Carver Organizes Church In Korea

The pickup truck bought for John Hatcher to use in Manaus, Brazil. It is used as a car, to haul supplies as seen in this picture and to haul young people as seen in the picture to the right. David Hatcher is standing at the rear of the truck. I got to ride in this many times while in Manaus.

Several gave to start the fund to buy this truck, then Terry Leach led the youth of Ashland Avenue Baptist Church to take this on as a project. They raised a total of \$4,100.00 to finish paying for the truck and the balance to go for another project. So this project is completed. Thanks to Ashland Avenue Youth and all others who gave.

Thanksgiving Offerings For Next Year

Now is a good time to begin to pray and plan for your Thanksgiving offering for 1973. Some churches start now to give towards this each week throughout the year and then take a special offering at Thanksgiving time. Join in with the others on this and get a special blessing.

Airplane Passage

The Del Mayfields, Homer Crains and Art Gibbs families will be returned to Peru within the next two months and we need the funds for airplane tickets. The Harold Bratcher and George Bean families will be returning to Brazil in July and we need the funds for airplane tickets. Maybe your church will pay the tickets for one of these families, or help on it. Give and mark your offering accordingly.

EDITOR'S NOTE: We did not receive a letter from Mike Creiglow for this issue.

BULLETIN:

Brother Bill Hundley, pastor of Fellowship Baptist Church, Lexington, Ky., died Saturday, December 2, 1972. Details next issue.

Dear Brethren, November 16, 1972

Another busy month has zipped by and overall God has blessed us. We were privileged to organize the mission into a local Baptist church October 29, 1972, which was one year from the time we held our first service. We chose to call the church the "Shin Nae Baptist Church" the area of the church being "Shin Nae Dong". We were organized by the authority of our mother church (Bentley Memorial Baptist Church; Lexington, Kentucky) with seventy-six (76) charter members. The church extended me a unanimous call as pastor and I accepted the call. Be much in prayer for this new church for there are several Bible Doctrines we stand for that not another church in Korea, to my knowledge, stands for.

Louie Carver

Our attendance has been fair with an average attendance in the Sunday a.m. services

of approximately 110; with visitors for almost all the services. The Lord has also blessed with nine professions of faith this past month and one baptized with the others expressing a desire to be baptized. The former interpreter's mother, who was a member of the church but had caused me a lot of problems when I first fired her son; even went as far as having me to meet with her and a government official threatening suing me because I had fired her son; anyway, she died of cancer Nov. 10 and I preached her funeral Nov. 11. This lady had shown signs of repentance when I had visited her in the hospital a couple of months before she died.

As you've probably have already read; the constitution will probably be changed here the 21st of November and, as you probably already know, we have been under martial law here for about a month. Pray that all this is for the best of this country and to the glory of God. Do continue to pray with us about the lot we need and a building for the church and give if God so leads, please.

This has been a good month for us in the

Lord. He has given us blessings and victories. Oh, that He might help us to trust Him in the face of every enemy! Our high school has finished another year of work. All that is left to do is the grading of tests and the giving of final grades along with the graduation exercises. This year there has been a spiritual awakening among some of the students.

By this I mean that many have expressed a desire to know how to be saved. Here the people are all religious. If you ask them if they believe in God, if the Bible is God's Word, if Jesus is divine, if He died on the cross to save sinners—the answer will be in every case yes. Yet—along with all this they believe in the Virgin Mary and the saints and sacraments as helps to obtaining salvation. They have been religious all their lives and know they are not saved. They know they are not saved and they have heard

the gospel many times and so we wait for the Holy Spirit to call from darkness to light as He called Lazarus from death to life.

New educational laws make it necessary for us to revamp all our school regiment and planning so this is well under way and hopefully it will be done before the middle of December. Financially the schools have done better but the months of December and January are the toughest months due to the fact that the teachers' salaries go on and the student fees stop due to vacation time.

We hope to travel to several interior places during vacation months and also to open two new mission points if at all possible.

Brethren, pray with us that God will call labourers for the harvest. In one state, I was told, there are 20,000 towns and villages without a Baptist work. It is quite probable that this figure is some exaggerated but the fact remains that in one state with a population of 10,000,000, about 70% of which is rural, has thousands of places without Baptist work. Oh! for a thousand tongues dedicated to do the work of our Lord.

In Him,
John Hatcher

Dear Brethren, November 15, 1972

Since last writing we have had a week of meetings in the first church, with the native brethren doing the preaching. We had a good meeting, good preaching and good results. There were four saved and several coming back into the church. I baptized two.

I also made a trip to Maipucó about 300 miles up the Marañón River. This church was organized by one of the brethren, but no missionary had visited there until now. I flew in a small amphibious plane, as it takes about three weeks to go and return by boat. I spent a week there, with services each night. We had four professions of faith, four legally married, and I baptized five into the church. These people have labored to build their own building and have carried on the work without help from anyone.

