A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

Baptist Faith Missions is a FAITH WORK. All offerings are used 100% in the mission work. There are no paid officers or directors and no administrative expense. Only the missionaries get salaries and they do not get a guaranteed salary. They get full salary if the offerings come in for it. If not they get less. All the missionaries do all their mission work under church authority. The churches that give Special Thanksgiving Offerings are blessed in doing so. We need these offerings for the Regular Fund.

Church Organized In Tingo Maria, Peru . . . Mrs. Crain In Lima Hospital For Third Time With Serious Surgery . . . Find Needed Blood Type From Other Missionaries

By Homer Crain

Apartado 70
Tingo Maria Peru
Sept. 15, 1973
Dear Brethren,
Since my last mission letter Elizabeth has had two more very serious operations.

August 22 Elizabeth became very ill, after blood tests and several examinations it was confirmed that she had PERITONITIS. We caught the next plane to Lima arriving in Lima August 25th at 5:00 p.m. At 8:30 p.m. she was taken to surgery. Her condition was critical for 24 hours. She remained in intensive care until Aug. 29th.

Sept. 4th I flew to Tingo Maria for a meeting with all the missionaries of Baptist Faith Missions.

September 8th we organized the church in Tingo Maria, with brethren Kissel and Mayfield assisting. We organized with 39 baptized members. Bro. Kissel was the moderator and Bro. Mayfield brought the message. After reading the letter of authority from Gethsemane Baptist Church, Taylor, Michigan, the church covenant and articles of faith were read and accepted by the new group. After the group was officially organized as a church they called me as their pastor. Bro. Mayfield brought a great message to church and pastor.

After the meeting was over I tried to call Lima to find out about Elizabeth. When we could not get through to Lima we left for Lima by highway arriving 14 hours later.

Homer Crain

September 5th Elizabeth had been released from the hospital and Sept. 9th re-entered the hospital with severe pain of the abdomen. September 14th (yesterday) she had surgery again. She had an obstruction in the bowels and many adhesions which were removed. We called all over Lima for type A-Negative blood. Thanks to the two missionaries who responded. At this moment Elizabeth is very sick and weak. We covet your prayers.

In Jesus Name,
Homer R. Crain

New Building Finished And In Use . . . Need Benches . . . Professions And Baptisms . . . Helped Young Ho Lee Organize Church

By Louie Carver

Sudaimoon Ku
Seoul 120 Korea
Sept. 14, 1973

Dear Brethren,

As a whole this has been a month of God's wonderful blessings upon us. We were able to have services in our new building the first Sunday of September and what a blessing it was to be in a church building and it is ours; this was made possible through you; God's Precious Souls there in America; thank you and thank God for you. Even though we are rejoicing in being in our new building we are still in desperate need of new benches; our children have to sit on the cement floor in Sunday School and in our auditorium we only have a few crude benches with no backs and not nearly enough of them. How we would rejoice in God if He would lead some of you to give so we could enjoy worshipping our Precious Saviour in comfort.

Louie Carver

We have had five professions of faith at the church this month and are to baptize next Sunday evening, using our new baptistry for the first time. We baptized four in the mission up in the country (school building).

I was down at Kusan about 150 miles south of Seoul last week-end with Bro. Young Ho Lee helping him with the organization service of his work. His church was organized under the authority of the Ashland Avenue Baptist Church of Lexington, Ky.

I had planned to send some better pictures of the first persons ever to be baptized at our mission village and also some better ones of the church building but a thief broke into the jeep and stole both cameras, one for slides and the other for black and white and both almost ready to be developed. The thief also stole the inspection card for the jeep. I am assuming he (they?) thought it was the title, but I'm going through the red tape trying to get another card.

Be much in prayer for one of our young ladies (S. S. teacher) whose parents forbid her to come back to church.

Yours in Him,
The Louie Carvers

Restful Month Welcomed . . . Two Children Enrolled In School . . . Conference And Churches Visited . . . Meeting At Georgetown And Homecoming At Home Church Alexandria, Ky.

