Urgent Need For Mrs. Homer Crain's Hospital And Doctor Expenses

Mrs. Crain has had three major operations in the American Hospital, Lima, Peru. She is now an out-patient but still has an infection and must remain in Lima for regular tests and medical care for quite some time. Through the second operation and hospital bill the total is \$2,934.00 and total amount received to help on this as shown in the October MISSION SHEETS is \$2,401.00 or \$533.00 less than the bills presented and the bills for the third operation and hospital and out-patient care is yet to come, which will be the largest yet. Please pray and make your check to Baptist Faith Missions "For Mrs. Crain's Hospital Bill".

Hafford Overbey's Trip To Honduras

Twelve-Ryan Baptist Church that I pastor paid for this trip for which I am thankful! I was in the Walter Lauerman home six nights and preached in the church six nights and Sunday morning. There were three professions of faith and three baptisms. Attendance from 60 to 100. Out of 22 members, 17 to 19 were present in each service, the other members not present were working. Walter Lauerman organized 8 churches in Peru and started from scratch in Tegucigalpa, Honduras and in about a year and a half has a church with 22 members and a new church building. See description of building under picture in this issue. He is now trying to buy a building site for a second mission and another church, the Lord willing.

Month Of Blessings . . . S. S. Averaged 90 . . . Man Called To Preach . . . Hafford Overbey Visits The Work . . . Church Building Dedicated

By Walter Lauerman

Tegucigalpa, Honduras
October 24, 1973
Dear Brethren,
A real month of blessings, 3 saved, 90 average S.S. attendance (despite constant rains) 40 to 80 in night services, a young man called to preach and about 20 in a new doctrinal class on Mondays. We plan to start a new work this next month the Lord willing. Please pray with us about this. This is more or less the regular month's work.

Bro. Hafford Overbey was with us from October 18 to 24. Bro. Overbey has been a blessing to my family and me for the past 18 years, 16 of these

as a missionary, but this past week more than ever before it seems. He built up our courage, faith and desire to an all time high it seems. His sermons were real good and I got carried away in interpreting for him several times. He seemed to be really enjoying himself preaching here also. The dedication sermon was the best I have ever heard. He also taught my class I have with our new preacher boy and this boy was really up over it. All the church here enjoyed his preaching and also his humor. The church and my family will long remember his visit I am sure. We had good crowds (60 to 100 nightly) and we had 3 professions of faith and 3 for baptism in the week Bro. Overbey preached. So you see it was a real month of blessings.

Dear Brethren,
Tuesday, Sept. 18, I went to the preaching point at Sintirina. We had one profession of faith at the close of the services. Sept. 28 I went back to Carema, where we have maintained a preaching point. We had a good crowd, good interest, but no professions of faith.

Oct. 2 I went 125 miles south to Cantehe, a city of 4,000 people with only one Baptist person living there, she had moved there about three weeks before. We had good services and we are going back at the end of this month. Oct. 14 we had a young boy make a profession of faith at New Hope Baptist Church.

Missionary Guest In Home . . . Eleven Day Trip Into Interior To Five Places . . . 263 In S.S. . . . Hope To Start New Church Building Soon

By Harold Bratcher

Dear Brethren,
Manaus, Amazonas
October 15, 1973
Since September 20th we have had visiting in our home Pastor William Clyde Hankins, of Calhoun, Kentucky. It has been a blessing to us to have had him in our midst. He will be leaving us on the 23rd en route to Mato Grosso where he and his wife for twenty-five years served as independent Baptist missionaries in more than one place in the State of Brazil.

The Lord gave me the privilege of making an eleven day trip into the vast, thinly populated interior of the Amazonas. Five different places were visited - Nova Remanso - Cana on the Rio Urubu (Buzard River) - Costa de Sao Jose de Amatori - Varre Vento - Ilha de Pirarara. The largest attendance during the trip was

Harold Bratcher

96 on Sunday morning, September 30th at Cana. There were 27 decisions made during the eight services held during the trip.

From the 7th to the 14th of this month we were in a revival at the 14th of December Baptist Church here in Manaus. The Lord gave us a gracious revival with 16 decisions. Our Sunday school attendance has run from a low of 151 to a high yesterday (the last day of our revival when we made a special effort to go over the 200 mark) of two hundred and sixty three. Praise the Lord!

The attendance yesterday prompts me and encourages me to request once again your prayers that the Lord will enable us to begin soon the construction of a new and larger church building.

We pray the Lord's blessings to be upon you.

