Overbey And Rogers Trip To Peru

We visited the work of Homer Crain in Tingo Maria, of Art Gibbs in Huanuco, of Del Mayfield in Pucallpa, of James Kessel in Iquitos. We saw 11 of the 14 churches in Peru and six mission points. Overbey preached 8 times and Rogers 7 times. Two came for baptism, one profession of faith, one confessing sins, one wanting to live a more consecrated life. The missionaries are doing a great job. They work at the job of missions. The work is there to see. You would be blessed by going and seeing it. No "honey dripping" so called "prayer letters" in the MISSION SHEETS. The letters are news of actual mission work being done. Remember all offerings are used 100% in mission work. No one supports a "board". No one "belongs" to Baptist Faith Missions. No one "joins" or "unjoins" Baptist Faith Missions. A sound Scriptural Baptist Mission work with each missionary doing his work under the authority of a Baptist Church. If you are opposed to using the services of Baptist Faith Missions, then you should be opposed to using the services of a bank or a building contractor, etc. Don't let the jealous haters of Baptist Faith Missions deceive you. There are other good sound missionaries and mission works, but none sounder or better than the work of Baptist Faith Missions, and none more efficient. Come to the Thanksgiving Conference. We will keep and feed you.

Moved Into New House . . . 240 Present Sunday Morning . . . Eleven Baptized . . . Overbey And Rogers Come And See The Work And Preach . . . Need Heavy Duty Mower

By Homer Crain

Apartado 70
Tingo Maria Peru S.A.

Dear Brethren,
October 20, 1974
We have moved in the new house (unfinished) preparing for our first anniversary of the organization of our church in Tingo Maria.

We had been waiting three weeks for the tile from Lima and finally I had to drive to Lima to get it. While I there the earthquake took many lives and destroyed town after town. I was thankful that we had no damage in Tingo Maria.

October 9 Brethren Overbey and Rogers arrived and it was a real blessing to welcome them to Tingo Maria. Their first night here they both preached to a full house (about 160).

Friday, Oct. 11, I drove the brethren to Huanuco to be with Bro. Gibbs over the week end.

Saturday, Oct. 12 the Lord blessed with eight coming for salvation and baptism.

Sunday, Oct. 13, 240 for morning service. Sunday afternoon I baptized 11, eight into the church in Tingo Maria and three into the new mission.

Homer Crain

Oct. 14 we drove to Aucayacu and we had 111, Brother Rogers preached and Brother Art Gibbs translated.

Oct. 15 we went to the new mission on the road to Pucallpa that meets in a brother's home. Brother Rogers preached again and I translated, a great service.

Oct. 16 we took the brethren to the airport, checked their baggage and then they told us the flight was cancelled. At 2:20 p.m. we started on the long trip to take them by highway to Pucallpa. We arrived at 8:45 p.m. in time to hear the message. Nora and I arrived back in Tingo Maria 11:30 Friday night.

Today was the first flight we have had since last week, as it has rained every day since the brethren left.

Brethren, we need your help. We have 195 feet across the front of house and church by 325 feet deep we desperately need a heavy duty mower. We can buy it here in Peru for about \$600.00. While you are thinking about it please send your check to BFM for "Mower-Tingo Maria".

October 24 my wife and I will complete 25 years together serving the Lord and his people. She continues to be a real blessing to my work. Pray for us.

In Jesus Name,
Homer R. Crain

Work In Ayestas Going Good With Six Baptized There Now . . . Need Offerings To Build Church Here . . . Hurricane Did Not Come Here, But Lots Of Rain Came

By Walter Lauerman

Apartado 1218
Tegucigalpa, Honduras

October 15, 1974

Dear Brethren,
In Ayestas mission we had 45 average in S.S. and up to about 25 in night services. Two professions of faith and I baptized 3 from there as well as 1 from our church. So there are now 6 baptized in that work there. There are 4 more that have made professions out there that are contemplating baptism. We do not baptize all that make professions here, only when they seem to answer questions about their salvation that seem sound and then married also. Here in our church we had that one baptism I told about above and that was the only profession of faith we had this month. We had 75 in S.S. and about 30 or so average at night due to the rains this month. We

Walter Lauerman

need that building now in Ayestas. We have had some disciplined members come back to visit. They usually do. We have had a few repentances also this month which always helps.

