## Urgent Needs For Approved Projects

**BRATCHER BUILDING:** Brother Bratcher hopes that he can finish the building for about ten thousand (\$10,000.00) and with the walls around the lot for \$15,000.00. We pray earnestly about this and all the other needs and present to all for consideration. Pray and give as the Lord enables.

**TURNER BUILDING:** Pray and give so it can be finished.

**TURNER CAR:** Also pray for the offerings to buy a car for him to use.

**PAUL HATCHER CAR:** Pray and give that he too may have a car to use.

**BOBBY CREIGLOW BUILDING:** All along for a long time Brother Creiglow has been helping others, now it is past time to give that he too may have a building for a mission in the city across the river from where Brother Turner's building is. Pray and give.

**WORK IN OTHER STATES:** John Hatcher has stated a house to live in and two buildings for two missions about 12 miles apart in the State of Sao Paulo, in the far south of Brazil. Pray and give for this new work and the rent for the buildings. There seems to be no end to the needs.

## Revival Meeting, Professions Of Faith, Baptisms . . . New Pickup Truck Purchased . . . . Now Has Work At San Juan

By Del Mayfield

Apartado 166  
Feb. 9, 1976  
Dear Brethren,  
Finished last night a revival meeting here in the church. We thank the Lord for a great time, and His blessings He poured out upon our services. There were three baptisms last night, and there will be others later. Also had good weather up until yesterday morning, and did it rain. The people stayed until about one, thinking that it would let up, but everyone got wet, as it didn't stop till late in the afternoon. Many of our people walk several miles to church. Only one of our members has a car. There are a few who have motorcycles and bicycles. They are not good when it rains. We have had several saved in the Mission at San Fernando, some waiting to be baptized. We now have plans to start using our young people on Fri. night and praying that the Lord will add enough, so we can organize soon. We haven't done any work on the building this month, because of the rains.

Del Mayfield

The San Francisco Church has three for baptism. They report that other new ones are coming. The pastor is away for a month, and one of the brethren is taking care of the services. We will be visiting there in the next few weeks, and I will be teaching the "Trail of Blood." If any of you know how we can get some copies in Spanish please let us know. We have written several people and so far no answer. We could use several hundred copies. We will also be teaching it here, and in the Liberty Baptist Church.

We have bought a new truck here, and we're having a bus bed built for it. It will be a great blessing to our work, as we will be able to haul more people. They have promised to deliver it to us about the 20th, as it comes from Lima. I will try and get a picture for the next issue.

Brother Crain has left us the work at San Juan, about 85 miles north of here. We hope to start there and also other places on the highway between here and there. We believe the Lord is coming soon, and what we have to do, let us do it now. Thank the Lord for this great promise. He is coming again.

May the Lord bless and use each of us until He comes.

Yours by His grace,  
Del Mayfield

## Reflections On My Trip To Brazil

By Glenn Archer

We saw a quality mission work, a mission work, local church oriented, a mission work interested in seeing folks saved, scripturally baptized, and organized into New Testament Churches. In the Manaus area we saw the result of many years of faithful labor. Only two Baptist Faith Missionaries there at present, eleven churches faithfully serving God with nine of the churches with Brazilian pastors, men faithful, dedicated and capable. The Seminary and schools are a great center of influence for the spreading of the gospel. Cuiaba, a new area to Baptist Faith Missions, is a good example of the opportunity that lays before us in Brazil. Two faithful missionaries labor in this place, with most of their work still in front of them. Sao Luis is a testimony to the faithfulness of the Missionary who has labored there. After only twelve years of labor in that area, we visited three of the five churches. Other missions and preaching points surround these churches. Again much of the work is carried on by Brazilian Brethren. I thank God for what we saw. To Him be all the glory and praise both now and forever. Baptist Faith Missions deserves the support of faithful churches.

