## Please Read This And Pray About And Do As The Lord Leads

The Louie Carvers are to return to Korea after furlough. The Richard Turners are to return to Brazil after furlough. The Mike Creiglow is due home from Brazil for a year furlough. The Walter Lauermans due home for a year furlough from Honduras. The James Kissels are due home for a year furlough from Peru. The Del Mayfields and Homer Crains would like to come home for three months so as not to be away from their work longer. The estimated cost for airplane fares is \$11,054.00 and at present we do not have the funds for the plane tickets. Will several pastors lead their churches in giving a special offering of \$1,000.00 and several others of \$500.00 and in lesser amounts as the Lord leads and enables. Please pray and give.

## Annual Spring Missionary Conference, Lexington, Ky. March 31, April 1 and 2, 1975

### Conference In Manaus, Brazil

John Hatcher announces a Conference to be held in Tabernacle Baptist Church, Manaus, Brazil in January 1976. Only eleven months away. Plan now to go and if enough will go we may be able to get excursion fares.

## The Greatest Needs For Offerings At Present Time

The first greatest need is an increase in regular offerings to pay salaries and expenses, or else the missionaries will not get full pay. Next, is offerings for airplane fares. Next is special offerings for:

BRATCHER BUILDING, MANAUS, BRAZIL

TURNER BUILDING, CUIABA, BRAZIL

LAUERMAN BUILDING, TEGUCIGALPA, HONDURAS

GIBBS BUILDING, HUANUCO, PERU

BOBBY CREIGLOW, RICHARD TURNER AND LOUIE CARVER NEED CARS TO USE IN THEIR WORK ON THE MISSION FIELD. PLEASE PRAY AND GIVE AND MARK YOUR SPECIAL OFFERINGS ACCORDINGLY.

Remember that when you give to Baptist Faith Missions that there are 13 missionaries, not just one, and that all offerings are used 100% in the mission work. Only missionaries get paid out of offerings sent to Baptist Faith Missions. All directors serve as a labor of love.

## Mission At Rodrigues On The Up With House Full And Standing On Outside. . . All Pastors And Evangelists Report Good Spirit Everywhere. . A Month Trip Planned Far Up Jurua River

By Mike Creiglow

Cruzeiro do Sul, Acre January 7, 1975

Dear Brethren,  
The mission at Villa Rodrigues Alves has picked up again, which is encouraging, to say the least. As you may recall attendance had been down, both among our folks and visitors. All is back to normal now and we hope to push things even further ahead. We have even had a couple of services with the building full and many standing outside. There are several of our visitors who are concerned about their spiritual being. I have talked to them personally and have prayed for them. Won't you pray for the mission and these lost people?

Mike Creiglow

I met and talked with the pastors and evangelists from the churches in the area this month. They are all in good spirits and give good reports about their works. It was especially good to hear from the church at Barao. The Church was in bad shape for a while. Some of the brethren from here visited the church there and since then things have really looked better. There have been some people saved and some of the backslidden have returned. An Indian man, Brother Mario, is preaching there and doing a good work.

This week I am to start a trip to the upper Jurua River. If all goes well I will be going as far as the Peruvian border. It has been a long time since I have been there and there are many who need the Gospel between here and the border.

In Christ,  
Mike Creiglow

## Keeping On Faithfully In Services . . . Foundation For Turner Church Building Now Finished . . . Work Will Continue As Funds Come In . . . May Have Found Location For New Work

By Bobby Creiglow

Cuiaba, Mt.

January 17, 1975

Dear Brethren,  
Our services have been going along pretty well with about twenty in each service and a high of thirty-four. We have not had many new faces, but at least some are beginning to make it a habit of coming regularly and there are several adults among them that we are praying the Lord will save.

The foundation for the building is finished and now we are having fill dirt hauled and we calculate it will take from forty to fifty truck loads to fill it. We are thankful for the good conference offerings for this building as we have not had to stop work. Much of the work I have done myself so that what money comes in can be used for materials. I have just hired day laborers because skilled labor is very high. We see in the M.S. that there was another good offering this month for the building so perhaps with what I still have on hand and this offering we will be able to work another month as we wait on you brethren to give more.

