixa Postal 227 Manaus, Amazonas Brazil, S. America February 15, 1972

Dear Brethren, Greetings in the precious name of Jesus. This month has been one of accompishment for me. By the Lord's marvelous grace

I preached my first sermon in Portuguese, Sunday night January 23, 1972. I consider it a great privilege and honor to preach the gospel of grace in another language other than my own. My subject was Justification. I'm hoping to preach again soon. I thank God for each of you supporting me and making possible.

Richard Turner

This week is a big week here in Manaus. They have what they call "the Camival". This is the same thing they have in New Odeans, La. every year. The people dance and drink for three days. People are murdered and every other sin is committed in these days. This is to prepare the people for "the holy days of lent". Thank God that he has called out a people to himself here that does not partake of this mess.

Pray for us, Brethren. Yours in Him, Richard A. Turner

First Letter From Honduras . . . Hope To Have House First Of March . . . People Are Nice . . . Many Opportunities

Apartado No. 1218 Tegucigalpa, Honduras Dear Brethren, February 13, 1972 Our first letter from Honduras. We left

Lexington, Ky. on Jan. 31 and drove to New Orleans and stayed two days with Miss Marguerite Hallum. It was a big blessing to be in her home and talk about the work in Iquitos back from 1935.

arrived in Tegucigalpa, Honduras on Feb. 3. We are all doing well, even my wife are here where we for years wanted to be. We just thank God for it all and that we will not forget ever why we came here. So far all of us like it here so much but of course we miss the ones we left behind.

Walter Laverman

The need here is so great. There are over 275,000 people in and around close to Teguciagalpa. There are five American (Baptist) missionaries here and only 3 churches and 2 mission points. Pray with us that God will use us. You can readily see by the above that God was not wrong in leading us here to Tegucigalpa. The people are so nice to us here even in the public offices. I was amazed. We went to the Central Baptist this morning. They just stayed on and on talking to us. We have had many opportunities to witness for the Lord here even in the public offices, but we will not be happy until we have a place to start a mission work and then a church. Things are real high in price here so a building will cost at least \$150.00 if it is any kind at all.

We are living in a boarding house and hope to get a house by the end of the month and get some kind of a home life. We thank God for all of you that have prayed for us before coming here, we ask you to continue to pray that we will be used more for the Lord. We hope to get all our visa papers done this week so we can concentrate only on the work. May the Lord really bless you

January 24 the Gibbs family arrived
bright and early from Huanuco as Brother
Gibbs was to begin a weeks meeting here
with us that night. It really was a blessing
to have them with us and especially it was
a blessing to have Cindy

During the meeting we
had good crowds, good
interest, good singing
and preaching, with four
professions of faith.

professions of faith for Homer Croin
The real problem now is to get them baptized as about seventy five percent of the people here have never been legally married. I am sure that many of them will never be able to get married legally as they are so mixed up in their married life.

Because of more repair on the tent we were not able to have the tent meeting and Vacation Bible School as planned when Bother Gibbs was here, but, we plan to have another meeting and Vacation Bible

School the second week in March.

This is the rainy season here. Last Wednesday night it rained so hard that the people at church could not hear me preach with a loud speaker system. We have a tin roof on our building with out a ceiling, so, finally we sang until every one could not sing any more.

We also have suffered a set back with two of our most faithful men moving away to other cities to find work.

One of our most faithful women with 5 children carries her baby on her back and works as a cook for 15 soles per day, working 15 hours per day. This is about 35 cents per day to feed six people.

Last week I was so sick, I could hardly walk and finally had to go to bed for two days. Sunday I was up again and seem to be better.

Yesterday my wife came down with the

better.

Yesterday my wife came down with the same thing, a very sick stomach and headache that medicine will not touch. Last week she was waiting on me and now it is my turn to wait on her. I am sure that a couple days of test with medication will help her also. Tomorrow we plan to have another baptizing at the river. Pray for us.

A Month Of Hard Faithful Mission Work Away From Home . . . New Mission Started At Boca Do Acre

By Bobby Creiglow

Rio Branco, Acre February 15, 1972
On Jan. 18 I left the family in Cruzeiro do Sul while I took the plane to Rio Branco, my destination being Boca do Acre. I knew when I left home that the plane service from Rio Branco to Boca do Acre would be impossible due to the airport there not being in condition to use due to rain, so when I got to Rio Branco I found a boat that would be leaving in two days and I abought passage on it. I arrived in Boca do Acre Friday night late and Saturday morning early I was on my way, on foot,

Saturday morning early I was on my way, on foot, to Monte Verdo where Bobby Creiglow Bro. Eliziatio who had come from Manaus had been waiting for me for several days. We spent the week-end with the church there and then on Monday we returned to Boca do Acre where we spent the next six days renting a house, amking benches to open a new work there.

