### That All May Know

"The Pastor and congregation of Bentley Memorial Baptist Church, Lexington, Kentucky, wish to categorically renounce any concurrence with a recent article in 'THE BAPTIST EXAMINER' denouncing Baptist Faith Missions. The writer of the article, Ray Hiatt, was a member and 'Home Missionary' from our church".

(Editor's Note: This pastor and church requested that this be inserted in the MISSION SHEETS.)

### We Are Thankful

We are thankful to the pastors and churches who have increased their regular monthly offerings to Baptist Faith Missions. The one biggest need is for an increase in the regular monthly offerings so that the 13 missionaries may get full salary and expenses. Please pray and consider and increase the offerings where you are able to do so.

#### First Baptizing In Cuiaba In New Baptistry Of Unfinished Building . . . Celebrated 49th Birthday . . . Working On Building Again . . . Need Offerings To Finish

By Bobby Creiglow

Cuiaba, Mt. August 17, 1975  
Dear Brethren,  
Just after returning from Cruzeiro do Sul we built the baptistry in the new church building and two weeks ago today we had our first baptismal service. We had waited many months for this and needless to say we were very happy about it, although we were somewhat disappointed, we expected five to be baptized, but due to some family interference from some of the candidates there were only two men. We think the others will follow soon.

On the 25th of July I told three of the men of our congregation that Betty had baked me a birthday cake and that they should come that night to help me eat it. Instead of the three the whole congregation came, so we had a party. They gave me a pretty, twelve dollar white shirt. As far as I know a party was not planned by anyone, but we all had a good time on my 49th birthday.

With the good offering we received last

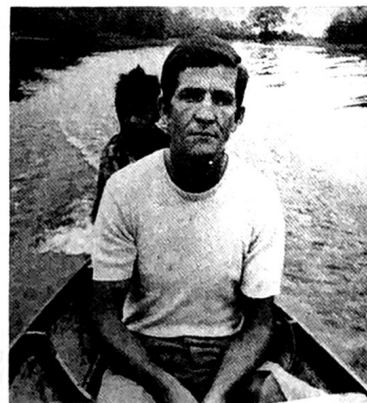

Bobby Creiglow

month we are once again back to work on the building. After several days of getting the clay packed down and leveled off for the floor and a few more days working the steel into shape for the porch roof I spent two or three more days trying to rent a cement mixer. After getting the mixer it took us two and a half days to pour the porch roof and all of the sub-floors. There were four men of our congregation, myself and one hired man working on it and our only regret is that Brother Turner was not here to suffer with us. Brother Turner is not going to get out of all of the hard work as our next big job is to put the roof on, which we will do soon after he gets here. We will be making our own steel windows after the roof is on. We can make them for about half the price that we can buy them ready made.

If all went as planned the Turners are already in Manaus, so we are taking a week out of the building to get moved into our own house and making preparations for their return. We are looking forward to working and fellowshiping with them.

School starts for our girls tomorrow and they are looking forward to it.

In Him,  
Bobby Creiglow

## Ten Professions Of Faith . . . Steel Rods On Order For Building . . . Installing Sewer And Water Lines . . . Visited Crain's Work

By Art Gibbs

Apartado 7  
Huanuco, Peru  
Aug. 18, 1975

Dear Brethren,  
We are rejoicing in the many blessings from the Lord and trying to figure out where the past month has gone. There is no time for boredom here on the mission field as there is always an abundance of things to be done and problems to be solved.

We are thankful to report that the Lord has given us 10 professions of faith this past month. Of those who made professions of faith 6 were from our mission in Ambo. We are also rejoicing in that 3 of those making professions of faith were led to the Lord by our new helper, Brother Pedro Aquinas. We are rejoicing in that at last we have a helper with a burden for lost souls, one whom the Lord is using to win others. We are indeed thankful to the Lord.

