### 34 Years As Editor Of The Missions Sheets

With this issue we begin our 35th year as editor of this paper, without missing an issue. Please join with us in thanks and praises to our God and pray for a greater and expanded mission work in all places.

### John Hatcher To Move To Far South Brazil To Start New Work

After twenty years as a missionary in Manaus, Amazonas, Brazil, John Hatcher is moving to South Brazil to begin a new work which he says is the greatest opportunity and challenge since coming to Brazil. He has a house rented and two buildings in cities 12 mile apart for two new missions. Please get this new work on your heart and mark your regular offerings for "New work in New States". Paul Hatcher to take over and have complete charge of the Schools, Seminary, Tabernacle Church in Manaus and mission points, that his father had. He is well trained and able, sound in the faith and with a wife equal to the challenge.

### Bratcher Building And Car

The new car has been bought, and \$2,500.00 sent towards paying for it. Need about \$2500.00 more to pay for it in full. Church building is about ready to pour concrete ceiling and roof. Please give special offerings each month 'till both car and building are paid for.

### Urgent Needs

All approved projects are urgent needs. Special offerings for Mrs. Crain's and Mrs. Bean's Doctor and hospital bills. To pay for Crain house in Tinga Maria. To finish Turner Building and a car for Richard Turner. For the printed ministry of Paul Hatcher. Mark your special offering for the particular project or projects.

### Manaus, Brazil Conference

The Lord willing, 14 will be leaving January 21 for the conference in Manaus, Brazil and then to Cuiaba to visit the work of Turner and Bobby Creiglow, and to Brazilia, new Capitol of Brazil and to Sao Luis to visit the work of George Bean. Then to Belem and back to the United States.

Richard Turner, Bobby Creiglow and Brother Helle p, lling up a roof truss in place on the walls of the new church building. To save cost, Creiglow and Turner fabricated the trusses themselves, as they have built the building mostly themselves, with some other help. Please give to help finish the building.

START NOW TO MAKE YOUR PLANS FOR A SPECIAL THANKSGIVING OFFERING. IT IS NEVER TOO EARLY TO GET THIS IN YOUR HEART AND MIND.

### 3,000 Miles Into South Brazil To Establish New Work In Another State . . . House Rented And Two Buildings Rented For New Missions . . . Will Move There After Manaus Conference

By John Hatcher

Dear Brethren,  
Manaus, Amazonas  
December 12, 1975

After a trip of 3,000 miles, one thousand of which was dirt road, made in seven days we arrived home safe and sound. The trip was made in a VW Kombi which was bought in Sao Paulo for the schools and church. The first road which links Manaus with the southern part of Brazil was inaugurated on the 19th of this month. During the trip north through the large State of Mato Grosso you see Indians living in their natural habitat just as they have for centuries. Along the road there are skeletons of horses and cows which have died and been left to rot. For over 1,000 miles the only villages are the old "far west" type with small wooden hotels which are not nearly so well lighted with their make-shift lighting systems, as the ones in the "cowboy shows" of TV.

The thing which impressed me most was the great number of people who are willing

John Hatcher

to leave established homes and business where they have conveniences and friends, in order to seek a better living and more money. But, there is a notable absence of men and women who are dedicated to the cause of Jesus Christ who are willing to leave their homes and conveniences to preach the gospel of Jesus Christ with the purpose of seeing people saved and churches founded to minister to the people.

The last of January our family will be moving to the interior of the State of Sao Paulo, about 300 miles west of the city of Sao Paulo. We have already rented a house and a large building in the city of Garca and another building in a nearby city named Galia. Pray for the work and remember that in the State of Sao Paulo there are 19,000,000 inhabitants. The State is divided into 571 districts and over 300 districts do not have any Baptist work of any nature. While many spend their time arguing the fine points of theology, remember folks get saved by hearing the Gospel.

In Him,  
John A. Hatcher

### Great Month With 355 In S . S . . . 19 Professions Of Faith In Revival . . . Called As Pastor Of Tabernacle Baptist Church To Succeed His Father

By Paul Hatcher

Caixa Postal 227

Dear Brethren,  
God has blessed us with a very great month. First of all, our attendance was up from last month with a high day of 355 in Sunday School and perhaps as many as 400 in the morning preaching service at Tabernacle Baptist Church.