By John Hatcher

Lexington, Kentucky
September 25, 1973

Dear Brethren,

This has been a restful, "not too busy" month for us. The rest has truly been welcome for our minds and bodies were a little tired. Our children, David and Kathy, are enrolled in their classes at school and the University and hard at work. Labor Day Conference was a real blessing and our visit with the Kirkmans was special. I think we probably enjoy the conferences better than most folk for it is our privilege to attend just one year out of five.

On Sunday, September 9, we visited with the First Baptist Church of Alexandria where Brother Carl Morton is pastor. This was homecoming day and they had invited me to preach the afternoon message. This is the church where I was saved and baptized and attended until the time the second world war took many of us away from home.

John Hatcher

During the week of September 16, I was with the Grace Baptist Church where Bro. Bill DeRossitt is the pastor. This church is located in Georgetown, Kentucky. The services were well attended, the people treated us royally and the Lord blessed our services.

Letters from Brazil from our son and daughter-in-law tell us that the work is going well. The Sunday School attendance is good and John Mark has had his first baptism service since having been ordained. Seminary classes are going well and the schools also. The Tabernacle Church had purchased another lot for one of our mission points so this means that in the future we have enough land to put up a good permanent building where now there is only small wooden building. Pray for us that God will use us during our year home to stimulate our interest and investments in the Lord's work. For you our friends and brethren whom we have never met, why don't you make plans now to meet us at the Thanksgiving Missionary Conference in Warren, Michigan. You will never regret your going.

To Tingo Maria With Other Missionaries To Help Organize Church . . . Several Trips To Churches On Rivers . . . Several Professions And Baptisms

By Jame: Kissel

Iquitos, Peru
September 22, 1973

Dear Brethren,

I spent one week, this past month, with all the brethren in Tingo Maria and had a wonderful time of fellowship. We had services each night and then organized the church on Saturday night.

I was with the brethren at Marupa, a mission of the First Church one Sunday this month, where I preached in two different places. I baptized five people and there was one profession of faith. We had our monthly fellowship, with the church at Astoria, with a very large crowd.

The church at Tamshayacu reports six professions of faith, with six being baptized. This is perhaps one of the best churches we have here on the rivers. The Third Church had one profession

James Kissel

of faith and one baptized. We are now preparing for a meeting, here in the First Church which will begin on October 14th. Pray that these services will prove to be fruitful, both to the saved and the lost. We are looking forward to receiving our new boat, so we can work more on the rivers. There are so many places to preach but a shortage of workers. Our prayer is that we will get others to help, as the work is impossible to do alone. Our prayer is that God will raise up those to help, as when we leave the First Church, for the rivers, the work here suffers.

This is our dry season, but we are having hard rains, yet the rivers are at the lowest we have ever seen. It will soon be time for the Thanksgiving Conference, and we pray that it will be the greatest, ever, for the glory of the Lord. May the Lord bless each one, who has an interest in our work, for truly it is the Lord's.

Yours in Him,
James Kissel

Waiting To Get Permission To Buy Lot . . . Keep Crain Children While Mrs. Crain In Hospital . . . Gasoline Shortage . . . Services At Huanuco And Ambo

By Art Gibbs

Apartado 7
Huanuco, Peru
Sept. 15, 1973

Dear Brethren,

Still no word on our petition for land in Paucarbambilla. They are in the process now of putting in the new bridge and re-routing the highway thru Paucarbambilla, which makes it all the more advantageous to establish a work there. A number of folks, whom I pick up with the Land-Rover, already attend our services. Please pray that the Lord's will be done in this matter.

Aug. 25th to Sept. 4th, we had Wanda, Nora and Melissa Crain with us as Six. Crain had to be taken to Lima for surgery. She was in critical condition for several days. The girls really did a good job taking care of their baby sister, and of course they were a blessing to us in the

Art Gibbs

services here. Nora played the organ here in Huanuco, and the accordion in Ambo where I also preach each Thursday. The native brethren carry on Sundays while I preach in Huanuco. Both Wanda and Nora sang special music while they were here.

