Harold Bratcher has been a missionary to Brazil now for 15 years. He has waited a long time for his building. He needs many thousands of dollars to build and it is urgent. No offering is too small. May the Lord lay it on the hearts of many to give for the "Bratcher Building".

### Gibbs Building, Huanuco, Peru

Art Gibbs has found a lot to buy for about \$14,000.00. We have about \$4,800.00 towards buying the lot. Pray and give. This is very urgent. He has a notice to vacate the rented building and no place to go. Mark special offerings for "Gibbs Building". No offering too small.

### Urgent Need For Offerings For Second Church Building . . . Seventy To Ninety In S.S. . . . Twelve Books Of Bible Taught

By Walter Lauerman

Tegucigalpa, Honduras  
April 16, 1974

Dear Brethren,  
When home on furlough last time many asked me what I needed in our work and I said nothing at the time. They said then "let us know when you do need something". A year ago about half of these gave so we could build our first building here in Honduras, now if only the other half would give accordingly we could build the next building which we really need and need now. If you are one of the above, pray about this and let the Lord lead you, if you are not one of the above do the same, please. The Lord will surely bless you and us for it. We need this building now as the small building is not large or strong enough to hold the people we have now. Please pray and give for this.

Walter Lauerman

In the mission we had our first one saved and several more very interested. Overnight this work could break open. Attendances are the same as last month. Remember we are ready to build but do not have anything to start with and we need this building. In our church we have had increases in all but the offerings and that because many of our members are out of work. We had from 70 to 90 in S.S. and night crowds went up in the 60's and 70's this month. I have taught 12 books of the Bible and all our doctrines one by one according to our articles of faith. We also had 2 saved this month and I have 2 for baptism now. The Lord is good to us in spite of us and the problems. We restored one of our excluded and pray that another one will return.

Our daughter, Mary, fainted at church and fell on the concrete outside and had to have plastic build-up work and 8 stitches over her left eye. It could have been very tragic, so we again thank the Lord again for all HE does for us. We are still waiting on the Lord for someone to come preach a meeting for us. All the family send greetings and we really thank the Lord for all of you daily.

By His Grace,  
Walter F. Lauerman

## Rainy Season . . . River Rising . . . Good Services With Several Professions And Baptisms . . . New Boat And Motor Arrive After Many Months

By James Kissel

Dear Brethren,  
April 15, 1974  
The rainy season has just begun, with the rivers rising very high. It seems that the rains are much later this year, when everyone was hoping that the rivers would not rise so high. Usually with much rain our attendance goes down, but thus far our attendance has been good and most all the work being blessed of the Lord. We had special services in the First Church, with a pastor from Lima doing the preaching, with very good results. The church was revived and we had five professions of faith, with I believe, seven for baptism.

Our new boat finally arrived after many months of waiting. Then there was the usual delay and red tape to get it through customs. It was damaged some, and they had all so stolen a few small things that we will be able to replace. But we are so thankful

we were able to get it out of customs, free of duty. We now have it in the water and hope to put it to good use in the river work which has been neglected in the last few months, due to my illness. We are sure that it will be a real blessing in the work.

The pastor from the Third Church made a trip this past month, with three saved and one baptized. This same church also had three baptized into the church here in Iquitos. There were two saved in Hojeal Church and three baptized into the church at Santa Clara. The pastor of Tamshayacu Church reports a mission trip, where there were five professions of faith, also two professions in the church where he pastors. We thank the Lord for these faithful pastors who work under difficult conditions in many ways, but God gives grace. I doubt that many pastors there would be able to endure the conditions under which they work and preach. We trust that each one will pray for the work and workers here in Iquitos. May the Lord bless each one.

Yours in Him,  
James Kissel

## Good News From Manaus With Professions And Baptisms . . . Visit To Churches In W. Va, Ohio Ill. And Ky. . . Great Conference

By John Hatcher

Dear Brethren,  
Lexington, Kentucky  
April 18, 1974  
In just a few more days we will begin the preparing and packing for our return to Brazil. Most of the equipment we plan to take back is bought and in hand. Your interest in the work has been a blessing to us and to the missionary work. May the Lord help us to realize that our time is short and that opportunities pass quickly. Letters from John Mark tell of God's blessing in Manaus. For three of four weeks there have been persons saved and several have been baptized. The schools are in full swing and it is perhaps the greatest year yet.

