### 33 Years As Editor Of The Mission Sheets

With this issue of the paper we begin the 34th year as editor of the MISSIONS SHEETS without missing an issue. Join with us in thanks and praises to our God, and pray for a great year of mission work in Brazil, Peru, Honduras and Korea with several churches organized.

### The Needs Are Great And Urgent

We do not know how to stress the great needs for the approved mission projects and the urgency of them. Please pray and give. May the Lord lead you to take on one or more of the projects and give monthly until completed.

### Bratcher Building, Manaus, Brazil

Thousands of dollars are needed to pay off the loans that were gotten to buy the materials and build the first part of the building. Mark your special offering for "Bratcher Building".

### Gibbs Building, Huanuco, Peru

About three thousand dollars are needed to pay the deficit on the lot and temporary building and then funds to build new church building. Mark your special offering for "Gibbs Building".

### Turner Building, Cuiaba, Brazil

Bobby Creiglow has started on the trenches and concrete footing of this building. Offerings are needed to continue until it is built. Mark your special offering for "Turner Building".

### Lauerman Building, Tegucigalpa, Honduras

By the time you read this Walter Lauerman should be at work on the footings for this building and he estimates that he can build it with about \$3,000.00 more. Mark your special offering for "Lauerman Building".

### Crain House, Tingo Maria, Peru

We need about \$8,500.00 to pay for this house and lot in full. The Crains are now living in it. Mark your special offering for "Crain House". The Crain church building is now paid for in full.

### Hatchers New Work In Other States

John Hatcher hopes that in time we can have churches in every State of Brazil. Mark your special offering for "New Work in Other States".

### Printing Equipment

Paul Hatcher is getting the printing equipment in order to print a paper in Portuguese and tracts, etc. so that the work can spread all over Brazil and feed the Baptists everywhere in that country, indoctrinate them and make them to be sound in the faith. Mark your special offering for "Printing Equipment".

### Increase Your Regular Monthly Offerings

With the inflation everywhere we need an increase in the regular monthly offerings. Please pray about this and then help in the matter as the Lord enables you to do so. It would help if all you who get the MISSION SHEETS each month would send in an offering to help in the printing and mailing of the paper.

To pay the deficit on projects already completed, so that the regular fund can be paid back: Mark your special offerings for "Bean Building", "Mayfield Building". Also, need a pickup truck for Bobby Creiglow. Mark offering accordingly. And a car for Carver in Korea. Mark offering for it and a great need is for airplane passage to send missionaries to the field and bring them home, etc.

### Baby Daughter Born In Brazil . . . Permanent Visa Granted . . . Work On Printed Ministry

By Paul Hatcher

Dear Brethren, December 15, 1974

December 2 we had a lovely little addition to our family; we have named her Leigh Anne. We pray that God will guide her life to be used by God to the advancement of His kingdom. Wanda is recovering well, for which we are greatly thankful to our Lord.

December 13 we received a telegram indicating we must be in Chicago at the Brazilian Consulate before January 7 to receive our permanent Brazilian visas. This rushes us considerably, with the new addition; but we are so thankful they were issued so soon.

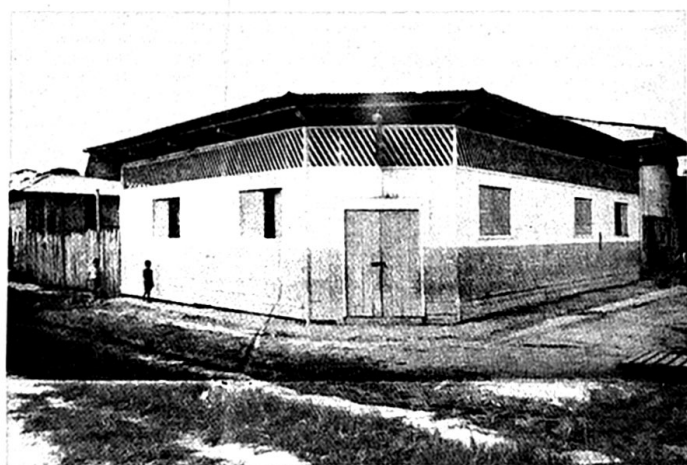

This month we have been in the process of

Paul Hatcher

putting in water and sewer for the printing room. With Bro. Mayfield's help, we built a darkroom for the photographic work. Materials are very expensive - we paid \$8 for each ream of paper (500 sheets); but it is a ministry that works around the clock. Invest in a ministry that pays good dividends: saving of souls and edifying of saints. As you read this, pray for this ministry and prayerfully propose in your heart to lay aside ten cents a day to help place Baptist literature in the hands of Brazilians. "Sure I am only one, but I am one. I am not everybody but somebody. I cannot do everything, but I can do something. And what I can do I ought to do. And what I ought to do, God help me to do." Ranaah P. Hatcher

It is never too early to make plans for your special Thanksgiving Offerings.