While on furlough I mentioned to some of you brethren that our plans after taking

Bobby Creiglow

Bro. Turner's place for a year were to return to Rio Branco, Acre to start a new work there, but while there enroute to Cuiaba from Cruzeiro do Sul I spent part of a day and a night in Rio Branco and was told by some friends there that a group of Baptists are starting works in every section of town. For this reason it seemed to me that my labors could be better used in some other place that does not have a Baptist work. We have been praying about a city just across the river from Cuiaba. Although I had never visited this city of over ten thousand people I often wondered whether or not there was a Baptist work there, so last Saturday I took a taxi going up and down the streets and found several false religions, but no Baptists. From this city, high on a hill I looked back across the river and saw a small village of five hundred families and after talking to the taxi driver about it I asked him to take me there. There was no church there of any kind and near there, within walking distance, I found about ten thousand more people amongst which I did not find one gospel preaching church. The need was and is much greater than I ever could have imagined. Pray that God will show us what He would have us do about this.

In His Name  
B. Creiglow

## Great Victories And Blessings . . . 17 Professions Of Faith . . . Church Exercises Discipline . . . Need Offerings To Pay For Lot And Building

By Art Gibbs

Apartado 7

Huanuco, Peru

January 20, 1975

Dear Brethren,  
Praise the Lord we have had another great month in Huanuco with the Lord giving us many victories and blessings. We have had many to profess Christ publicly, we were blessed to have our son home with us over the holidays, the new toilet room at church is completed, some disciplined members restored, and the work both here and in Ambo strengthened.

During the last month we were blessed with 17 professions of faith, 9 here in Huanuco and 8 in Ambo. This past month we had the sad task of disciplining 6 of our members, 3 of which were supposedly preachers. The pastor of the mission in Ambo and the Judge being among the preachers disciplined. As usual after a church discharges her duty in this respect we have experienced a fresh out-pouring of the Spirit. Four previously disciplined members have been restored and the work has definitely been strengthened by the many who were saved afterwards.

Since the disciplining of the former pastor of the mission in Ambo I have begun

## Many Churches Visited . . . Mrs. Carver Has Surgery To Fuse Bones In Ankle . . . To Return To Korea In June . . . Plea For Funds For All Projects

By Louie Carver

116 Paris Avenue  
Lexington, Ky. 40505  
January 15, 1975

Dear Brethren,  
This has been another good month as all months are with our God and Father at the end of directing.

My wife just returned home yesterday from eight days in the hospital. She again had bone fusion in her right ankle and is expected to be in a cast for approx. 4 months; the Dr. says it should be healed in time for us to return to Korea in June as scheduled. Please pray with us that it will be a successful surgery. Received a letter today from one of our members in Korea and he says things are going quite well with the work there. They have started weekly prayer meetings among the membership at the Church.

Louie Carver

I have been in the following churches this past month: Dec. 20th Beary Mt. Bapt., Edmond, W. Va. Bro. Ted Holliday pastor; Dec. 21st Rupert Missionary Bapt., Rupert, W. Va., Bro. Martin pastor; Sun. Dec. 22nd a.m. and p.m. Oakvale Bapt., Danese, W. Va. where Bro. Ray Wood is pastor, and from there we spent a couple of days with my folks in N.C. and on to

Fla. and spent a few days with my wife's mother and father. While in Fla. Dec. 29th a.m. I preached at the First Bapt. Cape Canaveral, Bro. H. Tatum pastor; Dec. 29th p.m. Orsino Bapt. Courtney, Fla. presently they have no pastor; on the 1st of Jan. at the Park Ridge Bapt. of Gotha, Fla., Bro. Doug King pastor; then back to Lexington, Ky. where on Jan. 5th p.m. I again preached at the Fellowship Bapt., Bro. J.B. Fenison pastor. I also appreciated being with the Dana Adams while with the churches in W. Va. I appreciate the above churches and their faithful pastors as well as each church and their pastor that I've been with thus far while being on furlough.

I'm sure you brethren get tired of hearing pleas from us Missionaries but brethren where can we turn but to you and the churches you pastor; Paul was talking to a church in Philp. 4:19. Claim it and God will bless you and your church for it. We do truly thank God for the way in which many of you have responded to our needs as well as our regular support. With the inflation hitting so hard (even harder in other countries and for sure hitting hard in Korea) we truly need your help on these special needs as you see them monthly in the Mission Sheet.