The next ten days we had services every night with 60 to 90 in services. After this we returned to Monte Verde to spend four

days with the church after which we returned to Boca do Acre for 4 more days of services. Although we visited much and good interest was shown each service I am sorry to report we did not have any professions of faithr Many expressed their desire for us to return

Many expressed their desire for us to rectain soon.

While in Monte Verdo Bro. Eliziario resigned as pastor of the church and the church asked me to take charge of the work until they called another pastor.

Due to the season and festivity of the devil this whole country has stopped everything to celebrate these few days. Even the airlines have stopped and for this reason we had to call on air taxi to bring us from Boca do Acre to Rio Branco where we are waiting for the airline to start again to take us home. During this month that I have been gone I have not had any word from the family; I trust that I will find them all well when I get there the day after tomorrow.

Tonight I am to preach the anniversary service of the Bosque Baptist Church here in Rio Branco.

They will be suprised when they come before the judgement seat.

June was chosen as teacher for grades one, two, three and four at the English speaking school of Sao Luis. It keeps her on toes but I think she kind of enjoys it and it also was her turn to fill in until the end of school in June.

We had one young lady 21 years old from our church, that in four short months after getting TB she went home to be with her Lord. I baptized her five years ago into the fellowship of the Villa Maranhao Church and after moving to the city she joined our church. I visited with her about four hours before she died and her faith was strong in the risen Lord.

Three Journeys Up The Jurua River . . . First Time To Baptize . . . Fourteen Baptized In Three **Places**

By Mike Creiglow

Cruzeiro do Sul, Acre
Dear Brethren, February 14, 1972
We greet you with thankful hearts and hope that all of you have been blessed as much as we have.

My parents arrived from Manaus early last month. On the first weekend after their arrival Dad went to Colonia Rodrigues Alves with me. All the services were excellent and one soul was saved. The man who was saved is the husband to one of our Christian women. We thank God for another family united in Christ.

For the remainder of the month that has elapsed since my last leads of the month that has elapsed since my last leads of the month that has elapsed since my last leads the hours had a prosperous journey. On Sunday morning. There was a baptismal service went down 8 feet and it rained all the time, but these things did not impair the services. There were over 70 persons in church Sunday morning. There was a baptismal service on Sunday also. This was the first time for me to baptize anyone. The mud to the waist band on my pants, but the candidates were not discouraged. I baptized five.

The following week we went to visit the church at Parana dos Mouras in the village church at Parana dos Mouras in the village.

By Harold Bratcher

Dear Brethren,

The fifth Sunday of January the 14th of December Baptist Church once again observed "Membership Day." This we have done one Sunday in January each year for some 6 or 7 years now. On "Membership Day" the church roll is called at both services and a special offering received. Also a report is given to the church as to the number of members, etc. I share with you the report: Number of members on December 31, 1970-315.

Additions during 1971

By baptism-34, By letter-20, By restoration-2, Total 56. Losses during 1971: By letter-40, By restoration-7, By death-2, Total 15. Number of members on December 31, 1971-315. Number of members on December 31, 1971-315. Number of members on December 31, 1971-315. Number of members on December 31, 1971-316. Numb still under constitutions there that is still under constitution will be since the 25th of December all services have been held there. The building lacks the floor and the walls on both sides and the back. (It also lacks just a little of the roof). The front lacks the doors and windows. I'm hoping and praying that the building will soon be completed.

Friday we journeyed from 9 a.m. to 6 p.m. to arrive at a home in Andiroba (no villagejust houses scattered along the river banks). There we held services Friday night. Saturday aftermoon we arrived in Manaus. May the Lord bless you all.