Tuesday afternoon, after spending 2 hours in line to buy gasoline, we drove down to Tingo Maria for our annual meeting and conference. Bro. Crain had just arrived from Lima earlier that day. Friday evening when Gracey, who had been quite sick earlier, came down again with a fever, we decided it best to return to Huanuco without further delay.

This past month we had 1 profession of faith, and 2 for baptism. Pray with us that we might see more fruit and that our fruit shall remain.

May the Lord bless you all.

Yours in Him,
Art Gibbs

Conference At Tingo Maria A Big Event . . . Kissel Visits And Preaches In Pucallpa . . . Wall Fence Around The Four Lots . . . Getting House And Lot For New Mission in San Fernando

By Del Mayfield

Apartado 166
Pucallpa Peru S.A.
Sept. 13, 1973

Dear Brethren,

Our annual Mission Conference last week at Tingo Maria with Bro. Crain was the big event of the month. It was a great time of fellowship with all the brethren present. Only thing bad was that Mrs. Crain was not able to be with us. I just received a call from Bro. Crain saying that she has to have the third operation. We're praying that all is well. She sure has had her share these past few months. Pray for the Crains.

Bro. Kissel came back with me Sunday morning from Tingo and preached for us Sunday night. He couldn't get out of Pucallpa until Tuesday evening. We enjoyed having him in our church and home. We're glad he had the lay-over.

The lots are all fenced in. We just finished the block wall that makes it look like the other part. I've taken pictures and will send them as soon as we get them back.

Our attendance has been down and it's

Del Mayfield

not the weather. We have not seen any rain for several weeks, and it's been hot and dry. The dust is terrible, and all the plants are dying. There have been some professions of faith, but no one baptized this month. There is a couple getting married, and another family to be baptized Sunday. We finished two courses in our Institute, and we're going to start two more the 1st of October. We had 28 students last term and we're looking forward for more next term. Bro. Sauerino, pastor at San Francisco reports that some others are coming in and studying with us. He also reported a good month, with souls saved. Pray for the folk there, and especially Bro. Sauerino and family.

I have some of the papers for the lot and house in San Fernando, and hoping to get the others tomorrow. We'd like to thank the Grace Baptist Church, or I should say the Brother that doesn't want his name mentioned that gave the money for the house and lot. We will have some to start the building. We certainly appreciate your help and I'm sure the Lord will bless him for it. Hope by next month we can start services in the house, there is much to be done.

May the Lord bless you all.

Yours by His grace,
Del Mayfield

Six Professions, Five Baptized, Ninety Average In S.S. . . . New Building Real Nice . . . Looking For Lot For A New Mission And Another Church

By Walter Lauerman

Tegucigalpa, Honduras
Sept. 20, 1973

Dear Brethren,

A real good month: six professions, five baptized and 95 average in Sunday School with 105 last Sunday. Night services real good and about 135 last Sunday night for the baptismal service. The new building is real nice and we thank all for the part you all played in it. All here also thank all of you all there for your concern and giving. I have never had as much worry and trouble with anything in my life as I had with this building. But it is worth it all. I am trying to buy a lot in an area that is only six months old and has already 1,000 homes and more going up all the time. It will cost about \$2,000 for the lot. It will make

Walter Lauerman

a real place for a new work. This time I plan to put up a temporary building until the people here can put up their own nice building. I think it best in all ways for the work.

I preached 3 nights for a sound independent Baptist, but I found out he is a split off of another church so I cancelled out the rest of the week as I do not want part in any of that stuff. He is real sound though and it is a shame. At last also we are getting city water put in the church and for only about \$150 instead of \$250.00. I just stayed with them until they gave in. All of us are fine and hope you all are too. We are waiting for Brother Overby to come and preach for us and see Tegucigalpa. We now have about 10 members that are real faithful and visiting much, that is one thing I never had in Peru. May the Lord bless you all for His glory.

By His Grace,
Walter F. Lauerman

Preachers' Bible Classes Going Well . . . Several Professions . . . Eight Baptized . . . Some Get Legally Married To Be Baptized

By Mike Creiglow

Cruzeiro do Sul, Acre

August 8, 1973

Dear Brethren,
The past few weeks have been very busy and prosperous ones for us.

