Your Will

A Detroit, Michigan paper tells of a woman who left an estate of \$2,000,000.00. She willed \$500,000.00 to the Episcopal Church, \$500,000.00 to the Detroit Institute of Arts and \$200,000.00 to several other causes. Now is a good time to make your WILL and remember Baptist Faith Missions, Warren, Michigan. Have a lawyer draw up your will so that it will be legal in every way.

A Project For Your Church

The Missionaries are asked from time to time about their SPECIAL NEEDS. Some pastors and churches like to have their own SPECIAL PROJECT for their church or Sunday School. Example: Terry Leach Minister of Music and Youth of Ashland Avenue Baptist Church, led the Youth Department of the Sunday School in a project to raise the funds to buy a Ford Pickup Truck for John Hatcher to use in Manaus, Brazil. This Youth Department over a period of about six months raised and gave \$4,100.00. Why not select one of the URGENT NEEDS listed here for a PROJECT and watch it grow? It will create an interest in Missions and bring a blessing.

Urgent Special Needs For A Project

1. A lot and building in Tegucigalpa, Honduras for Walter Lauerman.
2. A lot and building in Seoul, Korea for Louie Carver.
3. A lot and building in Huanuco, Peru for Art Gibbs.
4. A lot and building in Iquitos, Peru for James Kissel, for FIFTH MISSION.
5. To finish paying for George Bean's Church Building, Sao Luis, Brazil.
6. To finish paying for Homer Crain's Church Building, Tingo Maria, Peru.
7. To finish paying for Del Mayfield's lots and buildings, Pucallpa, Peru.
8. For several lots and buildings in new suburbs of Manaus, Brazil, for John Hatcher's missions.

NOTE: These lots and buildings are not given to the Native Churches as an outright gift. They use them and when they pay for them they will be deeded to them, then they will appreciate them and take an interest in them. Select your project and let us know.

The mission launch at anchor, Manaus, Brazil. With John Hatcher as captain, pilot and mechanic, we traveled up the Amazon River 300 miles to Codajaz and crossed over to an island for Saturday night and Sunday services in the 25th of December Baptist Church.

Building A Sound Work . . . Young Preacher Progressing . . . Need Funds To Buy Lot Now . . . 46th Birthday

By Walter Lauerman

Tegucigalpa, Honduras
Apartado Postal 1218
October 16, 1972

Dear Brethren,
Despite another cool and very rainy month we had a very good month. Two professions of faith, one for baptism, about a full house in all night services, and 52, 65, 67 and 71 in S.S. One night it rained

all evening and we still had a good crowd as we are trying to teach these people here as in Peru, one has to serve the Lord whether it rains or shines. I have had 2 hour classes, with the young man we have that is called to preach for 2 months but now he is working all the time and we only have a class on Saturday. He has a long way to go but we all do. We now have prayer service on Friday nights and all our saved ones come. Our daughter Mary is doing real good with the services and it is a help to have music. I pray that the Lord will give us 10 more like the 6 we now have and I think in time we would have a real good sound church. The young preacher and I have been visiting also a small village from here that is about 2 miles walk. We have done it twice hoping one day the Lord could open us something there for him. He teaches S.S. adults now.

Walter Lauerman

I have looked at a smaller lot that costs only \$2,500.00. It is probably best for us to get this one instead of having to wait for the big expensive one. After all one has to think some for the present instead of for the future. We need a bigger house now and the larger lot would mean \$2,000.00 in fencing alone. We pray that you all there would pray with us about how we can get this smaller lot. The bank here may give me the money for the building if I have the lot paid for. The house we are in now is just too small to grow and leaks terrible and the owner will not fix it. We thank all you for your prayers and may the Lord bless you always. The

family is all well at this writing and send greetings.

By His Grace,
Walter F. Lauerman

Baby Son Born In Manaus Brazil . . . House Robbed . . . Church Going Well

By Richard Turner

Caixa Postal 227
Manaus, Amazonas
Brazil, S. America
October 16, 1972

Dear Brethren,
Greetings again in the Name that is above every name.

