CRUZEIRO DO SUL, ACRE, BRAZIL CONFERENCE. Listening to John Hatcher preach. Note the people standing outside the doors and windows and the side windows to the right. Large numbers to both the left and right not shown in the picture. This was truly a great Conference. The Creiglows have done a tremendous mission work here.

Special Thanksgiving Offerings

Please remember to pray and plan now for your Special Thanksgiving Offerings to Baptist Faith Missions. Giving a Special Thanksgiving Offering will not hurt your regular offerings. Instead it will increase them. The more you get your church to give for missions the more they will give for all other purposes. We have proved this over a period of 28½ years as a pastor of the same church.

Urgent Needs

First, foremost, and always, the greatest need is the "Regular" monthly offerings. From these the salaries of the missionaries are paid, and the many expenses in addition to their salaries, such as traveling expenses, on both water and land, which are large. For hospital and doctor bills, and for numerous other things as we pastors here in the U.S. have. After the Regular monthly expenses come many urgent "SPECIAL NEEDS".

1. Lauerman needs the funds to buy a lot and build a church building in Tegucigalpa, Honduras. All who have followed Lauerman's work know that from experience, the Lord willing, he will in time have churches organized in Honduras.
2. George Bean's church building in Sao Luis, Maranhao, Brazil. This building is built and in use, but we need \$4,315.83 to balance the account.
3. Homer Crain's church building in Tingo Maria, Peru. This building is built and in use, but we need \$4,298.28 to balance the account for lot and building.
4. Del Mayfield's building in Pucallpa, Peru. These buildings are also built and in use, but we need \$2,398.11 to balance the account.
5. James Kissel's Fifth Mission building in Iquitos, Peru. This is bought but we need \$1,200.00 to balance the account.
6. Art Gibbs needs a lot and building in Huanuco, Peru. He is using a rented building. A lot and buildings will cost many thousands of dollars in this place.
7. Cars needed. James Kissel needs a car. Harold Bratcher will need a new car when he returns to Brazil. The Jeep he has used is many years old and about worn out and he needs a new one.
8. Teachers in Brazil and Peru. We need increased regular offerings for these. Many other needs too numerous to mention.

A Project For Your Church Or Sunday School

Churches and Sunday Schools who want a special project that they can give to and watch it grow and see the fulfillment of it. Example: The Ashland Avenue Baptist Church Sunday School, decided on the project of raising the offerings to buy a Ford Pickup Truck for John Hatcher, and set about to raise \$4,000.00 and the most of it has been raised. Note the Urgent needs on this page and select one for your project and watch the fulfillment of it.

John Hatcher's Special Request

In the July issue of the MISSION SHEETS John Hatcher told about a large lot adjacent to the Tabernacle Baptist Church and school property in Manaus, Brazil. We have had our eye on this lot for many years hoping that someday we could buy it. When I was in Brazil recently I looked at this lot with Brother Hatcher and then went back to see it again before leaving Brazil. We have tried to pray earnestly that the Lord would enable us to get this lot if it be His will. May the Lord lead someone to give \$15,000.00 towards buying it. Great opportunity for a spiritual blessing.

In Storm While On The Amazon River . . . The Lord Protected . . . Five Baptized . . . Great Overflow Crowd At Santa Rita . . . Planning New Mission In Iquitos

By James Kissel

Dear Brethren, August 21, 1972

The months of July and August are supposed to be our summer, with little rain, but it has rained almost everyday, so the river is still high. Our attendance has been down, as it seems to rain for each service.

We had two young men saved and baptized and also a lady came for baptism, in this past month, in the First Church. We made a trip to Tamsayacu Church this month, at the invitation of the pastor. We left Iquitos at 7:30 a.m. and encountered the worst storm I have seen on the river. The waves came over the front of the boat. After this passed, I started going faster, as we had lost time due to the storm. One of our steering cables broke, lifting our boat into the air and it

came down on one side, taking water in as it came. Thank the Lord I had presence of mind to cut the motor, as I am sure we would all have drowned. The Lord still continues to watch over us. We arrived a little late but had a good service with a baptism service following, where I had the privilege of baptizing five. This church also had one profession of faith this month. We had the monthly fellowship meeting with our mission at Santa Rita with a great crowd. This is where we built a building since coming back to the field. We had 142 inside, with perhaps fifty outside that were unable to get in.