This month we had wonderful visits with the Bible Baptist Church of Harrisburg, Illinois, Bro. Donley, pastor; Seminar with the Teay's Valley Baptist College, Glenn Archer and Hollis Walters; Myrtle Tree Baptist Church, Bro.

Brumfield, Pastor; revival with the Gethsemane Baptist Church, Marengo, Ohio, Brother Charles Margraff, pastor; at this writing I am with the Devondale Baptist Church, Bro. John Thompson, pastor.

Certainly God is to be praised for the good Missionary Conference at the Thompson Road and Fellowship Churches in Lexington. It was a great missionary conference.

Future engagements June 5 - New Hope Baptist Church, Bloomington, Illinois; June 7-9 - East Keys Baptist Church, Springfield, Illinois; June 10-11, Independence Baptist Church, Foristell, Missouri; June 13-16, Peoples Baptist Church, Alton, Illinois; June 18-23, Riverside Baptist Church, Richwood, W. Va.; June 25-30, Hilltop Baptist Church, Beattyville Baptist Church; July 6, Grace Baptist Church, Harrodsburg, Ky. July 7, Beech Grove Baptist Church, Lancaster, Ky.

Do not forget! For a good deal, invest heavily in missions.

In Him,  
John A. Hatcher

## Walls Nearly Finished . . . Floods Leave Thousands Homeless . . . Urgent Need For Offerings To Build Church Building

By Richard Turner

Caixa Postal 720  
78000-1, Cuiaba, Mt.  
Brazil, S.A.

April 15, 1974

Dear Brethren,  
On our wall, work is still going on and will not be finished for at least 2 to 3 weeks more. Due to the rain the work has been delayed some and some of the work had to be done over. The sides are now being plastered at this time.

In my last letter I reported about the high water. The river has gone down but it left thousands homeless. One whole section of town was condemned by the city due to the flood and so the people can't return to their homes and because of this the schools and the university here are closed to students in order to house these people.

Richard Turner

Our services have been down in attendance this month but there have been some new ones to come. One lady who is a believer but does not have scriptural baptism came to our service last night. I have explained to her why Baptists cannot accept anything but scriptural baptism and why her's is not scriptural. I pray the Lord will help her to understand this truth. We have visited others and invited them to our services but so far we have been disappointed in our hopes and their promises.

Brethren, again I want to make appeal for help to build a building. This is needed now in order to have a suitable place where to hold services. Please give as the Lord leads. We are thankful for what has been given toward this.

Remember us in your prayers.

Yours In Him,  
Richard A. Turner

## Heavy Rains And Flood . . . Good Month In Services . . . Six Sunday Services . . . Bible Institute Started Again . . . The Lord Is Blessing

By George Bean

Caixa Postal 500  
Sao Luis, Maranhao  
65,000 Brasil, S.A.

April 15, 1974

Dear Brethren,  
Greetings in the name of Jesus, to our many friends and churches that support us and make our ministry possible here in Brazil. We have had a busy and fruitful month in the Lord's services.

At New Hope Baptist Church we have had two professions of faith and the crowds are holding normal in spite of the heavy rains that fall most every day. In our State there are floods and people are without shelter and it seems there is no let-up in the rain.

At Carema we have had two professions of faith, the services are Friday night, Sunday afternoon S.S. and services Sunday night. The crowds are large when it is not raining and

George Bean

we will have to remove another partition in the house we have rented to make room for the crowds.

We are having six services on Sunday now, our preacher brethren are taking care of the preaching at Villa Maranhao Church; I am taking care of the preaching at Carema and some of our faithful preacher brethren take care of the services at NHBC on Sunday night. To God be all the glory. I can remember when I was here all by myself, doing the singing, doing the praying and doing the preaching. The Lord truly has blessed here and we are glad.

We have started the Bible Institute again here in our church and we have one student that will complete three years of study this semester. We have a total of six men and one young lady studying. Classes are Monday and Tuesday evening 7 p.m. until 9:30 p.m. I am trying to teach six subjects related to the Bible. Remember to pray for us here as we labor to do the Lord's will.

Yours to the Multitudes,  
George Bean

## 47th Birthdays . . . To Interior In Launch . . . Eleven Baptized . . . Walls Going Up . . . Need Offerings To Build Church Building

By Harold Bratcher

Dear Brethren,  
Manaus, Amazonas  
April 15, 1974  
Marie and I have both recently celebrated birthdays. We thank the Lord for the 47 years of life He has given us.

