BUILDING A CHURCH BUILDING IN BRAZIL: Some members of the Baptist Church at Anajativa, Maranhao in front of the frame work of the new church building they are building themselves. This is the work of George Bean.

These gathered on the bank of the creek to watch George Bean baptize at Anajativa, Brazil.

These two were baptized by George Bean into the fellowship of the Baptist Church of Anajativa, July 13, 1974. Two more Baptists in Brazil.

Last Services In The U.S. . . To Miami And Home Of The Wayne Crows . . . In Manaus Brazil And Through Customs And On To Cruzeiro Do Sul And Then To Cuiaba To Take Over Turner's Work

By Bobby Creiglow

Cuiaba, Mato Grosso
July 17, 1974

Dear Brethren,
On June 21 after a very busy day of last minute things we loaded the rented van and about six o'clock we left Lexington for Florida. About ten p.m. we stopped to spend the night in a motel just below Knoxville, Tenn. The next afternoon we arrived in Caro, Ga. to spend Saturday night and Sun. morning with Brother Billy Creel and his mother who were members of our home church in Florida. We went to church with them Sunday morning and the pastor asked me to preach for them and I am sorry that I can neither remember the name of the church nor the pastor and my records are still in my baggage that has not caught up with me yet. After a good lunch with the Creels we left them and arrived in Sanford, Florida just in time to change clothes and get to services at the Jordan Baptist Church where Bro. George Galloway is pastor. In this church I preached my last sermon in the states before returning to Brazil.

Bobby Creiglow

Monday was spent with my sister in Sanford and then on Tuesday we traveled to Hollywood, Fla. where Bro. Wayne Crow and his family were waiting for us and took us in and cared for us in every way possible. We are very grateful unto them. At last we said goodbye to the Crows who took us to the Miami airport, got on board the Varig

Airlines plane and six hours later just as sun was coming up we landed in Manaus, Brazil having had a very nice trip. Before leaving the States we had sent a list of our equipment to the Brazilian Consulate for authorization to bring it into the country and for the first time we didn't have any trouble getting through customs, in fact they did not even open anything but, that was the end of easy street. That has been three weeks ago and it has not left Manaus yet, I left it in the hands of Bro. John Mark Hatcher.

After a week in Manaus we left Manaus going to Cruzeiro do Sul where I spent just three days finding all well there with the brethren. I preached both services there on Sunday and there was one profession of faith in the morning service. On Monday I left for Rio Branco and then on Tuesday on to Cuiaba. The Turners did not know when I would arrive and were not at the airport to meet me and I did not have a street address of theirs but after about an hour of searching I found them and we have had a very good time of fellowship together. I have many new thing to learn to take over the work here and I guess I will learn most of them after they leave which will be in a few days. I like it here very much and only wish my family that I left in Cruzeiro was here with me.

While in Manaus I preached twice for Bro. Bratcher and once for Bro. John Mark Hatcher. Pray for the work here in this place.

In Him,
B. D. Creiglow

Trip In The Interior . . . 110 In Outdoor Service . . . Baptismal Service . . . Church Building Their Own Building . . . Pastor To Soon Be Ordained

July 15, 1974

Dear Brethren,

Greetings in the name of Jesus and may God's Grace be with each reader of the Mission Sheet.

This has been one of the average months here for us. Nothing unusual has happened, just the old steady grind in the service of our dear Lord. New Hope Baptist Church last night, July 14, we observed the Lord's Supper; yesterday morning I baptized one dear old sister that had made a profession of faith last month. Our Bible Institute is out for vacation now.

Saturday, July 12, I went to Anajativa to baptize two that were waiting baptism. After the baptism I went to the pastor's home for a delicious rice and chicken supper. That night we had 110 people present for an outdoor meeting. This is the first time that I have been to this church in two years. Bro. H. H. Overbey preached here July 3, 1972 when he was here on his trip. The preacher here is not ordained yet but we plan soon to have an ordaining service. I believe this is progress when a church can and will go on by themselves without the assistance of the missionary. For, if the case should come that we would have to leave then they could continue on by themselves. They are building a new meeting house as the other has fallen down. They are doing this with their effort and money.