The second week of December we had the privilege of being with Dr. Roy Dearmore in Eirunepe, a town of about, 6,000 inhabitants, for a week revival. Each night there were 200 or more present in the services. The Lord blessed with 19 professions of faith.

Having arrived back in Manaus, we were again privileged to preach at the Compensa II Mission one evening of a revival; the Lord blessed with one profession of faith.

Bro. John Hatcher, who has been pastor of the Tabernacle Baptist Church for many years, resigned in order to begin new works in the state of Sao Paulo. The church extended a unanimous call for me to become pastor effective January 1, which I accepted.

We pray that all may have a greatly blessed '76 and that the Lord may greatly

Paul Hatcher

expand His work through each of you.  
Love,  
Paul Hatcher & Family

Dear Brethren,  
We are thankful unto the Lord and to you brethren for the offerings for the Turner building that has enabled us to continue to work without stopping. It has been about three weeks of very hard work, but we now have the trusses made and the roof all on. At long last it is beginning to look like a church building and a few days ago one of the men of our congregation said he "never would have thought it would look so nice." We now have all of the bathroom materials bought. Over half of the building is plaster-

Bobby Creiglow

ed and we are now well under way making steel windows. It will take us about three weeks to make and install them and then we hope to move our congregation into it from the Turner's carport, although there will still be much to do inside.

For several months Arlene and Arlete have been telling us that they were saved but had never made a public profession of faith. On November 30 they both made a public profession and I had the pleasure of baptizing them on Dec. 7. This was a happy day for us and we trust and pray that the Lord will use them always for His honor and glory.

Since we work long hours six days a week on the building, we don't have any other news to report.

In Him,  
B. D. Creiglow

December 7, 1975 a happy day for the Richard Turners. He is here pictured baptizing his son Richie while daughter Kimberly waits her turn to be baptized. This is a good time to give a special offering to help finish the new building.

Dear Brethren,

December 3 we finished putting the roof on the church. This is another major job accomplished. We give thanks to God that this was done without anyone being hurt. We now are making steel window frames. The walls are being plastered at this time. It is beginning to look more and more like a church building.

While I'm writing about the building I want to ask you to remember our need here. Perhaps the Lord would have you or

Richard Turner

your church to give a special offering for our building. Pray and ask God about it and then do as He leads you.

We are happy to report that there have been four baptisms this month. I baptised 2 and Brother Creiglow baptised 2. The 2 I baptised were our children. Richie was saved the year we were here before and Kimberly was saved this month. We rejoice in that the Lord has been so good to us in saving our children.

Brethren, we thank God for you. Remember us to the Lord as we remember you.

Yours in Him,  
Richard A. Turner

## 261 In Sunday School . . . New Car Bought . . . Need Offerings To Pay For Car And To Finish Building . . . Trip To Manacapuru For Revival Meeting

By Harold Bratcher

Manaus, Amazonas  
December 15, 1975

Dear Brethren,  
Yesterday the attendance at the 14th of December Baptist Church was up-261. There was joy in heaven also because one sinner made a profession of faith.

Tomorrow (the Lord willing) Mrs. Bratcher & Stephen will go with me to Manacapuru. I'm planning to preach in the mission there Tuesday through Thursday and then Friday perform the wedding ceremony for a young couple of the congregation—both are baptized members. We had hopes that the mission would vote to request to be organized into a church but they did not do so. Pray with me that both the mission pastor and members will soon be spiritually strong enough and mature enough to pass from the mission state to the church state.

Good news about the car! The church voted (the Lord blessings be upon them for doing so) to loan the Mission the money

Harold Bratcher

necessary to buy their pastor a new car. The church loaned the money from her building fund which had been increased by the first payment from the buyer of the old church building. The car was bought in the name of the Mission and since the first of the month we are driving a new Ford-Rural. The loan the church made to the Mission was sufficient to pay for a little over half of the cost of the car. We still owe over \$2,000.00. The loan left the church with very little money to continue the construction.

We thank each of you who gave during November for the purchase of the new car as well as those of you who gave for the construction. I'm wondering how many of you have already responded to our plea to give \$10.00 monthly with the three of us to the Bratcher car or to the Bratcher building. By faith we already thank those of you who have already done so and will by the grace of God continue to do so.