Fifth Baptist Mission, Iquitos, Peru. James Kissel hopes to organize this mission into a church before he comes home on furlough in 1975. James Kissel built this building.

### River Trips To Several Places . . . Missions And Churches Visited And Preached To . . . New Mission Building Started In Iquitos

By James Kissel

Apartado 183

December 16, 1974

Dear Brethren,  
The Lord continues to bless His work, in the jungle, in spite of Satan and his workers, who seek to tear down and destroy. We have made two river trips to Marupa, where we had good services, good attendance, where we also have two to be baptized soon.

All those at this place are members of the First Church. I also preached several times in the 5th mission, where one was saved and two were baptized. These are also members of the First Church, but we hope to organize this mission into a church before we come home next year. The mission at Santa Rita is not growing, due to the poor testimony of the pastor's family. This month we have also visited the church at Tamshayacu, the Second and the Third Churches, here in the city. They all seem to be in good harmony and working together with their pastors. The Second Church has started a new mission, in a new section of the city and are now building their own building, with the help of the First Church, but they are doing most of it themselves, which shows progress. They are growing in attendance, with several saved and baptized and I am sure, if the Lord tarries His coming, will also one day be another Baptist Church organized in Iquitos.

James Kissel

We thank each one for your support of the work here all this year and want to especially thank those who have sent letters and cards at this time of year. Thank God for each one.

Yours in Him,  
James & Evelyn Kissel

Dear Brethren,

I have been with the following churches this past month: Nov. 24th a.m. & p.m., Emmanuel Baptist Monticello, Ky., Bro. Richard Folger, pastor; Nov. 25-28 at the annual B.F.M. Thanksgiving Conference, Warren, Michigan which is sponsored by Grace Baptist, Bro. E. Clark pastor and Twelve Ryan Baptist, Bro. H. Overbey pastor. This was a tremendous conference with a great spirit. Dec. 1st a.m. & p.m., I was with the Bryan Station Baptist, Lex., Ky., Bro. Al Gormley pastor. Dec. 4th First Baptist, Island City Ky., Bro. H. Becknell pastor; Dec. 7th and a.m.

Louie Carver

of Dec. 8th Storms Creek Baptist, Ironton, Ohio, Bro. J. Orrick pastor; Dec. 8th p.m. through Dec. 10th Emmanuel Baptist, Hurricane, W.Va., Bro. G. Archer pastor; Dec. 11th Elizabeth Baptist Church, Bancroft, W.Va., Bro. H. Walters Supply pastor; Dec. 12th Point Pleasant Baptist Mission, Point Pleasant, W.Va., Bro. O. Arbogast mission pastor. From Dec. 13th through 15th Waverly Rd. Baptist Church, Huntington, W.Va., Bro. S. Fisher pastor. I truly enjoyed being with these churches and their fine pastors.

My wife and family request your prayers in regards to surgery which my wife is to undergo Jan. 7, 1975. Many of you know of my wife's polio foot; she's to have surgery in order to fuse the ankle bones.

Received letters from the brethren in Korea. The attendance is down some at both the church and the mission, however, it seems that things are going quite well. Bro. Choi reports three professions of faith at the Shin-Nae Baptist Church in Seoul also says they had a good Thanksgiving Service with a good number present. The week-end meeting at the mission was good for the people there with one saved and one baptized.

Pray much with us as we pray and plan to return to Korea in a few months because we'll have to start all over as far as finding housing, getting transportation, etc. Thanks so much for your prayers and support of our (God's) work in Korea. Mark your special offering for "Car for Carver".

Yours in His Service,  
The Louie Carvers

## Cathy Bean Marries In Brazil . . . Working On Building At Carema . . . Plea For Offerings To Pay Building Deficit

By George Bean

Caixa Postal 500  
Sao Luis, Maranhao, Brazil 65,000  
Dec. 16, 1974

Dear Brethren,  
Saturday, December 14, at 7 p.m. at New Hope Baptist Church our daughter Cathy was married to Mauricio A. Pereira. They have been dating some six years and they seem to be a happy young couple. He was saved and I baptized him six years ago, he has been treasurer of the church for three years. He is a first year dental student at the University of Maranhao. We had about 125 friends present for the reception. We are happy to have Mauricio as our son-in-law.