## Pastor Sees Work In Brazil, Is Impressed And Thanks God

By Marvin Summers

I can think of nothing in my Christian life which has more affected me than what I experienced during my recent fourteen day visit of the mission work in Brazil. The evidence is there to see of the faithful work of our missionaries. There are many strong churches, well-taught people and capable native preachers. The people are very gracious in their hospitality and appreciative of our interest in them and their country. Without exception every pre-conceived idea I had of the work there was far below what I found as reality. With absolutely no reservation I urge the churches of America to support the work. The doors are wide open. The money invested will reap many dividends in the salvation of souls and the great Baptist people of Brazil. I'm grateful to be pastor of a church which supports Baptist Faith Missions. I want us to do more.

## Eight Walk Routes Have Doubled S. S. Attendance . . . Maria Santiago Goes To Be With The Lord . . . Final Arrangements For The New School Year

By Paul Hatcher

Caixa Postal 227

February 24, 1976

Dear Brethren,

The Lord provided a month of expectancy and joy. In retrospect, days seem to diffuse into the next with little or no break.

The Tabernacle Baptist Church has flourished by the Lord. Months back I checked the price of used buses, to function as transportation for visitors to services. I inquired and found a fifteen-year-old bus, however, the price range surpassed our means—ten thousand dollars for a depreciated city transit bus. On a minute scale, the initial trust was made by using a Volkswagen van to bring an average of 50 to 60 persons to service each Sunday morning.

Paul Hatcher

Not desiring that Satan achieve a victory, and beat us out of evangelizing our city, we established walk routes. There are eight routes which average from 20 to 50 walkers. Visitation is done on Saturdays, and early Sunday morning, the route workers walk the route bringing in their sheaves. In four weeks, the church Sunday School average doubled and 20 professions of faith were made.

We were deeply saddened this month with the death of two members of our church—a faithful man and treasurer of the church died with cancer of the lungs; and then Mrs. Maria Santiago, wife of Brother Francisco Santiago, retired pastor of Tabernacle Baptist and one of the eldest pastors we have in Brazil.

This week we are making final arrangements to begin the new school year. Pray with us that it shall be the most productive year in our history in terms of souls saved and new Christian workers.

Love,  
Ranaah P. Hatcher

## Moved From Manaus 3000 Miles South To Start Two New Missions From Scratch . . . Great Challenge . . . New Offerings For New Work In New States

By John Hatcher

Dear Brethren,  
Garca, Sao Paulo  
February 21, 1976  
Friday, 6th of February, moving day for the John Hatchers after a twenty years stay in Manaus. The big flat-bed truck backed into our yard about one o'clock in the afternoon. The sun was bright and hot as piece after piece of furniture was loaded. The mattresses were used for packing around the refrigerator and other machines since a trip of 3,000 miles, one thousand of which is mud road, is not exactly conducive to furniture moving. About four o'clock the last articles were put on the truck and the big tarpaulin was stretched and laced down over the load. Three of us, accompanied the truck to the other side of the river, watched it disappear in the distance and then returned back to an empty house. David had arrived on the day before and it was great to be together even in an empty

John Hatcher

house for a couple of days. On Tuesday we flew to Cuiaba and Alta, Maria and Kathy caught the bus that same night to Garca so they would arrive before the furniture. I stayed with the Creiglow family (I am grateful for their help and hospitality) from Tuesday until Sunday. Our pick-up truck was sent on a carrier to Cuiaba where it arrived on Sunday morning. On Sunday night about 9:00, I started on my trip to Garca and in nineteen hours arrived at home.

This week has been one of unpacking and arranging and planning for the opening of two new works simultaneously (one in Garca and one in Galia, 12 miles from Garca). The buildings are almost ready. People here, for the most part, have never even heard of baptisms, Rome rules supreme, we need your prayers and your support, now.

## Worked Day And Night On Turner Building . . . Turning Building Over To Turner . . . Rejoiced To Have Visitors From The United States . . . Plan To Start From Scratch In Another City Across The River

Dear Brethren,

For two months before the ten brethren were to arrive from the States to visit us I could see that it was not going to be just a matter of sitting and waiting, but one big rush to get the new church building big enough along to be used while they were here. Most of this time we worked long hours and after we got it wired for lights we worked many nights very late, in fact the night before they were to arrive we worked until eleven p.m. On Sunday before they arrived on Wednesday we had our first services in it, but were almost too tired to enjoy it.