Revival With Young Ho Lee Preaching . . . Baptistry In New Church Building Used Twice This Month . . . Many Professions Of Faith . . . New Benches For Church

Dear Brethren,
Our month has been as usual, quite busy with God's blessings out-weighing the hardships. We had a revival meeting at the church with Bro. Lee doing the preaching. Our attendance was good and the spirit was great and around twenty people responding for various reasons with eight making professions of faith. We've been privileged of using our new church building baptizing twice this month baptizing six precious souls. I was also in Kusan again this month for a three day meeting with Bro. Lee and his work there. We had over 30 people responding during the meeting with fifteen professions of faith. It was truly a great revival and a wonderful time of fellowship. Our services at the church are down somewhat, yet our children's S.S. is running far over 100, most of the time about 150, which is about all we can take care of and do a good job with them.

Louie Carver

out after dark. Also, things of the Lord are quite strange to the people as well as it is a very busy time of the year for the farmers harvesting wheat, etc, working from day-break until late at night. With time and work I believe we'll see things happen anyway, the only thing is, due to distance, we have little time for visitation. Our new benches for the church are to be completed by the 27th of October and how we thank God for you who have and are still giving to make the building and benches possible for us to have and that for God's Glory.

professions of faith. We have tried to faithfully sow the precious seed and we wait for the Lord of the harvest to give it the increase to grow. Before we have services we always go out and give out tracts with a special invitation to visit the services.

The need here is workers. The harvest truly is great, but the labours are few: Pray ye the Lord of the harvest, that He would send forth labours into His harvest.

Pray for us, the need surely is great. May the Lord bless all and goodbye until next time.

Mrs. Crain In Hospital Third Time For Surgery . . . Must Be An Outpatient For 30 More Days . . . Preached At Tingo Maria, Pucallpa And Iquitos

By Homer Crain

Apartado 70
Tingo Maria, Peru
October 17, 1973
Dear Brethren,

When I wrote my last mission letter Elizabeth was in the hospital again. She has now had three operations and her last stay in the hospital was 21 days. She has some infection yet and the doctors are hoping that they will not have to operate again. She is still in Lima and has to stay there as an out-patient for 30 more days.

Wanda, Nora and Melissa are with her and Michael is studying in the school at Pucallpa. All the children are doing very well.

October 3-7 I made a trip to Tingo Maria to check on the work. I preached each night at Tingo Maria while I was there through Sunday morning.

October 7 I flew back to Lima to be with Elizabeth and the children.

October 14 I went to Pucallpa on my way to Iquitos where I am to preach in a conference with all the brethren of Baptist Faith Missions. Due to bad connections I had to

Homer Crain

lay over in Pucallpa until Tuesday evening. October 14 I preached for the Faith Baptist Church in Pucallpa Sunday night. Brother Mayfield had already gone to Iquitos the day before my arrival in Pucallpa.

October 16 I arrived in Iquitos in time for the meeting and Brother Gibbs preached and brought a great message. Tonight I am to preach here in Iquitos in the conference and when the conference is over I plan to return to Lima.

The work in Tingo Maria is doing very well, and we have a few to baptize when we return.

The work in Aucayacu is suffering at this time for lack of a worker to put there full time. One of my preachers that had planned to move there has now decided to move to Lima. Remember to pray for the new work in Aucayacu as we now have a few believers there and we will have a baptism on my next trip there.

Again, I want to thank each one that has written and especially those who have sent cards and letters of encouragement to Elizabeth.

In Jesus Name,
Homer R. Crain

Blessed By Visits To Churches . . . Good Reports From Manaus . . . Appeals For Money And Men For Work In All States Of Brazil

By John Hatcher

Dear Brethren,
October 26, 1973
During the days of the past month God has richly blessed and given us the pleasure of visiting with the following churches: Hilltop Baptist Church in Beattyville, Kentucky; the Waverly Road Baptist Church of Huntington, West Virginia and the Bluff Avenue Baptist Church of Indianapolis, Indiana. At the meetings in the Hilltop Church many of our old friends and brethren, from the days when our family lived in Beattyville, came to fellowship around the Word of God. Our thanks to Bro. Adys Byrd and his people in Beattyville, Bro. Fisher had visited us in Brazil and this made our visit with Brother and Sister Fisher and their people at Waverly Road Baptist Church a special blessing.

At this writing it is our privilege to be at the home of Brother Mike Campbell and with the gracious people at the Bluff Avenue Baptist Church. God has blessed many of our visits and our fellowship has been wonderful as the services were held each evening.

Word from John Mark and Judy tell us that everything is going well in Brazil and they are more than busy. Many times during each day our thoughts return there and to the desires of our heart for the work when we return, the Lord willing.