Again, we praise the Lord and thank you—his human instruments that He in his grace uses for His glory in the growth of His work here in one of His nations—Brazil.

Yours In His Service,  
The Harold Bratchers

## Souls Saved And Eight Baptized . . . Two Missions Besides The Church And Both Have Buildings . . . First Trimester Of Preacher's School Finished

By Louie Carver

Gwang Hwa Mun  
P.O. Box No. 1184  
Seoul, Korea  
December 17, 1975

Dear Brethren,  
Mr. Winter has already caught us here in Korea. The temperature has dropped to about ten degrees with chill factors of below zero. It seems when cold weather hits every year prices also jump; gas, oil, electricity, etc. just jumped approx. 10% again making high test gas now \$2.41 per gallon and regular \$2.06 but the regular is such poor quality we almost have to use high test during cold weather.

This week completes our first trimester of the Bible College and we ended with five students & one at our first mission studying by tape. I pray that we'll have more students as we start four nights weekly next month.

All three works are going well. Several were saved at the church here in Seoul last month and eight (8) were baptized into the

Louie Carver

fellowship of the church. There's a good spirit in the church with the members showing spiritual growth in their lives. Several of the members from our first mission (Doo Mill) have moved away for work but there's good fellowship in the mission and attendance is fairly steady. At the newest mission we've had several professions of faith but none baptized yet, most of them have never heard of baptism so it will take time. We've had approximately one-hundred (100) for the children's service at the new mission (Kwan Ban Ri) and about 30 for the worship service. There's real potential at this work.

Last week I spent most of the week at the newest work, working on the house we bought trying to get it ready for church use. I came home with blisters and sores but if we can get some kind of heater up this week, Lord willing, we'll be using the building next Saturday.

May God richly bless each of you and we trust each of you have an enjoyable holiday season.

In Him,  
the Louie Carvers

## Exceptionally Good Month . . . Some Saved . . . Some Lives Straightened Out . . . One Comes For Scriptural Baptism . . . Wedding In Church

By Del Mayfield

Apartado 166  
Pucallpa, Peru, S.A.  
December 8, 1975

Dear Brethren,  
In spite of all the rain, this has been an exceptionally good month. Seems as there is not enough time to get everything done.

We have only two more weeks of school. I am sure that Ada will be glad, as she has worked real hard since getting back on the field. We are praying that the Lord will bless in giving us better teachers, and much better students next year. There have been many problems, but when a person doesn't have problems, he certainly is not doing much. We're happy in the WORK, and it is too much for two people. Not complaining, just reporting.

Our church here has been blessed. We had several saved, some coming getting their lives straightened out. One young lady in my wife's class came for baptism. She had studied in an interdenominational school for 4 years. Her x-teacher told her not to come to our church, as they will baptize you the second time. She said that

Del Mayfield

was the thing that made her think that she needed Baptist Baptism. Thank God for the truth about BAPTISM. The church voted to receive her as a candidate for baptism, and Sunday night I administered baptism for them. She told them afterwards that she had been baptized, as the first time she had only been wet.

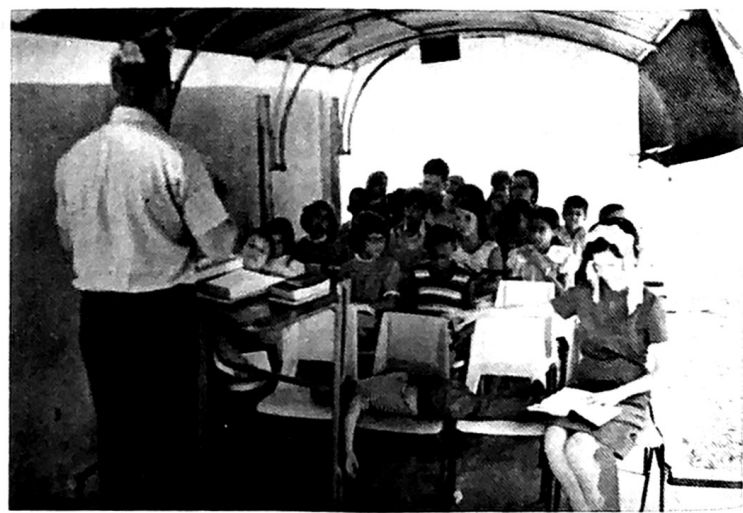

We had one saved in the Mission in San Fernando. Still don't have much done on the building, but the rains have slowed things down.

