## In Huanuco With Gibbs In A Meeting . . . Churches Report Professions And Baptisms . . . Need Offerings To Finish Concrete Floor

By James Kissel

Dear Brethren, June 20, 1973

This last month we were in Huanuco with the Gibbs for a week of services. We had a wonderful time there, although we did not see many moves, like we desired, but we were blessed in being there and trust that it was a blessing to them.

The rainy season is supposed to be over here but yesterday and last night it rained so hard that we were unable to hear the voice of the preacher in the 5th mission.

Our attendance has down in the First Church for different reasons. We have had to exclude about as many in the past few weeks, as we have gained in the last year. We have had a maid in our home.

James Kissel

working for us, since coming to Peru. She was faithful and a Sunday School teacher, but we have had to exclude her also this week.

We had one profession of faith and one baptized into the First Church. Tamshayacu reports five saved and seven baptized. One also baptized into the church at Hojeal. The church at Astoria reports two saved and one baptized. The pastor also reports five saved in a mission where he also preaches.

Even though our attendance has been down, we have had the biggest offerings in the history of the church. We now support five preachers. We have put on another one this month, who is to take care of the new 5th mission and we trust that this will help with the growth of the work there. We still lack the cement floor in part of the building but lack funds to buy the cement, which is available now.

Yours in Him  
James Kissel

## Mike To Start Preachers School . . . Visited Churches On The Rivers . . . Coming Home On Furlough In July

By Bobby Creiglow

Dear Brethren, Cruzeiro do Sul, Acre June 14, 1973

Just a few days after writing my last Mission Sheet Letter we went to the airport to get Mike and Beverly who were returning from Manaus and we had a very pleasant surprise; a new Baptist missionary, Dr. Roy Dearmore had come with them to spend the rest of the day and that night with us before going on to Eirunepe, in the Amazon Valley where he has just opened a new work. We sat and talked until after midnight and had a wonderful time of fellowship. We had been thinking about starting a work in that city but now am glad that the Lord has called a Baptist that is a Baptist to start a work there leaving us to go elsewhere.

One day this month a young man that had been saved in the church at Colonia came to me saying that he had preached in the church there and wanted to know if we were not going to have a school for preachers that he wanted to study. I told him that I would soon be going on furlough but I would talk to Mike and see what he would say. After talking to Mike I went to Japiim and Colonia to visit the churches there and to talk to two other young men that have been doing some preaching to see if they were interested in studying. Both of them expressed their desire to study, so, if all goes as planned they will start classes the first of August.

Besides the churches already mentioned I have visited the churches at Maita and Barao and had good services at both places. We want to visit the church at Colonia once again since we are members there we want to observe the Lord's Supper before coming home on furlough.

It has been almost a month since we sent the passports to the American Embassy and as yet they have not returned. If we receive them in time we will leave here on June 23 for Manaus and then will leave Manaus on July 4 for Miami.

Bobby Creiglow

Last night I preached in the church here in Cruzeiro do Sul and although the message was not too much on the plan of salvation there was one profession of faith.

Great Month At Tabernacle Church With Five Baptized . . . Visits In Another State With Turner . . . Lots Bought For Church Building . . . Help Needed . . . Great Opportunity For Eternal Investment

By John Hatcher

Caixa Postal 227  
Manaus, Amazonas  
June 14, 1973  
Dear Brethren,  
Another great month for us. God's blessings never cease and His mercies are new each morning. At the close of each day we can bow our heads and praise Him for His unchanging and unchangeable faithfulness.

At the Tabernacle Baptist Church this month there were five baptized and one profession of faith. It is a real joy to have John Mark and Judy here with us. They have been working hard since arriving and their job will not get any lighter so remember to pray for them.

The greatest thing that has happened this month however, is the fact that there has been work started in another state here in Brazil. Brethren, the state of Mato Grosso is about the size of Texas and lies on the western side of Brazil. The climate is very hot as here in the state of Amazonas but the climate is dryer. The city of Cuiaba has over 100,000 population and it is the capital city. Brother Turner invited me to go with him. For three or four days we walked the city to see the need and to find a place that he felt led of the Lord to open a work. When a certain section was chosen we went to work. The only place found to have services was an old