I left Manaus a week ago today aboard the Mission launch. During these days in the interior I have preached eight times and baptized five-one of the five is Sr. Ezequiel Galdino de Araujo, 66 years old. Stephen was with me until yesterday when he had to return to Manaus to be back in school today. I'll be returning home, the Lord willing, Thursday.

Our Sunday School attendance at the 14th of December Baptist Church (I do not have the report yet for yesterday) was down to 138 on March 17th (it rained) but was up to 236 on March 24th. On the 31st of March we had 205 in Sunday School. I preached on baptism standing in the baptistry with the six believers who were baptized by me that Sunday morning. One was received by letter.

Harold Bratcher

Permit me now to bring you up to date on the subject that is on my heart and mind night and day-the construction of our new meeting house or church building. When I left last Monday, the walls of the first story were going up-brick by brick. We rejoice in the Lord as the work continues. We are praying that the Lord will supply our every need. We are daily thanking the Lord for our members here that are giving what they can. Also daily we thank the Lord for you, our brethren and friends in the Lord that are standing by us with your prayers and offerings. May the Lord bless you and continue to enable you as well as us to do so until the building is completed and paid for.

We are anxiously awaiting for Asa Mark's arrival from the States on the 23rd of May.

Yesterday morning I preached to 37 and last night 50, here at Nova Remanso where for some years now we have had a mission. There are not near as many people living here now as there were when we began the work here.

Yours In His Service,  
Harold Bratcher

## Tent Meeting On Lot Purchased In Country . . . Good Month In Church . . . Several Professions Of Faith . . . Seven Baptized . . . Need Offerings For Tickets

By Louie Carver

251-14 Yunhi-Dong  
Sudaimoon Ku  
Seoul 120, Korea

April 15, 1974

Dear Brethren,

Another busy and rewarding month here on the field. We were able to get enough money here at the church to purchase a tent for the mission in the country. We put it up Friday, April 5th, and had our first service in the tent April 6th, with the tent full for both children's S.S. and preaching services. The Lord gave a great service that night; 17 precious souls came forward for various reasons. But, the following Sunday the wind and rain blew the tent down so we must put it up again. As far as I know there was no damage to it.

We pray that by the

time of the next news letter we shall have a young man on the field there in the country. The Lord willing, next week we plan to have a week's meeting, the first in history in that country village.

We've also had another good month here at the church. Several people have been saved. We've also baptized seven (7) into the church here in Seoul for the month & many others have responded for various reasons.

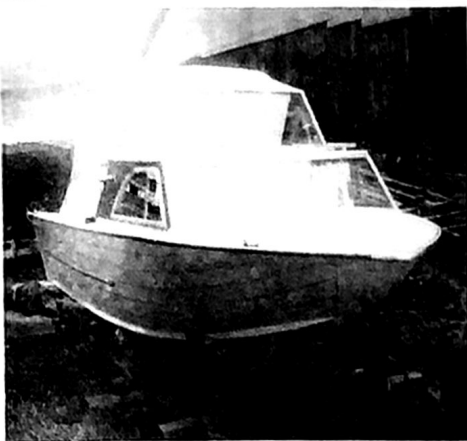

I don't know when the prices are going to level off over here; last week 34 major items just jumped again. For example regular gas is now \$1.80 per gallon & high test is \$2.11 but God has promised to supply our needs & I am claiming that promise.

May God bless each of you who've made our ministry here in the ripe field of Korea possible. If God gives near \$2,000.00 for our transportation home for furlough we shall be seeing many of you in approx. 2 months.

In His Service,

## In Great Revival . . . 27 Professions And 20 Baptisms . . . Two More Class Rooms Being Built . . . Good Services At Mission

By Del Mayfield

Apartado 166  
Pucallpa Peru S.A.  
April 12, 1974

Dear Brethren,  
We have been enjoying the blessings of God on our services this past month. Almost every service we've had folk saved. There have been 27 professions of faith. We have baptized every Sunday night and one Wednesday night. We have baptized 20, and have others getting married legally so they can be baptized. Our attendance has been down, as our school didn't start until last Monday. We now hope to hit a record, as we have more students this year than ever before. We are building two more classrooms on the lots we bought some time ago. This will give us more classes in our Sunday School. We are looking for a great school year, hoping to win several of our students and many of their parents. Continue to pray that God will keep on blessing, as He has this past month.