Bobby Creiglow

I am sure Brother Turner will tell about the dedication services that were held while the brethren were here, so I will not go into that.

We were glad to have six of the brethren from the states to stay in our home and were sorry that we could not keep all of them. We hope they will come again and bring their friends. We are always glad to have any that would, to come and see what is being done and also what is not being done as well. We would like to take this space to thank them for coming, we enjoyed it very much.

Although the Turner building is not nearly finished, next week I will turn it all over to him and we hope in the very near future we can start all over again in another section of town, or I should say in another town across the river. One pastor wrote to me and asked if we had any prospects in

## Remembering And Rejoicing Over Visits Of Ten From The U.S. . . 340 In Sunday School . . . Funds Needed To Finish New Building . . . Returned From A Ten Day Trip In The Interior

By Harold Bratcher

Manaus, Amazonas  
February 17, 1976

Dear Brethren,

We are still remembering and rejoicing because of the visit of the ten of you from the States. The Sunday you were with us, the 25th of January, we had 340 in Sunday School at the 14th of December Baptist Church.

We thank each of you that have already given this year for the continuation of the construction of the new church building for the 14th of December Baptist Church. Also we appreciate those of you that gave to the "Bratcher car fund." We believe that you will soon send in enough, perhaps this month, to terminate the paying of the car. Due to the fact that we need at least \$10,000.00 (Ten thousand dollars) to complete the building, not including the building of a wall around the

Harold Bratcher

church property, we lack the faith to believe that you will send in that much for the building fund, but we pray that we'll be able to complete the building before we visit you in States again—July of next year.

This morning, Stephen and I arrived home from a ten day trip to the "baxio Amazonas". We praise the Lord that "Dona Marie" (Mrs. Bratcher) enjoyed the blessings of the Lord during our absence and that the attendance Sunday at the church was normal. We visited four places—Amatari, Varre Vento, Marcelo, and Nova Remanso. At Amatari the Lord gave us six professions of faith and at Varre Vento, I baptized one. Pray for the work and the believers at these four places.

May the Lord bless you in our prayer. Continue to stand by us with your prayers and offerings. Read I Samuel 25 and then ask the Lord to help you to not respond to our requests as did Nabal to David's request.

Yours In His Service,  
Harold Bratcher

## A Trying Month . . . Busy With Three Works . . . Waiting For The Creek To Thaw To Baptize . . . Two Young Men Quoted 95 Verses Of The Scripture

By Louie Carver

Kwang Hwa Mun  
P.O. Box 1184  
Seoul, Korea  
Feb. 16, 1976

Dear Brethren,

I pray that the conferences, etc. in Brazil were a success and a real blessing to the brethren down there. Sometimes I wish it wasn't so far to Korea, because if not, perhaps some of you brethren would come here for a conference also. In fact, if you would come on vacation or whatever, we'd sure give you a work out in God's work.

The past two weeks we've had extremely warm weather for this time of the year. We had about a week down around zero and then it warmed up in the 30's 40's. With that warm of weather this time of the year we hardly know how to act.

This has been a rough month with medication and dental bills. I've spent about \$350.00 on teeth and about \$150.00 for vaccine for our oldest daughter's allergy medication. I need another \$350.00 dental work and so does Pam but just can't swing it.

With the school and trying to oversee all three works sure keeps me busy but all the

Louie Carver

works seem to be doing well. We have an old grandmother and a young man awaiting baptism at the Too Mill Mission as soon as the creek thaws so they can receive baptism and two young ladies are awaiting baptism at the Kyon Ba Ri Mission as soon as we can get a place to baptize there; also, we baptized one here at Shin-Nae Baptist Church last month and re-instated one young man.