During the month also we had a wedding in our church. Young man that has been helping Brother Crain in San Juan. Married a member of the Liberty Baptist Church (Arenal) The young man is a Brother to Pastor Fortunato in Lima. They seemed very pleased and happy. They first had to get married in the City Hall. That is expensive here. It cost them close to \$100.00. That is why there are so many living in fornication. Thank the Lord for this new family.

Brother Saurino has started a new work on the river, and reports that some have been saved. Glad to see the church at San Francisco doing mission work.

May the Lord bless each one of you.

Yours by His grace,  
Del Mayfield

The roof is now completed. About half the plastering is done and they hope to have it to hold services in when the group going to the Conference in Manaus, Brazil arrive. Send a special offering to help finish the building.

## Busy Month To Get Ready To Leave Peru . . . Two Native Preachers Will Take Care Of Work While On Furlough . . . Several Churches Already Visited

By Art Gibbs

12512 N. Saginaw

Mt. Morris, Mich. 48458

December 27, 1975

Dear Brethren,  
Well its good to be back home in the U.S. again. We arrived in the U.S. Tuesday December 16th.

Our last month in Peru was a very trying month due to the many things that had to be done before we could come home. Thanks be unto the Lord, his grace was sufficient. We were able to get the last of the big steel columns cemented in the footing before leaving. We were also blessed with another preacher to work with us in Huanuco and he is now settled on the field. Brother Honorio Barreto along with my other preacher, Brother Pedro Aquinas will be watching over the work in both Huanuco and Ambo

Art Gibbs

during my absence. They will also continue our services in the plaza on Sunday afternoons. Please remember to pray for Brother Pedro and Brother Honorio.

Since arriving home I have been with the following churches and pastors: Brother Smith at Liberty Baptist, Flint, Mich.; Home Baptist, Mt. Morris, Mich.; Bro. Titus, pastor; Emanuel Baptist, Bro. Messer, pastor, River-view, Mich.; Bro. Brooks and Gethsemane Baptist, Taylor, Mich.; Bro. Overbey and Twelve-Ryan Baptist of Warren, Mich. My thanks to each church and pastor for their kindness towards us.

Those who would like us to come and visit your church may write us at the above address. We'll do our best to come.

Again our thanks to those who continue to remember and to help in our building program.

May the Lord bless you all.

In Him,

Art Gibbs

## Bountiful Blessings Of The Lord . . . Souls Saved And Baptized . . . Sins Confessed And Forgiven . . . Trip To Peritoro

By George Bean

Caixa Postal 500

Sao Luis, Maranhao

65.000 Brazil, S.A.

December 15, 1975

Dear Brethren,  
We have had the bountiful blessings of the Lord over us and our work here at New Hope Baptist Church. We have had five members to come confessing their sins and asking to be forgiven. We have had four professions of faith and last night I baptized two into the fellowship of our church. There were three professions of faith at Carema, this is encouraging as we have gone so long without anyone making any moves but as we know there is always a seed time and harvest.

I made a trip to The Peritoro Baptist Church

George Bean

as it was Brother Ricardo's fifth anniversary as pastor of the church. There were three professions of faith, one of them being our good friend Chiquino Matos the owner of the land around Peritoro area, etc. Bro. Sostenes reports good services at Sao Mateus with several professions of faith.

Many times it sounds good hearing a missionary report of souls being saved and it is good to hear about them being saved. But I do not know of one of the churches without problems here in Maranhao, many of the problems are members with sin in their lives, but if the Lord gives us the grace to preach we are going to expose sin by the Word and leave the results in the hand of the Lord.

May everyone have a prosperous New Year.

Your Missionary,  
George Bean

By Walter Lauerman

Lexington, Ky.

December 16, 1975

Dear Brethren,  
The Lord willing when you read this I will have been back in Honduras again. We stayed in U.S. only 6 months this time. We are so sorry that we could not visit over 40 churches that would have liked us to come and speak for them but the next time we will come home for a year again and then we will be able to get all. Thanks to all for all. We wait now to return. I have not received any news from Tegucigalpa yet this month as mail travels slow these days. I hope to report directly next month again.