We have completed five weeks of Bible classes and the overall aspect is good. This year instead of having students to drop out at this point there have been a few new enrollments. As is always

the case there are a few students with more capabilities than the rest and a few who are quite slow learning. This does not discourage however since all are trying hard and all are making some progress. One of our young preachers could just barely write his name when we started last month. He is already taking notes in class now.

The preacher brethren here have been traveling almost every week since classes have started. One of them goes with me each week and the others visit other works.

All of my week-ends during the past

month have been spent in the vicinity of Villa Rodrigues Alves. There have been folks saved in many of the services. There have been four professions of faith at the Estirao dos Nauas, three at Profeta, and one more at the Villa. Two weeks ago we had a baptismal service in which eight persons were baptized. Besides these happy events there have been two more of our young couples to come to town with me to get the paper work done for their legal marriages. Both of these couples should be able to get married during the next month.

There is always a share of not so pleasant jobs to do here. We moved out of our own house this month into the house that the mission purchased for my parents. We have been cleaning, painting, and arranging. We are almost settled down again by now though. Also the boat from Manaus came with a new speedboat and some new equipment which was a little problem to unload since it was rainy and muddy at the time.

In all these things we are grateful to our Saviour for His many blessings upon us. May He bless you as richly.

In Christ,
Mike Creiglow

Each Week A Full Week . . . Trip To Manacapuru . . . Lot Cleaned Off Ready To Build

By Harold Bratcher

Manaus, Amazonas
September 16, 1973

Dear Brethren,

In reviewing the daily happenings since August 16th, I was made conscious once again of an interesting fact-the church that I serve as pastor is truly in every sense of the word-a "full time" church. Some of you doubtless remember the quarter time or half time churches. I'll share with you now some facts to prove my statement.

Every Thursday night we hold services in "Coroado"-a new suburb of the city. Every Friday night we have open-air meetings or in the houses of the members or friends of the church. Every Sunday, of course, we have services Sunday morning and night. Our Sunday School attendance has run from a low of 141 to a high of 167 during the last five Sundays. Each Wednesday night we have Prayer Meeting at the church.

Tuesday through Friday, August 21-24, I spent with the Manacapuru mission. I preached three nights. The attendance the first night was 28, then 70, then 80. There were three rededications-three professions and I reconciled. Friday night we held services on the other side of the river at Ressaco de Pesqueiro with some 80 present in a home. Moises Ferreira Lima is the pastor of the Manacapuru mission.

On Saturday afternoon, September 1, I performed the wedding ceremony for a young couple and that night I preached at the anniversary service of the Moria Baptist Church where Ranulfo Tobar is the pastor.

The seventh of September (Brazil's Independence Day) thirty of us from the church spent much of the day cutting grass, etc. on the large unoccupied lot of the church where

Harold Bratcher

we plan to begin construction of a new "meeting house" sometime before the end of the year, the Lord willing.

Last night the Lord gave us a good service with five responding to the invitation-three of these were professions of faith, I was received under watchcare and I made a rededication.

We ask that you pray for the three of us here in Brazil and for our son Asa Mark in the States.

Yours In His Service,
The Harold Bratchers

The Harold Bratchers who returned to Brazil in July 1973. Son Asa Mark Bratcher is in the U.S. in college.

At Labor Day Conference And Churches In Ohio Kentucky, Alabama And Mississippi

By Bobby Creiglow

Lexington, Ky. 40505

Sept. 29, 1973

Dear Brethren,
In August I had the pleasure of preaching and presenting the work of B.F.M. to the Walnut Creek Baptist Church. This is a new church in my old home town, but I did not know anyone that attended the services since I had never returned there to visit

after graduating from high school in 1945. Also in August I preached at the homecoming service of the Storms Creek Baptist Church of Ironton, Ohio, Jim Orrick, pastor. It was good for my family and I to be able to fellowship with these brethren again. On Sunday before Labor Day I was the guest speaker in all services at the First Baptist Church of Lancaster, Ohio this church was without a pastor at the time. On Labor Day we attended the annual Missionary Conference at the Grace Baptist Church, Fairborne, Ohio, Paul Kirkman, pastor.

