### Visiting Increasing S. S. Attendance . . . Three Professions Of Faith . . . Two Trips To Carema . . . Two Trips To Mapaura . . . Many Sick With Flu

By George Bean

Dear Brethren,  
We have had an increase in our Sunday School this month at New Hope Baptist Church as a result of some of the members going out and in visiting people to come to God's house. It would be wonderful if all of God's people had the vision and faith to go out to invite people to come to God's house to hear His word preached. We have had three professions of faith this month at New Hope Church. I have been to Carema two times and they are down in attendance as always when the raining season is here. I have been two times to a place near Sao Luis, called Mapaura where

George Bean

one crippled member lives, not one other member of his family is saved, and he is weak in the faith, pray for his family. We now have an epidemic of the flu and many of our members are down with it some are worse than others. We have had several encouraging letters this month from many of our dear friends there in the States in the Lord's work. We always enjoy hearing from you all.

Please pray for us as it seems to get harder to stay here as there is always a problem with inflation and the cost of doing mission work has risen highly from the days when we first came 12 years ago. But the cost for redeeming one soul is still the same the precious blood of Christ. There is still a great field before us filled with people that need to hear. May God bless each one and good bye until next time.

In Him,  
George Bean

These were organized into a church outside Seoul, Korea, by Louie Carver. Others present not in the picture. The work of Baptist Faith Missions continues to GO and GROW and GLOW. To God be all the glory.

Dear Brethren,

This past month has been one of the busiest in my ministry. Due to Brother Choi's illness I either preached or taught every night for a month plus church visitation, preparation for the lessons and messages, but enjoyed it except for my physical exhaustion. Brother Choi is now going again, seemingly his illness wasn't nearly as bad as he had thought. We appreciate your prayers concerning his health.

Louie Carver

I suppose one of our greatest blessings of the month was the privilege of organizing our first mission (Too Mill) into a local Independent Baptist Church. After disciplining ten for non-attendance, etc. and five members remaining at the church here in Seoul, the Shin Baptist Church, we still organized with thirty-three (33) charter members. To many of you that may sound small, but this is a village way back in the country, not even electricity and most of the people had never heard any kind of gospel until we began the work. There had been, in all, approximately 125 professions of faith at this work. One young man from this work

has been called to preach and is now attending the Bible School. Pray for the Too Mill Baptist Church and Brother Chong as he continues to work with it. The Kwon Ba Ri Mission seems to be doing fine with several awaiting baptism, in fact, I'll probably baptize there tomorrow evening.

The Shin Nae Baptist Church here in Seoul is doing fine, we have, I believe, five who are to be baptized here the last Sunday evening of the month. Our attendance is running steady here and the people are concerned for souls and the church growth.

Next week will be final exams for this trimester at the school then we'll have a one week break and begin the next trimester on May 3rd.

If any of you pastors aren't sure that God wants you at your present place of service, please, please come on over. The field is white and the laborers are few.

Thank God for each of you who make our ministry in such an open field possible.

Yours in His Grace,  
the Louie Carvers

## Visited And Preached In All Churches And Mission Points . . . Trip To New Work In San Juan . . . Working On Building In San Fernando

By Del Mayfield

Aparacachi 100  
Pucallpa, Peru, S.A.

April 14, 1976

Dear Brethren,

This is the first month to be able to report that we visited all the churches, and preached at all the mission points. It has been an exciting experience for us. One week spent in San Francisco, about an hour and half downriver. The river came up, and most of the people had to walk in water up to their knees to get to church, many came in canoes and boats. The bad thing was that the mosquitos had no place else to go, and I still have marks to prove that point.

We also made a trip to San Juan, our new mission. This also was a first. Most of the people there live some distance from the mission. One family walked four kilometers or about three miles. They have three children. We hope to be back there this week.

Last Sunday we were with the brethren at Liberty Baptist Church in Arenal. Had a good time of fellowship with the brethren. There were two who came for baptism. They also have several others waiting baptism. Pastor Abel Panizo has an infection on his foot, and is afraid to get it in water. They

Del Mayfield

hope to baptize this coming Sunday in our church using our baptistry.

We have started something else new this month. Since getting our new truck we have started work nights at the San Fernando Mission. Last Monday night there were 24 who went with us to work on the building. The Lord is blessing the work there. We have three to baptize Sunday night. There have been three brethren who have dedicated themselves to preach, and we have been using them, and the Lord is blessing. There have been folk saved every Sunday this past month. With our new truck and the bus bed we have no problem taking people with us to the mission. I also used it one day to help Pastor Panizo with a fungus. Taking the family to what we call the mountain to bury. This is where the poor that cannot pay take their dead. This was a good time for me as I got to preach at the grave to many lost people.