## Good Report From Work In Peru . . . Attended Thanksgiving Conference . . . Churches Visited

By James Kissel

Dear Brethren December 24, 1975

We have had a good report from the work in Peru. Several have been saved and baptized into the First Church, also the mission. From all reports the work in all areas is going well. We did have one bad report, that the organ in the 5th mission had stolen. This is impossible to replace there, so we hope to take one back, when we return to Peru in May.

Since last writing, we have been doing a lot of traveling. Nov. 23, we were with the Calvary Baptist Church of Jackson, Michigan Brother Jones, pastor.

Then we had the great privilege to attend the Thanksgiving Conference in Detroit. November 29th & 30th we were with the Faith Baptist Church, Wauseon, Ohio. Brother Michael Powers is

James Kissel

pastor. The 6th and 7th of December, we were with the New Testament Baptist Church, Elyria, Ohio, Brother Thompson, pastor. December 10th, thru 14th, with the New Testament Baptist Church, of Green-town, Ohio, pastor Harry Hille. December 17th, we were with the New Testament Baptist Church of Mansfield, Ohio, Brother George Lock, pastor. From there we went to Gethsemane Baptist Church, Marengo, Ohio, Brother Margraff is pastor. Sunday evening, we visited and preached at the Grace Baptist Church of Sunbury, Ohio, Brother Holmes is pastor. We want to thank each church and pastor for inviting us and for the wonderful time we had with each one.

My wife and I both had good reports from our tests at Ford Hospital. Again we want to thank each one for their prayers and support of the work. May the Lord richly bless each one.

Yours in Him,  
The Kissels

## One Month Visit To Churches In North Carolina And Michigan . . . Thanks To Wallace York For Making Out The Itinerary

By Mike Creiglow

Clarksville, Tennessee,

December 27, 1975

Dear Brethren,  
At the time of my last letter my family and I had been traveling for a month without having returned to home base in Clarksville. We went to several other places in three more weeks, but we have finally come back to Clarksville.

We spent a week in North Carolina, with Brother David Parks and visited three churches in that area.

From there we went to Detroit, Michigan. Brother Wallace York

arranged our itinerary. We thank all of those churches and pastors who had us to visit them. We were also privileged to be in Brother Hafford Overbey's home for over a week.

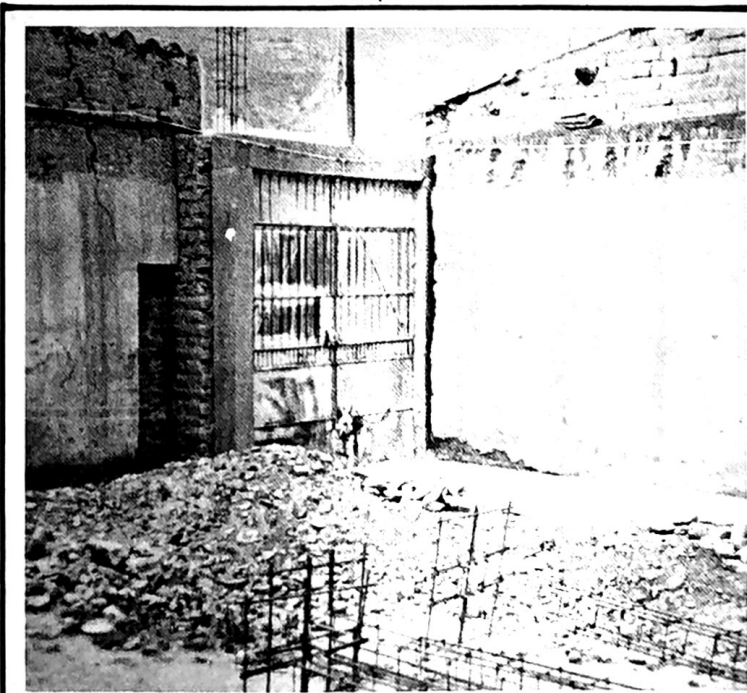

Our last stop before coming home was at Wauseon, Ohio. We visited the Faith Baptist Church, where Brother Mike Powers is pastor.

Home again for some rest. Thanks to all of you and God bless each one.

In Christ,  
Mike Creiglow