We plan to get all the papers fixed up this week, to buy the house in Iquitos that we wrote about, and are looking forward to starting this new work before very long. We believe this place will be growing in the

Dear Brethren,

This has been an exceptionally good month for us. It's not very often that we have visitors in our home. We were so happy that Bro. & Sister Joe Mabry and their daughter Shirley came to spend a few days with us. It was good having them in our home. The people here are always pleased when folks come to visit them. They seem to never forget, and remember you by name when they pray. While they were here we got to visit the work in Arenal, and also San Francisco. Even though we didn't get to have a service in San Francisco, they got to see the place and meet some of the people. We were also glad that Shirley got to stay a few more days, and left with Donna Rudnik, who spent enough time that everyone cried when she left. Our school kids really enjoyed her and we enjoyed her also and the great help she was to us and the work. It sure was lonesome around here after everyone left. We just wish that they'll want to come back and see us again. We also welcome you to come. We'll treat you so many ways, that you'll have to like some of them.

The 28th of July is a big day here (Independence Day). All the schools had to be in the big parade. This was the first year for our school and we hope will not be the last. We had a good representation for our school "Escuela Bautista" - Baptist School. In everything we do, we try to be a testimony for the Lord.

Our attendance has been good. We haven't had any additions, but we had two saved, and we have a family getting their papers in order to get married legally and then be baptized.

Visited Many Churches In Interest Of BFM . . . Son Ill With Hepatitis

By Homer Crain

Dear Brethren, Aug. 26, 1972
Since our last news letter we have traveled over six thousand miles, visiting the churches and telling about the work.

July 28, I preached at the monthly fellowship of the churches in the Detroit area. The meeting was in the New Hope Baptist Church of Dearborn, Mich. where Brother Harry Hillie is the pastor. I appreciate the opportunity that was given me by Brother Hillie to preach and tell of the work to the large number of pastors and churches present.

July 30, we had a wonderful day with Brother Arnold Leach and the Liberty Baptist Church of Toledo, Ohio. I preached Sunday morning and evening and after the evening service I showed the slides.

August 2 through August 10 we were in the Tennessee area visiting churches and the Clarksville Mission Conference. We had a great conference.

August 11, I showed the slides and told of the work at New Hope Baptist, Palmersville,

Homer Crain

Tenn. I preached at this church August 23. I appreciate the opportunity to have preached in this church where my wife's mother and father are members.

August 13, I preached for the Faith Baptist Church of Madison Heights, Mich. where Brother Roy Humble is the pastor. August 16, I preached for Dr. Ross Range at the Ashland Ave. Baptist Church of Lexington, Ky. It was a special blessing to be able to preach to a full house on Wednesday night.

August 18, I preached for Brother Al Gormley, pastor of the Bryan Station Baptist Church, Lexington, Ky. August 24, I preached for Brother Salmon, pastor of the Fellowship Baptist Church of Mayfield, Ky.

We have had some sickness since we came home. Michael came into contact with hepatitis somewhere before we left Peru and he has been a real sick boy. He was quarantined in my father-in-law's home for three weeks and still he has to have at least three weeks more of bed rest. Last Saturday we moved into our apartment and Elizabeth had a kidney stone attack.

Attendance On The Rise . . . Four Professions . . . Six Baptised . . . One Called To Preach . . . Need \$4000.00 To Buy Lot

By Walter Lauerman

Apartado Postal 1218
Tegucigalpa, Honduras
Aug. 15, 1972

Dear Brethren,
The Sunday School attendance this month in the Mission was 84, 65, 67, 53, and about 35 to 45 at nights. 2e have about \$110 saved toward buying a lot. Our offerings with mine run about \$75.00 a month of which we pay out \$62.50 for rent on the building. There were 4 professions of faith this month and 6 I baptized on July 23. My wife and I still do much visiting and I am out all day almost everyday, and now it seems to be paying off some. Besides having services on Sunday, Wednesday and Friday, I now have a doctrinal class on Tuesday night. I am doing this for our new converts and others that are interested. We want a sound work as well as numbers. Many are still interested and it just could be we have more soon. The devil, of course, is at work and many problems are always present in the work. One that I baptized is called to preach and seems very serious. He used to drink, fight, take drugs and do about everything else, I guess. We are now living 6 months in Honduras and surely the Lord has blessed and it seems a good sound work can be had here sooner than I even expected. The priest and the Holiness?? folks though keep after us all the time.