Even though the response to our appeal has not been the success the "United Appeals" for charity have been throughout the land, God is going to bless us with the money and the men for spreading the Truth throughout all of the States of Brazil. May it be the desire of your heart to get in on the blessing while there is time. Perhaps your

investment for the defense and the offense of the Gospel will bring you better returns in Eternity than what you are likely to have to invest in the military expense imposed upon us. I would be proud to give for the liberty of my country but it is a better investment to give our money and our children for the service of Christ. Have you?

In Him,
John Hatcher

Mission House At San Fernando Ready For Services . . . Church Had To Exclude Several . . . Bible Institute Classes (Preachers School) Going Well . . . Couple Got Married To Be Baptized

By Del Mayfield

Apartado 166
Pucallpa, Peru S.A.
October 13, 1973

Dear Brethren,

By the time some of you read this letter, the 1973 Thanksgiving Conference will be history. We're praying and hoping that it will be the best, and that the Lord will call out others to GO. I'm teaching the people here the same as I taught in USA many years; "IF YOU CAN NOT GO, THEN YOU SEND OTHERS".

Del Mayfield

This month has not been one really outstanding, but one of real blessing. Since Mrs. Crain's illness, and all the operations she has gone through, we have let up on our complaining. The Lord has been so good to Ada and me, and has given us good health, for which we are so thankful. We have worked hard getting the house in San Fernando ready for services. All the partitions are out, painted, and our sign up. We still don't have the papers cleared on the land, but we do have possession of the house. So we're going ahead and use the building, but will not do anything in the way of building until all is in order. We have a meeting planned as soon as I get back from Iquitos, where I am to help in a revival.

The church here had to exclude several members, and many more than we received.

Our attendance has been up even though we had to exclude some. Our tithes and offerings have been a record high. Speaking of offerings, our church and the San Francisco Church are taking mission offerings on Wednesday. This offering will be used in starting missions in new places. We're very pleased about this.

Our Monday night Institute classes are well attended. We're studying two courses. One on "The Church That Jesus Built", and the "Book of Romans". This is a real blessing to teach these subjects. Pray that God will be pleased to call out some to preach and to go.

Our day school was out a week between second and third trimester, and our attendance really was down a couple of Sundays. This week we're back in full swing, and expect a big day Sunday, even though I'll be in Iquitos. We finally got the papers in order and the Sharfe family married legally and baptized last Sunday night. There are others who have this same problem. I'm sure this is one of the greatest sins here, people living in fornication. The government and Catholic Church are the ones at fault. Costs several soles (\$) to get married here, and many don't have the means to get married.

Continue to pray for us as we try to do His will. We appreciate you who make our ministry possible. May the Lord bless you all.

Yours by His grace,
Del Mayfield

Conference In Iquitos . . . Three Professions First Night . . . Mayfield, Gibbs And Crain Guest Preachers . . . Reports From Other Churches

By James Kissel

Apartado 183, Iquitos, Peru
October 16, 1973

Dear Brethren,

This week we are having special services (a conference) in the First Church of Iquitos. Bro. Mayfield came and we began Sunday. We have begun with very good attendance, with three professions of faith the first night. We are rejoicing in this, as we have been in a slump. We also had a young man make a profession of faith, about a week before, expressing a desire to preach. Bro. Gibbs arrived last night and we are expecting Bro. Crain today. We trust that this shall be a time of real revival.

James Kissel

The brethren from the river churches were all present last night and we had so many people that many left, as we didn't have room for them.

All the brethren report that their work is doing well, with some saved in different places. There were three saved and baptized in Tamshayacu. This is one of our best churches with a good faithful pastor. But in all the churches there has been much sickness. I have been busy this past month, either taking some to the hospital or taking them to the cemetery.

Next week I plan to leave for a river trip for several days. There is a great need for more workers on the rivers, as there are so many places without the preached word. The Lord willing, we plan to spend more time visiting the river churches and also starting new preaching points, but right now it is difficult as I now have services four to five nights each week.

The conference will soon be here and we trust that it shall be one of the greatest yet. Pray for us as we labor here.

Yours in Him,
James Kissel

Eighteen In New Mission In Cuiaba . . . Water Shortage In City

By Richard Turner

Caixa Postal 720

October 17, 1973

Dear Brethren,

We are continuing to work and wait on the Lord for His blessing. This month in our services we had a high of 18 counting ourselves. We had our first adult to come to the Sunday night service October 7. Our living room was full with 18. We are still waiting for some to come to the morning services.

