## Another Church Organized In Honduras

New house that the Walter Lauermans rented in new subdivision of Tegucigalpa, Honduras. The nicest house they have lived in. Seven rooms, four bed rooms, three baths with maid house in rear. The 800 gallon reserve water tank in rear looks like a chimney to the house. Lauerman car in garage at right. We all rejoice with the Lauermans.

### Walter Lauerman Organizes Church In Tegucigalpa, Honduras

This is the second Baptist Church organized by Walter Lauerman in Tegucigalpa. He organized eight Baptist Churches in Iquitos, Peru and on the rivers nearby. A total of ten organized in all. He already has another mission started in Tegucigalpa, and plans still another one in the new subdivision he is now living in.

### Approved Projects That The Needs Are Urgent

All the needs can be said to be "Urgent".

#### Bratcher Building

We Need \$15,000.00 to finish building and walls around lot. Is there someone who would give this total amount? Pray and give as the Lord leads.

#### Bobby Creiglow Lot And Building

Bobby Creiglow has been building for and with Richard Turner. Now he has rented a building for a mission in the city across the river from Cuiaba for his new mission. Please give so a lot can be bought and a church built.

#### Turner Building And Car

Need offerings to finish building and to buy a car for Richard Turner to use.

#### New Work In Other States

John Hatcher has rented two buildings 12 miles apart in two cities and is starting two missions from scratch without one believer outside his family. He has a five minute Radio Program daily. Need offerings for buildings rent and this new work. Pray and give.

#### Paul Hatcher Car

Paul Hatcher is pastor of Tabernacle Baptist Church, Manaus, Brazil, head of the Baptist schools with over 1200 students, head of the Seminary to train native preachers and head of the PRINTED MINISTRY. Give that he may have a car to use.

#### There Are Many Other Needs

Airplane fares, Doctor and hospital bills, and others too numerous to mention

#### The James Kissels

The James Kissels have cut their furlough about two months short to get back to their work in Iquitos, Peru. Pray and give for the plane fares and other expenses as the Lord shall lead.

### Third Annual Missionary Conference, Zoar Baptist Church, Cunningham, Ky., June 21, 22 and 23, 1976

Parvin Hall, Pastor. Plan now to attend.

### Homer Crain Has Returned From Tingo Maria, Peru And Resigned As A Missionary

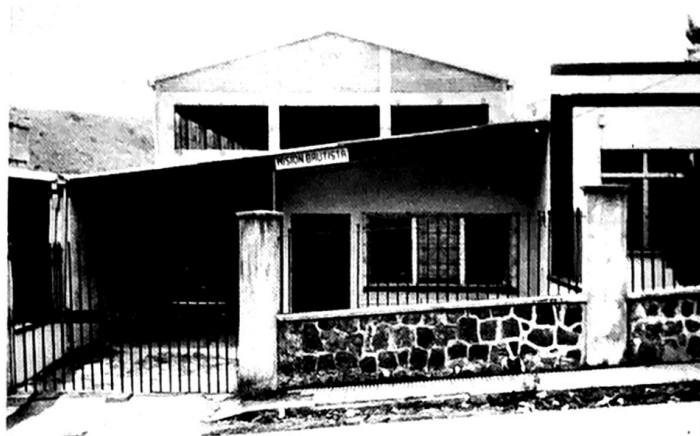

Brother Crain has resigned for personal reasons. We thank the Lord for the good work he has done, and wish for him and his family the Lord's richest blessings.

#### Postage Has Gone Up

It now costs 62 cents to mail one copy of the MISSION SHEETS to a missionary in Brazil, Peru and Korea. It costs 50 cents to mail one copy to Honduras. It costs 31 cents to mail a letter on thin onion sheet paper for less than one half ounce to Brazil, Peru and Korea and 25 cents to Honduras. The cost to prepare and print the MISSION SHEETS is \$285.00 per month plus the cost for large envelopes to mail to churches, plus postage. Any offerings to help on the Postage and Printing cost will be appreciated.

### Missionary John Hatcher's Father Dies

Albert R. Hatcher, age 77, died of a heart attack, Saturday, March 27. Funeral at First Baptist Church, Alexandria, Kentucky with pastor, Carl Morton preaching the sermon. May great grace be upon all the bereaved. Absent from the body, present with the Lord.

New Mission building in Pradera. Note sign MISION BAPTISTA. Two living rooms in front with car port. Hall in rear for services. Bryan Station Baptist Church, Lexington, Kentucky is paying the monthly rent on this mission building.