New Car, A Hearse, Bus And Truck . . . With In Revival In Tingo Maria . . . Revival In Huanuco . Three Baptized . . . Making Tables

By Art Gibbs

Apartado 7

Apartado 7
Huanuco, Peru
Dear Brethren,
During the last month we have used our
new car as a hearse, a bus, and a truck.
January 24th, 4 a.m. all the family loaded
in the car headed for Tingo Maria where I
was privileged to preach a 6 day meeting for
Bro. Crain. Cindy played
sang as did her mother,
and the Lord was pleased
to give 4 professions of
faith. We enjoyed the
fellowship with the
Crain family although
Cindy and I were sick
with intestinal infections.
Sat. night Jan. 29
after the services we
headed back for Huanuco.
A landslide forced us to
spend the night on the
highway waiting for a bulldozer. We arrived
in Huanuco just in time for Sun. school.
Although quite sick I preached both
services with I profession in the a.m. and
2 in the p.m. The following Wed. we also

had 2 professions of faith. Finally Thursday unable to continue I went to the doctor who prescribed the needed medicine. A badly placed shot in the hip by the nurse left me crippled the rest of the week. The hip joint is still quite painful with certain movements.

Sunday p.m. February 6th, Bro. Isac Paredes (Bro. Mayfield's Ass't.) arrived to help me in a 6 day meeting. We were blessed with I profession of faith.

Sunday Feb. 13th, we loaded all the people in cars and went to the river where I baptized 3 who had professed Christ as Saviour.

Saviour.

Mon. Feb. 14th, 4 a.m. not being able to get a truck to haul our lumber from Tingo to Huanuco, I drove down to Tingo, picked up the lumber, and drove back to Huanuco that same night arriving here at 11 p.m. Lord willing we will get our tables made this week for the Vacation Bible School next week.

Thanks for the special offerings. May the Lord bless you all.

Bro. Art Gibbs

was sweeping and took the key out of the door and chased the boy away. He then proceeded to arrange things as he liked. No one could convince him to come out. This happened on Sunday afternoon. His own son went to try to get him out and he chased him off with a machete. On Wednesday he was still in the house and had thrown the table clothes out, broke up the pulpit and put it under the church building and piled up the benches to his own liking. His party was over on Thursday, however, when the Mission pastor took policemen to arrest him.

Our school classes begin once more on the first day of March. Day and night find us

trying to get everything ready. Building repaired, getting the faculty, planning schedules, buying supplies, besides seeing to boat repairs, preparing lessons, doing what printing can be done all makes for a busy schedule. Brother Julio Dantas has not been feeling well for the last month and if you remember, pray for him he does need your prayers.

if you remember, pray for him he does need your prayers.

On the 28th and 29th of February our churches are having a two day missionary conference in the interest of the mission work of our churches here. They have two brethren which they support. Here as there the missionary spirit had to be stimulated as many have not yet learned that it is more blessed to give than to receive. May the Lord bless each of you and especially as you help us by your prayers and support.

It hardly seems possible but we have been in Korea 6 months the 21st. Overall they have been good months but needless to say I cannot begin to communicate with the natives in their own language but Korean isn't picked up even in Language School as most others. Few Missionaries in Korea can preach in the native language.

This has been a good month overall; especially the weather. We have had; snow, ice, rain and just plain sloppy weather; and on top of that the Lunar New Year is still celebrated by most Koreans. They have Louis Corver more holidays and customs than Carter had Liver Pills. We had a prayer meeting at a members house and their Buddist neighbor began her Buddist worship outside. Good Report From All The Churches . . . Building A Church Building At Santa Rita On Nanay River .. Four Churches In Iquitos To Start 5th Mission Soon

Dear Brethren,

This has been a busy month, trying to get things fixed up and trying to straighten out problems that have arisen. The Lord has blessed in spite of the problems. We baptized one into the first church. The Pastors report good months also, with two saved in Tamshiyacu, one saved in Hojeal, two saved in Mopa Cocha and four baptized, five saved in Astoria, one baptized in the third church and five were baptized in a mission of the third church on the river Itaya.

river Itaya.

We are building a Jomes Kissel church building at Santa Rita, a mission of the first church, on the river Nanay. This means cutting everything out of the jungle, except the tin for the roof. The first church has bought that, as these people want a river Itaya.

building and are willing to work for it. The
Lord willing, we hope to have a church, in
this place before too long.

The city of Iquitos is full of strangers,
since the discovery of oil in the jungle near
here. With strangers, also comes much
stealing, since there are many companies,
drilling for oil. In one way it helps the
people, as there are many jobs, but it is a
disadvantage also, in that many members are
living for 3 months at a time, away from
their families and the church.

We now have four churches in the city of
Iquitos and the Lord willing, we plan to
start the 5th mission soon.

Our things are still in customs, since
we have not yet received all the necessary
papers to get them out. May the Lord richly
bless each one who has part in the work.