Hurricane FiFi did not damage anything here much as in the northern part of the country. It did rain here 25 inches in 3 days and about 40 inches in a week and that is 5 inches over the normal fall here yearly. Our house is badly made and it leaks badly with many other things it has. We cleaned up water day and night for days.

Deloris had an inflamed gland (forgot the name the doctor called it) and it caused tremendous welts that raised up to an inch high and very red and hot. She is better now but the terrible itching has not gone completely yet. She was very sick for several days and still is weak. We thank God for you all always. You are the ones that keep us here, with your interest, prayers and money.

By His Grace,
Walter F. Lauerman

Temporary Church Building Finished And In Use . . . Twelve Professions And Six Baptized . . . Overbey And Rogers Visit Our Work In Huanuco And Ambo

By Art Gibbs

Apartado 7
Huanuco, Peru
October 21, 1974

Dear Brethren,
We have completed the construction of the "adobe", mud brick, temporary building that we will be using until we can build the permanent meeting house. All the brethren, including myself, are very much encouraged since we moved to our new property and into our temporary home.

The Lord has blessed in so many ways this past month as we had 12 professions of faith, baptized 6, and had 1 profess a call to preach. Bro. Hafford Overbey and Bro. Luther Rogers came to visit us and to see the work. Bro. Overbey is Secretary of Baptist Faith Missions and pastor of Twelve-Ryan Baptist Church. Bro. Rogers is pastor of Pathway Baptist Church in Sterling Heights, Michigan.

They visited and preached both in Ambo

Art Gibbs

and in Huanuco. Our brethren here were very much encouraged by their visit and also blessed by the preaching of the brethren. On behalf of the brethren here; thank you for caring enough to come. If there are others who perhaps have been contemplating visiting a foreign mission field and perhaps are doubtful about how you would be received, I am sure that all the missionaries would join me in saying, you're more than WELCOME.

I would also like to express my gratitude to the brethren for another record month for offerings designated for our Huanuco building. We are so thankful to our home church, Twelve-Ryan Baptist for the way they have been so faithful in helping and also to many old friends who have stood by us in this our hour of greatest need. I would also like to express my appreciation to those brethren who have rallied to our side whom we do not personally know. You have brought tears to this missionary's eyes. God bless you all.

Services In Church Building Everyday . . . Thirteen Services In Homes And Open Air . . . Four Baptized . . . Record S.S. Attendance Of 354

By Harold Bratcher

Caixa Postal 227

October 16, 1974

Dear Brethren,
These days have been spent in Manaus. Since the first day of September the 14th of December Baptist Church has held at least one service each day in the church building. We held thirteen services in homes or in the open air during the month of September. Whereas the children of Israel marched around the walls of Jericho seven days we have marched as it were around some walls for almost 50 days asking the Lord to send someone to buy our old building that we might be able to pay some debts (especially the ones we are paying interest on), and continue the construction of the new building. We ask your prayers and as the Lord lays it upon your heart, your offerings designated for the "Bratcher Building". The construction continues at a standstill.

We rejoice that the work of preaching, teaching and baptizing continues. We can-

Harold Bratcher

not report any miracles but you'll rejoice with us to know that last Thursday we held services in a home where an eight year old girl was still unable to walk after being struck by a motorcycle some several weeks ago. I promised to carry her to church Sunday morning. Sunday morning when I went after her I learned that she had already gone to the church. She had walked and her father and mother both had accompanied her to church.

Also, we rejoice that we were blessed on the last Sunday in September with another record attendance - 354 in Sunday School. Our average attendance in S.S. during the month of September was 271 - another record.

On that Sunday (5th of September) I baptized four and there were four professions of faith.