Since the writing of the last Mission Sheet letter the Lord has blessed our home with a new baby boy. He was born September 20th. He weighed 8 lbs. and 1 oz. We named him Jonathan Daniel. He is doing fine and Mrs. Turner is also doing fine.

I must share with you how the Lord answered our prayers. For the last six months the baby had been in the wrong position to be born. In the last weeks the baby turned and was in the right position to be born. We believe that the Lord heard

Richard Turner

our prayers and caused the baby to turn and stay right for the birth. We thank those who knew of this problem and prayed with us that the Lord's will be done.

One day last week a man entered our house and stole some money. He got away with about \$22.00. If Kimberly and the girl that works for us had not surprised him he would have taken more. He fled out the back door dropping money as he went. Kimberly ran right behind him picking up what he dropped. The girl that works for us was very much shook up.

The church is doing pretty good. The crowds have dropped this month but we have averaged about 144 in Sunday School and the night crowds about the same. Last night we had a special blessing when a 15 year old boy professed faith in the Lord Jesus Christ.

We thank each one for your support and your prayers.

Yours in Him,
Richard A. Turner

Another Good Month . . . 170 In Attendance . . . Open Air Services

By Mike Creiglow

Cruzeiro do Sul, Acre
October 9, 1972

Dear Brethren,
We have all enjoyed another month of blessings and health in the Saviour's service. Most of you could probably write a more interesting letter than mine this month, since I have been just pastoring Faith Baptist Church in the absence of the true pastor. Many who read the Mission Sheets are pastors and many others are church members and consequently this letter will sound like down home.

Attendance has been average this month, about 170 in both services on Sundays and less on Wednesdays. There were two saved and both baptized during the

Mike Creiglow

month. The Lord has continued to save and add to His church here.

We have had some open air services in different parts of the city. I have done some visiting of the sick and unfortunately I have had to visit some less than faithful members. There have been good results in most cases though, so we thank God.

The young people and I have been having some lessons on how to conduct a business meeting. In some of their projects they are a little like their teacher, lazy; but most of the time they are quite enthusiastic.

The Lord has blessed our home as always. We are all feeling fine and having a good time in the work.

May God bless you all as much as He blesses us. Thank you for your prayer and support.

In Christ,
Mike Creiglow

Preached 27 Times In 28 Days . . . Two Conferences And Many Churches

By Homer Crain

Apartment 101
Taylor, Michigan 48180

Oct. 26, 1972

Dear Brethren,
I have been real busy this month visiting and preaching in the supporting churches. I have preached 27 times already this month and I still have another church to visit before the month is over.

I have preached in the following churches and told of the work of BFM.

Faith Baptist Church, Madison Heights, Mich., Bro. Roy Humble, pastor. Storms Creek Baptist Church, Ironton, Ohio, Brother James Orrick pastor. Lookout Baptist Church, Lookout, W. Va. Brother Don Fortner, pastor in a Bible Conference. Newby Baptist Church, Richmond, Ky. Brother Kenneth Whitehouse pastor. I was with this church for a five day meeting. Bryan Station Baptist Church, Lexington, Ky. Brother Alford Gormley pastor. I was with Bryan Station for ten days and we had a wonderful meeting,

Homer Crain

several people were saved, God really blessed.

Hillcrest Baptist Church, Winston Salem, N. C. Brother E. W. Parks pastor. Brethren Bratcher, Bean, Gibbs and myself were with this church October 20-22 and we all were blessed of the Lord as we preached and told of the work of BFM. Brother Parks put us all up in his home and we had a wonderful time with his wonderful family.

October 24th was a special day for me and my wife, as we celebrated our 23rd wedding anniversary. I was thankful to have arrived back home on our anniversary day, after being away for 25 days.

I appreciate all that has been done for me and my family since I have been home. Especially are we thankful to our home church, the Gethsemane Baptist Church of Taylor, Michigan and to our pastor Brother George Lock for providing a good car to use while home. Also, this month they started giving us \$100.00 a month toward the rent on our house.