The Lord has also blessed the work here, even though we have been away most of the month. There have been several saved, and I baptized six, one being one of our school teachers. Her and her husband have been a blessing to our church since following the Lord in baptism.

Yours in His Grace,  
Del Mayfield

## Getting Building Ready For New Mission . . . Trips To State Of Sao Paulo To Help John Hatcher In Meetings New Work

By Bobby Creiglow

Garca, S.P.

April 21, 1976

Dear Brethren,

For the past few weeks I have been, with Brother Turner's help, trying to get our building in Varzea Grande ready for service. I am having twelve pews made that should have been finished a week ago. Last week I made and varnished the rostrum and pulpit. I wanted to have this all done and the benches all varnished before leaving Curitiba to go to the state of Sao Paulo to work with Brother Hatcher for a week before starting our work in Varzea Grande, but the benches were not finished when we

Bobby Creiglow

left on April 15. I left Brother Turner in charge of receiving the benches.

We have just finished our week here in Sao Paulo State with the Hatcher's and we have had a great week of serving the work. I will leave the details of this week to Brother Hatcher to tell. I would just like to say that those of you that have given to make these two new weeks possible can rest assured that your money is being well spent. Oh what a blessing the organ is to these services! We will leave early tomorrow morning, taking two days to drive home. We drove straight through coming down taking 21 hours. We are very tired, so we plan to spend a night in Campo Grande on the way home.

In Him,  
Bob Creiglow

Dear Brethren,

The Lord has been so good to us, as he has given us traveling mercies, as we have traveled now some 15,000 miles visiting churches where we have been preaching and telling about the work.

This past month we have been preaching in Michigan, Ohio, Indiana, and Kentucky. My thanks to all the churches we were privileged to visit for the invitation to come and also your love and consideration. My thanks also to the churches which hosted

Art Gibbs

the Annual Spring Missionary Conference. My thanks to those who prepared the food, both material and spiritual.

My thanks also to those who share our burden for our people and work in Peru and pray and give that the work might go forward. The reports that we receive from the field continue to be encouraging. I am thankful to hear of the faithfulness of our brethren even in our absence. We are thankful again this month we can report of souls being saved both at home and abroad.

In Him,  
Art Gibbs

## Back In Iquitos Peru . . . Visas Not Granted Yet . . . Hope To Organize Another Church Soon . . . Grandson Of Simon Gaima Gets Right With Church

By James Kinsel

Aparacachi 100

Iquitos, Peru

April 14, 1976

Dear Brethren,

We had a very good trip back to Peru, arriving in Lima in five hours from Miami. This is the first time since that we went through customs without opening any of our baggage. I suppose it was because of the early hour. We have not obtained our visas yet, but pray that they will grant us a renewal.

All the work seems to be going along well, although I haven't had time to visit many of the churches. Some of the missions have grown into quite large groups, one, perhaps two, can be organized soon. We have been made to rejoice in the services here since coming back. The first night back I preached in the First Church, Iose

James Kinsel

Alvarado, grandson of Simon Gaima, came back to us back this relationship with the church. I hope to see him soon. We need such a help in the work. Before he left we said, so we are really made to rejoice that he once again will be in fellowship with the church. Next we preached in the Third Church and the pastor's address is: Jesus, and confessing Jesus as savior. This next week is to be the reunion of all the churches, so we are looking forward to seeing all the brethren and have fellowship with all the churches.

It seems there is more and more paper work, each time we come back. It will take us months to get all our paper work in order again. But in spite of all the difficulties, we are happy to be back on the field again. We thank each church for their prayers and support of the work here.

Yours in Him,  
James Kinsel

## A Son's Faith Concerning A Great Father Gone To Be With The Lord . . . New Work Started In Galia And Garca . . . Bobby Creiglow Helps In Meetings . . . 140 Persons In Highest Attendance . . . Over 1000 Invitations Passed Out

By John Hatcher

Garca, Sao Paulo

April 21, 1976

Dear Brethren,

Since meeting the last time our father went to join the "great cloud of witnesses" which gives another wonderful reason for serving the Lord. He was a great father and the grandchildren could be proud as they carried his body to the grave where it will await the shout of the angel and the trumpet of God to awaken his body in the likeness of the glorious Lord.