Yours in His Marvelous Grace  
Louie Carver

## Two Disciplined Ones Restored To Fellowship . . . Regular Trips To Carema . . . Former Pastor At Villa Maranhao Excluded . . . Children Home From School

By George Bean

Caixa Postal 500  
Sao Luis, Maranhao  
Jan. 15, 1975

Dear Brethren,  
Sunday, January 12, we had two brethren at New Hope Baptist come before the church repenting of their sins and asking to be restored into fellowship with the church.

I have been to Carema each Friday night of this month and some days the crowds are larger than they are at others. It depends on the rains or weather. I am glad that the weather does not affect the saints of God that are born again by the Grace of the Lord, they

George Bean

will be in the services rain or shine. At Villa Maranhao the former pastor was excluded for drinking and living a life that was bringing disgrace on the name of the church. There seems to be a better spirit in the services, etc.

Mary Ellen and Jonathan were home from The Fertiliza Academy Dec. 14 until Jan. 5. It sure was nice having them home again and I am sure that they enjoyed it also.

We have sowed the seed of the word of God this month but as far as we know there have not been any professions of faith. We try to sow the seed and leave the results with the Lord.

May God bless each one is our prayer and goodbye until next time.

Yours in Him,  
George Bean

## Builds Baptistry Tank In Church . . . Members Of Family Of President Are Baptized . . . Plea For Funds To Pay For House Now Living In Tingo Maria . . . Plan A Three Months Trip Home

By Homer R. Crain

Apartado 70  
Tingo Maria Peru S.A.  
January 20, 1975

Dear Brethren,  
We have been so busy here that we seem never to have time to write all the letters that we need to. We appreciate getting your letters and we hope that you all will understand that we do not have time to answer all the letters that we receive.

Our helper here in Tingo Maria is planning to get married in April, so we will be busy helping him in every way we can. He is marrying a fine Christian girl and a Baptist. Please pray for them. They have nothing to start out with, but she will be a great blessing to him and the work here in Tingo Maria.

Due to the rain we cannot baptize in the river, the water is running over the banks. Last week I built a baptistry tank and we baptized two last Sunday night. The first time the people here in Tingo Maria had seen a baptism inside a church. I baptized the daughter and son of the

Homer Crain

president of the Bank Of The Nation. This makes three out of his family. His wife has made a profession of faith and attends all the time, but she has many problems to straighten out before she is to be baptized.

We plead with all our friends and brethren to help us with the new house. We need your special offerings now. Someone has said that it looks like we are called upon to give-give-give as long as we live. That is what it means to be a Christian. By everyone giving some we could soon pay for the cost of the house. The house is built well and will serve many missionaries in the years to come. Why not write a check today and send it to BPM-for house in Tingo Maria.

Our plans are to come home in May if we can get all things done before we leave, if so, we hope to see you all then.

In Jesus Name,  
Homer R. Crain

(Editor's note: Whether the Crains come home for three months as planned, depends on whether we have the funds for plane fares for them. At present we do not have the funds.)

## Several Professions Of Faith And Several Baptized . . . Work On River Visited . . . Hope To Organize New Church Before Coming Home On Furlough

By James Kissel

Dear Brethren,  
January 16, 1975  
The Lord has blessed His word this month, with several professions of faith and several baptized. We have been out on the river, visiting the work and preaching in various places, during the month.

There was one baptized into the First Church. The church at Tamshayacu reports seven professions of faith. We spent three days at our mission at Marupa, where we had two professions of faith and I baptized five, some who had gotten legally married. Some places are impossible to reach now as this is the

James Kissel

beginning of our rainy season. Our mission at Santa Rita is impossible to visit, as the water is still too low to enter with my boat, and too much water to walk into, as it is about 45 minutes walk, if the land was dry. Our mission here in Iquitos is doing quite well and we hope to organize it before too long.

There are a great many places that have no preaching whatsoever, but we lack workers that are faithful to go and preach. We have been blessed in the fact that all ten churches have pastors and also two of the missions. Pray for us, that the Lord will raise up faithful men to help us in the work here, who will be willing to go. Not only here but there in the States also. May the Lord bless each one is our prayer.

Yours in Him,  
The Kissels

Luther Rogers, Art Gibbs and Hafford Overbey in front of Art Gibbs' Temporary church building, Huanuco. The building is built of mud bricks dried in the sun (Adobe) and plastered over to protect from the rain.