George Bean

The work at Carema goes on about the same even though we have three waiting baptism. The crowds are large but for some reason the people have not yet responded to the preached word. We leave this with the Lord as He is the one that calls people unto salvation. Our job is to be preaching Jesus unto every creature and whoever He chooses to save is good with us.

May the Lord bless everyone is our prayer and goodbye until next time.

Yours in Him,
George Bean

Fifteen Years In Brazil . . . 394 Members . . . Anniversary Service To Be In New Building . . . Need Funds To Finish Building

By Harold Bratcher

Manaus, Amazonas
July 15, 1974

Dear Brethren,
Fifteen years ago today we arrived in Brazil for the first time to begin our missionary labors. We praise the Lord for His goodness to us during these years.

We are looking forward to the anniversary service of the church which will be held on the night of the 23rd. The church now has 394 members. More than 100 of these belong to one of the eight missions of the church. The church began the year (July 1, 1973) with 363 members. 45 were received by baptism, 24 by letter or statement or restoration, 29 were lost by exclusion, 6 by letter and 3 by death.

Harold Bratcher

These days were spent laboring in the construction and the regular work of the church. We are planning to hold the anniversary service in the first floor of the new building.

Brethren, pray for us. We are anxious to be able to give the word for the construction

to go forward at full speed instead of the slow rate at which we are going now. We are now in the dry or at least the less rainy season of the year. Today has been a rainy day. If you give an offering to help the 14th of December Baptist Church build a new building you will cause the members to glorify God for your faith in the gospel of Christ and your liberal distribution unto them and they will pray for you.

By the time you read this letter in the Mission Sheet, our son, Asa Mark (the Lord willing) will be back in Kentucky to continue his college education. We are not looking forward to his leaving us on the 7th of August. We ask your prayers on his behalf as well as on my behalf with Marie and Stephen as we continue our labors in the Lord's vineyard here.

Be blessed! Help the Bratchers build a Baptist building in Brazil!

We pray the Lord's richest blessings to be upon each of you.

Yours in His Service,
Harold Bratcher

Trips To Interior . . . Young Preachers Being Taught . . . Teaching About Cults

By Mike Creiglow

Cruzeiro do Sul, Acre
May 14, 1974

Dear Brethren,
I have been to Villa Rodrigues Alves several times this month. All of the services have been well attended. The weather has been getting better, so the crowds have increased quite a bit. Eli, one of our young preacher brothers, was able to get away from one of the other works one week-end and went with me. It is always helpful to take someone new for the people to hear. Last week Bev and Adam went with me. There was a very big crowd for the morning service and most went on down to the river with us for a baptism service. I baptized two young men.

Mike Creiglow

Pastor Jader asked me to bring a number of messages on the cults. I am presenting these messages on Wednesday nights. Roman Catholicism is the nominal religion of most people here. Underneath this facade though

is a greater movement of 'Espiritismo' or 'Umbanda'. It is hard to see why so many would put such great faith in the occult. Even the very rich and very learned ardently follow after the likes of Allan Kardec. The rank and file follow the plain and simple work of witchcraft, intermingled with spirit mediums. What shocks most though is to see a person who claims to be a Christian, in a moment of despair, take a child to a witch doctor to be healed.

Our Bible classes have gone on with lots of hard work for students and teacher.

The dry season is coming but the rainy season is good for river travel. Most people here make a living by fishing, hunting, sawing, building, planting or something similar. The floods really brought all of these to a standstill this year. This is hard on our folks so we are relieved to see the dry season come in. We are all thankful to our Savior that He was merciful during the floods and that He has given us good weather again.

May He bless you all as well.

In Christ,
Mike Creiglow

Good Meeting With Crain . . . School Started . . . Eight Baptized At San Fernando Mission . . . Expecting Group From The U.S.

By Del Mayfield

Apartado 166
Pucallpa Peru S.A.
July 15, 1974

Dear Brethren,

We planned last month during the week of vacation for our school between the 1st and 2nd trimester to be with the Crains in a meeting. We had also planned on driving the van over to Tingo, but there was some body work to be done, and the fellow was to have it done in three days, but it took him almost three weeks. So I had to go by myself by plane. We had a good meeting, some saved, others for baptism and one brother who was a member here, came saying the Lord had called him to preach. That was the blessing to me and I'm sure for the Crains. We need workers here, more than anything else. I'm sure that Bro. Crain will write more about the meeting.