George Bean

I have worked six days on our building at Carema and the building is back in use even though we still have about two or three days of work to be done. November 28 New Hope Baptist Church had her annual Thanksgiving Service with about 120 people present for

supper. Then after supper we heard two wonderful messages by Brethren Ricardo and Sostenes. Both are pastors in the interior of the state. After services we served a large number of people cake that June had made special for this day. We all had a good time and the Lord was exalted, this is most important.

New Hope Baptist Church is built and in use but there is a deficit of \$1,192.15. This is owed to the regular fund from which salaries and expenses of the missionaries are paid from. WE NEED YOUR HELP to get this deficit paid off. Many asked us while we were home if there was anything they could do for us. This is an approved project and you can make your offering to BFM for Bean Building. Many have stood by us from the beginning and we thank God for your faith in us and that you have an interest in the work of the Lord at New Hope Baptist Church here in Sao Luis.

May the Lord bless each one.

Yours by Grace,  
George Bean

## Mayfields Come From Peru For A Visit . . . Roof Falls In On Part Of House . . . Printing Equipment Now In Working Order . . . Paul And Wanda Have A Baby Girl

By John Hatcher

Caixa Postal 227  
Manaus, Brazil S.A.  
December, 1974

Dear Brethren,

We had a good visit with the Mayfields from Peru. They were with us about ten days and we really enjoyed them and the fellowship. He preached for us at Tabernacle Church and for Peniel Church where Julio Dantas is pastor.

Paul and Wanda had a baby born, a nice fat little girl. The first girl among the great grandchildren. Both are doing fine.

The long room on the side of the house where we have the washer, dryer and stove has to have a complete renovation. Paul went to change a light socket which was bad and the whole roof

John Hatcher

dropped down. The rafters are completely eaten up from the moisture and termites. If the repairs are made to the house we can make into two living quarters, it could serve both families since we will be traveling into other places and that way someone will always be with the house. The cost will be saved in part by not another rent.

All the printing equipment is in working order now and as soon as possible we hope to have a young man trained for the work.

In Him,

John A. Hatcher

(Editor's note: We hope the Lord will lay it on the hearts of several to help pay for the rebuilding of this part of the Hatcher house and also to help pay for the deficit on the printing equipment. Mark your special offering accordingly.)

Dear Brethren,

We had a great trip to Manaus, Brazil. The fellowship and the hospitality was just wonderful. The Kissels picked us up at the airport in Iquitos and we were to leave the next day, but had trouble getting out of the country and back in. The days spent in Iquitos were a real blessing to us, wonderful time with the Kissels. The Hatcher's in Manaus also went all out to show us a good time. We really appreciate the love and hospitality shown us. Had the opportunity to preach for Bro. Hatcher, Bro. Julian Dantes and Bro. Kissel. Our trip was just great!

Del Mayfield

The work here is going forward. Our last business meeting the church voted to build

the building in San Fernando. We have the lot all cleaned off and working on the plans and permit to get started building. We're going to build columns and put a roof up and then start preaching in it and little by little finish the walls and the floor.

We're also repairing our home. We're putting some more footing under it hoping that it will quit cracking. We've had several earthquakes, and one just yesterday. We also are trying to get two more classrooms built for the new school year. That will start the first of March. Brethren, pray for us, as all the building we have started is by faith, and I'm sure that is the way the Lord would have us do it.

Friday night is the closing of our school year for 1974. We will also have our graduating program. Wish you all could be here for our program.

May the Lord bless you all.  
Yours by His grace,  
Del. Mayfield

## Need Offerings To Pay For Lot And House . . . Government Taking 82 Feet Off Rear Church And House Lots . . . New Year's Eve Service Planned

By Homer Crain

Apartment 70  
Tingo Maria, Peru, S.A.  
December 19, 1974

Dear Brethren,

(EDITOR'S NOTE: The Tingo Maria Church Building is now paid for in full. The Crains are now living in the new house and it is all finished except some work inside which Brother Crain is doing. We need about \$8,500.00 to pay for this lot and house in full, and this need is urgent. We pray that several will give a special offering toward this each month. Please help us. Mark your special offering for "Crain House". Any offerings marked for Crain Building will be applied to this project.)

We are now in the peak of the rainy season with rain about every day and night. Also with the rain comes land slides that close off all the roads. The road to Pucallpa has been closed for three weeks.

Also the road to Acayacu has been closed off part of the time, which keeps us from getting to Acayacu for services and to finish building the walls around the lot.