### Church Organized In Ayestas . . . Pastor To Be Ordained . . . A New Mission Already Started . . . Rented Very Nice Home To Live In

By Walter Lauerman

Apartado Postal 1218  
 Tegucigalpa, Honduras  
 March 13, 1976

Dear Brethren,  
 In just two months a lot of blessings, and some setbacks. We are now in our new mission work in a place called "Pradera" which means grassland or prairie. It is about 5 miles from downtown. We had 18 and 25 in the first 2 Sunday mornings and about 35 on Thursday nights. There are 2 families coming that have been saved in Baptist Churches but are not baptised yet but are real interested and said they were praying for a Baptist work to start in that area. Pray with us as it seems God is answering our prayers to a tee how we prayed before coming back from the U.S.

Walter Lauerman

We organized the mission in Ayestas into a church March 5, 1976 with 15 members as we had to discipline 4 from there before organizing. I baptised 4 the Sunday after they organized though. We plan to ordain

the preacher from out there that they called as pastor. This we will do March 17 the Lord willing. They are happy, it seems, and things as of now are fine. Pray that the devil will not later interfere as before.

The Woodland Church (first one organized here) had an off-month. The young man that handled the services while I was in U.S., took the church as pastor then refused it after thinking he was too young and that maybe the church would not follow him. This he did AFTER I had opened the new work in Pradera. So I preach for them on Wednesdays and a man from the church holds services for them on Sundays. So they are not dead yet by far. It just affects the lost that were coming.

We are happy in our new home, especially Deloris. Maybe the Lord wanted her to have this after 5 operations, 7 childbirths, one child death and many problems. It is not as good yet as 90% of other missionaries but to us it is the best. Thanks again for all and God bless you.

By His Grace,  
 Walter F. Lauerman

### An Exciting, Thrilling, Enjoyable Month . . . Taught Trail Of Blood . . . Two Peruvians Surrender To The Call To Preach . . . Received New Truck

By Del Mayfield

Apartado 166  
 Pucallpa, Peru, S.A.  
 March 15, 1976

Dear Brethren,  
 This has been an exciting, thrilling, and joyful month.

We had to go to Tingo Maria and pick up the truck that Brother Crain left. There are no planes now to Tingo, so that means we rode a bus. You would never believe the kind of bus we had to travel in. The steering wheel had so much play in it that the driver had to fight it, turning it about two rounds before turning it the other way. We left Pucallpa at 11:00 A.M. and arrived in Tingo at 8:00 P.M. that night. That was the hardest 9 hours we ever spent in our lives. Coming back was much better as we came back in the pick-up, little 73 Datsun.

Del Mayfield

We just finished teaching the book, the Trail of Blood here at the church, and it was a thrilling experience. I must admit that it

was with fear and trembling as this is a country that knows nothing but the doctrine of Catholicism. The Lord wonderfully blessed. One of our faithful men came surrendering to preach, and another man was saved. We believe that others will still come for baptism.

## 274 In S. S. . . One Profession . . . Four Baptized . . . Need Offerings To Finish Church Building . . . Urgent Plea Made For Help

By Harold Bratcher

Dear Brethren,  
 Manaus, Amazonas  
 March 16, 1976  
 Last Sunday the Lord blessed us at the 14th of December Baptist Church with 274 in Sunday School. Sunday night we had 175 present and a young lady made a profession of faith. We lost two by letter (a young couple that are now living in another State of Brazil). Sunday night, February 29th I baptized four and we celebrated the Lord's Supper. Thus you see we had a good month in the service of the Lord here in Brazil.

Harold Bratcher

The work of the construction of the new church building continues at a slow pace due to the lack of money. Our most urgent need now is to get the roof put on. Therefore I appeal to you, dear brethren, to help us get a roof over our heads at the church. In fulfillment of our promise (see "Mission Sheets"-Vol. 34, No. 12-December 1975) I mailed to J. Hamilton, treasurer, Baptist Faith

Missions, a check for \$120.00 which represents our promise of the three of us (Harold, Marie, and Stephen Bratcher) for four months for the "Bratcher Building." Thus we have done what we could. We thank you for the \$610.00 you sent in in January for the "Bratcher Building." It is too early in the month to know what you sent in in February. Won't you send in \$2,500.00 in the month of April? If you do, we'll be able, I trust, to get the roof put on. I hope that enough has already been sent in to finish paying for the "Bratcher Car." Please read your "Mission Sheets" to know, and if not, please help us in that way again. Last month we asked you to read 1 Samuel 25 and ask the Lord to help you to not respond to our requests as did Nabal to David's request. If you didn't read about Nabal and David last month, then please do so this month.