The Lord willing, I'll be in a revival with the Manacapuru Mission from the 18th through the 24th of November. Pray for this revival. The pastor of the mission is Moises Ferreira Lima.

May the Lord bless and guide during the Thanksgiving Conference.

Yours In His Service,
The Harold Bratchers

Eighteen Professions At Eirunepe . . . Trips To Mourapirana And Rodrigues Alves . . . Good Services And Good Attendance With Prospects Of Organizing A New Church

By Mike Creiglow

Cruzeiro do Sul, Acre
October 16, 1974
Dear Brethren,
This has been another good month for us, with many great blessings to report to you.

We arrived back in Cruzeiro do Sul from Eirunepe three weeks ago. The family and I had gone there to help Brother Roy Deamore in a twelve day meeting. The services were all very good. There were eighteen professions of faith during those twelve days. There were usually some 150 persons in each service and all gave their full attention every night.

Brother Wilson, pastor of Refuge Baptist Church of Mourapirana, is traveling up the Juruá this month. He asked me to visit his church as often as possible

Mike Creiglow

while he is away. I was there two weeks ago. The services were good, with more than 80 in each. Brother Eli, one of our young preachers, went there last week with similar results.

This past weekend was spent at Rodrigues Alves. Brother Jose Odali, who is a lay worker and a student in our Bible classes, went with me. There were over 40 persons on Sunday morning. There were a few less in night services since it rained all afternoon and into the night. Several of our folks and I are working on getting legal marriages through and preparing for baptisms. We are trying to get this done so that all of the Christians there will be members when we organize the new church at Villa Rodrigues Alves. We hope to have all in order very soon.

In Christ,
Mike Creiglow

Temperature Over 100 . . . Hatcher Visits Cuiaba . . . Six Professions Of Faith . . . Services Held In Carport . . . Paper Work For New Building . . . Need A Pickup Truck

By Bobby Creiglow

Caixa Postal 720
78.000 Cuiaba, MT
October 17, 1974

Dear Brethren,
It has been very hot with the temperature over 100 almost every day and the larger house that we had been praying that the Lord would give us at a price we could afford, is to rent for about three hundred dollars per month, of course we didn't rent it.

We had just gotten our visitation program started and the first Sunday morning we had sixteen in services. That was the most we had ever had in a morning service. That night we only had ten. Bro. Hatcher arrived on the following Wednesday and we had services every night while he was here, four nights, with good attendance each night. The largest crowd was thirty-nine and we had six professions of faith. Bro. Hatcher left on Monday night and the following Wednesday the Lord blessed with twenty-seven present. On Sunday morning the Lord bless-

Bobby Creiglow

ed again and we had twenty-one and twenty-nine in the night services. We had more adults in the last Sunday services than usual. Unless the people here know you they do not speak to you when they meet you on the street although you may live on the same street but when we go to their home we, as a rule, are well received. We think the Lord is going to give us many souls in this city.

We are having services in our carport and are in the rainy season, so we will see how things will come out.

We have started on the paper work for the church building and have found out there is more to it than we had anticipated. That is always the case but the people in public office have been very kind and helpful. Building codes are stricter than we had expected and to have a building contractor build it, it would cost thirty-two thousand dollars. We hope we can cut one third off that by doing it ourselves.

We surely could use a pick-up truck or a car as we live six miles out of downtown and our building site is one mile beyond where we live.

Yours in Him,
B. D. Creiglow

Overbey And Rogers Come To See, Visit And Preach At Faith Church, School, Arenal And San Bernado . . . You Too Are Invited To Come And See

By Del Mayfield

Apartado 166

October 19, 1974

Dear Brethren,
We just finished seeing off Bro. Overbey and Bro. Rogers for Iquitos, after being with us a few days. It's been a real blessing having them in our home and church. They didn't arrive in time for all the service Wednesday night, but last night we had a wonderful service. Bro. Rogers preached and then Bro. Overbey. We had several special numbers in song; the choir from the Iglesia Bautista de Libertad - Liberty Baptist Church (Arenal), also two quartets. We had a brother from San Francisco who played his guitar and sang. On top of all that we had our choir and two other special musical numbers. It was a real good service.