The Brother who has been preaching in Acayacu will finish his

Homer Crain

time out this week-end and then I will have to start going twice a week myself. This is really difficult in this season with all the rain.

We had three professions of faith here in Tingo Maria and the Lord continues to bless in the services here.

New Year's Eve we plan to have our first New Year's Eve service since we have been in Peru. All the brethren from both missions will be coming to Tingo Maria to be with us.

We have been having trouble with getting Bibles, there have not been any Bibles to buy for more than six months. I have 16 brought from Ecuador but do not know when I will get more.

The government is taking 25 meters (82 ft.) off the back of our property to widen the airport, the people are upset but it seems that we cannot do anything about it. This includes 25 meters behind the house and church. This is the condition we are in here in Peru.

In Jesus Name,  
Homer R. Crain

## Another Term Ended For Classes For Preachers . . . Some Gasoline Has Arrived . . . Trips To Rodrigues Alves . . . People Being Indoctrinated

By Mike Creiglow

Cruzeiro do Sul, Acre  
December 11, 1974  
Dear Brethren,  
Bible classes ended this week. The school year ends in December here, so we are now in our "summer vacation". The number of students decreased toward the end of this semester. Several of the students were attracted to the political campaigns of October and November. Even when the elections were they didn't come back. We thank the Lord for those who put their Bible studies in first place and other things last. These who put God's work first will be real workers and will be blessed by Him.  
I have been with the congregation at Villa

Mike Creiglow

Rodrigues Alves every week-end of this month. The Lord blessed with a shipment of gasoline a couple of weeks ago. I walked the first two times this past month, but I was able to go in my boat the last two weeks. Attendance has been coming up again. The folks are doing more witnessing and inviting now. There have been good numbers of lost in all services. None have been saved which is always a sorrow to us. We continue to pray though and hope that you will pray also. Our Sunday morning services are dedicated to doctrinal studies; whereas all night services are evangelistic. This is because we rarely have any lost in morning services. On the other hand there are always some in any night services we hold.

In Christ,  
Mike Creiglow

## A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

## Rainy Season But A Good Month . . . Landlord To Add Two Bedrooms To House . . . Concrete Footings About Finished For Church Building . . . Need Offerings To Build

By Bobby Creiglow

Cuiaba, MT  
December 18, 1974  
Dear Brethren,  
Although we can not report any souls saved this month, it has been a good month. We have had an average of 20.5 in Sunday School and although that is not as many as we would like to see it isn't too bad considering that we are now in the rainy season. We are having services in our carport and the landlord has building materials in the carport. There is a young couple that has been attending almost all of our night services and we have been praying that the Lord will save them. We surely could use them, if the Lord sees fit to save them.  
The building materials mentioned above are to enlarge our house. I mentioned to the

Bobby Creiglow

landlord that when the Turners return they would need a larger house, so he said he would add two bedrooms on to the back of it. For one month now I have been working on the building and I think it has been going very well. The building code here requires a tremendous foundation, but if all goes as I think it will the foundation should be finished by the end of the month or the first week in January. Since starting the building I have done very little visiting, but with things the way they are we could not take care of many more than are already coming. If more come we will find some way to take care of them. We keep going seven days a week here and we are thankful that we can. We need a pickup truck very much. We need special offerings for the Turner Building so the church building can be built. Please continue to help on this.

In His name,  
B.D. Creiglow

## Permanent Visa Granted . . . Must Return To Brazil Three Months Early . . . Churches Visited In Interest Of Work . . . Need Funds To Build Church

By Richard Turner

1012 Balsam Dr.  
Lexington, Ky. 40504  
December 18, 1974  
Dear Brethren,  
The best news I have to report this month is that God has seen fit to open the door for us to obtain our permanent visas, which we applied for 3 years ago. The first of the month we received word from our lawyer in Rio de Janeiro that our request had been granted the 21st of Nov. This means that we will have to return 3 months early to Manaus where we will receive the visas.  
Since the Thanksgiving Conference I've preached at the South Lexington Baptist Church Lexington, Ky., pastor, Edward Overbey, from Dec. 1st thru the 8th. Also Dec. 5th, I preached

Richard Turner

at the chapel service of the Lexington Baptist College. December 11th, I preached at the Fellowship Baptist Church, J.B. Fenison pastor, in Lexington. December 13th thru the 15th I was with the East Keys Baptist Church Springfield, Ill., Jim Hicks pastor.  
Last month I forgot to list one church I was with in November. This church was the New Testament Baptist Church, Leavys, Va., Bro. Bobby Smith pastor.  
Thank you for your prayers and faithful support. Many have told me that they have been praying for us and our work in Cuiaba. We hope that you will continue to do so for we do need your prayers. Mark your special offerings for "Turner Building".  
Yours in HIM,  
Richard A. Turner