May the Lord bless you all. We thank you again. All of you that give to the regular fund as well as to designated funds, we thank you in the name of the Lord.

Yours In His Service,  
 Harold Bratcher

## Brother Choi In Hospital Very Ill . . . Several Good Men Who Are Faithful . . . Service At New Mission

By Louie Carver

Kwang Hwa Mun  
 P.O. Box No. 1184  
 Seoul, Korea  
 March 15, 1976

Dear Brethren,  
 "Oh how time flies and in every direction of this city of approximately seven million people, souls are lost and condemned without Christ, many having heard a gospel, but not the "Saving Gospel" of the Lord Jesus Christ. Won't you come on over and help us get the message of Eternal Salvation to them?"

Louie Carver

Along with God's blessings on us this month has also been some trying situations but God continues to bless us. Brother Choi who pastors and works with me at the church here in Seoul and the Bible School, is in the hospital with intestines grown together, stretched and even decaying in places. The doctor told his wife that his liver also has some type of inflammation. Bro. Chong the pastor of the two missions was having some type of illness last week also; so we need your prayers concerning these brethren.

The Lord has given us several young men who are faithful here at the church in Seoul. Last night was youth night; that is from college age to about 30, and I wish

you could have heard the young man who preached. The Lord saved him about a year and a half ago. He had accidentally killed his buddy while in Viet Nam, had to spend time in prison for it, came out of prison and began to drink heavily and became almost a bum. The Lord saved him while I was on furlough last year and oh how he held up the blood of Christ in his message last night. Another young man who was saved at the Too Mill Mission about two years ago has moved and is now attending the Bible College walking about 40 minutes each way and then riding the bus another 45 minutes. Things like this make the blessings far out weigh the hardships of the missionary.

I was up with our new mission work, Kyong Ba Ri, a couple of weeks ago & preached. We had near 80 for the children's S.S. & approximately 50 for the preaching service. The Too Mill Mission is about the same, good interest, good services, but another faithful family of five moved away. We're considering organizing this work in a few months, that is if we don't lose more by their moving away. Due to Brother Choi's illness, these days have been busy ones, I've been home one night in three weeks. Pray that God will give me grace and wisdom in trying to do His work.

We thank God for you who make our ministry possible on this great mission field.

Yours because of Calvary,  
 the Louie Carvers

## Churches And Seminary Visited In Three States . . . Thanks For Hospitality In Homes

By Mike Creiglow

Clarksville, Tenn.  
 March 22, 1976

Dear Brethren,  
 We have done plenty of traveling. We spent all of February in the Lexington, Kentucky vicinity. The services and fellowship with all the churches there was great. Our thanks to all the churches and pastors there. Special thanks to the James Hamilton family for "boarding" us so graciously for the month.

Mike Creiglow

After attending the annual Clarksville

Baptist College Seminar we went to Michigan to visit a few more churches. Our thanks once again for such a good time in the Lord's churches. It is always encouraging to be with those great long, established churches of southern Michigan and refreshing to see the young ones in the mission fields of northern Michigan.

One more word of special thanks to the Emmett Sextons who kept us so well, though unexpectedly for several days.

May God bless you all.  
 In Christ,  
 Mike Creiglow

## Great Lessons Learned While Patiently Waiting . . . Building Ready When Chairs Arrive . . . Not One Native Believer To Start With

By John Hatcher

Garca, Sao Paulo  
 March 16, 1976

Dear Brethren,  
 God has given us a month of waiting. Perhaps the month of least activity since being in Brazil. Let me hasten to say, however, it has not been an unprofitable month. God has taught us many things; I would like to mention two: (1) The work goes on and increases, where we left, without our presence, so God has others who can do a better job than I. It is good to be reminded that man is not indispensable. (2) In a new place, where is not even one believer to start with, we have learned a new feeling of being alone. And some times, from the indication of the support for new works, we really feel alone. Both of these lessons have been profitable to us. They have humbled us and taught us once again that He is our Force.