Walter Lauerman

Our biggest need now is a building. We cannot grow anymore in the building we are now renting. We would like to buy a nice lot here that costs \$4,000. We need it and badly right now as we are just bunched up terrible in that house. Please pray with us about this that the Lord would give us the money to buy that lot and then build a building for His glory.

May the Lord bless all of you as we work and pray together for HIM. The family sends their regards to all whom they know and for those they do not. Until next month then.

By His Grace,
Walter Lauerman

future and trust we will have a church there one day.

We are now trying to visit each church on the river, as we can, as I believe it is an encouragement to all the brethren. I have a young man in the First Church to fill in, which is a great help. Almost all of our churches have other missions, some having two different preaching points. We believe that most of our pastors, we now have, are really trying to do what the Lord would have them do.

We really enjoyed having the Joe Marbury's with us for a few days, and believe they were a blessing to the work. We hope others will come and see how the Lord has blessed. It would be a great encouragement to all.

James Kissel

Visiting Parents . . . Visiting Churches . . . Revival Meeting . . . Settled In Lexington, Ky. To End Of Furlough

By Harold Bratcher

Lexington, Kentucky
August 23, 1972

I wrote last month's Mission Sheet Letter at Route 1, Richmond, Ky., while we were visiting Mr. & Mrs. Sherman Moore, my wife's parents. On the Sunday we spent there, July 22, we attended services in the morning at Calvary Baptist Church, Richmond, where Brother Raymond Kays is pastor. Sunday night we attended and I preached at Newby Baptist Church, Route 1, Richmond, Bro. Kenneth Whitehouse is the pastor. On July 25th we drove from Lexington to Morganfield in my wife's uncle's car. Mr. Tom Bradshaw has graciously loaned us his car during these days. While visiting at my Dad's I preached on Sunday morning, July 30th at the Grove Center Baptist Church where my dad, Dr. C. S. Bratcher is pastor. Also, on August 6th I preached at the First Baptist Church, Morganfield. The church is at present without a pastor.

We attended the Missions Conference of the Bible Baptist Church, Clarksville, Tenn. Bro. Elton Wilson, Pastor. This conference began on Tuesday night, August 8, and closed Thursday night, August 10. I preached on Wednesday morning, the last morning message of that day.

Harold Bratcher

From August 13-20 we were the honored guests in the home of the Wayne Brickers in Tilden, Illinois. I served as the evangelist in an 8 day meeting at the First Baptist Church, Tilden, where Brother Brickner is the pastor. The Lord gave us a gracious revival with 1 profession of faith and three asking for baptism. The people were very kind to us in many ways.

On the 21st at about 9:00 p.m. we arrived in Lexington, Ky. at the Mission House, 1012 Balsam Drive, and helped us unload the car. Mrs. Overbey had supper ready for us.

The Lord willing, we will be living in Lexington, Ky. at the Mission House, 1012 Balsam Drive, until our furlough ends next July. We hope to have the telephone connected today. I'll conclude this letter with our complete address.

As you can see from this letter we are indebted to many of you for the many blessings we've received from the Lord since we've been back in the States. We pray the Lord's richest blessings to be upon all of you.

Yours In His Service,
Harold Bratcher

Aug. 18, 1972

Dear Brethren,
This month has flown by so fast that I doubt if I will be able to remember the things that I have done. July 16 we were with the Hollywood Baptist Church, Hollywood, Ala. Brother Don Jacobs the pastor. July 23, I started a 10 day meeting with the Bethlehem Baptist Church, Rising Fawn, Ga. Brother Ralph Long pastor. They gave us a good offering and also they are helping with our building fund.

