Arnold Leach was 48 years old, He was pastor of Liberty Baptist Church, Toledo, Ohio almost ten years. He led the church to give Special Offerings of: \$2,950.00 towards the Landrover Station Wagon for Homer Crain in Peru, \$2,400.00 for Del Mayfield's buildings in Pucallpa, Peru and recently \$1,000.00 towards the hospital and doctor bills for Mrs. Homer Crain in Peru. Dear Brethren,
This month we have had a high of 17. I have visited and invited several people this month to our services.
One man came to our house to work on our washing machine and he came on Sunday morning so I preached to him and told him the way of salvation. He had never been to a Baptist service or heard the gospel. He said he came on Sunday because he thought we were Adventists. Many people confuse Baptist with the Adventists here. In my visits I'm always.

visits I'm always having Richord Tumor
to correct this mistake. One lady and her son
came to our services who have just moved
here. They are already believers and Baptists
and are looking for a church home.

We are thankful for the offerings that have
been designated for the work here. The Lord
willing, we will start putting a wall around
our property the first of January. I have hired
a brick-layer and he will be free to start the
first week of January.

I want to make another plea for funds to
build a church house. This is badly needed

Another real good month: 1 saved in the

35 to 50 at nights and 145 for baptism service. We had a week of
115 average. This all
with very cold weather

That's cold with no fire

noon in our new mission.

The new mission: the church bought a house and is paying monthly payments on the lot and we started services this past Thursday night. This house will serve for services now until we can build and then for pastor's home later as it is just a block away from the lot BFM has bought. We are still waiting for the title and hope to start building in January, the Lord willing. After an hour class with our preacher boy, he and I visit one day here in our church area and then the next in the area of the new mission. We had 26 present our first service and 25 yesterday in this new work. Interest seems good so we wait on the Lord.

May the Lord bless you all. My family and I thank all of you for all you do for us.

God continues His blessings on His unworthy servants here in Korea. We had a Thanksgiving service at the church as well as a dedication service of the building and pews and had a great day in the Lord. Even though our building has been cold with ice on windows and walls during some of our services; yet, we've been enjoying God's blessings. We've had several S.S. children saved and five young people and adults saved at the church. I've baptized three at the church and am to baptize again Sunday p.m. We've also seen two professions of faith at the mission, Louie Corver where sometimes the school room we use is sub-zero, and baptized three. My wife has also started a ladies Bible study at the church with an average of eight. Our attendance at the church and mission are running

fairly steady. The lowest in children's S.S. at the church of 140 and high of 165 and worship service (Young people and adults service) from about 25 to around 40 meaning a low of 165 for our a.m. services and a high of about 200. At the mission we're running be tween 30 and 40 for children's service and from about 15 to 25 for the worship (young people and adult) service; meaning we are running from about 40 to 60 for the mission services on Saturday nights.

The family is all well now except for minor colds, Tim is now over his scarlet fever and thank God seemingly no after-complications.

#### Good Impressions Of Thanksgiving Conference . . A Challenge To All To Be Missionary . . . Richard Turner Needs A Church Building And How To Get It

By John Hatcher

Dear Brethren,

The recollections of the Thanksgiving Missionary Conference are still fresh and vivid so I would like to say just a word about some of those impressions. First, it seems that it was a missionary conference with a lot of missionary emphasis. As a missionary it has seemed that the idea of many pastors and their people that it is the missionary. It is the missionary is job to be missionary. It is the missionary who should go to the field of labor and then it is he that should come home and travel between 25,000 and 40,000 miles while home to stimulate missions within

miles while home to stim-

miles while home to stimulate missions, visiting at least, through the year home, 50 or sixty churches. While this is a real part of missions work it does seem that there is a part of the individual churches and their pastors to moti vate mission giving and have the missionary come and visit and tell about the work, not to try to get a church to be missionary but because it is missionary. I have heard many pastors preach at missionary conferences and honestly, I do not think some even realized that the purpose of the some even realized that the purpose of the conference was missions. The thought cer-