To all who have had us in your churches and homes, we are so thankful to have had the opportunity to preach and tell of the work.

In Jesus Name,
Homer Crain

Souls Saved In Several Churches . . . Revival On At First Church . . . To Visit Church At Maipuco In Far Interior

By James Kissel

Dear Brethren,
October 20, 1972
In just a few more days it will be time for the Thanksgiving Conference and our prayers are that it will be one of the greatest, for the honor and glory of God.

Our hearts were saddened by the death of Sister Jones, Traverse City, Mich. and pray God will comfort and strengthen the family.

The Lord has continued to bless His word, with souls being saved in the different churches. The church at Astoria reports eight saved with six baptized. Also there were six saved at a mission of this church. Tamshayacu reports one saved and two being baptized. This week we are having a meeting in the First Church with a different native pastor preaching each night. We have had two saved, so far. We have had wonderful services and a full house, but due to one of the pastors being

James Kissel

angry, it may hurt some. He is one that has decided he wants to be the boss of all, so we may have one less preacher before long.

We plan to leave on a trip, this next week, for Maipuco, which is about three hundred miles up river and perhaps will be there about a week. We are looking forward to a great time with this church, as no missionary has ever visited this place. This work was started by the pastor of Tamshayacu Church, who does a wonderful mission work, as do most of our native pastors. From all reports this church is growing, with many souls being saved, but I am sure they lack much teaching, as this is a very remote place.

We plan to begin paper work for land and plan to build a small building for the 5th church of Iquitos, Peru. We wish to thank those who gave toward this very needy cause. There are hundreds, yes thousands in this city who have never heard the gospel. May the Lord bless.

Yours in Him,
James Kissel

Hot Weather . . . Two Men Burned To Death But What A Difference In Eternity . . . Six Men In Seminary

By John Hatcher

Caixa Postal 227
Manaus, Amazonas
October 17, 1972

Dear Brethren,
Greetings from the land where, if it is not always wet, it is always hot. This past month there have been few days, if any, that the temperature inside our house has not reached 94 and 96 degrees. You can imagine what it is in the sun. Our hearts were saddened this month by the death of a young man who had just united with our church by letter. He had been baptized a few years ago when the Pirapitinga Baptist Church was organized. He was employed by the new steel plant here and with three other persons were painting the interior of a water tank. Sparks from an electric short fell into gasoline and burned three alive. The two that died first were buried about ten feet apart but my, what a difference between them for all eternity! The other man was put into the

John Hatcher

grave and after the grave was filled it was covered with lighted candles to light the man's soul in his eternal journey. People not only light candles to help the dead but mainly because they believe that it is a good work that will benefit their own standing before the Lord. The Bible calls it a dead work. Before our brother was buried we sang hymns and read the scriptures. I brought a short message on the resurrection and how God by the resurrection of Jesus Christ has provided a sure hope for all those who will believe.

Our seminary classes are going well with eleven enrolled. Six are men and five women. Two of the men are already ordained preachers, one other has a mission point out of the Beautiful Garden Baptist Church and the other three are active in the churches where they are members. Pray that God will raise up faithful preachers. This is our greatest need. May the Lord bless you each as you participate in this work. Do not forget to go to the Missionary Conference in November!

In Him,
John Hatcher

Last Minute Preparations For Three Months Furlough Trip Home

By Del Mayfield

Pucallpa, Peru S.A.
October 12, 1972

Dear Brethren,
This month has been one of preparation trying to get all in order to leave. Workers to be paid, teachers, and all the paper work for the school. Our next letter we'll give you a report and news of our trip home. We're really looking forward to it.

Del Mayfield

The church here called Brother Roger Guevara as pastor, during our absence. Brother Guevara is a member of the San Francisco Baptist Church, a faithful member and teacher there. I'm

sure Brother Saurino the pastor there, will miss the help and service of Brother Roger. Pray for our brethren here as they labor for the Lord.

Looking forward to seeing you all at the Thanksgiving Conference, and hope to visit as many churches as possible. I'll give you our home address so you can contact us if you would like us to come and visit your church. May the Lord Bless you all.