Del Mayfield

We have had good services in our New Mission in San Fernando. There have been 3 professions of faith, but so far no one has come for baptism. We really need a preacher for the Mission. The most discouraging thing

is to see so many places to preach and the need. Yet knowing that you can only preach in one place at a time. Pray that God will raise up workers, and workers that will work. I'm sure that we're not alone, as the need is everywhere. The door is slowly closing in South America and brethren, it's our day and while there is time let us sow. Tomorrow, next week or next year could be too late.

The river is going down, and our people at San Francisco are happy about it. There have been many families moved, but pastor Saurino reports folk being saved. I'm not sure that there will be enough students for a day school, but Bro. Saurino will stay on as pastor, at least he has promised to stay on this year, with our help.

I've visited several times a lady who made profession of faith, but never was baptized. Her husband was killed not too long ago, in an accident while he was drunk. They have 5 children (oldest 9 years old). The lady is dying with cancer. Wish each one of you could visit her with me. She asks me to sing, read the scripture and pray every time. Blessed are those that die in the Lord. It is a blessing to visit her.

Thanks for your prayers and support that make our ministry possible. May the Lord bless you all.

Yours By His Grace,  
Del. Mayfield

## In Meeting With Homer Crain With Over Forty Professions And Fifteen Baptized . . . Bought A Building Site And Need Money To Pay For It And Build Church Building

By Art Gibbs

Huanuco, Peru  
April 25, 1974

Dear Brethren,  
I went to Tingo Maria and did the preaching in the new Mission for Brother Crain and there were over forty professions of faith and Brother Crain baptized fifteen of them, mostly adults. We have been looking for a building site for a new church building here in Huanuco for ever since I have been here. We found a lot 50 meters (164 feet) frontage by 15 meters (49 feet) deep in the center of the city for \$14,000.00. The children of the man who died agreed to sell it to us for \$7,000.00 down and the balance of \$7,000.00 to be paid in one year and we bought it. We had in this fund about \$4,800.00 and are now about \$2,200.00 in the red but have a building site in the best possible location in this city of Huanuco. But we need about \$9,000.00 to finish paying for the lot or we will lose it. Then we need the money to build a church building on it.

Art Gibbs

We bought this on faith believing that the Lord will lead you who read this to give to pay for the lot and to build the building. Pray and give and mark your special offering for "Gibbs Building".

Our church is in a revival with souls saved and baptized week after week for some time. The wife of the director of education is a faithful member and several of her relatives have been saved. A prominent judge saved and baptized and faithful member, man and wife who own the restaurant next to the church saved and baptized; the son of the owner of the largest drug store saved and baptized, and two more professions of faith in Ambo and two more here Sunday night. The preacher at Ambo who was so badly burned is out of the hospital but still not healed around the neck and upper chest. Our daughter Mary fell and broke her arm which is now in a cast. As mentioned before we have to move out of the building we are renting and at present have no place to go to hold services in. We need a building and need it now. Please pray with us and give so that we can build a new building on the lot just bought.

In Him,  
Art Gibbs

## Great Meeting With Over Forty Professions And Fifteen Baptized . . . More To Be Baptized Soon . . . Bought House To Live In . . . Need Offerings To Pay For House

By Homer Crain

Tingo Maria, Peru  
April 9, 1974

Dear Brethren,  
Last week we had a meeting at our new mission and had about forty professions of faith and I baptized fifteen and have many more to be baptized when they get legally married. Brother Art Gibbs came and preached each night and we really had a great time. There was a group there that had been meeting for a few years and they came to the meeting in the tent, the first meeting we had in Tingo Maria, with Brother Del Mayfield preaching. The preacher liked what he heard and after the tent meeting we rented a place out of town, and he thought we had left. He went to Huanuco to see Brother Gibbs who was packing to go home on furlough (in 1972). So he went to Lima and talked with a Southern Baptist and bought some books about Baptists and returned. Six months ago they came and asked if I would come talk with them and the first night there were about 40. I went several