Del Mayfield

It was also good to have the brethren with us in our Friday morning church service for our school children. Bro. Overbey brought them a good message.

Let me invite you to come and see the work. It is good for us, and I'm sure you will be blessed. Come and see for yourself

what the Lord has done and is doing here on the field.

We will be praying for the Thanksgiving Conference, that it will be the greatest ever. Hope each one who reads the mission sheet will give as the Lord leads for the needs. Brethren, if you can not go then send others that the word may go out. I'm sure that we don't have long to get the job done, so let's do what we can while there is time.

We start a revival meeting tomorrow, and are praying that many will be saved, and that the Lord will add them to the church. Pray for us.

Yours by His grace,
Del. Mayfield

Children Home From School For Visit . . . Building, Teaching, Preaching And Praying . . . No Let Up . . . God Is Blessing

By George Bean

Caixa Postal 500

October 17, 1974

Dear Brethren,

Our three children, Cathy, Jonathan and Mary Ellen that study at The Fortaleza Academy were home for eight days this month. It was sure good to see them and to see their good report cards that they brought home with them. They will come back home for the Xmas holidays for almost a month.

Our work goes well here in Sao Luis at The New Hope Baptist Church, we are going to devote the month of November as a special month of prayer. We are praying for a great revival here in our State.

We are building some new bathrooms onto the church as we did not do this when we built the building for lack of funds. They are just about finished. The Bible institute is going full swing Monday and Tuesdays nights we have 10 students with the most being preachers. Brother, we do not let up, we want to

George Bean

expose false teaching and uphold the Truth and exalt the Lord Jesus Christ as the hope of fallen man.

Villa Maranhao has just about gone under, the former pastor stayed on the field after resigning and his testimony of drinking and his wife has gone with the occult (secret or hidden false religion). May God give us faithful men with faithful wives to stand in the Gap and proclaim the truth and "Say it as it is".

Peritoto Baptist Church has had a revival (without special services) some members that had been excluded for making trouble came back repenting with tears and trembling asking to be reinstated into the fellowship of the church. My council to Bro. Ricardo paid off as I always told him to wait on the Lord and He will give the victory every time.

May God give us grace and patience to stand in these evil days.

May God's Grace be with each one and do not forget to pray for BFM and the many projects.

Yours in Him,
George Bean

News From Korea . . . With Churches From Mich. To Tenn. To W. Va.

By Louie Carver

116 Paris Avenue
Lexington, Ky. 40505
October 17, 1974

Dear Brethren,

I am in the home of pastor Artis France and in a meeting with the Algonac Missionary Baptist Church, Algonac, Mich., where France is pastor. Have been good services.

Received letters from Brother Choi and Brother Chong who are caring for our work in Korea in my absence.

Bro. Choi reports that he baptized four last month at Shin Nae Baptist Church in Seoul and had four saved who were awaiting baptism. The attendance is good and a tremendous spirit in all the services; however, one faithful young lady has been hospitalized due to a nervous problem, please pray for her. Bro. Chong, who cares for the mission in the country, was a bit discouraged. Seemingly Buddhism was giving him a fight, a man of influence had died who was Buddhist and due to his death it had caused much confusion in the village. Also, perhaps, the most influential families in the village had

Louie Carver

moved losing three of the best members in the mission. Pray hard for Bro. Chong and the mission. I asked Bro. Choi to go up and preach in at least a week-end meeting at the mission hoping it will encourage both Bro. Chong and mission members. Overall things are going well in Korea.