I am sure that they lack much teaching but the pastor has been faithful and really worked at the job. He has an average attendance of 100, not counting the children. There are 28 baptized but many cannot be members until they are legally married. While visiting there, I ate many different kinds of food. We had wild pig, parrots and a red-headed woodpecker, which was not too bad. I arrived home in good health. I plan to return to this river, in a short time, to another village, to start a new work. There are so many places to work, but we lack workers and money to go to these places. Pray with us that the Lord will supply that which we stand in need of.

All the brethren report having good services but none saved this month. There has been much sickness in some places with many dying from some new disease. It is much like cholera.

May the Lord bless each one.
Yours in Him,
James Kissel

We had a good trip back to the USA, and believe that we left things in good order in Pucallpa. It is always hard to leave folk that you have learned to love and those that love us. Many of the folks came to the airport to see us off. The school gave us a going away

see us off. The school gave us a going away party the morning before we left in the afternoon. All the children brought fruit to school, and a special drink was made for us and cake and cookies. They also had a special program, many sang for us and cried while they did it. We have received letters saying that all is going well and we are glad.

Del Mayfield

It is good to be home and see our children, and grandchildren, all the others. We have visited some churches and looking forward to the Thanksgiving Conference and seeing many of you. If you would like for us to visit your church and tell of the blessings that have been

ours, we'll do our best. We're only going to be home a short while, and will not have time to get around to all the churches, but I'll try and get to every one possible. I've preached three times in the Peoples Baptist Church here in Alton, they are without pastor, also showed the slides of the work. We attended the fellowship meeting at the Bible Baptist Church at Springfield, Bro. Jim Hicks is pastor. I brought one of the messages, and enjoyed the good fellowship with Bro. Hicks and the people. Nov. 5 we were with the Pleasant Ridge Baptist Church, Lexington, Ky., Bro. Earl Thomas is pastor. That night Sunday the 5th we were with the Thompson Road Baptist, Bro. James Hamilton is pastor. Wed. night 8th we were with the Grace Baptist Church, Danville, Ky. Brother Kent Clark is pastor. 13th, 14th, and 15th we were with the Bryan Station Baptist Church, Bro. Alfred Gormley is pastor. We enjoyed being with these brethren and churches. Last night 15th we were with the Willow Hill Baptist Church, Willow Hill, Illinois Bro. Reynolds is pastor. We preached and showed the slides of the work. Thanks for the love showed us in these churches. May the Lord bless you all.

Yours by His grace
Del Mayfield

While I was in Manaus, Brazil I took the Bratcher, Hatcher, Turner, Jose Alves, Julio Dantes families and Francisco Santiago to dinner after the Sunday morning services. Twenty five in all as my guests. I am seated between the Bratchers and Hatchers as master of ceremony and Brother Bratcher was my interpreter.

Dear Brethren,

Since the date of the last Mission Sheet letter, I have preached in three different churches. On Sunday, October 22nd I was with the Logana Baptist Church of Nicholasville, Kentucky where Joe Lloyd is the pastor. On Sunday afternoon I not only showed my slides of the work in Brasil but got to see Brother Lloyd's slides of his recent trip to Israel.

From October 25th to November 4th I was the evangelist in a revival at the South

Next week we shall see, the Lord willing, many of you at the Thanksgiving Conference.

two weeks I had to cancel two appointments with two churches and pastors. Brother Morton and Brother Fenison please forgive me but I hope to visit you before I return to the mission field.

I want to say again that we are very thankful for the way that we have been received in your churches and the wonderful way the pastors have taken care of us.

We had a wonderful Thanksgiving Conference, and I personally want to thank the Grace Baptist Church and the Twelve-Ryan Baptist Church for a job well done. It seemed to me that all the preaching was telling us to be busy telling the wonderful news of the gospel. May we all be busy, telling it, living it, giving to it, defending it and obeying it.

Brother Mayfield brings me good news of the work in Tingo Maria. He tells me that the native preacher reported to him that they have 18 to baptize and that they have had 178 in Sunday School. Thank you Brother Mayfield this is really good news.

Brethren our time here is fast running out, pray for us as we try to get things ready to go back to the field.

Good Interesting Letter . . . Travel, Work, Teaching, Trying To Catch Up On Work . . . Good Attendance

By Bobby Creiglow

Cruzeiro do Sul, Acre

November 16, 1972

Dear Brethren,
After returning from Eirunepe I had planned to go back to the Boca do Acre within a few days, but some complications that were not expected arose and I am still in Cruzeiro do Sul.