August 6 I was with the Scottsboro Bible Center (Baptist) for the morning services, Scottsboro, Ala. Brother Larry Glass pastor. They are working with some of the poorer people in that section. August 8, 9, and 10 we were at the conference at Bible Baptist Church, Clarksville, Tenn. Brother Wilson pastor. August 13 we were with The Post Oak Baptist Church, Ringold, Ga. Brother Danny Sherlin pastor. August 16 we returned to the Bethlehem Baptist Church for prayer service. Their pastor preached a very good message. August

17 we moved to Lexington and are now living here until we return to Brasil. We arrived to find that Brother Jim Hamilton and family and many others have worked very hard to make the house we live in very nice and comfortable. Also, Brother Bill Hundley and the Fellowship Baptist have given the house for missionaries to live in.

We thank all from the bottom of our hearts that have had a part in this, may the Lord richly repay you for all your labors.

May the Lord bless us together in prayer, and good-bye until next time.

MAYFIELD (Continued from page 1)

The weather here has been the driest that we have ever seen. No rain to speak of for four months. The river is at its lowest peak. Several wells are going dry, and ours is getting lower every day.

The aluminum houseboat is coming along, but is a long way from being finished. We also will have to wait now until the river comes up to put it in the water. Pray with us about this.

May the Lord bless you all.
Yours by His Grace,
Del Mayfield

A Good Month . . . Several Souls Saved . . . Two Trips Into The Interior . . . A Touch Of Opposition

By Mike Creiglow

Cruzeiro do Sul, Acre

August 14, 1972

Dear Brethren,

I am glad to begin this letter to you by saying this has been a very good month in the Lord's work. Since the conference, there have been several souls saved and the saved added to the Church.

There have been ten or more souls saved in services in the past few weeks and there were twelve persons baptized one Sunday. Our church is growing steadily and we thank the Saviour for this.

I have made two journeys this month and am happy to report that both were blessed. Two weeks ago my family and I went to Villa Rodrigues Alves for several days. We had Bible studies each night. The Christians showed great interest and seemed to learn many things. The number of unbelievers in our services has dropped drastically. A priest has started going there each week visiting the "faithful" to make sure that none of them come to the Lord's services. With all we are thankful unto our Master and confident in Him for the future.

Last week I left the family at home and went to a new mission point upriver (35 miles) where there were already two Christians who had been saved here in Cruzeiro. The man, in whose home I stayed, has been

saved for four months, owns a farm on the river, and wants a permanent work in his village. I conducted services four nights and four more souls were saved.

Brother Antonio and his wife are a young couple who have three small children. His wife was, as he had been for many years, a very strong Roman Catholic. After her husband was saved she began to see the incongruities of her church. She was saved during our second service, as well as her sister. It was wonderful to see the joy in their home. On the following night a son and daughter to their neighbor, who had been saved previously, accepted Christ. Unfortunately the wife and mother of this home is of the Pentecostal Church and has already been a thorn to the others. During the day time these new Christians and I studied the Scriptures. It is great to see their thirst for truth and their quickness to learn. On my last day there I baptized five of these new believers.

There was a touch of opposition though. Some young people were sent to disturb our services on the last night and there were even rumors that someone was going to get a beating. The Lord protected though and the service was not hindered.

Pray for all of this work. Perhaps some of you will be able to experience these things some day, too.

In Christ,
Mike Creiglow

Pastoring Bratcher's Church While He Is On Furlough . . . In Language School 3 Hours Each Day . . . Services In Hospital And Leprosarium

By Richard Turner

Aug. 15, 1972

Dear Brethren,

Greetings in the blessed name of the Lord again from Brazil.

Nearly four weeks have passed since the writing of my last Mission Sheet letter. In these past four weeks I have been trying to get settled down to pastoring again. In the services of the church we have been having good crowds in each service. There have been no visible results in any of the services.

After being out of language school for a month I am going again. I've been back in class for 2 weeks, the first week only an hour each day, the second

week 2 hours a day and starting this week I am having 3 hours a day again. This learning a new language is no easy task. Pray for me that I might make more progress in my study in order to be used more in the service of the Lord.

Besides the regular services in the church we held services at the hospital that I have written about before. There were about 30 patients and all came to the service. We had a service for the men and a service for the women. There are some believers among the patients. Also, we had services at the Leprosy hospital the next Sunday.

Yours In Him,