I have enjoyed another good month here in the States, having been in the Blue Grass Baptist Schools during both chapel services Sept. 20, Bro. James Miller is principal, the school being located in Lexington, Ky.; was with the Loganna Baptist Church for both services Sept. 22, Brother Joe Lloyd pastor, near Nicholasville, Ky. From Sept. 23-29 I was with the Berea Baptist Church and pastor C. G. Sego in Clarksville, Tenn. in a revival meeting. While in Clarksville also preached in chapel at the Clarksville Baptist College on Sept. 26th.; Oct. 6, with Lilley Valley Baptist Church, Rainelle, W. Va. Brother Wm. Toney pastor; Oct. 13, both services at Beech Grove Baptist Church, Lancaster, Ky., Brother Bobby Green pastor.

In The Deep South Of Brazil On Mission Journey . . . The Need Is So Great . . . Need Offerings To Expand Work

By John Hatcher

Curitiba, Parana
October 17, 1974

Dear Brethren,

Would to God that I could write in words the feelings of my heart. To see entire cities, large and small to say nothing of thousands of little villages where the entire population live in the darkness of idolatry.

Today this letter is being written from the city of Curitiba, a city of 700,000; 95% have never heard the gospel. In the city of Garcas, 600 miles from here, five days of visiting house to house, passing out tracts in public square, and during those days not one person was found who had attended a Baptist service or message.

Five great days with Brother Bobby Creiglow where six young persons made professions of faith and the prospect of

John Hatcher

having a Baptist Church there to exalt the name of our Lord (He could be their Lord after the gospel is preached) ought to cause every phase of our mission work to launch out to new regions; missionaries who are willing to go and churches & persons willing to send.

My dear brethren, your help in prayer and support is needed and needed now. Never have I seen the need of so much, needed so soon, for so many who know not Jesus the Saviour.

In Him,
John A. Hatcher

One Hundred Miles Trip . . . Eleven Professions Of Faith . . . Painting And Repairing First Church Building . . . Lord Is Blessing

By James Kissel

October 16, 1974

Dear Brethren,

We have been repairing and painting the First Church. We also visited several of our missions on the rivers. I was in a meeting, helping another missionary, about 100 miles from Iquitos, where we preached in a thatched roof, open sides and a dirt floor, but what a blessed time we had.

There were 11 people that came professing Christ, some of them pure Yagua Indians and the others mixed blood. Very few of these people have received the gospel and some missionaries have worked there for 20 years. So, we thank the Lord for His blessings on His word. We were with the church at Hojeal for two days, where there was one who made a profession of faith, a lady of about 60 years old. Many

James Kissel

of the pastors of the churches and missions have not been here as yet, due to the fact that we plan a special service, where we pray they will all be present to meet Bro. Overbey and Bro. Rogers. Our pastors do mission work in addition to their church work. The pastor of the second church made a long trip up the Marañon River this past month. Also, the pastor of the third church is now in one of his mission points, preaching for one week. There is a great need for more workers, as there are so many places as yet untouched with the gospel.

It is now supposed to be our hot season but the rains have begun early and the rivers are on the rise. Many say it perhaps will rise the highest ever, as it has begun to rise so early, so this will mean much suffering for the people. We are anxiously awaiting the arrival of Bro. Overbey and Bro. Rogers.

Yours in Him,
James Kissel

Printing Equipment Released From Customs After Two Months . . . Working Day And Night . . . Wanda Studying Portuguese

By Paul Hatcher

October 15, 1974

Dear Brethren,

It is great to see God work on our behalf; He made it possible for all the printing equipment to be released from customs after two months of hold-up. All the equipment has been unpacked and repairs made to the damages caused by the trip. Pray for the printed ministry, for it will be one of the tools to reach hundreds of thousands in this nation.

We joined the Tabernacle Baptist Church the first Sunday we were here. They extended an invitation for me to work

Paul Hatcher

as Minister of Sunday School and Outreach for the period of our stay in Manaus while setting up the printed ministry.

I spend from 7:00 a.m. to 5:00 p.m. in the printed ministry; in the evening and Saturday and Sunday I work in the outreach ministry of the church. Wanda studies Portuguese morning and afternoon, and is doing very well.

I had the privilege of leading a young man to Christ; and Sunday, two others made public professions.

Yours in Christ,