God has given great victories this month. The new work in Galia was started on the 1st of April with a week's meeting. The first service there were 11 present and the three biggest days of the week had an attendance of between 40 and 70. There is now one Baptist in this town of 12,000. On Thursday, April 22, Brother Creiglow was with us at Galia and had given us a great crowd of 140 persons. The singing part was the large number of men who attended. There were at least fifty who were there for the first time and held up their hands saying they had never heard a Baptist preacher.

Here in Garca (pronounced Garca) the initial service was held on the Sunday afternoon of April 18. Thirty persons attended. During the week the high number in any service was 74. Brother Hatcher

John Hatcher

Creiglow and his family were with us for one week and he preached during the last half of the week and in services in Galia. The messages were great and the people were thrilled to see his pictures of the work and life of the people in the town where he was a missionary for 15 years. On Thursday morning Brother Creiglow, his wife, Betty and their two daughters, Ann, Heather, Kathy and I gave out over 1,000 invitations in the city of Galia. One of the greatest blessings in the new work has been the electric organ. When the doors are open and the music of the hymns goes through our past the service, the people sing, praise and come to God. About 4000 people. That was who gave us us to have the organ. We say to those who thought it was a waste. And no place who would like to have it in it. It is still some over \$500. I think thank you for your prayers and your support.

In Him,  
John A. Hatcher

## If The Lord Delights In Us He Will Give Us The Money To Complete The Building . . . Urgent Plea To All To Help Get Roof On And Building Finished . . . 49th Birthday

By Harold Bratcher

Manaus, Amazonas  
April 17, 1976

Dear Brethren,  
We rejoice in the Lord because of his blessings that have been upon us since we last wrote you.

Last Sunday morning I explained to the 14th of December Baptist Church the need that the church has for more money for the continuation of the construction. Based upon Numbers 14:8 I promised the church that if the Lord delight in us then He will give us the money for the continuation and completion of our new church building. May we all, Brazilians, Americans and all other peoples, conduct ourselves so the Lord will delight in us. Remember that as Missionary Baptists we believe that God elects the means as well as the end. Will you ask yourself if you and your church are one of those blessed ones whom the Lord has chosen to help a sister church in another land to finish building her meeting house? In spite of its unfinished condition (the most urgent need now is to get the roof on)

Harold Bratcher

the building is being used daily for at least one service. We thank those of you that gave last month designated for the "Bratcher Baptist Building in Brazil."

Having petitioned you in the name of the Lord, let us now praise the Lord and also praise you because your offerings and prayers the Lord has used to enable us, along with the offerings and prayers of our beloved national brethren, to reap the harvest of the month. We praise the Lord because I baptized five, Sunday, March 28th at the 14th of December Baptist Church. That Sunday, once again we reached 307 in Sunday School.

We praise Him also because I baptized nine in the new baptistry at the Manacapuru Mission, Sunday morning, April 4th. We praise the Lord because Marie and I both celebrated our 49th birthdays—mine March 24th—her's—April 5th—in the midst of our brethren of the church.

Space does not permit me to tell you about other blessings we have received from the Lord. Read Matthew 25:34-40 and believe me when I say that those words of Christ have been a blessing to me these days.

Yours In His Service,  
Harold Bratcher

## Moved To Lexington Kentucky If House By Fellowship Baptist Church . . . Churches Visited And Slides Shown Of Work . . . In Conferences

By Mike Creiglow

Lexington, Kentucky  
April 20, 1976

Dear Brethren,  
The traveling this month hasn't been to far places, yet we have been to quite a few places. In fact we have even moved to a house in another town. We are now living in Lexington, Kentucky in a house provided for us rent free by the Fellowship Baptist Church. All of us are very grateful for the house. It is very comfortable and a big help to us financially.

Just after moving to Lexington I was privileged to speak and show my slides at the South Lexington Baptist Church.

Of course this was the month of the Spring Missionary Conference. It was a great conference this year. The Spirit of the Lord was with all and everyone

Mike Creiglow

seemed to be challenged, charged, and ready to go home and get busy about missions. I thank and congratulate all the churches and their pastors for the fine conference.

Following the conference we traveled east to visit the Fishers and Waverly Road Baptist Church and the Orricks at Storms Creek Baptist Church. I preached and showed the slides at both churches. Our thanks to these folks for their voluntary service to missions.