John Hatcher

garage type of building with just six posts and a roof. The man responsible for it gave permission to use it. We bought lumber and made benches, wire and fixed lights to be plugged into the neighbors house. Then we started our day by day work of beating on doors and preaching and inviting from house to house. Hundreds of houses were visited and hundreds of tracts were passed out. We preached each night and even though our crowds were not large the people knew we were there and the seed was sown. There were no houses or buildings to rent so we looked for land. Four beautiful lots measuring 78 feet by 196 feet for about \$3,500.00 (including paper work, etc.). I told Brother Turner, "I and my family will give enough for one of the lots." This project has been approved. I wonder if you our brethren would like to make an investment in this project which will bring eternal rewards. Then there is the need to build the building. Will you help? It is very seldom during the eighteen years that I have been a missionary to beg for funds, but my brethren, this is an urgent need for the cause of Christ where after ten days of visiting from house to house and preaching the Gospel we only found one family of Baptists. A city of 100,000 people without Jesus. What will you do to help?

Brother Turner needs your prayers as he goes there with his family to work alone in a hard and difficult field.

In Him,  
John Hatcher

New Mission Started In Ambo, Peru . . . 84 In Attendance . . . 3 Professions 3 Baptized . . . James Kissel Helps In Meeting In Huanuco . . . In Seminar With Mayfield In Pucallpa . . . To Meet Youth Group In Lima

By Art Gibbs

June 15, 1973  
Dear Brethren,  
At the writing of the last Mission Sheet we were preaching a week's meeting in the new work in Ambo. We were blessed with a high of 84 in attendance with many more standing at the door and windows. We had 3 professions of faith with all 3 being baptized the following week.

May 20th, the following week Bro. and Sis. Kissel came over from Iquitos, Bro. Kissel preached for us all week. We closed out the week celebrating our 2nd anniversary in Huanuco with a "pachamanca" (Indian style picnic). Everybody seemed to enjoy themselves and the food was great. We had a pig, a goat, and a sheep, plus potatoes, sweet potatoes and roaster ears of corn, all cooked Indian style in the ground. There were about 150 in attendance including the group from Ambo that came down to Huanuco. It was

Art Gibbs

great to have Bro. and Sis. Kissel with us during these special days. The church was strengthened through the messages.

June 4th I traveled on our new jet from Huanuco to Pucallpa to help Bro. Mayfield with a week's seminar. I taught a course on Bible Types from the Old Testament. The Mayfields were such gracious hosts that I couldn't help but enjoy myself.

June 10th after preaching for Bro. Mayfield in the morning, I flew to Tingo Maria, and from there by bus to Huanuco. I arrived on time to preach Sunday night. We were also blessed with another profession of faith here in Huanuco, so, Lord willing we will have a baptism service next Sunday morning.

Lord willing, after morning services I will cross the Andes again by car to meet the group that is coming down from the States. They are to be here early Monday morning.

Pray for us, and may the Lord bless you all there.

Yours in Him,  
Art Gibbs

Special Meeting In May . . . Church Blessed . . . Attendance Good With 299 In S.S. . . . Gibbs Comes And Teaches Types In The Old Testament . . . 85 Year Old Woman Saved

Dear Brethren,  
The Lord has blessed this month our labor for him, and we're glad and rejoice in Him.

The 20th of May thru the 29th we had a meeting with Bro. Nicolas Moreno. It was good not only to have Nico back in our church, but in our home again. He was no stranger to many of the people as he spent almost a year with us in the work in 1966. We didn't have as many saved as we expected (only one) but I'm sure the church was blessed, and built up in the faith.

Our attendance has been real good. We had 299 last Sunday for S.S. with others coming for church. We also had a good time with Bro. Gibbs. He was with us last week, and taught in the Institute every night. It was exceptionally good for the class. He taught 2 hours a night on the TIPOS DEL ANTIGUO TESTAMENTO - Types from the Old Testament. Very good, and the students enjoyed the teaching. We sure did appreciate Bro. Gibbs coming, and we enjoyed the fellowship

Del Mayfield

in our home. We presented certificates of study for those who didn't miss any classes.

Last Sunday night we baptized 7, one lady from San Francisco Church, who was saved several years ago. She was about 85 years old, and told me that she wanted to be baptized, but was afraid of the river. It was a real joy to baptize her, and the other six. We're looking forward to Miss Marguerite Hallum coming and visiting the work and also the group that is coming the 29th to be with us a few days.

Hope next month to have news about their stay here.

Yours by His grace,  
Del Mayfield

## Busy Month . . . Don Sisk From Japan Helps In Meeting . . . Seven Come For Baptism And Three Baptized . . . Need Funds To Build Church Building

Dear Brethren,

This has been another busy month and yet it seems I never get done as I plan to do. Sometimes I think if God had put three persons in me instead of one maybe I could get a few things done.