They had a Lunar New Years Service at the Too Mill Mission and at least two of the young men quoted about 95 verses of Scripture; Brethren, just think, these same young men about three years ago probably hadn't even read one verse of Scripture and one of them, it appears, may be called to preach. There are disappointments and hardships at times on the mission fields and especially here with the language, culture, and customs barrier but when you see God's blessings on His work then it's worth it all.

Brethren, pray with me that if it pleases the Lord we shall be able to start another work here in the city of Seoul (Population almost 7 million) this coming summer.

We thank God for you who help to keep us on the field where the "field is white and ready to harvest."

Yours In His Service,  
the Louie Carvers

## Churches Visited In Florida And Slides Shown Of Work . . . To Michigan . . . To Visit Son In Canada

By James Kissel

Dear Brethren,

February 24, 1976

Since our last writing, we were in Florida and had the privilege of preaching in several new churches, to preach and show our slides and tell of the work. We showed our slides at the First Baptist Church of Marianna, Florida, also at the Pleasant Hill Baptist Church of Marianna, Florida, where we showed our slides and preached on a week end. Brother Hall is the pastor of this church. We thank the Lord for these good people. Then we attended the Mission Conference at Park Ridge Baptist Church, Brother Doug King is

James Kissel

pastor. On Wednesday night we preached at Dean Road Baptist Church, Brother King, pastor. We thank each church and pastor for their kindnesses to us.

After leaving Florida, we traveled to Michigan, where we preached at Faith Baptist Church of Madison Heights, Brother Humble, pastor. Then we went to visit with our son, as we had only spent two days with him since coming home. We spent two weeks with him, which we really enjoyed.

We are now buying things necessary to return to Peru. The Lord willing, we now plan to return ahead of time.

From all reports, the work is going well in our absence. May the Lord bless each one that has had a part in this work.

Yours In His service,  
James Kissel

A Sunday morning service in Jauanaca Baptist Church. This church is seven hours up the Amazon River from Manaus, Brazil, inland on a beautiful lake. It takes about as long to go to this church as it does to go from Detroit, Michigan to Lexington, Kentucky by car. John Hatcher preached to about 140 people in this service. The ten persons who went to the Manaus, Brazil Bible Conference, went by boat to this church. Miguel Ibramon is pastor of this church.

Dear Brethren,

The blessings from the Lord have been with us and for this we are glad. Jan. 21, I left Sao Luis for Manaus and the Conference there. I arrived at the airport just a short time before the plane from Miami arrived and so I got to be there when the 10 arrived from the States, soon some of us were on our way to the Bratchers, some to Paul Hatcher's, some to John Hatcher's. The Conference was a good one with the preaching at its best. All English sermons were translated to Portuguese and all Portuguese were translated to English. Mon. Jan. 26 we left Manaus 8 a.m. for a trip up the Amazon River and to Lake Janauaca and the Baptist Church there where Brother Miguel Ibramon is pastor. After arriving there was a baptizing of 9 believers in the beautiful lake. That night Brother Hafford Overbey

George Bean

preached and Paul Hatcher translated to a full house with many standing. We left Manaus Wed. Jan. 28 early in the morning and arrived at Cuiaba Airport to be met by Brethren Turner and Creiglow. Wed. and Thursday nights we were in the new building that Brother Creiglow and Brother Turner have built. There were two messages each night. Friday, Jan. 30, we left Cuiaba for Brasilia, the capital of Brazil, where we spent the night. Sat. Jan. 31, we left for Sao Luis and at New Hope Baptist Church Saturday night and Sunday morning and evening, with two messages at each service. Monday, February 2 we left Sao Luis at 1:30 p.m. by my car and a Volkswagen bus that my neighbor gave us to use (free of charge, also a three bedroom home for the brethren to sleep in). We were in the Peritoro Baptist Church Monday night with a full house. Tuesday night we were at Sao Mateus Baptist Church with a full house also a downpour of rain. The brethren left Wednesday the 4th at 9:30 p.m. to Belem to Miami, also Cathy and Mauricio went on the same plane with them.