From Ashland, Kentucky we went right over to Nitro, West Virginia where I was honoured to speak on the program of the Spring Bible Conference of the Calvary Baptist Church. I spoke three times and it was easy to speak each time since such an eagerness was evident in the listeners. Thanks and may God continue to bless your fellowship.

Thank you all for your hospitality, prayers, and support.  
In Christ,  
Mike Creiglow

## New Church Has High Of 60 . . . Pastor Ordained And Baptized Four . . . New Mission Going Great With High Of 55

By Walter Lauerman

Apartado Postal 1218  
Tegucigalpa, Honduras  
April 17, 1976

Dear Brethren,  
The Woodland Church has had 2 preachers preach for them these past 2 weeks. One is a young man from the Ayestas Church and one is a Baptist that attends out here at our new work. Pray for them. I believe this month they will call one of these men.

I visit 2 days weekly up there and 2 in our new work as well as one in the Ayestas Church. The new church in Ayestas averaged 60 in all services this month and we ordained their pastor. He baptized 4 April 11 and has 4 more candidates. They are doing real well out there. I preach for the Woodland Church every Wednesday as I have Thursdays in the new work. We had our first fellowship meeting in the Woodland Church and 48 attended and 23 of these from Ayestas.

Walter Lauerman

In Pradera, our new mission, we had a high of 55 this month in all services. We have had a woman join by letter (seriously doubt we will get it as we are independent) and one was reinstated in Woodland Church that lives and attends in this work. I am to baptize next week, the Lord willing, one of the couples that I mentioned in my last letter. They are saved but not baptized, etc. I have never been in a work yet where all cooperated and seem so happy and willing to learn as this new work. Please pray for all the work here as the Lord leads you and impresses you.

It seems that I have been able to go hard for 3 weeks and then get sick the last week in these 3 months back. This time it may have been a little bronchial trouble. High fever several days and I am still weak, taking medication. Never missed a night preaching. The Lord is good to me. The rest are fine and send greetings. We are so happy since returning. All of us. I lost 15 lbs. the first 2 months but held my own this month.

By His Grace,  
Walter F. Lauerman

## Ups And Downs . . . Been Ill . . . Visiting Homes Telling Of Services In New Building . . . Need Offerings To Finish New Church Building

Caixa Postal 720

April 16, 1976

Dear Brethren,

We have had our ups and downs this month. For about 5 days I had a painful ear infection then a week later I came down with some kind of virus which put me to bed for 3 days. After a shot and taking some antibiotic by mouth I got better.

We have been visiting the homes in our area telling about our services and inviting all to come. We are having some visitors to come to our services, however, very few that we've visited. In Sunday School we've

Richard Turner

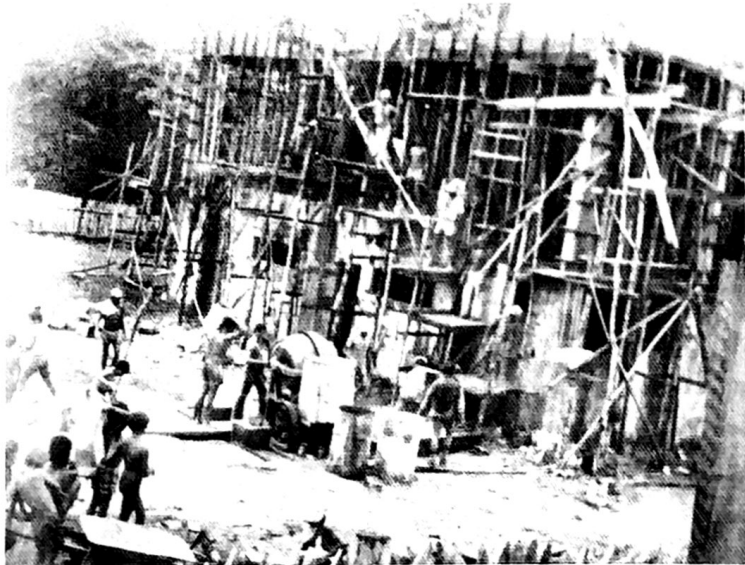

had a high of 34 with a low of 32.

This month I have been helping Bro. Creiglow get his building ready for services. We have painted, washed floors and waxed floors.

I hope to get back to work on the building here this next week. There is lots of work that must be done as of yet. Of course, for the bigger jobs that must be done we are waiting on money to do these things.

We still need some offerings to build a ramp or steps, buy paint, doors and something for the floor. Please give as the Lord leads.

Brethren, we thank God for you.

Yours in Him,  
Richard A. Turner