Del Mayfield

One other reason Ada didn't go to Tingo with me was that the septic tank for the school baths stopped up and there was only one way to fix that, dig a hole and build another one. So Ada had some of the work done when I got back. We didn't get to start school for some 4 days, this we'll have to make up

at the end of the year. I'm glad that we have that problem solved for a while.

We have had good services here this past month. Last night we baptized 6 and the Sunday before we baptized 2. These are all new members from the Mission at San Fernando. We now have three complete families. Hope that soon we can start our new building and will be able to organize another Baptist Church. Hope you'll continue to pray for the work and for workers. We just don't have enough to preach and to teach the Word.

We are now using the new classroom seven though they are not completely finished. It sure is a blessing with the 326 students plus that we have in school. We also have our Institute on Monday nights. I'm teaching two classes and we're enjoying every minute of it. We have our five students from San Francisco coming again this year. I really don't know how they do it, but they do. Almost 4 hours coming and going, up the river and back down, for two hours of classes. I'm sure, great will be their rewards for faithfulness. Thank the Lord for them.

We're expecting a group of young people from the USA next Sunday. I'll tell you about their visit next month.

May the Lord bless you all.

Yours by His grace,
Ada & Del Mayfield

Nineteen Years A Missionary To Brazil . . . Great Goals Set For Future . . . Back To Brazil After Furlough

By John Hatcher

Lexington, Kentucky
July 19, 1974

Dear Brethren,

Just outside our door the rented 'U-Drive It' truck is parked and loaded with the baggage of John Hatcher and the Paul Hatcher family. On that truck is equipment for use on the mission field by two missionaries. It is not an easy job to buy, package and ship to a foreign field but we have tried to do the job patiently and joyfully as unto the Lord. Needless to say this equipment is for use over the next four years and even longer.

God has placed the greatest desire and burden for the enlargement of the work that we have ever felt. Human effort cannot succeed so pray that the Holy Spirit will direct and empower

John Hatcher

that the impossible might be accomplished. Three goals have been set: (1) Evangelization in every State in Brazil, (2) the development of a good printed ministry, (3) greater outreach in the work of the Bible School. There is no need greater than that of native workers who are trained and faithful. Pray that God will supply this great need. Remember that missionaries are human and for the most part they have a lonely life and we do need you, your prayers and your interest in financial support. The cause of Christ is worthy of your investment and Baptist Faith missionaries give account of every cent spent in the work. Money that was invested by churches in our work in Brazil nineteen years ago is still being utilized in the way the churches which gave designated it to be used. Pray that the years ahead will be the greatest in the work of the Lord.

In Him,
John A. Hatcher

Home On Furlough After Three Years In Korea . . . House Ready To Move In . . . Already Visiting Churches

By Louie Carver

July 18, 1974

Dear Brethren,

Before leaving Korea June 27th I had baptized two more in Seoul and our last service in Korea June 26th we had six respond for various reasons and a great Spirit in the service. Also the mission building was up and services in it on Sunday June 23rd; another of God's marvelous blessings; the building is not completely paid for as yet.

Please pray for Bro. Choi and Bro. Chong as they take care of the work in Korea in my absence; that God shall bless their ministry to His honour and glory.

Leaving Korea we left many at the airport in tears and we left with heavy hearts. Upon arrival in L.A. we were met by our dear friends Mr. and Mrs. Wentzel and daughters who treated us royally until departure time of our plane. Then upon arrival in Lexington, Kentucky, June 28th, we were met by many of our dear friends from the Lexington area as well as Bro. and Sis. Hatcher and my two sisters from N.C. The Fellowship Baptist

Louie Carver

Church had a house awaiting us in spotless condition; the refrigerator had been filled with food. How great God is and how wonderful His people.