Homer Crain

nights for several weeks and explained what we believed and why, so they decided they believed what we preached, so I gave them our Articles of Faith and the Scriptures and they met three times a week and studied each doctrine and the leader and his wife, and most of the faithful group have been baptized. I will probably baptize a group in about two weeks who were not able to be baptized last Sunday. The house the Mission bought for us to live in is coming along very well. I hope to be able to complete it soon but everything has gone up in price. Part of the house is already built out of blocks. We are removing the wood planks and replacing the walls with blocks. The house is located three doors from the Tingo Maria Church building and the lot is twice the size of the Church building lot. When finished the house and lot will cost about \$6,000.00 and the lot is worth half that. This will save the Mission \$100.00 a month in rent allowance to me and also save me the amount I pay over the \$100.00 for rent, and we will have a place to keep our things in safely when on furlough. We hope each one who reads this will give a special offering marked for the "Crain House".

In Jesus Name,  
Homer Crain

## New Church Building Dedicated . . . With Churches And Conference In Manaus . . . Preachers School Again In Session With Twelve Students

By Mike Creiglow

Cruzeiro do Sul, Acre  
March 13, 1974

Dear Brethren,  
I have been to Rodrigues Alves twice this month. Everyone there enjoyed having visitors for the dedication service and everyone helped in some way. That service gave the work there a boost. At present all is well and we pray that it will continue.

During this month I have been privileged to speak at my home church here in Cruzeiro three times. This is always a blessing to me because it is a much different style of preaching than that which I must use in the river villages.

Bev, Adam, and I spent two weeks in Manaus with John and Judy Hatcher. I was honoured with invitations to speak at

Mike Creiglow

Tabernacle Baptist Church and Peniel Baptist Church. Better though was being able to attend the DMB conference and hear others instead of always being "up front".

Now that we are back home though we are getting back into the old routine. Our Bible classes started this week. The semester system here in Brazil is different, so classes begin in March. The first half of the school year is from March to July, then we have a month break. The second half begins in August and is four more months through November. There are twelve students enrolled this year in our own classes. All went very well last year and we hope that the Lord will bless us just as much this time around.

Pray for our work here and may the Lord bless yours.

In Christ,

Mike Creiglow

## Eight Days In West Virginia . . . Fifteen Days In Alabama . . . Revival Meeting In Michigan

By Bobby Creiglow

Lexington, Kentucky  
April 26, 1974

Dear Brethren,  
I was eight days in W. Va. with the following, Lookout Baptist Church where Donald Fortner is pastor. With Bro. Fortner I attended a conference a few days at the Randolph Street Baptist Church, Charleston, W. Va., Robert McNeal pastor and one night at Hurricane Baptist Church, Bro. Glenn Archer is pastor and Bro. John Hatcher was preaching and teaching on missions. From there I went to Richwood, W. Va., to be with the Riverside Baptist Church and pastor, Bro. Seacrist.

While at this church I became ill and the church paid my doctor bill. While in the same area I was with the New Testament Baptist Church, Bro. Bobby Smith is their new called pastor; this church is in Leivasy, W. Va. I was with the Oakvale Baptist Church and pastor C. Ray Wood of Edmond, W. Va. I returned home to attend and preach on the spring conference in Lexington, Ky.

I went to northern Alabama where I spent fifteen days once again in sweet

fellowship with the brethren of the following Baptist churches. New LaGrange, Bro. Bobby Amos, pastor; Bethsaida, Bro. Robert Robertson, pastor; Bursleson, Bro. Horace Clements, pastor; Mt. Home No. 2, Leonard Kimbrough, pastor. Three nights with Harmony Church in a revival, Bro. Larry Lang, pastor; Bethlehem, Bro. Carl Gastin, pastor; Popular Creek and their new pastor, Gary Phillips.

I returned home to get my family since the girls were on spring vacation and they were with me the last seven days at the Burnout Church, Bro. Earl Kerby, pastor; Mt. Olive, Bro. Ernest Vandiver, pastor; Little Bear Creek, Larry Lang pastor; New Bethlehem, Bro. Raymond Kerby, pastor. The last Sunday we were in both services at Northside Church, Bro. Paul Thorn, pastor. We returned to the home of Bro. Earl Kerby where several brethren were waiting for us to fellowship. I am at this present time in Lincoln Park, Michigan with Faith Baptist Church as evangelist in a revival, Bro. L. O. Varner, pastor. We have had very good services in all of these churches and my brethren have been very kind to me and my family, thank you all.

In Him,  
B. D. Creiglow