Some time ago Mike got a notice that some of their papers for their permanent visa had been lost and that if they did not submit others within ninety days they would have to get out of the country, so after getting the papers they had only a few days left and soon after I got back from my trip he left for Sao Paulo to see if he could get the mess straightened out. Due to the lacking of several things here in Cruzeiro do Sul I could not buy a supply enough to last the women until Mike or I returned, so it will be at least another week before I can get away.

The church here has started to study the book of Romans in Sunday School and since Mike is gone they have asked me to have a

Bobby Creiglow

class for the teachers. In this class I make notes on the lesson and then teach the lesson to the teachers and we hope this will prove to be a blessing to the classes as well as the teachers.

Since I have not been able to travel I have been trying to get caught up on the odd jobs that need being done around the house and it seems that the more I do the more there is to do.

There are a few that have expressed their desire to study in the christian workers school that we closed a year ago due to lack of students. Mike and I have agreed that when we have enough to warrant a school we would have one and when we do not have we would drop it, so if the interest continues to grow we may reopen it again next March.

There have been some saved here in Cruzeiro do Sul and in the other churches this month and the attendance holds about the same with some Sundays going over two hundred here in Cruzeiro do Sul.

Don't forget to pray for us that we might be faithful to Him who is worthy of all honor and praise.

Dear Brethren,

Another month has passed and we are that much closer to eternity.

This month I preached at all the services of the 14th of December Baptist Church with the exception of one service. Brother Joao Ricardo preached. He is pastor of a church in the interior. Also, I preached in a service held near the home of one of the members of the church. There were 72 people present.

The church averaged about 140 in Sunday School this month. Sunday night crowds have been good.

Richard Turner

Almost in each service there are visitors and lost people.

I'm still studying Portuguese every day. I'm to have exams in about 4 weeks. I've got a lot of hard studying to do between now and then.

My wife and family are doing fine. Richie finished his first year of school in the Portuguese grade school last week.

Thank you for your prayers and support.

Busy Month Visiting Churches . . . Encouraging Letters From Work In Brazil

By George Bean

116 Paris Ave.
Lexington, Ky. 40505
Nov. 15, 1972

Dear Brethren,

Greetings in the name of Jesus and may the blessings from God the Father be upon each reader of the MS. We have enjoyed a busy month visiting the churches in the interest of the mission work in Sao Luis, Maranhao. God's people have been good to us in that they have provided us with places of stay and have given love offerings that have helped us with traveling expenses that we have in visiting from place to place.

I have been to the following churches this month. October 17 I started a three day meeting with the West End Baptist Mission, Perry St., Lexington, Ky., T. A. Preston is the pastor. Friday October 20 Brethren Gibbs, Crain, and Bratcher and myself went

George Bean

to Hillcrest Baptist Church, Winston-Salem, N.C. Brother Parks is the pastor we were there October 20-22. We were treated real good in the pastors home and the services were God sent as the power of God was manifested in all services. Wed. October 25 we were at the Winchester Baptist Church Winchester, Ohio. We ate supper with Mrs. Townsend, her husband Bro. Townsend who was the former pastor has gone to be with the Lord. Bro. Templeton is the present pastor. Sunday October 30 I was with the Myrtle Tree Baptist Church, Grayson, Ky. Bro. Brumfield is the pastor. Friday Nov. 3-5 I was with Grace Baptist Church, Georgetown, Ky. Brother DeRossit is the pastor, we had some real good services in this church.

We have had some encouraging letters from Sao Luis and the work there and all seems to be going along about normal.

May God bless each one and good bye until next time.

Yours by Grace,
George Bean

Highest S. S. Average Attendance . . . One Profession Of Faith . . . Some Move Away

By Walter Lauerma

Tegucigalpa, Honduras

November 14, 1972

Dear Brethren,

This has been an interesting month. First it has rained everyday and most every service just at the time it was to start. We had only about 25 to 30 at night services but we had our highest Sunday School average yet, 65. One profession of faith. We have had 3 of those that made professions moved away and one went in the army, so that was another blow. The worst of all was another that made profession, her husband stabbed her in the head and she may not pull out of it. Also two of our neighbors were stabbed in the market place and one died and the other pulled through by being operated on. We

also had to exclude one for leaving the faith and may have to do the same with another. So you see we had an interesting month. I did not then get to baptize the woman that was stabbed and the boy that went into the army as I had planned. So we wait on the Lord to again raise up some others. Pray for the saved lady that was stabbed, that the Lord will raise her up and use her. Iquitos is a calm and nice place compared to Tegucigalpa, but that is where the challenge comes for us and also opportunities.

We hope you all had a great conference in Detroit and the preaching was so that it will challenge us to really go all out for the Lord. Time is short I am sure as we wait for the coming of our Lord. May the Lord bless each one of you for HIS glory.

By His Grace,
Walter F. Lauerma