I have been in the following churches the two weeks since arriving in the States: Sunday a.m., June 30th, Bentley Memorial Bapt. in Lexington, Ky., Bro. Gumm is pastor; June 30th p.m., Fellowship Bapt., Lexington, Bro. Fenison pastor; July 3rd, Thompson Rd. Bapt. Lexington, Bro. Hamilton pastor; Sunday a.m. July 7th and July 10th, Newfound Bapt. Merritt Is., Fla., Dr. Jimmy Jackson pastor; and July 24th p.m., Lockhaven Bapt. Kissimmee, Fla., Bro. Righby pastor. We enjoyed being in each of these churches and trust that God shall richly bless each of them.

I am scheduled to be in seven churches the next two weeks; if you would like us in your church please write us at the above given address or call us in Lexington, Ky.

May God richly bless each one who've prayed and given to make our ministry in Korea possible and our arrival on furlough possible.

In Hospital In Lima Peru For Tests . . . Need Funds For Building The House To Live In . . . Souls Saved In Tingo Maria And Ambo

By Homer Crain

Dear Brethren, July 15, 1974
Several have been saved in all of our missions and the church here in Tingo Maria. July 5th I went to Huanuco to pick up the windows and doors for the house we are building. While I was in Huanuco I preached for Brother Gibbs in his mission in Ambo and we had a house full of people and two young men made professions of faith. Coming back to Tingo Maria I started having terrible back pains and when I arrived back in Tingo Maria I had to go to bed. I came back in the pick-up truck that brought the windows and doors. Sunday afternoon I had to come to Lima and enter the hospital and tomorrow they are to tap my spine and remove the marrow of my

Homer Crain

spine and put in some type of fluid to take an x-ray of my entire spine. I have pain across my back and down both legs.

My family is in Tingo Maria and I am hoping to get out soon and get back to work. I do not know if they plan to operate or not. We had planned to be in the house by the first of August, but, I do not know what is going on while I am away.

July 18th 5 young people from the states came down and at this date they are in Tingo Maria and all are being a great help to my wife packing and getting ready to move. They plan to do some painting and if I get back in time we plan to have a meeting in Aucayacu. Remember to pray for us also that each one will try to give something this month on the house. We need your help today. Thank you again for your prayerful support.

Classes For Preachers And Others . . . Twenty-Two In Attendance . . . Trips On The Rivers . . . 300 Mile Trip Planned Up River . . . Many Professions . . . Building Garage And Boat House

By James Kissel

Dear Brethren, July 16, 1974
Greetings to all of our brethren who labor and pray for us here on the field. We are truly thankful for each one who continues to help us. We are having very unusual weather this year. The river should be low and the weather hot, but it has rained every day for the past three weeks and the river is rising. It has also been cool and we have had to close the windows in our house.

James Kissel

It seems that we are busier than ever, as we have begun classes one night each week for the preacher brethren and others who desire to study. We have had twenty-two attending this class. Also we have been on the river, visiting the different places, each week. Two weeks ago we visited our mission at Marupa, downriver about 70 miles. This past week we were in Pena Blanca, on the Itaya River. The Lord willing, next week my wife and I will leave for Marupuco, which is about 300 miles up the Marañon River. We have never made this trip by boat, so it will be a new experience for us, as these rivers are treacherous.

There were six professions of faith in the mission at Pena Blanca last week. The church at Tamshayacu reports five professions at their new mission called Quebrada de Tamshayacu. I baptized three adults also from the mission Nuevo Progreso, which is

a mission of the Fourth Church. This, we believe, will be organized before long. We had one profession of faith in the First Church and three adults baptized this past week. When we haven't been busy with other things, we have been as Paul, mending nets. We are building a new garage, attached to our house, where both the car and boat can be kept in safety. We covet your prayers, as we labor here in Peru.

May the Lord bless each one.

Yours in Him,
James Kissel

Ill With Virus . . . No Place To Rent For Services . . . Earnest Plea For Offerings To Build New Building

By Art Gibbs

Apartado 7

Huanuco, Peru

July 20, 1974

Dear Brethren,
This has been one of our most difficult months since coming to Peru as I personally have been very sick this month and several of the family to a lesser degree. I have some kind of virus infection that resists all the antibiotics I have taken to date. When I finish this letter I will have to go back to bed. I have been getting up to preach at all of our services here in Huanuco but I have not been able to go to Ambo on Friday nights as is my custom. We thank God for the faithful brethren who carry on in our absence.