We are also thankful that we now have sufficient funds to buy the 1 inch steel

rods that were needed for the main arches and columns of our new building. The rods are on order and should be delivered sometime next week. We are especially thankful to Brother Overbey and the Twelve-Ryan Baptist Church for the designated offerings for our building here in Huanuco. We continue to labor with the materials on hand as we put together the steel rods, install sewage and water lines, etc. The work at this point seems painfully slow but praise the Lord is going forward.

We just returned from visiting Brother Crain's work and the reports received were all good as attendance is up in all the services. Brother Alberto reported that he baptized 1 in Aucayacu this past month. I was to go and help for this baptism service but sickness prevented my going.

All here are well at the moment and since my wife started taking a new vitamin formula she has had much relief from her arthritis. We are thankful to the Lord and to you who have been praying for her.

May The Lord bless you all.

## Many Professions Of Faith . . . Ground Bought For Building In Village Interior . . . Other Missions Enlarging . . . Church Supporting New Work . . . Old Benches Divided Between Missions

By John Hatcher

Dear Brethren,  
The second semester of the schools and Seminary are now in progress. God has blessed us thus far with more persons making professions of faith than previous years. Many of those professing faith have been baptized, others are going to be baptized and others which come from homes where parents prohibit them to attend, still are able to hear the Word of God preached several times a week at school.

Last Sunday there were 196 persons in the morning Bible School. A large number of our children are attending regularly. There were two baptisms last month in our church services and there were five in our mission

in Campinas. A piece of ground has been purchased in another interior village and before long, the plan is to get a building started. This month the Compensa mission has outgrown its building and they are enlarging. Our church is financing the work of our mission points. A third mission is having services more regularly now and there has been a building prepared just for the services. The old benches which were in the Tabernacle Church building have been divided between two of the mission points.

Our church also voted this past month to help another pastor financially each month. He is a member of our church and visits two churches in the interior each month and also is opening a new mission point in one of the new villages on the transamazonian highway. Pray for us that God will give added energy for all there is to do. There is a great need for faithful workers; pray The Lord of the harvest to send laborers.

## Bible Schools In Mission And In Church 330 High Attendance . . . Four Baptized . . . Disciple Practiced . . . Found Apartment To Rent . . . Through Customs In Good Shape

By Louie Carver

Kwang Hwa Mun  
P.O. Box 1184  
Seoul, Korea

Dear Brethren,  
This has been another extremely busy month but overall one filled with the Lord's Blessings upon us.

We had a good meeting and V.B.S. at the mission in the country. The meeting was well attended each night and so was the V.B.S. each morning, several made professions of faith and I baptized four (4). Our V.B.S. here at the church was also well attended despite the rainy season were in; we average 220 each day with a high day of about 330 children, actually we had more than our bldg. could take care of. Several boys and girls were saved during the V.B.S. We also had two baptized here at the Shin Nae Baptist

Church last month and had to exclude a chapter member for drinking.

We moved into an Apt. which is right nice but in one weeks time the prices on the Apts. jumped about 10% to 15%. Yet, I'm sure that God will continue to meet our needs, He always has.

While in the country last week I had another experience, that is sleeping on the pulpit area nightly but I can't say that it made me any more holy though. Also had another opportunity to eat some dog but this time I could not use the excuse of a headache like I did last term, I guess I just don't have that iron stomach as yet, although I did eat the little dried minnows again, eyes, and all.

The Lord was also good to us in that we got our things through Customs without paying any Custom's Tax on them. God is so good to us and we are so unworthy. Thanks so much for your prayers, concern and support as we try to serve Him here in Korea.

Yours in His Service,

Dear Brethren,  
August 16, 1975

Day before yesterday we welcomed the Richard Turners back to Brazil. May the Lord bless their ministry in Brazil! We rejoice in the goodness of the Lord. It is true that He has not seen fit to respond as yet to our prayers in the matter of finances but he has blessed us in giving us excellent attendance in the services, several professions of faith and several preparing to be baptized. We plan to baptize on the 31st of this month. On the 24th of July the church celebrated her 15th anniversary. We borrowed benches and chairs from three more churches thus filling the auditorium with benches, etc. There were 850 people present that night. Our largest attendance in Sunday School this year was last Sunday-315. Asa Mark, Francisco de Assis Santos and I helped Pastor Moises and the mission at Manacapuru in a revival recently.