John Hatcher

The two buildings which we have rented are ready now and awaiting the new chairs which were bought in Sao Paulo, (three hun-

dred miles away). Both buildings are very pretty. The one here in Garca will seat up to 400 persons and the one in Galia, up to 200 person. God has given us many opportunities to bare witness of the Truth among people here. The city is the tight-fisted traditional Catholic kind where everything is controlled by the religious powers. But men without Christ are enslaved and aware that something is lacking even though they are religious. A prominent businessman said to me, a day or two ago, "I confess that when I think about death I have to change the subject right now."

A daily radio program of five minutes has been started here in Garca. The local station reaches the city of Galia and about five other communities. Our family is sustaining the radio program personally. Remember, there are 300 counties in this state without Baptist work.

Our pick-up has been in the shop for repairs for over three weeks but we hope to get it out of the shop in another week or so. Let us remember, MEN MUST HEAR THE GOSPEL BEFORE THEY CAN BELIEVE.

In Him,  
 John A. Hatcher

## 1214 Students Baptist School Manaus, Brazil, Hear 20 Minutes Of Preaching Each Day . . . Great Opportunity To Evangelize

By Paul Hatcher

C.P. 227  
 69,000 Manaus, Amazonas  
 Brazil, South America  
 March 23, 1976

Dear Brethren,  
 School started March 1, and you can imagine all the excitement that that would bring. We have one of the greatest enrollments in the history of our school, with 1,214 students. What a joy to hear the sounds of all those young people back in school. The first shift is from 7 a.m. to 11 a.m., the second shift from 1 p.m. to 5 p.m., and the last shift from 7 p.m. to 10:30 p.m.

God has perhaps given us one of the greatest opportunities to evangel-

Paul Hatcher

ize since the beginning of the schools. Each shift has the equivalent of 20 minutes preaching service each day-you barely finish one sermon when preparation for the next one must start. We request that you pray for the schools daily that the Lord may save and raise up Christian workers from amongst the students.

This month we also celebrated another great event-our fifth happy year of marriage. We have a daughter 15 months old, and we enjoy serving the Lord together. Wanda teaches a beginners Sunday School class with an average of 40 each Sunday, is the church pianist, and teaches several English courses in the high school.

Love to all,  
 Paul Hatcher

## Cut Furlough Time Two Months To Get Back To Work In Peru . . . Received Reports Of Work From Peru . . . Visited Relatives Before Leaving For Peru

By James Kissel

Dear Brethren,  
 March 20, 1976  
 We have received some good reports from the brethren in Peru. The pastor of the First Church, made a long trip to visit the church at Maipuco, where he also had a part in ordaining one of the brethren, to the ministry. The pastor of the Second Church is very ill at this time, and is in the hospital in Lima. This places a heavy load on the pastor of the First Church. But with all the problems and trials, the Lord has blessed and souls have been saved and added to the church. Because of these reasons and perhaps a little home-sickness on our part, we will be returning to Peru very soon. We are sorry that we had to cancel our appointments that were made some time ago, but we feel that this is the time to go back, so we are sure that those pastors who have invited us, will understand. Perhaps we can visit another time.

James Kissel

We thank each church and pastor, who have invited us to preach and tell of our work, and for all who have and will continue to pray for us as we return to the field.

This past month we have visited friends and relatives and taken care of some personal business, before returning to Peru. This past week, we were with New Hope Baptist Church of Mt. Morris, Michigan, Pastor Lee Hammel. The Lord willing we will leave for Florida, this coming week, and then on to Peru. We are looking forward to return, to the place the Lord has called us, and to many blessing during this term.

We hope that each one who has promised will write us and those that have promised will visit us and the work. Come down and see where your mission money goes.

May the Lord richly bless each one.

Yours in Him,  
 James Kissel

## Several Professions Of Faith . . . Church Excludes Two . . . Visit To Church At Villa Maranhao . . . Children Away In School

By George Bean

Caixa Postal 500  
Sao Luis, Maranhao  
65.000 Brasil, S.A.  
March 15, 1976

Dear Brethren,

This has been a month that has passed so fast that I truly do not know where the time has gone to. But the Lord's blessings have been with us every minute. We have had several professions of faith at New Hope Baptist Church and we had to exclude two for unconfessed sins in their lives. The rains have started and this always affects our attendance as many of our members live a long way from the church and either walk or catch a bus to come to church.

I have been to the Villa Maranhao Baptist Church one Saturday night and helped them with a business meeting. They had the sad duty of excluding one who fell into sin.