tainly arises that if even on the program of a missionary conference they cannot preach a missionary sermon then the sermonson missions in their own churches must be like skimmed milk. Let me say that the conversations with the pastors and the messages at the Thanksgiving Missionary Conference were about the biggest boost that I, as a missionary have had. Brethren, let's keep it up. One of the greatest challenges is the opening of new work in new cities and states. Think what a boost and blessing it would be to the work in the new state where Bro. Turner has moved with his family if in that city of 100,000 people we could care enough to get a building up without having to drag along for years. Just think, 150 persons of churches wanting to make a good investment for eternity giving \$100 each would solve the problem. Because of the Grace abounding toward us there is a responsibility for us "to abound in this grace". (The grace of Giving) During the month I have visited with the Sovereign Grace Baptist Mission where Bro. Leroy Mains is pastor; The Richland Baptist Church where Ro. Howard Wilson Jr. is pastor and with the Morgan Ave. Baptist Church where R. Paul Hatcher is pastor. During the days at Morgan Ave. there were about 14 professions of faith.

and a half years ago when we first came to the field so they had a somewhat mild case. Many have died in recent months from what seems to be a local epidemic.

The work in Ambo continues to do well, with Bro. Manuel Atencia, the native worker, reporting much more interest being shown for the Sunday services. We are very much encouraged by the progress over the past two months. If the work continues to progress we will soon be ready to organize another New Testament Baptist Church. Please remember Bro. Atencia and the work in Ambo in your prayers.

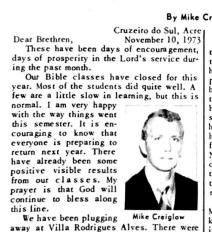

As the rains become more persistent, so also does our need for a building here in Huanuco. Rivers of LIVING WATER are great; but rivers of cold, wet, rain water are extremely annoying when they run through your auditorium, wet your feet and warp your furniture.

By Mike Creiglow

Mike Creiglow We have been plugging We have been plugging Mike Creiglow away at Villa Rodrigues Alves. There were three professions of faith this month. The Christians have been very co-operative and have been studying doctrines enthusiastically. We are hopeful that the Lord will see fit to have one of His churches in that place some day and perhaps some day soon.

Last week my family and I went to visit the folks at Nova Cinta. Many people came to services and many of the ones who came had never been in a service before. In times past there had been quite a bit of conflict between land owners and hired help. However that seems to have smoothed out. As things had been before people would only go to services if they were being held in a friend's house, which usually meant only their own house. You are all familiar with the old feuds there in the States. The situation at Nova Cinta had gotten as far as the killing off of all the enemies' hogs and threatening the hogs' owners stage. It seems that all of this has passed. If it has the work there should be able to go on.

I will be going to visit the church at Maita today. Adam has just picked up some kind of sickness. The doctor seems to think it is a virus. For this reason Bev and Adam may not get to go with me. This is always a disappeintment to the people since they look forward to seeing Bev and Adam.

May God Bless you all.

Please read carefully the following report and request: The blue-prints of the new building are already being drawn up. We hope to begin construction in January. Twelve-Ryan Baptist Church has given \$5,000.00 for the "Bratcher Building" so we can begin the construction. We will need several more thousand dollars to complete and furnish the new church building. Therefore, we request that you help us. First of all, pray for us daily. Since last writing, we have had our share of blessings and discouragements.

While here, we are living in the home of another missionary, who has gone away for a few weeks, so our housing problem was solved.

My wife has had to go to Iquitos, to look after things. I thank the Lord for a wife that is able and willing to help out, when I am unable, so the work goes on as usual. I am also thankful for some very faithful workers, who I am sure will carry on in my absence. I know many have prayed for us, especially at this time and trust you will continue to pray for us, as we continue to labor here in Peru.

May the Lord blace.

May the Lord bless each one. Yours in Him, James Kissel