## Great Numbers In Attendance At Services . . . Report For Year 1974 . . . Start New Year With 386 Members . . . Celebrate 20th Wedding Anniversary . . . Plea For Offerings For Bratcher Building

By Harold Bratcher

Dear Brethren, January 15, 1975  
Our Sunday School attendance at the 14th of December Baptist Church for the last Sunday in 1974 was 252. On the 31st of last month we had our Watchnight service.

I baptized four young people that night with more than 200 people present. On Wednesday night, January 1st we had 100 in Prayer Meeting. On Thursday night I spent over an hour in a discussion with two "Jehovah's Witnesses". On the 3rd of January a group of us from the church went on the launch to Curari where we held services in a home. Last Sunday we had 245 in Sunday School with some 6 asking for membership either by letter or by baptism if the church deems it necessary. Sunday night we had 210 present and 1 profession of faith.

Permit us to share with you our report for 1974. We began the year with 373 members. We lost 41 (6 by death, 17 by letter and 18 by exclusion). We gained 54 (42

Harold Bratcher

by baptism and 12 by letter or reconciliation). Thus we began the new year with 386 members.

We express to the Mission our thanks for their help in our building program. We still do not know when we will be able to continue the construction of our new church building. Pray with us that the Lord will enable us to continue soon the construction that has been stopped now for seven months. Give as the Lord leads you to do so remembering that if you are not rewarded now you will be at the resurrection of the just.

Permit me to close with a family report. On December 27, 1954 Harold Foley Bratcher and Hattie Marie Moore were united in marriage before Pastor Clarence Walker at the Newby Baptist Church near Richmond, Ky. We celebrated our 20th wedding anniversary with the members of the 14th of December Baptist Church, Manaus, Amazonas.

We pray the Lord's richest blessings to be upon you.

Yours In His Service,  
Harold Bratcher

## Souls Saved And Baptized . . . New Classrooms Being Built . . . Government Stops Work On Building In San Fernando . . . May Lose Lot . . . Plan To Come Home For Three Months

By Del Mayfield

Dear Brethren: Apartado 166 Pucallpa Peru S.A. January 16, 1975

The Lord willing we plan to be home for the Spring Conference, and then only a few months. We would like to mention this as some may want to write and invite us to visit your church and tell of the work. The last time we were home for only a short time, some wrote us and we did not get your letter until we returned to the field. If you wait till after the first of March, write to us at 902 Brown Street, Alton, Illinois 62002.

This has been a good month for us here. There have been six saved and we have baptized six. We have others who are getting married legally so they can be baptized. This is a real problem here in this Catholic country. There are thousands who live in fornication, and adultery.

We are building three new classrooms for the school and hope this year to use our new building for the school, instead of our church building. This will give us a better Sunday school and we can arrange the rooms different and also use it for our Bible Institute. Pray that we may get it finished in time as the rains have begun and the mud is terrible.

We have some bad news about our work in San Fernando. After getting the plans for the building approved and the building started we got orders to stop work as they were going to replan the whole section.

That means they may plan us right off their plans. Pray that we may get permission to start work and can get the building finished. Much of the material we had already bought, and have it on hand. These are trying times, and we need your prayers.

We helped the Libertad Bapt. Church in their open-air service and we had a great time, with several saved. They have asked

us to help them once a month with this work of their church. We appreciate them asking us, and it's been a real blessing for our church.

Yours by His grace,  
Del Mayfield

(EDITORS NOTE: Whether The Mayfields come home for three months as planned depends on whether we have the funds for plane fares for them. At present we do not have the funds.)

GIBBS (Continued from page 1)

to preach there on Sun. afternoon as well as is our custom on Friday nights. Oh how great is the need for the Lord to raise up men who will be faithful to the word and dedicated to the Lord and his work. This without doubt is our very greatest need. We need your help in the purchase of lots and the construction of meeting houses. But above all we need your prayers that God will raise up laborers to work while it is yet day, before the Lord should declare the harvest over and the world rushes headlong into the day of HIS wrath.

Please remember the need that we have at this moment to finish paying for our lot in Huanuco, and our need for a building here. If my figures are correct we owe as of now approximately \$3000 on the lot and will need perhaps double that amount to build a building sufficiently large to meet the need.

May the Lord bless you all. Thank you for your prayers and support.