Harold Bratcher

There were some 6 decisions made during the revival.

Last month I referred to myself as the beggar Lazarus. This month you may call me Lazarus and Bartimaeus as I'm still begging for the money necessary for the continuation of the construction of our church building. One of the men of the church suggests that if we had Cr\$10,000 (about \$1,200) we could buy Cr\$100,000 worth of materials (about \$12,000) to be paid for over a twenty month period. We don't even have the \$1,200. Now that Lazarus has begged for the building, I'll let Bartimaeus beg for a new car for me. I'm driving a 10 year old jeep that has seen better days. I'm wondering if I'll be able to get the license renewed in October for it. It is in bad shape and the repairs on it are expensive. Enough begging for now! We rejoice in the Lord and will continue to be faithful to the Lord whatever is your response to our pleas in the name of the Lord Jesus Christ, the great head of the church!

We're planning to be in the interior September 9th - 26th. Asa Mark will be returning to the States on the 20th of this month. Pray for us.

Yours in His Service,  
Harold Bratcher

## Over Fours In Brazil . . . Ready For Furlough . . . Young Men Trained To Preach . . . Paul Hatcher Visits And Helps In Great Meeting . . . 450 Present . . . 2000 Invitation Tracts Distributed

By Mike Creiglow

Cruzeiro do Sul, Acre  
July 25, 1975

Dear Brethren,  
On June 17 we celebrated four years of work here in Brazil. The time has really flown by and it is a little hard to pinpoint a "best time" in these four years. It seems worth mentioning that there were several significant meetings at Faith Baptist Church, here in Cruzeiro, wherein many folks were saved. There were five good semesters of Bible classes for the young men who were called to preach. A number of problems were solved among the churches and these were brought to greater unity and co-operation. Some new missions were started, as at Villa Rodrigues Alves, Lagoinha, and Vitoria, besides a wider range work in the Upper Jurua River. God has blessed us with many victories. There have been a cou-

ple of low times, but He held us up. We are very happy in His work.

We have been greatly blessed for the past two weeks to have Paul Hatcher and family in our home. The fellowship has been really good and encouraging.

Paul was special speaker for a four day meeting in Faith Baptist Church last week. On the first night there was a rain storm and a cold wave that moved in. Temperatures went down to less than 50 degrees, so the crowd on the first night was low too. On the other nights the temperatures remained, to us, what we call "freezing", but the sky was cloudless and perfect for the meetings. On the final two nights 31 persons made professions of faith. There were 450 persons in the building on the final night, a record in our church. Our members distributed over two thousand invitations and tracts that Paul had made in Manaus. Everyone was involved and working, which is wonderful to see.

In Christ,  
Mike Creiglow

Dear Brethren,  
August 18, 1975

We left Lexington the 12th of this month to return to Brazil. We spent one night in Miami and left there the next night at 9:00 and arrived here in Manaus at 3:30 a.m. Aug. 14, 1975. The Hatchers were waiting for us at the airport. We got our baggage thru customs in about an hour and a half. We are staying with the Hatchers and are thankful for their hospitality.

Yesterday we attended services at the 14th of December Baptist Church where Brother Bratcher is pastor. We are members of this church and

are doing our mission work under it's authority. I was privileged to preach in the morning service. There were 289 present.

Toady I started to work on getting my wife's visa and identification card. I hope to get this done in 2 or 3 days. Just as soon as we can get this out of the way and some of our boxes sent to Cuiaba, we will be on our way too.

Since writing last I preached Sunday night, July 27th at Grace Baptist Church Georgetown, Ky., Brother Bill Derossitt, pastor. August 3rd I preached in both services at the Calvary Baptist Temple, Cynthiana, Ky., Brother Paul Jackson, pastor.