Art Gibbs

We are also feeling the pressure as our time in our present building is now limited to just 2 months before we will have to leave and the possibility of obtaining another place to meet even more impossible. There are just not any buildings large enough and there just are not enough funds available for the ridiculously

high rents. There are not any public buildings available because they are all under control of the catholic system.

It seems as though the only door open to us is to build, but here again at least \$10,000 is needed to finish paying for the lot and begin the construction. When I was home on furlough many of the pastors and brethren asked me what they could do to help me in the work. I pray that all understand that I am not asking this for myself. The property and buildings will be in the name of BFM until the brethren here pay for it in full. I do not ask this for myself but for my brethren here. If only one half of those who asked what can we do would lead their churches to give a special offering this month for the 'HUANUCO BUILDING', we would have more than enough to begin the construction. I challenge those pastors to set a goal of \$1,000 and to encourage your people to give as unto the Lord.

Once again the Lord blessed us here with several saved and baptized. May the Lord bless you all.

In Him,
Art Gibbs

Busy Getting Permission To Leave Brazil . . . Creiglow Arrives To Take Over Work And Build Church If Funds Come In To Do So

By Richard Turner

Caixa Postal 720

Brasil, S.A.

(Editor's note: The Turners arrive in the U.S. for furlough July 24)

Dear Brethren, July 16, 1974

This month has been spent trying to get ready to come home. We got all our documents in order to leave the country but found out yesterday that we cannot get permission to leave the country here because of problems with our permanent visas. We also heard from the lawyer in Rio de Janeiro about our application for permanent visas and found out that there were more documents needed, in fact, a complete new application for Wanda. Tomorrow I'm going to Rio to see if I can't get permission to leave the country.

Tuesday of last week Brother Creiglow arrived

Richard Turner

and we are happy to have him in our home these days. He has certainly been a blessing to us here. He will be taking care of the work here while we are at home, and living in our house.

Sunday, we had 15 services. This month our attendance has been somewhat lower than usual and so we were glad to see our attendance up Sunday.

Brethren, Bro. Creiglow has come here with the will to build a building. We think we can build here for about \$10,000. If ten churches would give \$1,000 apiece we could get it built and into it. This amount would build a plain but efficient building. Remember the work in your prayers and give as the Lord leads you.

We are looking forward to seeing many of you soon.

May God's blessings be upon you.
Yours in Him,
Richard A. Turner

Souls Saved . . . Good Attendance . . . Pentecost Preacher Gets Saved And Baptized . . . Need Funds To Build Building . . . Wife's Breast Tumor Not Cancer

By Walter Lauerman

Apartado 1218

Tegucigalpa, Honduras

July 16, 1974

Dear Brethren,

In our church we had 2 saved. S.S. was in the upper 70's and the 80's. Our night crowds are up much to about the 70's. This is good for us. Many lost are coming and all but maybe 5 or less of our 25 members are always in all services. We have a start to a good work here perhaps one day. In the Ayeastas mission: 1 saved, an ex-Pentecost preacher and wife saved and baptized. This man was a Pentecost for 16 years (is 33) but never could take all they taught, etc. Ever since we have had that work over there I have been talking to him and trying to show him his error. I mentioned him in one of my MSL. So he has handled the services there for 2 weeks and has done real good so far. Pray with us about him and his wife. They seem to want to serve and agreed before our church in a

Walter Lauerman

business meeting to only preach Baptist doctrine and if in doubt to ask the pastor, etc. He is straight on security and the church but needs, as all young preachers, to get refined some.

After this letter I intend to say as little as possible about the need for a building for the second work. For 8 months now I have asked for help, etc. and a very few have done so, so I intend to just try to leave it with the Lord. We have explained all point by point so there is nothing left but to wait on the Lord to move on hearts as yours.

My wife was operated on June 26. I brought her directly home and put her to bed. She is fine now and the removed tumor from her breast showed no malignancy. Again we are grateful to the Holy One for it all and BFM that paid for the operation. Just 2 weeks after the operation Deloris' dad died, but she is strong and took it right well as a child of God should. All the rest of us are the same and we all thank you for your support in all ways.

By His Grace,
Walter F. Lauerman