Dear Brethren,

We are rejoicing at the good report that we received today from the brethren in Peru. The work is going good both in Huanuco and in Ambo. There have been 4 professions of faith this past month, 3 in Huanuco and 1 in Ambo. We are encouraged by the good report.

This past month flew by as we visited churches in Tenn., Ohio, and Mich., and Kentucky. Our thanks to those pastors and churches who contacted us early.

Art Gibbs

Your cooperation was much appreciated. I commend you for your consideration and cooperation. If there are those who would like us to visit their church, or better yet the churches in your area, please contact us at the above listed address or telephone without further delay. By the time this letter is distributed we will have less than 3 months remaining to visit churches in the U.S.

Once again our thanks to those who continue to pray and to give that we might have a building in Huanuco. May the Lord reward you for your love and sacrifices is our prayer.

May the Lord bless you all.

Yours in HIM,  
Art Gibbs

This is a mission of the Juanauca Baptist Church up the Amazon River inland on a beautiful lake. This building was built by the Juanauca Baptist Church. The ones in this picture were present two hours before the first service in this new building. There were 180 present for the first service in this new mission building. ## To Ordain Two Native Preachers And Organize A Church . . . Rented A New House . . . Rented A Building For New Mission

By Walter Lauerman

Apartado 1218  
Tegucigalpa, Honduras  
February 17, 1976

Dear Brethren,

Attendance in both the Woodland Baptist Church and Ayestas mission was the same as last month. I preached 3 times in Ayestas this month and had 3 saved. Many lost came to all services in the church. There are 5 to baptize from Ayestas and one from the church that will be done soon. We hope to have an ordination service for the preacher from Ayestas and the new pastor of the church here. He is the young man that looked after the work while I was home in U.S., etc. Then March 15 we hope to organize in Ayestas.

Walter Lauerman

Also, I have rented a building to start a new work in and I hope to have the first services there February 29. We want to visit some there before we start, etc. and it takes that long to get all ready also. We thank God for

Bryan Station Baptist Church, Lexington, Ky. for offering to pay the rent on this new building. It was an answer to prayer. Bryan Station Baptist Church has helped me so much in the past also.

February 2, in our business meeting I resigned as pastor of the Woodland Baptist Church and they unanimously called Jose Garcia the young man that handled all for me while I was in U.S., even all my personal things. Great boy and smart intelligent preacher. Did a great job in my absence. This now leaves me to handle this new mission. I thank God for the work here. It is not big but we have some real good ones.

We have moved out 3 and half miles from downtown to a new house. It is so nice that we could not pass it up. Will send picture and explain more later. I was down in my back and could not move without help or having real sharp tearing pain. I get this every 6 months or so. This was the worst by far though. We thank God again for all that make our ministry possible.

By His Grace,  
Walter F. Lauerman

Dear Brethren,

This month has been a rather busy time. We worked 6 days a week trying to get the building ready to use when our visitors from the States arrived. On Tuesday before they arrived on Wednesday we worked until 10:30 p.m. getting it ready for the dedication service.

On Wednesday the 28th the brethren arrived from Manaus. We had our dedication service that night. Bro. George Bean brought the first message and Brother Marvin Summers brought the second message. There were about 90 present in the service. On Thursday night we had a message from Brother James Hamilton and a second message from Brother Bobby Aldridge. We had about 90 present also in this service. We were thankful for the presence of each of our brethren from the States and for the privilege of keeping some in our home while they were here.

Although the building is in use it is not completed. We lack putting in a ceiling,

floor and painting the walls. We also lack putting in a ramp up to the porch. We are thankful to all that have had a part in giving toward our building.

I had the privilege of going to the Manaus Conference and preaching in one of the services. We enjoyed the conference very much.

As most of you know we have been on the field for a few years but without a car. We need a car very badly here in our work. We ask you to consider our need and give toward our car fund as you feel led of the Lord.

May God's blessing be upon you all.  
Yours in Him,  
Richard A. Turner