After Labor Day I spent a few days at home during which time I was with the South Lexington Baptist Church, Edward Overbey, pastor, and preached at the first chapel service of the Blue Grass Baptist School, James Miller, principal. After this I took to the road starting with a four day meeting with pastor Parvin Hall and the Zoar Baptist Church of Bardwell, Ky. followed by a Sunday morning service at the Shady Grove Baptist Church and pastor Brother Marshall Conway. The next three nights were spent with the Calvary Baptist

Bobby Creiglow

Church and pastor Mann Hill at Arlington, Ky. Wednesday night of that week I preached for the Fellowship Baptist Church of Mayfield, Ky. After this service I went home with the pastor, Bro. Charles Salmon who lives in Paris, Tenn. After spending the next day in fellowship with this brother I left for Leighton, Ala. where I enjoyed several days of fellowship in the home of Bro. Earl Kerby. While there I preached in the following churches. Mt. Hermon Baptist Church of Jasper, Ala., Bro. Kerby is pastor here. Mountain Home No. 2 Baptist Church, Russellville, Ala., Bro. Leonard Kimbrough, pastor. Burnout Baptist Church of Russellville, Ala., Bro. Kerby is also pastor of this church and then for the last night in Alabama I was with the Eastside Baptist Church also of Russellville, Ala. and Bro. Gene Franks, pastors here.

While talking to Bro. Charles Salmon I was told that Bro. Elvis Gregory, pastor of the Pinehaven Baptist Church of Columbus, Miss. had said that he would like to get acquainted with some of the missionaries of B.F.M. so he called Bro. Elvis on the phone and soon after I talked to him, my trip plans were extended to include this church also. This is a going church and has good harmony and all the people were very kind to me. I also got to help them haul a load of lumber and help some on the construction of a new building for a mission of their church.

I would like to thank all these preacher brethren and their churches for their words and acts of kindness toward me & my family, may God bless them for it.

In His Name,
Bobby D. Creiglow

Several Professions, Several Baptisms . . . Two Missions Visited . . . Plague Of Pentecostalism . . . Eight Excluded From The Church

By George Bean

Caixa Postal 500
Sao Luis, Maranhao 65,000
Brasil, S.A.
Sept. 17, 1973

Dear Brethren,

August 17, I visited the mission from our church at Sintrina, then we went to another village and Brother Jose baptized two into the fellowship of our church.

August 26, I baptized one into the fellowship of our church, August 27 I visited the mission at Pindai, we had a good crowd and a good spirit. August 19th we had six professions of faith at the close of the evening services.

We have a plague of Pentecostalism here in

George Bean

our state, they are strong in their tongues and baptism of the Holy Spirit and other false doctrines, however, they were able to persuade two of our members to follow them, after much counseling we had the sad duty of excluding them from the fellowship of our church, we also excluded six others for non attendance. September 12th I baptized two into the fellowship of our church.

The Lord has blessed us with many victories and we give him all the praise and glory.

May the Lord bless all is our prayers and good bye until next time.

Need Building For Services . . . Need Wall Around Lot And New Building On Lot

By Richard Turner

Caixa Postal 720

Brazil, S.A.

Sept. 14, 1973

Dear Brethren,
The work here is going very slow. We have had as high as 14 in our Sunday night services but still no one has come to the Sunday morning services. I feel one drawback is we have no place to meet. I have looked and looked but have not located anything in which to meet.

We now have the deed to the four lots that were bought. I hope, the Lord willing, to see a wall around this land and a building located on it soon. This is greatly

Richard Turner

needed. We pray that you will too see the need and give as the Lord leads.

Our baby has been sick just about the entire time we have been here. He had a bad chest cold and the doctor said just about pneumonia. After getting over this he came down with real bad bronchitis and now he has an allergy or chicken-pox. He will be 1 year old next week.

We were without water one week this month. We didn't have water for anything. One doesn't know how precious water is until you have to do without it. I bought bottled water to drink.

I thank you all for your prayers and support.

Yours in Him,
Richard A. Turner