## Water And Sewer Lines Laid To Temporary Building . . . Baptistry Tank Installed In Temporary Building . . . Jo Has Arthritis In Her Hands

By Art Gibbs

Apartado 7  
Huanuco, Peru S.A.  
December, 1974  
Dear Brethren,  
We have been putting in a sewerage line and a water line to the back of the lot to the temporary building. I decided it would be wise to build a temporary baptistry rather than risk baptizing in the river as we are entering into the rainy season and the river will become increasingly more dangerous. I now have a 6 inch sewer line installed and the water installation on the side of the lot where we plan the driveway. The baptistry is completed and in use. I never had done anything like this before so all is a new experience for me. It

Art Gibbs

has been a great help in learning the capabilities and limitations of the people here. We finished a week of meetings. The pastor from the Kilometer 70 Mission did the preaching.

I am going to Lima for Jo to see a specialist for the arthritis in her hands and a bone specialist to check Mary's arm and I will be checking costs of building materials so as to know which materials to buy in Lima.

In Him,  
Art Gibbs and Family

(Editor's note: When Brother Gibbs builds the new building on front of lot he can hook onto the water line and sewer line now in and leading to the temporary building in the rear. May the Lord lay it on the hearts of many to give to finish paying the deficit on the lot and to build the new building. Mark your special offering for "Gibbs Building".)

## Trip To Manacapuru . . . Son Stephen Breaks Arm . . . 234 In S.S. . . . Need Funds To Continue Building

By Harold Bratcher

Caixa Postal 227  
Manaus, Amazonas, Brasil  
December 16, 1974  
Dear Brethren,  
In last month's letter I wrote that I would begin the revival at Manacapuru on Monday, November the 18th. I didn't get there until Tuesday the 19th. On the morning of the 18th Stephen broke his arm. His arm is still in a cast but he is getting along all right.  
The Lord blessed us during the 6 days of the revival. There were three professions of faith, one rededication, one by letter and two previously converted were baptized.  
The highest attendance at the 14th church this

Harold Bratcher

month was 234 on the first Sunday of this month.

We express our thanks in the name of the Lord to the churches that designated the \$1,425.00 to our building fund. We have already spent it reducing in half a loan that was due on the 8th. We need several more thousand dollars before we can continue the construction. Pray with us that the Lord will enable us to continue soon the construction that has been stopped now for six months. Give as the Lord leads you to do so remembering that if you are not rewarded now you will be at the resurrection of the just. Mark your special offering for "Bratcher Building".

Yours In His Service,  
Harold Bratcher

## Record High Of 110 In S.S. . . . Professions And Baptisms . . . To Start New Building In Ayestas In January . . . Class For Preachers . . . Need Funds To Build

By Walter Lauerman

Apartado Postal 1218  
Tegucigalpa, Honduras  
December 17, 1974  
Dear Brethren,  
We had a record attendance in S.S. of 110 and 94 average for the month. Offerings have tripled in last 2 months. Last 2 months I have had a preachers' class (preachers' level) with 7 attending. I found out also this month that we have as good an average attendance as any Baptist church and better than most. Our Bible school was a good one with 88 average attendance. So we do right well for a 3 year old work compared to others. The Lord is good to us. We had 3 professions of faith this month and I baptised 2 from the mission in Ayestas. I have purposely tried to lead from the background in Ayestas as I thought it best and still do. This month as a whole has been the best month yet in our church.  
Ayestas attendance is steady, about 35 to 45 in S.S. and 25 to 30 at night services. There are 2 families that are trying to get papers together to marry so as to be baptised. We need the building badly over there now. It looks like we will get started on the building about Jan. 10. I now have about half of what I need to completely finish that building. I will need about \$3,000 more, more or

Walter Lauerman

less. I spent \$8,125.45 on lot, building and all the furnishings on first building. That is a good deal. This building will cost about the same and will be a better deal because materials have gone up so much in a year. We thank all that have given and continue to give toward this second building. I am sure the Lord will bless you immensely if you have a part. We pray that after this building that our work here will be in a position to build its own buildings. That is our plan at least. May the Lord bless you all for His glory. Mark your special offering for "Lauerman Building".

By His Grace,  
Walter F. Lauerman