A True Baptist Versus A Baptist By Name Only . . . A Priest Tries To Get Owner To Take Building Away

By Bobby Creiglow

Cruzeiro do Sul, Acre
October 16, 1972

Dear Brethren,
A few days after I returned from my last trip to the Boca do Acre I had a visit from an American missionary that works in a small city down river and since his work for the most part is of the secular nature he asked me why I did not come there to

Bobby Creiglow

Erunepe to carry on the work he had started to organize a church. He told me that there were already several believers and that the field was white unto harvest. I told him that I had been praying for about a year that the Lord would give us a work there and that I would be more than glad to come and look the field over but there was one thing that I wanted him to know and that was that I am a Baptist by conviction, to which he said there would be no problem. After two or three more visits to see me, one day he said to me, "Say tell me, what is a Baptist by conviction?" After two hours or more explaining what I believed about the church, baptism and the Lord's supper he told me that he had been a Baptist for many years and had never heard of the things I had told him, the same things that Baptists have said they believed down through the years, and that he would have to chew on them for a

while, so he left with the date set for Sept. 24 for me to go there.

The plane was a day late so I arrived on Sept. 25 just as he was about to get into his mission's plane to go on a short trip. When he saw me get off the plane he came over and said, "I guess you did not get my letter" and I saw that I was wanted just about as much as a case of the flu. A few nights later after another long discussion on the same subject it was decided that he would remain a nominal Baptist and I would be a Baptist by conviction and that the two could not co-exist in the same work.

I rented a club house in which to have services but due to the time that I got there, it was right in time of a Catholic festivity in which drunkenness and immorality takes control I decided to wait until it was over before I started services. In the meantime I caught a cold until I could not talk without coughing and since I had to do the singing, the praying and the preaching I had to wait a few more days. I only had five services while I was there with from thirty to one hundred in services and no professions of faith. Perhaps I will return there after my next trip to the Boca do Acre. I did at least get the devil stirred up while I was there as the priest that tried to have me stoned in 1963 has been transferred to there and he tried to get the man from whom I had rented the clubhouse to throw me out, but it did not work.

In Him,
B. D. Creiglow

Four Baptized This Month . . . To Organize A Church October 29th . . . 6,000,000 People In Seoul, Korea

By Louie Carver

251-14 Yunhi-Dong
Sudaemoon Ku
Seoul 120 Korea
October 16, 1972

Dear Brethren,
This has been another busy but rather slow month. Our attendance is in a bit of a slump; one reason some of the youth who left with the former interpreter are about as stable as water and too one of our most faithful and influential ladies moved away.

We've had only one saved, and baptized four this month. One young man I had dunked before, believing him to be a true believer according to his testimony recently came forward after I had preached a straight forward message on the Local Church and said he has been saved about two months after I had baptized (dunked) him before. Some of you may not know of our problems here especially on bap-

Louie Carver

tism, but the Korean Bible uses a word which means to baptize by immersion. Baptists and especially true Baptists are odd-balls in Korea. Even the church name "Baptist" in Korean language means "Immersion Church".

The Lord willing we plan to organize into a local church October 29, which will be exactly one year from our beginning. I'm trying to teach the people but it's really going to be a slow process, especially having to do so through an interpreter.

Please be much in prayer in regards to the plot of ground and a building which I mentioned last month; this is a desperate need and if we can't get it soon the price will be much higher.

May God richly bless in the coming Bible Conference; maybe He will be pleased to use it to call another family to Korea. The population of Seoul alone has now reached some 6,000,000 people and little true Baptist work.

Yours in His Service,
The Louie Carvers

Louie Carver and two he baptized in Seoul, Korea. The man was rebaptized because he got saved after the first baptizing. Bro. Carver does not approve of the slacks on the woman, but it is the custom in Korea. Making more Baptists in Korea.

This couple got married in the First Baptist Church, Iquitos, Peru. Note the Bibles in their hands.

Del Mayfield with five he baptized in Pucallpa, Peru. Making more Baptists in Peru.