I thank all the churches and pastors which I visited for having me and your kindnesses to me. May God bless you all.

Remember to pray for us and give toward our work in Cuiaba.

Yours in Him,  
Richard A. Turner

## From Michigan To Ohio, Tennessee, Kentucky, Illinois, Iowa And Minnesota . . . Report On Work In Peru

By James Kissel

Dear Brethren,  
August 21, 1975  
Since being home, we have enjoyed the blessings of the Lord which He bestows bountifully upon his people. We have been traveling most of the time, visiting our families and friends, which are scattered.

Since last writing, we have preached at Grace Baptist Church in Warren, Michigan, which was without a pastor, at the time. Then we preached at New Testament Baptist Church at Greentown, Ohio, where Bro. Hille is pastor. We had a wonderful time with both these churches, seeing and visiting many friends. We also attended the Clarksville Missionary Conference, which was a great blessing to us. We then went to be with the Faith

James Kissel

Baptist Church at Lone Oak, Kentucky, where Brother Eugene Clark is now pastor. We had a wonderful time, with this new work, where the Lord is greatly blessing.

We were also with East Keyes Baptist Church, Springfield, Ill., Brother Jim Hicks, pastor. We want to thank each one for the great hospitality and offerings we received from each church.

We are now visiting my brother and others of my family in Iowa and Minnesota, where I grew up and where we have many memories.

We have had several letters from our brethren back in Peru, who are doing a great job of carrying on the work. From all reports, souls are being saved in the different churches, also in the missions.

We wish to thank each one who gives and prays, for our work in Peru.

Yours in Him,  
James Kissel

## Good News From Mission And Church In Tegucigalpa . . . Tests Show Arthritis . . . Visiting Churches

By Walter Lauerman

Lexington, Ky. 40504  
August 17, 1975

Dear Brethren,  
We have had four letters from Tegucigalpa in these six weeks in the U.S. and all seems to be going about the same. Both the Ayesas mission and the Woodland Church are running about 35 in night services. No percentage was given for S.S. attendance. The church still visits on Friday nights. Jose Garcia, a 17 year old boy that was called to preach in March is preaching in the Church and Juan Linares continues on in the Ayesas work as preacher and worker. I really believe that all will go well until we return after January 1st. We really miss our work more

Walter Lauerman

this time than ever before. Pray for us as we are even now getting all ready to return. We have 2 bags already packed.

We are rested up again. I have gone for tests at VA hospital here in Lexington and arthritis seems to be my trouble, according to the doctors. I have another appointment for tomorrow and then will know what they think. I thank the Lord for the opportunity to be in the Clarksville Mission Conference and to also speak there. Also to speak at the Berea Baptist Church while there. If any would like for me to speak at their church please let me know immediately as I will be visiting churches only up to December 15 at the latest.

By His Grace,

Dear Brethren,  
This has been a busy but very exciting month for which we are thankful to God.

At Tabernacle Baptist we had a marvelous time obtaining a high attendance of 434; and we rejoiced to see 15 children profess public their faith in Christ.

We held a revival at the Peniel Baptist Church, Bro. Julio Dantas pastor. We preached Sunday through Friday evenings and had eight profess Jesus Christ as Savior.

The following day we flew to Cruzeiro do Sul to be with Bro. Mike Creiglow and family. Thursday evening, July 17, we began a revival at the Faith Baptist Church in Cruzeiro do Sul. It rained and turned cold (48 degrees!) the road became very muddy and it stayed muddy and cold throughout the week. Saturday the building was packed, with people standing in the aisles and sitting on the floor around the pulpit. Bro. Mike counted

Paul Hatcher

about 350 people present. The following night the young people rearranged the pews and added seats. We had about 450 present inside; again many stood in the aisles and outside the windows. There were over thirty professions of faith during the meeting.