Last May 25-27, Bro. Don Sisk a Baptist Missionary from Japan preached in a week-end meeting for our church; several souls were saved and others regained the assurance of their salvation, our attendance was good and a good Spirit for each service. Bro. Sisk also brought one of his Japanese preacher boys who sang at each service. We had a real time of fellowship and spiritual refreshing together.

This time of year is rice planting time and in general a very busy part of the year

Louie Carver

for Korean people, so our adult services are still down; however, our children's S.S. is pretty steady, around 100. We've had seven present themselves for baptism and have baptized three of them this month.

We had to move our church to an upstairs room and only have the assurance of the remainder of June there. Please pray with us that God will let us stay there until we have our own building up. We now have the church lot cleaned off and changed from rice paddy earth to building earth. Now (being a foreigner) I have to wait 45 more days to get the lots in our name. However, we can go on with several things such as putting tile in front and back of the lot so there will be no water problems or waste of land. We need money before we can do much more.

We truly are grateful to many persons and churches who make it possible for us to be here and who have already given toward the church lot and building. May God bless each of you.

Yours in His Service,  
The Louie Carvers

## Trip To State Of Mato Grosso . . . New Work Started In New State . . . Will Move There Soon . . . Need Funds For Lots And Building

By Richard Turner

Caixa Postal 227

June 14, 1973

Dear Brethren,

Tuesday, Brother Hatcher and I returned from Cuiaba, Mato Grosso. There we found a city of 100,000 people almost without a gospel witness. Almost everyone there is Catholic. In any direction one looks there is a Catholic Church. There are very few believers in Cuiaba.

There are only two Baptist Churches with two missions. We visited one of the churches the first Wednesday night that we were there and I doubt if 5% of the people that were at the service understood the message. It was nothing but philosophy and poor philosophy at that. There was no gospel preached.

We had services in a new housing development called "Vila de Boa Esperanca" Village of Good Hope. We visited almost all the houses there and invited the people to our services. We had services from June 2 thru June 11 in a garage which only had a roof, no walls or floor. We made benches for the people and started our work. Several children and a few adults attended. One woman made a profession of faith. We believe others were interested in the Gospel. In

Richard Turner

all of our visits we only found 5 believers in this subdivision.

While we were there we looked for a house to rent for me. After walking almost over the whole city we found one in our price range. The Lord willing, next month my family and I will be moving Cuiaba, Mato Grosso to continue the work that we started there.

Brethren, right across the river from Cuiaba is a city, Varzea Grande, of 20,000 people without one Baptist Church. There is a great need for more missionaries to work in each state of Brazil. The harvest is ripe but the laborers are few, pray therefore that the Lord will raise up laborers here among our churches and there in the States.

The work here in Manaus at the 14th of December Baptist Church has improved some. The crowds have been up and at the preaching point in Coroado one woman made a profession of faith.

Thank you all for your faithful support and prayers.

Yours in Him,  
Richard A. Turner

## Best Month In Honduras . . . 11 Professions And 7 Baptized . . . Roof On New Building . . . Hope To Organize Church June 24

By Walter Lauerman

Apartado 1218  
Tegucigalpa, Honduras  
June 18, 1973

Dear Brethren,

This has been the best month visably since coming here one year and five months ago. Eleven professions of faith and seven baptised. Big and overflowing crowds every service almost in spite of rain in every service. S.S. about 67 average. The Lord has blessed us so much in spite of so many problems, many more than in Peru. I have purposely refrained from making that statement before now so as not to make one think I was complaining, etc.

The building has the roof on now and we are plastering the walls. Hope to have services

Walter Lauerman

in it by end of July even though all will not be done. It would lack the ceiling and painting by then the Lord willing. We thank God for all of you that have given so generously toward the building here. It is just wonderful and we thank God for all of you.

Our youngest daughter has Typhoid Fever but is much better now. We all had to get boosters on our vaccinations as there are many cases of this in Tegucigalpa now. The rest of us are still fine and we all send greetings in the name of the Lord.

Deloris and I celebrated (staying at home) today our 25th wedding anniversary. May the Lord give us many more for HIS glory. All 25 have been wonderful. We hope to organize into a New Testament Church June 24, the Lord willing.

By His Grace,  
Walter F. Lauerman
