Pucallpa Peru S.A. Apartado 166 May 10, 1973 We thank the Lord that the rains have passed, at least for the time being. Our atten-dance really shows the effects. We had an average of 300 for the month of April. We had a high of 343 in S.S. with others coming for church. Some have been saved, and we bap-tized 6. One family who lives quite a distance from the church wanted to be baptized after the morning service. So we had baptismal services both morning and even-ing. This was a first for us, and we really had a good time baptizing.

good time baptizing. The Lord has blessed the work here. There are so many things we'd like

to tell about, but as every one knows, our space is limited. We would like to mention this, our church is missionary. For the past several years we have supported one full-time worker, and now we have two. We also hope and pray that soon we'll have another worker for San Fernando. All the money that has come through the building fund has been used for the construction of the building. But the church here has also helped. I'd also like to add that much of their giving is a sacrifice on their part. We only hope that you will continue to pray, and will want to help them. Yours by His Grace, Mayfields

r Croin We have had a lot of sickness among our own people, many of them need blood and only a few are able to give blood because the majority of the people here are anemic and can not give blood. It is now 4:00 a.m. and I am getting ready to leave for Aucayaco to work on the build-ing. We have two lots in the main part of the town, and we have been cleaning the moun-tain of wilderness from the lot, removing stumps, etc. All of the material has been ordered for the building and promised for the first of June. Pray that the people will keep their promise and do it. We worked 13 hours yesterday and we have a long hard day ahead of us today. Also we are busy, busy, preparing for the 42 people who will be coming down next month. Pray for the group coming that God will bless. In Jesus Name, Hare P. Coming

here in our work in Manaus. After weeks of visiting and interest on the part of our people our attendance has grown but on the 29th of April we had an attendance in our Sunday School at Tabernacle of 500 persons. What a sight to see the auditorium packed and running over! John Mark and Judy arrived this month and this was an added joy. On the 22nd of April there were fif-teen professions of faith and on the 29th the re were two high school girls who professed faith. On the 6th of May, my wife and I were on a trip into the interior to visit the Baptist Church of Janauaca. During the four days there we had seven services. On Sunday the 6th, there was one profession of faith and four were baptized into the fellowship of that church. Here at Tabernacle, John Mark preached and there were two professions of

faith. The man who professed faith had asked me two or three days before if he could come to church. He has two children who study in our school and they have been want-ing to come. He came with the whole family and was saved. On the night of May 13th there were nine persons baptized into the fellowship of the Tabernacle Church. Five of these were from one of our missions. April 30th was my 48th birthday. The Tabernacle Bartist Church gave me a sur-prise birthday party and presented us with one of the most lovely living room suites that you could imagine. We were humbled to receive it for it is far more beautiful than any of them have in their homes. John Mark and Judy have a nice rented apartment until we return home. They are hard at work. John Mark is teaching in the high school, seminary and church. Judy is working hard on the language. Judy is one of the secretaries in the Sunday School and it was quite a sight to see the general secretary helping her report with the sign language and the "one" word of English that he knew. We had 22 the first night, and at least 50 were counted seated last night, with others at the doors and windows. We had a father of 2 children make a profession of faith and request baptism thus far in the meeting. If the crowds continue to grow, as we pray and expect they will, we will soon be needing more benches as we can only seat about 60 at present. This is one pro-blem we enjoy. We are expecting a great time as we continue preaching there this week.