Monday night I had the privilege of meeting with most of the pastors and evangelists in Cruzeiro to present the printed ministry and material available to the churches.

Wanda and I had a good time of fellowship with Mike and Beverly Creiglow. We arrived yesterday, the 27th, in Manaus.

Thanks for the love each of you show by supporting and praying for our ministry.

In Christ,  
Paul & Wanda Hatcher

## Back In Peru With Professions In Every Service But One . . . Report On San Fernando, Arenal And San Francisco . . . Liberty Church Supports Pastor Full Time

By Del Mayfield

Apartado 166  
Pucallpa, Peru, S.A.  
Aug. 18, 1975

Dear Brethren,  
We had no trouble getting back into the country, and a very good trip back. It just doesn't seem that we ever left. The work is the same as it was when we left. Just seems to be a lot more dust, as there are more cars and trucks. It hasn't rained here the past month, and it really is hot and dusty.

The Lord has blessed our services since returning. We've had folk saved in every service, but one. Had some to baptize every Sunday night. Also the church in Arenal has used our baptismal the past two Sunday nights. Our attendance has been down, but the blessing has been wonderful. The work did real good while we were away, and that makes us very happy.

Del Mayfield

We still don't have our permit to build in San Fernando, but the work there is doing very well under Brother Roberto Bergerman. We hope to visit them next Sunday. We were with the Arenal Church yesterday, and had a good time preaching for pastor Abel Panaifo. They have really grown in number and spiritual, and they hope to add some class rooms on to their building. They also put their pastor on salary full time, and God has blessed them for that. We are thankful for the work the Lord has given us there.

We haven't visited the work in San Francisco as yet, but hope to visit there before our next mission letter. Brother Adolfo Saurino reports that all is going well and that some have been saved, and others getting married so they can be baptized.

We'd like to thank all of you who pray and give to make our work here possible. May God richly bless each of you. Continue to pray, and give as the Lord blesses.

Yours by His grace,  
Ada & Del Mayfield

## Wife's Condition Explained . . . To Return To Brazil August 28 . . . Churches Visited In U.S.

By George Bean

Stevenson, Ala. 35772  
August 16, 1975

Dear Brethren,  
My wife was having trouble in Brasil with what the doctor said was her heart and high blood pressure and he was treating her for this and she was getting worse, and it was agreed that we should bring her to the States for a complete check up. We took her to Vanderbilt Hospital and they found out it was not her heart but a hernia in the esophagus which she will have to live with it with proper diet and bed elevated and the blood pressure went down when she was put on a salt free diet. We went to Vanderbilt Aug. 13 and her blood pressure was normal and the doctor released her and told her to be careful and stay on salt free diet and she should make it OK. We have our tickets and reservations for Aug. 28, 1975. We only came home for three months.

I have been in the following churches this

month. July 16-17 we were at Jordan Baptist Church, Sanford, Fla. Brother Galloway, pastor. Sunday morning, Park Ridge Baptist Church, Gotha, Fla., Brother Doug King, pastor. July 23-25, Meadowthorpe Baptist Church, Lexington, Ky. Wayne Hart, pastor. July 27, Faith Missionary Baptist Church, Sacramento, Ky., Garner Smith, pastor. July 30, Calvary Baptist Church, Arlington, Ky., Brother Draper, pastor. July 31-Aug. 1, Morgan Ave. Baptist Church, Evansville, Ind., John Mark Hatcher, pastor. Aug. 3 New Testament Baptist Church, Greentown, Ohio, Harry Hille, pastor. Aug. 5-7 I was one of the speakers and attended the conference at Bible Baptist Church, Clarksville, Tenn., Elton Wilson, pastor. August 10, Bible Baptist Church, Harrisburg, Ill. Art Donnelly, pastor. Aug. 11-15 I worked with Brother Demas Brubaker in a tent meeting at Stevenson, Ala. We had good crowds and one man made a profession of faith. I thank the Lord for the way we have been treated this month by God's wonderful people.

May He bless each one is our prayers.