Although most of these people say they are Catholics, there are very few practicing Catholics. It seems they are only interested in material things and have no interest in spiritual things. Of course, this is true of every man until he is awakened by the Holy

Richard Turner

Spirit. Pray for us that we will be a bright shining light in the midst of this spiritual darkness and a good strong work will be established here.

We are happy to report that our baby is doing much better. He still has a bit of allergy rash. We celebrated his first birthday the 20th of September.

I reported last month that we had been without water for a week. Well, the same thing has happened again this month. We are without water now and it has been off since Thursday of last week.

Thank you for your good prayers and support.

Yours in Him,
Richard A. Turner

Prosperous Month In Bible Classes For Preachers . . . Young Preachers Traveling And Working . . . Helps Pastor To Have Lord's Supper Observed

By Mike Creiglow

Cruzeiro do Sul, Acre

September 12, 1973

Dear Brethren,

We have had another prosperous month in our Bible classes. The men have been faithful in their attendance and in their out-of-class work. These two things are important factors since there is a tendency to slackness in general in schools here. All of the students have been responsible and responsive with the exception of one or two.

The young preachers have been traveling almost every week also. Just last week one of them went to Villa Rodrigues Alves on foot. It is an eight mile walk. There were three souls saved while he was there.

Mike Creiglow

The work at the Villa is still growing. There were five more baptisms during the month that has passed.

My family and I visited the church at Maita one Sunday this month. I brought a

message on the Lord's Supper and then aided the pastor in the administration of the Supper to that church. Brother Bandeira, the pastor, had asked me to come and help them since he did not know how to go about the serving of the Supper. I gave him some orientation during the ceremony and helped in the reading of scripture. This will probably sound strange to many of you. However, of the four pastors that are working here only one of them has been to school and that one has only been through the first grade. All of them can read fairly well, but only two of them have had an opportunity to study in a Bible class. For these reasons it is even necessary to help in some of the most simple of matters. Pray for us all as we struggle together.

Last week I was in Manaus buying a new outdoor motor and was privileged to speak at Tabernacle Baptist Church on Sunday. I had some very rich fellowship with John Mark Hatcher.

May God bless all of you as He has blessed us.

In Christ,
Mike Creiglow

Church Broken Into And Many Things Stolen That Cost Hundreds Of Dollars Plus Shipping And Custom Charges . . . Church Had To Exclude Some . . . To Iquitos For A Conference

By Art Gibbs

Apartado 7

Huanuco, Peru

October 15, 1973

Dear Brethren,

All are well at the moment and we are rejoicing in the goodness of the Lord despite some rather grievous trials this past month.

Our church building in Huanuco was broken into by thieves who robbed us of

approximately \$850.00 in equipment and tools. They entered the building during the night by coming down through the roof. At this moment the thieves have not been apprehended although they have been identified by witnesses. We do hope that you will pray with us that the thieves might be apprehended and the stolen articles recovered. We know the Lord is able should it please Him to do so. We really miss our public address system because without it the outside noises from the plaza often make it difficult to hear

Art Gibbs

during the preaching services.

Our church also had the additional trial of disciplining five of its members. Of course, that is never a joyous task. One of those disciplined was attending the services in Ambo.

Since the church has fulfilled her duty in disciplining those members who insisted on erring, the church has been blessed with one who had previously been disciplined being restored to the membership, one other making a profession of faith, and rising attendance in all services. The Lord has been most gracious, for which we are indeed thankful.

At the writing of this letter I am in Iquitos. I left Huanuco at 12 a.m. and arrived here at 8 p.m. this evening. We are looking forward to many blessings this week as we (Bro. Mayfield, Bro. Crain and myself) are to help Bro. Kissel in a meeting this week should Jesus tarry.

May the Lord bless you all is our daily prayer.

Yours by His Grace,
Art Gibbs

By Bobby Creiglow

116 Paris Ave.

Lexington, Ky. 40505

October 18, 1973

Dear Brethren,

I preached and presented our work to the Fellowship Baptist Church where my wife and I are members here in Lexington and Bro. J. B. Fenison is our pastor. One Sunday was spent with the Faith Baptist Church of Lancaster Ohio and William Moser serves as pastor of this church.

I followed Bro. Hatcher to Wauseon, Ohio to preach the last five nights of a nine night meeting with Bro. Wm. Oakley and the Faith Baptist Church of that city. I had a very good time of fellowship with all the brethren of these churches.

This morning was spent with the Bluegrass Baptist School where I made seven

presentations, one for each grade, of human interest things in Brazil. The children all seemed to enjoy it.

My wife has already been to two doctors and they have not found out what her trouble is.