George Bean

We have had another three days of open sin in the streets as the Catholic Church puts its approval on this kind of stuff and then on ash Wednesday they go down to the Catholic church and get the ashes rubbed on their forehead. This was called Carnival 1976 of Brasil. Thank God for a Saviour like Jesus who can save and give the saved a desire to serve Him. It was great to see our members making their way to the services during this time as many of them were always in the middle of this kind of stuff before salvation in Jesus.

May the Lord bless each one until time. June and I are now by ourselves as two of our children are studying at Fortaleza Academy which is 600 miles from where we live and our other children are in the States.

Your Missionary to Brasil,  
George Bean

## Continue To Work On New Building . . . New Visitors In Services . . . One Profession Of Faith . . . Need Offerings To Finish New Building

By Richard Turner

Cuiaba, Postal 720  
78000-Cuiaba, Mato Grosso  
Brasil, S.A.  
March 15, 1976

Dear Brethren,

We have continued to work some on the building this month. We finished installing the other rest room and putting up doors to the Sunday School rooms. We lack two doors for the two rooms at the back of the auditorium. I have almost finished white washing the outside of the building which they do to all plaster buildings here. It helps to save on paint. We have had some visitors this month in our services. We are looking for more as visits are made and people come to know about our services.

Richard Turner

The Lord blessed in the salvation of one this month. In our November Mission letter we requested prayer for this woman. She is the wife of one of our members. We are still praying for the other lady.

There are still needs for the building so it can be completed. Give toward this fund as God leads you.

Thank you for your prayers and faithful support.

Yours in Him,  
Richard A. Turner

MAYFIELD (Continued from page 1)

At our mission at San Fernando we had one of our former students come forward saying that the Lord had called him to preach. This is what we have been praying for the Lord to do, and that is to raise up workers. We also appreciate you who pray for us and with us.

We are trying to get an electric line into our mission, so that we can work on Monday nights and finish the building.

We are also excited about our new truck. We just got it, and have the bus bed on it, and almost painted. I'll get a picture of it for next issue. We know that it will be a blessing to our work.

Next week we will be teaching the Trail of Blood in San Francisco. Pray for us. The Arenal church has also asked me to come. Just not sure about the date as yet. Our church here had the largest tithes and offerings in the history of the church, this past month. We thank the Lord for the people He has given us here. There are many other things, but our space is gone. So until next month. May the Lord bless you all.

Yours by His Grace,  
Del Mayfield

## Finished His Part In Construction Of Turner Building In Cuiaba . . . Wife Of Member Saved . . . Rust Spots Repaired And Repainted On Car

By Bobby Creiglow

Cuiaba, Mt.  
March 12, 1976

Dear Brethren,

I have finished my part in the construction of the Turner building and have turned all of everything over to him. If I am needed and wanted when the time and money comes to finish it I will be more than glad to go back to help with whatever I can. Since I have turned it all over to Brother Turner, for the past two weeks I have not done anything except look at some lots that have been offered for sale, but Look is all I could do.

Bobby Creiglow

Last Sunday Night there was a lady saved that we had been praying for over a year. She is the wife of one of the men that was saved and baptized last year.

I have had the rust spots on our car fixed and had it all repainted. It looks much better now.

In Him,  
B. D. Creiglow

Plan your special Thanksgiving Offering now.

It is never too early.

By Art Gibbs

1012 Balsam Drive  
Lexington, Kentucky 40504  
Tel. (606) 278-0963

Dear Brethren,

This has been another busy month as we have been visiting churches in Kentucky and Michigan. I have also been preaching in several senior citizens homes as well as showing slides and telling about the Lord's Work in Peru in several grade schools. We are thankful for the invitations to come and for the graciousness of the Churches which we have visited.

We continue to receive good reports from our brethren who are watching over the work in Peru. There are 5 waiting for baptism at the present moment. Bro. Alberto Fabian, pastor in Tingo Maria, has been invited to come and baptize those awaiting baptism. We have also received word that the judge who the Church had to rebuke for unchristian behavior has repented and would like to be restored.

We have had our trials this past 2 weeks with first one and then another of the family coming down with the flu. It has been all I could do to stay on my feet the past few

Art Gibbs

days. Yet God has given grace and I have been preaching each night. Please pray for us.

I still have some vacant dates for those who would like for me to come and visit them. You may write or call to the above numbers. Thank you once again for your prayers and support.

May the Lord bless you all.

In Him,  
Bro. Art Gibbs