In HIM,  
Art Gibbs

## Building Footings And Foundation For New Building . . . Need Funds To Finish Building . . . Services At Mission Ayestas Getting Better . . . All Time Average In Church Of 99 . . . Good Spirit And Good Offerings

By Walter Lauerman

Apartado Postal 1218 Tegucigalpa, Honduras January 18, 1975

Dear Brethren: We are building the building in Ayestas. We have the footing one meter deep and a half meter wide below the ground done and the forms set to start pouring the footing on top of the wall. By the end of this week we hope to be starting on the walls, the Lord willing. I am again directing and working along right with the other workers as I did last time on our first building. Please pray with us as we run into so many problems in building here. Also pray that the Lord would lead you to give toward this. We need about \$3500 to complete

Walter Lauerman

all. Things are high here as everywhere, but we think that amount will be enough to finish all. Services in Ayestas mission are getting better all the time, about 45 at nights now and 60 in S.S. They really need this building.

In our church here we had an all time high average in S.S. 99 for the month of Dec. \$44 offerings. That is about 15% of all our members income. This does not include our offerings. We have a good spirit and our members are faithful in spite of all their problems. We had 1 profession of faith. I hope to baptize soon 4 more. The Tuesday night preacher class is down to 6 now but those that come show concern and growth. We are all fine at this writing and pray you all are also. Once again we thank God for all of you that make this our ministry of the Lord possible.

By His Grace,  
Walter F. Lauerman

## Five Days Visit To Mission Point In Interior With Up To 120 In Services . . . Mission Building Own Church Building . . . Conference Planned For January 1976 . . . You Are Invited To Come

By John Hatcher

Dear Brethren, Manaus, Amazonas January 15, 1975

The Psalmist wrote saying that the Lord crowns the year with goodness and the paths of the Lord drop fatness and the pastures are covered with flocks and the valleys are covered with corn. The people shout with joy and sing. God has crowned the past year with goodness and we praise Him for the blessings. Psalm 65 is a great missionary psalm full of promises for God's people. During a five day's visit to one of our mission points in the interior God gave us good services with crowds of 100 to 120 each night and three mornings crowds of children which averaged 70. The mission pastor is supported full time by the Tabernacle Baptist Church here and the

John Hatcher

people at the mission are building their buildings. They finished the floor the day I arrived there and so the service in the new building was held that night with over 100 present. All they lack now is the siding.

Our church gave \$700 during the last three months of the year and our goal for 1975 is \$4,000. Other goals that we have for the new year are: 6 new works in at least four new States, one visit to every house in Manaus, 2 new churches organized, 2 new workers on salary by the church and a Bible Conference in the Month of January of 1976. (You are invited.)

After returning to Brazil, our family began giving an extra amount per week for our mission work here. My, how God has blessed us and how needy we are of His blessing for the work ahead. Have you considered your investment in the Lord's work?

In Him,  
John Hatcher

## Churches Visited In Kentucky . . . In Special Meeting In Clarksville, Tenn. . . Visits Mother In Paducah, Ky. . . Need Funds To Continue Building In Cuiaba

By Richard Turner

1012 Balsam Dr. Lexington, Kentucky 40504 January 21, 1975

Dear Brethren, I was at the South Irving Baptist Church, South Irving, Ky. Bro. Joe Hendricks pastor the 22nd of December. I preached in the morning service. The 27th of Dec. I and my family went to Paducah, Ky. to spend a few days with my mother. While there I preached at Beech Grove Baptist Church on the 29th in both services and then on the 31st I preached at New Union Baptist in their prayer meeting service. Bro. William Bowers is pastor of Beech Grove Church and Bro. Neal Hawes is pastor of New Union Church. The first I visited the South Side Baptist Ch. in

Richard Turner

Paducah. It was good to be able to spend a few days with my mother again.

Starting out the new year I was with Bentley Memorial Baptist Church, Lexington on the 5th of January. Bro. Jerry Gumm, pastor. The 10th thru the 12th of January I was in Evansville, Ind. with Morgan Ave. Baptist Church, Bro. John M. Hatcher, pastor. The 15th thru the 19th I was in Clarksville, Tenn. with Bible Baptist Church, Bro. Elton Wilson, pastor.

I just received a letter from Bro. Creiglow today and he said the foundation of the church building is finished and he hopes to be able to continue on the walls. However, there is a need for more funds that this building might continue. Pray that God will lead you about this and as the Lord leads you give to the "Turner Building" in Cuiaba, Mato Grosso Brazil.

Yours for Jesus's Sake,  
Richard A. Turner
